

RETURN TO TRAINING PROTOCOLS FOR UMPIRES

AS AT 6TH JUNE 2020

10 POINT CHECKLIST FOR UMPIRING CLUBS RETURNING TO TRAINING

This guide has been established to support umpires Returning to Training under the current State Government COVID-19 restrictions. The umpiring group has an obligation to strictly adhere to these protocols at every training session. The key principle for training must be **'Get in, Train, Get out'**.

TRAINING GROUPS

The club can undertake training in full squads providing that no more than a total of 100 people are on the oval at any one time. This includes Umpires & Parents/Spectators. If a venue has more than one oval, then you can have up to 100 people per oval up to a **MAX** of 300 people per venue.

CONTACT TRAINING IS ALLOWED

The umpiring club can now commence contact training with umpires where appropriate.

SOCIAL DISTANCING

Social Distancing still applies, and we would encourage the 1.5m social distancing protocol to be utilised where appropriate. Umpiring clubs must also adhere to the requirement of no more than 1 participant per 2m² whilst both inside and outside facilities.

ACCESS TO CHANGEROOMS IS PERMITTED

Once the umpiring club has approval from the Local Government, then changerooms and club rooms can be utilised. Please make sure that the umpiring club adheres to the 1 participant per 2m² social distancing requirements, and that appropriate venue cleaning is undertaken.

FOOTBALLS AND EQUIPMENT IS ALLOWED

Footballs and all other equipment can be used for training sessions. Please make sure that equipment is cleaned appropriately after each session.

UMPIRES UNDERSTAND THE RETURN TO TRAINING PROTOCOLS

The umpiring club has read, understood and agree to adhere to the Guidelines for a Return to Training in Western Australia document provided by the WAFC, and available via www.wafootball.com.au

HYGIENE PROTOCOLS ARE IN PLACE

The umpiring club has implemented the hygiene protocols as outlined in the updated Guidelines for a Return to Training in Western Australia document.

A REGISTER OF PARTICIPANTS

The umpiring club has implemented a log, or register, to keep a track of which participants are in attendance at all training sessions, and this is available upon request by the WAFC or health authorities.

ONLINE EDUCATION COMPLETED

Coaches must complete the online COVID-19 infection control training prior to commencing training. The online training course can be accessed **HERE**.

LOCAL GOVERNMENT APPROVAL

The umpiring club has received **approval from the Local Government** to access the oval, changerooms and club rooms for training, and understand that they must follow the direction and advice of Police, Local Government and the League at all times.

THE WAFC STRONGLY RECOMMENDS THAT CLUBS AND PLAYERS UTILISE THE COVIDSAFE APP TO ASSIST WITH TRACKING THE VIRUS.
