PRESIDENT'S REPORT

HAYDN RAITT

Another year has passed in the history of the great South Fremantle Football Club.

I must start with the outstanding performance of our reserves side winning the 2015 grand final. Well done to coach Tony Walters and all your support team for what was a great and dominant season. And full credit to the players for the way you played your football during the year. It was a treat to watch.

To Todd Curley and his support coaches, we look forward to 2016 and thank you for your efforts this year. While we did not get the results we were looking for you have set up a great base and a solid platform for 2016.

It makes me proud to be President of this club to see how hard and harmonious all of our support crew and volunteers worked during the year for the betterment of this club. On behalf of the Board I thank you.

To our Ladies led by Marion Reid, what you do sometimes at the drop of a hat is fantastic and we all appreciate it.

This year we celebrated a second group of players and officials who were inducted into the club's Hall of Fame, with the likes of Stephen Michael being recognised as a Legend. It was a great night in the club's history and our thanks to Terry Dean, Brian Ciccotosto and their committee for the organisation of this great event.

There is a great future for this club both on and off the field.

Off the field we are waiting for some reports as to the future development of all facilities at Fremantle Oval and our office is working closely with the City of Fremantle and the State Government through Sport and Recreation as to the outcomes. When this happens we will bring the proposals to our Members for comment.

On the field we have a very well equipped coach in Todd Curley who laid some strong foundations for the future, and with our younger players coming through, mixed with our more senior players the future looks bright for the club.

STEPHEN MICHAEL AND HAYDN RAITT

ANNUAL REPORT AND YEAR BOOK 2015

On a sadder note we lost some great Members and Life Members who passed away during 2015 and we will remember them for their contribution to the club. We lost Member Joe De Petra who was awarded Life Membership for his commitment to the club for the rebuilding of so many areas that make up our clubhouse for close to 30 years. To Beryl and family, many thanks for affording him the time to carry out his great work. He will long be remembered.

I would also like to thank our office staff led by Stuart Kemp and Michelle Miller for their efforts throughout the year and for the way they worked with the City of Fremantle in getting our new administration office completed. A big thank you to the City of Fremantle for allocating the funds to complete the administration office renovation.

I would also like to pay thanks to our country zone and city clubs for supplying our club with some great

young people. Thanks to their parents, at one game we had six players from Katanning in the side.

To my Board, we have brought together a very good team of people that give their time freely because they all love this club and want it to have great success both on and off the field. There is a blend of young and old and not too long in the future, the younger ones will lead this club and we older ones will sit back, watch and enjoy a beer. So to my Board, thank you for your commitment of time and your company, I hope you enjoyed it as much as I did.

Lastly, thank you to my wife Sue who allows me the time to play my role at this club that I have great passion for.

2016 bring it on.

SOUTH FREMANTLE FOOTBALL CLUB

CHIEF EXECUTIVE OFFICER REPORT STUART KEMP

As was our goal when we planned for this year, 2015 has been a year of consolidation off the field and a year of change on the field.

In his first year Todd Curley has built the foundations for future sustained success and now with a quality team around him, our senior squad, we believe, is not far away from being very competitive. With a new Football Operations Manager David Depane and a Player Development Manager Jason Pedulla there was definitely a lot of changes in the football department. Excitingly, our reserves won a well-deserved premiership and it's safe to say they were well ahead of the whole competition all year. Big congratulations to Tony Walters and his team of coaches who did a professional and quality job.

Although the league team finished the year seventh, the same as 2014, I feel we have made big gains this year and our group is maturing and I expect success in years to come. Unfortunately, again in 2015 our consistency let us down after a good start to the season. Some long-term injuries to key players like Haiden Schloithe and Ben Saunders didn't help our cause either and I don't feel we ever regained our momentum and output for the rest of the year like we had for the first few weeks.

As I have mentioned, it was a fantastic year for the reserves winning the premiership. In a fitting end, the team's retiring captain and legend of the footy club Paul Mugambwa was carried off after the premiership win. Paul has been an outstanding player, contributor and friend to many during his years at the club and I know he will be sadly missed by everyone. We wish 'Gumby' all the very best for what the future brings.

Our colts in 2015 had an indifferent year and had their opportunities to finish a little higher. Our philosophy with our development group is changing a little and winning is not the overriding priority. Development of the player's skills, basics of the game, culture and teamwork to make them ready for senior football is essential and this is where we are heading. I want to congratulate Jason Ireland, who did a great job this year, with his commitment and passion for the club and his group. Jason knows that it was not always about the results, however more importantly the development of the kids. He has made a strong contribution to setting our program up for years to come.

To our Head Coaches, Todd Curley, Tony Walters and Jason Ireland, along with all your assistant coaches and support staff, congratulations on a wonderful job for the club during the year. Special mention to Michelle Cowan who finished her coaching career with the Bulldogs to go on to bigger things.

She has been outstanding with her commitment, knowledge and most importantly coaching ability during her time at the club and she will be sadly missed. We wish her all the best for the future.

Congratulations to Craig White on a wonderful career and he finished the year off in style by seeing out the season, retiring on 192 games. From Williams, 'Whitey' has done it all at the club as a dual premiership player and life member.

Finally, I wanted to make a special mention to all of our trainers. They are some of the hardest workers out of any volunteers and support staff at the club.

Bronte Gorfin and her team have done a wonderful job and I have no hesitation in saying that we have the best medical team in the competition.

The season was punctuated with some individual achievements and congratulations to the following:

STATE TEAM REPRESENTATIVES: Ryan Cook, Cory Dell'Olio, Ashton Hams, Marlion Pickett, Blayne Wilson

WJ HUGHES MEDALLIST: Ashton Hams

LEAGUE DEBUT: Traye Bennell, Blayne Wilson, Bailey Matera, Chris Luff, Jacob Dragovich, Josh Branchi, Callum Ah Chee, Matt Ah Siu, Kade Stewart, Tim Stewart

100 GAMES: Adam Guglielmana

150 GAMES: Ashton Hams

CO-LOCATION BUSINESS CASE

The business case, by the time this Annual Report is printed, will be close to being delivered. All parties have been working on this diligently and negotiations have been amicable during the whole process. The project has shown me that all parties can work together for the betterment of the co-location for South Fremantle FC and East Fremantle FC, football in Fremantle and the community as a whole.

There is a lot of 'water to go under the bridge' yet and we will keep all of our stakeholders in the loop, however I would like to mention how open and helpful the City of Fremantle has been in the process and we feel confident as the incumbent club that we will have a good result for everyone at our organisation.

ANNUAL REPORT AND YEAR BOOK 2015

ADMINISTRATION

Big thank you to our staff who every year do a wonderful job to run and manage the office. Our goals of quality customer service is extremely important to us and I feel our team is one of the best. Thank you in Administration to Michelle Miller, Jay Walter, Jess Nolan, Darren Winnett, Chris Pike and Steve McCarthy for all of their hard work again this year. In football, thank you to David Depane and Jason Pedulla.

LIFE MEMBERSHIP

The Board has much pleasure in recommending Bob Mason, Basil Campbell, and John Dimmer for Life Membership. Ashton Hams has qualified for Life Membership as a result of playing his 150th game.

LIFETIME MEMBERSHIP

The Board has much pleasure in recommending Barry Tilbury, Ian MacLean, Gordon Crane, John Ravlich, Denis Ryan, Ian MacKay, Kerry Reilly and Jack Edwards who qualify for Lifetime Membership in 2015 by virtue of continuous 50 years membership. The Board has much pleasure in recommending: Rowley Daw and Graham Scott who qualify for Lifetime Membership by virtue of making their debut 50 years ago.

VOLUNTEERS

Our Volunteer of the Year award was another enjoyable night. We can't say enough about our volunteers and the commitment they give to our football club. This night is an excellent event to recognise their efforts. Big congratulations to Peter Taylor-Thorpe for winning the Bulldogs 'Volunteer of the Year' and Lorne McGuinness for winning the District 'Volunteer of the Year'. We are lucky to have those guys who give so much to the club. I would like to acknowledge our other nominees in the three different areas:

DEVELOPMENT/COLTS - Jeremy Nodari – Runner/Board/Property/BBQ – *Winner ahead of Sue Collier and Jason Corner*

HOUSE NOMINEES - Karen Allgood - *Winner ahead of the tea ladies (Bertha, Margaret, Marion), Ron Johnston and Ange & Alf*

SENIORS NOMINEES - Peter Taylor-Thorpe - *Winner ahead of Les Olivieri, Lorne McGuinness, Dylan Briotti, Tony Mollica, Peter Matier, the stats team (Alan Powell, Sue Gurney, Anna Kristancic, Felix Smetana and Tracey Hall) and the time keepers (Jenny Nikolich, Terry Turnbull, George Cole)*

FINANCIALS

I would like to re-iterate that our on-field performance has a direct effect on our financial position for the year and we need to get our on-field right in 2016. As mentioned earlier, it has been another year of consolidation in 2015, looking after cash reserves and maintaining our policy of tight fiscal management. New revenue streams are essential and there is a strong focus in this area. I don't feel we have too many areas to cut costs as we are a very lean operation at the moment. In a difficult year we have been fairly pleased with the result, however there is always room for improvement in this tough market place and we will continue to work hard for long term, sustained health of our organisation.

CORPORATE PARTNERS

The club is extremely lucky to have such a quality group of partners, supporters and sponsors. So many people do a lot for our organisation and don't ask for anything in return. We cannot thank our corporate partners enough and I'm really looking forward to rewarding them in 2016 with some success on the field.

Thank you to every partner including our major partnership group of John Hughes, Metwest Steel, WA Hino, Total Eden, Bendigo Bank, Vassallo Group, FLN Group, Strzelecki Group, The Gate Bar & Bistro, Tyrrells Wines, Homestyle Salads and S & D Jewellery.

OTHER STAKEHOLDERS

Past Players: Thank you to all of the fundraising the Past Players did in 2015 for the club. Congratulations to Ray Van Burgel for doing a wonderful job as President this year. It is a difficult task and he was very understanding and supporting of the football club. Thank you also to Barry Smith, Ronny, George, Wayne, Rod and committee for their support this year.

District Football Development Council: Thank you to the Metro South staff including Bradd Gardiner, Kane Benson, Robyn & Lachy for all your support and dealings with our organisation.

Centurion Club: Another sterling effort from the 'Boys Behind the Bar' in the Centurion Club. Capably lead by Bowie Pasqua I would like to thank him and his team of Alf, Ang and the boys who every week help out. They always provide a fun, enjoyable day for our members.

To the Board of the Club: Welcome to Tim Reed who did a great job this year and helped out with all of our events. To Haydn, Peter, Bowie, Sal, David, Gavin, and Rory thank you for all of your support during the year.

US camp an insight into AFL rigours

A TRIP to the United States has helped two South Fremantle Football Club players prepare for the rigours of being an AFL player. Kade Stewart and Callum Ah Chee are members of the NAB AFL Academy level two squad that recently finished a 10-day high-performance training camp in Florida with other potential AFL players. The level two squad is comprised of the 35 best under-18 players.

Winners all

TWO big name players took out their respective medals as the East Fremantle and South Fremantle football clubs both held their best and fairest counts over the weekend. At the Bulldogs, 153-game veteran Ashton Hams took out the WJ Hughes Medal with 124 over captain Ryan Cook with 90 and Marlion Pickett on 88. Anthony Collica and Brandon Donaldson took out the honours in the reserves and colts respectively. East Fremantle ball-magnet Brock O'Brien won the Lynn Medal in a close count over Jamie McNamara and Cameron Earley. Fraser Perry cemented his place as one of the up-and-coming youngsters, taking out the colts' best and fairest.

AFL dream in his sights

INTERNATIONAL EXPERIENCE

SOUTH Fremantle Football Club's Callum Ah Chee (17) is tipped as one to watch or AFL draft selection this year. Ah Chee recently returned from a 10-day high performance training camp at the IMG Academy in Bradenton, Florida, as a member of the AFL Academy Level Two squad, which includes the best 35 under-18 players in the country. The talented player, from South Fremantle Football Club, said the performance camp allowed him to realise his strengths, while training alongside elite athletes. "It was an awesome but tough week," he said. "I learnt how far I could push myself mentally and physically." Players in the squad are eligible for the 2015 AFL draft - which is what Ah Chee has his sights set on. "To be drafted to go to any club, would be awesome. "I eventually want to play professionally." Ah Chee has already been compared to his older brother

Brandon Ah Chee who plays for Port Adelaide. "My brother being in the AFL system has inspired me a lot," he said. "There are also some great people at South Fremantle who have supported me." At the recent AFL Draft, seven of the top 10 players were academy players including the first selection Patrick McCartin. The AFL Academy is a key component of the NAB AFL Rising Stars Program.

Optimistic about 2015

SOUTH FREQ GET SERIOUS

THE South Fremantle Football Club is hoping a new coach will mean a fresh beginning as they head into the 2015 WAFL Season. After a shaky start to 2014, the club won six of their last seven matches to finish with a more respectable 9-11 record, but that did not stop coach Paul Hasleby handing over the reins to Todd Curley at the end of the season. With a raft of new players pulling on the red and white, including former Eagles Adam Carter and Blayne Wilson and former Essendon player Cory Dell'olio, club chief executive Stuart Kemp is optimistic. "We've been lucky enough to pick up some great recruits, with most of them being home-

grown Bulldogs boys," he said. "We can't wait to get started. We feel the team will be very competitive in 2015 and our goal is to continue to improve this year, with finals not out of the question." Kemp said the club was surging ahead with membership numbers, already ahead of where they were at the same time last year. South Fremantle's first game is against West Perth at Fremantle Oval this Friday from 7pm. Stuart Kemp's Predictions: Finish: Third Most Goals: Cory Dell'olio WJ Hughes Medalist: James Sellar Best First Year Player: Blayne Wilson

Home-grown feel to new list

Bulldogs bark WITH STUART KEMP

WITH the excitement of the 2015 WAFL season almost upon us, I thought it would be a great opportunity to discuss some of our new recruits this year. Firstly, I wanted to give a big congratulations to our AFL draftees, Billy Prampton, Jarrod Garlett, Jermaine Miller-Lewis and Jarrod Pickett. We wish them luck in their quest in the AFL.

The football club has been training hard over the summer and we have been lucky enough to pick up some great recruits. Most of them are home-grown Bulldogs boys, including Adam Carter (Eagles/SFFC), Cory Dell'olio (Essendon/SFFC), Kyle Hams (Swan Districts/SFFC), Blayne Wilson (Eagles) and Chris Luff (Peel).

We are looking forward to an exciting 2015 and with new head coach Todd Curley, there is a great feeling around the place. We come up against West Perth this week in a night game to kick off the season, with a 7pm bounce-out at Fremantle Oval. Don't miss out on the official game-night function: \$40 only gives you entry, buffet meal, a great evening, plenty of laughs, with lots of guest speakers.

Contact our office for tickets on 8335 1555. As always, I encourage all of our supporters to visit our website at www.southfremantlefc.com.au for all our events, fixtures and information. Look out for the Bullies in 2015.

Perfect start for Bulldogs

FOUR GOALS TO WHITE, WILSON DOMINANT

South Fremantle Football Club 14.6 (80) defeated West Perth 8.7 (55) at Fremantle Oval.

SOUTH Fremantle made the perfect start to season 2015 after downing West Perth by 35 points at Fremantle Oval on Friday night. Led by four goals from Craig White and 28 possessions from Blayne Wilson, the Bulldogs managed to ride out the tight early exchanges and a brief fightback to see themselves to an early-season win.

While both sides took time to find their feet in the first official match of 2015, it was South Fremantle that found its groove first, notching up four goals to one in the opening quarter.

Shaun Bewick (25 disposals), Kyle Hams (27) and brother Ashton (25) found plenty of the ball in a winning effort. West Perth's Jay van Berlo gathered 20 disposals, with teammate Matthew Guadagnin tallying 19.

East Fremantle 13.18 (96) defeated East Perth 5.11 (41) at Subiaco Oval.

THEY were inaccurate in front of goal but East Fremantle have come close to cracking the 100-point barrier while seriously clamping down in defence to suffocate East Perth and record its first win of the season at Subiaco Oval on Saturday.

It took East Fremantle until the third term to concede a major, but by then the horse had long bolted.

South Fremantle after its first-round win over West Perth.

The Sharks had winners across the board. Liam Anthony tallied 28 disposals and two goals, while fellow ball-winners Sean Henon (24 disposals) and Bradd Dalziel (31 disposals) put through two of their own to ensure a comfortable first-up win.

Subiaco 15.16 (106) defeated Claremont 9.7 (61) at Leederville Oval. SUBIACO kicked away in the final term to leave Claremont in its wake at Leederville Oval on Saturday.

Heading into the final term, the Lions enjoyed a 12-point buffer but consolidated their lead with six final-quarter goals to ensure they headed to the sheds with their first points of 2015. Clancy Wheeler and Shane Yarran did the damage up front, both bagging five goals each.

They were aided by 23 disposals to Reece Hlechyndan and 28 to Leigh Kitchen.

For Claremont, Shane McAdam booted three and Thomas Ledger tallied 28 disposals.

Gazette wins comp

THE South Fremantle Football Club showed off their new shirt sponsor in their first hitout against West Perth on Friday night. The Fremantle Gazette won the club's Corporate Classic competition, meaning the newspaper's logo will feature on the back of all league and reserves shirts for the entire 2015 WAFL season.

ANNUAL REPORT AND YEAR BOOK 2015

2015 SEASON ROUND BY ROUND WRAP

ROUND 1 FREMANTLE OVAL

The season began in style with a 35-point victory over West Perth on Friday night. The 14.6 (90) to 8.7 (55) win was South Fremantle's first in Round 1 since 2010.

South Fremantle controlled the game from across half-back and it was former West Coast-listed defender Blayne Wilson in his debut with the Bulldogs and Kyle Hams in his first game in the red-and-white since 2010 who were the standouts.

Brock Higgins had a strong game in the ruck with 17 touches and 43 hit outs with Ashton Hams taking advantage with 25 possessions and Shaun Bewick 25. Craig White kicked four goals.

The reserves won a thriller by three points on Saturday with Toby Bairstow racking up 34 possessions and John Sgherza kicking three goals. Josh Branchi had 55 hit outs. The colts also beat West Perth by 34 points with Brandon Colbung booting six goals.

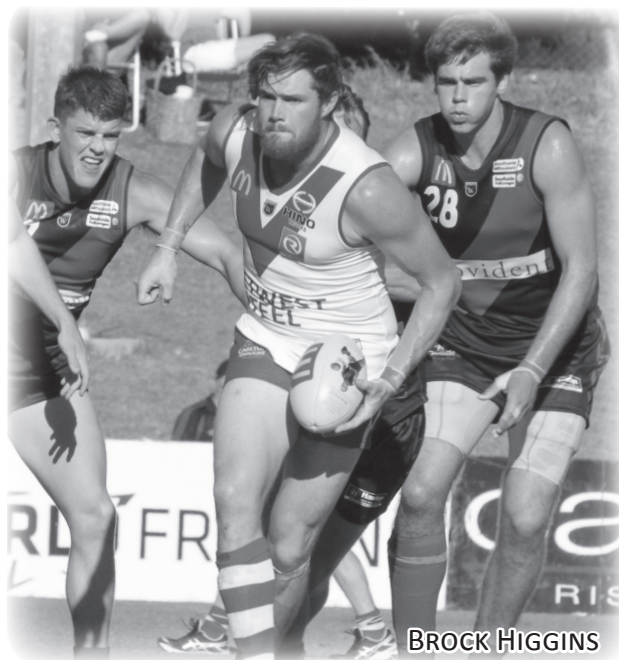

ROUND 2 LATHLAIN PARK

Perth came with a late charge but it was still a 10-point win with the Bulldogs claiming a seventh straight victory dating back to last year. The Bulldogs led by 42 points against the Demons during the third quarter and then again by 39 early in the last before holding on to win by 10.

Ben Saunders kicked four goals for the Bulldogs and James Sellar three with Blayne Wilson having another strong game down back with 23 possessions and eight marks.

Haiden Schloithe picked up 27 disposals, captain Ryan Cook 23 touches and Jacob Martinez 19 while Adam Guglielmana had a fascinating duel with Sydney Swans AFL premiership player Mitch Morton.

The reserves thumped Perth by 93 points while the colts also won by 35 with Jake Florenca and Brandon Colbung kicking two goals each, and Jesse Musika picking up 20 possessions.

BROCK HIGGINS

ROUND 3 FREMANTLE OVAL

A third straight win to open 2015 saw South Fremantle surge to the top of the ladder with the 38-point win over Claremont on Good Friday.

South Fremantle's eighth straight win was a commanding performance with 31 scoring shots to 13, 117 more possessions and 22 more entries inside-50. It gave the Bulldogs their best start to a season since 2006.

Ben Saunders, Ashton Hams, James Sellar and Cory Dell'Olio all kicked two goals with Hams having 31 possessions as well.

Brendan Verrier had 28 disposals, Haiden Schloithe 24, Jarrod Parry 23, Ryan Cook 22 and Kyle Hams 21 while Adam McIntosh kept Ian Richardson goalless, Dylan Ross shut down Claremont's tall forwards and Marlion Pickett had 25 touches. Brock Higgins had 20 possessions and 22 hit outs.

The reserves won by 26 points with John Sgherza kicking seven goals and Ben Sokol three while Toby Bairstow gathered 30 possessions, Anthony Collica 27 and Tim Stewart 24. The colts went down by two points in a thriller with Brandon Colbung, Miles Barritt and Jesse Mudge kicking two goals.

ROUND 4 STEEL BLUE OVAL

The winning run came to an end with a 21-point loss to Swan Districts at Bassendean with South Fremantle losing for the first time since Round 18, 2014.

Blayne Wilson put together another strong performance across half-back with 25 possessions and 14 marks. Anthony Collica came back into the team and had 27 disposals with Ashton Hams collecting 26, Ryan Cook 23 and Tim Kelly 23. Josh Pullman and Cory Dell'Olio kicked two goals.

The reserves continued its unbeaten start with a 104-point thumping with Paul Mugambwa kicking four goals, and Noah Strom, Ben Sokol and John Sgherza three. Josh Branchi had 20 touches and 24 hit outs in the ruck.

The colts lost by 26 points. Brandon Donaldson kicked two goals with Jake Florenca and Joel McComb collecting 19 disposals.

SOUTH FREMANTLE FOOTBALL CLUB

ROUND 5 FREMANTLE OVAL

It was a disappointing showing back at the port against the reigning premiers with Subiaco winning by 89 points.

The Bulldogs started solidly but the Lions kicked 20 of the last 26 goals.

Ben Saunders kicked three goals and Cory Dell'Olio two with Ashton Hams having 29 possessions, Brendan Verrier 26, Tim Kelly 22, Jarrod Parry 22 and ruckman Brock Higgins 43 hit outs. Marlion Pickett, Adam Guglielmana and Blayne Wilson all battled hard as part of an under siege defence.

The reserves remained unbeaten with a 34-point win with Ben Sokol kicking three goals and Toby Bairstow collecting 21 possessions as did Lewis Harvey with 10 tackles.

The colts won by 58 points with Brandon Donaldson booting four goals and Miles Barritt racking up 30 possessions, Jake Florenca 27 and Jesse Musika 24.

ROUND 6 FREMANTLE OVAL

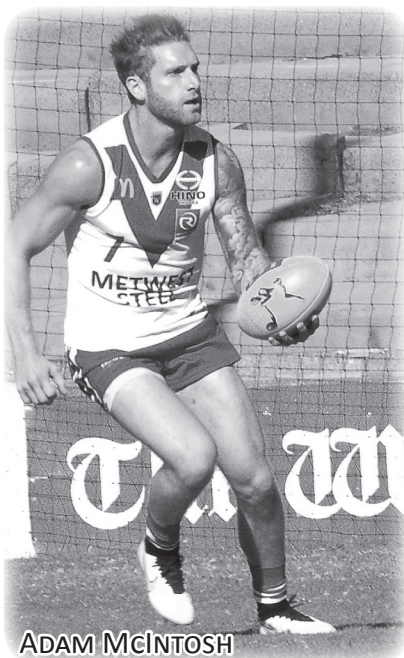

It was a vastly improved performance in the Anzac Derby at Fremantle Oval as South Fremantle's intensity lifted, two young inclusions stood up and Ben Saunders took the Mark of the Year, but a costly 16 minutes in the second quarter proved fatal with East Fremantle winning by 17 points.

South Fremantle kicked four goals to one in the first quarter and continued to press hard in the final quarter, but conceding seven goals straight in 16 minutes in the second quarter proved too much.

There were good signs with Brock Higgins in the ruck, Adam Guglielmana shutting down George Hampson, Josh Pullman up forward and the exciting debut of Jacob Dragovich and terrific tagging job of Simon Panizza on Liam Anthony. Ashton and Kyle Hams also combined for 51 possessions.

The reserves lost for the first time in 2015 with East Fremantle winning by 16 points despite two goals from Craig White, John Sgherza, Alistair Gillespie and Ben Sokol, and Mitch Carter's 28 possessions.

The colts won by 31 points with Alex Robinson kicking three goals and Jamie Foster collecting 24 possessions and Jesse Musika 22.

ROUND 7 MEDIBANK STADIUM

It was back to the winner's list in style as South Fremantle put in an outstanding performance on a five-day break to beat East Perth by 13 points on the back of a five-goal to nil third quarter.

Cory Dell'Olio played his best game of the season with four second half goals while James Sellar had three goals from 22 disposals and 10 marks. Blayne Wilson led the back-line with 25 touches and 12 marks while Adam Guglielmana had 21 possessions and Marlion Pickett 20.

Jacob Dragovich and Simon Panizza were again impressive and Ashton Hams gathered 29 disposals and Brock Higgins 22 with 17 hit outs.

The reserves remained on top of the ladder with a strong win with James Laurino having 25 touches and three goals, the same numbers as John Sgherza. Brendan Verrier had 38, Toby Bairstow 35, Lewis Harvey 33 and Craig White 24 with 10 marks and 11 inside 50s.

The colts also won by 37 points with Brandon Colbung outstanding with 20 possessions, 10 marks and five goals.

ROUND 9 FREMANTLE OVAL

The momentum from before the bye didn't continue with Peel Thunder holding South Fremantle to its lowest ever score against them to beat the Bulldogs by 44 points in wet and cold conditions at the port.

Kyle Hams continued his strong return in 2015 with 28 possessions and nine tackles with Ryan Cook finishing with 26 disposals, Simon Panizza 21, Tim Kelly 20 and Jarrod Parry 18 with 10 tackles. Cory Dell'Olio kicked two of South Fremantle's five goals and Adam Guglielmana kept Leroy Jetta quiet.

The reserves had a convincing 46-point win with Josh Branchi leading the way in the ruck with 24 touches and 38 hit outs. Matthew Gundry had 25 disposals, Brendan Verrier 25, Anthony Collica 23 and Chris Luff 23.

The colts also won by 40 points with Brandon Colbung kicking three goals and Joel McComb collecting 21 disposals.

ANNUAL REPORT AND YEAR BOOK 2015

ROUND 10 ATOM STADIUM

The last four goals with Paul Mugambwa nailing the match-winner saw the Bulldogs score a courageous and memorable five-point WA Day Foundation Derby victory over East Fremantle.

Without Blayne Wilson, Ben Saunders, Haiden Schloithe, Jacob Martinez and then Tim Kelly, it was a brave comeback win after East Fremantle led by 33 points at quarter-time and by 22 midway through the last quarter. South Fremantle kicked the last four goals with Mugambwa nailing the winner on his left boot at the 25-minute mark.

Ryan Cook was named best afield for his 23 possessions, 10 marks and three goals. Cory Dell'Olio kicked four goals and Ashton Hams had 29 disposals and Adam Carter 23. Josh Branchi made an encouraging debut.

The colts lost by 52 points with Miles Barritt racking up 26 possessions while the reserves had a thumping 61-point victory with John Sgherza kicking four goals and Brendan Verrier racking up 34 touches, Toby Bairstow 33 and Anthony Collica 33.

ROUND 12 MEDIBANK STADIUM

Despite a slow start, South Fremantle delivered an improved performance against Subiaco at Leederville but the end result was still a 22-point defeat against the eventual premiers.

Adam Guglielmana continued his outstanding form keeping Shane Yarran to just two goals with Marlion Pickett providing good attack with 21 disposals.

Ashton Hams had a game-high 32 possessions with Ryan Cook finishing with 21 touches, Steve Verrier 19, Jarrod Parry 18 and ruckman Brock Higgins 15 to go with 31 hit outs.

The reserves won by 21 points with Brendan Verrier having it 37 times, Jacob Martinez 28, Zac Strom 25, James Laurino 24, Matthew Ah Siu 23 and Ben Sokol 23.

MARLION PICKETT

ROUND 11 FREMANTLE OVAL

Backing up the derby proved no concern with South Fremantle handing Perth a 38-point defeat back at Fremantle Oval on the back seven goals to one in the fourth quarter.

Steve Verrier moved onto the ball with great effect having 27 possessions while Ashton Hams finished with 23 and two goals. Jarrod Parry also had 18 touches and Toby Bairstow 17.

Josh Pullman starred up forward with four goals while Cory Dell'Olio, Paul Mugambwa, Jacob Dragovich, Shaun Bewick and Craig White kicked two. Adam Guglielmana kept Mitch Morton quiet and Adam McIntosh had 20 possessions.

KYLE HAMS

The reserves stayed on top of the ladder with a 33-point win with John Sgherza kicking five goals and Lachie Harris three. Ben Sokol had 24 possessions.

The colts won a nail-biter by one-point with Jesse Musika gathering 31 possessions, Daniel Burke 24 and Jamie Foster 22.

ROUND 13 HBF ARENA

The Garlic Munchers Cup didn't come South Fremantle's way and it wasn't the celebration hoped for Adam Guglielmana's 100th match with West Perth winning by 15 points.

Haiden Schloithe kicked four goals while Blayne Wilson kept Tyler Keitel goalless picking up 26 possessions himself. Zac Strom limited Michael Lourey to just three kicks while Guglielmana and Adam McIntosh combined to keep Matt Johnson and Steve Potente to one goal between them.

Ashton Hams had 30 possessions, Ryan Cook 26, Marlion Pickett 22, Tim Kelly 20 and Kyle Hams 20.

The reserves won by 31 points with Ben Sokol kicking four goals and Toby Bairstow compiling 38 disposals, Shaun Bewick 30 and James Laurino 24. The colts lost by 16 points despite three goals from Kade Stewart and Mitch Dzelebdzic.

SOUTH FREMANTLE FOOTBALL CLUB

ROUND 14 FREMANTLE OVAL

A memorable day at Fremantle Oval with the premierships of 1970, 1980 and 2005 taking place turned into a great celebration with a thrilling two-point win over Swan Districts.

Ryan Cook was again best on ground with 34 possessions and 16 marks while Kyle Hams wasn't far behind with 32 disposals. Ashton Hams collected 30 touches, Tim Kelly 23, Jacob Martinez 23 and Brendan Verrier 21.

Chris Luff, Blayne Wilson and Marlion Pickett were all particularly strong defensively while Cory Dell'Olio kicked two goals including the late match-winner that took a lucky bounce.

TIM KELLY

The reserves lost their second match of the season by eight points despite Anthony Collica collecting 40 touches and Shaun Bewick 34. The colts won by 35 points with Brandon Donaldson kicking four goals and Jamie Foster racking up 28 touches and Bodhi Corner 25.

ROUND 16 CLAREMONT SHOWGROUND

Despite dominating the last three quarters, a slow start came back to bite South Fremantle with Claremont holding on to win by four points in the traditional NAIDOC Round clash.

Claremont kicked seven goals to two in the first quarter, and despite South Fremantle booting six goals to two the rest of the day it wasn't quite enough.

Brendan Verrier finished with 33 possessions, Ashton Hams 30, Tim Kelly 30, Marlion Pickett 22 and Blayne Wilson 21.

Haiden Schloithe was again the most dangerous option in attack with three second half goals.

The reserves won by 23 points with Kaiden Matera kicking four goals and Callum Ah Chee outstanding with 23 touches and two goals. Shaun Bewick amassed 41 disposals, Matthew Ah Siu 30, Anthony Collica 30 and Tim Stewart 28.

The colts won by 65 points with Jake Florenca and Mitch Dzelebdzic kicking three goals, and Brandon Donaldson gathering 23 touches, Daniel Burke 22, Miles Barritt 21 and Jesse Musika 21.

ROUND 17 ATOM STADIUM

The final derby for 2015 saw South Fremantle need to come from behind for a memorable win over East Fremantle.

The Bulldogs were 11 points down at three quarter-time, but had the aid of the breeze in the final term and took full advantage kicking the opening three goals including two to 17-year-old debutant Callum Ah Chee.

Josh Pullman and Ah Chee kicked three goals while James Sellar, Blayne Wilson and Chris Luff were strong in the back-line.

Ashton and Kyle Hams were massive combining for 69 possessions with Haiden Schloithe gathering 27 disposals, Tim Kelly 22 and Brendan Verrier 22.

ANNUAL REPORT AND YEAR BOOK 2015

ROUND 19 MEDIBANK STADIUM

It was a brave showing in the third meeting against the eventual premiers Subiaco at Leederville by South Fremantle but the Lions overwhelmed the Bulldogs in the last quarter to win by 44 points having kicked seven goals to one.

Ashton Hams was celebrating his 150th game to earn life membership and had 36 possessions while Jarrod Parry had 23 disposals, Tim Kelly 21 and Anthony Collica 20. Josh Pullman kicked three goals and Haiden Schloithe two.

JOSH PULLMAN

The colts also won by 29 points with Brandon Colbung kicking three goals and Jake Florenca gathering 34 possessions and Daniel Burke 30.

ROUND 20 FREMANTLE OVAL

A strong fight back either side of three quarter-time wasn't quite enough with Peel Thunder steady to beat South Fremantle by 30 points to all but end the Bulldogs' finals hopes.

Peel was leading by 32 points midway through the third quarter but by early in the last term South Fremantle had cut that to five points before the Thunder kicked the last four goals.

Josh Pullman kicked three goals as did Cory Dell'Olio while Tim Kelly picked up 27 possessions, Ashton Hams 28, Ryan Cook 21, Anthony Collica 19 and Callum Ah Chee 19.

SOUTH FREMANTLE FOOTBALL CLUB

DOMINANT RESERVES CRUISE TO PREMIERSHIP

SECOND SEMI FINAL

MEDIBANK STADIUM

The reserves were the dominant team right throughout the 2015 WAFL season and moved to within one win from a second premiership in three years following a 47-point second semi-final win over Subiaco.

South Fremantle's reserves finished the home and away season four games clear on top of the ladder as minor premiers to earn the bye in the first week of the finals as Subiaco beat Swan Districts in the qualifying final.

And it was the Bulldogs who dominated from the outset kicking the only six goals of the first quarter and then they were never really challenged the rest of the afternoon cruising to the 14.17 (101) to 7.12 (54) victory.

The biggest concern ahead of the game for coach Tony Walters was how to fit 30-plus available players into his final 23, and those unlucky to miss out on selection included Bailey Matera, Brad McPhail, Kaiden Matera, Matthew Gundry, Noah Strom, Steve Mills, Jakeb Tartaglia and Dom Warrell.

John Sgherza was a dominant presence in the forward-line for South Fremantle and all 12 of his kicks for the game turned out to be scores. Six of them ended up as goals, the other six were behind as Subiaco had no answers for him.

Ben Sokol was also terrific in the forward-line with three goals from 15 disposals and 10 marks while captain Paul Mugambwa added two majors from 13 touches in his second last game with the Bulldogs following his outstanding career.

South Fremantle's midfield dominated as well with Anthony Collica leading the way finishing with 36 possessions and 13 marks while Shaun Bewick added 28 disposals and 10 marks, and Brendan Verrier 21 touches.

The Bulldogs' defence also held up well led by Dylan Ross who had 16 possessions and seven marks with good support from Nick Borovac, Jason Maskos, Chris Luff and Mitch Banks.

The only concern was a hand injury to ruckman Josh Branchi which limited him to just seven touches and 12 hit outs, but Zac Strom stood up in his absence to end up with 13 possessions, five marks and 25 hit outs for the Bulldogs.

GRAND FINAL

DOMAIN STADIUM

South Fremantle's reserves didn't trip up in the grand final at Domain Stadium beating Swan Districts by 71 points for a second premiership in three years.

South Fremantle lost just two games all season long in the reserves and had won its last eight straight matches coming into the grand final, but it was Swan Districts who handed the Bulldogs their last defeat back in Round 14.

It was a fresher and stronger South Fremantle line-up that was in control most of the contest despite the black-and-whites booting the first goal.

Swan Districts did cut South Fremantle's lead to three points early in the second quarter, but Swans didn't kick another goal from that point on with South Fremantle kicking the last seven goals of the game to end up winning 15.19 (109) to 5.8 (38).

South Fremantle has now won 12 reserves premierships with two of them coming in the past three years with Tony Walters as coach.

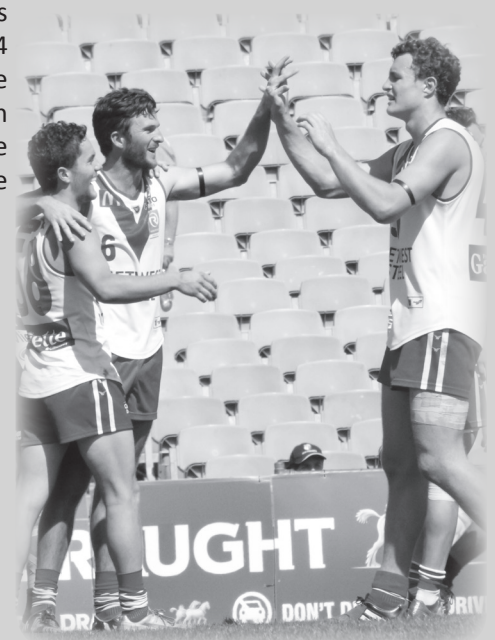

Shaun Bewick, Jason Maskos, James Laurino, Zac Strom, Brendan Verrier and Simon Panizza are the players to have been there for both premiership victories.

The win also served as a terrific finish to the career of 2009 premiership player Paul Mugambwa who captained South Fremantle to the victory following 143 league matches with the Bulldogs since making his debut in 2005.

South Fremantle midfielder Anthony Collica was awarded the Merv McIntosh Medal after finishing the game with 34 possessions, 10 marks, six inside-50 entries and a goal.

Jacob Dragovich was also terrific with 24 touches and three goals while John Sgherza kicked three majors and Kade Stewart two.

The Bulldogs had 129 more disposals with Tim Stewart having 26, Brendan Verrier 26, Bailey Matera 25, James Laurino 24, Shaun Bewick 23, Dylan Ross 21 (10 marks), Mitch Carter 21 and Ben Sokol 20 (10 marks, seven tackles).

KATANNING SIX

COUNTRY TOWN WELL REPRESENTED AT BULLDOGS

The Shire of Katanning might only have a population of 4000 people but the town almost 300km south-east of Perth continues to have a massive impact on South Fremantle.

That was highlighted in Round 23 when the Bulldogs' league team featured six players who have hailed from Katanning – Ashton Hams, Kyle Hams, Tim Stewart, Kade Stewart, James Laurino and Haiden Schloithe. It was a remarkable occasion against Peel Thunder in Mandurah.

Ashton and Kyle Hams had been playing together all season, and are two of the finest footballers to ever come from the area.

Ashton has now played 153 WAFL matches to go with 39 for West Coast in the AFL as well as winning two Simpson Medals and a Hughes Medal. Kyle has played 186 WAFL games with the pair having played in the 2005 and 2009 premierships.

Tim and Kade Stewart are two more brothers from the area who have bright futures ahead of them. They played together late in the season in the reserves and then ultimately in the premiership. Tim made his league debut in Round 23 to be alongside his brother and fellow Katanning representatives.

Laurino was another to earn his league opportunity late in the 2015 season to be there for the Round 23 game. The hard-running midfielder worked hard to get back from a knee

reconstruction in 2014 and then to find his best form in 2015, culminating in the reserves premiership.

Schloithe is another proud Katanning product. Having played in a colts premiership with the Bulldogs, he was picked up by Fremantle and continues to be a key player for South Fremantle.

He won the Hughes Medal in 2014 and then was the Bulldogs' most dangerous forward for much of the second half of 2015 after returning from an ankle injury.

Schloithe reflected back on his younger days looking up to Kyle and Ashton Hams, and how much of a dream it is to play alongside them.

"We're all from Katanning and they used to babysit me, so I have some good memories there with them," Schloithe said.

"Obviously when I was a young fella and not playing footy up in Perth, I used to come up with my old boy and watch them play on a Friday night or the weekend for South Fremantle.

"I've always had that dream to come up and play for South Fremantle as well. When Kyle went away for a few years, I hoped that the three of us could still come together and play in the same team and we're lucky enough this year to be able to do that and it's been a good experience."

SOUTH FREMANTLE FOOTBALL CLUB

LEAGUE COACH REPORT

TODD CURLEY

I was very proud and excited when I was appointed coach of the South Fremantle Football Club little over 12 months ago. It's a club I always admired as an opposition player and coach, and now firmly entrenched here I have a strong passion to have the team back in the finals next year.

We have put in the building blocks needed with the young players we gave opportunities to in 2015 and with our reserves so dominant, we are confident that we will have a group that can turn our signs of encouragement from this year into some sustained strong performances next year.

This past year has been the first time I've ever been involved in a WAFL club apart from West Perth. Even though I've been at other clubs in the AFL, West Perth was always my home as a player and coach in the WAFL but after a few years away, I was excited at the chance to be a senior coach again.

Even as an opposition player and coach, I had great admiration for the tradition and commitment to excellence I always saw from the South Fremantle Football Club. John Dimmer was a premiership coach of mine at West Perth and he had some great success here at South Fremantle as well and he only had good things to say about the club.

I had some former teammates who played here as well so when the chance presented to apply for the coaching job, I threw myself fully into it and now a year later, I really want to achieve some success here at the Bulldogs.

There's no doubt that as a new coach I've had to get to know 70 or 80 new players, a new staff and we've had a new coaching group in place with a new footy manager. I've learned a lot and we'll all be a lot better placed going into next year.

I've certainly really enjoyed being part of the club and the group. Again in the last game of the season we had seven guys with 10 games or less and probably another with less than 40 games. We've ended up playing 43 or 44 players so I've got a better grip on the list now, and the players' strengths and weaknesses going into this pre-season. So we'll be better placed for 2016.

I thought for the majority of the season it was probably our young players who were our better players. They got a bit tired towards the end, but certainly our young blokes are something for us to be excited about. We also have a few blokes who will come back from injury and another key forward would be pretty nice, but we are pretty excited about the young group we have going forward.

With some strong leaders showing the way for these young guys, I believe it is the recipe for success. Our fairest and best winner Ashton Hams, captain Ryan Cook and Adam Guglielmana who celebrated his 100th game this season are among those leaders who had strong seasons in 2015 that we will again be looking to lead the way in 2016.

We then had the next batch of leaders take the next step in their careers in 2015. Marlion Pickett settled into a new role

ANNUAL REPORT AND YEAR BOOK 2015

off half-back and ended up playing state football and having a tremendous season. Adam McIntosh became one of our most consistent players, Brock Higgins did a power of work holding down the ruck, Josh Pullman gave us a target in the forward-line and Tim Kelly again improved as a midfielder.

It was really a season that was exciting for the chances we gave to the young players as well which will only help us have success going forward. I thought Jacob Dragovich had a terrific start to his league career and then other young guys like Callum Ah Chee, Matty Ah Siu, Traye Bennell, Josh Branchi, Zac Strom, Tim Stewart and Kade Stewart all had some exciting moments.

While we will look to add to our group and it's exciting to already be able to announce that Shane Hockey will join us having been the Frankston captain in the VFL in 2015, we feel we have some natural improvement in our group. Ben Saunders, Blayne Wilson, Jarrod Parry, Cory Dell'Olio, Jacob Martinez, Haiden Schloithe and Steve Verrier all had interrupted seasons for a variety of reasons but given a good run in 2016, they are all capable of having an even more significant impact for us.

We also farewelled some great servants of the club at the end of 2015 most notably Craig White and Paul Mugambwa who are both premierships players who decided to retire. Whitey had a pretty tough year in terms of starting OK, then having a bit of a flat patch and then fighting back well to play some really good footy in the second half of the year. He leads really well and

will be missed obviously. He's a 190-game player and is really popular around the club, so he'll definitely be missed as will Gumby who is one of the most popular players at the club and it was great to see him get to captain the reserves to the premiership to end his career.

We are working really hard to keep the majority of the group together and we have a few young guys who've been waiting for opportunities who we'd like to give more chances to next year. On top of Whitey and Gumby, Kyle Hams won't play next year and Jimmy Sellar is going to move home but we think we can keep the majority together.

I can't speak highly enough of the support I received from the South Fremantle Football Club in my first season as coach. Right from the Board, to CEO Stuart Kemp, footy manager Dave Depane and my coaching team and support staff including Geoff Lewis, Brett Duffield, Arthur Maskos, Shaun Tinsley, Les Olivieri, Michelle Cowan, Paul Litherland, Mike Vegar, Michael Swan and Rachel Harris. You, and a host of others I apologise to have not named, have been outstanding helpers throughout 2015.

Overall I have enjoyed my first year here at South Fremantle, but I can't help be left with the feeling that a lot was left unreached in 2015. We are aiming for nothing short of playing finals in 2016 and the work to make that happen is already well and truly underway by us all.

TODD CURLEY
SENIOR COACH

HAMS CAPS OFF YEAR WITH HUGHES MEDAL

Ashton Hams claimed his first WJ Hughes Medal as the South Fremantle Football Club fairest and best award winner after a 2015 that included him representing Western Australia and earning life membership at the Bulldogs.

The 29-year-old dual premiership player spending the majority of the season in the midfield, averaging 29.9 possessions a game being tremendously consistent not having a game with less than 17 touches.

Along the way, he had 10 matches with 30 or more disposals and in the last 10 games of the 2015 season he was particularly outstanding averaging 33 possessions.

Hams also represented WA for a second time in the State match victory over South Australia at Lathlain Park while reaching his 150-game milestone to earn life membership of the Bulldogs.

Now he is a WJ Hughes Medal winner to go along with two Simpson Medals, two premierships and two appearances for WA along with 39 AFL matches with the West Coast Eagles.

Hams claimed the Hughes Medal for the first time with 124 votes to win ahead of captain Ryan Cook (90 votes), Marlion Pickett (88), Kyle Hams (75), Adam Guglielmana (65), Adam McIntosh (61), Tim Kelly (56), Blayne Wilson (56), Brock Higgins (53) and last year's winner Haiden Schloithe (51).

Cook finished as runner-up to continue his outstanding time with South Fremantle since arriving ahead of the 2011 season during which time he has now won two Hughes Medals, and finished runner-up on two other occasions while having now served as captain for a fourth season.

Pickett finished in third position as reward for his first full season of league football. Not only did he represent WA but became

one of the most exciting, damaging and attacking players off half-back in the competition who could now very well have an AFL future.

Kyle Hams came fourth in the Hughes Medal voting to cap a strong return to the WAFL after a year away, and his first season with South Fremantle since 2010 following a stint with Swan Districts.

Guglielmana cemented himself as one of the best small defenders in the WAFL and came fifth in fairest and best voting while McIntosh had the best season of his career as well in the back-line and finished sixth while also receiving the Culver Family Award for courage and perseverance.

Jacob Dragovich received the Shearer Family Award as the Best First Year Player while Cory Dell'Olio took out the John Gerovich Trophy as leading goalkicker after kicking 33 goals in his first season back with South Fremantle upon return from Essendon in the AFL.

Shaun Bewick was presented with the Warren Medal as the Best Clubman for 2015 having spent his season both in the league and reserves teams, and playing in his second reserves premiership in three years.

The career of Paul Mugambwa was also celebrated during the Hughes Medal night at Fremantle Oval after he captained the reserves premiership winning team to bring an end to his 143-game WAFL career at South Fremantle.

Craig White was also paid tribute to on the night after retiring following a 192-game career with the Bulldogs that included the 2005 and 2009 premierships.

SOUTH FREMANTLE FOOTBALL CLUB

RESERVES COACH REPORT

TONY WALTERS

What a great year we had winning our second premiership in three years. The biggest thing about it was that it was enjoyable for all of us involved and it was an outstanding playing group. To dominate like we did was pretty special and we kicked 150 more goals than any other reserves team, that's quite remarkable.

Winning the premiership was a good reward for a great year. I understand the role as reserves coach in terms of focusing on developing players, but three quarters through the year I realised we could achieve something special.

Then once the finals started with what the players wanted to achieve and how we planned for it, and the way it worked out, I think it was one of the best teams I've ever coached or been involved with. Any team to go 20-2 through the season and win the second semi by 12 goals and the grand final by 12 goals is a pretty good footy side.

The group embraced the trademark that Todd brought with him as senior coach along with Darren Harris – which was being selfless, united and ruthless. They just wanted to compete and their attitude was right, and there was just no egos in the whole group. They wanted to win and didn't care who kicked the goals, they all were willing to do the hard things for us to be successful.

We had some really good leadership from guys like Paul Mugambwa, Dylan Ross, Shaun Bewick and Chris Luff as well. Even when I got Craig White back for four weeks, he was fantastic and his leadership and how he embraced what we were doing was first class. Then there was Nick Borovac and his grand final was sensational. The leadership from all the senior players was fantastic.

Ben Sokol and John Sgherza were outstanding up forward for us. Sgherza (60 goals) won the goal-kicking and Ben (39) was pretty close as well, and Kaiden Matera wasn't far behind with 30 either. They were fantastic and their marking and ability to finish off by kicking goals at crucial times in big games was great for us.

There's no doubt our mid-field group was our strength. We had Josh

Branchi in the ruck and then midfielders like Anthony Collica, Brendan Verrier, Jimmy Laurino, Tim Stewart, Kade Stewart and Simon Panizza. On grand final day, they just showed how dominant they were and they all loved to compete together. At the first bounce on grand final day, I had Tim Stewart, Jimmy Laurino and Simon Panizza starting in the middle and they are all best mates so it was a great midfield group who were willing to sacrifice and work hard.

This is our second premiership in the last three years, but they were very different. Two years ago we had to win our last nine games in-a-row but this year we were by far the best team, there's no doubt about that. We had a really good group and we had a lot of fun, but I could challenge them and they embraced that because they wanted to get better. I just wanted to see them become better players and men, and to go on and play more league footy. There's no doubt we all enjoyed the year. We had a chat after the grand final and all the players expressed how much they enjoyed the environment we created so it was good for everyone.

The success we've had has been great. To now say you are a dual premiership coach is something I'm proud of because I do love the South Fremantle Football Club. I've had opportunities to go elsewhere, but it's really hard to drag me

ANNUAL REPORT AND YEAR BOOK 2015

away because of my love for South Freo. They gave me my first opportunity as a player so to come back and be a coach is something I'm appreciative of. It's great to have success as well, but at the end of the day I want them to become league footballers and the club to be strong.

The biggest thing I will take out of this year is seeing the guys play regular league footy. I remember when I first came back in 2004, Shannon Cox was drafted from my reserves team to Collingwood and I was very proud of that. Since then I've seen blokes come through and become really good AFL or league footballers, and I have no doubt if the guys from this year's team apply themselves a lot of them will go on to bigger things.

I've had Michelle Cowan with me for four years and she is moving on, which is very sad, however she has been fantastic to work with from my point of view. What she's brought to our footy club has been fantastic and I wish her all the best. Paul Litherland came to us from East Perth and in his first year did a really good job as our forwards coach and Brett King came on board as our backs coach, and did a fantastic job. Also I'd like to thank my team manager Peter Matier, our runners Nick Olds, Steve Verrier and Les Olivieri. Lastly, I'd like to thank everyone at the footy club starting with the Board and the administration to continue to put the faith in me to do the job that I love.

COLTS REPORT

NEW GROUP EMERGES AFTER SUCCESSFUL ERA

The colts season was always destined to be a rebuilding one with new coach Jason Ireland who was appointed for 2015.

His job was to build a young colts group that would see the players reach their peaks in 2016 and 2017, and that's what was achieved. Jason did a great job achieving this.

While the colts didn't keep the finals streak alive, the development of the players is what is most important and there can be no question that was a success with 54 players representing the club including 29 of them for the first time.

The Bulldogs had built some momentum with a four-game winning streak with wins over Subiaco, East Fremantle, East Perth and Peel Thunder between Rounds 5-9 even with key players Callum Ah Chee, Kade Stewart, Jake Florenca and Jesse Mirco required for State 18s duties.

South Fremantle lost three of its next four matches but following a Round 19 win over Subiaco finals was still a possibility. The Bulldogs had still played well through that mid-season period losing four games by less than a kick.

However, a loss to Peel and then defeat to West Perth after a strong first half ended those hopes.

There were still many more positives to take out of the season and the colts performance is never judged solely based on how the team ends up performing in terms of wins and losses.

Anthony Nodari, Jesse Musika, and Brandon Donaldson were the only three players to play all 20 matches for the colts in

CHAD FOSTER

JASON IRELAND

2015 while Jamie Foster and Brandon Colbung played 18 games apiece, and Daniel Burke and Jack McMaster 18.

Mitch Dzelebdzic was the leading goalkicker with 31 goals for the season while Colbung kicked 29 goals, Donaldson 26 and Florenca 17.

Donaldson claimed both the Dave Ingraham Memorial Medal and City of Fremantle Mayoral Trophy as the fairest and best winner for 2015.

After doing an apprenticeship with 16 matches in 2014, Donaldson took on a more senior role in the colts team of 2015 and delivered accordingly with the 18-year-old not only kicking 26 goals but averaging 15 possessions a game.

Florenca finished runner-up in fairest and best voting while Jesse Mudge was named Most Consistent Player, Daniel Burke the Best First Year Player and Jamie Foster the Best Team Man.

Josh Collard received the Collard Family Encouragement Award after an impressive season by the 18-year-old which saw him play 16 games after just two as a 16-year-old in 2014.

Not only did South Fremantle's colts provide Ah Chee, Stewart, Florenca and Mirco to the WA State 18s squad during 2015, but Donaldson and Florenca were also recognised while being named to the WAFL Colts Team of the Year.

South Fremantle will take on a restructure of its colts and development programs in 2016 with Mark Foster appointed to the newly created position as Academy Head Coach.

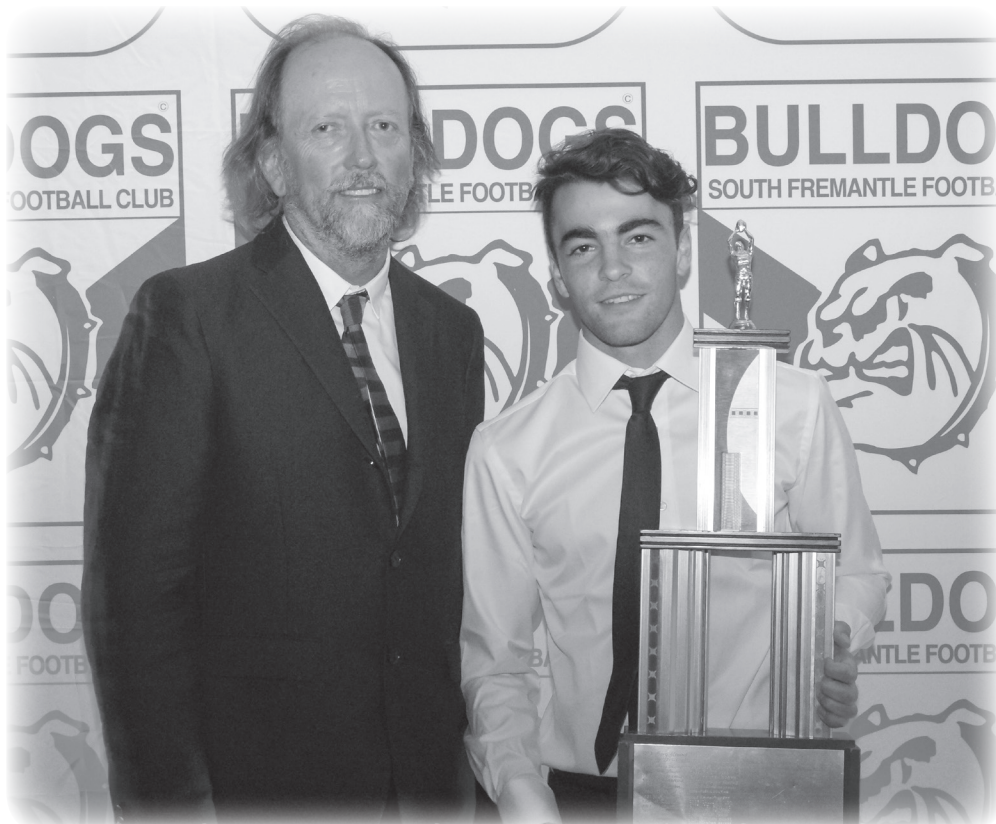

That sees him take over not only as colts coach in 2016 but also being in charge of all the coaches in the South Fremantle development programs. We look forward to seeing what Foster and his high-calibre team can produce in coming years.

Thank you again for Jason's efforts this year as well as the dedicated volunteers who again provided tremendous service.

SOUTH FREMANTLE FOOTBALL CLUB

COUNTRY VISIT BULLDOGS GIVE BACK TO THE CLUB'S DISTRICT

Not only did the South Fremantle Football Club play for the Garlic Munchers Cup at HBF Arena on Saturday in Round 13 and celebrate the Hall of Fame induction dinner that evening, but Sunday proved a successful day for the Bulldogs strengthening ties with the club's country zone.

It turned out to be an eventful weekend for South Fremantle beginning with the clash on Saturday at Joondalup's HBF Arena which was for the annual Garlic Munchers Cup for a third successive year.

The result might not have gone South Fremantle's way, but it didn't dampen the mood back at Fremantle Oval on Saturday night as the club hosted its second Hall of Fame induction dinner.

Almost 400 people packed out the Griff John Function Centre as eight greats of the South Fremantle Football Club were elevated to Legend status, and another 25 players were inducted into the Hall of Fame and 10 officials were inducted as well.

RYAN COOK

That was a night to remember in recognition of the South Fremantle Football Club and then on Sunday, the playing group made a successful trip to the Bulldogs' country zones.

Just looking at the Bulldogs' current senior playing group and the likes of Haideen Schloithe, Kyle and Ashton Hams, Craig White, Adam Guglielmana, Toby Bairstow, Zac Strom and Simon Panizza are all tremendous examples of the pathway from that country zone to play league football at South Fremantle.

The senior playing group of South Fremantle plus the club's directors visited four matches in the country zone on Sunday afternoon in Boddington, Narrogin, Wickpin and Katanning.

The players not only were in attendance in matches in each of those four towns, but also participated in activities with Auskick participants at half-time of those games, and presented the best player awards to the participating teams at the post-game functions.

HALL OF FAME RECOGNITION

PETER BELL JOINS AUSTRALIA'S GREATS

Either side of a storied AFL career at North Melbourne and Fremantle, Peter Bell began and finished playing with South Fremantle and will always be one of the Bulldogs finest ever products.

Bell's remarkable career saw him play 335 matches in total made up 49 with South Fremantle, 123 with North Melbourne and 163 with Fremantle. He kicked 58 goals for the Bulldogs, 120 goals for the Kangaroos and 130 for the Dockers.

Along the way, he played in AFL premierships in 1996 and 1999, and a WAFL flag back with South Fremantle in 2009. He was North Melbourne best and fairest in 2000, and Fremantle's club champion three times and captain from 2002-06. He was named All-Australian in 1999 and 2003 while representing WA three times.

Bell began his WAFL career with South Fremantle in 1994 and impressed so much as a small rover that he became the first player signed by the Fremantle Dockers.

Things didn't quite work out in his first stint, but it did at North Melbourne and upon return to Fremantle, and following his remarkable AFL career, Bell finished up playing with a season in the WAFL with the Bulldogs in 2009.

Bell represented WA for a third time and captained a drought breaking victory over South Australia before then going out in style by playing a starring role in South Fremantle's grand final win over Subiaco to claim the 2009 WAFL premiership.

And now Bell joins Stephen Michael, John Todd, Steve Marsh, Peter Matera and Glen Jakovich as South Fremantle greats in the Australian Football Hall of Fame.

Bell was the adopted son of a veterinarian family in Kojonup, arriving from Korea.

Not until he moved to Perth to attend Aquinas College did football become a focus, but he was short for a footballer.

He suffered two broken legs and if his mother hadn't intervened, his injuries would never have healed properly.

But through sheer determination he made it through school football and to South Fremantle. It was only natural that he would join the Fremantle Dockers and he was the first player signed in 1994.

He played two games in 1995 and looked destined for the scrapheap until Bob Maumill convinced North Melbourne coach Denis Pagan to give Bell an opportunity.

Bell flew to Melbourne at his own expense to play an intra-club practice match. Such was Pagan's paranoia that Bell was instructed to introduce himself as Pagan's "little cousin Ricky from Wangaratta".

But he demonstrated he could play and forged an outstanding career with North, playing in the 1996 and 1999 premierships. He had 31 disposals and four goals in 1999 grand final.

In 2001 he returned to the Dockers, as captain, and was part of that club's first finals team in 2003. He retired in 2008, by which time he was president of the AFL Players' Association.

Meanwhile, Bell's former Fremantle teammate Paul Hasleby was also inducted into the West Australian Football Hall of Fame.

Hasleby is the most recent of the inductees following a 208-game AFL career with Fremantle that included an All-Australian in 2003 and four Ross Glendinning Medals.

He won East Fremantle's fairest and best in 1999 prior to being drafted and played one season with South Fremantle in 2011 before three years as coach of the Bulldogs up until the end of 2014.

FIVE SETS OF BROTHERS PLAY TOGETHER

South Fremantle has always been known as the 'Premier Family Club' and never has that been more evident than 2015.

Five brothers played senior football together in 2015 with the reuniting of dual premiership winning twins Ashton and Kyle Hams. Adam and Mitch Carter as well as Tim and Kade Stewart played in the reserves premiership.

Brendan and Steve Verrier, and Noah and Zac Strom were the other brother pairs.

Ashton and Kyle Hams played together for the first time since 2010, and having previously played in the 2005 and 2009 premierships, they enjoyed being on the same side again after some awkward moments when Kyle was with Swan Districts.

They were tremendous during 2015 with Ashton winning the WJ Hughes Medal and Kyle not far behind finishing fourth. The pair played 19 of the 20 games together in 2015.

The Carter brothers first played league football together in 2013 before Adam had to play with East Perth. They were reunited in 2015 and spent plenty of time together in the reserves and enjoyed the premiership triumph.

The Stewart brothers first played together in the colts in Round 24, 2013 but it wasn't until Round 16 this year in the reserves that they did so again. Younger brother Kade made his league debut in Round 22 with Tim joining him in Round 23 before they also shared the reserves flag together.

The Verrier brothers played in a colts flag in 2011 before older brother Steve went to Richmond. They were reunited in 2014 and played 18 league matches together.

They played nine games together in 2015 before Steve's season ended through injury. Brendan played well at league level when given the chance, including 33 possessions in Round 16, and dominated in the reserves enjoying a second flag in three years.

The Strom brothers got their first chance to play together in the reserves and did so six times. Zac returned for the finals to play in the premiership with Noah one of those unfortunate to miss. However, at just 19 the 197cm big man has a bright future.

SOUTH FREMANTLE FOOTBALL CLUB HALL OF FAME 8 LEGENDS, 25 PLAYERS, 10 OFFICIALS HONOURED

Eight greats of the South Fremantle Football Club were elevated to Legend status in the Hall of Fame at a sold out function with another 25 players and 10 officials inducted and recognised for their contribution to the Bulldogs.

The South Fremantle Football Club hosted its first Hall of Fame function back in 2011 where 35 players and a further 10 officials were inducted, and from that group eight were elevated to Legend status in front of almost 400 people in the Griff John Function Centre.

Frank 'Scranno' Jenkins, Clive Lewington, Bernie Naylor, Frank Treasure, Steve Marsh, John Todd, John Gerovich and Stephen Michael are the eight who were elevated to Legend status of the South Fremantle Football Club.

All eight are more than deserving of the recognition and are among the all-time greats of not only the South Fremantle

Football Club, but West Australian and Australian football as a whole.

On top of the further recognition for those eight greats, 25 further players and 10 officials were inducted into the Hall of Fame of the South Fremantle Football Club.

The 25 players and 10 officials who were inducted into the Hall of Fame in 2015 is an outstanding group including all-time great players with the likes of Ron Edgar, Jack Murray, Don Byfield, Fred Seinor, Stan Magro and Jon Dorotich, and officials such as Terry Dean and Ron Porter.

Basil Campbell and Benny Vigona both flew down from up north to be at the Hall of Fame dinner while Bob Maumill was the proud master of ceremonies for what was a memorable night for the South Fremantle Football Club in recognition of its amazing history.

CRAIG WHITE TRIBUTE

DUAL PREMIERSHIP LEADER CALLS TIME

Craig White has retired after an outstanding WAFL career with South Fremantle that included two premierships and him earning life membership of the Bulldogs during his 192-game career.

White committed to the Bulldogs in 2003 having moved to Perth from Williams and completing his schooling at Aquinas, and had a remarkable first three years playing in a colts premiership in 2003, reserves premiership in 2004 and then the league triumph in 2005.

There was another premiership to come in 2009 and now White has retired following a career that included two flags, life membership, being a long-time part of the leadership group and vice-captain as well as captain on occasion, and one of the most consistent and versatile players in the competition.

The 30-year-old began and finished his career as a forward, but in between was a key part of South Fremantle's outstanding defensive unit where he became one of the best players in the WAFL at setting up play out of the back-line.

White has been at South Fremantle since 2003, aside from one year away playing and coaching in Sydney in 2012, and finished with 192 games, kicked 113 goals and felt the time is right to retire at the end of 2015.

"I'm content with the decision but to take that final step was the toughest part over those last couple of weeks," White said.

"It's played on my mind for 12 months and I'm fully content in my decision. To actually tell everyone I was retiring was really tough to step away after 12 years isn't easy but I'm happy with my decision."

White did consider retiring at the end of 2014, but with the Bulldogs finishing off winning the last five games of the season, welcoming a new coach in Todd Curley while premiership teammates Kyle Hams and Cory Dell'Olio returned along with the arrival of Blayne Wilson, he was excited to play on.

Things didn't go smoothly with White spending a rare month in the reserves, but he was a strong contributor in the second half of the year in the forward-line leading hard up the ground and delivering the ball precisely inside the 50.

He was more than happy to have played on for a final season.

"We had a great summer and start to the year. It was a bit tough during the middle part of the year when my form wasn't the best but Todd was really good about it and so was the club, and I was able to work through and get back into the side," White said.

ANNUAL REPORT AND YEAR BOOK 2015

"I've enjoyed the season and the boys can only move forward from here."

White has become one of the best clubmen in the history of the Bulldogs and he's hoping that's something his younger teammates follow.

"For the last 12 or 13 years, it's been a big part of my life and it's shaped the person that I am at the moment," White said.

"I've matured from a young smart arse, into an older open-minded senior player who can put the club first and try to let the younger guys know the club comes first before yourself. If you can be a clubman, that's a major part and it's something the younger guys can really take on board."

While White's 2012 spent in Sydney as playing-coach at the Balmain Dockers cost him 200 games for South Fremantle, it gave him tremendous personal and professional development it gave him.

"I learned how to respect the fact that coaches have hard decisions to make, and how clubs and coaches work on the decisions," he said.

"The main reason I went around this year was that I was content that if I ended up in the reserves that I would see it out and do everything to get back into the ones side.

"But if I didn't have that year as a coach, I might have played a couple of reserves games and then stepped away. It's a little disappointing not to get to 200 but I'm really content to finish on 192. I think that's still a pretty good effort."

White can't help but reflect who had a significant influence including former football manager and games record holder Marty Atkins, and premiership coach John Dimmer.

"The person who had the biggest influence on me early on was Marty Atkins. Marty took the time out to come down and see me to make sure I stayed at Souths, and I forged a great relationship with him," White said.

"The coaches I've had, obviously John Dimmer is the standout and he's been a massive part of my career. He's obviously my best coach, and I learned all my footy craft from him and all the coaching stuff that I will take on will be things that I learned from John.

"Two guys who have been unheralded are Tony Walters and Glen Davies who I have forged great relationships with over the years. Glen, especially early on, moulded me in my first couple of years and helped me become a little bit tougher than I was."

Over 11 years and 192 matches, White has had some remarkable teammates who will always go down as South Fremantle greats, and he formed some lifetime friendships with a lot of them

firstly as a youngster looking up to some veterans, and then as the older head showing the way.

"I've had some amazing teammates. Toby McGrath, David Gault, Evan Hewitt and Ryan Webb early doors were standouts, and then more recently Josh Head, Hayden North, the Hams boys, Toby Bairstow, Adam Googs, Cory Dell and all those guys I've built great relationships with, become great mates with and played in premierships with most of them," White said.

"Kris Miller is another one and I think he's the one I have played the most of my games with. Googsy, Millsy, Red and the Hams boys I'd have played around 100 games with all of them so when you play that much footy with guys, it helps you build some great relationships."

White certainly does see a future in coaching for himself down the track, but his more immediate thoughts are on enjoying his first break from football in 2016 that he's ever had, and to enjoy married life after his wedding later this year to Lucy.

SOUTH FREMANTLE FOOTBALL CLUB

STATE REPRESENTATIVES 2015 BULLDOGS SHINE IN WA JUMPER

For the second straight year South Fremantle players were instrumental in Western Australia prevailing in a State match, this time five Bulldogs were part of the WAFL's 45-point win over South Australia at Lathlain Park.

Following the efforts of Ben Saunders, Haiden Schloithe, Ryan Cook and Ashton Hams helping the WAFL beat the NEAFL by 85 points in Sydney last year, South Fremantle players were instrumental in the 18.13 (121) to 11.10 (76) win.

Saunders and Schloithe were both unavailable due to injury, but Cook and Hams were back again and joined by Cory Dell'Olio playing for the Black Swans for the second time, and Marlion Pickett and Blayne Wilson making their debuts.

Dell'Olio played perhaps his best game of the season as well finishing the afternoon with 20 possessions, seven marks and three goals in an impressive performance.

Hams was again terrific in the midfield and ended up with 26 touches, five marks and a goal with Cook enjoying his fourth match for WA both on the ball and at half-forward, compiling 18 disposals to go with nine marks and a goal.

Wilson played his usual role controlling play across half-back that he was doing with the Bulldogs and finished with 23 possessions and eight marks, while Pickett did some encouraging things running out of the back-line as well.

WA got off to a flying start kicking the first three goals, but then South Australia hit back with the next five either side of quarter-time to threaten to blow the game open.

However, by half-time the Black Swans led by 14 points and that got out to a game-high 45 by the final siren.

The victory sees WA move ahead 47-46 in the overall standings in State matches between the two proud footballing states.

South Australia's only two State defeats since 2002 have both come at the hands of Western Australia firstly with WA winning by a point at Medibank Stadium in 2009, and by 45 points at Lathlain Park.

The WAFL has won three straight State matches having beaten the VFL in 2013 by 17 points, the NEAFL last year by 85 in Sydney and now over the SANFL following a 14-point loss in Adelaide to South Australia in 2012.

Ryan Davis was awarded the Simpson Medal for a stunning game off half-forward for WA with the Swan Districts premiership player finishing the afternoon with five goals to go with 25 possessions, 10 inside 50s and eight marks.

Meanwhile, Alex Cabassi and Kyle Donaldson both represented the WA State 16s from South Fremantle at the National Championships on the Gold Coast.

Callum Ah Chee, Kade Stewart, Jake Florenca and Jesse Mirco all played the WA State 18s in the National Championships as well.

MILESTONE MEN IN 2015

LIFE MEMBERSHIP EARNED, CENTURY REACHED

South Fremantle celebrated two significant milestones for loyal servants in 2015 with Ashton Hams earning life membership by reaching 150 games and Adam Guglielmana booking his name on the No. 2 locker with his 100th.

Hams played his 150th match in Round 19 against Subiaco earning life membership while in Round 13 at HBF Arena against West Perth, Guglielmana reached his century as he put together the most consistent season of his career.

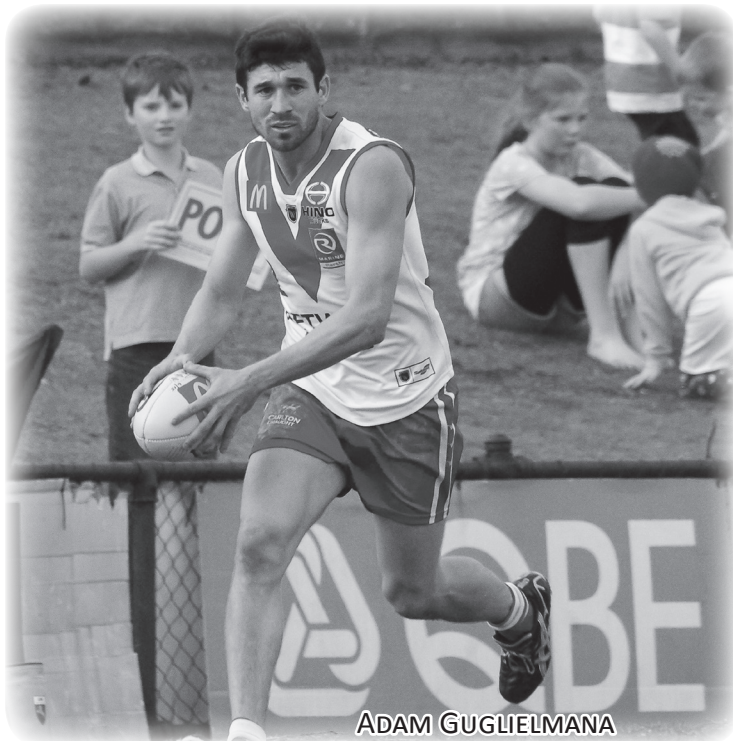

While neither milestone was celebrated with a victory, both players deserve to be celebrated for the milestones and for their dedicated service to South Fremantle that is showing no sign of ending soon for either individual.

Tim Kelly, Jacob Martinez and Adam McIntosh all reached 50 WAFL matches during the 2015 season while Shaun Bewick (previously 30 games at West Perth) and Ben Saunders (five with Claremont) both recorded 50 appearances at South Fremantle.

Hams earned life membership by playing his 150th game as part of a career that has seen him play in the 2005 and 2009 premierships, win a grand final and State game Simpson Medal on top of his 39 AFL matches with West Coast.

Having already had one of the great careers and being one of the most decorated players in the competition, that didn't stop the 29-year-old taking his game to another level in 2015.

He averaged almost 30 possessions a game mostly as a midfielder and ended up narrowly finishing runner-up in the

Sandover Medal behind Perth's Aidan Tropiano and then winning his first WJ Hughes Medal as the Bulldogs' fairest and best winner.

Hams has now re-signed for another two years with the Bulldogs as he looks to add a third premiership to his career before riding off into the sunset.

Guglielmana had a standout 2015 season as well, which included him becoming one of the elite small defenders of the WAFL, but what he remains desperately craving is his first taste of finals football.

Guglielmana originally joined South Fremantle to play colts from Carnarvon in 2007 and after a lengthy apprenticeship behind a successful league team, and some injuries along the way, it was a long journey to the 100 games.

And it's only been in the last two seasons where he's settled into a role as a small defender after spending the majority of his career as a hard running midfielder and wingman, and half-forward.

However, as a defender he has turned himself into an elite player in the competition and did an outstanding job in 2015 both stopping some of the WAFL's best forwards.

After his journey, he was proud to reach the 100-game mark.

"It's a pretty big deal to get to 100 games. I came down from Carnarvon when I was 17 to play colts and I'm 26 now so it's taken a fair time but I'm proud to get there," Guglielmana said.

“My name will be on that locker forever so it doesn’t matter what you do from here, they won’t scratch it off. I’m proud of that and young people coming into the club will now see my name there.

“When I signed my first contract there was a bonus if you got to 50 games. I thought I would get there after two and-a-half years but eight years later, I’m getting to 100 so it doesn’t happen easily. I had to work through some hard times but I’m pretty proud of finally getting the rewards for that now.”

While Guglielmana is glad to be playing good football individually at the moment, it pales into insignificance in contrast to his desire to play finals football for the first time in his career.

He became a regular member of the team from Round 14 to 23 in 2009 but was dropped for the finals to make way for a bevy of returning experienced stars that went on to win the premiership, and then in 2011 when South Fremantle last played finals he was out with a knee injury.

The last four years has seen the Bulldogs fall short of the mark but he hopes that changes in 2016.

“I’m really desperate for some success. I’ve never even played in a senior final because the last time we were in the finals was 2011 and I did my knee that year, so I missed out,” he said.

“In 2009, I got to play in a resses grand final and you see blokes like Timmy Malseed, Kris Miller and Andrew Siegert in ‘09 play in their first grand final and you see how much they wanted it.

“You appreciate that when you see it at the time, but a few years on you get a real understanding of how they would have felt. I’m really desperate to experience something similar.”

The journey to 100 games hasn’t been an easy or quick one for Guglielmana and it began when he was made to earn a regular league spot by playing just 12 games in his first two seasons.

However, that taught him what it took to become a league footballer and despite the 2009 knee injury and then a hamstring injury late in 2014, he has had a reasonable run at it in recent seasons despite the variety of roles he has played.

“I started playing senior footy in 2008 and it was pretty tough to get a spot,” Guglielmana said.

“John Dimmer was pretty keen on making everyone earn their spot so I didn’t play in many games that year, and then in 2009 it was an unbelievable team with Peter Bell and Jeff Farmer coming back, and everyone in that team was unbelievable.

“I was lucky enough to play the back half of that year, but didn’t stay in for finals. I can’t complain about missing out in that unreal team though.”

RETIREMENTS, DEPARTURES

MUGAMBWA BIDS FAREWELL IN STYLE

Paul Mugambwa's remarkable career with South Fremantle came to an end in style with the excitement machine captaining the Bulldogs' reserves premiership.

Mugambwa made his debut with the Bulldogs in 2005 and after a career full of highlights including high marks and spectacular chase down and tackles, the 2009 premiership player decided that the 2015 season would be his last.

While he didn't break back into the league side after Round 13 ending on 143 matches, he was named captain of the reserves team for the finals and led the team to the premiership giving him a farewell to remember.

Mugambwa first arrived at South Fremantle from the Bull Creek-Leeming Junior Football Club and it wasn't until he was 24 that he broke into the league side late in the premiership season of 2005.

He played from Rounds 17-20 before being forced out of the outstanding team that went on to beat Claremont in the grand final, but he was becoming a favourite of coach John Dimmer.

It was still a hard team for Mugambwa to break into the next two seasons with 18 games, but he was displaying a unique ability to tackle hard, apply enormous pressure and compete in the air for marks and ruck knocks.

It was in 2008 when he became a permanent part of the South Fremantle league side playing 16 games and then played 20 in 2009 for 27 goals as he became a crucial member of the forward-line in the premiership team.

Mugambwa became one of the best stories of the premiership winning side and that gave him the confidence that he was now fully entrenched as a league footballer.

As he moved into his 30s, Mugambwa continued to play like he was 10 years younger losing no signs of his leap, pace and pressure ability. His best season might have been in 2013 when he kicked 32 goals after bringing up his 100-game milestone in 2012.

Injury curtailed his career both in 2014 and 2015, but he continued to fulfil his role when called upon and lit up the South Fremantle faithful with his leaping ability, big marks and stunning chase downs of opposition players.

He might have been limited to five league appearances in 2015 due to knee problems and ending in the reserves, but it wasn't without memorable moments none better than kicking the winning goal in the WA Day Foundation Derby.

Mugambwa didn't take the fact that he was in the reserves personally, instead fulfilled his role to aplomb as a leader in

the dominant team and was honoured to be named captain for the finals.

His reward was captaining the reserves premiership to cap off an outstanding, memorable and exciting 143-game, 148-goal WAFL career from one of South Fremantle's most popular ever players.

That saw Mugambwa join 2009 premiership teammate Craig

White in retirement at the end of the 2015 season leaving a youthful team heading into 2016 looking to return to finals for the first time since 2011.

Mugambwa and White weren't the only two outstanding servants to bid farewell at the end of 2015, with dual premiership star Kyle Hams, 110-game midfielder Toby Bairstow and former AFL big man James Sellar among those to also move on.

PAUL MUGAMBWA

ANNUAL REPORT AND YEAR BOOK 2015

Hams returned to South Fremantle to play in 2015 for the first time since leaving at the end of 2010, and the 29-year-old dual premiership player had an outstanding season.

He averaged over 21 possessions a game, but ultimately living in Busselton with his young family and trying to play WAFL football has led to him deciding to not continue in 2016.

Hams originally joined South Fremantle along with twin brother Ashton to play in the reserves premiership team of 2004 and then became a key part of the team in 2005 that won the league flag.

That initially was as a small forward and he kicked 36 goals in his first 30 league games, but after that he settled into a role in the back-line and that's where he remained the majority of the rest of his career as one of the WAFL's elite small defenders.

Hams was again outstanding in the 2009 premiership winning team and after a solid year in 2010, he was after a fresh start and ended up joining Swan Districts for a successful three-year run.

He moved to Busselton and sat out of the WAFL in 2014, but returned in 2015 to play with the Bulldogs and alongside Ashton for the first time in 2010. He enjoyed the return and played well, and will always be remembered fondly for his 126-game career with the Bulldogs.

Bairstow is another popular South Fremantle player whose name will forever be on the No. 4 locker who moved on during 2015.

TOBY BAIRSTOW

KYLE HAMS

Bairstow arrived at South Fremantle as the son of 1986 Sandover Medallist Mark and after doing a significant apprenticeship and making his debut in 2008, the midfielder cemented his place in 2009 before missing the winning grand final with Peter Bell and Jeff Farmer needing to return.

However, Bairstow then became one of the best midfielders in the WAFL over the next two and-a-half seasons before a hand injury ended his 2012 prematurely. He was back for strong 2013 and 2014 seasons, but was limited to three league appearances in 2015.

The 27-year-old was racking up plenty of the ball in the reserves but after Round 13 decided to leave to play out the season with Wesley Curtin under former teammate Kris Miller. His Bulldogs career ended with 110 matches.

Sellar, meanwhile, will now be returning home to Adelaide in 2016 after two years in the WAFL with South Fremantle.

The versatile big man previously played 44 AFL matches at both the Adelaide Crows and Melbourne Demons and arrived as a prized recruit in 2014 for the Bulldogs. He played some solid football in his 32 games at South Fremantle splitting his time between the ruck, forward-line and back-line.

Alistair Gillespie and Lewis Harvey also departed Fremantle Oval during 2015 after making good contributions after joining the Bulldogs from Claremont and West Perth.

DEBUTANTS 2015

YOUNGSTERS AGAIN GRAB THEIR CHANCE

Perhaps the most exciting aspect of the 2015 WAFL season for South Fremantle was the number of young players not only given an opportunity, but who grabbed their chance with both hands.

Eight players made their league debut in 2015 with the Bulldogs while two other experienced defenders lined up for South Fremantle for the first time having signed from rival clubs.

While premiership stars Craig White and Paul Mugambwa saw their glittering careers come to an end at the end of 2015, the beginning of what appears to be outstanding WAFL careers began including Traye Bennell, Jacob Dragovich and Tim Stewart.

Meanwhile, Callum Ah Chee and Kade Stewart both received their first tastes of senior football late in 2015 and excelled ahead of what could be AFL futures.

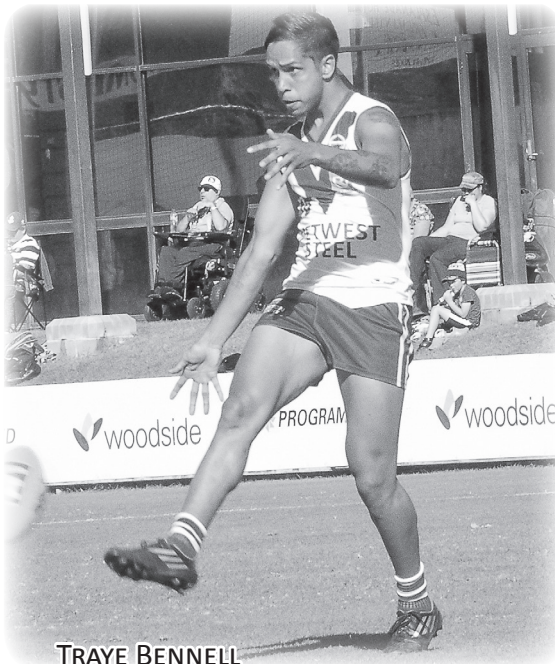

Bailey Matera, Josh Branchi and Matthew Ah Siu were other South Fremantle players to debut during 2015 while defenders Blayne Wilson and Chris Luff played with the Bulldogs for the first time.

Round 1 saw South Fremantle begin the season in style with a win under lights over West Perth at Fremantle Oval and the occasion saw 20-year-old Bennell make his league debut.

Bennell impressed with 14 possessions and a goal on debut as well and was a regular feature of the Bulldogs' team in the first half of the season. He went on to play in the reserves premiership and will look to take his game to another level again.

Matera came in for his debut in the Round 2 victory over Perth at Lathlain Park and showed some good signs.

The 19-year-old who is the brother of Brandon and son of Wally continued to impress in the reserves for the rest of 2015 and was a key player in the premiership as one of the best afield in the grand final with 25 possessions.

TRAYE BENNELL

Dragovich stepped up to senior football with a strong reputation having been colts captain and fairest and best winner, but the way he acclimatised to league football was a pleasant surprise.

The 19-year-old's competitiveness and natural attack on the ball became a feature of his game and he made an instant impact when he made his debut in the Anzac Derby against East Fremantle.

He had 23 possessions and a goal that day and continued to play some outstanding football in 13 league matches. He kicked seven goals in his first six matches but as the year went on he spent more time in the midfield and had a career-best 27 possessions

against West Perth in Round 22.

Branchi committed to South Fremantle at the start of the 2014 season with the former basketball player being looked at as a long-term project by the Bulldogs. He showed encouraging signs in 2014 and then in 2015, emerged as an exciting ruckman with plenty of athletic tools.

The 21-year-old made his league debut in the stunning WA Day Foundation Derby win where he held down the ruck for much of the game. That was largely his role in his eight league matches which allowed Brock Higgins to spend more time as a target.

He only missed the reserves premiership due to a broken hand suffered in the second semi-final but had impressed so much in 2015 that AFL clubs have taken a genuine interest. The 202cm big man could become a star ruckman with South Fremantle if he doesn't go to the AFL.

Ah Chee has long been looked at as an AFL player of the future having been involved with the AIS-AFL Academy, but until Round 16 of this year he had yet to play against men.

He was outstanding in his lone reserves appearance with 23 possessions and two goals leading to

his league debut in Round 17 where he made a statement about what his future holds kicking three goals, including two in the last quarter, to help the Bulldogs beat East Fremantle.

He went on to play the last six games with the league side and showed some exciting form further up the ground in the last three weeks before he now embarks on that AFL career.

Ah Siu was another to graduate from the successful colts program to senior football in 2015. He was forced to earn his league debut with it taking a run of three dominant matches from Rounds 16-18 for him to earn that opportunity.

The 19-year-old made his debut against Subiaco in Round 19 and then went on to play the last four games of the season and now will look to consolidate his place in 2016.

Kade Stewart became the youngest debutant of 2015 with the 18-year-old having played colts and reserves, as well as with the State 18s, prior to breaking in for his first league appearance in Round 22 against West Perth.

He played well with 19 and 18 possessions respectively in the last two games of the season before then going back to the reserves to become a premiership player alongside older brother Tim.

Tim Stewart has put together two strong reserves seasons as a midfielder and earned his league chance in Round 23 this year. He looked good too with 23 possessions and now the 20-year-old could become a permanent midfielder in 2016.

Meanwhile, Wilson was in the South Fremantle team from Round 1 this season having joined the Bulldogs after beginning his career at Peel Thunder before playing in the East Perth grand final teams of the last two years while on West Coast's list.

He joined the Bulldogs this year and had a strong first three quarters of the year as a defender, including playing in WA's state game win over South Fremantle, before succumbing to a shoulder injury.

Wilson's former Peel teammate Luff also joined South Fremantle in 2015 and did some good jobs in his eight league games while also playing in the reserves premiership.

SOUTH FREMANTLE'S AFL PRODUCTS

DUFFIELD CALLS TIME ON DOCKERS CAREER

South Fremantle premiership player Paul Duffield retired from the AFL following a terrific career with the Fremantle Dockers at the end of 2015 while a host of other Bulldogs products had seasons to remember.

Duffield had to work hard to earn his AFL chance and then cement his place at the Dockers, but he certainly did so putting together an outstanding career that ended after 171 matches.

Brandon Matera, Shane Kersten, Brendon Ah Chee and Cameron McCarthy all saw their AFL careers flourish during 2015 while Jarrod Garlett was another South Fremantle player to make his debut at the top level.

Duffield grew up in Mt Arthur before moving to Perth to attend Aquinas College and arriving at South Fremantle along with good friend Craig White. The pair enjoyed colts, reserves and league success together with the Bulldogs and now have retired from the AFL and WAFL respectively at the same time.

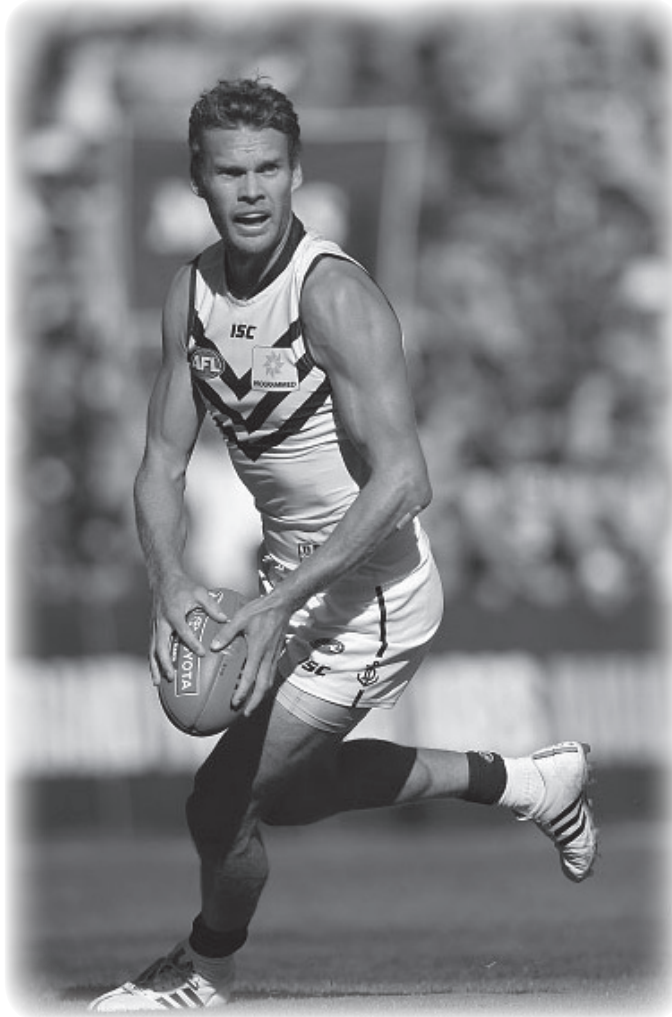

Duffield cemented himself in the back-line with South Fremantle and was a key part in the 2005 premiership but it took him dominating more as a midfielder in 2007 and 2008 before he became an AFL regular with Fremantle.

And once he was settled at the Dockers, that's where he remained earning life membership at the club and being one of the first players picked until falling out of favour midway through 2015.

Duffield finished the season playing mostly at Peel Thunder and he announced his retirement from the AFL after 171 matches, to go with the 86 WAFL games he's played.

The 30-year-old is proud and thankful to everything he achieved in the AFL at Fremantle, which included the 2013 grand final.

"To be a Fremantle Dockers life member is something I'll hold very dear because it did take a great test of my character to keep knocking down the door," Duffield said.

PAUL DUFFIELD

"My form this year fell away a bit and that was disappointing. It's a sad time to retire because the Fremantle club has been part of my life for 12 years. I've really grown up here but I'm excited to step into the next phase of my life."

As for South Fremantle's other products in the AFL, McCarthy emerged as one of the most exciting young forwards in the game. He kicked 35 goals in 20 games and despite requesting a trade to Fremantle, remained a required player at the GWS Giants and that's where he will stay.

Matera had another strong season at the Gold Coast Suns playing 19 matches and kicking 18 goals to now see the 23-year-old take his career tally to 74 games and 78 goals as he's now entering his prime.

Kersten received more opportunities at Geelong in 2015. Having played nine games for 10 goals in 2014, the 22-year-old

played 11 matches this year and kicked another nine goals.

Ah Chee's younger brother Callum appears set to burst on to the AFL scene in 2016, and that's exactly what Brendon did late in 2015 at Port Adelaide.

The 21-year-old was yet to make his AFL debut in his time with the Power, but he received his chance in Round 3. After three quiet games it wasn't a given he'd get another opportunity.

However, he did get that chance in Round 12 and had a tremendous last four games of the year averaging over 22 possessions a game which included him taking one of the marks of the year and earning a new contract to remain with Port Adelaide.

Garlett was the only draftee from 2014 to play AFL football this year playing nine matches for the Suns showing enough to suggest he can be a long-term player.

While Garlett got to play for the Suns, fellow draftees from 2014 Jarrod Pickett (GWS Giants) and Billy Frampton (Port Adelaide),

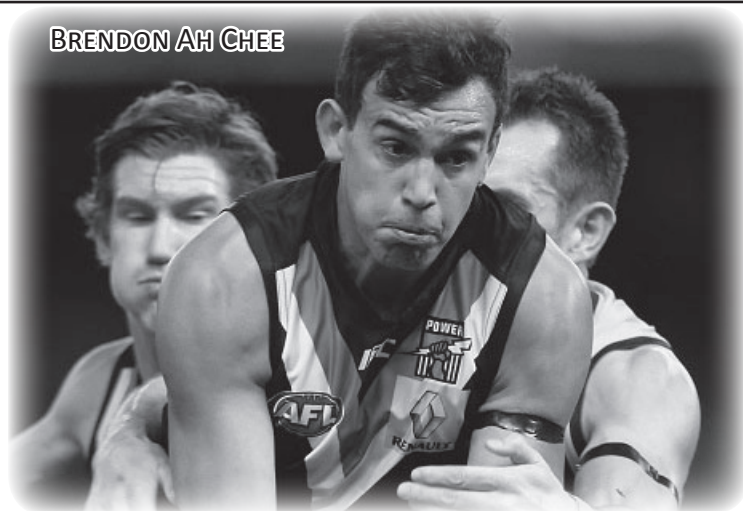

ANNUAL REPORT AND YEAR BOOK 2015

along with the rookie-listed Jermaine Miller-Lewis (Hawthorn) didn't get that opportunity.

However, all four have retained their spots with their respective AFL clubs for 2015.

Blaine Johnson did play two AFL matches for Carlton in 2015 to take his career tally to seven, but he was delisted upon the arrival of new coach Brendon Bolton.

Dylan Main (West Coast), Mason Shaw (Port Adelaide) and Tom Vandeleur (Fremantle) were other South Fremantle products that found themselves delisted at the end of 2015 without having the chance to make their AFL debut.

FOOTBALL OPERATIONS MANAGER REPORT

DAVID DEPANE

They say that time flies when you are having fun and after 12 months in my role I can agree with the statement. It seems like only yesterday that I stepped into my role as Football Operations Manager, yet here I am wondering where the year has gone.

Season 2015 has been a fantastic experience for me. I have enjoyed my role and learnt a lot along the way. Whilst it has been fun, rewarding and enjoyable it has also had its challenges as does any role.

The season promised so much with a new football manager, coach, staff and players. After a flying start to the season with our league team winning their first three games everything seemed to be falling into place. Unfortunately things got more difficult from this point onwards. We struggled to find consistency for the rest of the season not only from week to week, but quarter to quarter.

We were only blown away in two games with every other game seeing us in with a chance during the last quarter. Not really sure why we couldn't close out these games, but rest assured it is something the coaching group will look to address for the 2016 season.

I would like to congratulate Ashton Hams on his tremendous season finishing runner up in the Sandover Medal, in what was a very close count with Ashton leading in to the last round to be unfortunately pipped at the post by Perth's Aidan Tropicano. Ashton's season was further rewarded with him running away with a comprehensive win in the WJ Hughes Medal, along with also winning The West Australian's Footballer of the Year.

Congratulations also to Ben Saunders who took out the WAFL Mark of the Year for his big one-handed mark in the first derby. Ben's high flying is a trademark of his game, hopefully with an injury free season in 2016 we see Ben add to his highlights reel.

Well done also to our five state representatives – Ryan Cook, Blayne Wilson, Cory Dell'Olio, Ashton Hams and Marlion Pickett. All performed very well in the victory over South Australia.

I must also say congratulations to Tony Walters and his coaching group, along with his players in the reserves. They took all before them during the season winning 18 from their 20

games in qualifying before dominating the finals series. Their fantastic season reached its finale when they outclassed Swan Districts in the grand final. It was a credit to the whole group the way they went about it on grand final day and they deserve all the accolades they have received.

Well done to Jason Ireland, his assistant coaches and all the support team of the colts program. The playing group challenged all year and unfortunately a couple of close losses cost them a spot in the finals. Well done to all the boys who represented the club this season, you performed admirably and represented the club outstandingly. As a club our philosophy with our colts is about developing our young players and giving them the opportunity to display their skills. As an end result to this we are hoping they transition into 100-game players for our club in the future years.

I must also thank the wonderful group of support staff who we are so lucky to have at our club. It is impossible for me to name them all in this report but I would like to break them down into their areas of expertise:

STRENGTH AND CONDITIONING – Mike Vegar along with Toby Edwards and Mark Blinco

MEDICAL TEAM – Michael Swan and Lucy Kennedy (Physios), Dr Rachel Harris (Club Doctor), Bronte Gorfin (Head Trainer) and her loyal band of trainers

PROPERTY TEAM – Ross Addison (Manager), Dylan Briotti, Peter Taylor-Thorpe, John Jones, Harry Drygan

TEAM MANAGERS – Tony Mollica and Peter Matier

STATS TEAM – Alan Powell, Sue Gurney, Anna Kristancic, Felix Smetana and Tracey Hall

TIMEKEEPERS – Jennifer Nikolich, Terry Turnbull and George Cole

PAST PLAYERS & OFFICIALS – Ray Van Burgel and his merry men

There is no doubt all of these wonderful people make it all happen behind the scenes and we should never underestimate

ANNUAL REPORT AND YEAR BOOK 2015

the time and effort they devote to the club.

Finally to the coaching team and support staff a big thank you for your support and assistance throughout the season, it has not been an easy task for most as we have all been getting to know each other along with the playing group over the last 12 months. Your commitment and passion to drive the on field success we are all looking for is unquestionable and I am sure that the path we have taken thus far in the journey will lead us to sustained success in the future.

LEAGUE – Todd Curley (Coach) Brett Duffield, Arthur Maskos (Assistants) Les Olivieri, Shaun Tinsley (Runners), Geoff Lewis (Selection Chairman)

RESERVES – Tony Walters (Coach), Paul Litherland, Brett King, Michelle Cowan (Assistants), Steve Jones (Board/Rotations), Nick Olds (Runner)

I must also congratulate Craig White and Paul Mugambwa on their stellar careers with the club. Both men are terrific gents who I have had the pleasure of getting to know over the last months. There is no doubt that you both hold the club very close to your hearts and have been fantastic representatives over many years. I wish you both the very best of luck in your retirements as you embark on the next phase of your life, but I would also like to remind you that you will always be part of the South Fremantle family and welcome back at any time.

A big thanks to Stuart Kemp and Peter Christie for their support and guidance throughout my first year in the role. Thank you to the people who work closely with me during the day, Michelle and Jess. You are great to work with and it makes my job much more pleasurable and easy.

Special mention to Jason Pedulla who has done a wonderful job in his first year as Player Development Manager. Jason is very professional in both his approach and presentations and it has been fantastic to bounce ideas with him during the last year.

Also a big thanks to Steve McCarthy who is always around when needed and ensures the ground and facilities are in tip top condition. I must not forget Darren Winnett and his bar staff for their continued support and assistance during the year, along with the ladies who are always there when needed to cook up a storm. I must also thanks the board for their support and direction that you have given me over the year.

I believe we have built a strong platform for sustained success this season. With some smart recruiting, the continued development of our young list and some fine tuning to our game plan and style I see no reason why we cannot challenge to become bigger and better next season. We are long overdue for senior success and we will leave no stone unturned in trying to achieve it next season.

Finally to wife Tania, not only a footy widow, but a footy mum. Your support and encouragement to me over the course of a long season is second to none. Not only do you plan around the different hours that this industry offers, you are always there when needed.

Further to this just when the footy week finishes on a Saturday night, you are more than happy to jump in the car with me to travel two to three hours to watch our boys play. More footy, amazing.

SOUTH FREMANTLE FOOTBALL CLUB

PLAYER DEVELOPMENT REPORT 2015

It has been an exciting first 12 months in charge of the South Fremantle Talent Programs and I am extremely proud of what we have achieved in 2015.

The attitude and dedication of all our players from the colts down to 14s has been first class and the quality of the people involved in our programs from the coaches through to the team managers and trainers are the reason why the South Fremantle Development Programs are so highly regarded within the WAFL.

COLTS SEASON 2015

It was always going to be a transition year for the long-time coach Arthur Maskos moving to a role with the senior side and a large group of players who had driven the recent success moving to either the AFL or senior ranks. Jason Ireland in his first year as head coach worked tirelessly along with his assistants Simon Maxwell, David Mews and Brent Irving to develop the next group of colts footballers and I thank them for their efforts.

Whilst on-field results are never an indicator of success in the colts program as the focus is on player development, having four games decided by under four points during the year (all losses) was ultimately the difference between playing finals football and the end result of finishing seventh on the ladder.

In total 54 players represented the South Fremantle Football Club in the colts in 2015 with 32 making their debut. Hopefully those 17 and 16-year-old players now have a strong understanding as to what is required at colts level and they continue to work hard on their development in 2016.

I would like to make special mention to the following players on their personal achievements in 2015:

LEAGUE DEBUT – Callum Ah Chee, Kade Stewart

STATE 18s – Callum Ah Chee, Kade Stewart, Jake Florenca, Jesse Mirco

WAFL COLTS TEAM OF THE YEAR – Brandon Donaldson, Jake Florenca

DAVE INGRAHAM MEDALLIST – Brandon Donaldson

It is terrific to see the performances of each of the boys recognised by their peers and I am confident they will all have long and successful careers in football either in the AFL or playing senior football for South Fremantle.

A huge thank you must be extended to the support staff that assisted the colts in 2015. To Lew Turner, Harry Drygan, Ryan Gaias, Dean Reynolds, Ross Addison, Georgia Hinkley, Sue Collier, Jason Corner, Lucy Kennedy, Peter Taylor-Thorpe, Sue Gurney and John Jones I genuinely appreciate your efforts throughout the year.

A special mention to Jeremy Nodari and the Nodari family. Jeremy acted as property man, team manager and runner throughout the year and the Nodari family also cooked BBQ's for the players on numerous occasions. Their passion for the South Fremantle Football Club is evident every time you speak to them and I hope they continue to be involved with the colts program for many years to come.

In 2016 I am looking forward to working with incumbent coach Mark Foster and the assistant coaches he has assembled to work alongside himself. The structure going forward will give every player within the South Fremantle district the best opportunity to achieve their potential and with a strong component of Mark's job description focusing on developing our coaches working within the development squads it is our aim to create the best learning environment in the state for talented footballers aged 14-19.

ANNUAL REPORT AND YEAR BOOK 2015

WARRIORS DEVELOPMENT SQUADS

I thoroughly enjoyed my time with the various development squads in 2015. It is always exciting to see the young talent coming through the district and testing themselves against the best players from around the state.

The Warriors program as a whole aims to create a fun, positive environment where these young athletes are continually challenged to improve and reach their potential.

We demand the highest standards from all players, coaches and support staff within the program and I am extremely confident there will be some highly talented footballers playing senior football for South Fremantle out of these programs in the near future.

UPPER GREAT SOUTHERN RAMS

I would like to congratulate Garry Gillespie on his first year as head coach of the UGS Rams.

It was fantastic to bring our combined 15s out to play the boys in Boddington in preparation for your Carnival and the way the boys played and responded to your coaching was clearly on display.

To Helen Shalders and all others involved in the Upper Great Southern Football League I thank you for your time and dedication to ensure a strong league.

The quality of players not only on the field, but the character of the boys off the field is a credit to their country upbringing.

16s DEVELOPMENT PROGRAM

HEAD COACH: JASON MATTHEWS
ASSISTANT COACHES: SIMON MAXWELL, GLENN KIRKWOOD, STEVE JONES
TEAM MANAGER: LEON FLANAGAN
MEDICAL: TRISH CABASSI

Jason Matthews was once again head coach of the 16s for his second year and along with his support staff put together an extremely professional program where players gained not only knowledge of the game but of also the demands and expectations of them as players off the field.

The boys played six games in the carnival and played some brilliant football in patches but lacked the consistency to put together four quarters of football together in any one game. They finished with three wins and three losses but most importantly learnt some football lessons in regards to mental toughness and preparing properly to play games that will improve them as footballers as they move into the colts program in 2016.

STATE 16s

Alex Cabassi, Kyle Donaldson, Shai Bolton, Nathan Scott and Brodee Knight were selected in the initial State 16s squad with Cabassi and Donaldson making the final squad and competing in the NAB 16s carnival on the Gold Coast. Both players acquitted themselves very well in the carnival and should be very proud of their efforts.

At the conclusion of the 16s carnival the Jim Hurst Medal is awarded to the best player over the six games. Alex Cabassi won the 2015 Jim Hurst Medal with 48 votes ahead of runner-up Cody Ditchburn on 27 votes. Alex had a terrific carnival as a rebounding defender/midfielder and was a very deserving winner.

14S & 15S DEVELOPMENT SQUADS

The 14s and 15s played their traditional carnival in the October school holidays and as a whole they put together some very strong performances with some exciting footballers about to make their way into colts and senior football in the not too distant future. A huge thank you to the following coaches and support staff who gave up their time to help develop these players and provide a strong foundation for years to come.

16S MELBOURNE TOUR

As is tradition, the 16s again toured Melbourne as the final component of their development program. The tour is considered a vital part of the development of these players and a once in a lifetime opportunity to play and watch football in Melbourne.

The tour party consisted of Player Development Manager Jason Pedulla; Head Coach Jason Matthews; Assistant Coaches Simon Maxwell, Glenn Kirkwood and Steve Jones; Team Manager Leon Flanagan; Physiotherapist Dean Reynolds and 27 players.

The boys flew over on Wednesday July 8 and played two games of football. One against the Calder Cannons on Thursday July 9 and the second against St Kevin's College on Friday July 10. The boys were fantastic against a strong Calder Cannons outfit and with their slick ball movement and run and carry had a two-point lead heading into the last quarter.

The conditions however took a turn for the worse and the Cannons kicked with a strong breeze in the last quarter kicking 3.5 to run out eventual winners by 21 points. It was a very tough, physical game which took its toll on the players. Goal kickers were Litherland (2), Knight (1), Rodin-Zimdahl (1) and Pen-Dennis Watson (1)

After a rehab session at the Melbourne Bath's the players and staff headed out for dinner where they were greeted by South Fremantle legend Scott Watters who gave an inspirational and eye opening speech to all the players and staff. His passion for the club and everyone who has ever worn the Red V was clearly on display.

The next day the boys woke up sick, sore and sorry however they had a game to play at St Kevin's College. They were competitive in the first half trailing by two goals at half time however they couldn't keep up with a team with superior skills by foot and ending up losing by eight goals. Goal Kickers were Faulkner (1), Sivewright (1), Moore (1), Pen-Dennis Watson (1) and Kickett (1).

On Sunday night, former South Fremantle players Jermaine Miller-Lewis (Hawthorn) and Ben Newton (Melbourne) were invited to attend dinner for the official presentation of awards. Jason Cross and Lachlan Lindsell were awarded footballs as the two best players across the games, both playing excellent roles in defence. Callan Pen-Dennis Watson was awarded best goal for a freakish snap against Calder Cannons and Lachlan Lindsell also won the award for best tackle/hip and shoulder again against the Calder Cannons.

The group itinerary was excellent, and the boys were lucky enough to watch two games while over there. They watched Richmond take on Carlton at the MCG on Friday night and North Melbourne face Geelong at Etihad on Saturday night. They were also given a fantastic tour of the MCG and the National Sport Museum.

We were also fortunate enough to tour the facilities of three AFL clubs whilst in Melbourne. Dominic Milesi the National Recruiting Assistant at Collingwood took the boys through the Magpies facilities and also gave a fantastic presentation to the boys outlining what AFL recruiters are looking for in players.

ANNUAL REPORT AND YEAR BOOK 2015

Angus Litherland provided a tour of Hawthorn and spoke to the boys about his transition from playing football in WA to now being involved at the most successful club in the AFL.

His access to the inner-sanctum and advice was greatly enjoyed by all players in attendance.

On the last day of the tour the boys also were given a once in a lifetime opportunity to train inside Essendon's indoor training facility – The Hangar.

Whilst by this time all players were tired and ready to get home, the excitement of this opportunity wasn't lost on them and the training session was sharp and full of voice.

SOUTH FREMANTLE AFL PRODUCTS JERMAINE MILLER-LEWIS AND BEN NEWTON MET WITH MEMBERS OF THE BULLDOGS' 16S SQUAD DURING THE ANNUAL TOUR TO MELBOURNE

It no doubt had something to do with the man who took the session – Merv Keane who is a Richmond premiership player and an assistant coach at Essendon under Kevin Sheedy whilst also coaching Sturt in the SANFL and the Western Jets and Calder Cannons in the TAC Cup. At the conclusion of the session Recruiting Analyst Mark Micallef presented to the boys on how AFL clubs judge

talent and asked them to evaluate themselves against the scale used by recruiters. It was another fantastic insight for the players and again surely opened a few eyes.

In summary it was a fantastic trip with the boys thoroughly enjoying themselves and creating lifelong friends and memories.

FINAL THANK YOUS

I strongly believe that the one thing that separates the South Fremantle Development Program from others in the WAFL is the quality of the people involved. To all the coaches, support staff and volunteers who assisted throughout the year I once again extend my heartfelt thanks to you individually and as a collective. It simply would not have been possible to run the program as successfully as we did without your assistance.

To Stuart Kemp, Peter Christie and the rest of the board I thank you for your guidance and support throughout my first year at the club and for making me feel welcome as a Bulldog. To the other staff in Jessica, Michelle, Darren and Steve I also extend my thanks for your assistance from typing letters through to organising major functions and events. The professionalism you display on a daily basis is a credit to yourselves and it reflects strongly on the culture at the South Fremantle Football Club.

To the District staff Bradd, Lachlan and Robyn I thank you for your tireless efforts and providing a strong competition for our development programs to draw our players from.

I would like to reserve my final thank you to David Depane who has had the biggest influence on me personally during my short time at the club.

Your patience, understanding and knowledge of the Warriors program has been invaluable and your support and guidance in working through difficult situations throughout the year is greatly appreciated. I think we work well as a team and I look forward to building on what we have achieved this year and driving success at the club in the future.

In conclusion, we constantly challenge our players to seek improvement every day, and as manager of the talent programs I feel it is my duty to be relentless in constantly seeking improvement off the field. I am genuinely excited about 2016 and the direction we are heading as an overall talent program.

I wish everyone a Merry Christmas and a Happy New Year and I look forward to more Bulldogs success in 2016!

SOUTH FREMANTLE WOMEN'S FOOTBALL CLUB 2015 REPORT

Although it seems the end of the 2015 season has come so soon, at the same time it's been a long one with our pre-season campaign kicking off in January under the instruction of our new Head Coach Kym Robertson and his Assistant Craig Wood. Within weeks we also appointed a new Reserves Coach Tim Byrne.

Our pre-season was held at various locations and we had great numbers which was promising. With a lot of new players to the club we had 64 senior players who registered to play the season. As a committee this was very exciting to have increased numbers and exciting for the coaches in the hope we wouldn't have to double players up some weeks.

However, through the season we lost players to injury, travel, work and family commitments. With only weeks left to play we were in a situation like years before where we were struggling to field two senior teams.

This year we felt the fixtures didn't go our way with all three teams only playing four games together at our home ground. We played a lot of night games in our league division and also a game at Domain Stadium as a curtain raiser to the West Coast Eagles. This was a fabulous experience but we were unfortunate to sustain two major injuries early in the game which led to a four-point loss to the Sharks.

Our league team had a superb victory over East Fremantle on their home turf in Round 13 and we kept our finals hopes alive but a loss the following week and then a bye in the last round meant we finished fifth on the ladder.

Our reserves under the helm of Tim Byrne also finished fifth with a few unfortunate losses midway through the season. With so many new players it takes a few weeks to play as a team and

when they did come together...Wow! In Round 6 we beat top of the table Coastal Titans which gave the playing group a big boost however we lost our next two games. The reserves also had a tremendous end to the season winning all games from Rounds 9-15 but somehow still didn't make the finals.

This season we attracted some very talented Youth Girls and under coaching guidance from Katrina Tinson and Garry Burgess finished the season in second position to earn a grand final appearance. The Girls played to their utmost best, but without a bench and player rotations they ran out of legs in the final quarter.

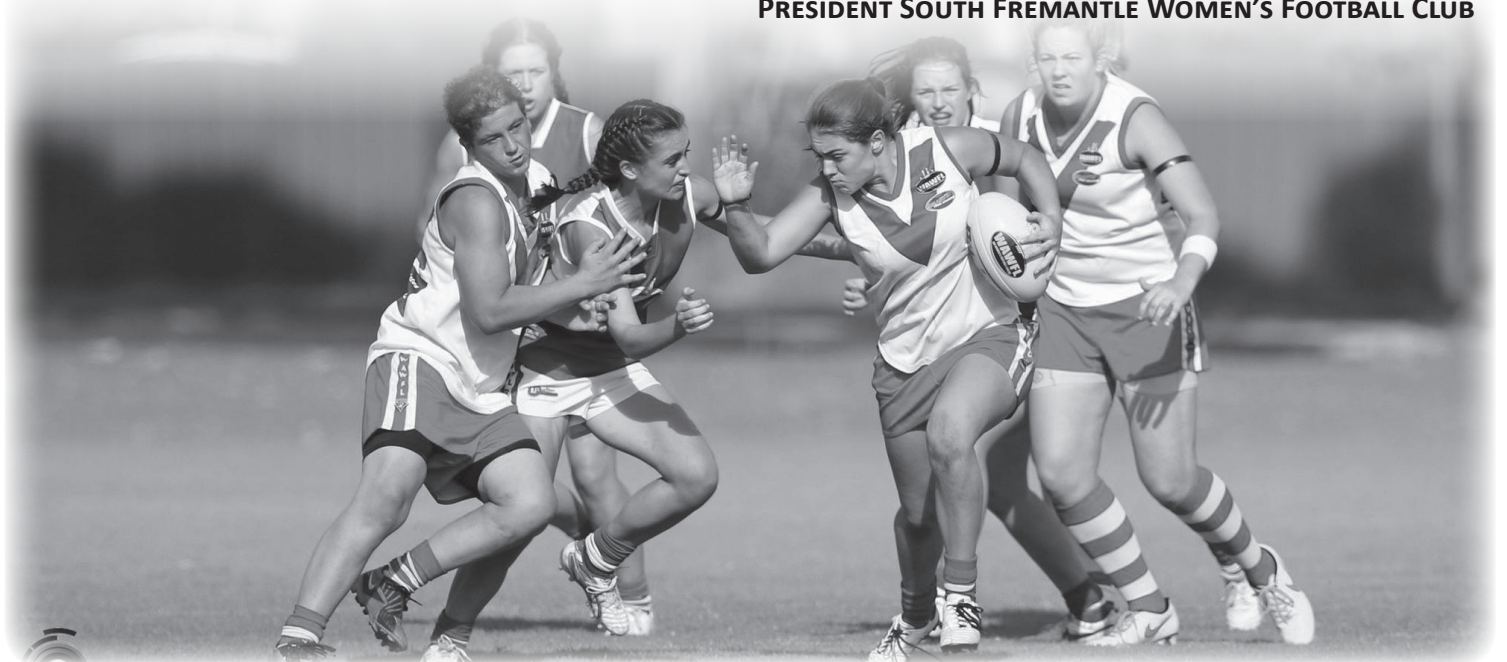

Beatrice Devlyn was named fairest and best for the Youth Girls' Rogers Cup Division which is a huge achievement. Our District announced two AFL Ambassadors being Katrina Tinson and Sabrina Frederick-Traub. Katrina has been fairest and best winner at our club, has represented our state in AFL footy and Sabrina is also a state representative and was recently named in the Melbourne side under the guidance of Michelle Cowan where she kicked three goals.

As the 2015 season has come to an end, we look forward to our break before we kick off our pre-season once again in January 2016.

With Women's AFL one of the fastest growing sports, our club seeks to recruit new players in Youth Girls and senior divisions. We encourage females of all ages and all fitness levels who are committed to playing Women's AFL.

SOUTH FREMANTLE DEVELOPMENT ACADEMY FOSTER NAMED COACH IN NEW ROLE

South Fremantle has appointed former dual reserves premiership player Mark Foster to the newly created role as Development Academy head coach.

The new role sees Foster become colts coach in 2016 as well as being in charge of all the coaches involved in the Warriors' program.

Foster returns to South Fremantle after a career that saw him play four league matches and in the 2004 and 2009 reserves premiership teams to fill the newly created position.

In conjunction with the WA Football Commission, the South Fremantle Football Club interviewed a number of quality candidates for the role who were put through a rigorous process to find the right person for the newly created position.

South Fremantle CEO Stuart Kemp commented how important the development pillar of the club was for the future.

"We have identified that to be competitive with the power clubs of the WAFL in years to come, we need to shift a greater percentage of our financial resources to our development program for future sustained success," he said.

"This important position will focus on the players across the whole Academy along with an emphasis put on teaching and providing best practice for all of our development coaches.

"We feel this position has the capacity and opportunity to deliver a centre of excellence structure for coaches in our district as well."

After being a colts premiership player and fairest and best winner at East Fremantle in 2001, Foster joined South Fremantle in 2003 and made an immediate impact at reserves level playing in the premiership of 2004, winning the fairest and best that year and being runner-up in 2005.

Following three years with Harvey Brunswick Leschenault in the South West Football League where he won a premiership

and was captain, Foster returned to South Fremantle in 2009 playing in another flag before two more years at Harvey Brunswick Leschenault.

He was again successful with another flag in 2010 and winning the Shine Medal in both 2010 and 2011, before finishing his playing career with a B Grade premiership at Wesley Curtin.

Foster's coaching career began with Harvey Brunswick Leschenault's under-15 side while still playing in 2007 before being reserves midfield coach at South Fremantle in 2010 and 2011.

He returned to the Bulldogs as colts midfield coach in 2012 as well before then spending the past three seasons as colts coach at East Fremantle where he's overseen 17 players

represent WA in the State 18s, four players drafted into the AFL and eight players make their WAFL league debut.

The 32-year-old comes with a South Fremantle history and now a burgeoning resume making him a standout candidate for the newly created role, and he commented how honoured he was to have been appointed.

"I feel privileged to have the opportunity to work in a club with such a rich history like the Bulldogs," Foster said.

"The role is exciting and very different to what a lot of the WAFL clubs are doing in their development areas and I can't wait to get my teeth into working with the talented group coming through, as well as working closely with all of the Academy coaches."

Foster will commence in November for the pre-season and one of his first duties will be to sit down with South Fremantle Player Development Manager Jason Pedulla to review the talent pathway and identification processes for players and coaches alike.

Foster won't be alone in taking on the new role with his group of assistant coaches including his brother and dual WAFL premiership player Andrew, Brisbane Lions AFL premiership midfielder Richard Hadley, Sam Buhagiar and the well-respected and highly successful Glen Davies.

PAST PLAYERS AND OFFICIALS REPORT

Congratulations must go to all our players who wore the red and white jumper this year in particular Wilbur's reserves side who took out the 2015 pennant quite comfortably!

I would like to thank our valued sponsors in Dorsogna (Eddie Murphy), Armando Sports (Armando Abreu) Jim Kidd Sports along with the Kardinya Tavern for their continued support.

A special mention to Brad, Lisa, Pam and Lorne McGuinness for their efforts in providing the meat and continued sponsorship of the Roy McGuinness Family Day in support of the reserves side.

Warm thanks must go to our many additional sponsors who donated their time, effort and money in providing food for our half-time entertainment. Hats off to Ronnie Johnston, Clayton Hopkinson and in particular the Del Borello girls – Sue, Kristy and Emmie!

As usual our fluctuating membership of 126 was realistic to the complex WAFL fixturing during the season and we welcome improvement in that area for 2016 season going forward!

I would especially like to thank Barry Smith (Secretary) and Rod Higgs (Barman) along with Ronnie Johnston, George Cole and Wayne Delmenico for their support and efforts during the year with the WAFL Combined PP & O in our role as delegates.

It is with sadness that I make mention of the tragic year for our long serving committee member in Peter Dougan in the loss of his wife Christine and Daughter Louise. We can only hold comfort in the fact that you have the strong support of your family along with the 1970 boys to help you through these

trying times and we look forward to seeing your face again in 2016.

In conclusion our committee would like to call on our past players and officials to make contact with the club or our committee to provide the up to date details for future follow up as we can only succeed if we keep the entity strong and together.

Over the course of the 2015 season the PP & O's raised funds to provide the following:

- Presentation of two trophies per game to the reserves team
- Provide a South Fremantle-Subiaco reserves lunch in conjunction with the McGuinness Family Day
- Assistance provided to our State Schoolboys representatives
- New fridge for Stephen Michael room
- SFFC Property room fridge and ice box
- Blinds for SFFC coaches box
- Player Development camera and accessories

Let's look forward to a successful 2016 on and off the field.

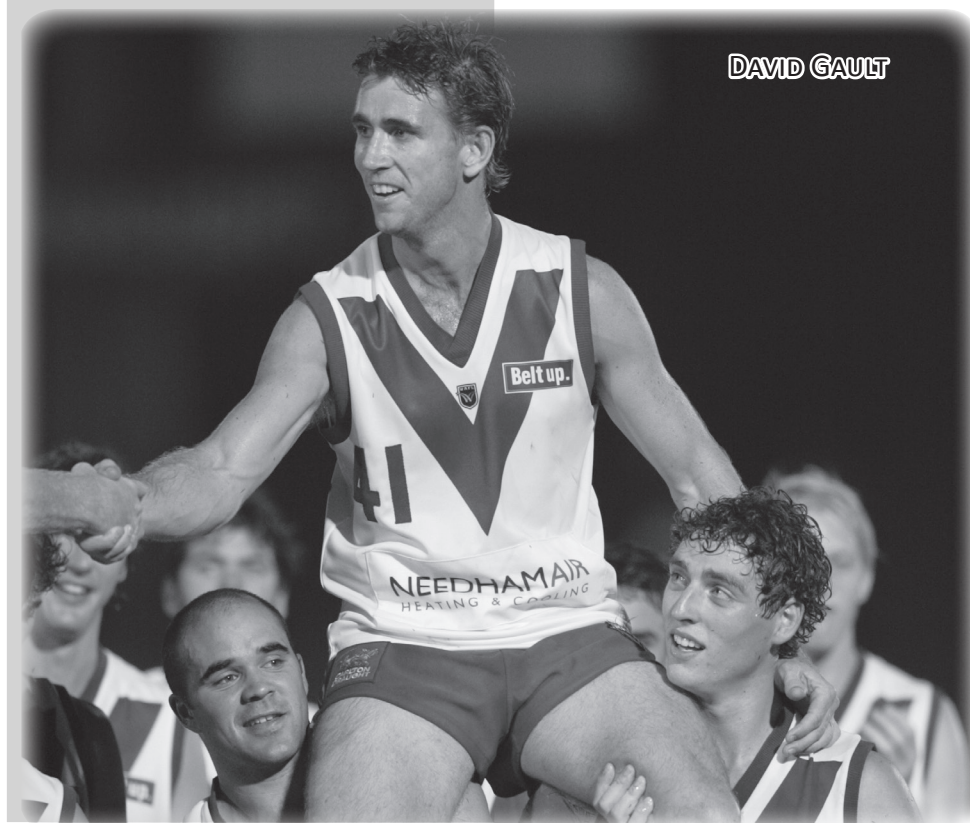

RAY VAN BURGEL (DUTCHIE)
SFFC PP & O PRESIDENT

SOUTH FREMANTLE FOOTBALL CLUB

BAR/FUNCTIONS MANAGER REPORT

My second year at South Fremantle Football Club has been a very busy and fruitful one, and I am very proud of all that has been achieved.

With the Fremantle Workers Club now utilising our facilities we have increased the opening hours of the WJ Hughes Bar and reintroduced the TAB, which has also increased the cash flow over the bar.

Not without its challenges, we believe it has been beneficial to both parties and we thank the Bulldogs Members and the Fremantle Workers Club Members for their patience.

We encourage more members of the South Fremantle Football Club to utilise the bar so that we can look at extending the opening hours further, possibly even open the kitchen for meals.

So if you're down in Fremantle, remember the Bar and TAB are open Wednesday 11am-3pm, Friday 11am-8pm, Saturday 11am-4pm and Sunday 11am-6pm.

Please note, there will be a short break over Christmas. We will be closing from December 24 and re-opening January 6 with the exception of Sunday December 27 and Sunday January 3 when we will be opening.

While there were many functions this year including my first wedding reception, a Dockers pre-season NAB Challenge game and Good Friday Derby, the definite highlight of the year was the Hall of Fame Induction night. Seeing all of South Fremantle's Legends in one room was an incredible experience, and one which I'm sure all that attended will never forget. I hope I am around for the next Induction.

I would like to take this opportunity to thank the bar staff for their tireless efforts throughout the year.

DARREN WINNETT, LEAH PARRY, PETER TAYLOR-THORPE

A special thank you to Steve McCarthy, Michelle Miller, Jessica Nolan, Stuart Kemp, David Depane and Jason Pedulla, their help throughout the year has made my job easier, and more enjoyable.

It would be remiss of me not to thank the volunteers for their help. Peter Taylor-Thorpe lent a hand doing a few glass runs on some of the busier days, and of course Marion Reid, even with a broken arm, and her helpers worked numerous functions feeding the hungry patrons. Unbelievable Marion.

Thank you to all that I have seen this season, as it is you The Members which help make the club what it is.

Go the Bulldogs!!

AUCTION NIGHT A GREAT SUCCESS

On behalf of the South Fremantle Football Club, thank you to everyone that contributed to the success of the 2015 Gala Auction.

This event was our major fundraising event in 2015, with monies raised going towards our development programs and allowing us to provide some of the best training facilities in the WAFL.

With stellar entertainment, great prizes and delicious food, the South Fremantle Football Club Gala Auction was a night enjoyed by all. The night included a three-course meal as well as an appearance from Perth's best oyster shucker Andy Grljusich. There was also entertainment from Johnny Cash tribute act Monty Cotton from The Voice Australia.

We would not be have been able to hold this event without the generosity and support of many people. To everyone that has contributed by way of sponsorship, donations, personal assistance or by buying a ticket and coming along to this evening, we extend the sincere thanks of the South Fremantle Football Club.

The funds raised from the Auction Night will be distributed into five important areas below and as we stressed on the evening, the fundraising from the auction is imperative for the viability of these projects.

FOOTBALL - Providing the best development environment possible so the boys from our 14's, 15's, 16's and colts programmes can reach their potential.

MEMBERSHIP - Aid in the funding of a new database for past players and members, this is one of the most important projects we have for the future of the club.

FACILITIES - With a 50 year old building, we are continually spending money on our club rooms.

FACILITIES - Griff John Room, looking at a renovation of the entire function room for the comfort of our members.

SOCIAL RESPONSIBILITIES - Helping with the establishment of an Indigenous Foundation that is currently in its planning stage.

SOUTH FREMANTLE FOOTBALL CLUB

TREASURER'S REPORT

This year's result shows an operating profit of \$20,893 compared to last year's operating loss of \$91,129, an improvement of approximately \$112,000. Depreciation expense for the year was \$78,256 this giving rising to cash operating profit of \$99,149.

Whilst the areas of Administration and Football did not show improvement, our remaining five cost centre did.

Administration is basically an area that has very little revenue to its name other than bank interest and sundry revenue in the form of insurance claim money received, as was the case in 2014 when \$16,700 came in.

Some increases in expenses such as computer support (\$7,800) and payroll tax (\$4,700) were the main contributors in the movement.

Bar revenue from sales was a significant mover this year and increased to \$445,723 (up by approximately \$180,000) with The Workers Club and such functions as The Hall of Fame and Auction nights contributing accordingly.

With this improvement in sales and proper management the resulting net profit was \$143,000, an overall improvement of \$85,000.

The overall increase in marketing was mainly attributed to such things as the club auction, special functions, donations and advertising screen income. This group accounts for approximately 35 per cent of the marketing revenue.

Our Sponsorship and Advertising within marketing representing approximately 50 per cent of the revenue within marketing fell by some \$56,000. Despite this there was an overall increase of approximately \$50,000.

Football revenue decreased by approximately \$8,000 which related to a decrease in the transfer fees received falling from \$144,000 to \$122,000. This was partially offset by player sponsor money received of \$10,250 and uniform recoupment of \$2,900.

Within the expenses of the football department, player match payments increased by some \$91,000. There was a decrease in the cost of coaching fees and medical cost to the extent of \$31,000. We were \$45,000 worse off than last year.

Football development is another area that is one we do not expect to make profits from but mainly to ensure our costs are kept in control and this year colts uniform reimbursements of \$9,500 was the main contributing factor to the \$9,000 improvement over the prior year.

Membership income improved \$9,000 from last year because membership fee revenue increased from \$90,000 to \$96,000 (types of membership movement) and our membership overall expenses decreased. Social activity expenses were down \$1,500 and promotion and advertising down \$900.

Our Facilities revenue increased with gate receipts of \$55,500 (up \$14,000) and ground management parking of \$58,700 (up \$9,500) as well as these general expenses were down approximately \$9000. In total there was a \$29,500 improvement in this area.

In summary the improvement in profitability is a welcomed one, however, there still needs to be more revenue achieved from our marketing and advertising for our club to be more financially stable.

Thank you once again to all those members and supporters who help out in kind and/or money.
