## 2011 PRESIDENT'S REPORT

Two of the main focus points for 2011 were to improve our financial trading and our position on the league ladder. Well, both objectives were achieved through the astute planning of the Board and the CEO at the financial level and the hard work done by the football department including coaches and players.

Our league side improved three positions on the ladder to qualify for the finals and had it not been for a serious run of injuries, we could have gone further, possibly to the grand final.

One of the highlights of the year was the performance of our magnificent colts side, which not only won the grand final convincingly, but also became the benchmark for other Colts teams.

Congratulations to Coach Arthur Maskos, Chairman Terry Dean and the many coaches, support staff and other club personnel who put in a great effort to achieve an outstanding result.

I would like to acknowledge our Hall of Fame night. From the time I started with this club, late in 1998, we have had numerous great nights and functions, but nothing could compare with our Hall of Fame night. To all the recipients and the families of inductees who are no longer with us, thanks for making this one of the greatest nights in the history of the South Fremantle Football Club. I would also like to pay a special tribute to Brian Ciccotosto, who was a recipient on the night and for his tireless efforts in making the function an outstanding success.

Our Board of Management, Peter Christie, Salvatore Capolingua, Don Pasqua, David Strom, Brad Collard, Robert Taylor and our retiring Director Anthony Van Der Wielen, your contribution as a team has been phenomenal. I wish Anthony all the best for the future and will hopefully welcome you back one day.

In conclusion, many thanks to the staff at the club and our CEO, Brian, for your help and support.

## CHIEF EXECUTIVE OFFICER'S REPORT

*Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the club's 112th Annual Report.*

The highlight of the football season was shared by the Colts team which recorded a magnificent grand final victory and the League side qualifying for the finals despite a horrid run of injuries.

Many outstanding footballers have emerged over the past twelve months which is a result of the excellent work our coaches and officials are putting in at our Warriors Development Squads.

Last year I mentioned that the AFL talent scouts will be busy watching our band of outstanding juniors in 2011, so their presence at our Colts games during the season came as no surprise.

At least ten of our Colts players have been under the watchful eye and scrutiny of AFL personnel and it would be fair to say that up to four may be drafted in November.

Sadly this year a horrific knee injury has curtailed the playing career of one of our favourite sons, Jaymie Graham. Jaymie, an outstanding individual, has just accepted a role with Saint Kilda under former Bulldog Scott Watters as a Development Coach.

The ongoing talks with the Fremantle Football Club continue in respect to the master plan for the Fremantle Oval precinct.

The City of Fremantle has approved the concept and over the next twelve months the board will continue discussions with a view to seeking member's approval if and when a decision regarding the club's involvement is to be made.

### FIRST YEAR PLAYERS

In 2011 twelve players made their league debut including recruits, Ryan Cook, Paul Hasleby, Dylan Ross, Jayden Woods and Andrew Gaff and seven local juniors Adam McIntosh, Tyler Hall, Nic Borovac, Damien Hayward, Brendan Gulley, Haiden Schloithe and Steven Verrier.

### BEST PLAYER AWARDS

Congratulations to Ryan Cook the WJ Hughes Medallist, Dylan Ross and Leigh Kelly joint winners of the Roy McGuinness Medal and Brendan Ah Chee for winning back to back Dave Ingraham Memorial Medals.

### SPECIAL AWARDS

The Clive Lewington Medal for our best

player in the Foundation Day Derby was presented to Theo Adams.

The Charlie Tyson (Big Boots) Medal for the best player in the annual game against Subiaco was won this year by Cory Dell'Olio.

The Hughie Edwards Medallist best player in the Anzac Day Derby was won by Joel Palumbo.

The Neil Lewington Medal best player in the 1st Semi Final was won by Ashton Hams.

The Strzelecki Group Indigenous Rising Star Award was shared by outstanding juniors Jermaine Miller-Lewis and Jarrod Pickett.

### STATE REPRESENTATIVES

Ryan Cook, Cory Dell'Olio and Josh Head represented WA at Bendigo Stadium when WA recorded a 6 point victory over Queensland.

### LIFE MEMBERSHIP

The board has much pleasure in recommending in 2011 that Haydn Raitt and Wayne Delmenico be awarded Life Membership.

A notice of motion will be addressed at the AGM to make inductees into the SFFC Hall of Fame eligible for life membership. If passed, Des Kelly and Laurie Green will qualify.

### LIFETIME MEMBERSHIP

Tom Maher qualifies for Lifetime Membership in 2011 by virtue of continuous 50 year membership. Former player John Reilly Jnr. has also qualified for beginning his league career in 1961 and having played 53 league games.

### VOLUNTEERS

Every year the football club relies heavily on volunteer support. This year David Slack was presented with a ten year service certificate for his service to the club.

### DIRECTORS AND ADMINISTRATION

The board continues to be capably led by chairman and President Haydn Raitt who also found the time to chair the WAFL President's Council.

Our hard working board members are looking for another person to fill the vacant

Marketing Director's role.

Administration Manager, Amelia Dabrowski finally called it a day after 12 years of meritorious service where she set the benchmark for efficiency and professionalism and has been replaced by Lee Pleydell who has previous long term experience at WAFL level.

Junior office assistant Jessica Persichillo enters her second year of service and is rapidly becoming a favourite amongst members with her very cheerful disposition.

The football department led by Football Operations Manager Brent Dawkins and ably assisted by Player Development Officer Daniel Vidovich make a great team and have no peers in football know-how.

The social club was once again led by the experienced Bar and Functions Manager, Bob Lahiff and his team oriented bar staff are always looking to promote the function centre which now has its own website address; fremantlefunctioncentre.com.

Our club's district development staff, led by District Manager Bradd Gardiner with Louise McKenry, Robyn Elms and Tiah Hynes as supporting employees have once again had a very successful year putting our club at the forefront of WAFL junior participation.

Another significant employee is groundsman, Steve McCarthy whose devotion to South Fremantle and his job often under stressful circumstances, has been excellent.

### WA FOOTBALL HALL OF FAME

This year we had great pleasure on witnessing the introduction of six times premierships player and Sandover medallist Runner-up Frank Treasure and 1986 Sandover medallist Mark Bairstow.

### SFFC HALL OF FAME

On July 21 the club held its inaugural induction of 35 players and 10 coaches and officials into the SFFC Hall of Fame. Congratulations to all inductees.

### CONCLUSION

The club is set to enjoy the spoils of draft income over the next few years which will help our club in its financial planning going forward and help us retain the mantle of "The Premier Family Club".

## 2011 BAR/FUNCTION MANAGER'S REPORT

*This year the Club decided to place a greater emphasis on the marketing of the bar and function area to a wider section of the community (corporate, conferences, weddings, etc.) and to try and attract interest other than by "word of mouth". To achieve this, the function hall area has been "re-badged" as the "Fremantle Function Centre". This was done in order to attain greater recognition for the venue on web search engines, such as Google, etc.*

Part of the strategy was to create a separate logo and "mini" website for the centre – [www.fremantlefunctioncentre.com.au](http://www.fremantlefunctioncentre.com.au), a presence on the social networking sites Facebook and Twitter, and membership of the Perth Convention Bureau. The club commissioned the web design company CVW Creative to create the website, and the result has had very favorable feedback. The website is still accessible from the Club's main website.

We are starting to see some positive results from the Function Centre website, and we are now exploring other methods of marketing to improve the usage and financial return from the venue.

I would urge our members – when looking for a venue for a business or private function – to think about using the Club, as we

have the facilities to satisfy any event requirements. We do offer discounts to members using the venue.

The operation and performance of the bar itself this year was very similar to last year – the figures are available in another section of the Annual Report.

I'd like to take this opportunity to thank the entire bar staff for their efforts (often under a lot of pressure) – especially my "assistants" Susie Bell, Jim Rawlinson and Katie Luxford. The CEO, Brian Ciccotosto is always available for help and advice – and without the invaluable work done by Steve McCarthy and Michael Taylor we would not be able to operate. My thanks to you all.

## 2011 HALL OF FAME

One of the greatest nights in the Club's 112 year history was held last Thursday evening, 21st July, when 45 of our most outstanding players and officials were inducted into the South Fremantle Football Club's Hall of Fame.

The evening commenced with the induction of Griff John, founder of the club in 1900 and concluded with the induction of Brownlow Medallist, Brad Hardie, who commenced his playing career with the Bulldogs in 1979.

Many families travelled from the Eastern seaboard and in many cases grand children of the deceased players and officials were present to receive the Hall of Fame medallion.

Master of Ceremonies for the evening and one-eyed South's supporter, Peter Waltham, entertained the 400 strong crowd with anecdotes about player feats and performances, which

are embroidered into the rich fabric of the history of the South Fremantle Football Club.

Past champions, Steve Marsh, John Todd and John Worsfold were joined by another club great, John Colgan in addressing the guests about their time spent at the club, which added to the profile of the night.

Each inductee received a specially commissioned medallion and memorabilia booklet, as well as the opportunity to purchase a (limited edition of only 100) framed Hall of Fame Posters.

Players and officials from 1980 onwards plus the second intake of past greats will be assessed for the next induction, which may be held in 2016.

### 2011 COLTS REPORT

Recognising deficiencies in the colts program Colts Chairman Terry Dean set about introducing a new range of recommendations that he developed to address these areas. In 2011 I am proud that we were able to accomplish many if not all of these recommendations. A major factor of the success of the program should be attributed to the collection of a dedicated and talented coaching group. It was gratifying to see that a majority of staff were involved within the district and have performed at a high level during their time in junior football and the Warriors development squads. Peter Robinson and Jason Ireland are products from within these development structures and have performed at an exceptional level to help achieve a terrific outcome. Ex Warrior, AFL and SFFC player Daniel Gilmore was able to bring a fresh young enthusiasm to a coaching group well credentialed in their field. These gents along with Brent Dawkins and Daniel Vidovich provided the program with much of its impetus towards a hugely successful venture that will produce many new opportunities for the players and our club.

The volunteer group had a renewed vitality as they recognised that the program had been given a new focus. They were dedicated to the task as were the players like never before, and none more than the reliable and capable Sue Jones. I wish to thank Sue for her unyielding dedication and recognise her service over the years that we have worked together. Others I wish to thank are Lew Turner, Harry Drygan, Lorne McGuinness and Terry Turnball for their efforts each week on game day. I hope they enjoyed watching the team develop over the year and assure them that their efforts were greatly valued. Our medical group, David Dawes, Linton Davies, Michelle Hellmrich and Dayne Albronda, were outstanding and worked professionally taking care of all the players needs and provided the utmost service to the program and the team.

A majority of the player group were products from our immediate district with some exposure to the Warriors development program over the years. Others were country zone products that took the courageous step to relocate to the city to give themselves an opportunity to play colts football. Although the program was successful in terms of a terrific grand final win, many other achievements were reached by this talented group. Eight players were selected to represent WA in the 18's carnival, Shane Kersten, Steve Verrier, Haiden Schloithe, Brendan Ah Chee, Myles Bolger, Sean Lynch, Adam Carter and Mason Shaw. Mason was the competition's leading goal kicker and also won the Mel Whinnen medal, adjudged best afield on grand final day with seven goals.

The South Fremantle Colts squad lost only two games for season 2011, unbeaten in eleven outings at Fremantle Oval, and winning fifteen straight games from round two through to round twenty. We also played a majority of the list, (47) as we lost players to state duties, injury, and promotion to senior football. Haiden Schloithe and Steve Verrier both made their league debut in 2011. We were proud of the fact that not one player that played during the 2011 season fell below the required level established by the system. On one occasion, with seven debutants, the squad was able to produce an inspiring seven goal win against the second best side, (Claremont) on their home turf. So dominant was the squad that there were eight players selected in the 2011 Colts Team of the Year. Captain Robbie Thompson, Sean Lynch, Jason Maskos, Shannon Burnett, Haiden Schloithe, Mason Shaw, Brendan Verrier and Marvin Warrell all had an impact on the Colts

competition with outstanding seasons. Marvin was adjudged runner-up for the Jack Clarke medal with Haiden Schloithe featuring well with a fourth placing. Haiden was chosen by the colts head coaches as the player with the greatest impact on this year's competition.

It is difficult to surmise the special qualities of such an enormously talented group of young men. Each player showed a variety of individual skill and true grit to make the Red and White jumper feared and respected on the field. As a group they fulfilled all expectations and excelled in all areas required to be successful and give hope that we may see these quality young men play for our senior team over the coming years

Thank you to all the parents, supporters and club officials for the efforts and I hope to see you all again as we look forward to more success in the coming season.

## 2011 RESERVES REPORT

The 2011 season brought me a lot of pleasure as a coach.

After a long and demanding pre-season, combining fitness and skills together with learning a new game style and structure, we hit the ground running early in the season.

Early wins were evident as our Reserves were playing a very committed and structured style of footy. As the year progressed and several League injuries and retirements occurred, opportunities were available for Reserves players who were playing consistent football from the start of the year.

As the depth of the Club was tested we played 63 players throughout the year with an average age of 21 years. Of those players, 19 played League, with several becoming regular League players. A significant number of these players were from our Junior/Colts program.

In the role of the Reserves coach, development is considered our number one priority and we must continue to understand that both as coaches and players for the future of our great club.

I would like to thank all of my support staff: Runners, Cliff Collard and Andrew Maiorana for volunteering your time to support on match day. Team Manager, Peter Matier an ultimate professional and loyal clubman. To my Assistant Coaches, Mark Foster and Nigel Hamilton, thank you for your support and expert advice throughout the season. I would also like to acknowledge John Dimmer on his ongoing support and guidance which is unwavering in my many roles at the club.

A special thankyou to Paul Hasleby, who brought some new and exciting game structures, which were integrated into our style of play. Thanks also to Scott Thornton, Rob Haddrill and Gary Fuller for your support and guidance during the season. Special thanks to all the volunteer staff who are a very committed and loyal group to our great football club.

Congratulations to all the award winners, especially Dylan Ross and Leigh Kelly, who have shown they will be of great value to our club in season 2012 after setbacks in 2010.

In closing I would like to encourage all players to work hard in the pre-season as this will prepare and condition your body and mind for the year ahead. Hard work consistently gets results.

# 2011 LEAGUE REPORT

This time last year I was writing about the number of injuries we had, which saw us tumble out of the four for the first time under my tutelage and that we were hoping for an improvement in fortune for the 2011 season.

There is no doubt that up until February we were looking good. We had an extremely fit playing list that was ready to play quality football and with the inclusion of some key recruits the feeling around the club was optimistic. However, from the very first series of intra-club matches the injury curse reared its head again. And the injuries were serious. Jarred Parry damaged his ACL and Steven Verrier suffered the worst broken nose I have ever seen. Paul Haselby damaged his ankle which required an operation; Scot Thornton suffered a perforated bowel in a reserves scratch match (brilliantly diagnosed by Dr Peter McCarrey, something that quite possibly saved Scot's life) which forced him into retirement. Sam Hunt hurt his knee in the same game, which when combined with other injuries to the same knee also forced him into retirement. Adam McIntosh tore his ACL against Swans, Jaymie Graham's knee injury has been well documented and Adam Guglielmana also went down with an ACL which ruined his chances of playing state football as well as putting him out of the game for twelve months. At one stage we had seven players with long term knee injuries. Chris Bossong damaged his knee in the pre-season and when he returned broke a bone in his foot which ruled him out for the remainder of the year. The loss of premierships players Scot Delmenico and Gerard Wilkie to retirement due to work commitments also reduced our playing depth. Later in the year Paul Mugambwa broke his arm (who bravely came back to play the last two league games) and the promising Nick Borovac broke his thumb (which finished his season).

To offset these injuries we saw the re-emergence of one of our best players after open heart surgery. I talk here about Theo Adams, whose ability to play league football after such a serious operation was nothing short of miraculous. Theo was further tested when he broke his collarbone in a pre-season game against Claremont. To Theo you are exactly the sort of player that is admired by everyone, you set a great example for others to follow, your "get on with it" attitude and your devotion to your young family is to be admired. I have also been told that in your labour intensive job you do the work of two men. Theo you are a great person.

Despite the injury setbacks, the players performed extremely well during the season with some spirited performances, culminating in a top four finish after an enthralling final qualifying match against East Fremantle. After the injury to captain Jaymie Graham, co-vice captains Ryan Murphy and Craig White led the team with great aplomb during this testing time. This is the sort of experience that will make them even better leaders into the future.

It was particularly pleasing to note the improved performances of some of our younger group and the emergence of first year players Nick Borovac, Tyler Hall, Adam McIntosh, Brendan Gulley and Damien Haywood, and the arrival of Colts players Hayden Schloithe and Steven Verrier (who bounced back extremely well from his broken nose).

As is always the case, the football season would not be able to take place without the tireless efforts of those working behind the scenes and in this regard I would like to thank everyone who has assisted with the league team over the 2011 season. This includes our many volunteers and the paid staff.

In this regard I would particularly like to thank the coaching group at the club for their efforts this year. The inclusion of Paul Haselby certainly brought some new ideas to the club and helped develop our younger group of players. To Tony Walters, well done on a great job looking after the reserves, they were probably affected the most by the injury toll this year. Special mention must also be made of the effort put in by Nigel Hamilton who sat on the bench each week with his computer and managed our rotations, which would have to be one of the most onerous tasks undertaken in football. It is also worth noting that Jaymie Graham and Scot Thornton, although injured, assisted in the coaching area to great effect. Thank you also to Rob Haddrill who assisted during the year even though his work took him all over the countryside.

A special well done to our runners Gary Fuller (Gary also helping the colts in their finals campaign) and Les Oliveri, who not only ran during each game, but also had an input with training, what champion fellows. Well done to the ever reliable Andy Stone who leaves no stone unturned with his desire

to help in any area required. To Carl Micale, well done on your continued support and to Tony Mollica, who despite ill health during the season, continued to be the best team manager ever. And our property men headed by Sandy Cuccovia and backed up by John Jones (the limes are great Jonesy) where would we be without their behind the scenes work.

To our medical staff, well done on another great year, a year when you were well and truly tested. To Merv Lockhart, Marty Bos, Craig Allen and Dr Peter McCarrey as well as all the other trainers, the playing side of the club would not be able to function without your professional approach.

To our dedicated statisticians headed by Alan Bishop, well done on your efforts. The information gathered is absolutely vital for the coaching of the team.

To our fitness men James Bridle and Cas Gabriels, congratulations on your efforts. The majority of your work goes unseen and a large amount of it is done during the pre-season. The success of your work can be seen by the reduction in soft tissue injuries this year, the result of a well-planned programme, which at times may bore players, but one that is vital in improving fitness and guarding against injuries to key muscle groups.

Congratulations must be given to the award winners at league level. Well done to Ryan Cook on a fantastic first year at the club (hopefully the first of many) and to Ashton Hams for the second year in a row finishing runner up in the fairest and best award. To Kris Miller, well done on your third placing, your ability to find the ball, lead the club in clearances and hard ball gets is a testament to football ability and football intelligence. It is also fitting that Theo Adams received his award, I could think of no more appropriate winner in my time at the club.

I would also like to thank Brent Dawkins for his efforts during the year. Coming into the club as a Football Manager is never an easy task with its myriad set of tasks, communicating with a diverse set of clients as well as the day to day and match to match paper work. It has to be one of the hardest jobs in football. I'm sure you have learnt a lot and will head into the New Year with a greater understanding of the complexities of the job and of the importance you carry in the whole scheme of things.

The economic climate is currently one of great volatility. One only has to look at the ups and downs of the stock market, the uncertainty of European countries ability to carry their debt and the economic woes of the United States to understand the difficult times we operate in. To this end I would like to state publically that the work undertaken by the board of the South Fremantle Football Club headed by President Hyden Raitt and guided by the CEO of the club Brian Ciccotosto is certainly appreciated by the football department.

As I write this report and contemplate the future, I see an emerging group of footballers, boosted by the arrival of some quality colts players and a core group of mature players who are capable of building on the improvements seen this year and take the club towards another premiership. However, a note of caution must be made. The only way a group of players can improve, is through dedication to the task. This involves a great deal of repetitive training that can at times become tedious and boring, that tests the patience and perseverance of players, that above all else tests how serious they are at becoming the best they can be, and yet, understanding through all of this that the best they can be may still not be good enough to play league football in a quality, successful, premiership winning team.

Football and sport in general can be a harsh mistress. It has its incredible highs, but also its incredible lows. We all must understand this and continually work towards reaching those amazing highs. As the league coach I coach because I enjoy the challenge, the day to day challenge and the year to year challenge. I also enjoy seeing the great excitement on a players face when I tell them they are playing their first game of league football or the enjoyment of presenting a player with an after match award after a break out game. I gain enjoyment from seeing a player gradually cement a place in the league side after years of effort and struggle. Enjoyment is something that I place extremely high on my list of job satisfaction. I look forward to enjoying myself next year.

### PLAYER DEVELOPMENT OFFICER REPORT

**In my second year as the Player Development Officer with this great club, I am excited with the amount of talent we have coming through our SF Warriors program. With the colts winning the grand final this year, I believe that we can have further success in the future.**

#### 16'S DEVELOPMENT SQUAD

Jason Ireland was at the helm as head coach of the 16's and again he has done a wonderful job. Jason's knowledge and the ability to get the players to play at their full potential is a credit to himself and I enjoy working and learning off him every year.

With Jason's experience and help from assistant coaches in Sam Saffioti, Darrin Bryden and Phil Warnes the boys were exposed to quality coaching which would help them through the WAFL carnival as well as back into the community levels.

Following the WAFL 16's carnival, Ben Sokol was awarded the Jim Hurst medal for best player in the carnival. We also had 3 players; Sheldon Taylor, Thomas Vandeleur and Ben Sokol represent the State 16's side in Sydney.

During the July school holidays we once again had a successful tour of Melbourne. The tour is an excellent way to expose the players to different levels of competition. We undertook tours of AFL clubs North Melbourne and Essendon, the MCG, viewed 3 AFL matches and were entertained by guest speakers which included South Fremantle great Scott Watters, St Kilda and Carlton Rookie listed players Warrick Andreoli and Mitch Carter and current Collingwood player Sharrod Wellingham. This year we were also lucky enough to have a past Essendon Champion Jack Jones take us for a tour around Windy Hill.

The development squad had two victories against St Monica's and Xavier College while on tour. With those games all boys showed great physicality to match the Vic's at their own game winning both of the games. The coaches and I were given an indication which boys can take their football to the next level and which individuals require work in certain areas of their game.

Selected players for the 16's program were asked to train with the Colts side to further their development. With hard work and good performances with the 16's side and his junior club South Coogee, Dylan Main made his debut with the colts.

#### 14/15'S DEVELOPMENT SQUADS

The 14/15's carnival consists of 4 teams of thirty players from each WAFL club, which

play over the October school holidays.

It's always exciting to see what talent is coming through our district and how well they can stand up to the challenge of playing against the best players from other WAFL clubs.

A big thank you to our coaches, team managers and medical staff for this year. All groups are to be congratulated for the time and effort they have put in throughout the program and it was such a pleasure working with them all this year.

At the end of the carnival we have our best and fairest award for the four sides. The two 14's medals are named after Terry Dean and the 15's medals after the Tony Mollica.

This year's winners were:

14's Early Team – Kade Stewart (Katanning FC)

14's Late Team – Callum Ah Chee (Kelmescott JFC)

15's Early Team – Jacob Dragovich (Winnacott JFC)

15's Late Team – Bailey Matera (Bull Creek Leeming JFC)

Kade, Callum and Bailey have all had brothers graduated through the program in recent years, which is good to see the "Premier Family Club" brand coming through the South Fremantle Warriors. Jacob Dragovich won the Terry Dean medal last year through the 14's and has backed up good performances through the 15's.

Throughout the year a number of our 15's development squad players were selected in the State 15's squad which travelled to Canberra.

Congratulation goes out to these players: Jermaine Miller-Lewis, Jarrod Pickett, Jarrod Garlett, Jake Verzini, Andrew Needham, Joshua Barry, Jack McMaster, Jacob Dragovich and Jake Doubkin. We also had Jarrod Doney who made the training squad

Jarrold Pickett and Jermaine Lewis were selected in the All Australian side from that carnival, which earned them a tour of South Africa early next year.

Five of our talented Indigenous players Jermaine Miller-Lewis, Jarrod Pickett, Jarrod Garlett, Brandon Colbung and Jermaine Austin were selected in the inaugural Indigenous WA State Kickstart side which travelled to the Gold Coast. Jermaine Miller-Lewis and Jarrod Pickett were the captains of the team and now have been selected in the Flying Boomerang Squad along with Jarrod Garlett which will travel to Fiji in December.

#### UGS / GASCOYNE

Each year the number of players from our

country zone areas coming through the South Fremantle Warriors has increased. This year we have had 11 players in our 14/15's sides and 8 in the 16's development side.

Rod Nicholson the coach of the UGS Rams Junior side again did a wonderful job coaching these boys. The direction he gives the players is the right step in making these players better footballers.

A big thank you to everyone involved in the Upper Great Southern, the support you show to the South Fremantle Football Club and also to the young developing players in your region is outstanding and I look forward to continuing working with you all in the future.

During the year we travelled to Carnarvon and Exmouth to conduct schools clinics, a Level 1 coaching course and view matches including the Grand Final. The trip is a chance to promote the SFFC and identify future talent for the development squads and colts system.

This year the Gascoyne Bulldogs Development Program got off the ground with new coach Adam Goedeke. Adam's enthusiastic approach in developing players within the Gascoyne region is a step in the right direction and has already taken some positive steps with 4 out of the 11 development squad players came from the Gascoyne region.

In October Adam took the Gassy Bulldogs to Port Hedland to represent South Fremantle in the North West Junior Football Talent Carnival.

There is a chance that another carnival is going to be held in April next year in Geraldton, this will give players more exposure in playing in talent squad carnivals.

A big thank you to the Gascoyne Football Association for their support in helping get the Gassy Bulldogs program off the ground and for getting players down to Perth for development carnivals.

I would also like to thank, Paul Pirrottina the Midwest, Gascoyne and Murchison Regional Development Officer and Adam Falls the Wheatbelt Football Development Manager for the outstanding work they do for their regional areas. I look forward continuing working with them next year.

#### IN CONCLUSION

I would like to finish by saying a big thank you to all volunteers who put their time and effort into the Warriors program. You all do a wonderful job every year and I look forward to working with you all again in 2012. Also to the sponsors of our program, Woolworths, Flight Centre, Cricket & Football Shop and Greyhounds WA thank you for your support of the program and continued support for years to come.

A special thank you to some of the local business in Fremantle and parents of players within the program, who donated prizes to our quiz night. The money raised from the night has helped the program to continue to move forward in the right direction.

I like to finish off by thanking my good friend Peter O'Neill for his time and wonderful work he does as chairman of the Warriors. With the professionalism he brings to the program, points our development players in the right direction on being better citizens and players.

I enjoy working with Peter on a day to day basis and I look forward in continuing that in 2012.

I wish everyone a Merry Christmas and a happy new year, and looking forward to the season ahead.

## DISTRICT DEVELOPMENT REPORT

The District had a bit of a change in the second half of this season, with long time District Development Manager Bradd Gardiner taking some very well earned long service leave. This gave me the chance to step into some very big shoes and take on the challenges of the District Manager role for the last four months, continuing all the exceptional work that Bradd had completed prior to his leave. Along with Robyn Elms stepping into her role full time and the very capable trainee Tiah Haynes assisting, the 'all-girl' office was able to continue the District vision that Bradd had set up and grow the game.

Although we recorded a small slump in our school numbers for this year after years of growth, we were one of the few Districts to buck the trend and grow over all three sectors in our juniors, with our senior clubs also holding steady. The hard work put in by Chairman Rob Taylor and Competition Director Shane Harding along with the extended DFDC and JCC has proven the South Fremantle District and its competitions are in fantastic shape.

Before I go into some of the fantastic outcomes and future directions of the district, I would personally like to thank Rob, Robyn, Shane, the DFDC, Warren Nel and especially Bradd for all the support they have shown and the faith they had in me in transitioning to this new role. I have learnt a lot and grown in my capacity and enthusiasm to deliver quality programs and innovative development in the District. I look forward to resuming my Development Officer role with a new outlook and drive to succeed.

We as a District pride ourselves on the development of new programs and strengthening of our current ones. We have had many achievements this season and have identified areas in which the District can make some significant improvement in the next few years. I'd like to give you a snapshot of some of the key areas in the District, what we have achieved, and where our future priorities will be.

### STRENGTHS AND OPPORTUNITIES

- Our strong District Football Development Council, ably lead by Bradd, Rob and Shane. All our key areas in the district have representation on the council which we feel give us real time snapshots of current needs and trends. The Council has consolidated these positions in recent

years which has enabled us to expand our scope within the District.

- Robyn Elms has again evolved her role and is pivotal in the success of the district. She is a vital communication cog between the clubs and competition council and her overhaul of the administration system and district documents has meant we have become more streamlined and effective.
- Volunteer recognition and development again was a high priority in 2011. Bradd's development of the Club Development Night in the last few years has seen it become one of the premier volunteer education nights in football. This year Bradd included streams from which clubs could choose what education was best suited to their clubs. The leadership sessions for both coaches and volunteers, including presenters such as Jason McCartney and State Manager for Junior Football Troy Kirkham were well attended by all.
- Coaching again is a priority in 2011, and will be in future seasons. The Coaching Unit was once again out in the field ensuring coaches had access to assistance and support. Jason Ireland and his team again were exceptional in the service provided to our community coaches. We also had another 6 coach's take the step up and complete a Level 2 qualification throughout the year, most of whom will be imparting their knowledge around the district in 2012. Our junior and senior clubs were fantastic in ensuring coaches became accredited and we saw again 100% accreditation within our junior coaches.
- We are starting to see the funding received last year for facility

development come to fruition, with a number of lights and new buildings being developed at our junior and senior grounds. Relationships with our local councils are vital in ensuring quality facilities for our clubs and we will continue to work hard with various agencies to ensure that facility development and maintenance is of the highest quality.

- Female football lost its junior pathway for the first time in three years in 2011, so we have gone back to try and redevelop this key growth area, with a new competition scheduled in 2012 for both junior and youth girls. We are also looking to expand on the success of the first ever stand alone All-Girl Auskick centre at a junior club by developing two more in 2012. Congratulations to the Armadale JFC for this achievement and in co-ordinator Amy Potter for being the recipient of the NAB Volunteer of the Year.
- The Quality Club Program also moved from strength to strength this year, with many new clubs embracing the concept and those who were already engaged began the transition to a higher status. The South Fremantle Women's Football Club became the first club in the District and the first Women's club in Australia to become Gold standard, which is an outstanding effort.
- Our school programs, many of them sponsored by local businesses, provided a platform for many to experience AFL. Tiah Haynes has done a remarkable job in providing clinics to over 50 schools in the District. She also has been a great asset in communication with our schools, with our Ambassadors being provided with quality support. For the third time in four years, a South Fremantle School Ambassador walked away with the title of Primary School Ambassador of the Year. Marion Burt from Samson Primary was a deserving winner for her efforts in AFL promotion

### FUTURE VISIONS AND IMPROVEMENT AREAS

- The Districts priorities still lie in assisting our low-socio areas to engage in football, with the district looking at

## South Fremantle Football Club

many options to help deliver and provide programs in those areas.

- Looking to provide a leadership and community engagement program in those areas, to be run through schools and reach out to girls and boys using football as a vehicle in the classroom and out.
- A new website has meant we are able to overhaul our resource base and provide communication and up to date news. The website needs to be utilised more and will be in 2012. A positive in our communication has been the emergence of the use of social media in the District, with Di Smith being instrumental in running our Facebook page.
- Senior club engagement is a huge priority for the District, with the clubs responding more than ever. The relationship between the Junior Clubs, Senior Clubs and Districts is a crucial one, youth to senior transition is a key focal point and the District is implementing resources to assist players and clubs alike.
- Facility Development will always be an improvement area in the District – with constant growth means we are always looking for advancement in our facilities. Again making sure AFL is a priority area in our local government's future planning is key to supporting that growth.
- Lastly, one of the most important areas - our Volunteers. Ways of making the workload easier and more enjoyable is always a focus, as well as opportunities for personal development and education. We want to keep key volunteers working in our clubs and the District, so making sure we provide support and give them the tools to run their clubs efficiently.

It has been a great year in our District, and I would like to thank some of the many people who have contributed so much to our District. Our fantastic District team in Bradd, Robyn and Tiah – Bradd for his fantastic leadership and vision which has helped the District grow and achieve some great outcomes, Robyn and Tiah for their vital support and hard work throughout the year.

To the District Council, all of our members

bring so much to the scope of our district. I thank you all for the hard work you have done this year.

Special mention to our executive DFDC members, Rob Taylor, Shane Harding, Dave Kenny, Fiona Galea, Sharon Greengrass, Mal Hooper and Jason Ireland. Your dedication and work ethic is second to none and you are one of the core reasons our district is at the forefront of AFL development.

To our club committees and volunteers, you are never thanked enough for the work that you do, we appreciate all your efforts over the season.

To our P & D panel, in their second year, grew into their roles and ensured a fair and equitable tribunal system was upheld. To Peter and his panel in Murray, Gary, Stephen and Diane, well done.

To all our sponsors, your contributions mean we can grow the game more than

ever before. Thank you so much for supporting the District and we hope to strengthen our partnerships in the future.

To the SFFC in Lee, Jess, Vido, Dawks, Bob, Cicco, Haydn and the board, thanks for your assistance and support this year – it is always appreciated and valued.

To the members of the SFFC – this is your district, your Bulldogs of the Future. We are building a fantastic base for footy in all areas of the game, from volunteer to coach to administrator. We look forward to growing again in 2012 and again seeing the South Fremantle District strive to reach new heights.

## 2011 TREASURER'S REPORT

Despite an indifferent year on field and off field the club has had a significant turnaround from a net loss result of \$90,649 last year to a loss of \$12,767 reflected in the Audited Accounts at 31st October 2011.

In viewing our Statement of Cash Flow there has been a positive movement in the net cash provided by our operating activities to the extent of \$80,999 off setting net cash used in capital activities of \$39,741. This results in a Net Increase of our cash held by \$41,528 which is a good result.

Bar sales decreased by \$70,000 from last year which in turn decreased our Gross Profit by \$52,000, however with the effect of catering income, TAB commissions and a significant increase in hall hire revenue the overall effect on Bar Trading was a decrease of approximately \$4,000 down to \$64,000 profit

Our marketing income increased from the previous year and shows a net result of \$371,624 a movement of approximately \$21,000. Within this area our sponsorship and advertising increased by approximately \$20,000 and there were various functions that are held in alternate years that make up sundry movements between the years.

The football department along with all its ailments and injuries showed a decrease in its loss by \$60,000 and this was due to increased gate receipts of \$20,000, finals appearance money of \$10,000 and increases in transfer fees received of \$66,000. Our expenses did increase in total by \$47,000 and most notably in player's fees and football staff wages.

Football development revenue decreased from last year due to a decrease in grow the games grant of \$10,000 and a decrease in the clinics income. Development expenses were up by \$15,000 and the main contributor to this was staff cost. The development cost centre is critical to the future of the clubs ability to get players cultivated within our own zones.

Membership revenue which includes membership fees, season passes and reserve seating totaled \$97,000 which was the same as the previous year and expenses for this department decreased by \$2,000 mainly due to badges and tickets cost reduction. In total all expenses \$13,000.

The administration costs of the club have fallen by \$12,000 and is run by full time office staff and as such wages, superannuation and on cost are the major costs of this department. It is a cost centre with no contributing revenue other than interest received of \$33,000 and technology grants.

Even though we were endeavoring to achieve a book profit we just did not get there. However, it was a major turnaround and I feel confident that 2012 will see us back in profit. The financial stability of the club still remains strong.

Thank you to all those who contribute to the well being of our 'Family Club'.

### NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST OCTOBER 2011

---

#### 1 STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views). The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the company in the preparation of the financial statements.

##### **Inventories**

Inventories are measured at the lower of cost and net realisable value.

##### **Property, Plant and Equipment**

Property, plant and equipment are brought to account at cost or at independent or directors' valuation, less where applicable any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows, which will be received from the assets employment and subsequent disposal.

##### **Employee Entitlements**

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

##### **Cash**

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.
