2020 SUBIACO CAPTAIN

# PRESIDENT'S REPORT

Mark Lawrence

On behalf of the Board of Directors, I have great pleasure in presenting my 9th report as President to the members of this great club.

In last year's report I wrote "and how does the peak body of WA Football congratulate us for back to back league premierships?"

"Something has to be done" Taylor said. "Recruiting restrictions at the top end and looking at ways to help teams like Peel have to be considered". Unbelievable, disrespectful and unforgivable on the night of our

great premiership success. This WAFC leadership drove the social media commentary that has been so damaging to this club and our people and of course deeply damaging to the reputation of the WAFL competition. Those restrictions have just been lifted for 2021 however we cannot forget or forgive the WAFC for their appalling lack of judgement – ever!!

Looking back on our season, how much did this impact our club? Certainly, our supporters felt cheated, disrespected and some of them made to feel winning was not applauded by many in WA Football positions of power. Some of that lingered into the 2020 season and must have rubbed off on players, coaches and staff.

What a year we had this season! When football and all other sports went into a halt, panic reigned. Initially, our survival was at stake, the projections were alarming and good news was impossible to find. I'm sure many in the room had similar experiences in their business or with friends or family!

What was really interesting to come out of the season length, football department costs and player payments 2020 restart negotiations between WAFL Clubs and the WAFC was the length of the season. It was very possible to play a 10-game season plus finals, however teams would have to play two other teams twice to allow that to happen. The interesting bit was that both the eventual grand final combatants refused that 10-game model simply because they were to play us twice! Can you believe that?

CEO Peter Capes was largely responsible for negotiating the COVID season and encouraging the WAFC and other WAFL clubs to keep a season alive when most just wanted to close up because it was too hard, too many unknowns and too much work. Well done to Peter and Scott Baker and others at the WAFC for taking a proactive stance and getting 2020 moving.

Chasing three in a row for the League was a great challenge given the longest preseason in history, over eight months! That length of preseason is not the new normal, players & coaches needed to pivot and be nimble, everyone's mental health was sorely tested in these COVID times.

And although we didn't get in the finals this year there were many exciting moments. We played 36 players in only eight games and seven of those made debuts.

The Development Team and Colts both finished second and played finals so well done to both groups. The Colts went one better and not only qualified for the Grand Final but played brilliantly to beat Claremont and claim only our fourth ever Premiership at Colts level. Well done to Chayce and Dicko and their staff and of course the playing group led by Connor Patterson.

Every year we simply have to improve our club, bringing in coaches, developing players and making sure all our people love being here. That makes Subi better and that is a great reflection on everyone here.

Beau WARDMAN has been reappointed as our league coach for the next two years and his team of coaches along with Beau provide us a great launching pad for 2021.

## ONGOING SUSTAINABILITY OF THE CLUB

This year will be our best financial result for four years given that in early April a \$500k loss was the projected outcome the board was faced with at that time.

Thankfully the work done by our Finance team of Nathan O'Connor, Peter Capes and Debbie King guided the club from disaster to a position where we can continue to reform our purpose and business model.

## CONGRATULATIONS

Paul Pisani has been involved at this club for nearly 20 years, he provides great service and does a power of work that a younger person would struggle with, and doesn't complain much – only when people outstay their welcome! And he would do anything for you.

Pauli has had a very difficult year, losing his wife Barbara and recently his brother and our condolences once again to you Paul.

Even though Pauli supports the Royals next door, he actually loves the Lions – his grandson Jaxon is a premiership Colts player and the caterers Topolinis - Phil and Jodie are family as well.

Pauli is a worthy recipient of this year's PRESIDENT'S TROPHY sponsored by the STRACK FAMILY.

Congratulations to everyone involved this year, be very proud to be part of the Subiaco Football Club - we all are.

The outstanding achievements were;

- Kyle STAINSBY                      Outridge Medal
- Lachlan VANIRSEN                Jack Clarke Medal & Taylor Medal
- Danika PISCONERI                Dhara Kerr Medal
- Tiah HAYNES                        Sarah Mitchell Medal

Our Ball Legend for 2020 was Matt PRIDDIS and thanks to Matt for being involved with the club this year. Matt played in a very successful Subi era and joins successful players Ali Pickett and Brad Smith to have left us with so many great memories and it was wonderful to have Matt here to relive some of them.

To Wally Edwards and Holman Industries we thank you for being our principal partner and look forward to a great future together.

Our coterie groups - The Golds, Thanks Ross Lockhart and of course, Dee & The Ladies forum for all their good work during the season, Gary and the PP&S committee.

**MANAGEMENT**

We have some really good people running this Club and no doubt that our staff set the standard in the WAFL, they are involved in all industry committees, they help drive our club and the competition to improve, well done Peter Capes and his staff.

**BOARD OF DIRECTORS**

To my fellow Directors, thank you for your loyalty, commitment and support to me this year, it is a team effort, but to Basil Fuller, Dwayne Lamb, Nathan O'Connor and Russell Smith well done, welcome Kristi Annear, Garry Addison and Fiona White-Hartig.

Thanks everyone for your involvement in the Lions and we will aim to continue to provide a club where we all feel at home, are engaged and most importantly are very proud to support!

Thanks to my wife Debbie and I wish all our members and supporters a Merry Christmas and a Happy and Prosperous New Year.

# CEO REPORT

Peter Capes

After such a magnificent Premiership season that was 2019, did we really expect the upheaval that was to follow. Unprecedented may cover it.

Much has been written and said about the WAFC imposing penalties on our club after winning the premiership. It was a disgrace then and nothing has changed that view even now that those penalties have been removed for the 2021 season. It is impossible to gauge the impact it had on our players and coaches, however our past players, members & supporters have been incensed about this

issue and that is something we will not forgive the WAFC.

## COVID-19 IMPACT

Then of course the world was turned upside down by the COVID-19 crisis. We were preparing to play a round of practice matches the same weekend as AFL round one when on the Friday afternoon a meeting of WAFL Clubs and the WAFC made the decision to halt all playing and training.

The players and coaches were all gathered the following Monday where announcements were made that the season was on hold, access to the club was no longer allowed and group training sessions were stopped immediately. It was a huge shock and had a very big impact on everyone involved.

Initially all clubs faced a financial disaster and a race for survival that was only saved by Job keeper payments and cash flow boosts via tax concessions. This was followed by support announcements by the WA State Government and the City of Vincent providing direct support to the club. Without these measures the WAFL competition could not have even been a consideration.

With clubs closed, staff stood down or working from home, the chances of any season at all appeared remote during April and May. Discussions then commenced with Clubs about what appetite they had for games and what capacity the industry had to fund game expenses, players, coaches and other staff. Especially since there was no prospect of generating revenue from crowds at games or through bars, functions and events. A range of different models were floated and the whole industry was working together to share information from government and what possibilities existed.

During that process, the SFC and the majority of the other WAFL clubs strongly wanted to play a season although the commitment, the acceptable level of risk and capacity to do so varied significantly. In the end, to play any games at all, all clubs agreed to a set of rules and financials that met the demands of those most unwilling or unable to take any financial risk. Well done to WAFC's Scott Baker and Luke Sanders for their work in supporting clubs to get the season underway.

Just on a tangent, we never want to hear these words and phrases again – unprecedented times, flatten the curve, all in this together, lockdown, hard border, contact tracing, new normal, social distance, nimble, self-isolate just to name a few.

## WA FOOTBALL SCANDAL

The off field has been dominated by the scandal of the famous WAFC leak of its entire staff payroll and the ensuing witch hunt which was played out in the media.

The leak caused major embarrassment for the WAFC through back page headlines and lines like "WAFC pays \$9 million to its 134 staff, with 23 pocketing at least \$100,000"

The scandal led to significant change at the WAFC as well as the Minister for Sport, Mick Murray announcing a WA Parliamentary Public Accounts Committee hearing into the WAFC. The West Australian comments at the time included "The administration, it must be said, deserved to be embarrassed, it also reflected a bureaucracy that has become bloated and overly centralized" We couldn't agree more and made similar comments in our submission to the Public Accounts Inquiry. See our full submission in this annual report.

The PAC will report around the same time this annual report is published. Our hope is that by then pressure is still on the WAFC to continue to decentralize programs such as the talent pathway and even some community engagement programs that are best delivered by clubs closer to the community.

## SFC OPERATIONS

Our staff have been great considering concerns about job security, stand down, office closure, reduced pay and hours and then working from home. I would like to thank everyone for their contribution, they have done a great job.

Particular thanks to both Zac Acott and Deb King who both stepped up in a crisis to manage key aspects of our business.

Well done also to Mack Sheppard for his COVID Safe plans and being available when required and for his hospitality team including long time staff in Paul and Susie.

Our football highlight came in the form of the Colts Grand Final victory and well done to all those involved. Also worthy of a mention was the Reserves team's excellent year and another push into the finals.

## SEASON HIGHLIGHTS

Some of the game day and event highlights during the year included;

- Season launch and the unfurling of the premiership flag
- Colts Premiership – well done Dicko and Chayce
- The WAFLW and the Subiaco Football Club Women team finishing minor premier and playing in the Grand Final.
- Life Members Function to induct Clancy Wheeler and Angelo Pocaro
- The WAFL Grand Final at Fremantle Oval – would have preferred Leederville but still?
- Launch of the Lions Foundation – our community engagement vehicle.

## KEY CLUB STRATEGY

Sport in general and WA Football in particular, is facing a very tough time now and into the next few years and no doubt this Club will be impacted.

We must all now be aware of the significant challenge we have faced over the last few years. The future for us means we must address all the following key issues during next year and beyond.

- Leederville Oval Master Plan with EP and the City of Vincent

- Lions Foundation growth and funding sources and then an ongoing strong link and benefit stream for the SFC then incorporating a strong community engagement activation.
- A “One Club” model for the Subiaco men’s and women’s teams.
- Greater level of support for donations via the Australian Sports Grants platform
- Ongoing support for the AFL hospitality opportunities we have developed at AFL games.

## FOOTBALL OPERATIONS

The core of our club is the football operations staff, coaches and players that continue to set high goals, to work together and never take things for granted. Our list management is always critical given our club direction to develop our players promoted from Colts and Reserves emerging talent. The key platform to our list for a few years has been identifying players undervalued and not getting regular league games and that continued again this season.

In addition, let us hope we can minimize player retirements and recruit smartly so that Beau and his team can again drive us to success in 2021.

## TALENT & DEVELOPMENT PATHWAY

What a team that Chayce Creedy and Kristian Diction have become. These leaders showed they have a bright future after guiding the Colts and Futures through a highly successful 2020 that will provide our senior program with a flow of quality players in the coming years.

They have been well supported by many aspiring coaches and support staff that provide the teams in the pathway with a great learning experience during their time at the club in addition to development of their football.

## SPONSORS

Thanks to Holman Industries as our major partner and to also see Managing Director Wally Edwards as a regular at home games.

In addition, we welcomed the North Perth Community Bank and Chair Nick Catania as our major community naming rights partner.

Stadium naming rights continue to be unfilled for the 4th straight season. The City of Vincent continue to seek a naming right sponsor that is shared with the clubs based here at Leederville.

Our major support sponsors are vital to the club, thanks to Phoenix Motors, SKG Radiology, ISC, AE Hoskins and Sons and CUB for your support.

## MARKETING COMMUNICATION WITH MEMBERS, SPONSORS AND SUPPORTERS

Zac Acott is responsible for driving new business opportunities and increasing sponsorship and marketing revenue as well as developing and maintaining positive relationships with our stakeholders. Strategies in the business development area target growth in the number of people we have contact with, to thereby increase the number of people we can convert to members and new and potential leads for sponsors, to get to attend games, events and functions and of course promote the benefits of our sponsors.

Delivery of our communication with members and supporters, the website, Lions eNews, Facebook, Instagram & Twitter that provide up to date information and stories about the people within the club remains a high priority.

## LIONS IN THE COMMUNITY

### ENGAGEMENT & SOCIAL INCLUSION PROGRAMS

The club is a community focused organization, and we will continue to support events and programs in our district which although due to COVID issues were greatly scaled back this year still included;

- Prostate Cancer Club PROST – the eighth year this fitness program has been run for those men battling prostate cancer and recovering from operations
- Basil’s Community Raffle – provides over \$25,000 to participating junior football, women’s football and netball clubs.
- District schools & clubs – SFC provides quiz night prizes to many district schools & junior clubs.
- Country coaching and development – the Goldfields is important and thanks to both Kristian and Chayce for their regular coach and players visits into our country areas to develop young players.
- Game day events that welcome junior clubs, little league games and the Kevin Hill experience. Well done Hilly!

We must be more relevant to our community and this is a major focus area for the club and under Director Kristi Annear. The launch of the Lion Foundation this year will be the start of some very important community initiatives and be a great step forward for our club.

## ACKNOWLEDGEMENTS

Thanks again to Mark Lawrence and the board for being really supportive of both myself and all the other staff at the club.

Thanks to the board for your time commitment to the club and ability to positively influence our future. Thanks to you all for the assistance you provide not only to me but for the work you do with all the staff.

To our various Coterie Groups, your work and dedication to the club is noticed and appreciated and we hope it continues for many years to come.

- The Golds led by Ross Lockhart
- The Ladies Forum, Dee and team
- The TRG volunteers, great job gents.
- Past Players and Supporters led by Gary Underhill.

## PATRON, BALL LEGEND, NO 1 TICKET HOLDER AND AMBASSADOR

Thanks to Kevin Merifield, Matt Priddis, Justin Langer and Kim Hughes for their passionate support of the club. We remain very fortunate that all these champions continue to give us their time and it is a huge bonus for the club.

Finally, I extend my appreciation to all members and supporters of the Subiaco Football Club, for your patience and support when I needed to close the club during April to June and I wish you all a very Merry Christmas as we look forward to a more positive 2021.

# FOOTBALL OPERATIONS REPORT

Michael Farmer

Season 2020 was like no other season in WAFL History. When pre-season rolled around in November last year, the players, coaches and staff were ready to Unleash the Beast and launch an attack on the competition in a bid to win their third successive premierships. Restrictions were placed on the club in terms of our recruiting abilities and players were determined that whatever stood in their path could be overcome. A strong pre-season had been completed and the night before our

first competitive match against competition, COVID-19 struck. Players, coaches and staff were forced to stand down, leave the club and wait. It was an unprecedented time and one that would have major ramifications for the club and the competition.

During this time, players and coaches went online for regular catch ups, education sessions and information sessions that kept everyone connected and in good spirits. Our coaching staff's ability to continue to keep players motivated, informed and on track was paramount to our return to training and playing. Players trained in pairs before moving into groups of 10 then 20 and finally as a full squad in June. The WAFL Competition would resume on July 18th in an eight game season with shortened quarters and a top four finals series.

Our season unfortunately would not go to plan in 2020 and Subiaco would not defend their premierships and despite a nail biting season finish, the Lion's finished in 6th position and missed out on a finals series, our first time since 2013. Major injuries to key players affected our shortened season but in review, Subiaco moved away from some key areas that have made us so successful in recent years. Our coaching staff, players and Football operations department are determined to ensure this is rectified and the Lion's return to their formidable best in 2021.

Despite the setback of missing finals, the future looks bright with Subiaco Football Club Reserves making a preliminary final under Paul Vines and a young emerging side focused on development and learning. We debuted seven players in 2020, six of which are local products through our talent system in previous years. Kyle Stainsby, a 20 year Colts and League premierships player would take out the Outridge Medal in his second season from Lachlan Delahunty and Captain, Leigh Kitchin. Oskar Matthews moved over to Subiaco from Swan Districts and in his first season would win the Blakemore Medal as an emerging ruckman. The club farewelled Rhys Waters and Ben Newton at the end of this season as they announced their retirement. Ben was a major

recruit for the club in 2018 winning two premierships and adding some class and experience over the past three seasons. Rhys leaves Subiaco with three premierships and has been involved in the club through our talent pathway since he was 14 and we wish them both the very best.

Congratulations to Colts Coach Chayce Creedy, Futures Coach Stuart Page and Talent Manager Kristian Diction for their successful premierships season in 2020, our club's fourth in history. Their dedication and commitment throughout this season has been immense and the talent coming through in our futures and development squads is a testament to the program and everyone involved. Our transition program continues to build providing Colt's players experience and opportunities in our senior program. Special mention must go to Lachlan Vanirsen who won the Jack Clarke medal, the Taylor medal and the Mel Whinnen Medal in what was a wonderful season.

I would also like to extend my thanks to Sarah Michell, Ashlea Renshaw, Amy Lavell and the entire Subiaco Women's Club for their 2020 season. To make a Grand Final is an outstanding achievement and while the result did not go your way, I know you will continue to push for premierships in the future. Thanks to you all for the hard work you put into your program and the relationship between the Men's and Women's will only continue to grow.

## COACHING

Subiaco's League coaching staff remained unchanged in 2020 with Beau Wardman at the helm in his second year. Ryan Redfern continued with the forwards, Nigel Hamilton in defence and Jason Bristow controlled the Midfield. The Club welcomed back premierships ruckman Andrew McDougall who took on the role as Ruck coach.

Paul Vines replaced Matt Cavedon who stepped down into a midfield assistant role as the Reserves coach this year and we welcomed Scott Stanton and Brent McPherson to the club as assistant coaches. Congratulations must go to Paul and the reserves team for taking a young and developing side into a preliminary final.

The dedication of our entire coaching group throughout season 2020, which included the COVID layoff and the return to train and play stage was huge. The online communication and the commitment to ensure our players were engaged, motivated and committed were done purely through the care they have for the club and the players. Thank you Beau and our coaching staff and no doubt they will be excited for the challenge of 2021.

## STRENGTH AND CONDITIONING

Thank you to Matthew Olds, our head of Strength and Conditioning for your commitment to our players in your second year in the role. To James Hughes, Nick Del Borello, Andre Howell and Josh Richards for your tireless work this year. You oversee 60 of our players and your commitment to ensure they all are fit and ready to go on game day is very much appreciated.

## MEDICAL STAFF

Due to COVID restrictions and policies in place, our medical staff and trainers went above and beyond this year to ensure we not only complied with the regulations but also kept our players safe and healthy. Thank you to Kristelle Oehlman as our physiotherapist this year, taking over from Craig King. Kristelle

was involved in our Talent and Colts program for three years and has done a wonderful job in her first year in the seniors.

To Kent Morrison, our club doctor, thank you for your work this year on game day but also during the week as you continue to see our players outside of the club and ensure they are receiving the best advice and treatment possible.

Thank you also to Tanya Ferguson, our head trainer, for your tireless work this year given the changes and adjustments we had to make. A big thank you also to your trainers for the wonderful year and the work you do to ensure our players are well treated and looked after.

To Lee Parker, Scott Hancock and the team at SKG. Thank you for your partnership with our club and continued sponsorship. Our players and coaching staff no doubt appreciate the scans and medical treatment given.

### **MATCH DAY STAFF**

Subiaco Football Club have the most dedicated and committed volunteers and we appreciate everything they do for the club which is more often than not, at the drop of a hat. They are the heart and soul of this football club and we will always be in their debt.

Micky Bailey and Alby Hawkins, no amount of words can describe what you both do and the time you give this club and our players and staff. You give our players a smile as soon as they walk into the rooms and a friendly chat and set the mood for game day or training sessions. You are so well organised and everything needed for games or training is always provided. The club can't thank you enough.

Ron Tester, Steve Lind, Chad Redfern and Scott Flood – thank you for amazing work as team managers and bench coaches. Your efforts on game days are much appreciated. Ron special mention must be made to you as 2020 will be your last year at Subiaco Football Club as our League team manager. You have given 41 years of service to this club and we wish you all the best.

Our stats team led by Jeff Hoskins, Nyree Stokes and Jevan Collins, thank you for your time and commitment to both Reserves and League games each week. To James Hughes, Will Neil-Smith and Liam Brockwell in our vision and analysis department – thank you for providing the best learning environment for our coaches to teach and educate.

Finally thank you to Kellie Properjohn for her work with our coaching staff, Jason O'Malley and Brent Irving for being our match day runners and their efforts at training. Thank you also to Austin Hamilton for running the scoreboard and to Frits Vanirsen and Jason Whelan for time keeping.

### **PLAYERS**

While our season didn't go according to plan and finals and a premiership eluded us, the outlook of the players at the end of the season was a will to return to the top of the competition. The players continue to want success and no doubt the disappointment of 2020 will drive them and a big factor will be the class and energy brought by our graduating Colts players who have shown our future looks very bright.

Our Reserves players, under coach Paul Vines were outstanding all year to fall short of a Grand Final this year. Their development and education for a young side has been great to watch and

no doubt they will continue to rise in our program. Three Colts players made their senior debut for the Reserves through our transition program which is allowing more exposure and opportunity at a younger age.

Leigh Kitchin led the side in his second year as captain and was ably supported by his leadership group. In 8 games, Subiaco played 35 players through their League side including seven debutants while Jordan Lockyer played his 100th game in round one vs Claremont. Leigh's Captains Address paved the way for their attack on the competition next year and I have no doubt our players will continue to commit and buy in to 2021 and once again be successful.

### **STAFF**

To the Board of Directors, Beau and the Coaching Staff, Our medical and Match day team, our Football Operations Committee and our SFC staff, thank you for your assistance, guidance and support this year through unprecedented times.

To Kristian, Chayce and Stuart, once again thank you for your efforts this year in our talent program. With the success of the Futures and the Colts this year, our future is very bright and you should all be very proud off your efforts and what you have accomplished.

To Teigan Freeman, Zac Acott, Debbie King and Mack Shepherd, thanks for your support of the football program and making our admin environment one that's special to be a part of. It's a pleasure to work with you and I appreciate everything you all do for Football and the club.

Thank you to our CEO Peter Capes for your ongoing support this year. It's no doubt been a strange year but your continual support for your staff in trying times has been greatly appreciated. A massive thank you to our supporters and members for your support this year. Your passion for our club is unrivalled and we look forward to seeing you all next year.

# LEAGUE COACH REPORT

What a year 2020 has been. The unprecedented unforeseen event of COVID threw our season and wider community into the greatest change in behavior we have seen, right on the eve of our first practice game at East Fremantle. After a grueling four-month preparation, the eight week hiatus challenged us like nothing before, the uncertainty, the perspective and the resolve with which our club and the community responded will provide great learning for years to come.

Despite an almighty effort from all of our staff and the players to get through this season, amongst the uncertainty, the seemingly unrelenting pre-season and eventually a truncated eight-game season, we unfortunately weren't able to get the wins we needed at the end of the season. And it hurts.

We didn't get what we wanted, and in essence it was an unacceptable year - there is no doubt about that. Whilst we can look to some injuries or club restrictions which may have impacted on those results, we make no excuses, that's not who we are or what we are about. This game makes you pay - and if you're not at your best you will pay and you're going to get beat as we found out a number of times this season. But it's not a wasted season if we take the learnings.

2020, has however provided great opportunity for players to step up and accept responsibility. At league level we played 35 players across eight-games, the most of any club, we had seven players debut at league level and those players will give us greater growth in the year to come for the experience. To match we had 41 at reserves level including five players through colts transition who went back and won a premiership. Through this opportunity some of our up and coming players started to understand their role in the team a lot better. I am excited and confident about the depth of players we have and the colts coming through we will be in a very strong position for the years to come.

For as difficult as the year has been for the players on-field, there is no doubt the ripple effect flows down to the players and coaches partners, families and friends. We know you ride every bump with us and I want to acknowledge and thank you for the support and care you give throughout the year and the time you give up to allow us to do what we do.

Our supporters and members are critical to our club, you demand excellence, you hold us accountable and we strive to deliver all the time. Our major sponsors Holman and AE Hoskins plus all our other loyal sponsors, you have never wavered in your commitment to the club, in the toughest and challenging financial times thank you for standing by the club.

I would like to acknowledge our Board and CEO, through all the off-field challenges we faced with COVID-19 and the uncertainty of football in 2020, the players welfare was always of paramount importance. Even through adversity, the unity of the board and wider club has held firm.

On-field we had some great success with our colts showing the spirit, the energy and the ruthless Subiaco way in winning the 2020 Premiership. Well done to Chayce Creedy and

Kristian Diction in this program. Our Subiaco Women's team - whilst falling agonisingly short in the Grand Final, it was another great year and I know the team will be back bigger and stronger in 2021.

Our senior development side, led so well by Paul Vines, you continued to show the Subiaco way throughout the season. With injuries at league level it challenged our depth but it's exciting to see how much talent we have coming through our ranks. Well done to our development coaching team - Matt Cavedon, Brent McPherson, Scott Stanton, Brent Irving and Chaddy on the Bench.

Despite some off-field uncertainty this year, the resilience of our people to stay involved, and support is a reflection of the quality of people we have at this club.

- Our on-field support team, Scott Flood, James Hughes, Jason O'Malley, William Neil-Smith. Stats team led by Hosko, Ryree, Team Manager Ron Tester, and special mention to the boys in the property room Alby, Mick and Rocket.
- Our High Performance team Matt Olds and the army of assistants.
- Our medical team, Kristelle, Kent and Tanya with all of our trainers.

Our League coaching group, FM - Michael Farmer, Coaches - Nigel, Ryan, Jason, Andrew, Martine and Kellie, your contributions to our players and this club is unparalleled. What is not often acknowledged or recognised is the support you provide our players above and beyond the call of duty. I thank you also for the support you provide me, always searching for improvement on and off field.

To our players. You are a remarkable group of young men, whilst we were challenged this year, you never stopped looking for resolutions. It is an absolute honour and privilege to coach you and I challenge you all to believe in your abilities, to believe that through hard work anything is possible, to believe that if we are united we will achieve ultimate success again.

To acknowledge a couple of players who have decided to hang up the boots at Subiaco. Ben Newton, whilst only at our club for a short time, you have made a lasting impact. You are one of the hardest workers, disciplined and driven players among our group. Your level headed thinking and leadership remains consistent through success and adversity. Rhys Waters - will go down as one of the modern-day legends of this club, you have made a massive contribution on and off-field. A three-time premiership player, 108 games and 134 goals in a career coming through the Subiaco development pathway. Your competitiveness, your will to win and mercurial work around goal has been a trademark, but it is the support and care for your teammates off-field which will be a lasting legacy we will hold for years to come. Well done on your careers and great contributions to this club!

2021 is exciting and bright. With our colts winning a grand final, our reserves, with a heap of youngsters playing, making the preliminary final and playing a great Subiaco brand. We were able to get several more senior games into the future of our footy club. The growth of these players, with the help of the experience we already have, our recovery will be fast. With the hard work and support of each other, this is going to be a

very good journey to be on. BUT Every single person involved in our program has got to drive each other to improve, I've got to become a better coach, our coaches have to become better educators, our players have got to get fitter and stronger, helping each other get better.

As the great Neale Daniher said, "When it's all said and done, more is said than done and the mark of a person or group is not what they say but what they do."

The outcome this season won't define us, what will define us is implementing the lessons we have learnt through action. The WORK required, the LEADERSHIP required, the CONNECTION required and the DEVOTION required is very clear to have success. Use the pain of disappointment into a pain for change. I am committed to our players, our staff and this great club to drive us back to the top, to Restore the Roar.

# RESERVES COACH REPORT

Paul Vines

It's fair to say that 2020 delivered in so many aspects, and not in the way we thought when preseason started in November 2019. This season will be remembered for many reasons. The longest pre-season any group may have to endure and shortest football season on record. But this year has also provided some great opportunities to learn and develop different ways of doing things, many which can be carried forward into the seasons to come.

With the news that the world was experiencing a pandemic, the impact was far-reaching. On the eve of our first practice game, football was cancelled indefinitely.

It became apparent very quickly that football was of least concern, with job losses, short term layoffs and uncertainty around people's futures the biggest challenge to overcome. The Subiaco Football club turned its attention to the health and welfare of its people. The efforts of the CEO, Peter Capes, admin staff, head coach Beau Wardman, and the coach's and support staff to provide the necessary support and assistance during this period was outstanding. And as regulations changed, it became apparent that a season, albeit a shorter one, was still feasible.

Through the process, everyone adapted quickly to an ever changing set of rules - group sizes, social distancing, and new hygiene protocols were implemented. All credit must go to the players for their time and effort put in over this time to continue to support each other and put the work in to ensure they were ready to start the season, in whatever that looked like.

A nine round season was announced, with our Development team to play just seven games – with Peel unable to participate in the Reserves competition. A near new coaching group, came

together with a young, enthusiastic group of players to finish the home and away season in second place.

Player development has always been a focus at the Subiaco Football Club. With recruitment restrictions placed on the club in 2020, a great focus was put on fast tracking the development program to ensure the next group of local talent was ready for league football. Out of the 41 players who played in our development team, 21 of those played their first game of senior football for the club.

Part of our development program was to introduce a colt's development program, the aim of this program was to expose our colt's players to the senior program. Although this program was designed to assist with development through next year and beyond, five of these players made their senior development debut. Congratulations must also go to Chase and the colt's group for their efforts on bringing home the colt's premiership. It will be exciting to watch many of these players at senior level over the coming years.

As we know, premierships aren't won in August, or in September in 2020 – they're won in October. Unfortunately, we were unable to capitalize on our solid form during the home and away season and were defeated by Claremont in the Preliminary final. Whilst we were unable to take advantage of our hard work, as a group we learnt a valuable lesson – about what it takes to win premierships. The commitment and sacrifices required, the diligence with preparation and recovery.....the 1%'s. Lessons I believe the group will carry with them through their football careers.

As people we aren't judged on our mistakes, we are judged on how we respond. I am confident that the group will take valuable lessons away from this season and continue to develop and strive to maximize their potential – and respond accordingly in season 2021.

Our success as a club is a measure of the level of support we receive from many people – board, admin, property team,

sponsors, trainers, medical staff, strength and conditioning staff, statisticians, volunteers. Thank you all very much for your contribution to the 2020 season. Not only in the context of football, but for your contribution throughout the year during what was unprecedented times.

I would like to thank my coaching team, Brent McPherson, Scott Stanton, and Mat Cavendon for your efforts this year. The time and commitment you put in was greatly appreciated by the club. To Chaddy who sits on the bench and copped a few sprays – I hope your ear has stopped bleeding. To my runner, Brent Irving for your support to players both on and off the field.

To all the players, thank you for your commitment, for turning up every week and giving your all for this club. It was an absolute pleasure watching you develop and strive to be the best you can be. Your commitment to the Subiaco way was unwavering. But most of all, I hope you enjoyed the season, and you had some fun along the way.

After a season of frustration and disappointment, we now turn our attention to season 2021 with a clear understanding of what is required to be the best and stay the best. And get back to what this club does best – winning premierships.

# WOMEN'S REPORT

What a season! 2020 has been a short season, in a very long year.

For us, it started way back in November, and it started just like any other year. But 2020 has been anything but any other year. A year of uncertainty, of change, and of patience. We ran the season with no committee, no fundraising, no sponsors, and no funding...but we ran it with a lot of love, and a lot of resilience.

## ROGERS CUP

While not a successful season result-wise, the endeavour of the Subiaco Rogers Cup squad this year could not be faulted. From their early dedication to preseason and endeavour during a period of uncertainty to complete the required individual and small-group fitness sessions, to their enthusiasm once a season was announced, the players showed resilience and tenacity through adversity. Growth was certainly the theme of 2020 with the highlight being watching each individual grow in confidence, skill and knowledge of the game as well as showing character growth as they exhibited grace, humility and positivity in defeat throughout a shortened season. Recognition of the junior pathway through Warwick Greenwood, Kingsley, Kingsway, Whitfords and North Beach players making the transition to Subiaco Rogers Cup showed the growth in female football within the district, and we look forward to welcoming more new faces from junior clubs in 2021. Furthermore, we can celebrate the graduation of a number of players to the senior squad with the knowledge that they will be important contributors to the future success of Subiaco Women's. Special mention must go to co-captains Kato Bosmans, Maggie MacLachlan and Charlie Thomas who not only contributed to the Rogers Cup squad but all made their senior debuts this year, as well as emerging leaders Eloise Muller and Jess Knight who lead by example to ensure the playing group remained focused and supported.

**Pia Faletti**  
ROGERS CUP COACH

## RESERVES

The 2020 Reserves season was a positive one, with many highlights along the way. Preseason was uncertain at times, but the players worked hard throughout that period, whether it was together during early preseason, or when they had to train by themselves or in small groups away from the club due to the

global pandemic. We announced a new leadership group for the 2020 season with Corina Lind and Amy Hunt taking over as Co Captain's. They were well supported by Vice Captain's Sarah Cosh and Jasmine King. The season itself had its ups and downs. The first two games of the season were losses to the eventual Grand Finalist's in Claremont and East Fremantle, however from there the Reserves went on to win their last 4 from 5 games. A gritty win against Swan Districts, then convincing wins over South Fremantle, where the standard of footy produced was incredibly high. Along with outstanding team footy there were outstanding individual efforts with Amy Hunt who was the eventual competitions leading goal scorer kicking a bag of 8 out at Fremantle Oval. Kia Buckley had 3 goals by quarter time on the same day. The final win of the season came against West Perth out at Joondalup. It was a stirring come from behind win, eventually knocking them over by a point in the final minute of the game. This secured the Reserves spot in the finals for the first time in a number of years. Whilst the final didn't go to plan, and a disappointing result to end the season, the season as a whole was a big step forward for the Reserves group. We had a number of 2019 youth girls play senior footy for the first time and impacted the group immediately. Hannah Young came in and took over the number 1 ruck spot, Kia Buckley turned games on their head with her head over the ball inspiring footy and Sarah Walters who ran all day for us on the wing and won herself the Reserves Fairest & Best, to name a few. New players came in and really embraced our club culture and were great additions both on and off the field. Competition for spots this season was the highest it has ever been at the club, which meant tough decisions for coaches, but a great position for us as a club. All of this makes 2021 look exciting, as the Reserves will look to take another step forward and bring more consistency to the high level they proved they are more than capable of.

**Lauren Stammers**  
RESERVES COACH

## WAFWL LEAGUE

The League team had a very successful season albeit our disappointing grand final loss. This season looked very different with a new system, less rounds and many AFLW players unavailable due to various reasons. The girls had a long and successful preseason thanks to the hard work of both the Rogers cup and Reserves coaches who were guided and assisted by

our strength and conditioning coach Tami Jakobsen, along with other important people involved within the club. Club captain Hayley Miller again lead by example, and was well supported by Vice Captain Tiah Haynes, and leaders Tarni Golisano, Ellie Blackmore, and Claire Ortlepp. The players all gelled well and hit the ground running. We only lost one game during the season, and had an excellent win against Peel Thunder in the first semi final to book a week off and a spot in the Grand Final. Unfortunately the players didn't play their best game and were no match for the young Peel Thunder team. Hopefully the girls will learn from the game and come back hungrier to go one better next year. We have a strong women's club through all 3 grades, which is testament to our excellent coaches and

support staff who all work hard with the limited support we receive. It will be very exciting to see all players continue to develop and fulfil their potential.

**Amy Lavell**  
LEAGUE HEAD COACH

Overall, it has been an outstanding season, measured not in wins and losses, but far more importantly in growth and development, as players and as people.

We had our hurdles, as injuries took their toll, robbing so many of our talented players of their time to shine. We will now look forward to next year, to pick up where we all left off and know everyone will come back stronger and hungrier than ever.

# TALENT DEVELOPMENT & COUNTRY ZONE REPORT

Garry Addison

What an interesting year 2020 was.

For just the fourth time in our club's 124 year history, the Colts won the Premiership, a feat nearly not possible due to the COVID-19 outbreak and the genuine possibility that a football season wouldn't go ahead. The commitment shown during the COVID period by players, staff and families was outstanding and I'd like to commend you all on how you dealt with it and continued to stay hungry and engaged.

Kristian Diction

I would like to congratulate colts head coach Chayce Creedy and his coaching team consisting of Jason Hoskins, John Mansbridge, Josh Leunig, Brett Davis, Craig Francis and Nick Visser. I'd also like to make special mention to our support staff including Maddie Oudman, Abe Davey, Harrison McBriar and Karen South who have done a fantastic job throughout the season and have made a massive contribution to our success in 2020

Congratulations to Lachlan Henderson, Lachlan Vanirsen, Sandon Page, Jaxon Mcgowan, Matthew Johnson, Blake Morris and Tyler Brockman who were all a part of the State 18's program for 2020

Another special mention must go to Lachlan Vanirsen, after a fantastic season Lachlan snared the Jack Clarke Medal for being the best player in the colt's competition, the Taylor Medal Subiaco's Colts Best and Fairest, a Premiership medal and also the Mel Whinnen medal for being judged best on

ground in our premiership win. An outstanding feat and we wish Lachlan all the best and look forward to following his bright future.

## TALENT SQUADS

Stuart Page headed up our development programs and coached the Futures with assistants David Emes, Bill Quartermaine and Steve Elliot. The Subiaco Futures program was a resounding success and went through the season undefeated whilst giving 44 players both metro and regional the opportunity to don the Maroon and gold.

Stuart and his team have started something of a football factory at the development squad level and it's no coincidence that the colts are travelling well with the calibre of players and the high standard they are at when they enter the colts age program. Big thanks must also go to James Mckee and Alicia Spencer for your continued support.

Development squads were a different format due to COVID this year but we still managed to get a training block and a few games in to help identify the next crop of futures players. Thanks to David Emes and Stuart Page along with Steve Sadowski, Steve Elliot, Sam Mulari, Andie Fagan, Alan Gibson and Chris Mc Henry for your assistance getting the programs off the ground.

## COUNTRY ZONE

The Lions pride regional academies in Esperance and Kalgoorlie have played a pivotal part in the club's success within the talent space in 2020. 29 players from our regional zones represented Subiaco across the talent pathway in 2020 with 10 regional players being part of the undefeated futures side and four playing in the colt's premiership side. Thank you to the GFL and EDFA for your continued support of the lion's pride academy. Special mention to Lane Tomich, Brendon Simpson, Rhett Foster, Brent Gouge, Jason Wells, Kody Kelman, Paul Hunter, Eshe Christie, Kylie Hahn, Simon DeBeen, Neale Harvey, Gary Fitzgerald and Gemma Harrison

in Kalgoorlie and in Esperance Stuart and Terri Tholstrup, David McGrinder, Scott Watkins, Michael Magagnotti, Mike Perry, Jayson Fiegert, Reece Griffiths and Gary MacDonald.

We are fortunate enough to have local sponsors who contribute to the lion's pride programs regionally. Subiaco would like to acknowledge: Freight Lines Group, IGO, Southern Ports Authority, South East Petroleum McDonalds, Sports power, Woolworths, MMT and Fields Contracting. Thank you for your ongoing support of grass roots football and we look forward to working closely into the future.

The Subiaco Football Club would like to thank the following for their outstanding contribution and valuable support of our premiership winning 2020 season:

- AE Hoskins Building Services as Major Naming Right Partner Talent
- Topolinis Café as game day sponsor
- Vision Finance as game day sponsor
- The SFC Ladies Forum

Finally, I would also like to thank CEO Peter Capes, President Mark Lawrence, the Subiaco FC Board for their ongoing support they have shown of the talent programs. The commitment and guidance they have shown is truly appreciated. Last but not least to our office staff Michael, Zac, Deb, Teigan and Mack thank you for all your assistance throughout the year and making things run as smooth as possible. We are all looking forward to a bigger and better 2021

# COLTS COACH REPORT

Chayce Creedy

Winning a colt's premiership is not the culmination of a life's work and it's not necessarily a group of men who have toiled and toiled for a long period of time to achieve ultimate success. The turnover and transition rate does not allow for long periods of continuity within a team, SO what is it?

It is a sign.....A sign that the underpinning development of a club is strong, a sign that a successful standard has been met and success has followed

and perhaps it's a sign that we have much to look forward to if and when a majority side of locally produced and developed talent perhaps reach the ultimate success of a WAFL league premiership. For Subiaco a club that has only won four colts' premierships in its entire history, of which two have come in the last three years, maybe it is a sign perhaps that reality is not as far away as we once might of thought.

Across season 2020 which saw the same disruption as has been covered thoroughly we were able to play 33 players of our 45 player squad. While this is not a high number and the least in the competition we were thoroughly settled and healthy thanks to a focus on core strength and a high fitness standard driven by our coaches and players alike. We structured a team that had balance and relied on no individual brilliance. Rather a team effort built on Subiaco core pillars and moulded to suit the group that we entrusted to live them. Lastly, we built a style on scoring goals, goals and more goals. If they scored one, we scored the next two was the plan. This willingness to score was backed up by high intensity pressure and strong team defence. It would turn out to pay handsome rewards becoming the highest scoring team in the competition while also having a defence that could back that up.

We don't have to look far back to see the improvement. At the end of round six in 2019 we were sitting last with not a win to our name following a premiership in 2018. Since that time, we have won 16 of 22 games and the majority of this year's squad were in the team by the end of last season. With a tweak to focus we were able to see great results in terms of development and for a good part of this group that will continue as they transition into the senior program and hopefully put pressure on the established players there. We wish the transitioning players all the best as they continue their Subiaco football experience. For those that move onto other leagues and competitions around the country we wish you all the best as well.

With the National Champs not able to be staged due to COVID-19 the WA squad was expanded and there were two matches played in WA in the post season that pitted the best of WA talent up against each other. We had 8 players that took part and performed well and with great dignity. Well done to Lachlan Vanirsen, Matt Johnson, Jaxon McGowan, Tyler Brockman, Blake Morris, Lachlan Henderson, Nick Martin and Sandon Page. Well done also

to Lachlan Vanirsen who was runner up in the WAFL PPUA coaches voting, WAFL Jack Clarke Medallist, Mel Whinnen Medallist, Taylor Medallist and also premiership and state player, quite a haul and well deserved.

We were led by a fantastic leadership quartet in 2020 headed up by Connor Patterson an outstanding young leader and player who was ably assisted by Lachlan Henderson, Lachlan Vanirsen and Sandon Page. This group complimented each other well and helped the group grow and connect through the year.

As with any football program there are many hands who work hard to make it happen and I thank them all from the bottom of my heart for the effort and dedication they have to our talent program. So, to all listed below I thank you and look forward to working with you in the future.

**ASSISTANT COACHES** – Jason Hoskins, John Mansbridge, Josh Leunig and Brett Davis

**SUPPORT STAFF** – Craig Francis, Karen South and Garry Addison

**RUNNERS** – Nick Visser, Ben Ivankovic and Joel Broad

**STRENGTH AND CONDITIONING** – Harry McBriar, Abe Davey and Maddie Oudman and the many wonderful prac students.

Big thanks to all of our sponsor who allow us to operate in Simply Energy, AE Hoskins, Topolinis and Vision Financial as well as the Ladies Forum who continue to support this program through their leadership scholarship.

Thanks to the support of the club from Peter Capes and the board as well as Talent Director Garry Addison who keeps us tracking in the right direction and also to Mick Ablett and Tony Micale who are a great support in developing our talent. To Michael Farmer and Beau Wardman who help to drive a local talent operation looking to build ties from colts to seniors at every turn thank you for helping to continue the work that you started.

Lastly a big thanks to our Talent Manager Kristian Dicon. This man lives and breathes football and the talent within our zones. We are lucky to have him, and I am lucky that I have such a person to support me in what I do, as I hope I support him in what he is trying to do.

For the continued success of our program and the young men within it the focus is now on raising the bar with the rest of the club and back up a successful 2020.

# FINANCE REPORT

Nathan O'Connor

COVID-19 presented a number of unique financial challenges for the Subiaco Football club in 2020. However, I am pleased to report that, notwithstanding these challenges, the club will report a profit for the year.

The positive financial outcome for the year would not have been possible without proactive and decisive cost cutting measures implemented by club management and endorsed by the board. However, it is appropriate to also recognise the broader financial support SFC received in

connection with COVID-19, including:

- The fulfilment of financial commitments made by club sponsors notwithstanding the abbreviated season and the significant pressures facing their own businesses in 2020;
- Federal government support via JobKeeper payments for employees;
- Grant funding from the WA state government; and
- Waiver of a portion of SFC's lease obligations by the City of Vincent

While the financial result for the year represents a very pleasing return to profitable operations, it is recognised that it arose in unique circumstances unlikely to be replicated in the short to medium term. Therefore, the board and club management remain committed to tackling the broader financial challenges facing SFC in 2021 and beyond.

On a personal note I would like to thank my fellow finance committee members, Peter Capes, Debbie King and Basil Fuller for their efforts and support throughout the year.

I wish all members a Merry Christmas and Happy New Year.

# BUSINESS DEVELOPMENT REPORT

Fiona White-Hartig

What an unprecedented season for Subiaco and the whole football community in 2020 with the COVID-19 pandemic!

In 2020, prior to COVID-19, the Club was set to continue to grow off the field in our third year of transition and change in Business Development, however due to the pandemic this was placed on hold. The Club will look to hopefully bounce-back with the transition due to continue in 2021 as we look to welcome new partners and further implement innovative ideas to help propel the Club forward off field.

Zac Acott

## CORPORATE PARTNERS

It has been an interesting 12 months for our new and existing partners, with each partner playing a crucial part in the survival of the Subiaco Football Club during these unprecedented times. To all the businesses who joined Subiaco as a partner in 2020, and those who renewed their partnership this year, we

thank you for your support and look forward to long and fruitful relationships going forward.

We would like to thank Wally Edwards from Holman Industries for their continued support of the Subiaco Football Club in what was Holman's second year as Principal Partner of Subiaco.

In 2020, we welcomed North Perth Community Bank as Subiaco's Major Community Partner, we would like to thank Nick Catania and Frank Paolino for their support, and look forward to many more years with the North Perth Community Bank.

To our Major Naming Rights Partners, we thank Michael and Carol Hoskins from AE Hoskins Building Services who have been proud supporters of the Subiaco Talent Pathway, and have so since 2010, celebrating their 10 year anniversary supporting the Club.

To our Premier Partners; Phoenix Holden, SKG Radiology and Balls 'n' All Amusements, thanks for your ongoing support.

To all other partners from 2020, we thank you for assisting this great Club.

Without our Partners, the Club would not be where it is today especially during these past six to eight months.

## COMMUNICATIONS

In 2020, the Club introduced a new Membership and Team Store website whilst also continuing to remain active on social media throughout the 2020 season; even with the delay and shortened Premiership season.

Our communications and social media reach has continued to grow as we look to return maximum value from the Club, highlighted by the 1.1k increase in followers on Instagram since last year. With social media being a key form with which to reach our membership and fan base, we will ensure that our fans have every opportunity to show their support for our Club.

The Club will continue to push and grow our digital presence throughout 2021 in what will be the Clubs 125th year in the WAFL.

## MATCH DAYS

In 2020, although during a COVID-affected season of four home games during the 2020 Optus WAFL Premiership Season, the Club ensured that the game day environments created was of the highest standard; creating a precedent of what to expect at Subiaco home games in the future.

An average of 1,912 spectators came to each Subiaco home game this season, an increase of 100 people per game on our 2019 average game attendance; which is a step in the right direction, with the view to build on this for the 2021 season.

## APPRECIATION

Thanks goes to Peter Capes, Fiona White-Hartig and the remainder of the Subiaco Football Club Board of Directors for their continued support, guidance and knowledge towards Business Development.

To fellow staff members Teigan Freeman, Deb King, Michael Farmer, Kristian Dicton and McKenzie Sheppard, thank you for your support towards Business Development this year.

To Will Rollo, Creed Griffiths, Jack Foley and Mark Pisarskis thank you for your assistance in 2020. These individuals have been crucial to the Club's success in communications and ensuring match days were run smoothly this year. Thanks for volunteering your time and services over some time this year.

## LOOKING AHEAD

Whilst we survived 2020; 2021 will be an as-important year with the aftermath of the virus. The Club looks forward to the challenge of 2021 in what will be the Clubs 125th year.

Our continued focus is to generate activity around the facilities we have at our disposal to help improve our financial position; especially working with the City of Vincent and East Perth Football Club to obtain naming rights for Leederville Oval.

# MEMBER SERVICES & FACILITIES REPORT

Basil Fuller

Although this portfolio was affected by many aspects of the COVID-19 restrictions; including the late start to our season's activities, the portfolio achieved a majority of the planned objectives for the 2020 season.

## MEMBERSHIP

In recognition of our loyal members with 90% renewal rate being achieved in this unprecedented COVID-19 affected season, the club will not be increasing membership fees for the upcoming season with

all members set to also receive an exclusive member's pack upon renewing/signing up as a member in 2021.

To thank our Pride and Platinum members in 2020 for their support; to show our appreciation, 15 members were selected at random to win a selection of great prizes as a thank you for supporting the club during these unprecedented times and the reduced home-and-away season.

Throughout our 2020 season, although short, we implemented a Members Draw at each home game. Announced prior to the player awards, members had the chance to win a bar card every week, with the value of the card increasing each week if a member was not present to collect their reward. This will be something we look to continue in 2021.

As a regular service to our members and fans, the club website continues to release new content weekly, and in collaboration with our weekly in-season Lions News, the Club continues to deliver the latest news and upcoming events coming out of the club. Exposure on the Club's social media channels continues to retain appeal with public interest in 2020.

The Club is proud to release two new memberships for 2021, the first is a Lions Cub membership, catered for 0-4 year old's and the second is a Subiaco WAFLW Membership. The club will also be offering a 'reserved seating' add-on option for seats in the Subiaco members grandstand for 2021. Members will have the opportunity to secure a seat for all Subiaco home games next season for a small fee. To find out more information please visit <https://membership.subiacofc.com.au/>

## MERCHANDISE

Our club selection of merchandise has remained a "must-have" by members as indicated by this year's sales – featuring 'specials' advertised regularly and displayed at home games in our reception Team Store with our current range always featured on our website.

Please keep an eye on our Team Store website at <https://shop.subiacofc.com.au/> for all your latest merchandise, with NEW 125 Year Merchandise to be released in early 2021.

## FACILITIES

This year's attention was mainly directed to programmed maintenance of our facility including repainting of the social & function areas, player changerooms and gym with general repairs and replacements on a weekly basis.

The TRG (Tuesday Response Group) in fulfilling these operations, assists the club finances and ensures our premises are conditioned to members expectations.

The club acknowledge the contribution of the 2019/20 TRG unit members – Basil Fuller (Coordinator), Keith Stone (Foreman) and leading hands – Kevin Smyth, Mick Bailey, Mick Symons, Graeme Wilson, Jim Simmons, Graham Clarke, Colin Button, Frits Vanirsen and Gerry Stokes (now retired).

## CLUB MAJOR RAFFLE

This annual fundraising project gives members the opportunity to partner with the club in a project designed to financially support the operations of our community junior clubs that underpins the development programs for young players in our district.

Due to changes in this seasons operations; some aspects relating to conducting the raffle were affected, however, a successful result was again achieved with community clubs benefitting from the strong support of the Subiaco membership in this project.

The club acknowledges the many sponsors of the raffle for their continued support of our endeavours in relation to community junior football development.

## FUNCTIONS & CATERING

Restrictions and the closure of our facility during the year disrupted our operations; with early season events and function bookings cancelled, therefore affecting our forecasted income.

However, after a shortened season was announced, the Club hosted a function at each home game, including our popular Ladies Day members event during round four followed by the annual player revue post-game.

A Life Members match day luncheon hosted by former club CEO Kim Williamson provided entertaining interviews with Life Members/past players Metro & Siera. Club President Mark Lawrence presented our 2019 Life Member Angelo Porcaro with his Life Members badge on this occasion, with the second 2019 Life Member Clancy Wheeler unable to attend the function.

## ACKNOWLEDGEMENTS

The 'Handsome Stranger' coffee van provides a popular service to members on match days and we acknowledge Kitch and his staff for their availability.

We again thank club caterers Topolinis (Phil & Jodie Jardine) for providing a varied and popular match day food selection for members and guests and their professional service and presentation supporting the club's special events.

Thanks to McKenzie Sheppard for his professional management of our social and functions facility successfully promoting our venue and fulfilling members expectations.

The member services committee, although facing stop/go operations during the year, were active in the direction the club had to take with event planning, members benefits and member communication. Our committee members – Peter Capes, Debbie King, Teigan Freeman, Zac Acott and McKenzie Sheppard are acknowledged for the positive contribution supporting this portfolio.

We now look forward to successful planning for our 2021 challenges.

# COMMUNITY REPORT

Kristi Annear

It goes without saying 2020 has thrown down challenges our community has not seen in over a century. In an industry where we believed the love of sport could overcome most obstacles COVID-19 seemed to aim itself at the heart of who we are.

Our community engagement planning for season 2020 involved regular club and school visits and player chosen charitable partnerships through our leadership pods. These engagements were either cancelled or put on hold

early in the year to safeguard the health of our athletes and others involved. Once the season got under way and physical distancing was the new norm sporting clubs returned to what they enjoyed most, being together.

Whilst our visits in the community were limited, we committed to making the most of our time available. Ben Reid and WAFLW player Beatrice Devlyn attended Kingsway and ran an Auskick session, Aaron Breman and Sandon Page attended a Sorrento DunCraig training night and Hayden Kennedy and Kyle Stainsby attended Carine JFC vs Kalgoorlie game, handed out awards and spoke to the teams. Wil Hickmott coaches a junior team at Sorrento DunCraig and our little league games were enjoyed by our junior clubs at home games with a little legend chosen each week to run out on to the ground alongside the senior team.

Keeping in touch with our players and checking in on their physical and mental health was a priority during the period the players were away from the club so weekly zoom meetings for all grades were set up by the coaches locally and regionally.

In September the club answered a call for second-hand football boots which were to be gifted to players in the Kimberly. Subiaco's Rowen Powell, a former Broome resident and West Coast Eagle said the delivery of quality boots would be welcomed by players in remote communities. "There are a lot of talented footballers up there who don't have any football boots as it's considered a luxury out of their reach".

Since the departure of Matt Debarro, our District Officer in early 2020, we have not had the benefit of a dedicated person coordinating our club and school visits. In light of this, the current state of the WAFC and the indeterminate future of the WAFL clubs involvement in talent and community the Subiaco FC has shown its ability, as in the past, to be innovative and has established its own Foundation to make a difference in the community.

*"Sport has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. It speaks to youth in a language they understand. Sport can create hope where once there was only despair. It is more powerful than government in breaking down racial barriers."*

- NELSON MANDELA.

# LION FOUNDATION

Late in 2019 the board discussed the desire to engage more with our community through football and non-football initiatives. It's not lost on us the valuable contribution sport provides to the public so through leading, empowering and inspiring, together we planned to make a positive impact in the WA community. From this the Lion Foundation was officially launched in August 2020.

Named after our beloved Leo and with the community at its heart, as you see in the logo, the Foundation will focus on delivering positive outcomes by running community-based programs. Our network of partners and volunteers will deliver programs throughout Western Australia that include sports, education and the arts. By running these programs, we are able to help participants gain access to opportunities they may not have had otherwise.

Subiaco Football Club is renowned for its strong leadership and inclusive culture, and we want to share the experience our senior players have with the next generation of players and community leaders. The Lion Foundations focus will be – Women & Girls, Multicultural & Indigenous Engagement, Disabilities & Inclusion, Mental Health plus Drug & Alcohol addiction.

Our players and their development are key to the not only the Foundation but the Clubs ongoing success. We will provide employment and education opportunities, life skill sessions on finances, tax, insurance etc and networking opportunities through business relationships and speaking engagements.

Our Board is made up of varying backgrounds and experience all working together with the same shared passion for our community and club.

Chairing the Foundation is our club's Director of Community Kristi Annear. Kristi has four years' experience on WAFL boards with Subiaco being her second club in that period. She currently manages HBF's Community Program which each year supports local WA charities and engages HBF employees. Kristi has been integral in setting up the club's mental health program, Outside The Locker Room in WA and spent three years on Ronald McDonald House's young professionals committee. She has a wealth of knowledge in the community space and is an avid supporter of football.

Professor Hugh Dawkins is the Foundations Chief Health Advisor. He comes to us with over 40 years' experience in

the health industry and holds concurrent appointments of: Professor, School of Medicine, The University of Notre Dame Australia; and A/Professor, Division of Genetics, School of Biomedical Sciences, University of Western Australia. Hugh's passion is precision health and genomic technology and believes in the benefits that sport provides to the whole community.

Fiona White-Hartig is the Business Development Director at the club and is also the Founder & Managing Director of Global Roaming Pilbara Foundation. GRPF brings a unique approach to developing young people with one goal - to give every young person the opportunity to reach their full potential regardless of location, gender or race. Fiona has over 20 years' experience in local, state and federal government and is on the board of many indigenous organisations in WA. Fiona is the Chairperson of RDA Pilbara and is extremely passionate about our community and the club's future.

Paul Johnson is an experienced business leader, having built a large electrical contracting business which he recently sold to a publicly listed company. Paul is passionate about business improvement and is now dedicated to helping business leaders implement industry leading systems and processes in their organisation. Paul joined the board with a passion to contribute to the Lion Foundation's vision to Lead, Inspire and Empower.

Russell Smith is the clubs Vice President and has been part of the Subiaco fabric for almost 15 years. He is the Founder & Principal Consultant of CSG Marketing and is vital in driving the club and foundations strategic planning. Russell brings innovative, thought driven ideas to the board and is managing our online presence.

Our inaugural partners are Global Roaming Pilbara Foundation and Outside the Locker Room. We acknowledge the support of CSG Marketing who have been vital in developing the vision for the Foundation, setting up our website and the design of our logo. Club sponsor Pragma Lawyers managed the legal registration of the Foundation and continues to provide support. Eleanor Scott, Partner at Holding Redlich Queensland is managing our application for charity status on a pro bono basis, this should be achieved by Christmas this year. Without the support of businesses like these the Lion Foundation wouldn't be in the significantly advanced position it is.

In a season where early on football took a back seat and our future community commitment became a focus, we believe the club is perfectly placed to make a significant contribution to Western Australia and our players in 2021. Combining this and the hunger the players have for further success the Subiaco Football Club will once again set the precedence in the WAFL for leadership and excellence.

# GOLDS REPORT

Ross Lockhart

What a Year 2020 has turned out to be. We started our year with our Annual General Meeting in February with President Mark Lawrence in attendance. We were able to have our March meeting with League Coach Beau Wardman as our guest speaker discussing the upcoming season. Little did we know that then a suspension on all activities around the club due to COVID-19. A small season of eight games commenced in August and we had our first

Golds Player of the month in Benjamin Newton winning August. September Winner was Kyal Horsley. Our Golds player of the year was Max Walters.

My thanks go to the committee members of Golds for their help during the year.

Once again we enjoyed the company of Dee Kitson, President and her members of the Ladies Forum at our meetings. We enjoyed a variety of meals at our monthly meeting. A good arrangement for both groups and look forward to continuing this arrangement next year.

Ron Tester did a great job in organizing the invitation to players to come along to our monthly meetings. He concentrated in endeavoring to getting along new players so they could

get an understanding of what Golds do around the club. We enjoyed the company of Nicholas Martin, Wil Hickmott, Liam Hickmott, Andrew Doyle, Issac Clinch, Lewis Upton and Arron Breman at our September meeting.

Normally in September I travel to Kalgoorlie for the Grand Final. Unfortunately, the Kalgoorlie League did not go ahead this year due to COVID-19 restrictions, so I am looking forward to being able to attend their 2021 Finals.

My thanks go to President Mark Lawrence, CEO Peter Capes, Football Manager Michael Farmer who was of great help on our meeting evenings and Zac Acott. A special mention to our Office Staff especially Teigan Freeman for her assistance with our monthly notices. Special thanks to Debbie King for her help at each of our monthly meetings and also our BBQ Specialist Mike Bailey. Special thanks go to the TRG for their assistance in setting up on the day of our meetings.

Lotto Super numbers is our major fund raiser and to all who supported this, our grateful thanks. We were able to sellout both series of super sixty six which enabled us to raise the funds required to donate \$2000 to the Football Department. Thanks also to all those members who donated raffle prizes for our Dinner Meetings.

Subiaco Golds congratulate Beau Wardman, on his re-appointment as League Coach for season 2021.

To all at Subiaco Football Club, the committee and members of Golds I extend my thanks for their support and wish everyone a Merry Christmas and a successful New Year.

# PPO&S REPORT

Garry Underhill

The Subiaco Football Club Past Players and Supporters Association basically were in hiatus in 2020 due to COVID-19. We were unable to hold Half-Time Functions during the 2020 season but will be back bigger and better in 2021.

The AGM will be held the first Sunday in February 2021 - Sunday February 7th at 11.00 am. Those members who had a paid membership in 2020 can have free membership in 2021 if they desire.

Have a great Christmas and holidays.

# CLUB HERITAGE COMMITTEE

Meetings during the year considered annual awards of Life Membership, Ball Legend and Diehards.

The Heritage Committee was proud to announce Matt Priddis as the 2020 Optus WAFL Premiership Season Subiaco Ball Legend.

Matthew Priddis is a two time Subiaco Premiership player and 2006 Sandover Medallist.

Priddis was drafted to the West Coast Eagles in 2006, becoming a Brownlow Medallist in 2014, an All Australian in 2015 and becoming a West Coast Life Member.

The Heritage Committee couldn't think of a more deserving person to be honoured as the 2020 Ball Legend.

Life Membership nominations of Angelo Porcaro and Clancy Wheeler was endorsed by the club board and submitted and approved at our AGM.

Diehards – This award recognises those "who had significantly contributed to the welfare and perpetuity of the Subiaco Football Club".

Recommendations of persons qualifying for this honour are considered every five years with 5 recipients selected.

Our 2020 Diehards nominations approved by the board were: Mark Lawrence, John Martin, Darren Rumble, Jarrad Schofield and Kevan Sparks.

# LADIES' FORUM REPORT

Dee Kitson

We all know this season has been like no other. Many of us missed the footy until the season was able to commence in July. Such a short season felt strange. Nonetheless, congratulations to the Colts team on winning the premiership for 2020. The game was a joy to watch and having the grand final televised helped many supporters who were unable to get tickets for the game to watch it with enthusiasm. Further congratulations to Kyle Stainsby (Outridge Medallist), Oskar

Matthews (Blakemore Medallist) and Lachlan Vanirsan (Taylor Medallist). A special shout out to the Subiaco Women's Team who finished on top of the table and played well in the final series this year.

The Ladies Forum provides support to the Colts football players to achieve their football aspirations by fundraising for the player's Scholarship and Welfare Fund, promoting friendship and involvement among the ladies at the Subiaco Football Club, provision of Colts player awards and financial recognition of league milestone players.

This year the Ladies Forum continued developing an amalgamation with The Gold's. All members enjoyed working with the Gold's and we hope the amalgamation will continue

to develop further into 2021 so we can continue to support the club.

Whilst we are a small group, we are proud to support the Colt's in whatever way we can. If you are interested in joining us for a meeting and finding out more, they are held on the first Tuesday of the month at 7pm from February to October. Please contact the club for more details. We welcome all new members.

Sadly, due to COVID-19 restrictions, the Ladies Forum were unable to hold their annual fundraising events this year. We were greatly disappointed to not be able to provide the Scholarship and Welfare Fund for 2020. We hope to be able to raise funds in the following seasons to reinstate the scholarship. Fortunately, we were able to provide financial assistance to the Colt's team for the celebratory lunch held following their grand final win. Lastly, it gave us great pleasure to present Jed Kemp with the Most Consistent Player trophy at the Taylor Award evening.

I'd like to extend a special thank you to Jeanne Thomas (Treasurer) who is always available to share ideas with and for all the support from the Gold's on our shared meeting nights. Thank you to Chayce Creedy, Kristian Diction and Zac Acott for their continued support and kindness throughout the year. Thank you also to Mark Lawrence, the board of directors and Peter Capes for your support during the year.

May 2021 be a successful and enjoyable year for all staff, players and supporters.

# LIFE MEMBERS' REPORT

Four-time premiership player Clancy Wheeler and long-time Club supporter and sponsor Angelo Porcaro were announced at the 2019 AGM on Wednesday 1 December, as the newest additions to the exclusive life membership group.

Wheeler was known as a Subiaco Lions fan favourite after establishing himself as one of the most versatile players in the league. Wheeler had won four premierships playing anywhere from the forward line, back line and even the ruck. The Newtown Condongup product has also represented WA throughout his career.

31-year-old Clancy celebrated game 150 against South Fremantle in Round 11 of the 2019 Optus WAFL Premiership Season, before heading overseas mid-way through the season after Round 14. After returning to Perth, Clancy was then selected to play in the

2019 Optus WAFL Grand Final, finishing with a goal, nine disposals, two tackles and three marks.

Throughout Wheeler's career he has played a total of 154 WAFL league games, averaging 14 disposals, 4 marks and 2 tackles while kicking a total of 109 goals in his career.

Porcaro has been a huge supporter of the Club since 1982, assisting the club in organising the Prestige Toyota Sponsorship in 1981/82, as well as being a Subiaco Football Club sponsor himself for the last 20 years commencing in 2000.

Angelo is always seen around the Club and has been a GOLDS member for the past 14 years, including serving a five-year stint on the GOLDS Committee during this time.

You can always count on Angelo to be at a Subiaco game throughout the season, cheering on the boys whether they are playing either home or away.

Both Wheeler and Porcaro accepted their life membership badge at this year's Life Membership Function where they were officially welcomed into Subiaco's Life Membership.

The Subiaco Football Club congratulates both Clancy and Angelo on this very deserving honour.

# INQUIRY INTO THE USE OF STATE FUNDING BY THE WAFC

## SUBIACO FOOTBALL CLUB SUBMISSION [EXTRACT]

In providing this submission, the Subiaco Football Club emphasises to the PAC (Public Accounts Committee) the three (3) most important principles that must continue in WA Football aside from other changes raised or discussed;

1. Football money generated through the stadium arrangements that funds the WAFC cannot be lost to football.
2. We support an independent body like the WAFC to govern football in WA.
3. The WAFC role must change from a program delivery body to a governance, funding and compliance peak body that empowers industry bodies such as the WAFL Clubs to deliver football programs.

This club strongly believes that football stakeholders such as the WAFL Clubs have lost control of the WAFC and have now seen them become a bloated, top heavy and centralised bureaucratic organisation. As such, they are distanced from their community and wasteful of footballs resources.

In addition to that, the traditional community organisations with a strong community links such as the WAFL Clubs have been isolated by the WAFC; and links through their local junior clubs, schools and talent pathway have been removed.

The WAFC must partner with the WAFL and industry organisations to assist deliver programs that not only empowers them but in turn gets them to engage with other community groups. This multiplies the funding on community projects and engages local key influencers.

Our recent experience with the WAFC and their leadership is of an organisation that is very guarded in sharing information; controlling the detail released and never the full picture. Financial details are filtered and often vague. This raises questions about their openness, transparency, accountability and willingness to truly embrace the WAFL Clubs as close partners. Lack of trust is the outcome.

Accountability and transparency are ongoing themes in most interactions with WAFC leaders. The recent salary leak fiasco where they decided on a witch hunt, hiring expensive consultants that appeared mostly concerned with WAFC reputational damage was amazing. No real concern for the innocent staff and football people being accused of "leaking information" to the media, and in the end, no outcomes that we are made aware of – another avoidable but distressing decision impacting trust.

WAFL Clubs are clear that our future relevance, much like our history, is with our local tribe, our community and the local delivery of football. Not only football, but using football as a vehicle to deliver true community engagement and educational and leadership programs.

Some of the other key issues facing WA Football that have been brought to the attention of the WAFC and industry more widely are;

- Minimal resources & funds available for grassroots football through to the 2nd tier competition (WAFL).
- Volunteering for local football is reducing every year, so the cost rises for Clubs.
- AFL Funding is directed to keeping 18 AFL & 14 AFLW teams afloat instead of investing in grassroots.
- Structure in WA is not aligned, it's delivered in silos that do not deliver high performance outcomes.
- Coach development poor given WAFL clubs are not integral to delivery or support.
- Red tape stifling volunteer appears to be increasing year on year.
- Costs increasing to deliver football - Players payments WAFL , Amo's and Country, Coaching costs etc.
- Morale in WAFC reported approaching alarming levels.
- Community understanding of player pathway & WAFL club Relevance within this – due to clubs being removed from community football development.
- Lack of leadership. It's a disastrous indictment of the leadership that the government is undertaking a public inquiry of the WAFC.
- Failed central model. The WAFC has inadvertently continued to suppress WAFL clubs rather than empower them. Yes, this is clearly a significant challenge, but good leadership would break through these barriers.
- Poor culture in the WAFC. The WAFC's internal research, The Inside 50, confirmed a majority of WAFC staff have little faith in the current leadership and no confidence in the organisation. I would strongly suggest that this also mirrors the views of the WAFL clubs. Culture isn't formed overnight. It's organic and develops over time.
- WAFL clubs must re-purpose quickly to survive. Decreasing traditional football revenues including potential WAFC base funding will cause increasing pressure on clubs.
- WAFL clubs continue to rely on the 'last WAFL generation'. Clubs need to build new audiences.
- Ageing and inconsistent WAFL Club facilities – not assisting in the re-birth of community engaging hubs and supporting a strong second tier competition.

# VALE

Subiaco Football Club was deeply saddened by the news of three great Subi personnel passing during the 2019/2020 year.

Life Member and Die-Hard Ron Jarvis passed away in early December 2020.

Ron played 129 games for Subiaco (1952-1959) and captained the Club in 1955. He was described as a stubborn defender and a grand clubman. Jarvis was runner-up in the 1953 fairest-and-best award.

Matt Barber, Subiaco's fitness-guru passed away in October 2021.

Under Peter German, Matt was key in leading Subiaco through their glory years, in a decade that produced four flags, nine top-three finishes and a host of AFL recruits.

The club and the wider-community was saddened by the passing of Jake Ryan in October 2021, after being struck by a train while running in Italy.

Jake played 12 league games and 26 reserves games between 2004-2006 and was part of the WAFL Reserves Premiership winning team in 2005.

Peter German coached Jake while at Subiaco from 2004 to 2006.

"He was the life of the party, he was outspoken, he was passionate, he was caring, he was popular," he said.

"When you think of Jake, you can't help but have a smile on your face, how he lived his life (to the full)," said German.

Our deepest sympathies go out to all three families and friends.

# RETIREEES

## FINAL SIREN SOUNDS FOR TWO PREMIERSHIP STARS

Subiaco Premiership star members Ben Newton and Rhys Waters are set to call time on their respective careers after a total of 142 League games for the club.

Ben Newton was drafted by the Port Adelaide Football Club with pick 35 in the 2010 National Draft, playing four games between 2011 and 2014. Newton was then recruited by the Melbourne Demons, where he played 13 games in the 2015 and 2016 seasons before calling time on his AFL career and joining the Subiaco Lions.

Newton quickly established himself as a star midfielder of the WAFL competition, averaging 18 disposals and nearly a goal a game across his 34-game League games with the club. Originally recruited by South Fremantle from the Mundijong Junior Football Club, Newton became a two-time Premiership player for Subiaco in 2018 and 2019.

Newton starred in the 2019 Grand Final win against his old club; amassing 25 disposals and kicking a goal as the Lions won their second consecutive premiership and asserted themselves as one of the most dominant teams of the recent era. Newton played every game for the club in the 2020 Season, averaging more than 16 disposals per game as he continued to perform his role strongly.

Rhys Waters was originally recruited from the Sorrento Duncraig Junior Football Club, coming through the Subiaco Football Club u14's development program and debuted for the league side in 2011.

Throughout his footballing career, Rhys also represented WA in the WA State Nationals 18s (2011) and WA State Nationals 16s (2009).

Waters played 108 league games for Subiaco across nine years; kicking 138 goals and averaging just under 13 disposals per game.

The 26-year-old finishes his time at the club as a triple-Premiership player in 2014, 2018 and 2019 while also playing in the 2016 Grand Final loss.

Both players have been a part of a very successful period for the Lions and the club thanks them immensely for their services, wishing them all the best in their future endeavours.

## HORSLEY HANGS THEM UP

Multiple Premiership player and four time Outridge Medallist Kyal Horsley calls time on his career following the 2020 season after leaving a lasting legacy at the Lions.

The powerful midfielder calls time after 207 games for Subiaco across 12 years in the WAFL.

The 33-year-old was an outstanding sportsman in his youth in cricket, hockey and football, making his senior debut for the Kalgoorlie City Football Club when he was just 16.

Horsley debuted for the Subiaco Football Club in round 16 against East Fremantle in 2007, hitting the scoreboard with two goals and finishing with 21 disposals.

Kyal Horsley is undoubtedly the greatest Subiaco and WAFL player in the 21st century, winning five of his nine grand finals, recording three second-place Sandover Medal finishes to record a total of 241 Sandover votes; whilst also winning four Outridge medals and a Simpson medal in the 2017 Grand Final v West Perth.

In 2012, Kyal was selected by the Gold Coast Suns with their pick #2 of the rookie draft, before being elevated from the Rookie List. Horsley played 13 games for the Suns in his debut year, being awarded the "Most Professional" and "Iron Man" Award at the club's best and fairest.

After averaging 16.6 disposals a game for the Suns, Kyal was delisted by the club after enduring a mid-season ACL injury in 2013.

Throughout his Subiaco league career (2007-2011 and 2014-2020), Horsley amassed a massive 4,772 disposals (ave 23 disposals per game), 608 marks, 656 tackles and kicked 116 goals.

Horsley has had an influential impact on the Club across the past 12 years, bringing a new standard of professionalism and team culture; setting the benchmark for future years. During his time at Subi, Kyal was able to show both his strong leadership styles and passion for football which lead him being a part of winning five WAFL grand finals.

Horsley is the third Lion to retire in 2020 after Rhys Waters and Ben Newton.

The Club wishes Kyal all the best for his future endeavours.

# DISTRICT FOOTBALL REPORT

Season 2020 was one unlike any other and will be one remembered for many years to come. It was always set to be a ground breaking season with the move to a simpler governance structure with enhanced competition management, however just as quickly as the season began it was suddenly placed on hold as COVID-19 began to impact our Community.

In March the idea of reaching Grand Final Day 2020 seemed an impossibility with the season placed on hold and WAFC staff stood down. For several months our dedicated Club Presidents and their Committees were challenged with the task of maintaining a connection with their players, families, coaches and volunteers through virtual means only. Without the possibility of physical contact or training groups our Clubs had to reimagine how football can connect with the Community and our Clubs did a sensational job of thinking outside the box.

As the pandemic continued to evolve restrictions were slowly lifted and we were given the green light to recommence group training - much to the delight of thousands of players who had also missed not only training with footy friends but also attending school. Thanks to the hard work, flexibility and dedication of the WAFC staff, Club Committees, officials and umpires we were able to hold a successful season – albeit a slightly shorter one than normal.

Season 2020 required significant resilience and patience from everyone involved and those efforts are certainly valued and acknowledged. As a result of the efforts, the Metro North region achieved a 98% player participation retention rate. When many other winter sports faced significant declining player numbers and volunteers, this is an incredible achievement in an unprecedented year.

## **2020 HIGHLIGHTS INCLUDE:**

- 98% of players retained following COVID-19.
- Sorrento Duncraig JFC volunteer John Sobolewski named as WA Finalist for Community Club Volunteer of the Year (based on his nomination in 2019).
- Stirling JFC volunteer Mimma Rombola named as WA Finalist for NAB AFL Auskick Volunteer of the Year (based on her nomination in 2019).
- Lions District umpire Ryan Harrison named as Subiaco Umpire of the Year and Metro North Region Umpire of the Year
- A completed Female Football pathway, with the introduction of a Year 11/12 Youth Girls competition.
- Subiaco District clubs once again took part in the Sock it to Sarcoma! round together with Claremont and West Perth Clubs collectively raising more than \$15,000.00 dollars for Sarcoma research.
- Quality Aboriginal football programs with record participation in the Kirby Bentley Cup and Nicky Winmar Cup led by Lisa Cockie and Matt Debarro.

We have been blessed in the Subiaco District to have the outstanding level of professionalism shown by all of our Clubs Presidents and their respective committees. Their tireless work and desire to embrace the Lions District culture and all it stands for is one of the reasons we can provide the outstanding competition we have for our players today and working to develop quality clubs within the community. Thank you to all of our Presidents and particularly to those that have reached the end of their presidential journey, we wish you all the best.

Without Umpires we would not have a game and they do a fantastic job in what can be a very challenging environment. In the Subiaco District we have been very fortunate to have the quality of Umpires we have, and this is a credit to the Umpire Management and Coaching group that is in place. This season the quality of our Umpires was on full display with Ryan Harrison awarded the Lions Umpiring Group Golden Whistle award, the peer elected Umpire of the Year award as well as the Metro North Umpire of the Year award. Ryan has been a member of the Lions Umpiring group for the last four years and quickly solidified himself as a leader within the squad. The example set by this young man is one that fully embodies the exemplary Lions District culture.

Whilst this season was the first to operate without the Subiaco Junior Football League's Competition Committee, volunteers still play an enormous part in the running of our game. Thank you to our passionate Match Day Volunteers Rosemary Goodin, Ray Buscall and Ian Brotherton who continue to provide support and guidance to teams, coaches, parents and players ensuring a wonderful game day experience for all. They continue to provide valuable knowledge and experience to improve our game and are highly valued volunteers within our Community.

Volunteers play an enormous part in the running of our game however behind the scenes, our WAFC team members put in an enormous amount of work. 2020 has been a difficult season for our staff with not only being stood down early in the season but then having to get a season back up and running in a very short time frame. Thank you to our passionate team of staff. Football is more than employment, it takes a real passion to do what you do both during and after business hours for local footballers, volunteers and stakeholders and the Subiaco District are incredibly fortunate to have such a selfless and hardworking crew.

In what has been a difficult and disjointed season filled with additional challenges and responsibilities, we congratulate all award winners and premiership teams for their wonderful dedication and commitment to their important role in community football. 2021 will hopefully see the return to a more traditional season but we hope all volunteers take the opportunity to enjoy a well-earned break from football! Before you know it, the 2021 season will creep up on us again so stay safe and enjoy your break.

## **2020 FAIREST & BEST**

**Danika Pisconeri (Subiaco Women's FC) – WAWFL**

**Lachlan Vanirsen (Subiaco FC) – Colts**

**Matilda Bennett (Kingsley AFC) – Women's C1 Division**

2012	Wayne Morling
	Kevin Hill
2013	Rosemary Goodin
2014	Luke Sanders
2016	Gavin Oliphant
2018	Ray Buscall

# LITTLE LEAGUE REPORT

Firstly, I would like to thank Peter Capes and the Subiaco Football Club for providing me the opportunity to perform the Little League Manager's duties again this year, which I was only too happy to do as this has been my 25th year in the job. As far as I'm aware, we were the only WAFL Club that provided the opportunity for Little League this year and as always, it's great to be able to put smiles on these kids' faces.

All of our junior metro teams were represented over the four weeks that we had home games. This meant that about 160 juniors took part in Little League during this compressed season. Being such an unusual season, and to work in with the Covid-19 policies to cater for social distancing, we split each team into four different groups to enable the juniors to experience different areas of the home ground. One group would visit the reception area to see the memorabilia of the Club's history where Teigan was only too happy to oblige and answer any questions. A second group would take a tour with my grandsons, Blake and Tyler, into the grandstand and passed the coaches' boxes, while the third group was watching players warm up and the fourth group was taken into the medical room by Tania who discussed the goings-on. Thank you to these ladies for your special efforts.

None of this would have been possible if it wasn't for Beau Wardman allowing us to socially distance ourselves from the League players in the changerooms. Thank you so much to Beau and to the Support Staff who allowed us to continue our tradition. We kept away from the players as much as possible but were still able to see their warmups and of course, form the guard of honour which provides an exciting experience for the junior players. Thank you to the Reserve players for joining us in the guard of honour.

I'd like to thank Justin Langer for giving his time to speak to the junior players during the first home game. This was Justin's only opportunity to attend a Subi game this season. He's always only too happy to have a word to the Little League players and to share his pride in our Club. As that first home game unfolded, Matt Priddis, our Football Legend for 2020, offered to also address the junior players. It's such a thrill for the kids, and their parents, to have these sporting legends speak to us, both of whom had played Little League back in their day.

Home games 2, 3 and 4 saw Peter Capes approach me with the offer of two \$50 vouchers donated by Rebel Sports, to be presented to Little League players on the day. I decided to reward the most enthusiastic player from each side/team, thus presenting two vouchers at each home game. This was really well received and appreciated by the players and parents. A huge thank you to Rebel Sports on behalf of Subiaco Little League.

My sincere thanks to Mark Lawrence along with the players that were injured throughout the season and made themselves available to talk to the kids during the second quarter of each match. We appreciate your time.

Whilst all of this was done differently this year, we all know this has been a very different year but we were able to continue with our Subiaco tradition of making a positive impact on our junior players and their parents.

Thanks to all our Subi supporters.

Hilly 100% Subi

# GAME DAY ENVIRONMENT

# HOLMAN

## Let The Night Shine!

### RGB Colour with Inbuilt Transformer

# Garden Light Wi-Fi Controller

The new RGB Colour Wi-Fi Garden Light Controller allows anyone with a smartphone and Wi-Fi access to control their garden lights from anywhere on the globe.

- ✔ Control colours, scenes and schedules
- ✔ Works with Google Assistant and Alexa
- ✔ 12V DC safe install
- ✔ 60W lighting capacity
- ✔ 4-Pin Plug & Socket Connection
- ✔ No electrician required
- ✔ Compatible with existing lighting systems
