# PRESIDENT'S REPORT

## HAYDN RAITT

The 2016 season will be judged as a successful year for the South Fremantle Football Club.

Whilst we didn't finish off with a Grand Final appearance, in all three grades we have developed some very good young players for the future and all our sides made the finals and at one stage during the season occupied top spot on the ladder.

The Bulldogs were the most successful WAFL club in 2016, winning the most games in all grades and taking home the Rodriguez Shield.

Thanks must go to our senior coach Todd Curley, and his assistant coaches for a great job this year, along with Mark Foster and his team, doing a great job in developing our younger group.

## ANNUAL REPORT AND YEAR BOOK 2016

There is a great feeling in our club in all divisions that we are on the right track developing leaders with a very strong leadership program.

I would also like to praise David Depane and Jason Pedulla for their efforts in creating such a smooth year and putting together a brilliant team down stairs and creating such a happy atmosphere which rubs off on everyone.

To our loyal support staff, on behalf of the Board and our members, thank you.

Our club is facing some changes next year with the Dockers moving to their new facilities in Cockburn. Our total use of Fremantle Oval is still unsure as we await the City of Fremantle to move forward and recover the head lease back.

When and if that happens, it will give our club the opportunity to run events again at Fremantle Community Bank Oval as we did prior to the Dockers coming.

This will help to make our club more sustainable in the future.

With the WA Football Commission not securing the management rights of the new stadium it will put financial pressure on all WAFL clubs in the future.

Football in WA is currently going through a complete review by an independent company with the outcome due in early March 2017.

All WAFL clubs are working hard to make sure our great competition is not put back, and as in the past it remains the second tier elite competition that we all love, as did our families in the past.

Enough said on that.

We as a great club will try in 2017 to bring back more Past Players and Officials, and will work hard with the PP&O committee to make this happen. It is essential we work with the past and blend it with the future.

I would like to thank Stuart, Michelle, Jess and Cameron for the professional running of our office. I would also like to thank our members, you are a great bunch and make my job easy.

To Marion and your committee, you do a great job with all your tasks and are becoming quite famous, not only with our club, but other WAFL clubs.

To the loyal Friday night members, we may be down in numbers but not in quality. Many thanks for your great support.

To my Board, you are the best. Your loyalty to our club is without question and I thank you, and I know the club also thanks you. We have one of our dedicated Board members - Tim Reed retiring this year. Many thanks mate, you did your family proud.

And lastly to my wife - Sue. Thank you for allowing me the time to commit to this great club. I treat this job as a privilege.

# CHIEF EXECUTIVE OFFICER REPORT

## STUART KEMP

In anyone's estimation, 2016 was a fantastic year in many pillars of our organisation. On-field, the jump from seventh in 2015 to second in 2016 after the home and away season was a great result from our football department. Off the field, in a tough economic environment, our financial result at the time of writing this report is a profit. This has shown we are in a period of consolidation with some exciting projects set for next year.

My 2015 report commented that I felt we have made some significant gains from the previous year and I feel exactly the same this year. We are confident we are heading in the right direction in all areas of our business and rewards for everyone's hard work is not far away.

From a football perspective, in our league team, although we didn't reach the pinnacle, winning one final and having two chances to play in the Grand Final was a credit to all involved. Todd Curley and his support coaches again put their stamp on the playing group and competition by building on all the hard work from the previous two years. The players themselves should be very proud of their efforts, as the internal leadership and motivation from the group shone through this year. We hope to continue to build on this with the players driving their own actions while at the club.

Special mention to Rachel Harris and Mike Vegar from our medical staff who finished their careers with the Bulldogs this year to go onto other things. Both have been outstanding with their passion, commitment, tireless efforts and talent. As I have always said we have had the best medical team in the WAFL and they both will be very hard to replace.

I must emphasise the outstanding effort across the board with our football unit winning the Rodriguez Shield by a record margin this year. This is the pinnacle in football for any WAFL club and to have our teams finish in the top three on the ladder, across all three grades should make all our members feel very proud.

To Tony Walters and Mark Foster our head coaches of the reserves and colts,

congratulations on a great job for the club during the year. Tony again worked diligently with the senior group and his efforts to make the finals was a nice reward. Mark also did a professional job in 2016. His new role of Academy coach is a position we feel the club has needed and a big part of that position description is to 'coach the coaches' in our development teams. Wearing two hats of coaching the colts and looking after the Academy, we are all very excited about his input into our kids and look forward in anticipation to becoming the best development program in the league.

Finally I would like to thank all the assistant coaches, support staff, medical staff and volunteers for all their hard work, across all grades. Year after year they put in the hard work and without their professional efforts, none of our teams would be able to deliver. Special mention to Ross Addison our trusty property manager, whose organisation, humour and wit is something we all love around the club.

The season was punctuated with some individual achievements and congratulations to the following:

**STATE TEAM REPRESENTATIVES:** RYAN COOK, ASHTON HAMS, TIM KELLY, MARLION PICKETT, BEN SAUNDERS, ZAC STROM

**WJ HUGHES MEDALLIST:** SHANE HOCKEY

**100 GAMES:** RYAN COOK

**LEAGUE DEBUT FOR THE CLUB:** SHANE HOCKEY, STEVEN EDWARDS, DYLAN MAIN, MASON SHAW, BRAD MCPHAIL, JAKE FLORENCA, BRANDON DONALDSON, TYSON PICKETT, TIM ENGLISH

### CO-LOCATION BUSINESS CASE

At the time of writing this report the Co-Location project is at a standstill. We are waiting on two key parties being City of Fremantle and the Fremantle Dockers to come to an arrangement on the exit strategy of the Dockers from Fremantle Oval. I am still of the belief that this is vital for the clubs future and will continue to press forward with the business case, once the business between the two parties have been resolved. At the end of the day, co-location for South Fremantle is a viable and financial prudent option for our club and the community as a whole.

### ADMINISTRATION

Our staff once again excelled this year and we are proud of their values and pro-active service attitudes. Thank you to Michelle Miller, Jess Nolan, Darren

# ANNUAL REPORT AND YEAR BOOK 2016

Winnett, Cameron Palmer, Chris Pike and Steve McCarthy for all their hard work. In football thank you to David Depane and Jason Pedulla for their organisation and professionalism.

## LIFE MEMBERSHIP

The Board has much pleasure in recommending Tony Walters and Jenny Nikolich.

## LIFETIME MEMBERSHIP

The Board has much pleasure recommending Con Favazzo, Clement Forbes, Marin Garbin, Kenneth Seath by virtue of continuous 50 years' membership.

The Board has much pleasure recommending Norm Cox and Peter Troode who qualify for Lifetime Membership by virtue of making their debut 50 years ago.

## VOLUNTEER OF THE YEAR

Congratulations to Les Olivieri. Les is a terrific supporter/volunteer for the club. He is consistently at the club on training nights' rain, hail or shine running laps with the boys. It is also not unusual to see Les on the track retrieving footies for the boys whilst they stay on the track to polish their goalkicking, well after most have gone down to the rooms. He is always around to help where needed, runs for our reserves team on a weekly basis even doubling up on occasions to run for reserves and league if needed. Les never misses advising if he cannot make it (which is rare), when travelling with work he watches the scores very closely and with hours of the game he will email or text me for a brief on the game. Les has been a fantastic volunteer and thoroughly deserves the accolade. Unfortunately for the club Les has hung up the running boots, however will always be remembered for what he has done at the club. We wish him well.

## FINANCIALS

Although the last few years have been consolidated, reasonable profits, the challenge to our business is the amount of services we deliver across the year. We rely heavily on a few key elements including WAFC monies and sponsorship. These streams like the economy in general are currently under threat and planning for the future needs to be strategic and sustainable. I'm a big believer that the AFL needs to support WA Football

with the WA grant from the AFL being very disproportionate to that of other states. It's disappointing that WA as a heartland of football has been forgotten about while NSW, Queensland and Victoria receive all the money.

## KEY REVENUE PROJECTS FOR 2017 INCLUDE:

SPONSORSHIP

STRATEGIC FUND RAISING

1997 - 20 YEAR PREMIERSHIP REUNION

LEGENDS MEMORABILIA SERIES

GALA EVENTS - CORPORATE CLASSIC, AUCTION, QUIZ NIGHTS, BUSINESS LUNCHES

## CORPORATE PARTNERS

In their first year, a big thank you to one of our major partners, Bendigo Bank for the Naming Rights of Fremantle Community Bank Oval. Metwest Steel and John Hughes our other major partners, your support has been wonderful. Sincere appreciation to all our other partners and a special mention to our premier group of WA Hino, Total Eden, Primero Group, Strzelecki Group, The Gate Bar & Bistro, Tyrrells Wines, Homestyle Salads, Scoop Property and Perna Engineering.

Special mention to Peter Johnson who always goes over and above for the organisation,

players and staff. He is 'one of a kind' and we will never be able to thank him enough for all he has done for the club.

We look forward to working with and sharing another exciting year in 2017 with our partners.

## OTHER STAKEHOLDERS

**CENTURION CLUB:** Thanks to the 'Boys Behind the Bar' in the Centurion Club. Bowie, Alf, Ang, Wayne and the boys who entertain and provide an enjoyable day for our members.

**DISTRICT FOOTBALL DEVELOPMENT COUNCIL:** Thank you to the Metro South staff including Bradd Gardiner, Robyn Elms and Regan Atkinson for all your support in 2016.

**PAST PLAYERS:** As always are very keen to help where they can, our appreciation goes to Ray Van Burgel, Barry Smith (Secretary) and Rod Higgs (Barman) along with Ronnie Johnston, George Cole and Wayne Delmenico.

Thank you to Tim Reed from the Board who has decided to stand down going forward. Tim has been extremely committed to the club and a great guy to have around the place.

South Fremantle's league, reserves and colts teams all made the finals in 2016 in what is a tremendous illustration of the quality of depth at the Bulldogs right across the board.

Along the way, the league team won the Garlic Munchers Cup, John Todd Cup and Ciccotosto-Uittenbroek Cup among other successes on the way to a 15-win season and then a qualifying finals victory over West Perth at Fremantle Community Bank Oval.

South Fremantle was well-represented again at state level with Ashton Hams, Ryan Cook, Tim Kelly, Marlion Pickett and Ben Saunders playing in the WAFL's record 134-point victory over Tasmania.

The Bulldogs also had seven players featuring in the WA State 18s squad in 2016 and another four players at 16s level.

The WAFL named its Team of the Year for 2016 with Hams, Saunders, Haiden Schloithe and Blayne Wilson all part of that while Shai Bolton, Daniel Burke, Tim English, Jimmy Miller and Chad Pearson were part of the WAFL Colts Team of the Year.

# DAY OF HOME FINALS AT THE PORT

## QUALIFYING FINAL

FREMANTLE COMMUNITY BANK OVAL

South Fremantle played its first WAFL final since 2011 and delivered an outstanding performance to beat West Perth by 52 points to advance to the second semi-final.

The Bulldogs qualified for the first time since 2011 and won their first finals match since the 2009 Grand Final proving too good for the Falcons on home soil in front of a strong crowd of 3801 people.

South Fremantle made a blistering start kicking five goals in the opening 12 minutes with Blaine Johnson and Mason Shaw on fire combining for four of those.

But West Perth worked its way back into the contest and with 14 of the Falcons' players having taken part in last year's grand final and 10 of them premiers players from 2013, they were able to steady the ship.

That saw the Falcons kick four consecutive goals either side of quarter-time but the Bulldogs were able to steady to still lead by 18 points at the main break.

South Fremantle then turned in a scintillating third quarter with seven goals to one, including three to Ben Saunders, and that was enough for the Bulldogs to set up the 18.13 (121) to 10.9 (69) victory.

South Fremantle had 16 players taking part in a WAFL final for the first time with 20 of the 22 playing in a final with the Bulldogs for the first time, but that lack of experience in September proved far from a factor even against a finals experienced West Perth team.

There were stars all over the field for the Bulldogs and none more so than the forward with Saunders kicking four goals from seven kicks, Shaw four goals from 10 kicks and seven marks and Blaine Johnson three goals from 16 possessions and five tackles.

Ashton Hams also went forward to kick three second half goals to go with his 27 possessions.

Brock Higgins worked hard in the ruck for 42 hit outs and at ground level Brendan Verrier gathered 30 possessions, Dylan Main 27, Tim Kelly 25, Haiden Schloithe 24, Jacob Dragovich 23 and Shane Hockey 22.

The Bulldogs' back-line was every bit as impressive as those further up the ground led by Marlion Pickett who was dynamic ending up with 25 possessions and nine marks.

Matthew Gundry also had 25 disposals and 10 marks and Steve Verrier 25 touches, seven marks and a goal in a battle with Kody Manning.

Blayne Wilson and Josh Pullman were again strong in the key defensive roles while Jason Maskos held Max Duffy to one goal and six kicks.

**MATTHEW GUNDRY**

The colts qualifying final started the day with Claremont proving too good for South Fremantle, with the reigning premiers winning 10.11 (71) to 6.3 (39).

Shai Bolton kicked four of South Fremantle's six goals for the day to go with 17 possessions and five marks. Antionne Forrest-Yarran and Zane Sumich were the Bulldogs' other goal scorers.

Bruno Faulkner collected 21 possessions and laid seven tackles for South Fremantle while Kyle Russell finished with 20 disposals, Dylan Brown 17, Daniel Burke 15, Brodee Knight 15 and Seaton Thompson 15. Jacob Warne had 12 touches and 14 hit outs in the ruck.

Then in the reserves qualifying final also at Fremantle Community Bank Oval, it was again Claremont and South Fremantle doing battle. The Bulldogs dominated the first quarter with four goals with the Tigers not scoring, but Claremont took over from there.

The Tigers kicked nine goals to four after quarter-time to win 9.11 (65) to 8.8 (56).

Brandon Donaldson kicked three goals for South Fremantle and Anthony Nodari two.

Adam Guglielmana returned from a hamstring injury and was terrific with 32 possessions while Billy Collier had it 28 times, Matthew Ah Siu 26, Josh Collard 24, Jake Florenca 24, Steve Edwards 23, Jesse Musika 21 and Tim Stewart 20.

Young ruckman Tim English was again impressive with 20 possessions, nine marks and 29 hit outs.

**BLAYNE WILSON**

**STEVE VERRIER**

## SECOND SEMI FINAL MEDIBANK STADIUM

Subiaco continued to be South Fremantle's bogey side in the second semi-final with the Lions proving too strong winning by 40 points.

The Bulldogs' league side still had a home preliminary final to look forward to but the seasons were over for the reserves and colts.

Ruckman Brock Higgins did a power of work ending up with 19 possessions, five tackles, four marks and 43 hit outs.

Blaine Johnson and Ben Saunders both kicked three goals apiece up forward.

Marlion Pickett had his hands full with Liam Ryan in defence but he did play well himself ending up with 24 disposals and seven marks. Josh Pullman and Blayne Wilson were also strong defensively.

South Fremantle did miss the suspended Ashton Hams through the middle but Tim Kelly worked hard for 30 possessions while Steven Verrier finished with 20 disposals, Shane Hockey 19 and Jacob Dragovich 18.

The first semi-final action began at Medibank Stadium with East Perth's colts beating South Fremantle 16.8 (104) to 11.5 (71).

Shai Bolton was again terrific with four goals from 19 possessions. Andre Coutinho and Zane Sumich also booted two goals each for the Bulldogs.

Dylan Brown finished with 22 possessions while Caleb Datson collected 19 disposals.

Then in the reserves first semi-final, East Fremantle kept its season alive beating South Fremantle 14.10 (94) to 6.6 (42).

Jordan Matera and Jesse Mirco both kicked two goals apiece from limited opportunities.

James Laurino racked up 35 possessions, Tim Stewart 26, Jake Florenca 26, Matthew Ah Siu 23, Bailey Matera 22, Adam Guglielmana 22, Abel Brown 18 and Chris Luff 18.

Young ruckman Tim English was again impressive with 20 disposals and 18 hit outs.

## PRELIMINARY FINAL

### FREMANTLE COMMUNITY BANK OVAL

The preliminary final didn't start well and never really improved against Peel Thunder but that doesn't change the fact that 2016 was a giant step forward for the Bulldogs.

The result at Fremantle Community Bank Oval might not have gone South Fremantle's way with Peel running out 39-point winners to advance to the Grand Final, but it doesn't hide the fact that it's been a successful 2016 season.

Having not played in the finals since 2011 or won a final since the 2009 Grand Final, South Fremantle finished the 2016 season in second position on the ladder with a 15-5 record.

The Bulldogs then went on to beat West Perth by 52 points in the qualifying final at Fremantle Community Bank Oval before losing in the second semi-final to Subiaco by 40 points at Medibank Stadium.

South Fremantle still had another chance to qualify for a Grand Final in the preliminary final, but Peel proved too strong winning 16.13 (109) to 10.10 (70).

It could prove to be a season to build future success upon for the Bulldogs, though, with Ashton Hams, Blayne Wilson and Josh Pullman still the only three players from Sunday's preliminary final team who have previously played in a WAFL decider.

From the 22 players from the preliminary final team, 17 of the South Fremantle side was playing in their first finals series meaning there is plenty to now build upon heading towards 2017.

South Fremantle was playing its ninth straight match since its last bye and up against the running power of the Thunder, the Bulldogs looked a tired outfit and one that could have been significantly fresher if it had a bye since their last one in Round 17.

Then the Bulldogs also lost Bernie Naylor Medallist Ben Saunders at half-time when he was taken to hospital while Steven Verrier continued to soldier on bravely despite a sore shoulder and nasty head knock. He still managed to lay 14 strong tackles.

South Fremantle's back-line had some strong performers highlighted by Josh Pullman holding Michael Apeness to one kick and one goal.

Blayne Wilson was also terrific with 24 possessions and eight marks while Marlion Pickett did well opposed to Shane Yarran while also spending time in the ruck. He ended the day with 18 disposals.

Brock Higgins worked hard opposed to Zac Clarke and Jonathon Griffin with Shane Hockey finishing with 23 possessions, Haiden Schloithe 21, Brendan Verrier 21, Ashton Hams 20, Tim Kelly 20, Jacob Martinez 19, Jacob Dragovich 19 and Dylan Main 18.

Steven Edwards bobbed up with three goals.

# LEAGUE COACH REPORT

## TODD CURLEY

We made a lot of improvements in a lot of areas during the 2016 season to go from winning eight games to 15, playing finals for the first time since 2011, playing three finals and winning one.

In that first final against West Perth we played some fantastic football, against Subi we were right in the game for two and-a-half quarters however couldn't make the most of our chances in the third term and Subiaco punished us as good teams do when their opportunities presented themselves.

In the preliminary final we got jumped against Peel but as we have done all year showed great resilience to hang in and be level at quarter-time. We fell behind again but fought our way back to still be a chance early in the last quarter but couldn't get over the line to make the Grand Final.

Upon reflection we still have a pretty young group and we think it was a step in the right direction in 2016. The challenge now is to come prepared to work hard again and make it another year in 2017 where we reach finals first of all and give ourselves a chance.

Once you qualify for finals you are always as good a chance as anyone else to have a crack at going all the way, but grand finals are very hard to get to and unfortunately our year came to an end on preliminary final day. We were confident that at our best we could make the Grand Final but clearly we weren't at our best for long enough and came up short.

To finish in that fashion was disappointing but after having just the one bye after the mid-point of the year we certainly looked a little sore and tired at the end. Still, if you said last November that we would win 15 games, play three finals, win one

## ANNUAL REPORT AND YEAR BOOK 2016

convincingly and be competitive against the two grand final teams, then we definitely would have taken that.

Even though a lot of our players have played finals at colts and reserves level before at the club, but this was the first chance for most of them to play finals at league level and that will prove a great learning experience for them. We were able to stack some wins on the board early in the season which helped us to qualify for finals and then attack a top two spot in the final month of the year. It was a year where our players really grew as a team and we'll look to continue that trend as we chase the grand finalists of 2016 Subiaco and Peel.

One thing we've been really strong on as a club is that we want to bring South Fremantle players back to the club after they have an opportunity in the AFL. We want to provide an environment to help everyone improve and Blaine Johnson, Dylan Main and Mason Shaw all had strong years. Blaine was hampered by a little bit of hamstring trouble in the second half of the year but they all had a strong impact, and Tom Vandeleur with a full preseason of preparation is someone who can really jump up further in 2017 along with our other younger guys like Dragovich, Donaldson and Tyson Pickett.

Our defence has really improved in the last 18 months and again this year we were strong defensively. Unfortunately Adam McIntosh broke his leg mid year when he was in great form because he gives us so much flexibility and leadership and then Adam Guglielmana hurt his hamstring late in the year too. But a real positive was the switch of Josh Pullman to defence this year, he was fantastic for us playing that key role and our backs were pretty strong, but when you win 15 games generally a few things go right.

Marlion Pickett had an amazing year as well, he is such a fantastic athlete and with the ball offensively he does some special things but his defensive efforts often save us when all looks lost. He has really grown as a person too over the last 18 months. He is a real leader now especially with the Indigenous boys. He has gone from a talented, quiet

member of the group to someone who is really confident with his place and is quite comfortable now to instruct his mates and is a pleasure to coach.

We targeted the recruiting of Shane Hockey for a reason and he was fantastic. We certainly felt our other young midfielders learned and developed a lot just from seeing how he worked and by being around him. We think most of our young group will provide most of our development and growth now going forward because of that experience.

One of the most pleasing things to see is that the players have taken on the responsibility that it is their group and club, and their career so what they get out of it is what they put into it. Our leaders stood up this year to drive the group and the younger players went along with them. There seemed to be a mood at the whole club that everyone was there for the right reasons and to work hard, and the focus was all on the team. Things generally go right when that is the case so we will look to continue that.

All of our staff do a mountain of work and they are a great support to me, and a great support to the players who do a great job. Collectively we work as an entire coaching group and that includes those who work in the reserves and seniors, and linking into the colts. We are strong with the player group that there is no one player more important than the next and we value everyone's input, and it's the same with the coaching group.

Moving forward, we have worked hard on building the way we want to play so that won't change a lot but we will look to improve facets of it. There has been quite a lot of change to our list over the past two years but we think the majority of our players will now stay together for 2017 and hopefully the little taste they had of finals footy this year will drive them to want to play more and more, and improve more and more.

# RECRUIT HOCKEY CLAIMS HUGHES MEDAL

We celebrated our season that saw all three grades take part in the finals at the WJ Hughes Medal night with 2016 recruit Shane Hockey claiming the fairest and best award.

The night concluded with 2016 recruit Shane Hockey capping his stunning first season in the WAFL by claiming the WJ Hughes Medal as the fairest and best player in the league side.

Hockey won with 149 votes ahead of Marlion Pickett (141), Steve Verrier (128), Tim Kelly (125), Ashton Hams (118), Mason Shaw (103), Blayne Wilson (103), Ryan Cook (96), Haiden Schloithe (95), Ben Saunders (94), Jacob Dragovich (87), Josh Pullman (81) and Blaine Johnson (76).

Hockey takes out the Hughes Medal after his first season with South Fremantle after more than 100 games in the VFL with Frankston.

He had an outstanding and consistent season as a hard at it midfielder and a prolific ball winner and that was reflected in the fairest and best voting.

Pickett finished second in the Hughes Medal voting after coming in third last year behind winner Ashton Hams and runner-up Ryan Cook.

It was another scintillating season out of defence by Pickett with his ability to run and carry the football a highlight, but just as much was his defensive ability to halve or win contests from any position.

Steve Verrier was rewarded with a third-place finish for a tremendously versatile and consistent season.

The former Richmond draftee showed that he could be an effective attacking midfielder in his own right but also did some tremendous run-with roles and spent time at half-back during the season.

His ability to shut down players, win the ball in close and in space and use it well made him one of South Fremantle's most important players.

Another player to go to another level in 2016 was Kelly who finished fourth in the medal count to cap a season that saw the midfielder

also represent Western Australia for the first time in the state match victory over Tasmania.

Last year's winner Hams finished fifth having missed a host of games through the middle of the season with a calf injury.

Other league award winners included Josh Pullman claiming the Player of the Finals award after his outstanding performances against West Perth's Michael Lourey, Subiaco's Hamish Shepherd and Peel Thunder's Michael Apeness to cap his first season as a defender.

Ben Saunders was again the leading goalkicker with 59 goals to claim the John Gerovich Trophy having also won the Bernie Naylor Medal as the WAFL's top goal scorer for 2016.

Ruckman Brock Higgins took home the Culver Family Award for courage and perseverance while the Best Clubman award went to Jarrod Parry after his season was ended before it began due to a knee reconstruction.

Marlion's younger brother Tyson Pickett was also named Best First Year Player.

# CAPTAIN'S REPORT

## RECORD-BREAKING 2016 FOR CAPTAIN COOK

While I had some personal milestones in 2016 to celebrate including my 100th game and breaking the games record as captain, all that I was focused on is getting this club back into the finals and it was a great effort for us to do so.

Season 2016 was a great ride for the club and especially for us as a playing group. We started really well winning our first five games, I feel this was due to the commitment and effort shown through the pre-season by everyone involved. We all came back prepared and hungry to compete and improve and were all on the same page at the start of our campaign.

We ticked along nicely as the season went on never leaving the top three sides and finishing up in second place on the ladder heading into the finals, a place we haven't been a part of for quite some time. It was great to see the hard work put in over the summer was paying off and all worthwhile.

We had some handy recruits which was a huge boost for the group. Shane Hockey came in and made an immediate impact, he is a very physical, hard inside mid. His on-field actions were a huge plus and he ended up claiming our fairest and best award which was great reward for effort, not only this but his leadership and guidance he gives to the younger blokes goes a long way.

Blaine Johnson, Dylan Main and Mason Shaw all returned after stints in the AFL and had fantastic seasons which again helped the group a lot. Mason joined Ben Saunders in the forward 50 which allowed us to have two potent targets up the forward end. Both these boys kicked the majority of our goals for the year and had very consistent years. Finishing first and third in the league's goalkicking says everything about how good they were.

Mainy improved out of sight as the season progressed and became a ball magnet and very aggressive around the contest which was great to see. Johnno did his thing on a forward flank making some huge hits on the opposition and kicking some clutch goals for us at pivotal times.

We have a solid base to work with now in terms of our expectations and values that we hold ourselves accountable to. We have been working on this for a few years now ever since Todd came in and took over the reigns as senior coach.

As we know anything can happen from year to year but we would like to think losing a preliminary final this year is a hurdle we need to jump heading into season 2017. We are definitely up for the challenge and aiming for a Grand Final berth. We know we've got the group to do it.

# ANNUAL REPORT AND YEAR BOOK 2016

An accomplishment I wanted to achieve ever since I made the trip from over east was to get to the century games milestone. It was a privilege to play my 100th game for the club early in the season and to have a win made it all the more special. It's exciting that a couple of others are within reach of this milestone for 2017 we look forward to having successful wins in those games also.

The club had a vibrant feel about it this year and it was great to see so many supporters at our awards sharing stories, having a beer and mixing with the players and coaches after our games.

Here's to another big summer where we can all improve again and to a big 2017 campaign. Go the Bulldogs!

## RESERVES REPORT

The reserves couldn't quite recapture the magic of the premierships of 2013 and 2015, but with the club's depth tested with all three grades playing in the finals, it was a strong effort by the Tony Walters-coached team throughout 2016.

The 2016 season again started strongly with five straight wins over West Perth, Swan Districts, East Perth, Perth and East Fremantle. That winning run ended against Subiaco in Round 7 at Fremantle Community Bank Oval but the Bulldogs then won six straight matches again over Claremont, Peel Thunder, Swan Districts, East Fremantle, Peel and West Perth.

Losses to East Perth, Claremont and Subiaco in succession hurt that winning form but the reserves responded to beat the Sharks and Demons before heading into the finals with a draw with Perth and losses to Swans, Royals and Demons.

The reserves went down to a league-strengthened Claremont and East Fremantle in the finals but that in itself was a reflection of the strong season South Fremantle had across the board. Both the Tigers and Sharks could put league players back into the reserves side during the finals due to not being in the finals at senior level. But South Fremantle didn't have

that luxury due to the league side taking part in the finals for the first time since 2011.

While that did lead to a straight-set finals exit, it allowed coach Walters and his staff to build a group in the reserves throughout 2016 that will end up producing a host of long-term South Fremantle league players in the future.

Jake Florenca is a shining example having had an outstanding season in the reserves. In his 19 matches, he averaged 22.7 possessions with a high of 39 in Round 5 and ended up claiming the Roy McGuinness Medal as the fairest and best winner.

After making his league debut with four games late in 2015, Matthew Ah Siu had another strong season in 2016 with the reserves averaging 20.2 disposals to finish runner-up in fairest and best voting.

For the second straight season, James Laurino came third in the fairest and best count with the reserves. The hard-running midfielder averaged 20.5 possessions in his 16 games along with another five league appearances to take his career tally to 12.

Adam Guglielmana wasn't quite able to force his way back into the league side after his

hamstring injury late in the season meaning the 125-game veteran played in the two finals for the reserves. He had 32 possessions and 10 marks in the qualifying final against Claremont and then another 22 disposals against East Fremantle in the first semi-final. Those performances saw him named the Player of the Finals, but unfortunately for Adam he is yet to play a league final as part of his 125 matches.

Jesse Mirco graduated from the colts to the reserves in 2016 and had a tremendous season in the forward-line to end up kicking 40 goals to be the leading goalkicker. That included six goals in Round 13 and five in Round 9. Brandon Donaldson also kicked 38 goals in his 16 games as a small forward.

Brayden Andrews, Josh Collard, Billy Collier, Matthew Grubelich, Blake Lee, Bailey Matera, Jordan Matera, Brad McPhail, Jesse Musika, Lucas Spithoven, Tim Stewart and Noah Strom are other players who deserve acknowledgement for their seasons.

Walters was again a strong coach of the reserves group in 2016 with support from Paul Litherland and Paul Mugambwa, and team manager Peter Matier and runners Les Olivieri and Linton Davies.

## MARK FOSTER

Season 2016 brought a year of change, with a host of personnel and structural changes made within the South Fremantle development academy. While improvement was seen there still remains plenty of room for improvement going forward.

The colts program kicked off in mid-November with over 80 players invited to pre-season. Players were put through their paces from day one. Our overarching focus was a professional approach. Pre-season was gruelling but the playing group enjoyed plenty of fun along the way.

The camp brought the group together. It was evident early on that the players had bought into a 'team first' attitude. By March our list was narrowed down to 45, all whom have come from within our local and regional district. Dylan Brown was named captain and Boyd Woods vice-captain. Both boys did an outstanding job at leading the group all year.

Round 1 was quickly upon us. Full of anticipation, no one knew what to expect and not many of us would've predicated what eventuated. A 104-point win over West Perth was the start we didn't see coming. The playing group's ability to execute what was preached at training saw confidence grow.

In the coming weeks two tight wins over Swan Districts and East Perth put us on top of the ladder after the first three rounds. Round 5 became a top of the table clash against Perth. Both sides had missed last year's finals series. We were keen to continue our winning form. Unfortunately, a last quarter fade out saw Perth secure top spot and our first loss for the season.

During the early parts of the season State selectors cast a close eye over the colts group. Seven players were rewarded for their form and therefore selected in the WA 18s squad. Dylan Brown, Kyle Russell, Chad Pearson, Tim English, Shai Bolton, Jimmy Miller and Mitchell Dzelebdzic all had the honour of representing the back and gold. Unfortunately for Mitch a significant shoulder injury saw him miss the carnival and remain with the colts for the rest of the season.

Tim's brilliant year was capped off with All-Australian selection for his form at the national carnival. Tim's form continued in the back half of the year playing reserves football and making his league debut against Perth in Round 23.

The middle part of the season was always going to be a challenge. With a number of injuries and players away on state duties, our depth was going to be tested. However, it was an enjoyable part of the season as many players made their debut and others began to grow as players.

Daniel Burke, Bruno Faulkner, Antionne Forrest-Yarran, Brodee Knight and Caleb Datson played some consistent football, while others were looking to cement their spot in the side. Jacob Warne was one player who worked tirelessly in the ruck.

On the home stretch we found ourselves in a strong position vying for top spot. Shai Bolton's form was outstanding. He bagged seven goals against East Perth which was as good as you will see. We then went on with important wins over the top four teams being Claremont, Swans and East Perth. This saw us meet Perth in the final game of the home and away season, a win would see us finish as minor premiers.

Once again Perth had our measure, our worst performance for the year saw us go down by 30 points. It wasn't the performance we were looking for heading into the finals.

Throughout the finals series we weren't able to replicate our best football against the best sides. Meeting an in-form Claremont in the qualifying final the boys tried gallantly all day, but couldn't match the class of Claremont who have been the bench mark over the past 10 years.

The 32-point loss saw us take on East Perth the following week in the first semi-final at Medibank. East Perth got out to a commanding lead in the first half, leading by 40 points at the main break. The group could have easily put up the white flag in the second half but an inspiring third quarter saw us within a goal in the last quarter. But East Perth powered away in the last quarter to book a Grand Final berth while for our group it was season over.

It was a disappointing way to end the season but I was so proud of the way the players conducted themselves throughout the year. They embraced change, took a professional approach into every game and never gave up.

It's exciting for the club going forward with over 16 players integrating into the senior squad next year. Thanks to the whole playing group for the season, it was an enjoyable year and you were a pleasure to coach. All the best in whatever path you take in the future.

A lot of work goes into a colts program. As a coach I rely on a number of reliable, loyal and experienced people to help make the program a successful one. The sports science team headed by Toby Edwards did an outstanding job getting the playing group conditioned for a colts season. Toby and his team, thank you for your support this year.

We had an excellent medical team who had their work cut out this year, with an unusual run of injuries. Sam O'Neil, Rowan Pearce and the host of trainers put in a mountain of work to get the playing group healthy for game day.

The quality support staff we had within the program made it an enjoyable environment

# COLTS AWARD WINNERS

to be around. Jeremy Nodari, Jason Osbourne, Rhys McFarland, Rosco, Lou and Harry thank you for all the time and effort you put it.

I was fortunate to be surrounded by quality coaches this year. Brent Irving (backs), Sam Buhagiar (midfield), Andrew Foster (forwards), Glen Davies (opposition analysis) and Dean Irving (ruck). Their ability to educate, teach and motivate was a contributing factor on the consistent improvement we saw. I thank you for the profound influence you all had on the group.

One man who deserves a lot of credit is Jason Pedulla. His ruthless, diligent and player first approach has set a strong foundation for the program going forward. Jason, I can't thank you enough for everything you have done.

Stuart Kemp, David Depane, Todd Curley and the board, thank you for giving me the opportunity. It's something I'm very grateful for and look forward to repaying the faith.

Look forward to bigger and better things in 2017.

# TRIP TO CARNARVON

## SUCCESSFUL VISIT TO COUNTRY ZONE

South Fremantle made a successful and popular visit to Carnarvon with a series of community events in conjunction with the WAFL Country Sports Enrichment Scheme fixture against Perth in Round 20.

Not only did South Fremantle win the thrilling WAFL league clash over the Demons 17.11 (113) to 11.10 (76) at Carnarvon Festival Grounds, but the trip to the club's northern zone in the Gascoyne was a success.

A small party flew up Friday morning arriving in Carnarvon at 9.30am with senior players Adam Guglielmana and Zac Strom attending Carnarvon Christian School.

It was a particularly fond experience for Guglielmana to return home to Carnarvon while Strom is also a country product for the Bulldogs, hailing from Exmouth.

The boys along with regional development officer Steve Broberg ran a series of clinics that were all about introducing the boys and girls to footy. Across the morning over 130 students from Years 1 through 6 were given the chance to have a kick with the boys.

Following the second session, the school generously put on a BBQ lunch.

Adam and Zac then made the trek to St Mary's School, Adam's old stomping ground. The

players went through the entire school posing for photos and signing autographs for school kids from kindergarten through Year 10.

Another two sessions were run at St Mary's with kids from Years 5, 6, 7 and 8 receiving a training session designed by both South Fremantle players. Both boys ran the warm up of the South Fremantle senior team with the kids and all the kids enjoyed the chance to play modified games at the end of the session.

CEO Stuart Kemp and Operations Manager Michelle Miller hosted a South Fremantle exclusive function at the Carnarvon Race Course with President Haydn Raitt, Vice President Peter Christie and Director Gavin Jahn among the guests.

Getting in the theme of the weekend, the fourth race was the South Fremantle v Perth Cup with Brackova taking the win.

The remainder of the playing group flew into Carnarvon just before 4pm and the team walked from their base of the weekend, the Carnarvon Motel to the Main Town Oval for a community event.

The kids that were in attendance were given the opportunity to chat with and have a kick with the South Fremantle players with the good natured humour of the kids resonating with the playing group.

That night the team had a team dinner back at the Carnarvon Motel.

The following morning players rose early for another team breakfast before taking a walk through Carnarvon.

Also on the Saturday morning three engagement sessions were scheduled for the Carnarvon community with trainers Bronte Gorfin and Rebecca Boni holding a sports trainer session and assistant coaches Arthur Maskos and Brett King on hand for a coaching seminar.

An umpiring session was also held by those officiating the league game later in the day doing the honours.

Basil the Bulldog made the trip to Carnarvon and was a hit with the local children.

Following the game, both teams, umpires, officials and invited guests attended the post-match function back at the Carnarvon Motel.

Overall the Carnarvon trip was a success both off field as well as on field, and South Fremantle hopes that this is just the continuation of a strong and prosperous relationship for the Gascoyne region and the football club.

## RED CAP DAY

South Fremantle hosted its second ever Red Cap Day with the event well attended by current and past players alike along with plenty of family members and long-time supporters making it a tremendous success.

With the day graced with ideal weather conditions, players from every South Fremantle premiership back to the 1940s were on hand with some players receiving the new red caps, some receiving caps for the first time and some receiving multiple caps for family and friends.

**EMMIE DEL BORRELLO**   **RAY RICHARDS**   **HAYDN RAITT**

to present the caps to all the players who were in the room for the occasion.

With memorabilia on display going back to the early days of the club, past premiership flags on display, the Griff John Function Centre was a sea of red and white tracing the proud history of the club.

It was punctuated by a typically wonderful afternoon tea put on by the generous South Fremantle Football Club House Ladies.

Two special presentations were made on the day with the club's No. 1 Ticketholder Eileen Bond receiving a special cap as did long-time supporter Joe Rotondella for his association with the club.

Both Eileen and Joe gave touching speeches to the significance that the club holds to them and spoke with the enrichment that being presented with this cap meant.

A number of past players had their families on hand to witness receiving their new cap while some players were able to proudly pass the new cap on to both children and grandchildren.

The day was hosted by Brian Ciccotosto and President Haydn Raitt was also on hand

## MAURICE TAKES HIS PLACE AMONG GREATS

**M**aurice Rioli might be more known on the national stage for his feats at Richmond, but in his 168 games for South Fremantle he cemented himself as one of the best and most exciting players to ever don the Mighty Red V.

Rioli's career with South Fremantle began as a teenager in 1975 and over the next six seasons he delivered some remarkable football including a starring role in the 1980 premiership victory, and then earning a Simpson Medal in 1981 grand final as well.

He would go on to join Richmond in the then VFL over the next six years playing 118 games, winning the Tigers' best and fairest in 1982 and 1983, a Norm Smith Medal in the losing grand final of 1982 and finishing second in the 1983 Brownlow Medal.

He would return to South Fremantle in 1988 to finish his career for three more seasons including two as captain. His career at the Bulldogs ended with 168 matches and 133 goals of the very highest order.

During his amazing career, Rioli ended with three Simpson Medals, a Norm Smith Medal, the Richmond best and fairest and being a three-time All-Australian as well as representing Western Australia 13 times and Northern Territory on seven occasions.

Since his retirement the Rioli legend has continued to grow and he has been named as a Legend in the Northern Territory Football Hall of Fame, has been included into both WA Football and South Fremantle's Hall of Fame, and now is

a deserved inductee into the Australian Football Hall of Fame.

Rioli joins South Fremantle greats Stephen Michael, John Todd, Steve Marsh, Peter Matera, Glen Jakovich and Peter Bell in the Australian Football Hall of Fame.

The 'big-game player' tag was conceived with players like Maurice Rioli in mind.

The brilliant Rioli was adjudged best-afield in three successive grand finals - the 1980 and 1981 WAFL deciders with South Fremantle, and the 1982 VFL play-off with Richmond.

Two of these medal-winning efforts came after defeats.

The visionary centremen was the first member of a losing team to win a Norm Smith Medal - there are now four - when the Tigers went down to Carlton, despite Rioli's 18 kicks and equal game-high three goals.

A trailblazer for Tiwi Islanders in the then-VFL, Rioli won best and fairest awards in his first two seasons at Tigerland (1982-83), also finishing runner-up in the 1983 Brownlow Medal.

Enhancing Rioli's greatness were his performances for Australia against Ireland in Gaelic football series in 1984 (in Ireland) and 1986, along with the fact he captained Western Australia and was selected in three All-Australian teams following carnivals in 1983 and 1986 (WA) and 1988 (NT).

Rioli, who died suddenly at 53 on Christmas Day in 2010 and received a state funeral in the Northern Territory, had a profound influence on his people, including members of his extended family who followed in his footsteps - the likes of Michael Long and nephew Cyril Rioli, both of whom also won Norm Smith Medals, and great-nephew Daniel Rioli, who is making his way at Richmond in his old No. 17.

Ray Sorrell was also announced as a Hall of Fame inductee on the night along with Rioli.

While the majority of Sorrell's career was at East Fremantle where he played 155 games winning two Sandover Medals and Lynn Medals. He did have a two-year stint in 1966 and 67 with South Fremantle as captain-coach playing 23 games in the Mighty Red V.

# STATE REPRESENTATIVES 2016

## BULLDOGS APLENTY STAR FOR WA

South Fremantle had five players line-up in the record-breaking state game win over Tasmania all delivering strong showings led by 29 possessions from Ashton Hams and six goals by Ben Saunders.

Hams, Saunders, Tim Kelly, Ryan Cook and Marlion Pickett all played for WA with the WAFL side beating Tasmania by a record 134 points that eclipsed the 122-point triumph at North Hobart in 1964.

It was a dominant performance from the outset by WA after Tasmania kicked the game's first goal. The WAFL then kicked the next 11 goals of the game and then after Tasmania booted three in the third term, WA kicked the final 13 majors to end up winning 25.14 (164) to 4.6 (30).

It was a fourth straight win for WA following victories the past three years over the VFL, NEAFL and SANFL ahead of a likely clash with Victoria in Melbourne in 2017.

Hams was playing his third straight state match and is yet to play in a loss and the 2014 Simpson Medallist was part of a dominant WA midfield with 29 possessions.

Saunders then had a day out in the forward-line in his second time representing the WAFL kicking six goals from 13 possessions. Against the NEAFL two years ago, he also kicked five goals.

Cook was playing his fifth state game in six years since joining South Fremantle and he worked hard and played his role well again with 14 disposals, 11 marks and a goal.

Pickett played his second straight state match after making his debut last year against South Australia. He wasn't needed too often down back but he played well ending up with 12 possessions and five marks.

Kelly was the only state debutant from South Fremantle and he also had some strong moments in the prolific midfield finishing with 14 possessions, five marks, three entries inside the forward 50 and a goal.

Claremont's Jye Bolton claimed the Simpson Medal following 46 possessions, seven clearances and two goals.

West Perth's Shane Nelson finished with 32 disposals, Subiaco's Leigh Kitchin 26, West Perth's Luke Meadows 25, Claremont's Ryan Neates 25, West Perth captain Jay van Berlo 23, Swan Districts' 22 and Perth's Clint Jones.

It was Jones' first time representing WA since doing so twice as a South Fremantle player in 2005 and 2006. East Fremantle's Brett Peake also kicked seven goals in the state debut for the 32-year-old.

# MILESTONE MEN IN 2016

## CAPTAINCY RECORD; CENTURY FOR COOK, WILSON

The 2016 season saw some significant milestones celebrated with Ryan Cook both bringing up his 100th game and becoming South Fremantle's longest serving captain, while Blayne Wilson also notched his century.

On top of Cook and Wilson's milestones throughout 2016, Brendan Verrier, Steven Verrier, Zac Strom and Marlion Pickett all played their 50th WAFL matches, and Josh Pullman his 50th with South Fremantle.

It turned out to be a season to celebrate for Cook and not just because he led the Bulldogs back into the finals for the first time since 2011.

He was part of South Fremantle's last final appearance in his first year with the Bulldogs in the team that lost a first semi-final to Subiaco at Medibank Stadium.

He had such an impact on arrival from Collingwood that he won the WJ Hughes Medal and then was named captain for 2012.

Cook had played 92 games coming into 2016 and then in Round 9 against Peel Thunder at Bendigo Bank Stadium, with his mother on hand from Melbourne, he reached the century with the Bulldogs to book his name on the No. 32 locker.

He was chaired off the ground following the 41-point win.

Then in Round 18 in the WAFL's first ever televised night match when South Fremantle took on Subiaco at Medibank Stadium, Cook became South Fremantle's longest serving captain.

It was his 86th game as skipper seeing him overtake Peter Worsfold who had captained South Fremantle in 85 matches highlighted by the 1997 premiership.

Cook has played 115 games with South Fremantle, is a two-time Hughes Medallist and runner-up in 2014 while also being the longest serving captain. To top it off, he has represented Western Australia on five occasions in his six seasons.

The other player to reach the century mark in 2016 was Wilson who got to the milestone in the final round of the home and away season against Perth at Lathlain Park. Like Cook, Wilson got to celebrate the occasion with a win to the tune of 52 points as the Bulldogs geared up for the finals.

Wilson had 27 possessions and nine marks in the milestone that was made up of 36 matches with Peel Thunder, 29 with East Perth and 35 with South Fremantle.

He began his career with the Thunder and played nine AFL matches with West Coast. While with the Eagles, he joined East Perth as part of the alignment in 2013 and played in the Grand Final teams of that year and 2014.

Upon leaving the Eagles, Wilson signed with South Fremantle for the 2015 season to follow on the Bulldogs career of his father and uncle.

Wilson had a strong 2015 season with the Bulldogs that included him representing WA before a shoulder season ended his campaign early. It was then another outstanding year in 2016 where he narrowly missed state selection but was named centre half-back in the WAFL Team of the Year.

Wilson was proud to reach 100 WAFL games but now he has set his sights on 100 with South Fremantle - he is currently on 38.

"It's still a good effort to play 100 WAFL games and it will be good to play a lot more as well. It's a good start at the moment but hopefully I can play 100 here at the Bulldogs and keep on playing some decent footy," Wilson said.

"It's good to play 100 in the WAFL but I didn't really imagine that would be at three different clubs at the start. That's been a bit of a journey but a good one so far and I'm happy with where I'm at.

"To be honest I was probably always coming here with dad having played here along with my uncles and so forth. I also knew a few boys down here like Hamsy and Schloithy so the opportunity arose to come down here and I pretty much jumped at it with both hands and haven't looked back.

"Our progress and improvement in my two years here has been tenfold so it's really exciting times for us. It's going to be a great experience."

Steve Verrier reached his 50th WAFL game in Round 20 against Perth in Carnarvon and had 21 possessions in the 37-point victory.

It was the best and most consistent season of his career playing mostly in the midfield and averaging 19.4 disposals in 23 games.

## ANNUAL REPORT AND YEAR BOOK 2016

That saw him finish third in Hughes Medal voting as the 23-year-old continues to develop into one of the best and most versatile players in the competition since returning from Richmond.

Strom also played his 50th league game in Carnarvon in the win over Perth. It capped a standout season for the 22-year-old from Exmouth who was moved to centre half-forward with good effect.

He might have only kicked 15 goals for the season, but proved a tremendous lead-up centre half-forward providing a strong link between the midfield and key forwards Ben Saunders and Mason Shaw.

Highlighting his value was inclusion in the WA state squad. He was the unfortunate emergency for the game against Tasmania.

Steve's younger brother Brendan Verrier played his 50th game in Round 22 against East Perth at Medibank Stadium where he had 25 possessions in the thrilling four-point victory.

The 22-year-old made his debut in 2011 in the middle of his successful colts career and has always proven himself a prolific ball winner. He averaged 21.4 possessions in his 16 games in 2016.

Pickett has become one of the most exciting WAFL stories since arriving at South Fremantle in 2013. He made his debut with some scintillating performances late in that season before a solid 2014 campaign.

It was his move into defence with the arrival of coach Todd Curley in 2015 that really saw him go to the next level.

With his remarkable physical gifts and ability to win contests that no other player can, and then run and carry the ball, he played state football in 2015 and finished third in Hughes Medal voting.

The 24-year-old improved further in 2016 with a brilliant season down back averaging 18 possessions in his 23 games including his 50th WAFL game in Round 21 against Swan Districts at Fremantle Community Bank Oval in a 35-point victory.

To cap his season he finished narrow runner-up behind Shane Hockey in Hughes Medal voting.

Pullman originally played 23 matches with Swan Districts after making his WAFL debut in 2008. He then embarked on a move to Queensland before returning home in 2014 and joining South Fremantle.

Over the past two seasons he did well as a forward playing 32 games and kicking 46 goals, but it was a move into the back-line in 2016 that proved a masterstroke.

Pullman quickly became one of the best key defenders in the league both to stop opposition key forwards and to take saving contested marks. He played his 50th game for South Fremantle in the preliminary final against Peel Thunder.

Looking ahead to 2017 there will be plenty of significant milestones to celebrate as well. Shaun Bewick, Haiden Schloithe, Brock Higgins and Ben Saunders are all on target to reach 100 WAFL games.

In the case of Bewick (30), Higgins (31) and Saunders (5) that is made up of careers with West Perth, East Perth and Claremont respectively before coming to South Fremantle, while it will be 100 with the Bulldogs for Schloithe.

Tom Vandeleur, Jason Maskos and Jacob Dragovich are also on track to reach the 50-game mark in 2017.

## ARRIVALS, THOSE COMING BACK MAKE THEIR MARK

Targeted recruiting and welcoming back South Fremantle products was the order of the day for the Bulldogs coming into 2016 and it ended up working so well each new arrival had a significant impact.

A tough ball winning midfielder was one of the key focuses of the off-season at South Fremantle and Frankston VFL captain Shane Hockey could not have filled that bill more perfectly.

Some more bite on the forward-line was also on the radar and when Steven Edwards signalled his interest to join from Claremont, it was seen as a perfect fit.

Then when Mason Shaw, Blaine Johnson, Tom Vandeleur and Dylan Main found themselves off AFL lists at the end of 2015, South Fremantle was only too happy to welcome the four of them back to the Bulldogs for 2016.

Hockey had played more than 100 games in a tremendous VFL career with the Frankston Dolphins, but was looking for a fresh start and to make the move west.

With Ryan Cook an old friend of his and with Tristan Marmo looking to make the trip with him, Hockey signed with South Fremantle and never looked back.

South Fremantle was in need of some added grunt in the midfield and Hockey provided exactly that and combined with Ashton Hams, Tim Kelly and Steve Verrier, in particular, to give the Bulldogs one of the strongest on-ball brigades in the WAFL.

The unusually wet Perth winter turned out to help the tenacious Hockey play outstanding football as well and he went on to average 23.6 possessions across his 22 games.

That culminated in him winning the WJ Hughes Medal in his first WAFL season but what mattered most was his chance to play in finals for the first time during his senior football career.

"The last time I played in a final was exactly 10 years ago at Frankston Park when I was playing for the Mornington under-18s against Frankston YCW," Hockey said.

STEVEN EDWARDS

SHANE HOCKEY

"We lost that game by 10 goals and that was the extent of my experience playing finals football when I arrived over here in the west to play with South Fremantle this year.

"To say I was pretty desperate to play finals footy would have to be one of the great understatements.

"Along the way I was able to play in some good teams at both Mornington in the Peninsula Football League and then Frankston in the VFL but we always just fell short of taking part in the action in September.

"I never would have guessed it would be so long between drinks for me but when I arrived here at the Bulldogs it was a group of guys equally as hungry as me to get that taste of playing finals. Now we look to build on it further in 2017."

Edwards had played nine games with Claremont but he wasn't able to earn a league opportunity in 2015. That left him looking for a chance elsewhere and things fell into place perfectly with Dylan Ross looking to return to Claremont after 58 games with South Fremantle.

Edwards quickly fit in with South Fremantle in the forward-line. With Shaw, Ben Saunders and Zac Strom providing the marking targets, Edwards settled as the small forward who bob up to kick goals and put on tremendous defensive pressure.

The 21-year-old couldn't have been happier with how his move to South Fremantle panned out.

"I didn't really enjoy my footy there at Claremont too much last year so I was looking to switch it up. I love being at South Fremantle now and it's a good club to be at. I'm happy to be here and I enjoyed my first year," Edwards said.

## ANNUAL REPORT AND YEAR BOOK 2016

“The main reason was to try and play some more league footy. Playing reserves each week wasn’t really something I was looking forward to keep doing. I moved down here hoping to get a few more league gigs and it’s working out pretty well so far.”

Shaw left South Fremantle for the AFL after kicking five goals in the 2012 colts premiership victory. Following three injury-interrupted seasons with Port Adelaide, he returned to the Bulldogs and had a tremendous season.

Shaw proved himself a strong marking target in attack and ended up kicking 51 goals including three hauls of five.

Johnson did make his WAFL league debut in 2013 prior to being drafted to Carlton. After seven games in his two years at the Blues, Johnson returned to South Fremantle and despite some nagging hamstring troubles and a one-week suspension, had a significant impact.

The small forward showed he was made for the big occasions kicking goals when they mattered most through the season. He ended up booting 35 goals including five in Round 10 against Swan Districts at Steel Blue Oval.

**BLAINE JOHNSON**

Main wasn’t able to breakthrough for an AFL debut in his two years with West Coast after being drafted in 2013. He made his WAFL debut with East Perth and played 18 games over the past two seasons, but his first league appearance for South Fremantle came in Round 1 this year.

After struggling to find his role in the first half of the season, Main went back to the reserves and played such dominant football in the midfield that he commanded a recall.

Then once he got back in the line-up in Round 20, he was played as an inside midfielder and would average 26.8 possessions over the next five games to show just the type of strong football he is capable of and will look to build on in 2017.

Vandeleur played his one previous league game at South Fremantle in Round 1, 2013 when he did well as a key defender in an undermanned defence. That would remain his only league appearance for the Bulldogs until Round 12 of this year.

He had played 34 matches with Peel Thunder while on Fremantle’s rookie-list before returning to South Fremantle in 2016.

He was a late arrival to pre-season training and was playing catch up for much of the season managing just five league games, but he remains an important part of the squad heading into 2017.

The return of South Fremantle products from the AFL will continue in 2017 with the Bulldogs already having secured the signature of Jermaine Miller-Lewis after he spent the past two seasons with Hawthorn.

## YOUNGSTERS AGAIN GRAB THEIR CHANCE

South Fremantle youngsters Brad McPhail, Jake Florenca, Brandon Donaldson, Tyson Pickett and Tim English all broke through to make their league debuts in 2016 while recruits and returnees also played in the senior South Fremantle team for the first time.

Round 1 saw South Fremantle open the season in fine fashion with a 35-point victory over West Perth at Fremantle Community Bank Oval. That saw Shane Hockey, Mason Shaw, Steven Edwards and Dylan Main all play their first league games for the Bulldogs.

The next debutant came in Round 8 against Claremont at the Showground. With Josh Pullman unavailable through injury, McPhail was thrown in the deep end against a Tigers forward-line that included Beau Maister, Darcy Cameron and Haydn Busher.

The following week saw South Fremantle host Peel Thunder at Bendigo Bank Stadium and during the 41-point victory over the eventual premiers, midfielder Florenca earned his debut and performed well with 16 possessions.

The Bulldogs took on the Thunder again in Round 13, this time at Bendigo Bank Stadium and it was another 32-point victory with small forward Donaldson making his debut and kicking a goal in an encouraging performance.

South Fremantle took on Claremont in the annual NAIDOC Round fixture in Round 16 at Fremantle Community Bank Oval and it served as the perfect occasion for Tyson Pickett to make his league debut alongside older brother Marlion.

It was a tough day with a 31-point loss but Tyson showed good signs and remained in the league team the rest of the season.

**BRANDON DONALDSON**

English is one of WA's brightest young prospects as he now embarks on an AFL career.

After graduating into the reserves, he made his league debut in Round 23 to provide Brock Higgins some rest ahead of the finals.

After making his Round 1 debut, Hockey went on to have a remarkable impact in his first WAFL season. He proved one of the most consistently tough midfielders in the competition averaging 23.6 touches in 22 games on his way to winning the WJ Hughes Medal.

Shaw had kicked seven and five goals respectively in the 2011 and 2012 colts grand finals before heading to Port Adelaide. It was a frustrating three years for him in the AFL due to injury but after kicking two goals on debut in Round 1, he went from strength to strength.

**JAKE FLORENCA**

**BACK: BRAD MCPHAIL, DYLAN MAIN, MASON SHAW**  
**FRONT: STEVEN EDWARDS, SHANE HOCKEY, BRANDON DONALDSON, JAKE FLORENCA, TYSON PICKETT**

As one of the best marking targets in the WAFL, Shaw would kick five goals in Round 5 against Perth, four in Round 14 against West Perth, five in Round 15 against East Perth, five in Round 20 against Perth and then four in the qualifying final win over West Perth.

That all added up to him kicking 51 goals for the season to be the third leading goalkicker in the WAFL for 2016.

Edwards was another to kick on after making his Round 1 debut for South Fremantle.

As a small forward, he went on to kick three goals in the Round 3 win over East Perth under lights at Fremantle Community Bank Oval along with three again in the preliminary final at the port against Peel Thunder.

Edwards finished his first season at South Fremantle with 14 goals from 17 games but his pressure and creativity was measured not just on the scoreboard.

Main had played league games previously with East Perth, but hadn't played with South Fremantle at senior level until Round 1. He had 20 possessions in that first up win over West Perth but by Round 12 he found himself ready for a spell in the reserves.

Main took that on the chin and playing as an inside midfielder, dominated in the reserves and demanded a recall by Round 20. He remained in the league team from there playing as an on-baller and proved that's where he plays his best football.

McPhail made a good debut against Claremont despite the loss in Round 8. His second and last league game of the season also came in a loss against the Tigers in Round 16.

It was a tough back-line to break into with Pullman, Blayne Wilson, Marlion Pickett, Matthew Gundry, Adam Guglielmana and Jason Maskos cemented there. But McPhail continued to show at reserves level he is a player of the future for the Bulldogs.

Florenca had an outstanding season in the midfield for the reserves in 2016 averaging 22.7 possessions. That saw him end up winning the Roy McGuinness Medal as the fairest and best winner.

He only played two league games in Rounds 9 and 10, but he did have 30 possessions in those and kicked a goal. He appears a definite midfielder of the future with the Bulldogs.

After kicking 26 goals last colts season, Donaldson stepped up as a small forward kicking 38 goals in his 16 reserves matches.

He made his league debut kicking a goal in Round 13 and would go on to play five league games kicked two goals in the win over West Perth at HBF Arena in Round 14.

Tyson Pickett joined his brother at South Fremantle midway through 2015 playing six games and kicking four goals in the colts. After outstanding reserves form in the first half of the season kicking 19 goals in 12 matches, he broke through for his league debut.

Playing alongside Marlion in NAIDOC Round and then the final nine games of the season including the finals, he kicked seven goals in 10 matches and impressed so much that he grabbed the attention of prospective AFL clubs.

English quickly showed early in the colts season just how much he has developed. Standing 203cm tall, he tremendous co-ordination, mobility and skills where he could control the ruck but then get around the ground like another midfielder.

He only managed one league appearance in Round 23 but he now has an exciting AFL future ahead of him.

## KERSTEN, McCARTHY REUNITE WITH DOCKERS

South Fremantle's Shane Kersten and Cameron McCarthy will be reunited with Fremantle in the AFL from 2017 while another Bulldogs product Jarrod Pickett has also found a new home.

Following the 2016 season, Kersten was involved in a deal taking him from Geelong to Fremantle where he will join McCarthy while Pickett requested a move from the GWS Giants to Carlton. He received his wish and will now be playing with the Blues from 2017 onwards.

McCarthy was drafted to the Giants at the end of 2013 on the back of a standout National 18s Championships for WA.

In his 21 games in the AFL up until the end of 2015, he had shown good signs kicking 36 goals and there were certainly times last year when he was on the verge of being a breakout star.

However, he had a desire to return home to WA and requested a trade home to play with Fremantle. When that didn't eventuate last year, he instead asked for and was granted compassionate leave by the Giants for all of 2016.

That saw him return to South Fremantle where while he wasn't able to play in the WAFL, he trained hard throughout the season to keep his fitness up and touch sharp while also helping out with some coaching duties including sitting in the reserves coaches' box on game day.

He finally was granted his wish to return home to play with the Dockers who he supported growing up when the deal went through. That saw the Giants give up McCarthy and picks 7, 35 and 73 in this year's AFL Draft for Fremantle's No. 3 selection.

McCarthy is now delighted to be officially a Fremantle player and it was a real feeling of relief afterwards following a difficult 2016.

"It has been a long year watching footy every week but I couldn't be more excited to get back on a list and be part of the Fremantle Dockers and give it a real crack next year, and give it everything I have got," McCarthy said.

"I am obviously very excited. It's sort of a numbing feeling and it hasn't really sunk in yet. Especially to be part of the Dockers, it's a club I have supported since I was born and the whole family has.

"I'm looking forward to getting to the club and giving everything I've got and meeting all the boys and earning some respect off them. It's like starting again when you are first drafted. I can't wait to earn respect from everyone and give it a real crack next year."

Kersten kicked five goals in South Fremantle's colts premiership of 2011 to go with 26 for that season in just seven appearances. That was after a 30-goal effort in 2010 to win the Len Gilchrist Medal.

He was drafted to Geelong following that and has shown some encouraging signs as a hard working forward after making his debut in 2014. He has kicked 41 goals in 37 matches but was forced out of the Cats team that made a preliminary final in 2016.

He had his best AFL season up to that point kicking 22 goals in 17 matches and the 23-year-old is entering his prime as he arrives at Fremantle. The Dockers gave up pick No. 63 in this year's draft in return for the forward.

Pickett burst onto the scene at WAFL league level late in the 2014 season putting in a match-winning derby performance at East Fremantle Oval. He ended up being taken by the Giants with the No. 4 selection in the 2014 draft but has failed to make his debut in the AFL the past two years.

The excitement machine requested a move to Carlton from the Giants and was granted his wish.

The Suns continued to be home to a host of South Fremantle products in 2016 with Brandon Matera, Callum Ah Chee, Jarrod Garlett and Cameron Loersch all there.

Matera added another 17 games throughout the 2016 season while kicking 24 goals. That included three-goal hauls against the GWS

SHANE KERSTEN

Giants and Brisbane Lions. The 24-year-old has now played 91 AFL matches after debuting with Gold Coast in 2011 for 102 goals.

Fresh off his starring performances in 2015 at league level late for South Fremantle, Ah Chee arrived at the Suns in 2016 and made an immediate impact in the AFL. The 18-year-old played 13 matches in his debut season, kicking nine goals including twice booting two.

Garlett also played another eight AFL matches with Gold Coast in 2016 to take his career tally to 17 over two years. However, the 20-year-old has now requested to return home to WA for personal reasons and has been released from his AFL contract. He could play WAFL football in 2017.

Loersch was a speculative pick by the Suns as a rookie in 2015 and while he didn't manage to make his AFL debut, the powerful big man played some encouraging football in the NEAFL in his one year on an AFL list.

## ANNUAL REPORT AND YEAR BOOK 2016

Kade Stewart was rookie-listed by Hawthorn last year and it was always going to be a big ask to break into a team that had won the last three AFL premierships.

But the 19-year-old not only did so, but in his three games showed that he could very well be a significant part of the Hawks future. His 13 possessions and two goals in Round 12 against Essendon was particularly impressive.

With Hawthorn's focus on players that are good kicks and that are primarily left-footers, Stewart fits the bill perfectly and will now look to become a permanent member of the side in 2017.

There were two South Fremantle players with Port Adelaide in 2016.

Brendon Ah Chee is the older brother of Callum and he played another 11 games in 2016 on top of 11 in 2015. The 22-year-old did signal interest to join his brother at Gold Coast but will now remain with the Power in 2017.

Billy Frampton will also be at Port Adelaide again in 2017 after his second season with the Power. While he remains waiting to make his AFL debut he is developing impressively in the SANFL.

Former Port Adelaide player Ben Newton played two games at Melbourne in 2016. He originally was drafted by Port Adelaide playing four matches in 2014 before being traded to Melbourne where he played 11 games in 2015 and another two this season just gone.

# FOOTBALL OPERATIONS MANAGER REPORT

## DAVID DEPANE

Season 2016 shaped as a big year for the club. After a promising 2015 where the senior side showed some real glimpses of the football they were capable of, we looked to 2016 as a year to rise back into the finals.

With the players having a season under coach Todd Curley under their belts, understanding of the game plan, expectations required and some astute recruiting, there was a real buzz around the club leading into the season.

With a club plan of recruiting our own back, we were successful in luring Mason Shaw, Tom Vandeleur, Dylan Main and Blaine Johnson home. Adding to this with the help of our skipper Ryan Cook we lured Shane Hockey across from Frankston in the VFL, and attracted the exciting Steven Edwards from Claremont.

These additions along with the rapid development of our batch of rising stars - Dragovich, Florenca, Donaldson, Tyson Pickett and Gundry to name a few combined, with the highly consistent efforts of our core playing group from the last couple of years this proved the catalyst for our rapid progression up the ladder.

Overall to finish second on the ladder after the home and away rounds, comprehensively win our first final and then unfortunately go down in our next two finals was disappointing. But we should be very proud of the team's effort over the course of the whole season. For most part we were clearly in the top two teams all season, it just did not go our way in September.

To win the Rodriguez Shield, a most coveted award that effectively is for the champion club over all three grades is an outstanding achievement. All involved with the club from

MARLION PICKETT

players, coaches, staff, directors and supporters should be very proud on winning this award. It is a great reward for our efforts across all grades and a terrific indicator that we are heading in the right direction as a club.

I must compliment our leadership group for their hard work over the season. The group has developed immensely over the last couple of seasons and have been integral in driving the standards required to be the best. Their attention to detail has been exemplary and their will and drive to improve has been one of the major catalysts for both our success on field and off field professionalism.

I would like to congratulate all award winners presented at the WJ Hughes Awards night. The counts for all three grades were very exciting and it was not until the finals votes were counted that we found our eventual winners. Shane Hockey in his first season over, was a very popular winner, followed very closely by Marlion Pickett, and the consistent Steve Verrier and Tim Kelly.

Congratulations also to Jake Florenca on the McGuinness Medal for the reserves fairest and best, once again he was closely

followed by some great young talent in Matt Ah Siu and James Laurino. Daniel Burke was a worthy winner in the colts, with Dylan Brown capping off a consistent season finishing runner-up and the fast finishing Shai Bolton in third place. I look forward to these boys progressing to the seniors next year.

Congratulations also to Ben Saunders who took out the Bernie Naylor Medal for being the 2016 WAFL leading goalkicker, the third time in the last five seasons Ben has won this award.

Well done also to our six state representatives - Ryan Cook, Ben Saunders, Tim Kelly, Ashton Hams, and Marlion Pickett. All performed very well in the victory over Tasmania. Also a special mention to Zac Strom who was the unlucky emergency for the team on the day.

Another great achievement for the season was Ryan Cook playing his 100th game for the club. Ryan has been terrific since joining the club in 2011. He is a fantastic leader of our club, who leads from the front on all occasions, whether it be on the field during a game, doing the hard yards at training or organising the troops off field.

I must also congratulate Tony Walters, his coaching group, and all our players who played in the reserves throughout the season. It was no secret that we had a much younger reserves side this season and our primary focus for the team was to develop them to become consistent league players for the future. The team were magnificent in the first half of the season taking all before them, unfortunately as we were hit by injuries in the league team it tested our reserves depth later in the season and we just couldn't get up and running to our full potential in the latter half of the season.

# ANNUAL REPORT AND YEAR BOOK 2016

Well done to Mark Foster, his assistant coaches and all the support team of the colts program. The playing group were fantastic all year and were never far from the top. Like our reserves, they were tested in the latter half of the season due to injuries, but to their credit they battled manfully against strong opposition who had the luxury of getting a few boys back from the grades above.

It is worth noting, as a club our philosophy with our colts is about developing our young players and giving them every opportunity to display their skills. As an end result to this we are hoping they transition into 100 game players for our club in the future years. I truly believe we are on the right track in this area and must continue to develop these young men for the future of the club.

A big thankyou the wonderful group of support staff who we are so lucky to have at our club. It is impossible for me to name them all in this report and my apologies if I do miss someone:

**STRENGTH AND CONDITIONING** - RYAN GAIAS, MIKE VEGAR AND THEIR TEAM

**MEDICAL TEAM** - MICHAEL SWAN AND MITCH RABIONES (PHYSIOTHERAPISTS), DR RACHEL HARRIS (CLUB DOCTOR), BRONTE GORFIN (HEAD TRAINER) AND HER WONDERFUL BAND OF TRAINERS

**PROPERTY TEAM** - ROSS ADDISON (MANAGER), PETER TAYLOR-THORPE, JOHN JONES, HARRY DRYGAN, JIM MASKOS, LOU TURNER AND LORNE MCGUINNESS

**TEAM MANAGERS** - TONY MOLLIKA AND PETER MATIER

**STATS TEAM** - ALAN POWELL, SUE GURNEY, ANNA KRISTANCIC AND FELIX SMETANA

**TIMEKEEPERS** - GEORGE COLE, JENNIFER NIKOLICH, TERRY TURNBULL

**PAST PLAYERS & OFFICIALS** - RAY VAN BURGEL AND HIS MERRY MEN

**SUPPORT STAFF** - DYLAN BRIOTTI AND ROSS ROWLANDS

There is no doubt all of these wonderful people make it all happen behind the scenes and we should never under estimate the time and effort they devote to the club.

Finally to the coaching teams, thanks for your support and assistance throughout the season. We have formed and developed a fantastic coaching group over the last couple of years.

Your commitment and passion to drive the on-field success that we are all looking for is unquestionable and I am sure that the path we have taken thus far in the journey will lead us to sustained success in the future.

**LEAGUE** - TODD CURLEY (COACH). BRETT DUFFIELD, ARTHUR MASKOS AND BRETT KING (ASSISTANTS). SHAUN TINSLEY AND WARREN MOSCONI (RUNNERS). GEOFF LEWIS (SELECTION CHAIRMAN)

**RESERVES** - TONY WALTERS (COACH). PAUL LITHERLAND, PAUL MUGAMBWA AND CAM MCCARTHY (ASSISTANTS). STEVE JONES (BOARD/ROTATIONS). LES OLIVIERI AND LINTON DAVIES (RUNNERS)

A big thanks to Stuart Kemp, Peter Christie and Gavin Jahn for their support and guidance throughout the year. I must also thank the board for their assistance over the year. Thank you to the people who work closely with me during the day - Michelle, Jess and Cameron. You are all great to work with in a day to day environment and it makes my job much more pleasurable and easy.

Also a big thanks to Steve who is always around when needed and ensures the ground and facilities are in tip top condition. I must not forget Darren and his bar staff for their continued support and assistance during the year, along with the ladies who are always there when needed.

Special mention to Jason Pedulla who has continued to do an excellent job in his role as talent manager. It is very pleasing to attend colts and development squad matches and witness the quality of the programs and the people involved.

There is no doubt Jason's professional approach and organisation has improved the program to sit where it is today, in our opinion the best in the WAFL.

I believe we have built a strong platform for sustained success this season. With some selective recruiting in areas of need, the continued development of our young list and some fine tuning in areas of our game I cannot see why we won't be in a position challenge to become bigger and better next season. We took some big strides this season and will continue to work hard and be relentless to be successful on that one day in September in 2017.

In closing I reserve one final thankyou to my wife Tania. I appreciate your support and encouragement greatly. You are always willing to work around the odd hours that my role offers, support me when required, but most of all you are always there when needed.

## COLTS SEASON

Whilst the ultimate goal of success avoided us in 2016, I can honestly say that this year was one of my most enjoyable seasons involved in football. To see the improvement and development of the 47 players who represented the colts this year from day one of pre-season to the disappointing end in the change rooms after a finals loss at Medibank Stadium was a roller coaster ride with plenty of ups and downs.

The buy in from players from day one of pre-season was in large part due to the positive learning environment created by all our coaches. With a strong focus on preparing the players for senior football and educating them on the standards required at that level, I don't think we could have asked for a better coaching group at the colts this year. Our assistant and development coaches brought with them a wealth of knowledge from a variety of backgrounds and their ability to pass this onto the players was first class.

So to Andrew Foster, Sam Buhagiar, Brent Irving, Glen Davies, Richard Hadley and Dean Irving I wish to thank you for your time during the year.

I would also like to thank the players and their parents for all the time they gave up this year. The humour and comradery in the group made it a pleasure to be at training and the bond between the players demonstrates why people enjoy, and want to be at the South Fremantle Football Club.

To those graduating to the seniors, I wish you all the best in your future at the club. To those returning to the colts, I urge you to build on this year and not settle for second best.

I would like to make special mention to the following colts players on their personal achievements in 2016:

**LEAGUE DEBUT** - TIMOTHY ENGLISH

**WESTERN AUSTRALIA STATE 18S** - TIMOTHY ENGLISH, SHAI BOLTON, JIMMY MILLER, MITCHELL

DZELEBDZIC, CHAD PEARSON, KYLE RUSSELL, DYLAN BROWN

**WAFI COLTS TEAM OF THE YEAR** - TIMOTHY ENGLISH, SHAI BOLTON, JIMMY MILLER, CHAD PEARSON, DANIEL BURKE

**DAVE INGRAHAM MEDALLIST** - DANIEL BURKE

These boys all deserve the accolades that were bestowed on them in 2016 and I am confident they will all have long and successful careers in football either in the AFL or playing senior football for South Fremantle.

As we are all aware, volunteers are the heart and soul of any football club. I would like to acknowledge the support staff that assisted the Colts in 2016. To Lou Turner, Harry Drygan, Peter Taylor-Thorpe, Ross Addison, John Jones and Rowan Pearce along with his trainers Adrian, Michael, Ashlie and Maddeson, on behalf of the team I genuinely thank you for your time and effort in helping them get out on the park every weekend.

# ANNUAL REPORT AND YEAR BOOK 2016

A special mention to Jeremy Nodari and the Nodari family. Jeremy acted as property man/team manager and board man throughout the year. The Nodari family also cooked BBQ's for the players on numerous occasions. In all my time in football I have not met a better bloke than Jeremy and the South Fremantle Football Club is privileged to have him working with the colts. I know he is already getting bored with no football so I look forward to working with him again in 2017.

My final thank you for the colts is reserved for Mark Foster. Since your appointment at the end of 2015 it has been a pleasure working closely with you and trying to build and implement the best development program in Western Australia. Whilst we are not there yet, I think in 2016 we took a massive step in the right direction and the way you handle yourself and the professionalism of the program is an absolute credit to your hard work.

The support staff you are able to secure, the loyalty and bond amongst the players and the way they have constantly improved throughout the year reflect more on you as a coach than simple wins and losses.

Also thanks to your wife Katie, who with a young family must do a mountain of work to allow you the time to follow your passion in coaching. With young Jack joining the family in the middle of 2016, you now have 13 years to move into the South Fremantle zone so he qualifies for the South Fremantle Academy!

## WARRIORS ACADEMY

In 2016 the South Fremantle Warriors Academy exposed over 200 players to an elite development program with the simple aim of developing and preparing players for senior WAFL football. It is always exciting to see the young talent coming through the district. In 2016 we witnessed the traditional 14s and 15s development squads move to a school age based program with Years 8, 9 and 10 squads for the first time.

I strongly believe that the one thing that separates the South Fremantle Academy from others in the WAFL is the quality of the people involved. In 2016 we had five coaches who had previously played senior WAFL football involved within our Academy Squads and it is terrific to see them giving back to the next generation. The knowledge that they are

passing on to our young players along with all our coaches will greatly accelerate the development of all players within the Academy and hopefully establish the standard that is required for colts and senior football.

To all the coaches listed below I extend my gratitude to you individually and as a collective. It simply would not have been possible to run the program as successfully as we did without your time, knowledge and assistance.

**16S ACADEMY SQUAD: HEAD COACH - JASON MATTHEWS. ASSISTANT COACHES - SIMON MAXWELL, STEVE JONES, GLENN KIRKWOOD, JYE DEPANE**

**YEAR 10 ACADEMY SQUAD: HEAD COACH - SIMON MAXWELL. ASSISTANT COACHES - JAMES DEPANE, CLINT ERNST, DARRYL SMITH**

**YEAR 9 ACADEMY SQUAD: HEAD COACH - STEVE PENDLETON. ASSISTANT COACH - RYAN HENLEY**

**YEAR 9B ACADEMY SQUAD: HEAD COACH - JYE DEPANE. ASSISTANT COACH - STEVE BROUGHTON**

**YEAR 8A ACADEMY SQUAD: HEAD COACH - GLENN KIRKWOOD. ASSISTANT COACH - GARY MATIER**

**YEAR 8B ACADEMY SQUAD: HEAD COACH - BEAU McCORMACK. ASSISTANT COACH - MICK CABASSI**

Special mention to Troy Douglas who acted as our Director of Development at Year 8 and 9 level and did a terrific job in

overseeing these programs under a new structure for the first time.

You have been a valuable addition to our team and I look forward to working with you again.

I would also like to thank Rebecca Boni who acted as medical trainer for all our development squads in 2016 and did a mountain of work to get the players up and running all year.

As always there are individual accolades that are bestowed on players throughout the year and I would like to acknowledge those below.

**JIM HURST MEDAL (BEST PLAYER 16s ACADEMY SQUAD): JASON SPENCER (KELMSCOTT)**

**TONY MOLLIKA MEDAL (BEST PLAYER YEAR 10 ACADEMY SQUAD): DARRYL ANDERSON (NARROGIN)**

**TERRY DEAN MEDAL (BEST PLAYER YEAR 9 ACADEMY SQUAD): JAXON BELLCHAMBERS (BIBRA LAKE)**

**PETER O'NEILL MEDAL (BEST PLAYER YEAR 8 ACADEMY SQUAD): LUKE KIRK (BROOKTON-PINGELLY)**

To Regan Spooner (South Coogee), Luke Moore (Kardinya), Kyle Hamersley (Wagin) and Michael Redman (Secret Harbour) congratulations on being selected in the State 16s squad for 2016.

To Jack Musika (Cockburn) and Benjamin Pears (Willetton) congratulations on being selected in the State 15s Schoolboys team for 2016.

# SOUTH FREMANTLE FOOTBALL CLUB

Finally on the Academy, we demand the highest standards from all players, coaches and support staff within the program and I am extremely confident there will be some highly talented footballers playing senior football out of these programs in the near future.

## COUNTRY ZONE

Our country zones continue to develop a host of talented young footballers and I extend my sincere gratitude to all involved in both the Upper Great Southern and Gascoyne programs. To Helen Shalders and Mitch Harvey from the Upper Great Southern and Cameron Perry (Carnarvon) and Wayne Roser (Meekatharra) thank you for your support in getting players into Perth to wear the Red V.

In 2016 we had 23 players of country origin play either Years 8, 9, 10, 16s or colts football which is a terrific achievement.

## MELBOURNE TOUR

The 16s squad recently completed its annual Melbourne tour from in July with the tour a vital part of the development of these players and a once in a lifetime opportunity to play and watch football in Melbourne.

The boys flew over on Tuesday July 5 and played two games of football. One against the Calder Cannons on Wednesday July 6 and the second against St Kevin's College on Friday July 8 with them winning both games in impressive fashion.

On the Thursday, the boys were to get their football fix with a full day of activities. It started with a tour of the MCG Sports Museum before heading to Arden Street to watch North Melbourne's main training session.

After that it was in the bus out to Essendon's training facility where the boys were in for a real treat. Upon arrival they were greeted by cult figure Anthony McDonald-Tipungwuti.

Once the training session was completed it was back into the club to have a chat with South Fremantle legend John Worsfold.

After the game, and win, over St Kevin's, we headed to Hawthorn with recent South Fremantle draftee Kade Stewart showing the boys around the facilities at Waverley.

Saturday the boys were rewarded with free time and the shoe shops in Melbourne copped a hammering. Later that night we headed to Etihad to watch an absolute cracking game of football between the Western Bulldogs and Richmond.

Sunday was again a bit of free time for the team to explore Melbourne before heading to the MCG to watch Carlton take on Adelaide.

We had our presentation dinner and former South Fremantle players Kade Stewart and Jermaine Miller-Lewis helped present the awards. Kyle Hamersley and Josh Grant were named the best players.

## FINAL THANK YOUS

To the board and in particular Peter Christie and Gavin Jahn I thank you for your support and guidance throughout the year.

To Stuart Kemp and the other staff in Jessica, Michelle, Darren, Cam and Steve I also extend my thanks for your varied assistance throughout the year. The professionalism you display on a daily basis is a credit to yourselves and it reflects strongly on the culture at the South Fremantle Football Club.

To Todd Curley, thank you for your continued support of the colts program and providing your expertise whenever required. Not many league coaches would step in as an assistant to the colts on game day when we were a coach short, and for you to do it this year was a real buzz for the players and staff.

To the District staff in Bradd, Tom, Regan and Robyn I thank you for your tireless efforts working in the district and providing a strong competition for our Academy Squads to draw our players from.

Finally thank you to David Depane for his continued guidance in 2016. It was a pleasure to see your hard work rewarded with the team making finals this year and I look forward to seeing you with a premiership trophy (or three) in 2017.

# PAST PLAYERS & OFFICIALS ASSOCIATION REPORT

Congratulations must go to all our grades this year in making the finals along with the club winning the 2016 Rodriguez Shield.

Please note that our major outlay for the 2016 season was the installation of a replacement fridge for our Stephen Michael Room at a cost of \$1200. This was a large capital cost and urgently required for the 2016 season.

As with the membership funds raised on game day and foremost to our finances, I would especially like to thank our valued sponsors in Meat Direct (Brad McGuinness) Armando Sports (Armando Abreu) and Jim Kidd Sports along with Sinwa (Peter Dennett) for their continued support.

A special mention to Brad, Lisa, Pam and Lorne McGuinness for their efforts in providing the meat and continued sponsorship of the Roy McGuinness Family Day in support of the reserves side.

A warm thanks must go to our many additional sponsors who donated their time, effort and money in providing food for our half-time entertainment. Hats off again to Ronnie Johnston, Clayton Hopkinson and Pam McGuinness. And in particular the Del Borrello girls - Sue, Kristy and Emmie.

I personally wish to thank our patrons for 2016 in Brian Ciccotosto, Frank Treasure and Peter Thorpe who have embraced the past player movement in their continued support of South Fremantle.

Importance must be made to our President's function and half-time guests who came down on a regular basis to keep the past player tradition alive.

I would also like to thank all those who participated in our successful sponsorship fundraising raffle along with congratulating the relevant five recipient winners!!

Our membership of 160 was a great result in line with the WAFL fixturing and club success during the season. We envisage keeping that level of improvement for 2017.

On behalf of our present committee along with Past Players & Officials over the last 60 years,

we must make mention of the passing of Ron Greer earlier in the year. Our trusted and long serving life member was loved by all at the club in embodying the true South Fremantle family club tradition.

Personally, I would especially like to thank Barry Smith (Secretary) & Rod Higgs (Barman) along with Ronnie Johnston, George Cole and Wayne Delmenico for their support and efforts during the year with the WAFL Combined PP&Os in our role as delegates.

It has been remiss of me over the last two years in my reports in not acknowledging and directly thanking Stuart, Michelle, Jessica and the enthusiastic Cameron for their continued support during the year especially with game day functions and logistics.

Special mention of the Bar Manager Darren Winnett in particular for his assistance with our fridge and match day catering of refreshments.

Over the course of the 2016 season the Past Players & Officials raised funds to provide the following:

- Presentation of two trophies per game to the reserves
- Provide a South Fremantle v Subiaco lunch to the reserves in conjunction with the McGuinness Family Day
- Assistance provided to our State Schoolboys Under 15s representatives in Benjamin Pears (Trinity College) and Jack Musika (Corpus Christi College)
- Assistance provided to our State Schoolgirls Under 16s representatives in Shantae Freeman (Halls Head College) and Taite Lantzke (Lakeland Senior High School)

In conclusion, our committee again would like to call on our Past Players & Officials to make contact with the club or our committee to provide your up to date details for future follow up as we can only succeed if we keep the entity strong and together.

Let's look forward to further success in 2017 both on & off the field.

**RAY VAN BURGEL (DUTCHIE)**  
SFFC PP&O PRESIDENT

# DIMMER, HAMS, CAMPBELL, MASON LIFE MEMBERS

**J**ohn Dimmer, Ashton Hams, Bob Mason and Basil Campbell all received their South Fremantle Football Club Life Membership during the 2016 season.

The four greats of the Bulldogs received their awards at the annual Life Members Reunion held in the Griff John Function Room at Fremantle Community Bank Oval.

With a host of legends of the South Fremantle Football Club including, but not limited to, Stephen Michael, Noel Carter and Ray 'Lizard' Richards attending, Dimmer, Hams, Mason and Campbell all were officially entrenched as Life Members of the Bulldogs.

Not only was the occasion memorable for the four new Life Members, but it also marked an emotional return to the South Fremantle Football Club for Dimmer.

Following a successful run with West Perth where he coached them to premierships in 1995 and 1999, Dimmer arrived to coach South Fremantle in 2004 and it marked the beginning of a tremendous eight-year period.

Dimmer coached South Fremantle to its last two premierships in 2005 and 2009. In eight seasons he took the Bulldogs to finals on seven occasions including his last year in 2011.

Dimmer parted ways ahead of the 2012 season and had not returned since, but that changed as he proudly received his Life Membership. It was made the more special to receive it alongside Hams - whom Dimmer coached for the first eight years of his career.

Hams made his league debut with South Fremantle back in 2004 and went on to become a premiership player in 2005 and 2009. He won the Simpson Medal in the 2009 grand final win over Subiaco leading him to being drafted to the West Coast Eagles.

He played 39 AFL games but after deciding to leave West Coast at the end of 2013, he returned full-time to the Bulldogs and has been a tremendous performer since.

That included him reaching his 150th game during 2015 on his way to a first WJ Hughes Medal, and now he has Life Membership.

Mason played 121 matches for South Fremantle after making his debut in 1947 and he had a dream start to his career playing in the premierships of 1947, 48 and 50.

Campbell played 102 games for the Bulldogs after making his debut in 1975. He played in the premiership of 1980.

Special thanks must also be made to Warren Campbell who attended on his father's behalf. Warren himself is no stranger to the club having played in the 1997 premiership as part of a terrific career himself.

The new inductees received loud applause as they recounted their experiences and explained the mark the club had left on them. It was an emotional time for all and it really showed how much the Mighty Red V means to our members.

The event also saw the new Life Time Members receive their awards. Congratulations to the new inductees Rowley Daw, Graham Scott, Barry Tilbury, Ian MacLean, Gordon Crane, John Ravlich, Denis Ryan, Ian MacKay, Kerry Reilly and the incomparable Jack Edwards.

# BAR/FUNCTIONS MANAGER REPORT

Congratulations to our players for playing finals across all the grades, it was fantastic to see finals played at Fremantle Community Bank Oval.

Over the Easter Break, and thank you to Peter Johnson from Metro Lintels, the Griff John Function Room had a facelift. The old maroon and custard colours have now been replaced with a fresh shade of white. The 'Big Red V' on the walls, along with South Fremantle Football Club Founder - Griff John, hangs proudly on the wall behind the stage, replacing Queen Elizabeth II.

Window draping has been replaced with modern roller blinds and the draping that was covering the memorabilia has been removed for everyone's enjoyment. We believe it now looks like a football club and we hope that our members think so too.

With the Fremantle Worker's Club still calling South Fremantle home, we have constant opening hours and would love more members utilising our bar and TAB during these periods.

## BAR AND TAB OPENING HOURS ARE:

WEDNESDAY: 11AM-2.30PM

FRIDAY: 11AM-7.30PM

SATURDAY: 11.30AM-2.30PM

SUNDAY: 11AM-5PM

We would consider increasing these hours if SFFC members frequented this great club's facilities.

This year we introduced Maria to the food and beverage team and took over the running of the snack bar in the WJ Hughes Bar on game day. This has proved to be a huge success for the club and we hope that you are enjoying Maria's snack food.

It would be remiss of me not to recognise and thank my bar staff and Maria in the kitchen for the hard work and long hours on game days.

To our team in the office, Michelle, Jess, Stuart, Cameron, David and Jason, your help throughout the year is appreciated. Lastly to the volunteers, your help throughout the year makes my job so much easier and enjoyable. Thank you!!

We will be having a short break over Christmas starting Wednesday December 21 and returning Sunday January 8, 2017.

Looking forward to another successful season in 2017. Go the Doggies!!

# AUCTION NIGHT A GREAT SUCCESS

South Fremantle's glamour event of 2016 was the annual Auction Night which was another successful event.

Over 150 guests were in attendance which included entertainment from Chris Murphy, a three-course meal from club caterers Numero Uno and over 30 great items and experiences being bid on live.

Some of the major items that were hotly contested at the live auction included a David Bowie guitar, a 12-person corporate suite to Dynamo, a box to Guns N Roses and a newly minted Matthew Pavlich retirement piece.

Funds raised from the auction will go to several key areas around the club - namely football, development, membership, facilities and social responsibility.

# TREASURER'S REPORT

For the year ending October 31, 2016, our operating loss has resulted at \$12,197, compared to last year's operating profit of \$20,894.

After adding back our Depreciation expense for the year of \$61,392 the cash operating profit is \$49,195.

Even with a better on-field performance and an extra two home games from the finals, it only goes to show the degree of difficulty in maintaining profitability for a WAFL club in this current environment.

Our administration cost centre has had minor increases mainly stemming from the increase in our provision for bad debts \$5,334, annual leave \$5,500, board expenses \$5,282 and payroll tax of \$2,500. These have been offset with decrease in our audit and accounting fees \$1,800, internet web site \$3,000 and telephone \$3,200.

Bar revenue from sales improved to \$479,850 from last year of \$445,723. The Workers Club are still performing their functions here and these are inclusive in our figures. With this improvement in sales and accounting for cost the resulting net profit of \$151,345 shows an overall improvement of \$8,000.

The decrease in marketing was mainly attributed to such things as the club auction, other functions, sweeps raffles, donations, sundry revenue falling below expectations.
