

2014 AFL High Performance Coaching Courses

Nominations now open

The target group is coaches who are aspiring to elite/representative coaching. This would include coaches in AFL clubs who do not have AFL HPC accreditation, WAFL Coaches, WAFL Colts, AFL Academies or equivalent and representative teams.

The High Performance course will cover the following areas of competency applied to a high performance coaching program in Australian Football.

Coaching philosophy	Program management	Communication strategies
Game plans	Game analysis	Presentation skills
Training programs	Sport sciences	Individual needs
Talent identification	Umpiring support	Public relations
Advanced skill development	AFL policies and regulations	

Attendance will be by invitation only, using the current application and selection processes.

The course fee is \$1,200 (which does not include travel). In certain circumstances subsidies may be available to assist coaches to attend.
