PRESIDENT'S REPORT - Mark Stewart

2019, what a year it has been both on and off the field! It was always going to be a challenging year, we had to improve on last season's performance and I am pleased to advise we managed to accomplish a better outcome. With the help of a new coach and plenty of support from all involved with the club, it was heads down and fins up as we move forward to 2020.

The Board will continue to focus on the future and ensuring we head in the right direction, as we have total commitment and belief in the clubs' strategic plan and what lies ahead.

We will continue to challenge every area of the club for improvement and ultimately success.

One real positive for season 2019 is that our Directors, Staff, Volunteers, many Committees and valued Members have all been very active and productive. It's important that we reflect on a few outstanding contributions and therefore acknowledge some of the wonderful achievements.

OUR PATRONS

To our Club Patron Tony Buhagiar and Vice Patrons, Con Tripi, Ray Meadowcroft, Len Hitchen, Peter Lynn, John McGrath, Harry Morgan, Hon. Dean Nalder, Hon. Simon O'Brien, Glenn Sterle, Ian Taylor and Lisa O'Malley - their knowledge, advice, assistance and influence is so important to our great Club and very much appreciated.

I personally would like to thank our No.1 Ticketholder Ron Alexander who continues to provide his time and efforts to assist our Sub-Committee in pursuit of better facilities for the East Fremantle Football Club and also someone who is always available for a chat and advice.

PAST PLAYERS & GREY POWER

Our sincere appreciation and thanks to the hardworking Past Players and Officials led by their President, Noel Ireland who continues to dedicate his time each season. They are an amazing committed group who are so devoted to our great club. Noel, to you and your team we thank you.

We also appreciate the hard work and dedication of all our 'Grey Power' volunteers led by Gary Stockden. Their tireless efforts do not go unnoticed by everyone at the Club. A big thank you Gary and to your wonderful team.

To our magnificent match day ladies. Words are not enough to pay tribute for your home game afternoon teas. They are legendary in the WAFL and we cannot thank you enough for your wonderful and continued contributions.

OUR STAFF

We have had fantastic feedback all year for our functions and events. The professionalism and organisation of all our wonderful staff has been terrific. A big welcome to our Football Manager Brad Dodd.

A special mention to Maureen Gathercole who continues to give so much to our football Club, thank you. We recently lost Len Anderson who was a great servant of the Club, we will never forget you Len.

To the Berrigan Bar & Bistro, Numero Uno and Nine Seeds, we thank you and your staff for your excellent contributions and services provided to the club on a regular basis.

A big thank you to all of our many sponsors for their continued support and the contribution they give each year to the East Fremantle Football Club. Our Board will continue to engage with you and help you connect with our community organisations.

2019 FINANCIAL REPORT

As can be seen from our financial report, we managed a small profit of \$10,621 after depreciation in 2019. Our challenge as I have stated in previous years is to continue improving our financial situation for season 2019 and for the years beyond. On field success will certainly assist the club in achieving consistent and positive financial results.

I would like to express our thanks and make special mention of Mark Murphy, our Chartered Accountant, who has given his time in overseeing our Club's finances.

CLUB LEGEND

I am proud to announce that our 2020 legend on our match day football is a Premiership Player, Life Member and our Patron Tony Buhagiar. Congratulations Tony, very well deserved.

ON-FIELD

Thank you to all our coaches. League Coach in Bill Monaghan, your perseverance and determination has been very evident throughout the season and we thank you for your service and we look forward to the years ahead.

We would also take this opportunity to thank our Reserves Coach, Larry Cavallo and Colts Coach, Jacob Brennan on their respective seasons. Our great club would not be able to operate without the contributions and dedication of all our volunteers and support staff, so to all the selectors, team managers and assistants, our trainers, strength and conditioning staff, property managers and other volunteers, we offer you our sincere thanks.

Thank you to Geoff Wolfenden, our District Chairman, and our district development team, for your continued support and dedication.

I would also like to acknowledge the wonderful efforts in our Women's team winning the inaugural WAFLW Premiership. To Darren & Nikki, the club is very proud of what you and the team have achieved this year and we look forward to the year ahead

TOWN OF EAST FREMANTLE

To Jim O'Neil, Gary Tuffin and the Town of East Fremantle Councillors, thank you for your ongoing support and commitment to the East Fremantle Football Club, we look forward to working together for many years to come.

SPECIAL THANKYOU

Over the last 3 months you would have seen consultant David Koutsoukis who has been working with Todd, Brad, Bill, the board and staff on Leadership & Cultural Reforms within our club. It is key that we get this right, if our leadership and culture is not right we will struggle to be successful. I would like to take this opportunity to thank Paul Montauban for sponsoring David to help us with the leadership and cultural reforms. Over the next 2 months the Club will produce a new Strategic Plan for the next 3 years focusing around community and new facilities for the Club.

My appreciation goes to my fellow Board Members who have served our club in a very professional and united manner. All have given, and will continue to give their valuable time and professional contribution to our Club.

I commend our management team for their hard work and commitment in 2019 and thank you, our loyal members for your continued support. Todd Shimmon, our CEO you are a true professional and I look forward to working with you in the coming season.

To my amazing wife Leanne and our magnificent daughters, thank you for your continued support.

This year there have been many changes within the club as it moves forward under the influence of so many value driven people. I urge all members to stay strong as we will be rewarded with success in the near future.

Finally, I would like to take this opportunity to thank you all as Members and Supporters and wish you and your families a very healthy, happy and prosperous 2020.

CEO Report - *Todd Shimmon*

The Club has undertaken several changes since my last Annual Report, and I'm glad to report we are starting to see signs of improvement across the board, but mainly in our senior football in 2019.

Bill Monaghan and Brad Dodd have gelled very well as a team, and in November last year they laid down some harsh realities to the senior playing group. The Club has worked very closely with the senior player leadership group to provide a clear and precise working model for the playing group moving forward.

For example, Vice Captain Matthew Jupp thrived under this model and produced his best football since arriving at East Fremantle and won his first Lynn Medal. Well done Juppy.

Bill also brought with him several colleagues that knew his style of coaching and have also made a big impact in their first year at the Club. To Craig Smoker, Paul Sanzone, Craig Anderson, Bruce Gaskin, and Joe Comande thank you for support and welcome to the Club.

A big thank you to all the coaches and support staff under Bill and Brad for their continued

professional support throughout 2019. You are all passionate Sharks supporters who offer their time willingly each season, and it is greatly appreciated.

A big thank you to Larry Cavallo and his development team for their outstanding work with our 1st to 3rd year senior players, and Larry's Futures Team (U 16's) for producing a 1st class program for young boys and also winning the inaugural shield. Your commitment to fill both coaching positions in a football season is outstanding, and well appreciated by the Club.

Thanks to Mark Pashby for his work again in setting up a very busy football schedule for our East Fremantle talent system. This is a difficult job that requires patience and support of many volunteers.

And finally a big thank you to Jacob Brennan, (Colts Coach) and his Coaches for developing a large group of Colts players again for senior football next year. Some of our Colts playing group this year are bound for higher levels than WAFL, and we wish them all the best in the AFL environment. Special thanks to Jacob who also managed State 18's assistant coaching duties with his Colts coaching role.

Bar & Hospitality

Once again our bar and hospitality was contracted out to 3 local hospitality operators to run our Bar and Catering throughout the Club. A big thank you to: Berrigan Bar & Bistro, Numero Uno and Nine Seeds.

Berrigan Bar & Bistro – Running the Club's Bars with Sheridan Turich managing staff and rosters.

Numero Uno – Function Catering – Guido & Linda Micalizzi running all function catering for the Club.

Nine Seeds Café – Amrit & Neal running our Coffee Carts and Kiosk for all game day food.

Thank you for your support, and look forward to working with you in the future.

Facility Upgrade

The facility is in constant need of repairs and maintenance and I must thank the following groups for their outstanding support in this area.

Since October last year the Club along with the Past Players group, with great financial support from East Fremantle Town Council and the WA Football Commission have upgraded our facility by spending

well over \$100,000 on maintenance or new upgrades.

The Club also produced a nine page document called the EFFC Physical Environments Projects. The document recommended upgrades and improvements to the physical outlook of buildings and surrounds of New Choice Home Park. The document will be a work in progress over the next 6 months.

We have also had further progress on the masterplan for the new facility. Please see update on Masterplan for the facility in our Facilities Report.

Financials

I am pleased to announce a small surplus \$10,621 after depreciation for the 2019 season. Our bar turnover has declined over the last couple of years and the Club is looking at different initiatives to increase the turnover in this area.

All other categories of the business have reached or achieved budgets.

A big thank you to Finance Sub Committee of Mark Stewart, Bob Uittenbroek, Mark Murphy and Damien Condon.

Sponsorship

Sponsorship continues to be our strength in a difficult financial market.

The Club raised over \$400,000 in sponsorship again this year, and we thank our 58 community sponsors who continue to support the Club year in and year out.

A big thank you to our Business Development Team of Renee Ciesla, Kim Chatfield and Dave Edinger for all their work in this area.

Junior District

Our Junior Districts Clubs continue to provide excellent talented players for our development squads. Thank you to the chairman of the District Council in Geoff Wolfenden for his guidance to the District admin team of Bradd Gardiner, Tom Atkinson, Daren Bell and Mitch Harvey throughout the year.

We wish Mitch all the best in his new position at the Fremantle Dockers, and welcome Jaxon Liddelow into the role.

Country Zone

The Club further strengthened the relationship with Geraldton and the GNFL with the first Regional Colts game being played against Perth in May this year. The event was an outstanding success with the East Fremantle Colts fielding 18 of their 22 players who originated from the

Mid West Region. Another Colts game is planned for Geraldton in season 2020.

A big thank you to Colin Cox and his GNFL Committee for their continual work in developing players to play in the three (3) grades of football in the GNFL each year, and for providing the pathway for players to play at a higher level whether WAFL or AFL through our development programs.

A big thank you to Darren Winterbine, Grady Tomelty, Craig Walker, Mitch Boyle and Todd Teakle for their work in running the Mid West High Performance Academy. It is greatly appreciated by everyone at the East Fremantle Football Club.

Women's Football

What a fantastic win by our League side in the 1st year of the new WAFLW Competition.

Congrats to Nikki Harwood and her players on an outstanding year.

Congratulation to our Reserves and Youth sides for making the finals.

Women's Football within the district continues to grow with large increases in participation numbers. A big thank you to Darren O'Donnell and his executive team for their work in developing Women's football throughout our district and the three teams that play at New Choice Homes Park throughout the year.

Congratulations to our EFFC Women players who are playing at higher levels around Australia, we are very proud to provide a pathway that allows the growth of women's football.

We are currently working on amalgamating our Women's teams under the EFFC Club model and look forward to working closely with Darren and his team to bringing this to fruition over the next couple of months.

East Freo Sharks Netball

2019 saw the start of a new State Netball Competition run by Netball WA. The Club joined forces with the Fremantle Netball Association (FNA) to join a partnership for two elite teams in the new Netball competition (U/20's & Open). The teams are called the East Freo Sharks.

The FNA have the knowledge and experience to run an elite Netball program, but we joined forces to provide some sponsorship, marketing, strength and conditioning, and gym facilities to help our local community. Both teams finished 3rd in their respective competitions.

May I take this opportunity to thank Clare, Dee, Sondra, Michelle, Claire and Karen from the Netball executive for our first exciting year in partnership, and for making the effort to join both our codes socially throughout the 2019 season.

Volunteers

Please see our list of Volunteers on page 30 of the Annual Report instead of me trying to thank them all in this report. I have made mention of a few below, who are key leaders of our Volunteer groups.

A big thank you to Noel Ireland and his Past Players, who continue to do an excellent job for the Club in catering, maintenance repairs, and equipment for our footballers. They have raised over \$40,000 for the Club again this year. Thank you to Gary Stockden and the Grey Army for their work cleaning up the facility each week. To Angelo Cuccovia for keeping a good eye on the facility to make sure we stop break ins, and for winning Volunteer of the Year for the Club, and finally Maureen Gathercole for her ongoing support to our Colts team and any historical statistics needed by the Club.

We have an outstanding group of volunteers who give their heart and soul to the East Fremantle Football Club, and we cannot thank you enough for your great support. I urge all members to acknowledge these hard workers when you attend games at the Club throughout the year.

Board & Staff

I big thank you to Mark Stewart and the Board, for your continual support and guidance to all staff, it is very much appreciated.

I personally see how much time each Director spends at this Club, and it simply amazes me how they continue to give their time freely to attend nightly meetings, attend development squad inductions, or just be EFFC representatives at over 100 events throughout the year where we need to be seen supporting our local sporting communities.

A lot of our members don't get to see this commitment, but from the person who requests Directors to attend these functions, it is greatly appreciated.

The current Board is now working on a new strategic plan from 2020 to 2022 where they are very committed to working closely with our local community to make sure we are providing the best possible pathways to engage youth to get involved in football.

Through the support of one of our new sponsors in Premair Aviation (Paul Montauban) we were able to start a new leadership and structural review of our operations. David Koutsoukis has come on board and has been a great asset for our Board, my admin team and the football department. We thank you Dave for your abundance of energy and expertise in working with teams.

And finally a big thank you to the administration staff of Judi Miles, Julie Lawrence, Renee Ciesla, Brad Dodd, Mark Pashby, Brenton Boddington and Bill Monaghan for your work and commitment to the Club.

I am very fortunate to have such a wonderful admin team who are so passionate about the Sharks. Your extra hours to get the job done is certainly noticed and appreciated by the board.

On a sad note we are losing one of our most passionate and enthusiastic members of the admin team in Julie Lawrence. Julie recently got married this year, and has decided to travel Australia with husband Mick. We wish them all the best with their travels.

I would also like to take this opportunity to welcome Leigh Pratt who has taken over from Julie, and started in October.

Finally a big thank you to my wife Leanne and daughter Ruby, who allow me to give so much time to a job and industry I'm so passionate about.

To all members and supporters, I hope you have a Merry Christmas and a Happy New Year, and look forward to seeing you at Shark Park in 2020.

Unite for the Blue & White.

FINANCIAL SUMMARY FOR 2019

As stated previously the Club recorded a small surplus of \$10,621 after depreciation.

We made changes to our hospitality area, reflecting in lower costs in bar & merchandise.

Our sponsorship net return has reduced by \$40,000 in 2019 due to the economic downturn.

Over the last few years we have reduced our expenditure in Senior Football & Administration to streamline our operations to reflect our vision for the future.

The Club will work closely with East Fremantle Womens' teams to amalgamate the 3 sides under the Club's umbrella, and to further embrace the community to utilise the facility.

Business Development, Marketing & Sponsorship

- Director David Edinger & Renee Ciesla

As quickly as it started, the 2019 season is over! Tough economic times and some hard years on the field, meant it was going to be a challenging year on the Business Development front. However, I am pleased to say, thanks to the dedication of our wonderful sponsors, new and old, we continued to kick goals off the field, investing in our football programs and community initiatives.

We were lucky enough to welcome Platinum Partners AMS and PetraClean as well as Official Partners Battery World Armadale, Carinya Care Services, Inspirations Paint, Specialist Finance Group, SV Glass and The Berrigan Bar & Bistro on board the Sharks this year.

Special thanks must go to outstanding Major Sponsors – Titan Ford, who are in their 26th year with the Club; and our Oval Naming Rights Partner, New Choice Homes. To our Platinum Partners; The Left Bank, Air Roofing, AOS and SINWA, again we thank you for your unwavering support.

It is with great sadness that the Sharks come to the end of their partnership with Retravision. Our sincere thanks to Glen Mortimer and Carl Sanders, who have been long term supporters, including the last six years as Platinum Partners. It is thanks to companies like these that enable the Sharks to survive. We wish you and the team at Retravision all the very best.

We would also like to pay a special thanks to Geoff Barrett, Founder & Managing Director of Watershed Wines for their sponsorship over the past three years, which unfortunately due to the sale of the winery has come to end this year. We are delighted to announce Ferngrove Wines, another quality wine producer, have taken over as our new wine sponsor.

The Sharks re-introduced the Corporate Classic this year, to help raise crucial funds for the Club. We were blown away by the support and are pleased to have had 67 companies enter the race – with first prize

being the front position on our seniors' playing jumper. Congratulations to Lake Brockman on taking out the top spot, Imperial Homes on 2nd, SANWELL 3rd and Dulux Paints 4th. If you wish to participate in 2020, please don't hesitate to get in contact (launching in November 2019).

Building on the success from previous years, we continued our Sponsor Networking Breakfasts in 2019. These were introduced as a way of bringing our vast network of sponsors together; facilitating introductions and encouraging them to use each other. Thank you to the National Hotel and The Left Bank for hosting us throughout the year. As we bridge the gap between our corporate partners we seek to create a better link between our members and sponsors. We encourage all supporters of the club to utilise our sponsors where and when they can. Be sure to check out our 'current partners' page on the website and see who you can support. When times are tough it's great to be able to look after the people who constantly back the club we all love.

Our sincerest thank you to the sponsors, directors, members and staff that introduce new businesses to the club. Many of our sponsors are introduced by referral, so if you know of any interested parties, please send them our way.

We cannot thank our sponsors and partners enough for their continued support of the Club. We wish you all the best for 2020 and look forward to working together for the success of your business and the Club.

We are confident the 2020 season will be a great year for the Club, and we are working towards implementing several changes that we believe will significantly assist us in promoting our sponsors' businesses.

Marketing & Fundraising

The highlight on our social calendar was again the Gala Auction. This year CIRQUE DU SHARK came to town, with a stilts walker and juggler welcoming our guests as they entered under the big top!

A huge thank you to both the donors and those who purchased items, your generosity makes this event possible. Galabid has been instrumental in our fundraising endeavours, enabling not only those in attendance to bid but everyone at home. It also provides our donors with another level of exposure.

The Corporate Golf Day was another successful and crucial fundraising event held at Royal Fremantle Golf Course. Congratulations to the winner Smartline Personal Mortgage Advisors and thank you to those who sponsored the day.

Social Media is now our prime means of communication with Sharks fans. If you haven't already got onboard with the Sharks Facebook page, make sure you do and be sure to engage with our posts. So you don't miss any of our posts, hit the LIKE & FOLLOW buttons! East Fremantle is also on Twitter and Instagram to keep you up to date with all things Blue & White.

Don't forget to subscribe to our weekly e-newsletter 'Sharks Circle' which always has special offers from our sponsors.

East Fremantle were lucky enough to have two students assisting with content creation this season. A big thank you to Darcy Middleton for his work on game day as the Ground Announcer as well as writing the weekly match reports. Matthew Speyers was outstanding in his work filming and producing our match report videos and highlight reels. Thank you to Brenton Boddington for his service to the club during events and for his assistance with cutting game vision.

My sincerest thanks must go to our Past Players and the Grey Army. From our Holiday Clinics to the MND Drive, the Past Players have kept everyone well fed and looked after. The Grey Army work tirelessly to have our signage around the ground installed and are always on hand to maintain Shark Park.

Community Engagements

Holiday Clinic - This year we were lucky enough to have returning Shark, Jordan Snadden lead our School Holiday Clinics. Over 200 children attended the days in April and July, with some footballers in the making! Thank you to our players from East Fremantle and East Fremantle Women's Football Club for their roles on the day.

MND Drive - In support of our major charity partner, The Motor Neurone Disease Association of WA, the Sharks hosted the launch of their annual drive in October. Our Past Players provided a big breaky to keep the drivers full on day one of their journey.

Fathering Project – We were honoured to host the Fathering Project this year, a charity that encourages dads to be more involved in their kids' lives. The Club provided free entry to parents with kids on the day, and some giveaways to ensure everyone had a great time.

MEMBERSHIP 2019

- Bob Uittenbroek, Membership Director

A challenging but encouraging year where we finished third in the WAFL competition with 1517 Members, just slightly behind Perth (1535) and Claremont (1600).

Our Social Membership of 278 is the highest since its introduction in 2012.

All other membership categories remain constant, with the exception of Junior Members, where numbers decreased to just 75, some 96 less than 2018. This is an area we need to concentrate on.

An area we targeted was to attract former players to become Members. We had some limited success. I encourage all former players, whether League, Reserves or Colts to become Sharks Members.

With some further effort, I believe we can reach our target of 2000 Members.

Our Membership Committee do an excellent job in signing up new and existing Members at the turnstiles in Moss Street. The Committee has been doing this task for several years and I believe this has been a major factor in retaining Member numbers.

I sincerely thank Glenn and Rod Brown, David and Lyn Edmondson, Angelo Cuccovia and Andrew Stephen for their

time and effort with this (Angelo was awarded Best Clubman/Volunteer for 2019 at the Lynn Medal evening last month).

Congratulations Angelo.

Congratulations to our new Life Members (Angelo Cuccovia, Dr Damian McCann, Jamie McNamara, Darron Outram and Craig Treleven) who were inducted at the 2018 AGM.

To our dedicated administration staff (Judi Miles, Renee Ciesla and Julie Lawrence) who make our job so much easier a big Thank You.

Best wishes to Julie who will be holidaying and travelling around Australia (and signing up new Members??)

We welcome Leigh Pratt who is our new Finance Officer/Receptionist.

We thank all of our Members for your support during 2019 and look forward to your valued membership of the Sharks in 2020.

Paula Brensell, Mark Stewart, Dalma Ferguson, Bob Uittenbroek & Margaret Beswick

2019 Special Events and Fundraising

- **Kim Chatfield**

Our 2019 Corporate Golf Day was a hole in one! Held at the beautiful Royal Fremantle Golf Course in April, 21 teams took to the greens. Thanks to the sponsors and players involved we raised over \$10,000 for the club.

Our 'hole' sponsors this year were:

- **PSC McKenna Hampton**
- **Titan Ford**
- **BM&Y Accounting**
- **Hoyts**
- **Bupa**
- **Edinger Real Estate**
- **AMS**

It was the Smartline Personal Mortgage Advisors' team that came out on

top, with TyreRight Welshpool and Macquarie Group coming in a close second and third.

Thanks to our fantastic sponsors we had prizes on each of the holes and the Par 3's rewarded both the best and worst shots on the day.

This is a fantastic event on our calendar, especially for all of the golf lovers out there. Royal Fremantle is an exclusive course that usually requires a membership so it's an opportunity to play on one of WA's best greens. Not only a perfect opportunity to network with other sponsors, it's a fantastic place to bring clients or staff! So next year, get a team of four together and promote your business over 18 holes, whilst the drinks cart makes its way to you.

A special thanks to PSC McKenna Hampton for providing merchandise to get our players through the day as well as the following for their prize donors; Hoyts, TABtouch, Divas Beverages, Wandering Distillery, The Left Bank, Royal Fremantle Golf Club, Golf Box Melville, Wagyu Biltong, Watershed Wines, West Coast Eagles, Fremantle Dockers and Kennards Hire

A big thank you to the events team that made this possible, Director David Edinger, CEO Todd Shimmom and Business Development Officer Renee Ciesla.

I look forward to the year ahead and would like to take this opportunity to wish you a very Merry Christmas and prosperous New Year.

TALENT PROGRAMMES

- Mark Pashby, Talent Manager

The Talent Development Squads in 2019 took on a different look to past years with the previously known 16's Development Squad being renamed "The Futures" and being extended from a 5 game carnival in March into a 10 game season finishing up in July. The East Fremantle Futures completed the season with 8 wins and 2 narrow losses and finished on top of the ladder taking out the Futures Shield as inaugural Champions.

Congratulations go to Head Coach, Larry Cavallo and his assistants, Dan Richards, Liam Anthony and Adam Drake-Brockman along with Team Manager, Chris DeRosario and development coaches Tony Watson, Andrew Browne, S&C Coach, Brendan Lewis and S&C Coach / Development Coach Nick Kommer. Special thanks to Arthur Maskos whose experience in talent development was invaluable taking on the role of Chairman of Selectors and mentoring the coaching group.

The Futures played 44 players across the 10 games with 6 players going on to represent the club in the Colts side. Six players were selected in the WA State 16's Squad: Richard Bartlett, Judd McVee, Trent Giles, Graham Sandy, Xavier Wright and Tristan Jacques with Richard and Judd travelling to the Gold Coast for the Australian Championships with Judd gaining All Australian Honours.

Special mention should be made also of Jed Hagan who played Futures as an under ager and represented WA at the 15's Australian Championships winning the Medal for the Best player in the competition.

There were also changes in the structure of the 14's & 15's Development Squads in 2019 with the 14's no longer having a carnival but having an extended training programme of 10 weeks, finishing with 3 intra squad scratch matches which were used as a talent identification tool to assist with selection of next year's 15's squad. The 14's boys were coached by League player Nick Kommer and former League player and Sandover Medallist, Craig

Televen. Thanks go to Ian Hanson who assisted at training along with the dual role of Team Manager.

The 15's programme was also shortened with East Fremantle fielding two teams and playing matches against Claremont & Subiaco in the first week of the October school holidays. The East Fremantle boys acquitted themselves well and showed that the district has an excellent depth of talent. Adrian Ricciardello ran an excellent programme and along with Adam Drake-Brockman coached the two teams and development coaches Lachlan Price and Scott Bruce. Thanks also go to Meagan Hanson who performed the role of Team Manager.

The boys involved in the 14's programme have been identified and recorded on the club database and will be monitored by scouts during the 2020 community season.

Many of the boys involved in the 15's programme will now move straight through to the Futures (16's) programme which will begin a three week pre-season training block in late November and returning in mid January 2020. The Futures season in 2020 is planned to start in February and finish around the end of April prior to the WA State 16's final squad selection.

MID WEST HIGH PERFORMANCE ACADEMY

In season 2019 a partnership between the East Fremantle Football Club and the Mid West Academy of Sport (MWAS), headed by Darren Winterbine saw the establishment of the East Fremantle High Performance Academy in Geraldton where 9 players (16-18 years of age) were invited to accept a scholarship with the Academy provided by the MWAS. The squad is coached by former East Fremantle League player Mitchell Boyle with assistance from Physio and S&C Coach, Todd Teakle who provides

his gym for the boys to complete their weights and fitness programmes.

Of the 9 players in the Academy, 8 played Colts for East Fremantle and the other (Jed Hagan) represented WA with distinction in the WA State 15's side.

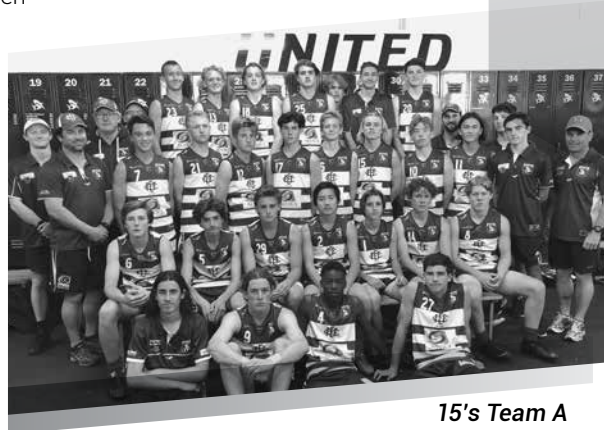

REGIONAL COLTS GAME

The East Fremantle Football Club further strengthened the relationship with Geraldton and the GNFL with the first Regional Colts game being played against Perth in May this year. The event was an outstanding success with the East Fremantle Colts fielding 18 of their 22 players who originated from the Mid West Region. Another Colts game is planned for Geraldton in season 2020. With the High Performance Academy along with the Regional Colts game we will continue to grow and strengthen the relationship with the GNFL and the Mid West Region to develop talent from this prolific region and assist players who aspire to AFL or to play League Football at the East Fremantle football club.

From a Talent perspective the 2019 season took some very important strides forward through the hard work and commitment of a large number of volunteers and coaches, trainers, property volunteers and game day helpers who without their help the successes of the programmes would not be possible. A huge thankyou to all of those involved.

FOOTBALL OPERATIONS - *Brad Dodd*

And like that the season is over.

It was a whirlwind start to my appointment as Football Manager. The club had just appointed a new Senior Coach in Bill Monaghan and there was a playing group in limbo - unsure where they stood.

Having never crossed paths with Bill previously, I had no idea what to expect, only recognising that he coached West Perth to finals campaigns in 9 of his 10 seasons and 3 Grand Finals, including a Premiership in 2013.

What we have got in Bill Monaghan is someone who has a fierce drive to win. Someone who thinks outside the box, challenges how we do things and rewards those that are prepared to work hard.

The first 2 months leading into pre-season was very much about List Management. Over the course of the past 2 seasons, East Fremantle had played a lot of players. This was unsustainable and we needed to make decisions on players and go with the ones that we thought could drive this team forward. Hard decisions were made and we let go players that had played League football. Our list profile was quite inexperienced and we identified the type of players we needed and hit the market.

We were lucky enough to bring into the club Kody Manning (West Perth), Alex Bray (Peel), Luke Strnadica (Fremantle), Morgan Davies (Claremont) and Michael Tassone (Peel). Returning to the club after a year or 2 away were Tom Bennett, Kyle Baskerville and Jesse Adamini. All played League football in 2019 and 4 finished in our Top 10 in the Lynn Medal. Recruiting after a 2 win season is

tough but we were happy with the output of the players we brought in.

There were a few coaching departures at the end of 2018, so we needed to bring in some fresh faces. Craig Smoker and Paul Sanzone had formed part of Bill's coaching team for the past 10 seasons and it was a great benefit having them on board in regards to educating the group in how we wanted to play. Bradd Dalziell was retained from the previous few seasons and took control of the Forwards group. We were also able to add Craig Anderson (Bench Analyst), Joe Comande (Opposition Analyst) and Bruce Gaskin (Reserves Team Manager) to the group.

We wanted to create a Development program that gave the coaches the freedom to implement their own ideas, all with the common goal of fast tracking improvement in our 1-3 year players. We appointed Larry Cavallo as Head of Development, who has coached over many years at a variety of clubs performing a number of different roles. Working under him were Brenton Miller, Louis Cronan and Jon Griffin. They were each assigned pods of about 6 players who they worked closely with over the season. Players from our Development group that played Senior football included Milan Murdock, Tom Monaghan, Cam Davidson, Zach Jackson, Brynn Teakle, Nic Bonomelli, Max Murphy, Tim Bockman and Kyle Baskerville.

Much of the pre-season revolved around teaching the players the new Game Style and Structures. There was a heavy focus on how we defended and we couldn't move forward until

those principles were ingrained. As a football department, there was an unknown as to how long it would take for the players to all pick it up but the coaches were patient and constantly teaching. Though we went through the pre-season not winning a game, there were positive signs and good football played. We just needed to be more consistent across the quarters.

We started the season with a poor loss against Claremont. Competitive efforts against Subiaco and Peel also resulted in losses before a horror show performance against South Fremantle saw us with an 0-4 start. Another close loss to West Perth and we headed into the State game bye at 0-5. It wasn't an ideal start but through it all the coaching group stayed positive and the players continued to work hard on the track. After the bye we had wins against Swans, Perth and East Perth with a close loss in front of 5,000 people against South Fremantle. It was a game we had in control but let slip - a common theme over the rest of the season. Over the backend of the season we managed 2 more wins, again beating East Perth and Swans. We finished the season at 5 -13 to be 3 games out of the finals. It's not where we want to be but we now have a clearer understanding of our group, what needs to improve and a belief we are on the right track.

Well done to Matthew Jupp for taking out the Lynn Medal. Our Vice Captain, Matthew was outstanding in 2019 and thoroughly deserved the win.

Kyle Baskerville took out the Rising Star and Alex Montauban was voted the Players Best Clubman.

Our Reserves finished 4th and won 2 finals before bowing out in the Prelim Final against West Perth. The experience of playing and performing well in finals will be invaluable for our younger players. Congratulations to Matt Burton for winning the Henry Jeffery Medal, a fierce competitor who will look to have a big pre-season and push for more League games in 2020.

There are a lot of people that put in countless hours to run a football club throughout a season. East Fremantle have an army of volunteers that ride every bump and cheer every goal - to all of them, thank you for your efforts and dedication in 2019. I look forward to seeing you all again in 2020. Special mention to Angelo Cuccovia, who won Best Clubman - Volunteer of the Year. Angelo is a tireless worker who puts in many hours for the benefit of the club.

I'd like to congratulate and thank 2 players who retired this year. Jack Perham and Sean Henson were not only great contributors on the field for East

Fremantle, both playing over 100 games, but were also solid citizens that would do anything for the football club.

Also departing for various reasons are Zac McCarrey, Andrew Stokes, Kim Schofield, Leon Pearton, Chris Scott, Fraser Daly, Dion Anthony and Jayden Schofield. I thank them all for the dedication and effort during their time with us.

Also moving on will be our Head of Strength and Conditioning for the past 2 seasons, Matt Riley. Matt has been with the club for many seasons, cutting his teeth at Colts before making his way into the Senior program. We wish Matt all the best in his new venture as well as the pending arrival of his 2nd child.

We also wish our outgoing Colts coach, Jacob Brennan all the best as he looks to further his coaching career in another role. Jacob has been with the Sharks for the past 4 seasons, firstly as a Line Coach at League level, then as the Colts coach the past 2 seasons. 2 players have been drafted from last year's squad with up to 6 likely to be picked up in this year's AFL draft. Not only that, 7 players over the last 2 seasons have played League

football. Thanks for your time with us, Jacob and we look forward to tracking your progress going forward.

One of Bill's statements all season has revolved around our supporters, players and staff going to the football every week thinking we can win. It is something we now believe. This off season and pre-season is very important for our playing group. We must catch up to the top teams in terms of strength and fitness. We must continually work on our skills and using the ball better. We'll look to add top end talent to the squad but we feel we have an emerging squad that can become a very good team.

2020 can't come around quick enough. Getting off the canvas was the easy part. Driving up from where we currently are will be a lot harder. The expectations are higher and the gap between us and the top teams still needs to be closed. It's a challenge we are all looking forward to.

2019 YEAR REVIEW - by *Matthew Jupp*

2019 was a year of change, new coach, new football manager and more importantly a new direction for the club.

It was my 10th year at the club and in that time we have struggled for sustained success, I am desperate to return to the top of the table and to play finals once again.

Upon meeting with Bill Monaghan he made it very clear to a group of Senior players that things were going to change and that our work ethic and behaviours had to change too. Put simply, we had not met the required standard for a number of years. We were well behind the pack. These words really struck a chord with me and I decided very early on in pre-season that I was going to put my ego on the hook and put complete faith in the senior figures above me.

I was personally challenged in the pre-season on my leadership style and the way I played the game. I'd need to make changes to my thinking if I was to be successful under Bill.

My game needed to evolve from being a dour lockdown defender, to someone that impacted all around the ground. It was a concept that I really struggled with at first. It didn't come naturally to me, to

leave my man free and impact a contest further afield, but it was what the team needed so I constantly worked at it. By round 1 I had finally understood the way Bill wanted me to play and from there I never looked back.

My game went from strength-to-strength each week, my leadership was improving, and I was starting to set good examples for the younger players, both on and off the field. Some things that really helped me included; watching vision, extra conditioning and weights training, an attitude change to my preparation and a newfound level of confidence.

Once I got to round 6 I was confident and comfortable with my game. I started having a greater impact on the game through intercept marking and rebounding from defensive 50. My intercept marks and intercept possessions became a key part of my game.

Some of the highlights;

- Our drought breaking win against Swan Districts. The team song that day was one of the best I have ever been a part of.
- I played my 100th game for the football club, something I'm extremely proud of.

- Playing alongside my good friend Blaine Boekhorst after he did his knee early in 2018. We have been playing together since we were 6 years old, so it was good to continue the tradition.

- Chairing off my cousin Jack Perham in his final game for the club, a moment I'll forever cherish.

Although we didn't achieve all we wanted on the field, we achieved so much off it. The culture of the club has taken a massive turn for the better, it's a more enjoyable place to be and one I'm proud to be a part of. We have a crop of young players that have been successful at Colts level and our Reserves went through to a Preliminary Final. This is not a feat to be underrated, it gives great hope for the coming years.

I was humbled to win the Lynn Medal and upon reflection I will cherish this year and that night for the rest of my life. I am not a player that plays for these awards, I am driven by team success and premierships and I genuinely believe success is not far away.

Onwards and Upwards.

OUR PHOTOGRAPHERS

A big thank you once again to Phil Elliott (Pixell Photography) and his sidekick, Justin for all their work during the year. Phil takes hundreds of photos on match days; they travel to all games from Mandurah to Joondalup and everywhere in between, rain, hail or sunshine, wins or losses, and the Club couldn't be more grateful! He is always on hand to snap those action shots, spectator photos, guests at our luncheons and special club events.

All the photos provided for the Annual Report have been taken by Phil who is always willing to help out.

Thank you once again Phil.

EFFC Facilities Update -Annual Report 2019 Season

- John Ipsen -Director of Strategic Projects

East Fremantle Football Club (EFFC) staff and Board continue to gain traction around finding certainty for our future facilities, as we believe we are much better situated now than where we have been in recent years. We continue to regularly engage with key stakeholders and influences around progressing our clear aim of having new facilities for our great club.

This year has been no different in that our focus and commitment to new facilities has been maintained. What has become reality, is that this is not a quick process and we are certainly at the destiny of others when it comes to developing and funding new or upgraded facilities. Whilst this has been a somewhat slow and at times a frustrating process, we are very comfortable that the club, as a result of our involvement in the processes, will eventually achieve a positive outcome.

Our current facilities, like our great club, are not getting any younger. Attracting people to our club and the continued costs of maintenance are certainly key issues that we need to constantly address. The EFFC and the Town of East Fremantle (TOEF) together maintain the facilities and surrounds. Strategies to achieve a medium term and sustainable refurbishment of the EFFC facilities continue to be developed.

East Fremantle Oval Precinct

Any refurbishment/ construction of new facilities at the East Fremantle Oval precinct will need to be funded from sources outside of EFFC and this is the major focus of EFFC to determine the reality of whether this is achievable.

We are in regular contact and are currently in discussions with the TOEF on their vision for the Club, our facilities and surrounds. In late 2017, the TOEF commenced an **East Fremantle Oval Precinct Redevelopment Masterplan** to which we are key stakeholders and this process was completed in late 2018. The Masterplan for redevelopment was approved by the TOEF earlier this year.

As a result of this, the TOEF undertook a **Public Comment** process to which the EFFC had significant input into the plan. We were very grateful that we were able to participate and we believe the positive outcomes were certainly due (in part) to our feedback and commitment to the process and the subsequent project. The

positive outcome of the Public Comment process instigated an **Investment Logic Mapping Workshop (ILMW)** which was held in late October. The EFFC was represented at the workshop (as a key stakeholder) and the outcome of this process will hopefully be made public by our AGM.

The purpose of this workshop was to develop and agree to a scope of works and a brief for the proposed **Business Plan**. Any major development/ refurbishment requires a detailed Business Plan (Bankable Study) so as to allow for significant investment. It is our understanding that the Business Plan will be completed and approved by late 2020.

Whilst this process is slow, it is a necessary one to ensure we have a genuine and tangible plan to build a suitable facility that will last for many years to come.

Strategic Projects

This year we saw the introduction of the new **Western Australian Women's Football League**. EFFC were awarded a license and we fielded three sides in the new WAWFL competition, being Youth, Reserves and League. All sides made the finals and our League team won the inaugural WAWFL Premiership against Swan Districts.

One significant outcome of this new WAWFL was the need to upgrade the shower blocks in the home, away and umpires changerooms. These refurbishments were completed in March at a cost of \$65,000. Funding for the upgrade and maintenance repairs came from the TOEF, the WAFC and EFFC.

Additional refurbishment in 2019 included the upgrade to the coaching tower where we provided self-locking metal frame doors and CCTV security. This was done at a cost of \$18,000 with funding coming from the TOEF. Another major task undertaken in 2019 was maintenance of the roof in the members stand at a cost of \$30,000. The TOEF and one of our major sponsors covered the costs of these repairs. We also replaced 18 LED lights in the Light Towers throughout the season. These refurbishments were also made possible by our valued sponsors.

Most recently we had the launch of the EFFC **Physical Environment Upgrade**. A nine-page document on recommended upgrades and improvements was completed with the clear aim of improving the physical outlook of buildings and surrounds. Further information and hopefully finished results will be available at the AGM.

LEAGUE COACH'S REPORT

- Bill Monaghan, Senior Coach

Season 2019 has come and gone quickly and hopefully people can see the positive changes that the club and the football department have implemented.

Early on, after getting to know the lay of the land, we made significant and necessary changes to our list plus losing Jonathan Marsh to Richmond then St Kilda, Shaun Henson to retirement and Jayden Schofield and Dion Anthony leaving during the season.

Those changes impacted our experience however it gave great opportunity to a raft of youngsters within our squad to showcase their talent. Ambrose Ryan, Milan Murdock, Kyle Baskerville, Tom Bennett, Tom Monaghan and Michael Tassone all played regular league footy and Tim Bockman, Cam Davidson, Max Murphy and Brynn Teakle showed enough in a handful of games to give all supporters a sign of what is on the horizon.

Our recruiting was positive with Morgan Davies and Kody Manning having strong years after settling into a new club. Blaine Boekhorst returned from an ACL surgery and got better as the season progressed and would expect he will improve further in 2020.

We also made significant changes in the way we played the game and whilst it only resulted in 5 wins we are well advanced to fulfil our expectation to play finals footy in 2020. After a shaky and disappointing start, where we found ourselves 0 and 5, our new-found resilience, belief and increased work rate saw us turn that around to win 3 of our next 4 games. Although the win column didn't increase significantly we were able to be very

competitive for the remainder of the year.

Whilst that improvement was welcomed and appreciated by our members and supporters, it isn't a result that the coaches and players are satisfied with. With further advances with our standards and behaviours the expectation to excel is high amongst the group.

In short, we improved by about 6 goals per game and I truly believe there is much more improvement in us with another preseason to understand and refine our game style as well as make much needed gains in strength and conditioning in what is a very young squad.

The leadership group played a critical role in the cultural and behavioural shift. Their support of the game plan and coaching group was outstanding and it was their own personal growth, setting of standards and lifting expectations that was most rewarding. I'm extremely confident that the whole playing group under their leadership will attack Season 2020 in a Professional, Uncompromising and United way.

I am very grateful for the support and friendship of the coaching staff. Paul Sanzone and Craig Smoker were critical in implementing the changes we made to our playing style and their knowledge and personalities have had a huge influence on the playing group. Bradd Dalziell moved from midfield to forwards and had an inexperienced group to work with but the work he has done will bear fruit soon.

Larry Cavallo, Brenton Miller and Louis Cronan worked hard in new roles as development coaches and that is a program we can continue to refine to accelerate the

development of our young talent.

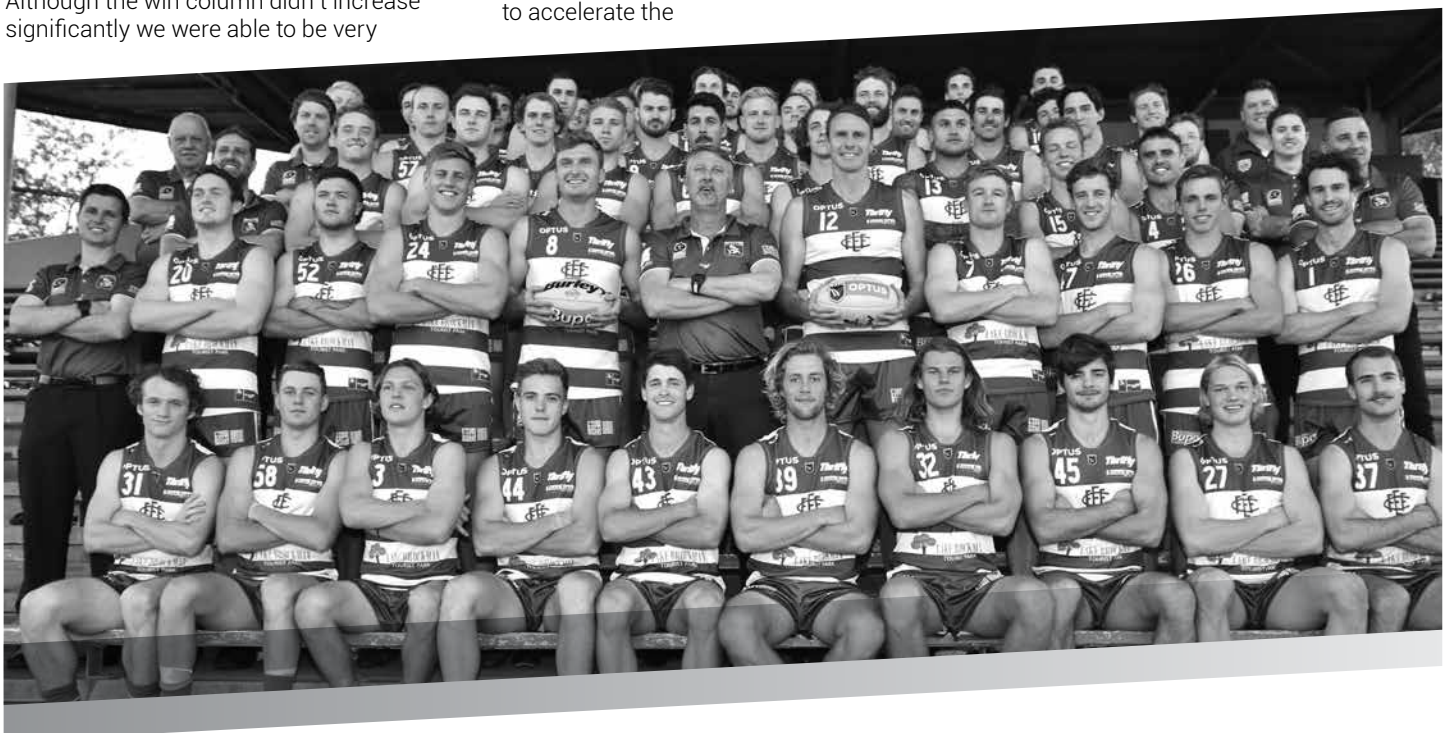

My appointment coincided with that of Brad Dodd as Football Operations Manager and it was fantastic that our vision for improvement aligned. I thank him for his support, knowledge and passion.

A very big thankyou to the plethora of support staff who have welcomed me into the Shark Family and played their part in getting the teams out on the field each week. Without your dedication and passion for the club the players can't do what they do. A special mention to outgoing S&C coach Matt Riley and we wish Matt all the best with a new career and young family.

As a club, we have had a very successful year with our Reserves reaching the Preliminary Final, our women winning the inaugural WAFLW Premiership, 11 young men representing the state in the National U18's carnival and a successful Futures (formally U16s) program. Hopefully we can build on these successes in season 2020.

Congratulations to Matthew Jupp on winning the Lynn Medal. It was a pleasure to see Matthew not only take his football to a new level but also grow in his leadership. Matthew is as passionate about the club succeeding as anyone and thoroughly deserved to take out the Lynn Medal.

I look forward to the support of all our members and sponsors in 2020 as we work hard to get the club back to where we all want it to be.

OUR CHAMPION MEDALLISTS

LYNN MEDALLIST

MATTHEW JUPP

Matthew has been a staple for the East Fremantle defence since debuting in 2013. Usually a dour defender, Matthew took his game to another level in 2019. Leading the team in Intercept Marks, Jupp averaged 14 disposals and 5 marks, often pitted against the opposition's best forward. At times he was matched up on Tyler Keitel, Andrew Strijk, Michael Bennell, Tom Lee and Mason Shaw. A permanent fixture in our leadership group over the past few seasons, Matthew was a thoroughly deserving Lynn Medal winner for 2019.

HENRY JEFFERY MEDALLIST

MATTHEW BURTON

Matthew was able to play 19 games this season, the most games in a season since Colts in 2016. He played 18 Reserves games and was ultra consistent, averaging almost 18 disposals and laying 104 tackles for the season. In 3 games this season he had 10 tackles. Late in the year, Matthew started to hit the scoreboard, averaging a goal a game over the last 6 games. Matthew will be looking for another big season and pushing his name forward for League opportunities in 2020. Well done Burto on a great year and being a worthy Henry Jeffery Medallist.

LEN ANDERSON MEDALLIST

MICHAEL WRIGHT

Michael Wright Jr was a runaway winner in the Colts Best and Fairest, taking out the Len Anderson Medal. Playing mainly as an Inside Mid, Michael averaged 17 disposals and 5 tackles across 15 games in 2019. A hard working, hard running player, Michael kicked 9 goals for the season. A product of Chapman Valley, where he played in the 2019 GNFL Colts Premiership, Michael will graduate to the Senior squad for 2020.

RESERVES REPORT - Larry Cavallo

2019 a new era and a new beginning! A new head coach, new assistant coaches and a new Football Operations Manager, gave all the players a fresh start.

With my appointment as head of development along with the role of head coach of the Reserves, I knew 2019 was going to be challenging amid the disappointment of the past few years and the lack of success.

How things can quickly change in the space of 12 months; after finishing fourth at the end of the home and away series the reserves were onto finals with all game's sudden death. Winning the first two finals convincingly gave the team great confidence going into the Preliminary Final at Fremantle oval, where the side had not been beaten all year and where our highest winning and scoring margins came from. Unfortunately, not meant to be as eventual premiers West Perth were too good on the day. End result a fantastic opportunity was given to the participating players in experiencing finals footy and it will give them great confidence as they turn towards 2020.

Congratulations to the 7 players who made their League debut in 2019 along with the 5 others who made their League debut for the club.

Thank you to the 55 players who pulled on a Reserve's jumper, your effort and willingness to support each other coincided with our theme "enjoy each other's company and have fun". A big thank you to Jimmy James Harold who announced himself as captain and leader of the Reserves; James on-field performance as a leader had a telling effect on the overall performance of the team!

Special mention to Jack Perham on his wonderful career at the club and to his valuable leadership as he finished his playing days helping the Reserves. A constant voice and support to the younger players this season and over the years. Thank you and best wishes for the future.

Congratulations goes to our award winners with Matthew Burton taking out the Henry Jeffery medal, James Harold runner up, Jesse Adamini third along with Corey Robinson fourth and Brynn Teakle rounding out the top 5 award winners.

Congratulations to Matthew Jupp on winning the Lynn medal and Michael Wright Junior the Len Anderson Medal. Well done to each of you on your season and let's build on your individual success as we strive for continual improvement in each one of us!

Special thanks to the following, Brad Dodd in his role as Football

Operations Manager for my appointment and for the support he provided myself and all of us throughout the year. Brad filled several match day roles for the Reserves and Colts with great affect. I thoroughly enjoyed your approach and sense of humour!

My development coaches; Louis Cronan, Jonathon Griffin and Brenton Miller, it's been very enjoyable working alongside you. Your enthusiasm, your passion and desire to see the players improve has played a big part in the overall success of the team. Outstanding effort!

Our senior line coaches Paul Sanzone, Craig Smoker and Bradd Dalziell for their support and mentoring of the Development Coaches in their respected lines to the very end. The solidarity and unity goes a long way!

Our team managers Uldis Zile and Bruce Gaskin for their invaluable support on match days along with Matt D'Aloia (S&C and rotations coordinator for the Reserves).

Daniel Richards our Mental Health and Awareness Officer along with our Chaplin, Charlie Ricciardo for the support they provided the players. A big thank you and never underestimate what you offer the group!

Brenton Boddington and Hannah Lewis, our sports science team for their outstanding work and support throughout all the programs. Nothing short of amazing!

I would also like to thank our S&C team Matt Riley, Shannon Bradshaw along with our club doctor Ben Grant, Physio Nick Krummenacher and all the trainers led by Kayleen Russell for their professionalism and hard work. Very much appreciated for all your

efforts!

Our Property Stewards Harry, Ross, Starky and Nathan excellent job and thank you for the laughs.

A big thank you to Todd Shimon our CEO and the board led by our president Mark Stewart for continually giving their outstanding support to the coaches and players.

Once again to the legendary Past Players, the backbone of the club; a magnificent effort and congratulations to Angelo Cuccovia the 2019 Best Clubman and Volunteer of the Year award winner.

Finally, I wish to thank Bill Monaghan for his support and assistance throughout the year and especially during the finals. No Reserves team can ever operate without the foundations laid by the league head coach. Bill worked tirelessly to lift the standards, behaviours and overall ability for the league and reserves to compete against the best teams. Outstanding first year at the helm in what you achieved!

To wrap it up, the club made valuable inroads towards building a culture and lifting the standards required to be successful. A lot more work to do and if we can take the word culture and define it simply; we can claw it back to "doing what is required and more by each and every individual when no one is looking"

Bring on 2020, a year where we as a club must strive to have all grades playing finals football.

COLTS REPORT - *Jacob Brennan*

Foundations for the East Fremantle Colts 2019 season began in November 2018 with plenty of eager young men ready to forge their footballing path at Shark Park.

Unwavering commitment from the players throughout the summer months set them on a path to achieving their goals in 2019. Assistant coaches Adrian Ricciardello, Andrew Stephen and Marco Paparone were tireless with their support of the players and gave everyone a chance to grow.

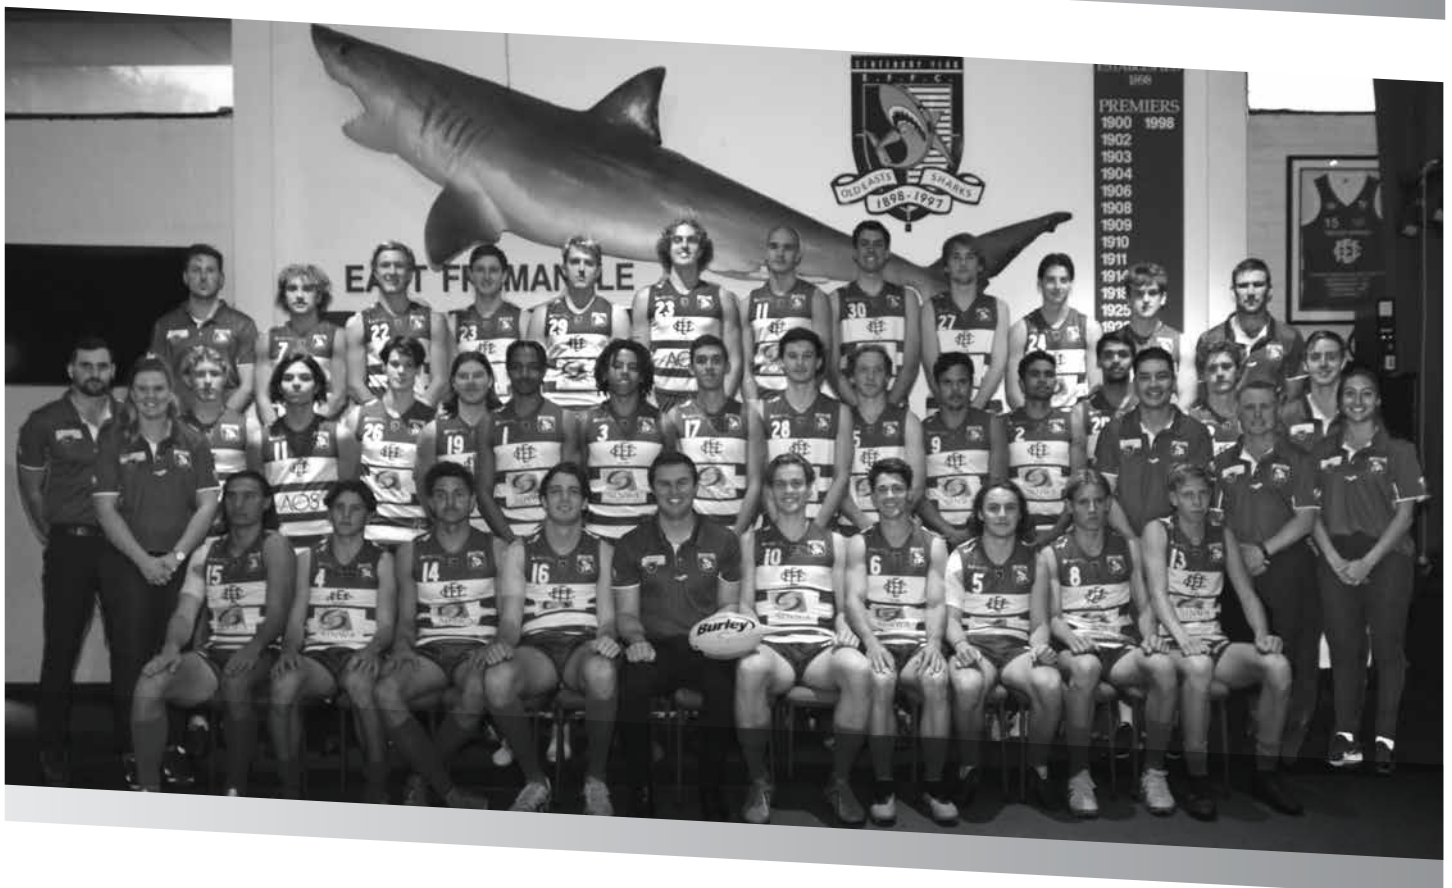

Personal growth as a footballer, and also as young men, is important in any Colts program and it was fantastic to see a number of players take true ownership in their football careers by seeking the support of the coaches through the year.

As a collective group we may not have achieved our goals for the year 2019, however we had some fantastic individual successes. East Fremantle represented 11 of the 40 players in the Championship winning WA State 18's squad. 3 players were selected in the All Australian team for 2019 - Luke Jackson, Jeremy Sharp and Trent Rivers. Those three along with Jai Jackson, Trey Ruscoe and Chad Warner were invited to the National Combine and all represented themselves, and the Football Club, with distinction.

Successful programs can only be run with plenty of support. Paul Hansen, Mick White and Brenton Boddington were always there to lend a hand to the Colts program in many different capacities and the support from the Senior program, including Brad Dodd and Bill Monaghan, allowed us to all learn and constantly challenged our perceptions of a successfully run Colts program.

Huge thank you to the Past Players & Officials for their continued support to the Colts program. We are forever indebted to them for their hard work and burgers after every game.

Thank you to CEO Todd Shimmon, President Mark Stewart and the Board, for their constant support. Finally thank you to my family and partner Alana for their support of me and the East Fremantle Colts over the last couple of seasons.

1979 Premiership Reunion

- Bob Uittenbroek, Director, Special Projects

(Sponsored by Kevin's Water Cartage)

On Monday 3rd June 2019 (WA Day), the 1979 League Premiership team celebrated their Grand Final re-union as one of the greatest games in Club's history, when East Fremantle 21.19 defeated South Fremantle 16.6 in front of a record crowd of 52,871 packed into Subiaco Oval.

18 out of 20 players were able to attend, along with Coach, Brad Smith - what a terrific effort, with the boys able to re-live and celebrate the occasion some 40 years later - it seemed like it was only yesterday!!!

Unable to attend were Mario Turco (who was overseas) and the late Ken Judge. It was however great to see Annette Judge in attendance.

During the luncheon (which was attended by more than 280 people) the players and Coach were presented with replica WAFL Premiership Medals supplied by Club Sponsor, Brad McHugh, noting that up until 1980, the WAFL did not present Premiership Medals to players.

A big thank you from the Club for Brad's initiative which was well received by players and the Coach.

On the day, well over 5000 people were in attendance for the Derby clash at New Choice Homes Park (East Fremantle Oval) which was televised live by Channel 7.

There was non-stop entertainment for children and families at quarter, half and three-quarter time with a sea of people having a wonderful time on the oval.

Football on the day was also of a high standard, with the Sharks going down to South by 17 points in the Colts, getting up by 2 points in the Reserves, and after a close game in the League (South up by 1 point at three quarter time), going down by 32 points with a strong final quarter by South Fremantle.

WAFL football was alive and well.

It was a fantastic day.

These events don't just happen.

We must thank our organising Committee (CEO Todd Shimmon, Tony Buhagiar, Rod

Thanks Kevin.

As Chairman (Director), I was extremely pleased with all the effort put in by the Committee, Coaches, Football Department, bar staff, office staff, Past Players Association and many other volunteers, both on the day and beforehand.

To our hardworking CEO, Todd Shimmon for his work in putting everything together, very well done.

The next challenge will be in 2029 when we celebrate the 50th 1979 Premiership re-union.

MATCH DAY FOOTBALL LEGENDS

In 2000 the WAFL initiated a special match day football programme. Special footballs were to be made produced and used by clubs for their home games.

These footballs depict a player chosen by the club and considered to be a club legend.

East Fremantle's Match Day footballs are on display in the Centenary Cabinet in the Function Centre.

The 2020 Match Day Legend will be **TONY BUHAGIAR**

A pint-sized rover, he made his senior debut for West Australian National Football League club East Fremantle in the earlier 1970s as a free-spirited 16-year-old. By 1979 he had become a premiership player, represented Western Australia at state of origin and gained All-Australian selection.

He made his East Fremantle League debut on 28th July 1973 vs West Perth

EF District Football Report 2019

- Tom Atkinson, WAFC Clubs and Competitions Manager

The East Fremantle District encompasses all aspects of the game including Auskick, Junior Football, School Football, Female Football, Senior Football, Coaching and Umpiring. Our success ultimately comes down to the large amount of hard work of all our volunteers and stakeholders who continue to grow the game within the region. In what again has been another huge year of football in the East Fremantle District in 2019 our team here would like to thank the following people involved in the district for their assistance over the past 12 months.

Firstly, to our Junior Competition Council, comprising of Competition Director: Anthony Doig, Assistant Competition Director: Helen Hunter, Registrar/Treasurer: Susan Cassidy-Parker and Umpire's Manager Dave Gaynor. Thank you for the countless hours and late nights you have provided once again continuing to oversee the junior competition. The work that you do to ensure our competition operates smoothly is second to none.

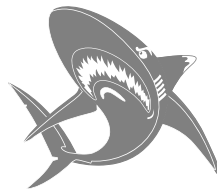

To the District Chairman Geoff Wolfenden and East Fremantle DFDC members Neale Johnson, Lynette Smith, Kim Beasland and James Della Bona. Thank you for your commitment and ongoing support as we continue to grow football at grassroots level in the East Fremantle district. The ongoing success of our participation programs is again a testament to the quality of people who comprise our District Council.

A big thank you to Todd Shimmon and the team at the East Fremantle Football Club who have been a fantastic supporter of the District once again. A special mention must also go the East Fremantle Past Players, who always lend a helping hand at gala days, Grand Finals and numerous other events that the district runs across the year. It is very much appreciated. We look forward to continuing this relationship in 2020.

We also thank our departing District Officer Mitch Harvey who did a wonderful job over the last 2 years building grass roots football in the East Fremantle District. Mitch's professionalism was second to none and he has been rewarded with a move to the Fremantle Dockers in a community development role. Mitch is replaced by new DO Jaxon Liddel. Jaxon is not a stranger to East Fremantle having been active in local school footy programs

and clinics for a number of years as well as coordinating our AFL 9s and AFLX programs since 2015.

Finally, we would like to thank our major stakeholders, our junior and senior football clubs and their committees, participants and supporters for making 2019 another hugely successful season. Running a football club is not an easy task but with the fantastic volunteers currently involved at club level all participants are provided with the best opportunity to develop along the football pathway in the East Fremantle district. Here's to a great 2019 and hopefully an even better 2020!

PAST PLAYERS ASSOCIATION

- Noel Ireland

In this my first report as your President, I would first like to thank Mick Jez for his outstanding leadership over the past fifteen years and his support during this year. Our association would like to acknowledge the generosity of our sponsors Construction Skills Training Centre, Malaga Print & Copy, Top Cut Foods, L M Poole & Co - Electrics and Signpost.

Thanks again to our Patron, Matt Gill and Vice Patron, Angelo Cuccovia, your continued support is greatly appreciated.

Sadly we must report the passing of our Life Member and staunch supporter in Len Anderson and we extend our deepest sympathy to Len's family.

While we did not have any major projects this year, the committee were very active with the catering of Colts breakfasts on game days, the junior grand finals, Amateur grand finals, the development squads and school holiday clinics. We also prepared and donated breakfast to the Motor Neurone Disease annual car rally. The Christmas cake raffle that was again made and donated by Mrs Vi Fairclough, enabled us to also donate \$750 to the Motor Neurone Organisation. Our sincere thank you to Vi and congratulations on your Ninetieth birthday.

Although there were no major projects we carried out many minor ones, which paid for improvements around the club to make amenities better for all our

members.

Congratulations to Trevor Jennings on his Life Membership, Trevor has worked with past President Mick on the major projects over many years.

To our ladies committee, well done for the excellent afternoon teas on match days. Sadly support from members has dwindled and we will have to look at this to see if it should be continued. It is a lot of hard work for the ladies and without support from the public it does not seem like a viable service in the future.

A big thank you to Colin Retallack and Harry Bovell for their continued assistance with our catering arrangements. To a new helper in Russell Thompson who made himself available on our biggest day, thank you.

To all those generous members who donated drinks and food for our half time match day get together's with our visiting teams, this is greatly appreciated by all those present and helps significantly towards our financial balance.

Our partners in assisting the club the "Grey Group" once again well done and we are also grateful for the work that you do around the club.

To Todd Shimmon and his staff and the directors it has been a pleasure working with

you all and long may it continue.

2019 has seen a gradual improvement on the football field and under Bill Monaghan's guidance there has been a greater player commitment and focus on team work and playing for each other. Success on the field is now looking more positive and this will help in improvements in the club and Past Player memberships, so let's all get behind them.

I would like to thank my committee for their assistance and support in this my first year as your President. I am purposely not going single out any individual as it has been a team effort and I certainly could not have carried out this position without your combined support and at times guidance so to you all a big well done from me. A major emphasis for the future for our organisation is to recruit new and younger blood to our committee. Half of the committee is in the eighty plus age group and obviously cannot go on forever, so please give some thought to joining us.

In closing I wish you all the best for the Festive Season and may we all have a successful and healthy 2020.

Bill Cromwell and former PP&OA President, Mick Jez

WOMENS FOOTBALL - *Darren O'Donnell*

East Fremantle Women's Football Club was this year granted one of five licenses to compete in the new WAFLW competition and after a strong season our League team is the inaugural 2019 WAFLW Premiers.

The league team finished 2nd in the regular season and by playing their two best games of the season beat Subiaco in the 2nd Semi-final to advance to the Grand Final where they defeated Swan Districts by 23 points. Our Reserves once again demonstrated the depth of our club, performing well all year and eventually losing the preliminary final to eventual premiers Claremont. After a lot of injuries through the year our Rogers Cup youth girls finished 4th and lost the first semi final to Subiaco.

Our Awards Night was held on Saturday, October 5th with Life Membership awarded to Narelle Scott and Legends status awarded to Stephanie Walding. League Fairest and Best had joint winners with Ashleigh Atkins and Sharon Wong taking out the medal. Torrie Revell took out the Reserves Best and Fairest and Abbey Amaranti won the Youth girls.

East Fremantle were the only club to have all three teams in the finals and this success was driven by a dedicated group of skilled volunteers who work tirelessly

to make the Club, in my opinion, the most professional well run club in the competition. Our Football Department was led by Steph Walding who has built a quality football support team, working to professional standards. Players have certainly noticed the difference in the support they receive and the expectations placed on them, and this has translated to results across the Club. In 2019, the football department consisted of:

Football Manager: Steph Walding

Head Coach: Nikki Harwood / Reserves Coach: Chris Boulay / Rogers Cup Coach: Steph Walding

Assistant Coaches: Jo Beechey, Simon Quayle, Elly Lambkin, Will Dawson, Steph Wills, Gabby OSullivan, Damian Hodge and Ross Cleaver.

Player Welfare Manager: Anna Griffin

Team Managers: Janet Seth, Bo Olszewski, Michelle Tousaint and Glenn Congdon

High Performance: Matt D'Aloia / Strength & Conditioning: Prue Dalton, Gabriel Leone and Andrew Wishaw / Sports Trainers: Ashlen Fry and Eva Keating

For a football club to achieve results on the field it requires resources and these can only be provided by the generous support of our great sponsors. To our major sponsors The Left Bank, Petra Clean and

Parkwood Hardware your support has been greatly appreciated and has allowed us to remain the leaders in Women's Football. To our game day sponsors Jewellery and Gift Emporium, Bicton Shop and Wash, Red Rooster and Gary Richardson the players thank you for rewarding them for their performances.

In addition to our Club sponsors this year we endeavoured to find every player a player sponsor and while this was not achieved we had over 60% of all players sponsored which was up from 5% last year. Thank you to our player sponsors. A big thank you to the East Fremantle Past Players and Officials Association for their continued support of the EFWFC.

We are lucky to have a dedicated group of volunteers, in the football department, on match days, and those on our committee who work tirelessly all year to ensure that the club is well managed and promotes our values and culture. This year the committee was Darren O'Donnell (President), Emily Wise (Vice-President), Helen Hunter (Secretary), Fiona Lavell-Young (Treasurer), Janet Seth, Ben Manifold, Steph Sparke, Kate Inglis-Hodge, Kym Lavell-Young, Ian Small and Zoe Gillard. Thank you to this group, and to all those who make our great club better and better every year.

Inaugural 2019 WAFLW League Premiers

Great Northern Football League Annual Report

The 2019 season was a mixed year for the GNFL. We had a highly successful country week campaign from both our GNFL Men and our first ever GNWFL women's team, but we also unfortunately had a couple of carnivals fall over for various reasons.

The first real event of the season was the introduction of the proposed age change restrictions between the GNJFL and the GNFL competitions. This meant lowering the catchment age of Colts to include all year 11's, and introducing new rules around the permitting of players to the senior competition.

This change saw greater protection for junior age players being asked to play more senior games than is appropriate, however the greater restrictions resulted in some unintended consequences in other aspects of the competition.

As noted above, one of the carnivals to fall down was the Northampton Lightning Carnival. This was unfortunate as the carnival is one of the rare occasions when we get the entirety of the GNFL community in one spot at one time. Teams instead organised scratch matches between themselves, and other North Midlands teams.

The Competition started early this year, with a floating fixture between Rovers and Mullewa played 2 weeks before the start of the season. This fixture also included a ground swap as Rovers field had been significantly damaged due to Council works on the site, and the game was played in Mullewa.

In more positive news, the GNWFL was expanded to a 10 game, 6 team competition with the addition of Northampton and Rovers. The standard of play was taken to another level with another year of development under the belts of the players. Clubs reported great uptake in participation, with all clubs hitting the 35-registered player cap around June this year. The growth of this competition and the standard of player skill and behaviour cannot be overstated – it was a brilliant year and a huge success, and something the GNFL is immensely proud of.

Round 6 saw the WAFL Colts game between East Fremantle and Perth played at the GBSC, and was another great event. The East Fremantle side featured some 18 GNFL products in

the side, and the Perth side included some of their local products as well. The East Fremantle Colts boys attended an Auskick clinic the day of the game and were excellent with the kids, something I know the parents greatly appreciate. The GNFL could not speak more highly of the Colts, and would love to have this become a regular feature of our calendar.

The Country Week campaign(s) were huge successes, and really were better than we could have hoped for. The GNWFL attended their first ever Country Week, and placed second. This was an incredible result to be able to beat out a league like Peel, and to finish behind the South West, who have a much more established female football competition. GNFL Captain Erica Trotter was named the best in carnival, adding another feather to the GNFL's cap.

The men's country week, held a week later, was also a tremendous success. The GNFL went undefeated on day 1 and booked themselves straight into a grand final. We then played Mortlock on day 2 down in Peel and lost badly, but regrouped to hand Mortlock a heavy defeat in the Grand Final on day 3. The boys played incredibly well, and have booked themselves a spot back in A grade for 2020.

The JJ Clune medal night is an absolute highlight of our calendar, and this year was no exception. It's fantastic to see the people who make our game so great: players, coaches, umpires, club volunteers get the recognition they deserve, and let their hair down for a night of recognition and celebration.

The vote count resulted in our first tie in several years – Rovers gun Jaimon Alone tying with Northampton's talisman Kingsley Smith for the JJ Clune. Kingsley had an incredibly busy night, winning several other awards including Country Week Best Player, Coaches Player of the Year and Sport Shed Player of the year. Northampton's Julia Teakle, just 15, won the GNWFL Best and Fairest medal over Erica Trotter and Jessica Giudice-Nairn, who also had fantastic years.

In the Reserves, Rovers also came away with the Reserves Best and Fairest through Aaron McAuliffe, and Deltyn Jones won the Colts Fairest and Best. The Rising Star also resulted in a three-way tie, between Deltyn Jones, Denim

Ranger & Blake Messina. Deltyn and Denim play for Towns, and Blake for Railways.

The Grand Final was an excellent day for the GNFL, with huge crowd numbers hovering around 2000 over the course of the day. In the Colts, Chapman Valley were too powerful for Towns, and the Alan Cox Medal was taken away by Jack Carroll, our East Fremantle Rookie of the year as well. Congratulations again to Jack on his exceptional year.

In the Reserves we had a seesawing battle between Railways and Brigades. Railways came out hot and had the best of Brigades in the first half, but Brigades fought back and pulled away in the fourth. The GSAC Charles Comeagain Medal for the Best on Ground that day was awarded to Graham Sandy of the Brigades Football Club.

And in the League, we had Rovers and Brigades, a match that was tight early before Rovers flexed their muscles and started to run away with the game. Brigades were unable to stop Jaimon Alone, fresh off his JJ Clune win, who was dominate through the middle, as was the Geraldton Guardian Medal Winner, Fraser Daly, who controlled the backline and set up play brilliantly for Rovers. It was the Rover Football Club's first League Premiership in 19 years, and the GNFL congratulates them again on this incredible feat.

Bring on 2020!

EAST FREO SHARKS NETBALL

- Dee Boni

2019 was the inaugural year of East Freo Sharks Netball Club's 3 year WANL licence, a partnership between Fremantle Netball Association and East Fremantle Football Club in the Gold Industry Group WA Netball League.

As a new club we had the opportunity to set our values, and what we chose to stand for is Integrity, Community, and Excellence. These values come from inside us and are what we believe in, and we hold each other accountable to these at all times.

We could not have started a new club without the support of our sponsors. Our major Partners The Left Bank and Sports Centre were quick to get on board, and have been invaluable in helping us get on our feet. Their support and contributions have allowed us to keep our player fees to a minimum. Emmanuel College provide us with an extremely high quality training facility to train at, which we would not otherwise be able to afford. We would like to also acknowledge our Platinum Partners - Natrad Fremantle, and Jewellery and Gift Emporium for their generous contributions some of which being our players end of season Jewellery Awards.

One of this year's highlights has been the partnership with EFFC which has been amazing, the support and camaraderie has been enjoyed by both parties with our players going to some of the clubs football games and EFFC players and staff coming to our games as well as attending our Bogan Bingo fundraiser.

We were extremely lucky to land ourselves a high calibre coaching team. Our Head Coach Sue Gerrard is no stranger to the WANL system, having previously coached the Coastals open team. Sue was joined by Michelle Willsher as the 20U coach. Michelle has coached at WANL level for the last 9 years, and also brings a wealth of coaching experience.

For both the Open and 20U teams to finish the season placed third on the ladder in the first year of this club is testament to the hard work every player, coach and supporter put in.

Some player highlights this year include Katie Swetman and Courtney Kruta who notched up their 50th GIGWANL Open Division games, and Jess Penny, who played her 100th Open division game this year. We also had some incredible coaching achievements this season as well with Mel Rainey earning her Advanced Coaching accreditation.

Overall the Sharks have had an extremely successful first season and we are looking forward to 2020.
