### PRESIDENT'S REPORT

It is with pleasure that I submit my final President's report to the members for the 2008 season. As required by the constitution I will be stepping down as from this year's Annual General Meeting.

#### Football

The season was dominated by Subiaco which was clearly the best team and ultimately deserving Premiers. I do believe that we would have been capable of troubling the Lions during the finals had circumstances fallen our way. Unfortunately injuries, suspensions and the unavailability of some AFL players meant that we were unable to field anything like our strongest side. The league teams performance over the last three games was quite disappointing.

Since the finals the club has conducted its annual Football Forum during which we have planned for the coming season. I detect a steely resolve in John Dimmer to improve our performances. He has already held meetings individually with many of our players to outline his plans and expectations for them.

#### Acknowledgements

- Congratulations go to Toby McGrath and Keren Ugle who played their 150 games, thereby gaining Life Membership.
- Jason Matthews and Robbie Hadrill have both announced their retirements. Jason progressed through our colts and reserves to play league football. His value as a clubman was recognised this year when he was awarded the Best Clubman trophy. We are hopeful of retaining Jason in some capacity around the club. Robbie has only played at the club for one year and injuries have curtailed his career. He was a wonderful contributor both on and off the field.
- Simon O'Keefe has returned to Victoria for personal reasons. He was a terrific recruit as demonstrated by his third placing Fairest and Best award.
- Garry Fuller has decided to step down as reserves coach as he will be away for four weeks next season. Garry will be retained as an assistant coach.

#### Player Allocations – Fremantle Football Club

It was disappointing that several eligible players were declared unavailable to play finals football again this year. Some members have suggested that we should not accept Fremantle players again. However, we have decided that we should work with Fremantle to reach an agreement which is to the mutual benefit of both clubs. Accordingly representatives have met to discuss the issue and we are confident

that the problem can be resolved.

#### South Fremantle Warriors Development Squad

Jim Hurst has announced his retirement as chairman after an involvement which has been almost continuous since 1993. He has been a magnificent contributor and we are hopeful of retaining his services in an advisory capacity.

Peter O'Neil will take over as chairman. A number of priorities have been identified for 2009:

- To better promote the success of the Warriors.
- To continue to develop the Warriors coaching style as directed by our league coach.
- To improve the level of professionalism of the programme.
- To better cater for those 16-17 year olds who don't play colts.
- To appoint a Talent Development Officer to oversee the programme, subject to availability of funding.

Our thanks to all of the coaches and volunteers who have worked so well to make the programme successful.

#### WAFL - Equalisation Policy

The WAFL clubs have adopted a number of measures to develop a more equalised competition. These include:

- A salary cap which will be increased for the first time in five years for 2009.
- Restrictions on the number of players that can be recruited from other states.
- A points system which will apply from 2009.

While South Fremantle has expressed our opposition to these restrictions we do believe that a competitive league is a desired outcome. Extensive recruiting of players from outside club zones will now be very difficult.

#### Facilities

Over the past twelve months the club has continued its refurbishment with a make over of the visitors' changerooms. Our priority of this year's off season is to renovate our own player changerooms. This will see walls knocked down to create better use of space, wet areas retiled, a new hot water system, new fittings, carpets and lockers and a complete repaint.

#### Club Business Plan

As indicated in the 2007 report a sub committee has been working on the club's business plan to improve our performance in all areas. This is almost complete and we intend to have a summary of the plan for presentation to the members at this year's Annual General

President Terry Dean in his final address as President after six consecutive terms

Meeting. The club trustees are also reviewing the constitution to consider if any changes should be recommended to the members.

I would like to acknowledge the contribution of John Lange, John Colgan, Murray MacDonald, Peter Dougan and others who worked on the Football Strategy Committee. The club slogan, the Aims & Ethos have been retained as the basis on which the business plan has been built. Much of the Football Operations section is also the results of their work.

#### Club Volunteers and Support Staff

Once again I would like to acknowledge the magnificent efforts of our volunteers and support staff who have contributed so much over the past year. Our propertymen, medical staff, timekeepers, coaching assistants, interchange stewards and the many contributors to our football team's performance have all ensured our players are well prepared to take the field each week.

To all of those volunteers who have assisted with fund raising activities, food preparations and the myriad of activities necessary to run a successful football club sincerest thanks to your efforts. We are indebted to you all for the wonderful contribution you make.

#### Succession Planning

An important element of the club's developing business plan is to ensure continuity when replacing key personnel when they leave. Accordingly the coming vacancy in the Presidency has been discussed by the Board with Haydn Raitt selected as its nominee. This will, of course, ultimately be decided by the membership as to whether Haydn will be opposed and an election necessary.

Haydn has been a director for eleven years and has gained considerable experience over this period. He is very passionate about the club and has exceptional people skills. As chairman of the State Dry Cleaning Association he has displayed strong leadership on a number of occasions.

Haydn's endorsement will ensure a smooth transition to this position.

## Board of Management

John Rigby has decided not to renominate this year after 10 years as a Director. He has performed wonderful service, taking on many of the less popular, unglamorous tasks including developing the players gym, organising a number of end of season trips, chairing the house committee and organising social events. His Friday night chocolate wheel innovations are legendary. Well done and thanks Riggers!

I would also like to thank all of the Directors who have served on the club board over the past twelve years. They have given me wonderful support and have all contributed to making the club what it is today.

I would especially like to express my appreciation to Sal Capolingua who has been Vice President over this time. Sal's loyalty, support, friendship, advice and, when needed, wise counsel have all helped make the job so much easier. Thank you, Sal.

## Staff

Many thanks go to our wonderful staff who continue to work so effectively to ensure our club remains prosperous and viable.

Chief Executive Officer, Brian Ciccotosto continues to amaze with his ability to come up with new initiatives. This year the BOSS Club (Bunch of South Supporters) was a winner, assisting with our fund raising and providing a great networking medium for business people. Thank you Brian for your great support over the many years we have worked together.

Office Manager, Amelia Dabrowski, has now completed ten years of fantastic service. Nothing is too much trouble for Amelia and her efficiency in managing club affairs is legendary. She is ably assisted by Kirsty.

With the resignation of Marty Atkins early in the year Jason Burton took over the Football Manager's role, a position he has settled into very well. Jason has displayed the same commitment to the role as Marty did before him.

Thanks also to Tracey, our very efficient Bar Manager and her hard working staff. Tracey displays a genuine desire to be successful in her role beyond that which could normally be expected in an employee. She has sought and attracted a lot of new business to our club. Together with caterer Guido, they provide a wonderful service.

Quiet achiever, Steve McCarthy, continues to maintain Fremantle Oval in pristine condition. He further enhances our claim as a true "Centre of Excellence".

District Manager Bradd Gardiner together with Development Office Louise McKenry have continued to exceed expectations in growing the game in the South Fremantle zone. Our District Development committee led by Rob Taylor with the support of a very capable and experienced group of committee have continued to lead the way in junior development in West Australia.

In conclusion I would like to thank the South Fremantle Football Club for the opportunity it has given me over the past twelve years. To have been accepted as President has been a very humbling experience. My sincere thanks to all of the directors, employees, coaches, players, sponsors and most of all the very many wonderful members with whom I have had the opportunity to associate over this period.

# 2008 CHIEF EXECUTIVE OFFICER'S REPORT

Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the club's 109th Annual Report.

The year can best be described as one of consolidation off field and disappointment on field.

Major additions and renovations to the licensed club premises and administration office were completed this year which were long overdue.

New coolrooms were installed in the WJ (Dooza) Hughes Members Bar as well as point of sale terminals which have been very well received and appreciated by the bar staff and our regular members and visitors on match days and on Friday nights.

The club kitchen received an overhaul with two new commercial ovens and chinaware and cutlery to cater for 500 people. Our executive chef, Guido Micalizzi was instrumental in persuading the board to complete this upgrade.

Our popular, Functions Manager, Tracey Baker and her co workers have set a very high standard of professionalism and service which has resulted in many new clients visiting our

modern spacious facility.

Our next project to renovate our forty year old changerooms has already begun and is being managed by Joe DePetra of LRC Quality Homes. The budget to complete the refurbishment is close to \$150,000.

The WAFC has allocated a sum of \$45,000 this year to assist in the improvement of our facilities which we can thank retiring commissioners Ric Gloede and Ian Taylor, members of the WAFL Facilities Committee for their parting display of generosity.

The dismal end to the season three successive losses including the home semi final to eventual grand finalists Swan Districts was a bitter pill to swallow.

Of our six major recruits for the season, only Robbie Haddrill was available for duty. The untimely retirement of James Walker and the unavailability of Sam Hunt, Nick Paine and Sam Fielding through injury and Simon O'Keefe through suspension could not have come at a worse time.

Compounding our lack of starters was the disappointing attitude of the Fremantle Dockers coaching staff in not giving Ryan Murphy and

Scott Thornton the opportunity to play.

On paper we were the second best team in the competition with all our squad available.

## First Year Players

Fourteen players made their league debut in 2008, seven of which graduated from our colts. Our colts contingent was made up of Cory Dell' Olio, Reece Adams, Adam Guglielmana, Zac Austin, Gavin Campbell, Kallen Bond and Toby Bairstow.

## Best Player Awards

Congratulations to Toby McGrath, Jordan Smith and Joel Palumbo for winning the best and fairest medals for the league, reserves and colts respectively.

## Special Awards

The Clive Lewington Medal for our best player in the Foundation Day Derby was won by Simon O'Keefe. Toby McGrath won the Neil Lewington Medal for our best player in the first semi final.

Both Simon and Toby were impressive players all season.

The Strzelecki Group Indigenous Rising Star Award was won by outstanding junior Boyden Griffiths.

## State Representatives

Toby McGrath was selected as state captain for the game against Queensland in Townsville and was our sole representative.

## Life Membership

The Board has much pleasure in recommending in 2008 that Ross Sweetman and Paul Vasoli be awarded Life Membership. Both players have given meritorious service to the club over many years.

We also congratulate Toby McGrath and Keren Ugle for qualifying for Life Membership on playing their 150th league game this year.

## Lifetime Membership

The following qualify for Lifetime Membership in 2009 by virtue of continuous 50 year membership: Tony Ravlich, John Newton, William Elmer, Paul Pearce and Kevin Kelly.

## Volunteers

To all the volunteers and we have many, both official and unofficial. I offer my sincerest thanks. We would be lost without you.

Each year we are looking for new faces to assist, if you think you can help, just give the club a call and we will put you in touch with one of the volunteer groups coordinator.

## Directors and Administration

Thank you to our Board capably led by our President Terry Dean who is stepping down after twelve years of meritorious service.

Terry's contribution to the club over many years has elevated him to elite company. Highly respected by his peers and the whole football family I'm sure he won't be lost to the club.

I have been personally involved in football with Terry since 1978 when I coached Kwinana with him as President. Over those 30 odd years I can honestly say there has been no more dedicated and passionate supporter of the club. It has been one of life's pleasures working with him.

To the Administration staff capably led by my right hand lady, Amelia who has been with me through thick and thin for the past ten years – no one appreciates your support more than I. Amelia oversaw the development of three office juniors this year, Jennifer, Courtney and

Kirsty all of whom gave her great support.

The club's finances were managed by our accountant Ken Gray with assistance from our vice president Sal Capolingua.

Football Manager, Marty Atkins was replaced by Jason Burton who was promoted from our development team. Jason obviously has big shoes to fill but at only 25 years of age I'm sure over the years he will develop as more than an adequate replacement.

Bradd Gardiner, Louise McKenry, Adrian Ricciardello and Russell Higgins held various roles in our junior and youth development programmes and the management of our district.

We continue to set a bench mark in many areas of development and I thank the above four their very successful season.

As mentioned earlier Tracey Baker has worked very efficiently in the social club this year with valuable support from John Bateman, Vic Iwanow, Kevin Saint and our hard working ground manager Stephen McCarthy.

Retaining regular bar staff has been a real juggling act this year but Tracey was well supported by Brooke, Rebecca, Lorna, Sue, Kay, Jessica, Angela, Kirsty, Sidney, Deane, Lynda, Robert, Jim, Michael, Joel and Jay.

## WA Football Hall of Fame

This year three outstanding representatives of our club were inducted into the Hall of Fame.

George Grljusich became the fourth media personality inducted into the Hall of Fame following on from Dick Buchanan, Geoff Christian and Ross Elliot.

Big Dave Ingraham who began his most impressive career in 1940 and the popular Glen Jakovich recognised as one of the great centre half backs of the modern era joined many former Bulldog greats in the Hall of Fame.

We congratulate the families of the three inductees also for their support at the function.

## 2008 FOOTBALL MANAGER'S REPORT

2008 has been a season that in some respects was disappointing, whilst in other ways the club can take some positives from it and move forward.

No doubt finishing 3rd on the ladder after the home and away rounds and then bowing out in our first final was the most disappointing aspect of the year. I think it's fair to say we should be a top 2 side when up and running but for a variety of reasons I don't think we were ever up and running all year. Despite finishing 3rd we were not able to win 3 games in a row, mainly due to the inconsistency of not having our best 22 players available each week. Injuries to key players and AFL players moving up and down meant we were making a lot of changes to our side each week.

In total 46 players played league football this year, which is where we can draw positives in that our younger players were exposed to what it takes to succeed at that level. Of the 14 players that

played their first league game for the club this year, 7 of them came through our junior district, both country and metro. I know these players, after being given a taste of league football, are hungry for more in 2009 and we can look forward to them taking yet another step next year.

I only took up the Football Manager position in March but as I'm finding out now, the season really begins in October. The recruitment of players like Sam Hunt, Robbie Haddrill, and Simon O'Keefe was a big bonus for the club and I need to thank my predecessor Marty Atkins for his work in recruiting late last year and making sure all was in readiness for the year to run smoothly. Even now I still give him a call and he will be there to give me plenty of advice.

I must give a lot of thanks to all our coaches in all 3 grades. John Dimmer has been fantastic to work with and he is not just a great coach on the field, but off field his experience is invaluable to

the club. Assistant coach Tony Walters is a big asset for the club as he is more than just a coach. His work in player welfare and recruiting is much appreciated, as is the work of Glen Jakovich. I think it's fantastic that a person of his calibre is so enthusiastic about coming back to his roots as a volunteer to help our young players be the best they can be.

The reserves coaching job can be a tough one at times with an interesting mix of players every week. Garry Fuller did a great job again this year and despite the results not always going our way, he was able to make sure our players continued to develop and improve. His assistant Greg Townsend provided great support all year as well.

Neil Mildenhall again ensured our colts squad grew and developed as a group and individually and to him and his assistants, Mike Athanasiou and Michael Hays, I owe a lot of thanks. Our colts players are the future of this club and possibly our next premiership players.

I feel privileged to be able to work for this great football club and a lot of that has to do with the people here. It is amazing how many volunteers give up their time for this club and to make sure we have the best chance of success. It is their passion and love for the place that keeps everybody going throughout the year so to everyone from our Team Managers, to runners, statisticians, trainers, timekeepers, water carriers, propertymen and everybody in between, I owe a great deal of thanks. You make my job a lot easier and you certainly make work an enjoyable place to be.

I also need to acknowledge the support of the board throughout the year, in particular Peter Christie, Haydn Raitt, and Tommy Bottrell who look after the football matters of the club. They have been very good to me and helped make my job easier in many ways. Special mention also to our outgoing President Terry Dean who has been fantastic not just to me but to everybody at the club. I hope we will see Terry around the place next year in some capacity.

The administration and bar staff put in a lot of work day to day and they are always there to help out in any way I need. Brian Ciccotosto has provided tremendous support for me and through his experience has taught me a lot this year. Amelia in the office keeps this club running smoothly along with the help of Kirsty and Ken. Tracey and all her staff in the bar are tremendous and are always willing to give their advice which quite often is spot on. Bradd, Louise, Adrian, and Russell from the development office do a fantastic job in developing the future of our club and I know their great work they do now will benefit the club down the track. One man not often recognized here at the club but someone very important is our Groundsman Steve. He works tirelessly making

sure the facilities for the players are at a high standard and his work can sometimes be taken for granted.

The last acknowledgment I want to make is to the players of this football club, from the young colts to our senior group. Often they are judged on performance and winning alone but the effort they put in 4 times a week for 10 months a year is huge. Their dedication and professionalism is to be congratulated and I look forward to seeing you all back again next season to strive for that premiership that will only come from your hard work.

My congratulations to Toby McGrath in his first year as captain of the club and also on winning his second WJ Hughes medal for fairest and best, and to Ray Smithers our Vice Captain in 2008. And well done to all players who won awards this year. I also need to thank Robbie Hadrill and Simon O'Keefe who were fantastic acquisitions to the club for this season, but who unfortunately won't be continuing here in 2009, Robbie has made the decision to retire and Simon will return to Victoria for personal reasons. I wish these two the best of luck for the future and also to Jason Matthews, a long time player here who has also retired. Him being awarded the best clubman this year shows how highly he is regarded and I hope he will continue his association with the club off the field.

I'm looking forward to 2009 and I know we can achieve our potential with the help of everybody I mentioned above, and like all you I can't wait for the season to begin.

## 2008 PAST PLAYERS AND OFFICIALS REPORT

While 2008 may not have given us the success on field that we wanted, we did however have a good year in our Past Players & Officials room. We were able to more than double our membership and also increase our contribution to the club.

The highlights of our season being the four reunions which were held: 1940 – 1969 era, 1969 – 1979 era, 1979 – 1989 era and 1989 to present. Those events were well attended and enjoyed by all.

A special thank you to Bob Bright and Peter Dougan who helped coordinate these events. To the ladies in particular Sheila Greer and Vida Dunstan a big thank you for your continued support in supplying the sandwiches for our halftime refreshments.

Our hard working committee of Kevin Saint (Secretary/Treasurer), Ron Johnston, Ron Greer, Ray Richards, Bob Bright, Peter Dougan and also our new committee men Rodney Higgs, David Brown and

Peter Taylor-Thorpe thank you for your support throughout the year.

I would also like to thank the many donors who contribute to our half time refreshments.

Colin Beard a past champion player and coach, a special thank you for providing us with some interesting articles, "Where Are They Now?" on past players of the club.

Finally, players have a big preseason, over come your injuries and if we could all give ten per cent more effort, who knows where it will take us in 2009.

## 2008 COLTS REPORT

I would firstly like to thank all the volunteer staff here at South Fremantle Football Club. The club has many volunteers who perform roles on and off the field. I have the greatest respect for all those who fill these roles and the entire group involved with the colts was exceptional.

2008 started with less numbers than last year who all worked into a solid pre season. We started the year well and by

round 8 we were in the top 4. Round 8 also saw our captain promoted to senior football. Shortly after our vice captain and deputy vice captain were also promoted. They all played league with Reece Adams remaining in the league side to the final game.

The middle of the year saw us struggle to replace our strong leaders and as a consequence we lost quite a few games

by only a couple of kicks. Eventually we finished out of the finals after playing over 50 players through the side at different stages. Last year we only played about 35 players so losing stability affected the team stability and coercion. A lot of players have had a taste at this level now so we look forward to them being another year older.

The colts group had some great individual results, Joel Palumbo made the WAFL Colts Team of the Year and polled very well in the Jack Clarke Medal for best player in the WAFL Colts competition, finishing as runner up.

In our club awards we had a great vote count night with a close count, congratulations goes to our Dave Ingraham Medal winner Joel Palumbo for the second year in a row narrowly beating Blake Dunkeld who was our runner up.

I also want to congratulate the other award winners including Jarrod Denholm (Best First Year player), Alex Wyatt (Coach's Award), Adrian Ricciardello (Best Clubman), Michael Ganzer (Best Team Man), Kain Johnson (Most Consistent), and Jesse Maiorana (Most Improved).

To all the players moving on from colts please take what you have learned from the coaching staff in football and life and continue to learn. I hope you all remain in the sport and strive to play at the highest level you can. My aim was to teach you the basics of football in an enjoyable environment which I believe we achieved.

Finally I would like to pay tribute to my direct coaching staff who help me with their time, enthusiasm and knowledge to make the year a successful and enjoyable one.

## 2008 RESERVES REPORT

There were many new faces when we met for the first training session of season 2008, and a great deal of enthusiasm within the group as they worked through the program leading up to the highly successful camp at Woodman's Point. James Bridle once again made sure the squad was at peak fitness, and with a focus on developing efficiency within the game plan, there was great anticipation about the coming season. The pre-season games confirmed that we had sufficient depth in the squad to be a force in the competition. A key aim was to ensure that players accepted responsibility for their performances and showed confidence in their abilities.

Early losses showed we were highly competitive, and our breakthrough win in Round 4 reinvigorated the team. However, over the following weeks we often failed to capitalise on the scoreboard when we were in control of games, which reflected the level of inconsistency that plagued the Reserves team throughout 2008. The season provided many of our club's developing players with an opportunity to play League football, so it was imperative that the Reserves players performed consistently at training and in games to press for League selection. We fielded very young and inexperienced teams on a regular basis, and played with great enthusiasm, but as the season progressed it was disappointing to lose many close games. Despite this frustration, the group showed a strong commitment to training and improving their performance, and many players continued to press for League selection. It was exciting to see several of them make their League

debut this season, and develop self-belief under the pressure of League football. The challenge of performing at the required level, quarter by quarter, week by week is still to be met by this group, but the talent is undoubtedly there.

The team had many highlights throughout the year, none more so than their gutsy win against eventual Reserves premiers East Fremantle late in the season. Without a finals berth to play for, it was great to see the Bulldog spirit prevail. A record 64 players represented our club at Reserves level this season, and with the majority of the group under 21 years of age, the future looks bright.

One player worthy of special mention is Jason Matthews, who recently announced his retirement from playing. Jason has always shown tremendous team spirit and a willingness to sacrifice for his team mates. He has many fine leadership qualities and his Best Clubman award this year is greatly deserved. Hopefully the club will see Jason return in another capacity in the future. My congratulations also go to all of the Reserves trophy winners, along with the expectation that they will convert this year's individual awards into League team success in 2009.

Once again the Reserves team received incredible support from many tireless workers at the club, and on their behalf I would like to thank the property men, the medical and rehab staff, and the team of statisticians that all make a highly valued contribution to the development of our younger players.

I would like to acknowledge Peter Matier, Carl Micale, Les Olivieri and Greg Townsend for their highly effective and honest input throughout the year. The commitment shown by these people often goes above and beyond what is expected in their roles, and sets an outstanding example for the player group. Thanks also to John, Tony, Glen and Andy for their guidance and support.

Finally, I would like to recognise the outstanding efforts of Terry Dean over his extended term as President of our great club. That the club is in such a strong position, in all areas of performance, is testament to his leadership and vision. Thanks also, Terry, for your personal guidance in what has been a difficult year.

I look forward to next season with great excitement and confidence.

## 2008 TWO NEW WAFC LIFE MEMBERS

Two outstanding servants of the South Fremantle Football Club Terry Dean and Ric Gloede were rewarded this year with WA football's highest honour, Life Membership of the West Australian Football Commission for their contribution to football.

Terry in his 50th year of service as a player, coach and board member at the various levels of football is no stranger to collecting Life Memberships having already earned that accolade with our club, our junior council and the Kwinana Football Club.

Ric has enjoyed a life long association with our club and has worked tirelessly as a team manager, board member and president. His initial involvement as a member of the interim board of the Fremantle Football Club in 1994 and his subsequent elevation to the position of WAFC Commissioner since 2001 are great feathers in his cap.

Both men deserve the congratulations of all proud South Fremantle followers.

## 2008 LEAGUE REPORT

There is probably one word that sums up the 2008 season and that word is frustrating.

Frustrating, because we were unable to fulfil our potential due to a variety of reasons.

There is no doubt that a large number of injuries to a large number of players contributed to our inconsistent performances and when this is coupled to AFL call ups to our players we were often putting out an increased number of players who were inexperienced, and for them to show their best, they needed to be surrounded by more experienced players.

The fact that we played 46 players in the league team shows the amount of turnover we had. This is a record in my time as a league coach. (Compared to 32 in 2005). We also saw 14 players make their league debut for the club, 7 of which came directly from our junior zone. (Also a record in my time as a league coach). Towards the end of the season we had to consistently turn over 5 players per game due to reasons other than form. This lack of continuity did not assist in the team being able to gel together as you would want a team to do leading into a final series. Some of our senior players also carried niggling injuries into the final rounds of the season which curtailed their ability to have a major impact on games that we would have liked to have seen.

Whilst all these frustrations handicapped our ability to perform at our best there were still some positives to come out of the season.

The players who actually played their first game of WAFL football will have benefited greatly from their experiences and should return for the 2009 season as better players, which augurs well for the Club. The apprenticeship they have served and will continue to serve is no different to any other trade, and it is generally recognised that players do not fully come to grips with league football until they have played approximately 25 to 30 games.

We must not lose sight of the fact that we made the finals, which is better than five other clubs, and whilst disappointing to lose the first semi-final is still a positive outcome.

The ongoing development of our leadership group under the guidance of Tom Bottrell is also something that has been a positive. The emergence of first year captain Toby McGrath and vice captain Ray Smithers as leaders around the club has been pleasing to witness. In particular, I would like to congratulate Toby on winning the Fairest and Best Award, which shows he was able to back up his general leadership role with strong and consistent performances on the field.

A number of our recruits performed meritouriously. I speak here of Sam Hunt whose second half of the season was outstanding, Simon O'Keefe who gave us a great deal of run through the middle of the ground, Nick Paine who showed he is more than capable of playing at WAFL level, Nathan Phillips whose second half of the year was noteworthy and Rob Haddrill who displayed a fully professional approach to all aspects of his football. It is unfortunate that Rob has announced his retirement due to ongoing injury problems as his leadership by example will be missed.

One of our long serving players was able to reach his 150 game milestone; in this regard I speak of Keren Ugle who has been able to stand the rigours of league football to achieve this significant number of games for the Club.

As each year goes by I still marvel at the work of our large support staff. Without their dedicated effort it would be impossible to put a team out on the ground. I would like to single out and thank Tony Mollica, who as the league team manager, goes about his job in a professional, yet understated way and makes my job so much easier.

To all the coaching staff, well done on a great job throughout the year (a year that starts in November) and the runners (which comprised a number of past players this year) for their efforts along with our property men, trainers, medical staff, statisticians and timekeepers.

A special thank you also to Jason Burton, who in his first year in the role of Football Manager, linked in extremely well with the senior teams and showed that he has a bright future in football administration.

To Terry Dean and the Board of the Club well done on your ongoing commitment to continually strive to improve the Club both on and off the field. The initiatives undertaken this year have certainly helped the playing group and as the league coach I look forward to this continuing in 2009.

I would also like to take this opportunity to pay tribute to two very special supporters who are always giving their support to the team and the Club regardless of whether we win or lose. They are at every game from an early time in the day all the way through to trophy presentations. I speak here of Vida Dunstan and Joan Jones. Two great ladies who I appreciate seeing each weekend.

The 2009 season is now not far away. If we are to challenge for the ultimate prize we need to learn from this season and take several steps forward. It won't be easy; it never is if you want to be successful. We only need to look at and listen to successful athletes from a range of sports played around the world. When interviewed they all indicate that they have worked hard for their achievements, that they have dedicated themselves to their goals that they have left no stone unturned to be number one. And, whilst a large number of these athletes are professional, that is they are paid handsomely for their efforts, there are a large number of them who gain little reward financially for their commitment, they do it to be the best they can be and to gain a personal achievement, something that money cannot buy. At the WAFL level, this is a Premiership, with team mates who have gone through the same journey, overcoming obstacles and difficulties on the way. This is our challenge for 2009.

## 2008 TREASURER'S REPORT

For the year end 31 October 2008 the Club has achieved a very moderate profit of \$27,882 which is down from the previous year's figure of \$115,947.

In my 2007 report I indicated that football was one of the big improver's result mainly due to an increase in the transfer fees received, however this year there has been a fall off in those fees by some \$20,000 and coupled with increases in coaching, players and recruiting fees has seen a \$74,000 turnaround to a small loss in this department.

Bar turnover increased for the year with the aid of the Foundation Day Derby and the first semi final being played at home the increased overheads and wage cost has left the actual profit down by \$8,472 to \$11,280.

Marketing and fundraising has risen due to increased sponsorship and advertising being able to help cover non recurring events such as the Indigenous Tribute Dinner and Foundation Day Ball that were only held in 2007.

Capital works expenditure have occurred during the year and the major expenditure was with the bar refrigeration. Also improvements to player's facilities and sewerage works have been undertaken with the hope that all will be finalised before the start of next season. Our capital expenditure in this year was \$202,000.

Our cash holding at 31 October 2008 is \$683,272 of which \$660,000 is in interest earning capacity.

As you are all well aware the slowdown in the Australian economy and events overseas has given us all some reason to be concerned.

I would like to state that the clubs assets are held in cash in the bank and of course the freehold premises which we all enjoy so much. There has been no exposure to the stock market movements as we do not hold shares in public companies either in Australian or overseas.

The stability and financial strength of the club still remains!

Your board has set itself some high targets for the coming year and every endeavour to maintain profitability by searching for additional sponsorship and controlling our cost will be made.

Thank you for all those sponsors and members who continually support our great club.

## 2008 VALE – BILL HUGHES

Football in this state is the poorer for the passing of Bill Hughes, a former President and life long supporter of the South Fremantle Football Club.

When Bill was born in 1927 his father was in his final season as a league player for the club. Over the next eighty years Bill and the Hughes family had become synonymous with the club and played a major role in shaping its history and the sound financial footing the club enjoys today.

In 1990 when the club was carrying a debt of \$650,000 Bill was elected President with his prime target of having the club debt-free in the shortest possible time.

Bill's commitment, energy and passion for the club put us on the road to recovery and today we all enjoy the first class facilities available at Fremantle Oval because of his leadership and the tremendous support of our members during those difficult times.

Bill brought to South Fremantle an indefinable, intangible quality as President that gave the club distinction and a cause for pride. And South Fremantle has been and always will be proud of him.

## **OBITUARIES**

It is with sincere and deep regret that we record the passing of former President Bill Hughes, Life Member Ellie Ladner and other stalwarts of the club Harry Stephens, Marion Renfrey, Bill Dymock, Maureen Mation, Ray Goodwin, Maureen Carvell, Jim Hallion, Doris Culver and former player Paul Josephsen.

Each will be long remembered and we extend to their relatives our deepest sympathy.

Your board also wishes to express condolences to all members who were unfortunate enough to lose loved ones during the past year.

### DISTRICT DEVELOPMENT REPORT

South Fremantle Development in 2008 has achieved some excellent results. We have again been one of the state leaders in Auskick growth (5-8 years), player number growth (9-17 years), overall participation growth, as well as producing a number of quality programs in Indigenous, multicultural and female areas.

In the last 3 years the development department has managed to increase our Auskick numbers by 55%, our player numbers by 26% and have an overall growth rate of 35%, when most football Districts have grown at half this rate. This is an outstanding achievement and the South Fremantle District Football Development Council should be duly recognised for their drive, passion and initiative when their success is measured.

We have 6 core areas which we focus on at development level which our report is broken up into. We have detailed what was achieved under these 6 headings.

#### 1. Continuous Improvement in Environment and People in the District

- Conducted Club Development Night with 86 volunteers in attendance. The night involved a 3 course meal and sessions which encompassed presentations on Volunteer Development, Conflict Resolution and Junior and Senior Best Practice Strategies. Session was very well received with most commenting it was the most informative personal development session they had received for many years
- Coaching accreditation is at 99% across the board in the metro area
- All 122 coaches received a coaching pack at the start of the year which included the District Coaching Manual and Junior By-Laws
- Recruited 43 new umpires this year with 40 of these being first year umpires. Recruitment strategies were very effective and well executed by the umpire department and the DFDC
- Produced 14 x A4 corflute signs for all clubs to display on game days which stated the reason new umpires wear green shirts. The signs also stated that all members of the District need to be aware that these new umpires are learning and will need time to find their feet, so please be patient. They worked very well and the District plans to provide some more next year
- A number of resources were placed on our District website for coaches, trainers, administration personnel and Presidents to assist in the efficient running of their clubs and ensure club volunteers were well aware of best practice in the industry
- 3 year plans drawn up at 12 of our clubs to ensure the District and Club strategies were aligned and heading in similar directions. All plans contain Key Performance Indicators that will be reviewed on a yearly basis
- Implemented stricter guidelines for current and new coaches in the District to ensure

a quality playing environment. This is monitored by the District Coach coordinator and the Junior Competition Council

- Introduced a "Safe Clubs for Kids" pilot for all clubs, where each club has a reporting officer and procedure manual for any cases of child abuse. This will predominantly be a preventative measure which we hope no club needs to use but is part of a quality risk management program which the District is rolling out
- Have formed a partnership with the South Metropolitan Public Health Unit in Fremantle to form a program which will provide a healthy environment for all families involved with the SF District as well as assisting clubs to engage local, state and federal funding which is available when clubs provide these healthy environments
- Sent out 3500 District Dirt newsletters at start of year to promote registration day and inform participants and families of new and emerging programs
- All clubs received District Aims and Ethos posters to put up in their club rooms and show what the SF District stands for

#### 2. Promoting and Managing Growth

- Junior age players are continuing to return to footy each year, with an 9% increase in the number of players aged 9-17, adding an extra 10 teams to junior competitions.
- Auskick participation has now reached a massive 1901 participants
- School based Auskick centres were delivered at Samson, Armadale, Roleystone, Calista, Bibra Lake, Mater Christi PS, Leda PS, St Jerome's PS and Christ the King PS
- Megan Omara was our after school clinic coordinator this year and she did an outstanding job completing these intensive 6 week programs all year
- This was the results of the district conducting over 255 clinics in our schools, reaching over 28,000 students.
- Nick Paine conducted WAFL super clinics and also umpired lightning carnival days for the schools.
- Our School Holiday Super Clinics are still being increasingly popular each year with over 400 kids taking part in our April and July clinics at Fremantle Oval.
- The Bulldogs of the Future Auskick gala night was a major event for the Auskickers from our 14 junior clubs. A participation record of 600 kids played games under the lights on Fremantle Oval in May, with most of them no doubt hoping to one day return and play as a bulldog in the future.
- Conducted direct marketing strategies with letters going directly out to all players in the District encouraging them to play in 2008 and inform them of their closest clubs, as well as registration dates

- Started a new Auskick Centre in the fast growing suburb of Hammond Park and secured an oval and a facility plan with the City of Cockburn to accommodate the predicted large participation rate for the club
- Record number of teams in our STS Cup (years 8 and 9's) and Belt Up Cup (years 11 and 12's), 14 and 12 teams respectively

#### 3. Reaching new Populations

##### Female Football

The South Fremantle woman's football side competed well again this year with a number of new players to the team. They were well lead again by Sally Allomes who was again the teams President. Louise McKenry was the trouble shooter for the team, assisting where the team needed her and making sure the team was well run and structured.

Members of the woman's side have been very proactive in promoting the participation of females in football and their work has been very much appreciated at Development level.

The District ran 3 strategically placed All Girls Auskick Centres this year in Armadale, Atwell and Beaconsfield. All 3 were well received and it gave all girls from across the District a chance to experience football over a 6 week period.

We had over 220 girls participate in all 3 programs and from this we were able to direct them to the 3rd Term All Girls competition in Atwell.

The All Girls competition had 5 teams participate over 6 weeks with 55 participants and all had a fantastic time and we are hoping to double the amount of participants in the competition in 2009.

##### Multicultural Program

At the end of 2008 the District Development Department applied to Department of Sport and Recreation for funding which would further enhance our already successful Multicultural Program.

In May this year we were successful in our application for funds to the tune of \$70,000, which would help fund a full time Community Multicultural Officer for a period of up to 2 years.

Russell Higgins is the result and was appointed in August of this year and is based out of the South Fremantle District Development Office.

Russell's main objective is to use Aussie Rules Football to integrate new and emerging cultures into the wider community. Turn "Classmates into Team Mates" is the catch cry for the program which we hope will see plenty more Paul Mugambwa's at South's in the near future.

#### 4. Strengthening Links with Key District Stakeholders

- Memorandum of Understanding between junior and senior clubs has increased with Kwinana Seniors and Juniors combining to

become one club and maximise the volunteer and player base they both have with Centrals working closer together

- School Ambassador Program is going very well with the District increasing from 51 to 62 school ambassadors. The continued strengthening of our relationships with the schools is an integral part of the future growth in our area.
- Senior clubs in the District are becoming more familiar with structure and now starting to work with the District
- Invited all club Presidents to the WAFL GF to relax in the District Box at Subiaco Oval, had 7 Presidents in attendance

## 5. Facilities and Grounds

- Commencement of lighting and facility strategic plans with a number of senior and junior clubs which include Fremantle Hawks, Centrals, Kelmscott and Cockburn.
- All of these clubs are either in need of a facility or lighting upgrade and the District is working with all these important stakeholders to achieve what is best for football in the long term.

## 6. Player Retention

- A number of night fixtures were organised for youth games to assist teenagers with the difficulties of work commitments and study. Youth players enjoy Friday and Saturday night games, especially at Fremantle oval.
- Focus on youth coaches in regards to quality and accreditation proved to be successful, with strong numbers seen in a majority of youth teams.
- Conducted a number of High School Recreation Football Programs this year which we hope will keep more participants involved in 2009
- Sent 3500 letters to 2007 players inviting them back and informing them of registration day details and venues

## Warriors Program

- Our 16's squad had a good year of development in 2008. Coached by Arthur Maskos, the boys went on to win two games and draw one in a highly talented carnival. South Fremantle was also proud to have six State players in the WA team, who was runner up in the national carnival. Congratulations to Jarrad Ciesla, Brandon Matera, Brendon Gulley, Matthew Jones, Lloyd Skinner and Adam Feeney on their selection.
- Our Melbourne tour this year also saw the boys take on two school teams during their stay. A squad of 33 boys, coaches and parents made the journey over in July for a week long 'footy immersion and education' trip. The boys played out two hard-fought games against St Monica's Academy and well known elite football school Xavier College. Whist going down narrowly to both schools the boys came away with some good experience and a few sore bodies!

- The boys also saw three AFL games, toured two facilities and had a great impromptu talk with Essendon great Alec Epis. The trip was very well received by players and parents alike and looks to be a tradition set to continue at South Fremantle
- Our 14's and 15's carnival was completed in mid October with the teams having mixed degrees of success but with all squads at least winning one out of their four games. Coaches for this year were Jason Ireland, Mark Pashby, Paul McGrath and Warren Mosconi. Congratulations also go to Will Mariot, Myles Bolger, Mario Breglia and Jack Froyland for being selected in the State Schoolboys team. Special congratulations to Will, who also made the All-Australian side.
- This year we also had boys attend the KickStart camp in Melbourne and the West Coast Eagles Indigenous Leadership Program. Brendon Ah Chee, who attended the camp in Melbourne, also made the Indigenous all Australian side for 2008.

## Country Servicing

- Provided football reports for the UGS over the season
- Conducted clinics at Exmouth DHS, Carnarvon DHS and St Mary's PS
- Conducted training sessions with the Gassy Bulldogs development squad and identified 4 players for Warriors
- Conducted a level one accreditation course for 3 coaches over two nights in Carnarvon
- Upper Great Southern Rams competed in the Country carnival in the July school holidays and were all richer for the experience.
- Assisted the UGS Rams with their Country Carnival weekend through training sessions at Fremantle oval and development sessions at Santich Park

A huge thankyou must go to the volunteers who sit on all our Development arm bodies. Rob Taylor, Graeme Smith, Shane Harding, Sharon Greengrass, Sheryl Ward, Sue Ireland, Richard Liedtke, Gary Gough and Mal Hooper who make up our DFDC – all outstanding and to Charlie Ricciardello who conducted himself very professionally in his first year as P & D Chairman.

To Amelia, Cicco, JB, Kirsty, Steve and Ken, we thank you for your support and assistance.

Jim Hurst, an outstanding individual, who is the heart and soul of the Warriors program; Jim's dedication and quality of work are very much appreciated and he will be very much missed as he moves into retirement.

Thank you to all Junior Clubs for all their support for the year. It is essential to our core business in development that we have a strong and sustainable partnership with our junior colleagues and we do appreciate the outcomes achieved by the committees and volunteers out there in club land.

South Fremantle District Football Development has achieved some amazing results this year and we must commend Louise McKenry's efforts in her first year as Development Officer and Adrian Ricciardello our Development Trainee on the mountain of work they have completed this year – well done!

We clearly lead the state in development and we are very proud of this standing, but we need to keep challenging ourselves and the people around us and move into an even more productive 2009.

Looking forward to seeing you all soon.

### NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST OCTOBER 2007

#### STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views). The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the company in the preparation of the financial statements.

#### Inventories

Inventories are measured at the lower of cost and net realisable value.

#### Property, Plant and Equipment

Property, plant and equipment are brought to account at cost or at independent or directors' valuation, less where applicable any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows, which will be received from the assets employment and subsequent disposal.

#### Employee Entitlements

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

#### Cash

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.
