# Our Champion Medallists

## *Lynn Medal*

### Rory O'Brien

Rory successfully fought off his brother Brock to win his third Lynn Medal after putting in yet another great season for us. As he lives and works in Mandurah he has to cope with extra travel and much time away from his young family to continue his football with the Sharks.

The count was exciting and the win greeted with much acclaim from his teammates and those who attended the function. It was a fitting reward for Rory's strong work ethic on and off the field and his additional role as Captain this year.

We congratulate and thank Rory for his work and hope he continues to enjoy his football with the Sharks.

## *Henry Jeffery Medal*

### Tom Hooker

Congratulations to Tom on his win. He is a product of our Junior Council coming from the Melville Junior Football Club to our Colts in 2009. He was a member of the 2010 Colts Premiership side and has some League games on his record. He now joins his father Rob (1982) on the Henry Jeffery Medallist list. A great effort.

We look forward to watching Tom as he continues to move forward with the Sharks.

## *Alan Trott Medal*

### Oliver Parish

Ollie began the season a little underdone after a few injuries and therefore started the count slowly. After Round 6 he was sitting outside the top 10 with only 23 votes. However over the next 4 rounds he polled in every game, totaling 122 votes, moving into second position.

From that point on Ollie performed consistently, polling in 9 of the last 11 games to run away to win by 85 votes. Ollie showed throughout the year that size counts for little if you have the desire and a willingness to compete.

Ollie has been courageous, disciplined and he showed signs that he is a student of the game, being able to read the play, position himself in excellent areas and use the ball well.

Oliver is able to play Colts in 2015 and we will watch his progress with interest.

*Congratulations to all our medallists*

# President's Report

by Con Tripi

Season 2014 draws to an end with the following highlights.

- Our LEAGUE side reaching the Preliminary Finals and our RESERVES boys making the final four.
- Four of our League players representing the state versus the NEAFL, Tom Howlett, Steven Dodd, Andrew Stephen and Jamie McNamara.
- Two of our Colts players in Tom Bennett and Jack Cripps representing being selected in the State 18's.
- The club thanks Steven Dodd for his outstanding career and service given to the club ending with 120 games and in 2012 the Lynn Medal.
- Also congratulations to Andrew Stephen, Mark Mc Gough and Brett Peake for reaching 100 games and Rob Young qualifying for Life Membership after reaching 150 game milestone.
- Captain Rory O'Brien again a consistently outstanding performer winning his third Lynn Medal.

Since 2000 the WAFL has celebrated a Legend from each club. The match ball is used at all home games throughout the season. Congratulations go to Harold Jefferys the Match Ball Legend for Season 2015.

To our clubs influential Patrons, I would like to express a thank you to our Patron Ken Judge

and Vice Patrons Tony Buhagiar, Merv Cowan, Len Hitchen, Richard Lewis, Peter Lynn, Arthur Marshall, John McGrath, Simone McGurk, Harry Morgan, Dean Nalder, Simon O'Brien and Glenn Sterle.

I personally would like to thank our No. 1 ticket holder, Director General of Department Sport & Recreation Ron Alexander for his time helping us with our sub-committee to pursue better facilities for the East Fremantle Football club. Thanks

to Ron we will continue to work with DSR and the WAFC to ensure an outcome in the not too distant future .

Our sincere appreciation and thanks to the hardworking Past Players and Officials led by President Mick Jez who continues to dedicate his time each season . We are blessed to have the commitment of this group of volunteers .

Also we appreciate the hard work and dedication of all our lovely Gray Power volunteers led by Gary Stockden. Their hard work and tireless efforts do not go unnoticed by everyone at the club, a huge thank you !

To our wonderful match day ladies how can we thank you ? Words are not enough for your home game afternoon tea, they are legendary in the WAFL !

A big thank you to all our coaches, headed by League Coach Steve Malaxos, Reserve Coach Michael Shanahan and Colts Coach Mark Foster. There is no doubt that stability is very important to ensure that we continue to build on the progress of our programs set by Steve as head coach. Successful programs driven by our qualified coaches will also enhance our ability to attract new and home grown players back to EFFC.

We have a lot to look forward to in the next season with our coaching staff developing many young players to consistently play at league level each week and working hard in the coming pre-season to give them every chance.

Thank you to Chairman of Selectors Kim Chatfield and all selectors, Team Managers and assistants for an outstanding season. All your efforts during the year have led to a great season of football in 2014 and will certainly have an impact for season 2015 .

To our professional and diligent support staff, our Trainers, Strength and Conditioning Staff, our Property Managers and all other volunteers who help our players take to the field each week. Heartfelt thanks for all your time and support, our club is blessed to have such dedicated wonderful volunteers that each week volunteer their time .

Thank you to Geoff Wolfenden, our District Chairman and Kane Benson, District Development Manager, Daren Bell, District Development Officer along with Helen Hunter District Administrator.

I would like to make special thanks to Mark Murphy, Chartered Accountant who has given his time in overseeing our club's finances

CON TRIPI, JOHN MCMANUS AND MARK STEWART DRESSED FOR THE ICE BUCKET CHALLENGE

and giving his professional advice to our CEO and Julie O'Brien.

Also a huge thank you to our Staff ! We have had fantastic feedback all year for our functions and events and your professionalism and organisation has been terrific. To Kate Argent , Judi Miles and Julie O'Brien my sincere thanks for all your hard work. Thanks also to Darryn Fry , our Football Manager for the great service and work in the football department , handling the enormous amount of volunteers from week to week . A special mention to two great servants who have been recovering from illness, Maureen Gathercole and Len Anderson .

Delaware Catering Services, led by their General manager Mark Adams have been outstanding with exquisite food and professional catering for our club throughout the year. We look forward to Delaware continuing their services for 2015.

Adam Kelly has been an inspirational CEO for East Fremantle Football Club demonstrating his skills with Business Development, Sponsorship and Community Engagement with many organisations. A passionate East Fremantle supporter along with his lovely wife Karissa.

To Karissa and family we wish you all the best and thank you for the support you have given to Adam whilst at East Fremantle. It has been an absolute pleasure to have worked with Adam for the last four years. Farewell and Congratulations to you on your next journey at SANFL.

I would also like to thank all of our many Sponsors for their continued support and the contribution they give each year to the East Fremantle Football Club , our Board will continue to engage with you and help you connect with our community organisations .

To my fellow Board Members who have served the club in a very professional manner , thank you to Vice President Mark Stewart, Bob Uittenbroek, Steve Miguel, Darren Gaspar, David Edinger, James Begley and John Ipsen . All have given their valuable time and have made a professional contribution to the club .

To my lovely wife Jennifer, thank you for your support over the last 12 years at East Fremantle Football Club .

A great feeling continues within the club as it moves forward with so many positive people influencing the club. I urge all members to stay on board as we will be rewarded with even greater success in the near future.

Finally I would like to take this opportunity to thank you all as members and wish all of you and your families a very Merry Christmas and a healthy , happy and prosperous 2015.

GO SHARKS !!!!!!!!!!!

# Chief Executive

"Welcome to our great Football Club".

These words were spoken by Edna Hitchcock at our first meeting on Saturday July 10th, 2010, the culmination of my first week at East Fremantle as the Club CEO and the first home game I was to enjoy during my tenure.

That first week and my induction to the Club exemplified to me the culture of care that the organisation was aspiring to have for its people and, in turn, that we were hoping our people would have for the Club.

Typically, the annual report is an opportunity to reflect on the year that was and provide some insight into the direction that we will be taking in the coming year. With this my final year as Chief Executive the reflection will at times look further into the rear view whilst insights into our future will be left to the highly capable people that we are fortunate to have leading and working at our Club.

There are many things in my life that I am grateful for and my experiences at the East Fremantle Football Club over the past four years will forever be remembered fondly and I take with me friendships which will endure.

Thank you to then President, John McManus, Vice Presidents Con Tripi and Mark Stewart, and Directors, Bill Withers, Bob Uittenbroek, Rod Cronan, Gary Stockden, David Edinger and Kim Barrett. These gentlemen provided me with the opportunity to serve the Club. I will be forever grateful for the faith that you placed in me and I know it was a significant decision for you to back in the boy from the Mallee in country Victoria.

Adding the other Directors that I have been fortunate to work with in the past four years; Ian Massara, Darren Gaspar, James Begley, Steve Miguel and John Ipsen, you have provided terrific support, leadership and friendship. The mentoring that I have received during my time at East Fremantle has played a significant role in framing my leadership thinking and equipping me for a career beyond East Fremantle.

To our retiring President, Con Tripi, congratulations on the significant contribution you have made to the Sharks.

Twelve years on the Board and the past three as President, Con is an outstanding leader who always acts in a manner that reflects his passion for the Club. Con backs his people to do the job that have been asked to do and provides supportive guidance. Con has earned the respect of all those who have worked with him. Well done Con, your positive contribution cannot be questioned.

# ve Officer

by Adam Kelly

To incoming President, Mark Stewart:- congratulations on this deserving honour. As with Con, Mark's passion for the Club is obvious. Mark is well placed to oversee the succession of culture at the Club and to continue our progress toward securing our facilities future along with our quest for ongoing success. Mark has always supported the investment that we make in our community and support for charities and causes and it will be good to see that continue.

The Club can confidently claim that we have outstanding people and that rings true for our full time staff and I thank them for sharing a positive work environment once again this season.

Darryn Fry, Football Operations Manager and Kate Argent, Business Development Executive, having completed their second seasons in their respective roles, are really shining bright and it is exciting for the Club to have two highly capable people who provide great examples of the behaviours that we value. Personally, I am looking forward to seeing both of your careers develop and progress; progression that I know when it happens will be well deserved.

Steve Malaxos has coached his fourth winning season at League level in succession, a significant achievement by any measure. Steve continues to strive for improvement and is unwavering in his desire for the Club to be successful. Stav, having seen what you have done in your endeavours to give the players the opportunity to be premiership players, I hope that we will get there soon and that you get to enjoy that experience with the playing group and those who have been supporting you through the journey.

To Julie O'Brien, we started one week apart and shared the journey together from 'newbies' to 'old hats'. It has been great to witness your development and see your new found willingness to explore change and develop.

Judi Miles has been a long time servant of the Club who continues to display her commitment and provide wonderful support of our history and tradition by keeping the operations

and Board connected with our members, past and present. The Kelly kids will particularly miss the lolly drawer.

Adding former Football Operations Manager, Damien Gaspar, I leave with respect for your positions at the Club and the contribution that you have made, but even more so, valuing your friendship, enjoying your camaraderie and appreciating your willingness to support each other.

Off the field, season 2014 was another positive one for the Club highlighted by:

The change to our playing Guernsey, inspired by the guernsey worn by the Club during periods of the 1970's and 1980's.

Four players being drafted to the AFL; Patrick Cripps (Carlton), Jarrad Jansen (Geelong), Aliir Aliir (Sydney Swans) and Jonathan Marsh (Collingwood).

The inaugural Club celebration of Harmony Week with a Harmony Day themed season launch versus West Perth.

Our Anzac Day home game and pre game commemorative ceremony.

The announcement of ATOM as our Oval Naming Rights Partner. The first naming rights partner at East Fremantle Oval.

The announcement of Copyworld and Retravision as Platinum Partners of the Club.

The appointment of Delaware North as our catering partner.

Our regional game in the Midwest in Round Two versus Subiaco supported by the City of Geraldton and Department of Sport and Recreation.

Our NAIDOC Week home game against Perth and the unveiling of our Guernsey which was designed by competition winner, Manisha Pillia from Rostrata Primary School.

The support of Batten Disease at our home game versus Peel Thunder on June 7th (A special thanks to Curtis and Luke Halley) and the retention of

the Bendigo Bank Cup. Considerable funds were raised on the day thanks predominantly to the generosity of Bendigo Bank, our playing group, staff, members and supporters. For more information HYPERLINK "<http://www.battens.org.au>"www.battens.org.au.

The outstanding success of the Great Gatsby Gala Auction, continuing the success of this event in recent years.

The support of charity partner, Motor Neurone Disease Association of WA, with the continuing commitment to the Kerry Coates/Joyce Allen MND Cup v Swan Districts, participation in the MND Walk to D'Feet, our on field ice bucket challenge and hosting the launch of the MND Drive to Albany from ATOM Stadium.

The commitment to the East Fremantle Football Club Reconciliation Action Plan.

The announcement of the joint investigation (City of Fremantle, East Fremantle, South Fremantle and Fremantle Dockers supported by the Department of Sport and Recreation and West Australian Football Commission) into the possibility of co-tenancy at Fremantle Oval.

A special thank you to all of our Corporate Partners for your commitment to the Sharks Circle. Your support allows the Club to continue to invest in giving our community the opportunity to participate in our great game and deliver programs that help them achieve their potential.

Our Major Partners; the Bendigo Bank, Titan Ford and ATOM (apologies our personal connection was short lived) have demonstrated how outstanding they are as organisations who are represented by high calibre, quality personnel who have embraced our Club.

It has been an absolute pleasure working with you all.

The Club has enjoyed a period of quality coaching, the results of which have been evidenced through on field successes and the drafting of East Fremantle players in the AFL.

In our Colts, Coach Mark Foster, has shown strong support for the changes that we have made to players progression through our talent pathway, which led to a younger, inexperienced Colts playing group playing in 2014. We have a strong belief in the changes that were made and look forward to the benefits that will be gleaned in future years. Well done Fos, keep up the good work.

Michael Shanahan, once again led our Development Team very well. Shanas has represented the Club very well in the past four years as Coach and been a great support of our League Program.

Our Development Team and League Team both enjoyed finals action in 2014. The Development Team were defeated in the 1st Semi Final but our League Team went one week further.

The final quarter performance in the 1st Semi Final at ATOM Stadium will live long in the memories of all those who played in the game and all of us who witnessed it. Facing a five goal three quarter time deficit against Swan Districts, our boys were stirring in the final term kicking nine goals and keeping the Swans goalless to run out 23 point winners.

Resilience has been a trademark of our playing group and that could not be better typified than the following week in the Preliminary Final. It was hard to appreciate amidst the disappointment of a five point defeat but with the ability to reflect what a remarkable performance that was.

Would another group of players have been able to keep persisting faced with the same set of circumstances? Our players could have fallen away declaring that it was just not our day but our team fought against those demons and were so very close to a Grand Final appearance. It was another performance to be proud of.

The evolution of our leaders, players and coaches continues next year, and for all of us preparing to support from outside the white line we can look forward with confidence in good coaches, good leaders and a strong playing list.

Congratulations to this year's Lynn Medallist, who is now a three time winner (and only the sixth player to have won three or more Lynn

Medals), Rory O'Brien, who was able to continue his high level performances in his inaugural year as our Captain. Rory provides an outstanding example to his team mates and young players in our talent pathway of what can be achieved through hard work and dedication.

The Runner Up, brother Brock O'Brien, is a remarkable story. Having played season 2013 at Pinjarra, Brock had only just advised of his intention to come back to the Club in 2014 when he suffered significant burns on the eve of the Lynn Medal in 2013. Whilst others doubted whether Brock could make a successful return, including me, Brock was rewarded for his commitment with his best season of football.

How pleased are we as a Club to have the boys O'Brien; very, very pleased indeed.

To the other major award winners; the Henry Jeffrey Medallist, Tom Hooker, whose persistence was rewarded with seven League games in 2014 and Alan Trott Medallist Oliver Parish, well done and we look forward to your continuing careers with the Club.

Steven Dodd announced his retirement after a remarkable career which included 119 League games with East Fremantle, 101 games with the Fremantle Dockers and the 2012 Lynn Medal. Well done Doddy, hopefully you can enjoy a pain free body for a while.

On behalf of the Club thank you to the East Fremantle Football District staff, District Manager, Kane Benson, Development Officer, Daren Bell, Administrator Helen Hunter and Chair Geoff Wolfenden, for the energy and enthusiasm that you have shown toward growing the game in our District and the support that you have given to the Club. On a personal note, thanks for the friendship and support.

Similarly to our Midwest Academy, Coach Craig Walker, Manager Mark Starling and wife Jo, GNFL Board representative and 'Midwest Mum' Heather Brett, Regional Football Development Manager Paul Pirrottina and Chair Jerry Dawson, we are fortunate to have you flying the Blue and White flag and again your friendship has been greatly appreciated.

LEFT TO RIGHT: MARK MCGOUGH, BRADD DALZIELL, ANDREW STEPHEN, RORY O'BRIEN, BROCK O'BRIEN, STEVE MALAXOS, ADAM KELLY AND BOB UITTENBROEK ON STAGE AT TROPHY PRESENTATION.

It is not possible to recognise all the wonderful people that I have worked with at the Club but to the Past Players, Grey Army, Mandurah Sharks, the fundraising and event committees, membership committee, District Council, Women's Football Club, Kart Koort Wiern, the GNFL, the WAFC and all the Clubs and Community Groups that we intersect, all I can do is thank you all for accepting me and the Kelly family into the Sharks family.

We have an extraordinary Club built by the people who selflessly give and do so with great care, pride and love. It has been a joy and privilege to share the workload with you all.

A special welcome to recently appointed Chief Executive Todd Shimmer, wife Leanne and daughter Ruby, I wish you all the best. Our members, staff, corporate partners, coaches, players and supporters can be confident in Todd's ability to lead the Club forward having achieved significant outcomes and successes at Claremont Football Club over many years.

One of my favourite messages regarding the East Fremantle Football Club was scribed by an unidentified journalist following the 1929 Premiership:

*"Sportsman true, and fighters to the last, each succeeding team and generation of players who have donned the blue and white livery [Guernsey] have inherited the characteristics of those whose places they filled. Steady as a rock, always well disciplined ... and with a quiet confidence in their strength."\*\**

It says a lot to me. The importance of the succession of positive culture; determination to persevere; leading and managing with an even hand and patience, and the ability celebrate your successes with humility. What I think that we have achieved is the restoration of our confidence as a Club which provides the strength to move forward.

And finally – To our Annual Report editor and Club Historian, Maureen Gathercole, you are a treasured gem!

Onward to Victory.

\*\*\* The quote used is from an article in The Daily News, Monday 14th October, 1929, written by "Kudex". It is a report on the 1929 Grand Final in which East Fremantle 8.22. defeated South Fremantle 5.9. (Annual Report Editor).

2014 has been a very exciting year for sponsorship at EFFC. For the first time we have partnered with an oval naming rights sponsor and changed the name of East Fremantle Oval to ATOM Stadium. We welcome industrial tool supplier ATOM, who will be a major partner for at least the next 2 years. ATOM are also committed to supporting our efforts in the Mid West Region and have become the naming rights partner for our Mid West Academy.

Thank you as always to our long running major sponsors Titan Ford and Bendigo Bank, who are now joined by ATOM. It is the fourth year of our Bendigo Bank sponsorship, and incredibly the 21st year of Titan Ford's support of the East Fremantle Football Club.

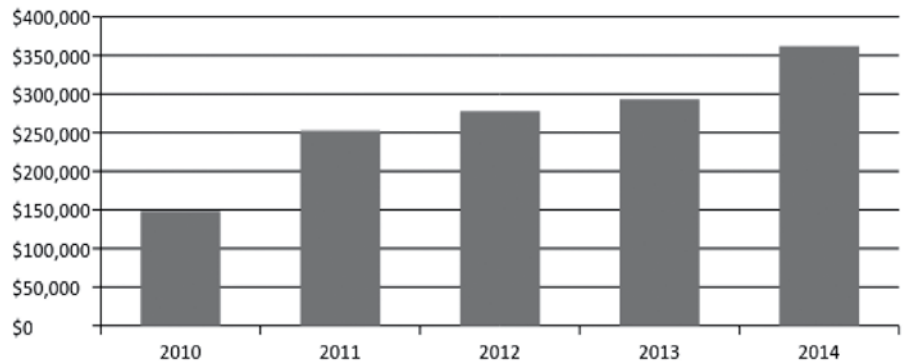

Earlier in the year, we added two Platinum Partners in Copyworld (photocopier suppliers) and Retravision (electrical retailer) who both now appear on the Sharks playing guernsey. Our continuing Platinum Partners The Left Bank, Melville Kia, Carlton Draught and Sign & Stripemaster continue to give significant support to the Club along with all of our Official Partners, who are listed in the middle of this report.

We welcome our new official sponsors and thank them for their support: Bupa (health insurance), Tec Sec (security systems), Highways Traffic (traffic management), Perna Engineering (steel fabrication).

This year we organised sponsors networking evenings, hosted by Copyworld and Bendigo Bank. These evenings were a great chance for our sponsors to find out more about each other and to strengthen the network between all of our corporate partners, including the corporate club members. Corporate Club is our entry level sponsorship, where you receive access to the sponsors lounge at every home game.

We continue working with our partners on how we can better help them to promote their businesses and to get the most from their sponsorship. The Club relies on the funds we receive from sponsors, and as ever, it is vital that we ensure sponsors are getting value from their investment in the Club. The Club strives to deliver value in a number of ways, including through branding, advertising, corporate hospitality, gaining access to new customers/clients or through meeting their community development aims, however the most direct way involves you: Please have a read through our sponsors list, and have a think about who you can support. Call them up or go visit them- just let them know

## Sponsorship

you're behind them, because we're all part of the Sharks' Circle.

As we wrote last year, we now have a full time staff member responsible for Business Development and Marketing. The investment we made into our sponsorship management is already beginning to show a return, with sponsorship revenues up by \$75,000 and a continued rise already locked in for 2015 when the full year for ATOM comes into effect.

While we now have a great group of engaged and committed sponsors, there are still plenty of opportunities for new Sponsors to come on board with the Club. Those who visited ATOM Stadium in 2014 will have noticed the new billboard signs on the Allen St side of the Oval. These signs give sponsors fantastic exposure both on TV and with the live audience. We are also looking for companies to partner with us for our community programs, such as the EFFC Development Academies (Metro & Midwest), Colts Program and our Reconciliation Action Plan. These programs provide an excellent way for businesses to work towards their Corporate Social Responsibility goals and to give back to the community. If you know any businesses that are looking to grow their business, gain new customers, or to give back to the community, please get in touch with Kate.

We cannot thank our sponsors and partners enough for their continued support of the Club. We wish you all the best for 2015 and look forward to working together for the success of your business and the Club.

What an incredible year we had. We kicked the year off with a new feature game day, when we celebrated Harmony Day on March 22nd. Harmony Day is a national day of celebration of all the cultures who call Australia home. Cultural performers including indigenous and bollywood dancers, African drummers and Chinese Lions entertained the crowds and taught the children about their cultural performance. Guests enjoyed foods from around the world at the International Food Fair and we were joined by representatives from Cultural Organisations in Perth, along with a very special guest, the Minister for Multicultural Affairs (and State treasurer) Dr Mike Nahan. We aim to make this an annual event, and hope to make it even bigger and better next year.

Round 2 saw us head to Geraldton to play our Country Enrichment Match vs Subiaco. Although we didn't come away with the win we were after, the trip itself was a success with players engaging the local community through taking training sessions with local students.

Our next big game was Anzac Day, where we hosted South Fremantle. We kicked off the day with a band (Pale Blonde Mexicans) playing on the Oval, and children's activities thanks to Active Games. This was quickly followed by Ladies Day where the Women in Football Committee hosted a Champagne afternoon tea for our sponsors and guests. This is a good point to mention the fabulous work done by Delaware, who have transformed our functions this year. We've received only positive feedback about the food and if you haven't tried it for yourself yet, book yourself into a President's Lunch for next year, or come along to member's night on Friday nights.

We again played Peel for the Bendigo Bank Cup in June, and are pleased to say we retained the Cup. We are also incredibly proud of our players and supporters who along with Bendigo Bank, helped us to raise over \$4,500 for Batten's Disease.

In July we became the first WAFL Club to trial Live at the WAFL, showcasing local musical talent in Custom Royal, who entertained those who stayed behind after the match. Keep an eye out for more post match entertainment in 2015.

Our final Home & Away home game vs Swan Districts coincided with the Ice Bucket Challenge, and after Adam Kelly & Kate Argent were challenged by MNDAWA, they

challenged the board members who dumped ice water on their heads after our big win. The board members challenged the players, who then passed the challenge on to Head Coach Steve Malaxos. It made for a great video which you can view on our facebook page.

## SOCIAL MEDIA & WEBSITE

Speaking of facebook, this year we cracked the 6,000 fans milestone, thanks to everyone who has joined our page and particularly those who interact regularly. We're currently the 2nd highest Club by facebook numbers, so still plenty more to aim for. Twitter also continues to grow - connect to us at @effc.

We launched a new professional looking website mid season, and continue to make improvements to it.

e-newsletter: The Shark's Circle continues to provide members and supporters with weekly updates on the club, match previews, team lists and event news. There are currently 2,200 people receiving the Shark's Circle. If you're not currently subscribed, contact [hadmin@effc.com.au](mailto:hadmin@effc.com.au).

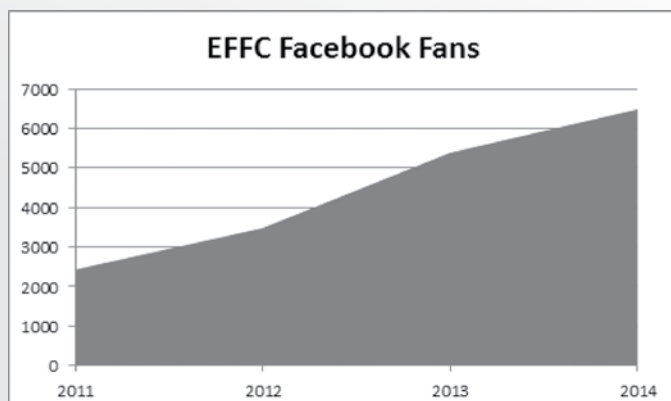

Events: This year the theme for our Gala Auction was The Great Gatsby, and we saw some incredible 1920s style outfits. We raised over \$70,000 for the Club, and we cannot thank our Auction Donors, Buyers and Attendees enough. Every year we are blown away by the generosity of the donors, many of whom are already Sponsors of the Club. We also could not make the night happen without the countless hours out in by our volunteers: Sonya Howard assisted with donor sourcing and event organisation, Julie Green, Jelena and Jeff Hillman, Paula Bresnall, Fran Cronan and Karen Young all helped on the night.

We celebrated not one but five Premiership Reunions on August 2nd, with players and officials from the 1974 Under 19s and League, 1979 League and 1994 Reserves and League teams. We were also joined by players from the PowderPuff Derbies held in the 1970s.

Our final big event as always was our Lynn Medal night, where Rory O'Brien joined an elite group of players who have won the Lynn Medal three or more times. It was a night for the O'Briens with Brock taking home second place. Thank you to Wynand Gouwns for putting together the vision for the night together, and for all his work throughout the year on player footage.

None of these events would be possible without the incredible hard work from our office staff Judi Miles & Julie O'Brien who put in a lot of work to make these events happen.

The Marketing strategy and initiatives of the Club have been transformed by our outgoing CEO Adam Kelly, whose strategic guidance, innovation and willingness to try new things has led to improvements in our marketing practices. He will be sorely missed but leaves a legacy that the rest of us are determined to carry on.

## MEMBERSHIP

During the 2014 season the club introduced some new innovations.

- **"The Shark Herald"** - a personalised newsletter incorporating the member's renewal account. We had many emails and phone calls from our renewing members commenting favourably on this publication.
- **Membership card** - Our new style membership card allows members instant discount on bar, food and merchandise purchases.
- **Jack Sheedy membership** - The membership committee made a special effort to sign up our 100th member recently. The Jack Sheedy membership has been set at 100 members at \$1000. The only time a vacancy will occur for this membership will be when one of our current Jack Sheedy members passes away. In this instance the next of kin will be given the first right of refusal.

People wishing to join this special membership will need to register their interest with the club and

when a vacancy occurs they will be notified.

A special function will be held early next year giving our 100 Jack Sheedy members the chance to meet our great legend Jack Sheedy who will be the special guest.

It is encouraging to see 174 new members this year but at the same time quite a number of previous members did not rejoin, so our membership total remains much the same as last year.

The membership committee again did an excellent job in attracting new members and conversing with existing members outside the main turnstile over 4 home games (they were ably assisted by injured players as available).

As reported last year aside from signing up members meeting the public at the gate is also a magnificent PR exercise not only for our football club but for the promotion of WAFL football.

Delaware North joined us early this year and are in charge of our food and drink operations. With pleasant and efficient staff looking after our

members, Friday night has seen an increase in patrons enjoying discounted quality meals and drinks using their new style membership cards.

## FRIDAY NIGHT JACKPOT

We recently reached a new high in this jackpot mounting to \$3,850, the winner being Noel Ireland the hard working Secretary/Treasurer of our Past Players organisation.

This jackpot increases by \$50 a week if the person whose name is drawn out of the barrel is not present. A good reason to come along for a meal and enjoy the company of other members.

The membership committee is now planning for the 2015 season and I would like to thank the following for their efforts during the year Kate Argent (Business Development Officer), Glenn Brown, Angelo Cuccovia, Jakob Culver, David Edmondson, Matthew Hankin, Shayne Hope, Ryan Miller, and Adam Kelly (CEO) and sincerely welcome past player Gavin Wilbraham who joined the committee this year.

As always the work done by our Membership and Communications Manager, Judi Miles and our Customer Service Administrator, Julie O'Brien is very much appreciated.

Also I take this opportunity to thank departing CEO Adam Kelly for his involvement in all aspects of the football club.

His work with the membership committee has been much appreciated, and personally, working in close relationship with Adam and experiencing his valuable and professional contribution on quite a number other of sub-committees and has been appreciated by all of us. His commitment to our club has been nothing less than outstanding.

We wish Adam all the very best in his new position as General Manager of Football at the SANFL. Members it is also pleasing to note that Adam took

**SPECIAL PROJECTS**  
**PREMIERSHIP REUNIONS**  
**- 1974, 1979, 1994**

What a busy lead up and what an enjoyable day for the large group of past players, support staff, officials and families involved with these Premiership teams. The teams celebrating and being acknowledged were the 1974 League and Fourths, 1979 League and 1994 League and Reserves.

The reunion was held on 2nd August and although the official function was an evening affair many of those involved came earlier and watched the Derby which unfortunately didn't match the 1979 Grand Final win.

Much effort went into locating and getting invitations to all those involved and the committee worked hard to make this a special day for all concerned.

As Chairman of the Reunion Committee I would like to record my appreciation to Matt Gill ( Secretary) and to all the hard working past players and officials of each of the years, who made up the reunion committee. They did an excellent job of locating former players and officials with only a handful of players who we could not locate. With 287 invitations sent out for the function it was encouraging to see such an excellent crowd of 230 attend this evening.

Also special thanks to the administration staff Judi Miles, Kate Argent and Julie O'Brien in putting this evening together, on the same day as the important Uittenbroek-Ciccotosto Derby.

Special acknowledgement to both Tony Buhagiar, from The Stables Bar in Perth and Graeme Wood from Treasury Wines, for their generous contribution. Also special thanks to our popular MC Brett Sprigg.

On the day the Main Social Hall was decorated with all 5 Premiership flags and the memorabilia cabinet given over to the trophies, jumpers, photos, newspaper cuttings and much more for all teams involved.

Special match jumper replicas for each year were on display for League team members to sign and special place mats showing Grand Final teams in playing positions were made for all 5 teams. These proved very popular and requests for particular teams were being received for some weeks after the function.

Players came from all around Australia and many brought family members with them. There were some great stories told and some emotional moments as special people, some no longer with us, were remembered.

The club has CD's available from all these Grand Finals at the special price of \$20. Unfortunately there was no video coverage of the 1974 Fourths Premiership.

Such reunions as this keep our history alive and allow current members to experience the tight bonds players in these teams make and keep and just love reliving those special days of their youth.

2015 should see reunions for the 1945, 1965 and 1985 teams.

.....

Members once again I thank you most sincerely for your support and contribution to our fine club and for the assistance many have given to me in carrying out my role at EFFC.

We have had a challenging year and know the years to come will bring more work and call for more support as we as a club continue to strive for success.

POWDER PUFF GIRLS

### WOMEN'S POWDER PUFF REUNION

The girls who were closely involved with East Fremantle Football Club in this time period and who had played in the Powder Puff Derbies during this era also enjoyed a reunion. Many of these girls were sisters, girlfriends or wives of our players and there was a real family connection. The Powder Puff games were played in the 1970's and were serious matches. South Fremantle girl Gloria Kickett apparently terrified many of the EF girls and really put them off their game. When she fell badly and had to be taken from the field by stretcher the EF girls brightened up considerably and went on to win that game. I wonder what the boys said about allowing a SF player terrify an EF player!

The reunion came about mainly through the efforts of Julie Green.

### W AFL RAFFLE

This year the WAFL Raffle is for the benefit of all 9 WAFL clubs. However it has been organised and managed by myself as coordinator and the East Fremantle Football Club. It will be drawn on the 19th December and the results published on 23rd December in the West Australia. All WAFL clubs have been selling tickets to members and supporters and tickets have also been sold in shopping centres throughout the state. We are hoping this raffle will raise necessary funds to benefit all clubs.

Although disappointing we missed out playing in a Grand Final it was a very successful year off the field.

Prior to the start of the season I commenced discussions with Mark Adams from Delaware North. Having dealt with Mark over a number of years I was confident after hearing of his appointment in a management role at Delaware North that he would be able to put together a proposal that would enable us to deliver to our members an excellent service in the bar and catering area of our club.

After strong negotiations between Adam Kelly and Mark, the Board was presented with a proposal which was accepted with a condition that the Past Players be able to continue as they have in the past. I'm sure most of us who attend the club on a regular basis will join me in thanking Mark Adams and his team at Delaware North for providing us with a first class service throughout the year.

The Auction again was a great success. The attendance was down on the previous year but the amount raised was up. We are fortunate to have a group of companies who not only donate items to be auctioned on the night, but who also attend and as in past years were the main bidders. I would like this year to mention following companies as well as thank all those who attended, donated and bought items on the night.

To assist in retaining the support of these companies I sincerely ask you, where possible, to support their businesses.

Organising the Auction to be a success requires staff and volunteers joining together to make it a successful fund raiser. Having a great team of people, as I have since my appointment as Fund Raising Director, is why events held at the EFFC are successful. A special

thanks to my auction committee Kate Argent, Adam Kelly, for their support.

I would like to thank Bob Denby, CEO of ATOM, and his team for coming on board as our oval sponsor. ATOM formally known as ATOM SUPPLY have been supporting EFFC since my appointment to the Board nine (9) years ago. Having had a business relationship with ATOM over the past thirty years I'm extremely proud to have them as our naming rights sponsor. The funds generated by having a naming rights sponsor is significant for EFFC and the club looks forward to assisting them in promoting their brand. May I suggest you visit their web site as they have wide range of products to offer most industries.

Our next Corporate Golf Day will be held early next year. This will be the sixth time we have organised this event and to date have raised in excess of \$100,000 for our club.

I would like to thank Adam Kelly and his staff for their hard work and our volunteers who provide their valuable time in a number of supporting roles throughout the club. To Mick Jez, President of the Past Players, a special thanks. Over the years I have been on the Board this fabulous group have dedicated so much of their time in raising funds and carrying out repairs resulting in saving the club a significant amount of money.

In closing I would like to thank our Members for their support and my fellow Directors who have worked tirelessly throughout the year.

Season 2014 has seen our Bendigo Bank Academy develop further with the youth being challenged to take the next step forward in their football careers.

Although our season in the Colts was not a great win loss ratio, there was a lot to be taken from the season.

With developing our young players for the next level, we have 35 players who played Colts this year who can play in the 2015 season with over 300 games under their belts, ready for a great 2015 season.

Thanks to Mark Foster our Colts Coach who has been reappointed for the 2015 season, also to the assistants Richard Hadley, Adrian Corriea, Daniel Spencer & Chris Basile, thanks for a job well done.

Once again Team Manager Len Anderson has done a great job. Also a big thanks to Wayne Glaskin, Bill Hale and Maureen Gathercole, for their work this season.

Our Zones are in a healthy state, constantly producing talented youth many of whom will develop into our senior players in time.

The Academy focus is always to be the centre of excellence and achieving the following:

- Optimize draft opportunities
- Produce 100 game players for EFFC
- Provide a path for coach development

We have seen results achieved in our Academy from our youth being trained at the next level to improve their skills and game play.

Our Academy development coaches and volunteers put in an enormous amount of hours from their daily work to train and develop Youth squads in our program set for the season.

Many thanks to our Football Manager Darryn Fry for a great job and to all Coaches who have participated in the programmes to date.

The 16s development side did a pre season at the start of January last year

and played their carnival in March and finished with a 3 – 3 record.

Thanks to the 16s:

- Head Coach: Troy Douglas

## GERALDTON SHARK PACK 2014

The 2014 Shark Pack squad was selected from players throughout the Midwest by Paul Pirrottina and Craig Walker who regularly visited GNJFL matches and took advice from GNJFL board members and coaches at GNJFL affiliated clubs.

Schools throughout the Midwest were also contacted including those in Mullewa and Yalgoo to determine if there were suitable players in these towns.

Thanks must go to

## EFFC FACILITIES UPDATE

The East Fremantle Football Club (EFFC) has a long and very successful history. In 2014 EFFC entered its 116th year of existence, making it one of the longest surviving sporting clubs in Australia. Based on this very fact alone, it is imperative that the Board / Members of this great club act with precision and urgency in the best interest of the club to ensure that it survives for at least another 116 years.

With the growth of the national AFL competition and the passage of time, the buildings and oval surrounds do not match current needs. The facilities are becoming increasingly dated and insufficient people are attracted to use them. The EFFC and the Town of East Fremantle (TOEF) together maintain the facilities and surrounds and there are currently outstanding works that impose significant costs upon both organisations. Strategies to achieve a long term and sustainable refurbishment of the EFFC facilities are being developed. The club is also looking at all other options that may be available to EFFC with regard to existing and new facilities.

The EFFC has been very aware of the need to upgrade or rebuild the facilities at the East Fremantle Oval precinct and has endeavoured to be proactive during the past 10 years. A number of reports, feasibility studies and recommendations have been completed but unfortunately (due to a number of mitigating circumstances) the facilities have not been upgraded / improved and the situation has now become critical in that a solution needs to be found as a matter of urgency.

The EFFC has been investigating options and undertaking planning for the redevelopment of East Fremantle Oval and has decided to broaden the investigations to consider alternative sites. The club has determined that there are three realistic options available with regard to future facilities, these being:

- Stay at East Fremantle Oval,
- Move to Fremantle Oval and share facilities with South Fremantle Football Club (SFFC), and
- Move off-site to an alternative location.

The ability to successfully achieve any of the above options is determined by a number of key factors, some of which are within EFFC's control but clearly some are not. Time to undertake any new construction (regardless of the location) and the ability to pay for such are key critical to the success of this project.

## STAY AT EAST FREMANTLE OVAL

As mentioned above, the EFFC and the TOEF have been working together on the possibility to refurbish / construct new facilities at East Fremantle Oval. Unfortunately, there have been numerous and significant delays in progress and now there appears uncertainty surrounding the future status of TOEF and therefore, we cannot continue down this path of opportunity with certainty.

EAST FREMANTLE OVAL 1947

In addition to the above, the current status of The East Fremantle Oval Recreation Precinct is that it exists on an A Class Reserve. The Reserve is designated as an area of Parks and Recreation (Restricted Public Access) and affords the greatest degree of protection for reserved land, requiring approval of Parliament to amend the Reserve's purpose or land area, or to cancel the reservation. Regardless of the future status of the reserve, EFFC understands that it could take a considerable amount of time to create a situation where the reserve can be developed to suit our future needs.

Any refurbishment / construction of new facilities at East Fremantle will need to be funded from sources outside of EFFC and this is the major focus of EFFC to determine the reality of whether this is achievable.

## MOVE TO FREMANTLE OVAL AND SHARE FACILITIES WITH SFFC

The Fremantle region hosts two West Australian Football League (WAFL) clubs, those being the SFFC and EFFC. Both clubs utilise facilities that are at the end of their useful life and are not likely to meet the minimum guidelines for WAFL facilities set out in the WAFC Strategic Facilities Plan (2006). The EFFC and SFFC have been independently investigating development options for their respective facilities.

The impending relocation of Fremantle Football Club's (FFC) elite training and administration facilities to new facilities as part of the new Cockburn Regional Physical Activity and Education Centre creates an opportunity for the SFFC and EFFC clubs to investigate co-location opportunities at Fremantle Oval.

Both clubs, in conjunction with the FFC, the City of Fremantle, the West Australian Football Commission (WAFC) and the Department of Sport and Recreation will undertake further investigations regarding the feasibility of the co-location of the two clubs at Fremantle Oval. If successful, this co-tenancy will create modern playing, administration, social and commercial facilities at Fremantle Oval, a training facility for the SFFC at Fremantle Oval and a training facility for EFFC at East Fremantle Oval or another location.

The EFFC and SFFC clubs have engaged a suitably qualified Respondent to coordinate and manage all work required to produce and deliver a business case report. The Respondent is required to prepare a functional brief for the preferred option. There will also be a requirement for the Respondent to appoint other specialist consultants such as engineering, planning and environmental during the development of the business case. A clear indication is required as to understand the timing, costs and funding of any new facilities at Fremantle Oval.

In 2014 EFFC entered its 116th year of existence, making it one of the longest surviving sporting clubs in Australia

It is anticipated the business case will be completed within six months from the date of commission.

The Respondent is required to:

- Consult with the EFFC, SFFC, City of Fremantle, WA Football Commission, Fremantle Football Club and Department of Sport and Recreation and other stakeholders (designated by the EFFC and SFFC) to coordinate and manage delivery of the business case.
- Prepare the business case in accordance with the Department of Treasury's (Treasury) Strategic Asset Management Framework Guidelines.
- Review the EFFC and SFFC strategic plans and WAFC strategic plan (in regards to the WAFL competition).
- Undertake a financial review of the existing assets at Fremantle Oval and East Fremantle Oval to determine the costs and revenues associated with the existing facilities at each location.
- Undertake an assessment as to the commercial opportunities at Fremantle Oval and East Fremantle Oval.
- Benchmark the development of the functional brief in reference to the WAFC Strategic Facilities Plan and other WAFL ground redevelopments such as Rushton Park, Arena Joondalup and Claremont Oval.
- Undertake site visits to Fremantle Oval, East Fremantle Oval and up to two (2) other locations as nominated by the EFFC and City of Fremantle as potential locations for new training facilities.
- Facilitate workshops as required for risk identification and management, options analysis, business case document review and finalisation of reports.

***The clear objective of any move to Fremantle Oval would be to create a sustainable WAFL centre of excellence where all tenants co-exist profitably and positively in a redeveloped modern facility, which is affordable, acceptable and relevant to all stakeholders and embraced, as a year round all-purpose asset, by the local and broader community.***

#### MOVE OFF-SITE TO AN ALTERNATIVE LOCATION

In addition to the option of staying at East Fremantle Oval or moving to Fremantle Oval, the club is also looking at all other opportunities that may be available to EFFC with regard to new facilities.

This particular process however, will only gain momentum when it becomes clearer that the first two options become unrealistic, unaffordable and unachievable.

***The EFFC Board is unanimous in that whatever the future facilities outcome is; it will not compromise (non negotiable) on its history, future, brand and integrity.***

## OUR PHOTOGRAPHERS

Once again we thank our photographers for the great pictures they have taken and for making them available for our use. Phil Elliott is always on the spot at every match and club function and has taken some really great action shots both on and off the field.

Our thanks also to Michael Bain and Bill Crabb for their help with our photographic records

# Football Operations Manager

Season 2014 was a season that saw the Club take steps forward both on and off the field. After last year's disappointment in missing finals in all grades, it was great reward for all staff and volunteers who put in so much throughout the pre-season and the season itself, to see our two senior sides make the finals, with our League side only 1 kick off making its second grand final of the past three seasons. However it wasn't to be, but I am confident we will continue to take further strides forward next season.

If I go back to the start of pre-season there was much uncertainty surrounding how the AFL Partnering Club Model was going to impact all non-partnering clubs, more particularly the East Fremantle Football Club. With 18 AFL listed players on our senior list there was concern that the loss of those players, who had represented the Sharks so well, was going to have a significant impact on our performance, especially given that many of those departing players are in fact East Fremantle products.

However we needed to move on and recruit; something I believe we did astutely and did well. Bradd Dalziel (West Coast), Jamie McNamara (Williamstown) and Cameron Eardley (Geelong) all returned home after stints in the AFL and the VFL. Brock O'Brien also returned after playing for Pinjarra in 2013. We acquired the services of Boston Williamson and Danny Chartres from East Perth and brothers Tim and James Bristow (Launceston and Peel respectively).

Other changes included a new look Sports Science team, led by Ashley Cripps and a new leadership group. Rory O'Brien was voted in as Captain, with Andrew Stephen his deputy. Jamie McNamara, Bradd Dalziel, Rob Young and James Bayliss rounded out the leadership group. After a solid pre-season all was in place for what many felt was going to be an excellent year.

The year began perfectly with all 3 grades posting wins against West

Perth, the team that won the league premiership in 2013. The day also commemorated our first Harmony Day celebration, one that was hugely successful. Our early season form was inconsistent, with a big loss to Subiaco at our country home in Geraldton. Following this we recorded wins against Claremont and Peel, but lost the ANZAC Day game to South and lost to premiership favourites East Perth.

It was after another loss, this time a heavy defeat to a young and enthusiastic Swan Districts side that saw us slip to a 3-4 record. The playing group came together at that point to really get around each other to turn the season around and that is exactly what happened. We won our next six games in succession, the highlight being a win the traditional Foundation Day Derby against arch rival South Fremantle.

The final third of the home and away season mirrored the first third, with us going 3-4. This included a clean sweep against West Perth for the year, beating them three times, a big win against finals contender Swan Districts, but also a second loss to South Fremantle in round 19. After twenty rounds we sat third on the ladder, with a 12-8 record and a first semi-final appearance against Swan Districts at home.

The finals campaign was a tale that not many scriptwriters could ever have imagined. After beating Swan Districts very convincingly only two weeks prior we found ourselves 30 points down at ¾ time in the first semi and looking at being knocked out of the Premiership race. However in one of the most amazing quarters of football I've ever been involved in we kicked nine unanswered goals in the last 30 minutes to turn a five goal deficit in to a four goal win. With our tails up we then headed to Medibank Stadium to take on Subiaco for the right to play East Perth in the grand final. In scenes reminiscent of our 2013 Foxtel Cup grand final we just couldn't find the "big sticks" kicking 7.26 for the game to lose by only 5 points. We did so much right on

the day, controlling much of the game but we just couldn't convert, but to Subiaco's credit they hung in there and made the most of their opportunities. The rest, as they say, is history.

Whilst there was disappointment all players, coaches, staff and volunteers can be very proud of the effort and success of the year and I know this will spur us on to further improve in season 2015.

To our coaching group, led by Stephen Malaxos, thanks for the passionate and diligent approach and the drive to achieve the success we are all craving for. So close this year, so here's hoping to take those last couple of steps forward next season.

Our Reserves or Development League side also improved in season 2014, making the first semi-final, before being knocked out by Claremont in that final. The depth in 2014 certainly improved and a pleasing aspect was the transition of our 2013 Colts players to the senior list; a good sign for the future of the Club. The Development League side did struggle for consistency throughout the season, where they boasted an 8-2 record by the mid-point of the year but followed that with a 4-6 record in the second half of the season.

To Michael Shanahan and his group of dedicated assistants, thanks for all that you've done in preparing our next tier of senior players to hopefully get them to play at League level.

The Colts boys endured what many might say was a tough year, finishing 8th, but still only 3 games from playing finals. Boasting the second youngest team in the WAFL Colt's system and with only a few players with any great experience from the previous season the season was always going to present some challenges. However with an unwavering approach from our football department in terms of planning and preparing for the future I am full of confidence that the work we have done on our Academy will no doubt bear fruit in the coming years. There were some excellent performances along the way and

some brilliant individual performances. There were more “bottom agers” given an opportunity at Colts level, which will see us begin the 2015 with 32 players who will have tasted Colts football (300 games of experience) and have a better understanding of what’s required to play at that level.

Thanks to Mark Foster and his team for keeping the faith and for the tireless work you put in to the Colts program.

### LEAGUE DEBUTS

Congratulations to the following players who made their “Sharks” debut in 2014

**Cameron Eardley** – Cameron returned from 2 years on Geelong’s list after being drafted from our Colts program. Cameron had a very successful first year, playing every game and winning the Best First Year Award at the Lynn Medal Presentation

**Jordan Dorotich** – another of our Academy pathway products, Jordan made his debut in round 1 and played in 18 games. Jordan has been resolute as part of the much heralded defence for much of the year.

**James Bristow** – big sauce made his debut for East Fremantle in round 1, after playing 15 games for Peel Thunder over the previous two seasons. Fiercely competitive James played ruck / forward and finished the year with 19 games to his credit; a highlight being his candidate for goal of the year against Claremont in round 4.

**Danny Chartres** – the much respected “Charts” made the move from East Perth during the off-season and proved to be a very versatile acquisition, playing in the ruck, forward, inside midfielder and in defence. Danny finished the year with 17 League games for the Sharks.

**Boston Williamson** – Boston arrived at East Fremantle after not playing any football in 2013. He had previously played the 1 league game for East Perth in 2012. A livewire small forward / outside midfielder, Boston showed some pleasing signs in his first year, playing 13 games and kicking 11 goals.

**Richie Bourne** – Richie has moved seamlessly through the Talent Pathway from 14’s through to Colts last season, where he also represented WA in the 18’s Championships. Richie’s silky skills, speed and goal sense were the reasons for him making his debut against Claremont in Round 4, where he kicked a goal with his first kick,

finishing that game with 4 goals and the chase down tackle of the year. Although only very slight, Richie is an excitement machine we hope will take bigger strides forward in 2015, after playing 5 League games in 2014.

**Brandon Ellis** – Brandon’s rise to League football is quite the story. Essentially Brandon has embarked on 3 preseasons from the beginning of Colts, playing only five games of Colts prior to the 2014 season. After playing 5 of the first 6 rounds in the Reserves this year, where he did kick 5 goals in each of the last three games of that period, the key forward was called in to the League side to debut against Swan Districts in Round 8. He played 4 games in this his debut year.

**Tim Bristow** – after a successful run for Launceston in the Tasmanian State League for the past few years, where he won the State League Medal and was a premiership player, Tim decided to head to Perth to play at the Sharks with his brother James. After an injury interrupted pre-season the hard running wing/half forward managed to make his debut in Round 9 v Perth and went on to play 10 games, averaging 17 possessions per game.

Tom Hooker – although “Hooks” played in the Foxtel Cup last year, he made his WAFL League debut in the WA Day Derby against arch enemy in South Fremantle. Tom has been an outstanding and resilient contributor at the Club, playing 75 Reserves games prior to this opportunity. By season’s end Tom had played 7 League games as a small defender.

### MILESTONES

Congratulations to the following players who achieved milestones during season 2014; Mark McGough (100 EFFC League games), Mitch Boyle (50 EFFC League games), Danny Chartres (100th WAFL League game), Sean Henson (50 EFFC League game), Brett Peake (100 EFFC League game), Jack Perham (50 EFFC League game), Andrew Stephen (100 EFFC League game), Jayden Schofield (50 EFFC League game), Brock O’Brien (50 EFFC League and 100th WAFL game), Tom Howlett (100th WAFL League game), Bradd Dalziell (50 EFFC League game), Rob Young (150 EFFC League game and Life Membership)

### STATE REPRESENTATION

Congratulations to the following on their selection to wear the “Black Swan” in season 2014.

JACK CRIPPS

TOM BENNETT

WAFL State Team – Steven Dodd (4th appearance), Andrew Stephen (3rd consecutive appearance), Jamie McNamara (State debut) and Tom Howlett (debut)

State 18’s – Jack Cripps and Tom Bennett

State 16’s – Luke Strnadica (after his performances in the 16’s carnival early in the year)

NB: A special mention to Jordan Snadden, who has been selected in to the NAB Level 2 Academy (formerly the AIS) for 2015.

### ACADEMY

Once again the East Fremantle Football Academy proved to be one of the benchmarks in football. During the off-season much time was spent by our football department staff, including Steve Miguel (Academy Director), Darren Gaspar (Football Director) Stephen Malaxos, Adam Kelly, Ashley Cripps and Mark Foster in developing an Academy structure that was even better than the already existing one that has brought much success in the past. List management, curriculum and education, transition and planning for the future were just a number of

topics discussed. Whilst the document will continue to be a work in progress over the coming year, there has been much achieved and a lot to be proud of this year.

This year we opened up selection to all players who were turning 14, via an Open Day. Over 100 players were put through a series of AFL simulated activities, both skills and athletic based, to determine who would be inducted in to the Academy Pathway. The 14's Academy then played their carnival during the October holidays, where the two squads won 7 of the 8 games played.

The 15's Academy squads had mixed results with the first squad not scoring a win, but the second squad going through undefeated. Whilst the first squad didn't record a win they were more than competitive and a number of players have showed great improvement since last year's program. These boys will now return in early December to begin their 16's program.

Speaking of 16's, our boys played early in the year, mainly after League games during the first few rounds of the year. This year each one of the selected players had the opportunity to train with the Colts to experience the lift in intensity and to gain insight in to what will be expected once they start Colts' pre-season in November. This was a very successful initiative, one that saw 8 players from that group play at least 1 games of Colts in season 2014.

To all of our Academy coaches, assistants, team managers and support staff. The fact that you give so much of your own time for the benefit of the boys is an absolute credit to you all and I thank you for that. You have all performed your role admirably.

Once again we had great success from the outstanding work from our Midwest Academy, led by Craig Walker (Coach), Mark and Jo Starling (Manager/ Medical /Everything), Todd Teakle (Sport Science) and Heather Brett (Player Welfare/GNFL Rep). Along with the Shark Pack and the work done by Paul Pirrotina I have had the pleasure of seeing many of the talented young boys from our country zone come to Perth to showcase their talent. I continue to look forward to my trips up the Midwest to spend time with you all.

At this point I would also like to thank Rick Arthur, Colin Cox and the team from the GNFL for their great work and support of the East Fremantle Football

Club and for another successful Country Week performance.

### STAFF AND VOLUNTEERS

I would like to take this opportunity to acknowledge all staff and volunteers who provide so much time and effort, all in the best interest of the Club. The support of all of our amazing people is what makes the East Fremantle Football Club the best in land and the significance of the role you play certainly doesn't go unnoticed.

Firstly to the Board (in particular Darren Gaspar and Steve Miguel as Director of Football and Academy) and Adam Kelly, for the support you have provided and the autonomy you have afforded me to develop the Academy and manage the football department.

To all those I have the pleasure of working with day to day. I am very fortunate to work in an industry and a Club I am passionate about. To Adam Kelly, Kate Argent, Stephen Malaxos, Julie O'Brien, Judi Miles, Daren Bell, Helen Hunter and Kane Benson thanks for another super year.

Mick Jez and his Past Players continue to be the envy of all WAFL Clubs, for their canteen and hospitality. But it's their commitment to the football Club; from players' teas, to facilities maintenance to providing post-game meals and financial support to the Club that is simply amazing. I know the players and staff certainly appreciate all that you do.

Ashley Cripps and his new Sports Science structure lifted the bar (no pun intended) this season. "Crippsy" had the big shoes of Ben Piggott to fill and did so with great results. Working in with them was the medical team headed by Jon Lim (Doctor / Total GP) and Xavier Cornwell (Physio / Lifecare Bicton). Training staff, led by Noel Johnstone, ensured that players at all levels received the best care whether it was massage, strapping or treatment.

From the property staff (led by Neville Lee), to the best stats team in the business (headed by Jelena and Jeff Hillman), to team runners, scoreboard, timekeepers, grey army and water carriers I thank you for your contribution. Many of you have been very long serving members of the Club and I hope you get to enjoy team and club success every bit as much as the players themselves do in the coming year or so.

In closing there are a number of wonderful contributors to the East

Fremantle Football Club who will be leaving.

Steven Dodd; has had an outstanding career with East Fremantle and the Fremantle Dockers. Steven played 120 games for the Sharks, 101 for the Dockers, represented the State on 4 occasions and was the Lynn Medallist in 2012. "Doddy" I wish you all the best in retirement and good health to you and your family.

Michael Shanahan; "Shanners" has been Reserves or Development League coach for the past four seasons. Michael has pressing family and work commitments and I wish you all the best with those endeavours.

Kim Chatfield; Kim has been the Chairman of Selectors for the past few years and has been a valuable asset for the coaching staff. Kim has also been an outstanding contributor to the Club off-field as well, often kicking in auction items for the Gala Auction and golf day. Thanks Chatty.

Kurt Tropiano has moved on to be the Head of Sports Science at Peel Thunder in season 2015. Kurt has been an integral part of the East Fremantle Football Club, coming down from the Mid-west, playing for the Club, and then working in our Sports Science team. Matt Bagg will also be heading to Peel with Troppo in season 2015.

Finally to Adam Kelly, departing CEO. Whilst I have known you since you arrived at the Club in 2010, when I was coaching in the Academy, it has been the last couple of years, working alongside you that have impacted on me the most. Your support of me is greatly appreciated. It has been a privilege working with you. Your contribution and subsequent impact on the East Fremantle Football Club has been profound. Your commitment to community and culture is first class. You will be a massive loss, but I wish you all the best in your new role as General Manager of Football in SANFL. I have no doubt you will have an impact there as well. To Karissa, Ella, Kai and Cooper I know my family will miss you and I wish you all the best as you head to Adelaide, with new adventures in school, work and friendships.

So here's to another year. I wish you all the best in the off-season and look forward to seeing you back at Shark Park, or ATOM Stadium as it is now known.

Onward to Victory in 2015.

The resilience, team spirit and hunger for success that we displayed in 2014, is tempered by the nature of our Preliminary Final loss.

It is one of the very few times a team has had over 30 shots in a WAFL final and lost. Our 33 shots (7 goals, 26 points) amounts to a score every 3 minutes 45 seconds.

We had 59 inside forward 50's, that's 1 every 2 minutes.

We obviously performed well in many components of the game to generate such scoring frequency and in reducing Subiaco's score to a low 10.13.

However, we were clearly not efficient enough at the scoring end. Everyone shares in the blame for this.

Forwards missed shots, but so did midfielders and defender's.

And it wasn't always the shot that required fine tuning. Other aspects, such as shepherding, communication and teamwork with the ball weren't good enough.

Credit also to Subiaco whose pressure had some effect.

As coaches, we have analysed our roles and as indicated above, we win together and lose together.

We achieved as much due to the sterling performances of our players.

The EFFC staff continued to provide a framework and environment which promoted the players to perform at a high level.

This includes the Board and EF Office Staff who have continued to effectively manage and govern the Club; Darryn Fry, for his ceaseless energy and work ethic and coaches Neil Lester-Smith, Craig Henson and Gavin Brown for their dedication and coaching skills.

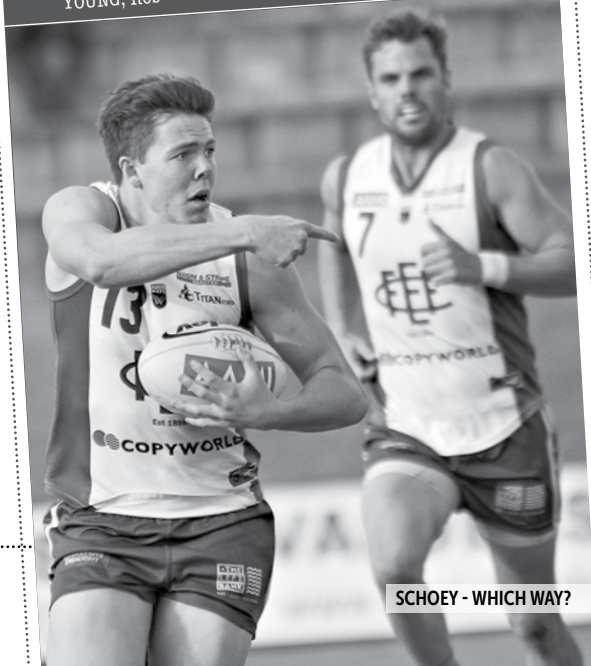

Football Staff, including Uldis Zile (team manager for about a century!), Kim Chatfield (Chairman of selectors) and our runners particularly ex player Tim Houlihan, along with our Conditioning staff led by Ashley Cripps enabled our players to be relatively fit, injury free, and ready for every challenge.

Many of our statistics come out of a centralised system. At EF, we are fortunate to have more statistics available due to having our stats staff. Jeff and Jelena Hillman lead and manage this able group.

Our Medical Team had some new faces in Xavier Cornwell (physio) and Jeffrey Lim (Doctor) and they were able to combine to give the players expert treatment and advice. One role that hasn't changed is that of Head Trainer Noel Johnstone. He runs a very thorough operation.

Two key people are departing from EFFC.

One is our key defender Steven Dodd. He has been an outstanding player in my time, and I believe he ranks with

# Report

by Steve Malaxos

the very best of defenders to have ever played for East Fremantle.

Adam Kelly has been the only CEO I have know in the time I have been EF coach. I guess I wouldn't still be here, if our working relationship wasn't extremely healthy. He has done a lot for EFFC in many fields. So, really well done to Adam on his many achievements at EFFC.

Our Reserves continue to set a high standard. In the last 4 years they have been superbly managed by Coach Michael Shanahan, who has resigned from this position.

To Michael, and indeed all the staff and players, well done on your 2014 performances.

We have identified clear areas requiring improvement in the reserves at both individual and team levels.

The capitulation, at times in testing games, was unacceptable and we will address this in readiness for 2015.

We approach 2015 in a similar manner to previous years.

We all start on 0 wins and it's very competitive to get to 12 to make the finals.

We need to do a few things better at all levels.

The structure and basis of our Club is very sound.

Time to capitalise on this foundation.

A GOAL!

# Reserves Coach

The 2014 season saw the Reserves return to finals football with a record of 12 wins and 8 losses. At times we played exciting team football and at one stage had won seven games in a row. The highlights for the year included the first game against West Perth where we beat the eventual premiers and two come from behind wins against a determined East Perth side.

On the other side of the ledger all season we struggled against the top three sides and unfortunately that continued in the first semi-final and the season ended there.

Thanks to the 51 players who played reserves this season. it was great to see the player's commitment and efforts each week. As with any Reserves team there is room for improvement, but regardless of the outcome each week I knew the side that played were keen to perform well and listened to instructions. Of those who played reserves, 15 played league and 21 played their first game for the club.

In terms of individuals, Tom Hooker had an outstanding season. Tom is a popular player at the Club and was rewarded this year with a well-deserved league debut in the WA Day Derby. It was the first of seven league games for the season and he still managed to win the Henry Jeffery Medal. Last year's winner Tyler Chalwell had another outstanding season being the runner up and managing to play five league games.

Other players who deserve a mention are:

Players from the 2013 colts team who I look forward to seeing take the next step - Josh Cuneo, third in the fairest and best, Richard Bourne who played four league games, Miles Franklin, Jack Fletcher and Jake Solomon;

Michael Edwards fourth in the fairest and played six league games, always a high possession winner and good user of the ball;

Jack Schleicher fifth in the fairest and best, followed up an encouraging 2013 with a very good season consistently recording high possession and clearance stats;

From the 2014 colts team Nathan Morton-Smith and Jack Cripps played a number of games including the first semi-final;

Brandon Ellis after a number of seasons deservedly played his first reserves game for the Sharks. We should have played him earlier – he kicked three bags of five goals in consecutive games and by the end of the season had played four league games. For the year he kicked 36 goals from his league and reserves games; and

Finally, thanks to Jim Bayliss a member of the Club's leadership group. A frustrating run of injuries meant he was on the sidelines. He took on the role of defensive coach

until he was fit again and his contribution in that role was valuable.

As usual there are many people to thank. In the years I have coached the reserves team I have been overwhelmed with support from both staff and volunteers at the Club.

First of all thanks to League Coach Steve Malaxos. Over the past four seasons he has provided me great support. Stav always takes great interest in the reserves team, players and coaches and his advice is always valuable.

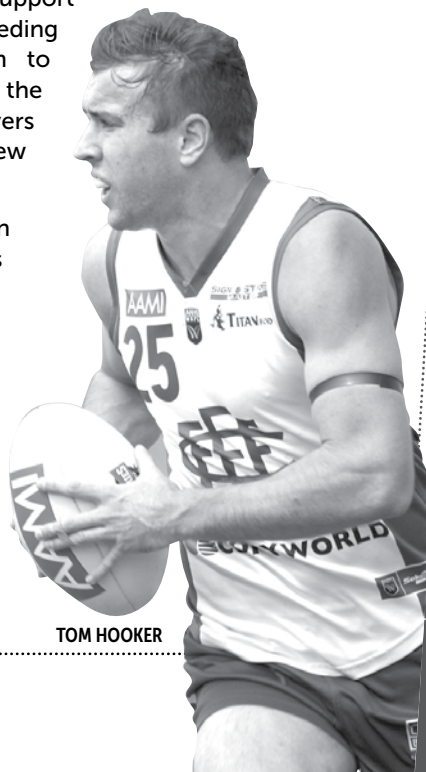

To the other coaches in my team – Scott Bennett, Adam Dancey and Brad Dodd thanks for your advice, support and coaching efforts. The role of an assistant coach is a vital one and the time and effort these guys were willing to put in helped me greatly. They will probably tell you they have sore shoulders from carrying me which is probably a fair call. Also thanks to the league assistant coaches – Gavin Brown, Kim Chatfield, Craig Henson and Neil Lester-Smith. As a group we have coached together for several years and I have always appreciated their thoughts on the reserves players and team.

The team managers - Lindsay Daniels, Uldis Zile and Darren Outram - put in a mighty effort each season and as always are willing to keep me and the other coaches honest!!

Thanks to the Club and the staff who do a great job - Darryn Fry football manager, the other club staff, Adam Kelly who will be missed and I am sure will do well in his new role at the SANFL and also thanks to the Board.

Thanks also to - Jelena and the Stats team; Daphne for the morning teas; Jack and Mitch for being the team runners; Noel Johnstone, Graham 'Sarge' Knapton and the trainers; the Strength and Conditioning crew Crippsy, Dan and Xavier who do a great job; Steph Luke and Wynand Gouws; Neville and the Property guys; and Noel for guarding the door to the change rooms. Also a special mention to Mike Jez and the Past Players who provide great support for the reserves team – feeding the players, driving them to games in a bus and funding the much sought after Past Players weekly award are just a few examples.

We all look forward to season 2015 and going a few steps further in the league and reserves.

Another season gone, another year filled with mixed emotions. 2014 saw the Colts finish eighth on the premiership ladder with six wins and fourteen losses. The lack of on field wins was a harsh reminder of the importance of performing consistently throughout the home and away season. Though the win loss column did not read pretty there were many positives to come from the season. Fifty three players were given the privilege to represent the club, thirty five of whom will play be eligible to play Colts in 2015.

The season started with mixed results. Some early wins provided confidence and belief to the group but as our young bodies became tired at the back half of the season, our inability to compete for four quarters became apparent. Strong and consistent form from Jack Cripps and Tom Bennett resulted in them being selected for the State 18's. Jordan Snadden came from the clouds this season after outstanding performances; Jordan was named in the Colts team of the year and also accepted into the AIS academy.

As mentioned previously, a number of players are eligible for Colts football next year. There are also a number of talented players progressing into senior football in 2015. Nathan Morton-Smith will be pushing for senior selection. Nathan finished fourth in the Colts B&F and his strong Colts form saw him finish the season playing Reserves football. Jack Drennan, our Colts captain, lead by example all season. Jack is a fantastic person to have around our club and will be another Colt pushing into senior footy. To all the players progressing into senior football, I wish you all the best and look forward to seeing you running around at senior level.

No doubt the biggest congratulations must go to our award winners. Fifth B&F went to Jacob Gittos who was also leader of our goal kicking. He had a great first year of Colts football. Third and fourth were taken out by Nathan Morton-Smith and Jordan Snadden respectively. Hard working midfielder Fraser Perry finished off his brilliant season and was awarded runner up to Alan Trott Medalist Oliver Parish. Ollie's Colts season was one of the best seasons of football I have seen from an individual. He possesses all the attributes you want from a footballer such as courage, class and a great attitude.

As a coach you are reliant on the hard work and support of many people. I was very fortunate to be surrounded with quality people again this year and I can't thank them enough. The line coaches Adrian Correia, Richard Hadley, Daniel Spencer and Chris Basile all had a profound influence on the group. Old stalwarts Lenny Anderson, Bill Hale, Mike Fairnie, Wayne Glaskin and Maureen Gathercole also worked tirelessly throughout season. The men in yellow Jason Osbourne and Paul Hansen did not miss a beat. The sports science department headed by Kurt Tropiano and assisted by Matt Bagg and Izzy Jacobs did a fantastic job at keeping our players fit and healthy.

I would also like to thank Darryn Fry for his unbelievable support towards the Colts program, Craig Walker and the Midwest Academy, Academy director Steve Miguel, the board for their continued supported plus Judy, Julie and Kate for all the work they do behind the scenes.

Many thanks and well wishes also to outgoing CEO Adam Kelly. He has had a major influence on the success of the

football club. His greatest achievement will be the strong and lasting relationship Adam and his family has built within the club. I wish Adam and the family all the best in their new endeavors.

Another season down with another one quickly approaching, best wishes to everyone over the break and look forward to seeing everyone in 2015.

# Match Day

# Football Legends

In 2000 the WAFL initiated a special match day football programme. Special footballs were to be produced and used by clubs for their home games. These footballs were to depict players chosen by the club and considered to be a club legend.

East Fremantle's Match Day Footballs are on display in the Centenary Cabinet in the Function Centre.

## 2015 Match Day Legend will be HAROLD JEFFERYS

Harold was born in London but has lived most of his life in North Fremantle. He made his East Fremantle debut on 11 May 1946 and played through to 1953 amassing a total of 155 games.

In his early career he was a rugged and resourceful winger, a position he played in the 1946 Grand Final and also in the 10th Australian Carnival in 1947.

He later moved to the backline where his interaction with the fullback, his physical strength, strong marking and long kicking helped to win him the Lynn Medal in 1952.

# From the Trainers Bench

by Noel Johnstone - Head Trainer

Yet again, another season has been and gone.

As always the trainers began by saying farewell to some people from 2013, and then welcoming a new crew in for the coming season.

This process begins at the same time as the players start their pre-season to ensure we have sufficient staff and that they have had some opportunities to become part of the team and practice their skills prior to the regular season starting.

As always we had our stalwarts, Charlie Cray and Brian Smith, and our long termers like Graeme (Sarge) Knapton, Kathryn Scoble, Kelby Smith, Melissa Bosotin and Alex (Pickles) Merendino.

We also welcomed a total of 16 new staff to the club in 2014 and each of them has done their very best to support the various teams and players.

Thank you to;

- Colts – Kelby, Georgia, Maddison, Bianca, Tash, Rowan, Emily and Sonya.
- Reserves – Ash Bannister, Sarge, Ben, Craig, Meg, Allex, Adam, Jason, Sam and Jessica
- League – Kathryn, Melissa, Brian, Charlie, Alex, Ash Gooderson, James, Bridget and Sean

It's with much sadness that I report the passing of our longest serving trainer, Keith (FC) Gundish who gave this club

over 54 years of loyal and dedicated service. His service is without equal and is a true testament to his character and passion.

I am also sad to report that Graeme (Sarge) Knapton has chosen to retire and won't be with us in 2015 – Thank you Sarge, for welcoming me to the club and being a true gentleman both on and off the field. Your support and patience was very much appreciated.

By what measures do you rate success? On the field it is relatively easy with things such as scores, effort, skills, wins, losses and percentage. Things are a little different for the trainers.

As the Head Trainer some of the measures that I use to assess our success include the values, initiative, development shown, performance and the overall attitude and work ethic.

As a club over the past few seasons we have developed over half a dozen staff that have gone on to work for either the Dockers or Eagles, and had more than a dozen get exposure to that level through roles with visiting AFL clubs.

Just as players have a pathway to the higher levels I believe this club has genuinely become a pathway for the training staff and will continue to promote that standard to assist both our club and the individuals.

**LEAGUE TRAINERS**  
 Back L-R: Alex, Melissa, Xavier (Physio), Bridget.  
 Front L-R: Smithy, Noel (Head Trainer), Ash G., Kathryn, Charlie.  
 Absent: James and Sean

**COLTS TRAINERS**  
 L-R: Bianca, Tash, Maddie, Georgia and Kelby (HT).  
 Absent: Emily, Rowan and Sonya

**RESERVES TRAINERS**  
 Back L-R: Ben, Ash B (Senior Trainer), Sam and Sarge  
 Front L-R: Allex and Craig Absent: Meg, Adam, Jason and Jess

The season requires a whole of team effort and that is exactly what was provided, both at a team and a holistic level. We successfully covered each other when there were people unavailable for various reasons. We adapted to changing training and game schedules.

We became more skilled through ongoing training and through mutual sharing and hopefully we have also formed some new friendships.

This year we even had an American student by the name of Sean join us for a few months as part of a student exchange and I'm fairly sure that as a result of his experiences here in WA he'll now be back in the States trying to convert his mates to our great game.

A few special mentions need to be acknowledged before I conclude;

- The support of my senior staff on the occasions that I couldn't be there, and for the leadership they have shown throughout the season. You helped myself and the club in so many ways.
- The commitment by the Colts staff to arrive just after 7am every week. An awesome effort.
- The support of our two physios Xavier and Tom in developing the staff and giving them learning opportunities at training. - Thanks
- The support of the club including new standard uniforms that helped us look like a team and the use a vehicle to use (and our driver Starky) on away game days also helped us with the logistical side.
- The support of my wife Sue who has had to put up with my absence from home for so long and the occasional family function I've missed. Thank you for letting me enjoy the sport I love.

So while the results may not have always gone our way on the field, I think it is fair to say that off the field the club continues to be a leader and a place of choice for developing future staff.

It has been my pleasure to be Head Trainer and I look forward to the challenge again in 2015 as we keep striving, "Onwards to Victory".

# 2013 Life Members

Once again two of our behind the scenes stalwarts, Des Cornish and Mick Jez, have been added to our Life Members list along with past player and current League Coach Steve Malaxos. We congratulate them and thank them for the service they have given to the East Fremantle Football Club.

**DES CORNISH** played for the club in the Reserves through the late 1950's and early 1960's. He joined the Past Players in 1967 under the leadership of Wilson Onions and has been a P.P.& O member ever since. Des has been on the committee since 1970 and been a committeeman since that time. He was made a Life Member of the EFFC P.P.& O in 1985 and a Life Member of the Past Player's Association in 2009. A blue and white person through and through.

**MICK JEZ** came through our East Fremantle Junior District and made his league debut in 1974, he went on to win the Reserves Fairest and Best, the Henry Jeffery medal that year. After playing 75 league games from 1974 to 1978, he moved East and joined Carlton. It is after his football career that Mick has had most impact on this club. At the end of the 2004 season he took over the role as President of the Past Player's & Officials association from the retiring Wilson Onions. Mick has effectively organized and led this off field team making it the most effective and important coterie group in our club. He is a wonderful example of a past player returning to have huge impact. With WAFL Football clubs facing major changes and uncertain financial times the contribution made by Mick and his team cannot be understated.

**STEVE MALAXOS** began his playing career with our club half way through the 1991 season and despite playing only 13 games he won the Lynn Medal. In 1992 he was named Club Captain, a position he held until 1997 leading the team to Premierships in 1992 and 1994 and adding to his Lynn Medal tally in 1994 and 1995 sharing the Medal with Craig Treleven both years. In 1998 he retired from playing and became Reserves and Assistant League Coach. From 1999 to 2009 Steve was involved with AFL teams Sydney Swans and Fremantle Dockers. In 2010 he was appointed EF Colts Coach taking the young boys to an exciting premiership. The next year saw him take over the League coaching job- a position he still holds.

by Mick Jez - President

The 2013 Annual General Meeting held in February this year was well attended with over 80 members being present and during the 2014 season our membership reached 241 members plus 4 members for life and 18 Life members. 37 new members joined the Past Players in 2014.

Life Membership was granted to Ray "Oscar" Howard (posthumously) for his outstanding contribution to the Past Players prior to his passing and to Mick Jez and Ronald "Jake" Wood and for their contribution and assistance to the Past Players over a number of years. Ray's life membership badge and certificate were presented to his widow Joy at a function during the season and Jake's was presented to him at the AGM. A short time after receiving his life membership, Jake sadly passed away.

For the 2014 season a special thank you to our Patron Matt Gill and Vice Patron Angelo Cuccovia for their continued support, donations and patronage. We look forward to continuing this partnership with both of you in 2015.

To Top Cut Meats, Golden Eggs, Construction Skills Training Centre, Cuccovia Contracting, RM Poole and SignPoint I wish to thank you for your generosity in season 2014 and we look forward to your continued support next year.

This year our fundraising catering projects included the Magic Millions Yearling Sales in February, EFFC match day breakfast duties during the season, Landmark Country Week games, East Fremantle Districts Junior Finals series, Football Development squad trial matches, as well as numerous EFFC and private catering functions.

2014 cash donations to the club equate to approximately \$32,000. This included \$10,000 to the EFFC for general operations, \$500 for the Corporate Classic, \$2,000 for Reserves & Colts match and Lynn medal night awards and current expenditure of \$19,200 per year for the EFFC office photo copier.

The Past Player group also provided financial donations to EFFC district representatives in the State 18's, 16's, Schoolboy's and Schoolgirls competitions as well as a donation to EFFC representatives of the Women's State football squad. Total cost of \$2000.

PHOTOS FROM PP&O CHRISTMAS LUNCH

Catering donations included match day fruit for the players as well as 8 brunches for the League squad; the GNFL Country Week league squad player's tea and the GNFL Shark pack breakfasts, lunches and teas over three days; the EF Junior District vote count and the Colts match day lunches for the EFFC, visiting team and umpires. We also provided catering to several League, Colts and Development Squads player's teas. **These donations equate to approximately \$20,000 (retail) for the year.**

A special thank you to those members who provided their services with fundraising this year. I look forward to your support in 2015.

A donation of \$600 was made to the Motor Neurone Disease Association with proceeds from the raffle of three Xmas cakes kindly baked and donated by Vi Fairclough. We also provided a cooked breakfast to the participants registered for the MND Charity Drive fundraiser, a four day drive from Fremantle to Esperance.

Mention must also be made regarding those members who kindly donated funds to cover the cost of our half time drinks and eats. Thank you for your support and we look forward to your continued support in 2015.

Our major project for the year was to renovate the existing ladies toilet in the main hall to include a wheelchair accessible toilet. We also installed a wall in the downstairs restaurant so that the club could lease out the area. These projects were completed at a cost of approximately \$15,000.

I would also like to again thank Gary Stockden for his support as the Past Players Grey group liaison and also to that group for providing support with maintenance and cleaning around the club.

Special thanks to Trevor Cangemi and Colin Retallack for their continued support with the Colt's early morning breakfasts and to Maureen Gathercole, Ivy Anthony and Len Anderson thank you for your assistance during the year with the Colts lunch.

I would also like to thank the ladies committee for their continued efforts in preparing and serving the afternoon tea at home games and also a thankyou to the wives of the Past Players committee members for their help and understanding during the year.

Special thanks to my committee for their outstanding efforts in raising an incredible amount of money for this football club. Thank you for your support and assistance to my presidency which made 2014 a very successful year for the Past Players.

I look forward to guiding and working with you all again in season 2015 in our fundraising ventures.

At present the age of the Past Players committee ranges between 55 and 86 years of age with most of them above 70.

Semi-retired or retired members are needed to assist with the many functions we cater for each year. A list of volunteers who we could call upon to help out with setting up, serving and cleaning up when required.

If you would like to help, please email your details to [mjez2@bigpond.com](mailto:mjez2@bigpond.com) or call Mick on 0439 703 388. Your support would be greatly appreciated.

## OUR GRAY POWER GROUP

The Gray Power boys have once again shown their worth and have been busy carrying out various tidy up and repair jobs around the club this year. Since their formation in 2010 this group continues to be of value to the club as there is always something that needs to be attended to.

Of course the morning's work is followed by a good gossip and refreshments.

This year they again had a weekend away at Geraldton to relax and we hope to see them refreshed and back at work in 2015.

Thank you to Gary Stockden, Max Anthony, Harry Bovell, Mike Butterfield, Ken Corbett, Allan Dean, Don Greer, Graham Hodge, Kerry Matsen, Bernie McHugh, Colin Retallack, Jack Roberts, Gordon Smith, Ian Stockden and Tom Sweeny.

## OBITUARIES

*Once again we note, with regret, the passing of the following past players, Life Members and members who have contributed in a variety of ways to our club over many years.*

*Ron Barker, Laurie Corbett, Ray Gabrielson, Keith Gundish, Lady Amy Hutchison, Sheree Jamieson, Eric Jeffery, Billy Krakouer, Claude Paparone, Sam Radanovich, Neil Reid, Fae Sheedy, Kevin Templeton, Mal Wood, John Woods.*

*Our sympathy is extended to their family members and also to the families of any person connected to the club who we have not listed.*

As we are approaching the end of season 2014 it is my pleasure to report in our 26th year that the Mandurah Sharks Supporters Social Club has been very successful, and is as strong as we have ever been, with Memberships and invited guests being above average.

To you, our Members and Friends, thank you for your continued support of the monthly dinner meetings, which is ever so crucial to the survival of our great club.

I thank our guest speakers for donating their time and services in helping to make our evenings even more enjoyable. Once again we were fortunate to have a cross section of sporting identities, including last year's Sandover Medalist, Rory O'Brien, who kick started our April dinner meeting with a huge crowd in attendance. May provided a very entertaining man in Daniel Bandy, followed by a local coach Mick Lally at our June meeting. Our very first dinner meeting at new sponsors, The Ravenswood Hotel in July proved to be a great success with the affable Neil Lester-Smith at his very entertaining best. Tennis veteran Garry Searle got the job done in August.

The trip to Shark Park in September drew a large crowd with Olympian Max

Cunningham giving a stirring report on his achievements. The night was topped off by a great meal provided by the Past Players & Officials.

We are looking forward at our November A.G.M. and to our final guest speaker for the year, James Begley.

To our very important and loyal sponsors, a big thank you to them for their past and continued support.

We again sponsored six players, donated cash for required gym equipment and provided the trophy for the Best Clubman Award in the Colts in 2014.

We at the Mandurah Sharks thank C.E.O. Adam Kelly for the help and support given to us and wish him well in his new employment.

A special mention must be made to Judy Lawson, Jerome Fitzpatrick, Noel Ireland, Wilson Onions, Bob Barnes,

# East Fremantle District Football Development Council Chairman

by Geoff Wolfenden

The season 2014 saw our inaugural East Fremantle District Dinner that celebrated and recognised some of the many achievements across our District and by our stakeholders and volunteers.

I especially acknowledge Presidents, Committee Members from across our district being Junior, Senior Amateurs, Women's, Veterans, WAFL and most importantly to anyone that is a volunteer.

I would also like to recognise Peter Delabona, the East Fremantle District Volunteer of the year. Seems like only yesterday I was chasing you around as a coach back at Melville Juniors.

In season 2014 the East Fremantle DFDC decided that we would seek a Patron for our District and it is with enormous pleasure I can announce that Richard Hadley when approached accepted without hesitation.

Richard has a distinguished football career starting out in our own Junior competition with Willetton going on to be a premiership player with the Brisbane Lions and finishing as so many products of East Fremantle Football club do, playing with East

Fremantle and after retirement is still involved with our District in a coaching capacity with the East Fremantle Football Club and helping with our District coaching Accreditation.

I would like to mention the re-establishment of our East Fremantle District Football Development Council, this group is made up of a cross section of volunteers and stakeholders who work together in "building, engaging and bringing local communities together through football".

Our members are representative of all stakeholders being District Western Australian Football Commission Kane Benson, East Fremantle League Football Club CEO Adam Kelly, Umpiring Russell Masters, Amateurs and Women's football Narelle Scott, Coaching Troy Douglas, Auskick Terry Allen, Junior Competition Alan Rumsley and Andrew Millward, Members of Local Government and Multicultural Benjamin Kunze and Committee member special projects Lew Watts.

Meeting monthly we look at opportunities to assist participation and transition across all segments

of our District with a focus on Multicultural, Women's, Schools plus looking at sustainability in our changing environment.

I would like to make mention of Umpiring. This has to be the toughest assignment in Football, I would rather take on Joel Selwood as opposed to 36 players 8 interchange and every spectator and official at a game. Thank you for your efforts, for if we do not have umpires we do not have a game.

It would be remiss of me not to acknowledge the work done in righting the East Fremantle District ship by Kane Benson and his team consisting of Daren Bell and Helen Hunter.

Kane's leadership and staying true to process, plus exceptionally thick skin are a welcome addition to our district.

Season 2014 has seen many highlights and challenges across the football space. The 10th year of the District Model, when the DFDC formed back then participation was in decline, with numbers around 80,000 and now in 2014 we are close to 200,000. This is testament to the

efforts of our Districts and regional districts across Western Australia. Mention must be made of our school Ambassadors as well across the State of WA.

The recognition of the DFDC with voting rights is a significant recognition of my fellow chairs. This again has taken ten years to come to fruition and for me is a highlight and a testament to the work of District.

The District Diagnostic, that has reviewed our District Model and provided a health check. Overwhelmingly the support for the current model was pleasing and again shows the power of a combined district effort.

The challenges associated with the new Western Australian Football League alignment model, I look forward to the reviews that come from the 2014 season.

East Fremantle Football Club playing finals.

The new Stadium and the challenges on sustainability. This outcome will very much shape our districts and regions moving forward.

The development of cooperation between Western Australian Football League clubs and District, after all

we are working in the same space. We have so much we together are able to offer Community.

The first year of our Southern Conference in our year 11 and 12 Teams between South Fremantle, East Fremantle and Peel which the masses said would never happen.

Our junior competition is entering a phase of change bought upon by fly in fly out families, single parents, 7 day trading as well as educational demands, with this and other factors, we must look at how we best create an attractive proposition to keep our year 11 and 12's engaged. We must also look at sustainability in its own right.

Congratulation to all participants in all levels of our great game and to those who played in finals and to those who were recognised for outstanding seasons in 2014.

May we see East Fremantle Football Club be successful in striving towards a Premiership in the coming year and I look forward to 2015 with enthusiasm and confidence across our District.

Finally it was my pleasure to present the first recognition award at our District Night, the recipient of this

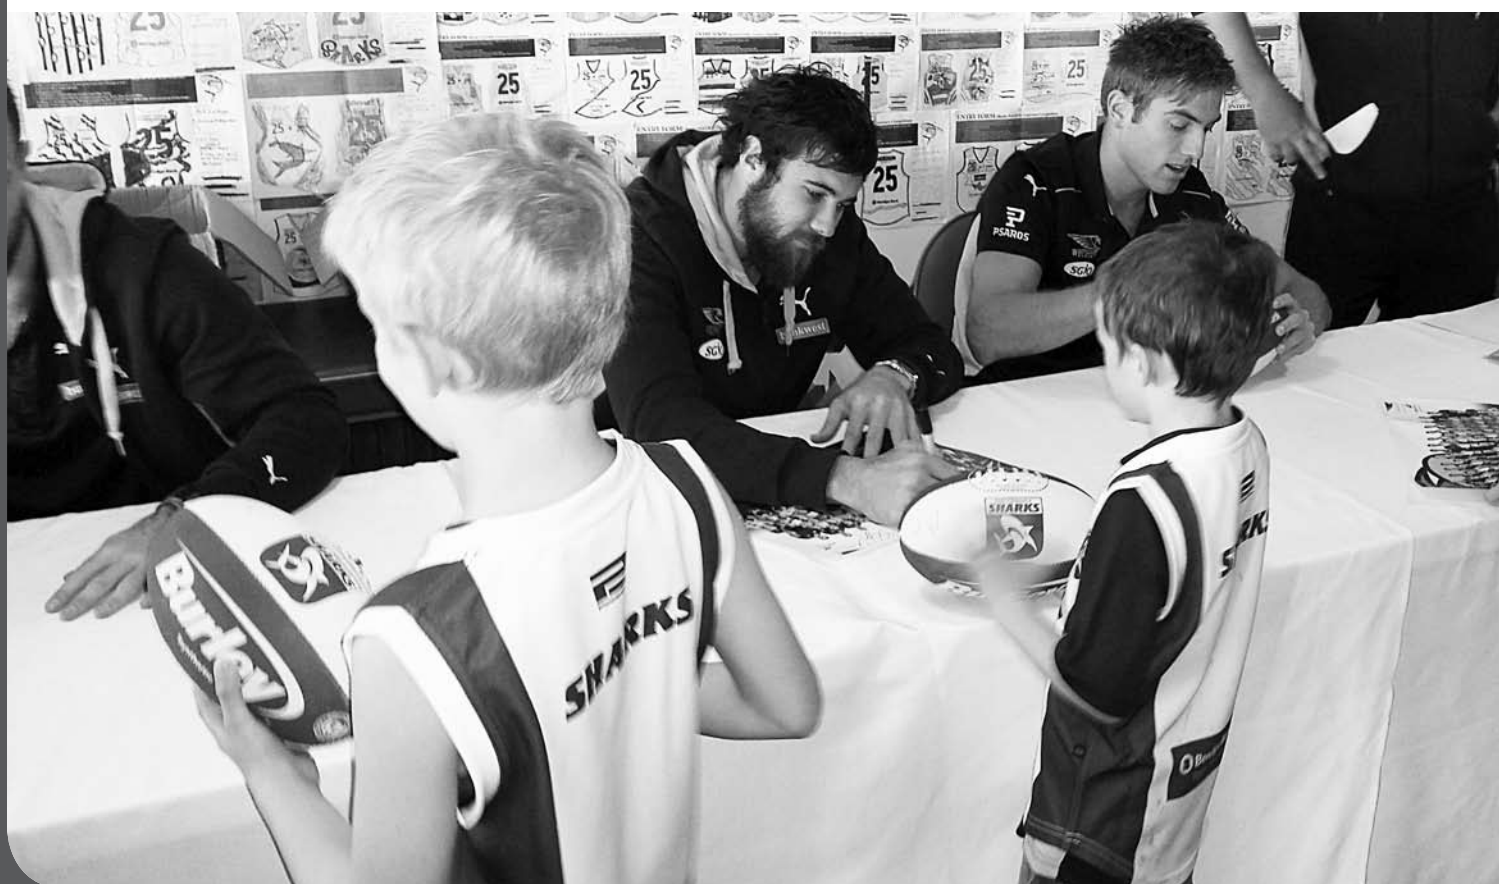

award needs no real introduction and certainly his presence, influence and support of district is recognised by peers and colleagues across the WA Football fraternity. This award went to Adam Kelly CEO of the East Fremantle Football Club.

Adam, I personally, along with all in our District thank you for your embracing of community culture, your legacy will live on in the actions of us all and all those you connect with moving forward. I would also like to wish you all the best in your new role with the SANFL and wish you and your family the very best, you will be missed.

It is with pride I acknowledge all recipients of awards at our District Night. These recipients are testament of the spirit and professionalism of our District and of our Community.

On this note I again thank all stakeholders across our football landscape of East Fremantle and bid all a very Merry Christmas and a Safe and Prosperous New Year.

2015 will beset us with more challenges than answers but we will grow as a District from our combined experiences.

# East Fremantle District Developm

I would like to take the opportunity to thank and congratulate all members of the East Fremantle Community. After having the opportunity to see the semantics of the District for the entirety of the year now I am amazed at the amount of hard work that goes on day in and day, some of it continually unnoticed.

Without the numerous volunteers that clubs and the District continue to call on we would not be able to run this great game. Often we forget that our volunteers do the day to day jobs without any thankyou so please take the opportunity to make sure you all thank at least one volunteer that you have not already thanked. To the players- without you our great game would not continue to grow. You will all face ups and downs in your football life and I hope that you see more of the ups than the downs. Congratulations to all award winners, premiership players and most importantly anyone who has turned up to a game

It is also very important to mention and thank all members of the DFDC and JCC for 2014. A special mention to Alan Rumsley who stepped into the vacant Competition Director role after the AGM. Alan and the team of Andrew Millward, Sue Cassidy- Parker and

**DISTRICT**  
"Growing our Great Game"

Drew Gaynor have done a fantastic job running the Junior Competition for 2014. They also oversaw the introduction of the Southern Conference model which saw teams from East Fremantle take on teams from Peel and South Fremantle in the Year 11 and 12 competitions.

I think it is important to take this opportunity to share with you the role of the District. It has often been construed that the District runs Junior Football and that is their sole role. This could not be further from the truth. The Junior Competition (year 3 – year 12) plays a big role in the District functions and relates to 28% of the total participation numbers for season 2014. Some of the other roles that District staff have been tasked with in 2014 include growing our great game in 9 Amateur Clubs, developing and expanding our Women's Club, partnering with our WAFL club on numerous events throughout the year, implementing new and already developed programs as well as running these programs in over 70 schools, continuing to grow school participation in numerous carnivals, developing multicultural programs to cater for the 49% of the constituents from our District born overseas, developing relationships with 5 Local

Governments, accreditation and management of over 400 coaches throughout junior and senior clubs, supporting clubs to run Auskick as well as developing new Auskick centres throughout schools, developing Female football from Auskick through Juniors to Youth and Seniors.

A small snippet of the statistics that show the district engagement are included below. It is important to note that over all areas of engagement within the District we have recorded a participation growth of 13.17% from season 2013 to season 2014.

Season 2014 also saw the introduction of a DISTRICT Awards Night. This event was held at the East Fremantle Football Club on Saturday 11<sup>th</sup> October. We had over 140 people in attendance from Palmyra JFC, Rossmoyne AFC, Booragoon JFC, Rossmoyne JFC, Willetton JFC, Attadale JFC, Canning Vale JFC, East Fremantle Women's Club, Piara Waters JFC, East Fremantle AFC, East Fremantle Football Club, Winnacott JFC as well as DFDC and JCC Executive and also representation from the WAFC.

There were numerous awards presented on the night and we would like to congratulate the following

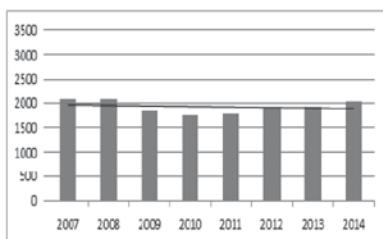

Award Winners:

- District Recognition Award- Adam Kelly EFFC.
- School of the Year- Cecil Andrews SHS.
- School Ambassador of the Year- Jeremy Bruse.

## Football Club

by Stephanie Walding

2014 saw some great results for the EFWFC across the entire Club.

Off field we have been successful in boosting our end of financial year bank balance again. This allows the Club to invest in targeted areas to provide a better experience for the playing group and additional members. (through equipment, uniforms etc)

Thank you to our Sponsors in 2014, Enhance Physiotherapy, Legends Bar and Bottleshop, Angelo Cuccovia Bricklaying, Tyeright Melville, 9 Seeds Café and Rebel Sport Melville. The East Fremantle Football Club again supported the women's team on a number of levels, thank you to outgoing CEO Adam Kelly, Business manager Kate Argent and the staff at the Club for their ongoing backing.

Season 2014 we entered our first stand-alone Youth Girls team which was a great success. The young Sharks showed great promise and are a major pillar of the future of the EFWC. We'll look to integrate the Youth Girls team further with the senior teams in 2015 and beyond, to help nurture and develop these young ladies.

The EFWFC were the only club to have all three teams participating in the finals series in 2014, a testament to the depth within all three teams. As we look forward we'll push to have more Youth Girls progressing through the East Fremantle Junior girls teams and give women and girls of all ages in the East Fremantle District the opportunity to play football.

The two senior teams, Reserves and league, lost the opening week of the finals but as a whole the season should be given a pass mark. Numbers at training were consistently high, rarely did players have to double-up on game day and whilst there were some unfortunate injuries, these seemed to be less than in previous years.

The Club has had a number of positive stories in 2014 which is a real reflection of the people we have involved with the Sharks:

- 3 players selected in SSWA 16s team
- 4 players member of the WA Youth Girls National Champions
- 3 players drafted in the AFL women's match
- Caitlyn Edwards – Australian Football Coaches Association WA Female Coach of the Year
- Telstra Community Club grant winners
- East Fremantle District - Senior Club of the Year
- Ashleigh Gomes – City of Melville Youth Sports Scholarship

As a football Club it is our objective to provide an opportunity for people to play football on a regular basis, I'd like to thank the people that help us achieve that throughout the year. Thank you to our coaches who put in a massive amount of time each week getting the players ready to wear the blue and white. Fish, Brett, Caitlyn

and Bree thank you. To our three awesome Team Managers, thank you for your power of work with the administration, cleaning of uniforms, logistics etc. Your input allows the players and coaches to focus on the game itself. To our runners, water people, timekeepers, interchange stewards and anyone else who has lent a hand in 2014, thank you, we really do appreciate it!

Thank you to the amazing committee. Often the work that goes on within the committee is done behind the scenes and the fact that we have a great group of coaches, players, sponsors and supporters is a direct result of the work that the committee have done and will continue to do.

Finally thanks to our players, and the reason this club exists. Keep wearing that blue and white with pride, it won't be long until we are back at the top of all three ladders and bringing home the cups!

Go Sharks

## Coastal Sharks Netball

RESERVES TEAM pictured above

Coastals Netball has enjoyed another successful season having won premierships in Reserves and 18 & U grades.

Our League team finished second but did not make the Grand Final. Last year Netball WA awarded Coastal Sharks with the 2013 Western Australian State League Netball Club of the Year Award.

Hence, we are very proud of the achievements of our athletes, coaches, managers and umpires.

From left. MOST IMPROVED 18'S & U: JESS SMITH, MVP 18'S & U: EMILY SMITH MVP LEAGUE: JESS PENNY, MVP RESERVES: MARLEE MATAU, CLUB PERSON: EVIE GUELFIE

Coached by Karen Turnbull, Anne Bowey and Managed by Nola Appleby our U18's & U were undefeated during the season. After losing the semi-final they came back to win the preliminary final and then comfortably win the Grand Final against South East Demons 60-43.

In a nail biter Grand Final, our Reserves team coached by Nicola Miller, Lisa Callaghan and managed by Claire Adshead, Coastal Sharks' Goal Shooter Mez Telfer scored the winning goal on the siren against Wheatbelt Flames to clinch a one goal victory.

The League team Coached by Sue Gerrard, Michael Liddelow and Managed by Deb Poole had an excellent season finishing runners up in the minor premierships. However, they were defeated in the finals series and failed to make the Grand Final. This was a bitter disappointment for the players who had previously beaten the eventual winners.

The Coastal Sharks' Region includes Fremantle, Rockingham and Mandurah Netball Associations which contributes to an extraordinary depth of talent across all age groups stemming from our grassroots competitions through our junior elite Academy, Cadets and Pups programs as well as our State League teams. The players noted below are to be congratulated on their individual successes. The Region also has some outstanding umpires with Vanessa Pittorini selected to officiate at the National U17's & National U19's. The netball community has been eagerly looking forward to

playing State Netball League games at the new WA Netball Centre in Floreat. However the damage caused to the venue from a fire earlier this year was extensive and will delay the opening until early next year. Nevertheless we are excited about having a State Netball Centre which will be managed by Netball WA and primarily used as a netball facility.

The Coastals Committee continues to work to secure venue access within our Region and will continue to work with Cockburn City Council for access for training and home games at the new Cockburn Facility due for completion in 2017.

Coastal Sharks wishes to thank the East Fremantle Football Club, our premier sponsor for our new office space in the EFFC administration building and for continued access to function room facilities along with our 2014 minor sponsors, Insight Physiotherapy, Cygnet Bay Pearls and Arimia Wines for their support. Fundraising continues to be an important element in the Coastal Sharks season to offset the participant costs.
