PRESIDENT REPORT

OVERVIEW OF 2016

2016 presented many challenges for our club both on and off the field however in true Swans spirit everyone put their shoulder to the wheel to ensure our club achieved the best possible outcome.

As we continue our rebuild and rise back where we belong as a club it is humbling to see the passion displayed by all and sundry within the Swans fraternity. The loyalty and commitment shown by our amazing sponsor's year in year out is second to none and the club sincerely thanks each and every one of them for their past and future support. Our members, supporters and fans are truly the most loyal and passionate within the WAFL. The Board, Staff and Players acknowledge your commitment to your club and we will continue to do whatever we can to make your association with this great club the most enjoyable possible.

2016 was another year of financial consolidation and even with a significant hamstringing injury (rain 9 out of 10 home games) we managed to have a solid year. Although not as good as we had hoped for, through the support of our sponsors, supporters and fans we turned what could have been a very tough year into one where we can reset and look forward to 2017 with great enthusiasm.

To continue our recovery though we need all our Sponsors, Members and Supporters to get on board again and join our march back to the top of the WAFL once again.

I would like to congratulate all teams at Swans on your efforts throughout 2016. Although not much success on the field with our senior teams our Colts again reached the finals which is very encouraging for our future. Congratulations to our Swan Medallist Matt Riggio who secured his second Fairest and Best award in 2016 with another outstanding season. Reserves Medallist Ben Whitsed; FA Sweetapple Medal and Colts Medallist Tobe Watson; EJ McMannus Medal well done and we are all looking forward to watching you reach your potential in 2017. I will make special mention of our departing Colts coach in Trent Cooper who leaves us with our blessing to further develop his coaching credential elsewhere. Trent coached our Colts to a premiership and into finals in all of his years at the club which we are forever thankful for. In addition to Colts success Trent has prepared a significant number of our future champions which we are seeing now and no doubt will continue into the future.

Another important achievement at Swans is the continual rise of women's football both at state level and on the AFL stage. At Swans we are extremely proud of our women's teams and also proud that our club leads the way in this arena not only at WA state level but also National level. It has taken a while for the AFL to catch on and it is sure to be an exciting period in football Australia wide. Congratulations to our Swans League girls who continued their dominance of the league with their third premiership in four years and our reserves and youth girls on another fantastic season. Congratulations to all the girls selected to play in the inaugural AFL women's competition to be launched in 2017. Kellie Gibson, Chelsea Randall, Kara Donnellan, Kirby Bentley, Ebony Antonio, Ashley Sharp, Taylah Angel, Stephanie Cain, Akec Makur Chuot, Emily Bonser, Stacey Barr, Tarryn Priestly and Jacinda Barclay, well done and I am sure you will do yourselves and the Swan Districts Football Club proud.

The Bassendean activity centre development, of which Steel Blue Oval forms a part of, continues to develop and input from a vast array of community minded people have guided the direction. There are many and varied views as to the best way moving forward but we as a football club will continue to strive to ensure we have the ability and infrastructure to continue providing outstanding community outcomes. Thank you to the Town of Bassendean for your continued support as a strong community partner that enables us to continue to deliver the many positive social benefits our programs provide.

THE CHALLENGES AHEAD

2017 promises to be a very exciting year indeed with our club continuing to investigate opportunities to underpin our future. Off the field we still have a long way to go to reach our goals but rest assured, your elected representatives and staff are as committed as ever reflective of the same commitment displayed by you, our loyal members and supporters.

A full review of football in WA is currently underway and the outcomes will no doubt present some more challenges. The AFL system is one mighty beast but the WAFL, its history and its place in the Western Australian Football landscape must be preserved, respected and protected. The WAFL provides an arena for young footballers to hone their skills in a semi-professional environment competing against the best talent available and must not only survive but thrive.

More will reveal itself as the months roll on but the SDFC is committed, as always, to protecting the integrity of the WAFL at every opportunity.

There are far too many individuals to mention everyone but I will take this opportunity to sincerely thank our Board of Directors for the unbelievable amount of time they put into the overseeing of our club. An organisation such as Swans requires expertise in so many areas and we are extremely blessed with such an accomplished group of people. As with all volunteers the reward is simply having the opportunity to be involved with an organisation that means so much to them all.

To all our staff, thank you for your continued hard work and commitment. All of these people just love being involved in football, and in particular Swan Districts, which makes it very easy on everyone as the rewards both on and off the field are enjoyed by all. Our volunteers in all areas again thank you very much, your commitment, passion and loyalty is certainly what makes any great club such as ours to be that way.

I would also like to acknowledge on behalf of the club the amazing work done by our coterie groups who never waiver no matter what obstacles are faced. To The Swansmen, Past Players and Officials, Life Members and the lovely ladies who continue to provide amazing refreshments thank you all so very much.

Finally to our players who in 2016 faced challenge after challenge from before the first bounce. Even in the face of extreme adversity week after week you displayed the character and never say die attitude we are accustomed to at Swans. A mix of experience and youth that was the envy of all other teams as they realised we were not far off the pace and will get better very quickly. Your perseverance will be rewarded as we look at where we are going next season so thank you all for your efforts and we cannot wait for 2017 to begin. Welcome back to some of our favourite sons who return to us after careers in the AFL system and we thank you for your loyalty as we build for an amazing future period.

From myself and all at Swans we wish you all a very merry festive season with your loved ones. Be safe and we look forward to cheering alongside you in 2017 as we strive to rise up the ladder with a real sense of excitement of what lies ahead.

CEO REPORT

Dear Members,

When looking back at the 2016 season, there were many things that didn't go well for us. One of the wettest football seasons in a very long time, which featured just one 'dry' home game out of 10, was compounded by our poor on field performance in winning only two games, along with a consistent sprinkling of injuries to key players across the season, giving us very little continuity. Although we are keen to put 2016 behind us and move towards a satisfying 2017, we are pleased to announce our third consecutive year of profit which was a fantastic performance given some of the issues already mentioned.

Key items that contributed strongly to the financial performance;

- Hosting the A & B grade Amateur Grand Finals at Steel Blue Oval compensated for the lost opportunity due to wet home games throughout the season.
- Expenses were well managed with supplier contract renegotiations realising costs reductions
- WAFL raffle was again a strong contributor
- AFL draftee transfer fees from SDFC players selected was high.
- Significant increase in Development squad player's fees
- Swan Districts Sports Clinic profit distribution result above budget

The current economic environment is well reported and we have seen examples of local business in real decline. To be able to exceed our sponsorship targets for the year was a superb performance from everyone involved and reinforces the staunchness of our corporate partners. Thank you to each of you for continuing to contribute toward our goals; we can only put together a strong football program, including coaches and up-to-date equipment, with the financial support our sponsors provide.

BUSINESS DEVELOPMENT

Peter Snow has updated you in more detail in his report, however it is important to note that the redevelopment of Steel Blue Oval is still very much a priority for the club and we are confident of getting a satisfactory result for the future of Swan Districts Football Club. The Capital Works and Strategic Investments Committee, chaired by Peter, will continue to work with Town of Bassendean and the State Government to ensure we are well catered for and sustainable into the future.

GENERAL

Our club staff does an enormous amount of work for Swan Districts and these people need to be acknowledged and thanked for another great contribution in 2016; Rick Anderson, Ross Leipold, Jenny McBride, Hannah Botica, Jim Dougan, Claire Woodward and Lucy Atkinson provide the backbone of our operations and have been a pleasure to work with in 2016.

Presidents John Rowe (PP&O) and Des Hardiman (Swansmen) and their teams continue to provide an enormous amount of support for the club both financially and in human resource assistance. Thanks once again to each of our coterie groups for your unwavering passion for Swan Districts Football Club.

Finally, I say goodbye to everyone involved with this great club with the genuine hope that 2017 will be everything it promises to be for Swan Districts Football Club. When that happens, credit needs to be given to our football department led by Phil Smart, Greg Harding and Steve Thomson and the strong direction of the Board over the last 4-5 years. The 'Develop our own and Growth from within' philosophy is starting to see results, as we welcome back Swan Districts locals making their way back from the AFL. Each of these young men could have played for other clubs for more money, however chose to repay the club by returning to ensure we are successful. This wouldn't happen without a terrific environment being created.

Some of the best people I have met in football have been here at Swans over the last 5 years. Whilst hoping to not miss anyone, I feel the following people fall into that category and need acknowledgment and thanks. Lindsay Armstrong, Ken Bagley, Ralph Cipro, John Cooper, Ross Fitzgerald, Kevin Gartrell, Peter Hodyl, Bruce Robinson, Brad Shine, Keith Slater, Bill Walker, and Ken Wyatt, along with long time staff Greg, Phil, Steve, Nicole Graves and Jim Dougan have been a great source of support and have all contributed strongly, both during and well before my time here at Swans. Longer term Board members Andy Holmes, Jim Benson Peter Snow and Paul Rosair have also been a great support during my tenure so I thank each of them for their contributions in getting the club on track and operating well.

A lot of hard work has gone into getting Swan Districts Football Club back into sound financial shape and ready to launch into the next era of on field strength. This club gave me opportunity to be involved in football fulltime and allowed me to continually endeavour to grow and develop personally. For that I will be forever grateful. All the best to each of you.

Tom Bottrell
CEO

FOOTBALL MANAGER REPORT

Season 2016 was in the end one of disappointment for our league team. There were varied reasons for this. The loss of players late into our planning to the AFL and injuries were some of those but bluntly we just did not perform well enough. We promoted some young players to give them a taste of what to expect as the season progressed. Swans had a large number of debutants and were the youngest team in the competition and had the highest percentage of home grown talent in the league. The club will continue down the path of "developing our own and promote from within with selective recruiting". We will not deviate from this if the club is to remain viable in the short and long term. This does not mean we will not have experienced players join our club. In 2017 we welcome back David Ellard(Carlton), Clancee Pearce(Fremantle), Jamie Benell(West Coast), Corey Gault(Collingwood) and Ryan Crowley(Essendon).Our playing list will be in a stronger position in 2017 with the above players returning and the continued development of our younger players.

Our coaches led by Greg Harding have continued to push strongly the development of our youth as our list has transitioned and that should be commended. We have put together a strong list of coaches for 2017. Led by Greg it will include Xavier Ellis, Steven Armstrong, Andrew Pruy, Andrew Harman and Percy Johnson. Graeme Hadley will become Chairman of Selectors after retiring from the AFL. We lose Trent Cooper to Wesley Curtin in the Amateurs and wish him every success.

Steve Thomson, the clubs Talent Manager, oversees all our programs in our Academy. Swans are very fortunate to have somebody like Steve in this role as he continues to work with our district youth in a very diverse way.

V Swans is a leader in its field and Nicole Graves(General Manager) continue their outstanding work for our young people. The support they give the Football Department is invaluable.

Farewell to Tom Bottrell who will return to South Fremantle as CEO after having a long playing career there and strong family association over many decades. I would like to thank Tom for his guidance, fairness and honesty over a difficult period in the clubs history.

The Swan Districts Football Club Board led by Peter Hodyl continues to work hard to steady the ship and look for new business opportunities for the club. The club needs a united Board to continue to promote our club at all levels. To Peter Hodyl and Andy Holmes who are members of our Football Affairs Committee thank you for your support.

To our many volunteers across the club I say a big thank you for without you I can truly say the club would not function at the level it does. We look forward to rewarding you with a successful 2017!

Phil Smart
Football Manager

V SWANS REPORT

V SWANS SOCIAL MEDIA AND WEBSITE DEVELOPMENT

V Swans are dedicated to sharing our message and we have embraced a technology format to ensure we stay relevant with our participants and their families. Social media is one of main communication tools and our digital footprint is now vital component of the business. This ensures that our participants, families and the greater community share in our program wins and that of our brilliant participants. V Swans is now boasts 5 regional Facebook sites, Instagram and Twitter and the relaunch of our new V Swans APP and games centre will be coming early in the new year. We use this technology to share the story and to engage our young people into diverse education outcomes through innovative and best practise mechanisms.

V SWANS HEDLAND AND NEWMAN

With the mining down turn many community and education development programs in our Pilbara region have ceased to be supported, but with the ongoing support and commitment of BHP and the Department of Prime Minister and Cabinet our programs have once again shone with full classes in all levels from year 7 to Year 12 and both Hedland and Newman Snr High Schools.

This year over 50 young people gained their Certificate II in Sport and Recreation and their Level 1 Coach Accreditation. In September, we said goodbye to Chelsea Randall as she embarks on her AFLW journey being drafted to the Adelaide Crows, Chelsea spent the last two years in our regional office in Newman after 5 years based here at Head office. She was a revelation for our Newman participants and will have a lasting effect on our programs for many years to come. We welcome into that role Paul Pitchers, Paul brings a new element to the region and program and has fitted in beautifully with the team since Chelsea's departure.

We would also like to thank our Kicking Goals Program partners, the West Coast Eagles, for their continued support and regular player visits.

V SWANS ONSLOW

Onslow is fast becoming one of our most diverse program regions. From an education and participation program in Primary School only 3 short years ago, this region now boasts education based programs from Kindy/ Pre-primary right through to year 12. With all high school students again completing a Certificate II in Sport and Recreation.

2016 We also launched the V Swans Early Years Programs supporting early years' development from new born to 5 years of age. I would like to thank Amanda Meyers and our Regional Manager Sarah Wright for their amazing efforts to build these vital programs and support mechanisms for the community under the V Swans Brand.

With the ongoing support of the Chevron-Wheatstone project, we are very pleased to announce and additional 3-year partnership to be signed in

V SWANS REPORT

ROEBOURNE REGION

After a few years, not being represented in the region we once again set up base in Roebourne thanks to the Dept. of Prime Minister and Cabinet and the Dept. of Corrective Services. SDFC champ Beau Macdonald joined V Swans to Manage this region and we were very lucky to have his experience and knowledge.

Ironically Beau's biggest program is not Football but Basketball, using Basketball as the tool for engagement Beau delivers our VET program to the High School Children at Roebourne School, whilst supporting local participation in Football, Basketball and other engagement activities for the whole Roebourne community. Beau also delivers the V Swans New Horizons program at Roebourne Regional Prison and oversees our Pilbara based High Performance programs 'Strength 2 Succeed' throughout the region including Karratha and Wickham.

Beau's vast game knowledge and coaching experience at AFL level has been a fantastic asset to the region and to our business.

OTHER ACKNOWLEDGEMENTS

Once again, we must continue to thank our amazing partners that fund these programs and provide valuable guidance to our staff and management. It's your long-term contributions that provides ongoing sustainable outcomes to the regions and we appreciate the extended support your staff provide in volunteer hours and mentoring.

Thank you to the SDFC administration and District staff who are just as driven as my team to ensure this club and business delivers quality environments and outcomes for all our participants, members and supporters. And literally to our 1000's of volunteers, participants, families, teachers and community member's thanks for supporting our brand and encouraging your children and community to be involved in Active Education.

Finally, to the most amazing group of staff, who give much more of themselves than anyone would know, they don't just deliver a program they support a whole community, they are driven, dedicated and work tirelessly to ensure we deliver what we say we will and for putting up with a pretty demanding boss - They continue to be the life blood of the organisation.

Nicole Graves

General Manager - V Swans

the coming weeks that will see this program continue to grow and a partnership with the miner of 9 years. With all this new programming, has come many new partnerships and we would like to thank the West Pilbara Communities for Children and Regional Development Australia for their support in the Early years and child numeracy and literacy areas of the business and the Shire of Ashburton and the Pilbara Development Commission for their support of the new Youth and Community Development programs.

But one of the most exciting outcomes for 2016 was finally the start to the V Swans Youth Centre facility building. This facility has been six years in the planning and is finally at lock up stage with final internal furniture and technology going in over the Xmas period. A very special thanks to LotteryWest and Chevron for their ongoing financial support and to Telstra for providing a host of technology free of charge to make this building one of the most advanced youth spaces in WA. But most of all we must thank all our local contractors that have worked tirelessly to make this vision a reality. Thanks to John and North West Builders, Mel and Dice Electrics and Colin and Munroe's Contracting for all your support and advice. This will truly be an asset to the Onslow community and has taken many local trades and business to give their time and expertise to make it happen.

V SWANS NEW HORIZONS: 2016 SEASON REVIEW

A fairy tale start to the 2016 season for the New Horizons - Black Ducks, with a 8-0 start, some incredible team football, and memorable wins to kick start the first half of the season. The second half set the team a few challenges, which made match day a little trickier than usual. However, every player in the squad stepped up and ensured that the Black Ducks were still the team to beat in 2016.

I would like to make a special mention to all the support staff this year – Jono, Ebony, Kirby, Graeme, Wayne and Crossy - without the help from them inside and outside of Wooroloo & Wandoo this program wouldn't be anywhere near as successful, professional, and smoothly run as it is. A big thanks to Tommo and Tom for standing in as coaches for a few games throughout the year, to Stiffy and Stav for coming down to training throughout the year, the boys absolutely loved it and learnt so much from you both. To Oggy and Steve for all their support and help behind scenes, it's very much appreciated.

To the boys in the program that were unable to get their S95's thanks you for continuing to stick it out and continue train, without you we wouldn't have had the numbers down at training each week. You're only as good as your squad, and due to all your hard work at training pushing yourselves and those around you, that's why we were so successful.

To the boys who were lucky enough to pull on the black and white jumper this year, thank you for making my coaching experience one that I won't forget. I am very proud of the blokes who were granted parole, with some coming back and others starting a fresh new life. A lot of different factors throughout the year made it tough and challenging at times but overall a very rewarding and enjoyable year.

Besides a few bumps and hurdles in the road the squad had to overcome, the team culture and spirit never dropped, and each member of the team showed the importance of the V Swans New Horizons Program which was much more than a game of football. Each member of the program who had the honour of wearing the black and white jumper wore it with great respect and pride in front of friends and family each weekend. To finish the year in the top 4, was a fantastic accomplishment after the many barriers we had to overcome as a group. I am one very proud coach and very grateful I get the opportunity to coach and mentor a great group of men each week.

I'm excited for what lies ahead for season 2017 and look forward to the future outcomes of the program.

Kara Donnellan

V Swans High Performance & Justice Manager

OPERATIONS REPORT

Having only been in the role of Operations Manger since August, it has been quick for me to realise what a fantastic club I have lobbed at. A passionate and dedicated group of people working hard to see the Mighty Swans back where they belong as a strong club both on and off the field.

The support I have received from CEO Tom Bottrell and the operational staff of Jenny McBride, Hannah Botica, Jim Dougan, Lucy Atkinson, Claire Woodward, George Stamenich and other Swans staff and board members in making me feel welcome has been fantastic.

With the news of Tom heading to South, a club where not only he but his family have a long association is understandable but the loss of a person of his quality is certainly going to be missed. I wish him luck in his new role.

Our loyal supporter base of sponsors, members and supporters hating the fact that it was such a poor season in 2016, are more determined than ever to get behind the club to turn things around quickly. The work of the football department and in particular Phil Smart and League Coach Greg Harding in their successful recruitment of some top quality footballers to add to the talented group of youngsters coming through along with the addition of some great coaches has seen some real energy and excitement around the club and all looking forward to 2017.

Congratulations to our Women's team for taking out the premiership and special mention to Nicole Graves, Cheryl Thomas and Kara Donnellan for their outstanding work not only with the Women's teams but also V Swans.

My focus since being in the role is to have a strong focus on 2017 and beyond in ensuring we work hard to build on our sponsorship and membership base. Also look at how we can better utilise our fantastic rooms upstairs for functions, how we can engage our

sponsors, members and players partners and families more, how we can make our President Luncheons more inviting and overall make Swan Districts Football Club a place where everyone wants to be.

A real focus on building up our Judda Bee sponsors for 2017 has been enhanced by Darryl Crotty jumping on board to help promote. Darryl has been involved with Swans for many years and he has once again put his hand up to help so we thank him for doing so.

To the Past Players Association and the Swansmen who continually get behind the club with great support on game days and club events. Our volunteers cannot be overlooked as they provide tremendous support with special thanks to Desi O'Kane who along with her band of helpers do an outstanding job in the canteen on game days. Our kitchen guru Kathy provides meals upstairs on game days and looks after the colts after training with a great feed and also breakfast for the local rotary club for their weekly Friday gathering. Thanks heaps Kathy for an outstanding job.

This year we successfully hosted the A and B Grade Grand Finals at Steel Blue Oval which attracted some big crowds. The weather was kind and after a disastrous year for weather, it was a welcome relief. The Reclink Cup, a number of junior development games, the Maali Cup, GM Motor Show and the Schneider Electric Christmas function on the oval saw Steel Blue Oval well utilised in 2016.

To the Town of Bassendean for their support and work they do at Steel Blue is much appreciated.

Hope everyone has a great Christmas and I look forward to 2017.

Ross Leipold
Operations Manager

ELIMINATION FINAL	Sun, 4 Sep - Bendigo Bank Stadium	
	SWAN DISTRICTS	EAST PERTH
COLTS	11.9 (75)	13.9 (87)

LEAGUE REPORT

2016 tested everybody's resolve at the footy club, even from well before the start of the season. Our planning in November got a real shakeup when new recruit Ryan Crowley was whisked away into the AFL, and then club superstar Ryan Davis received a lifeline by the Gold Coast Suns.

Our pre-season was strong across the summer, and we were extremely confident that we could produce a competitive season. Unfortunately, from the first bounce of the year we had to endure some serious adversity. Nathan Blakely landed awkwardly in the middle of the ground and tore his ACL which ended his season. This was quickly followed up by serious injury to two more of our boys and we limped our way to a 8 goal loss against East Fremantle.

In the build up to the game young Kirk Ugle had suffered a horrible family loss that he had to fight his way through, and following Round 1 we lost Murray Newman to unforeseen family circumstances.

After a win versus Claremont in Round 4, Jake Nuich had to take leave due to a cancer scare and the ensuing treatment didn't see him return until very late in the season. Jarred Blight didn't last much longer after breaking his leg in Round 5, and Aaron Elari went to bush footy at the end of Round 6.

In 22 years of WAFL and AFL footy, I have honestly never seen a string of events adversely alter the course of a clubs fortunes like the ones we encountered this year.

However, the difficulty we faced again provided opportunity for our young kids. We had 16 debutantes this year and all of these emerging talents showed signs that they can play high level WAFL footy in the future.

The exposure that these players received was critical. There's nothing better for the development of young footballers than to be exposed to a higher level. It is on the job tuition that tests every area of physical conditioning, skill execution and mental application and the lessons learnt will hold them in great stead in years to come.

The experience gained has sharpened the focus of our players in regard to what they need to work on the most, and that will drive them across the pre-season.

There's no doubt that we lacked stability this year on a week to week basis. With so many young players coming into the system we suffered periods of poor concentration and without a depth of senior players consistently on the park to provide strength, we were often blown out of the water in a short space of time.

We had many, many games where we had 3 strong, competitive quarters only to bleed goals quickly in short succession. It's these periods when experience and leadership is most important, and it's this area that we've been able to significantly add to in the off season.

The addition of Clancee Pearce, Dave Ellard, Jamie Bennell, Corey Gault and Ryan Crowley sees almost 500 games of AFL footy experience come into the mix. These players will provide amazing examples in regard to professionalism and preparation for all of our developing players. Our youngsters are strong, and with added stability we will see them progress even further in season 2017.

Well done to Matt Riggio who became a two time Swan Medallist and to all of the other award winners. Congratulations on all your hard work.

Finally I want thank all of our staff, our volunteers and our members for their unwavering support throughout the season. We understand that you ride the highs with us, and seasons like this with so many lows can be excruciating to watch. Throw in the wettest, coldest winter in decades and it made coming the footy tough going.

We are looking forward to repaying the support of our loyal fans by bouncing back quickly. We are certain that when we put our returning experience around our talented kids, the wheel will turn really quickly and the climb up the ladder will be rapid.

Greg Harding
League Coach

SWANS STATE REPRESENTATIVES
Geoff Valentine (asst. Coach) Matt Riggio & Tony Notte

RESERVES REPORT

2016 is a year best described as inconsistent for the Reserves side. Our aim was to back up a successful 2015 campaign which saw the side not only develop a number of players into strong senior squad contributors but reach the Grand Final as well.

The challenges faced with a young group of men learning their craft and attempting to implement it week in and week out were compounded by a variety of injuries, as well as inclement weather which made it difficult to implement a game plan that was intended to showcase the hard running and skilful nature of our players. Most weeks we were forced into a hard, in and under style of football against more seasoned and physical bodies. We quickly identified our major weakness was our mental ability to stay focussed as a group for large periods of time and week in, week out we attempted to minimise the periods within games where we were dominated. To the player's credit, the last 3 rounds saw our best, most consistent and more importantly, most team oriented football of the year. 3 wins to finish the season was a good reward for a long, hard year.

Moving on to 2017 it is important that we learn from the mistakes made in 2016 without dwelling on them as negatives. We have a strong spirited and young group that can improve markedly in a small period of time. 2017 will see a strong focus on implementing thoughtfully calculated individual training plans in order to maximise each player's strengths and improve their weaknesses. We will be entering a year where the majority of the players in the senior squad will have had at least 2 years exposure to the level and we anticipate that the growth of the players physically and mentally combined with an increase in their football knowledge to be significantly improved.

Reserves football is about learning what is required to make it at the top level and for many players it is a steep learning curve

on how to prepare physically and mentally in order to perform at an elite level every week. In 2017 we hope to create the optimal environment to create the best future Swan Districts League players possible.

As with any club there are many people put in a mountain of work for nothing more than to see the Swan Districts Football Club succeed. This makes it so easy for the players to focus on their football and for a coach to focus on coaching.

On behalf of the players I would like to thank Gary Rowlinson our team manager, Daryl Crotty our runner, Dave McKay our bench coach and Daniel Wulff our forwards coach as well as all the support staff within the club.

On behalf of myself, thank you to Greg Harding, Phil Smart, Steve Malaxos, Trent Cooper, Steve Thomson, Percy Johnson and Graham Hadley for providing me with immense amounts of support and passing on their amazing knowledge. As a developing coach myself, it is amazing to have the resources of these men around me, and I am extremely grateful for the opportunity I was presented.

Andrew Harman
Reserves Coach

COLTS REPORT

Coming off two successive Grand Finals in 2014 and 2015, the general feeling in the WAFL community was that the Swan Districts colts may slide down the ladder in 2016. The bulk of our squad was made up of the 2014 16's who didn't win a game in their competition but we were confident that this group had improved considerably over the last two years and that the additions to the team would make a significant contribution.

We had a few changes in our coaching structure with former colts' player John Armstrong joining the team and taking responsibility for the backline and Simon Bergin stepping up from bench coach to take over the midfield. These two young coaches did a fantastic job and can hopefully be kept at the club for many years to come. Russell Wholagan (forwards) and Percy Johnson (rucks and stoppages) once again brought their experience and undeniable enthusiasm to their roles and both were once again greatly appreciated by the boys and myself. We had a new Manager this year with Jenny Kynaston helping out in a time of need just before the season started and she did a wonderful job all year and never missed a beat.

Our pre-season training standard was extremely pleasing, exceeding the previous two seasons as the boys responded well to a couple of initiatives that included training in smaller groups. We also had quite a few boys complete the league pre-season and that meant they were in great shape for the season proper. We exceeded expectations early, winning five out of our first six games with the highlight being a solid win over eventual premiers Claremont at Steel Blue Oval.

At this point in the season, we lost our state players and it was really pleasing to see so many boys play in the national 18's carnival. When they were 16, we only had Brad Fullgrabe and Aidan Clarke play state football but two years on and we had a total of six players represent their state, with those two joined in the WA team by Josh Cipro, Griffen Logue and Sam Taylor and Rohan Armstrong representing the NT and Allies.

We struggled through the next six game block, only winning two games with inconsistency being our biggest challenge. We were left in a vulnerable position at the end of the state 18's campaign. We realised that we would have to win at least five of our last eight games to guarantee a third successive finals berth and it was during this time that the amazing amount of work put in by our Talent Manager, Steve Thomson, paid dividends.

After the carnival, the state players and many others were pushed up the grades to get a taste of senior football to prepare them for 2017 and beyond. Twelve boys played reserves and of those, four made their league debuts and hopefully that experience in trying times will stand them in good stead for the future. With so many of our best players unavailable, we were forced to play a lot of younger talent and kids from the country that had been scouted by Steve. We managed to win six of our last eight games with the highlight being a 12 point win over the eventual minor premiers, Perth, with only 7 of our best 22 available and no less than 6 players from our 16's. We played a massive total of 63 players in the colts this year and the fact that we could give so many a taste of wearing the black and white jumper should prove a great benefit for the club.

Our finals campaign was short-lived and extremely disappointing. We didn't get a chance to gel as a unit before the finals and that may have been costly in going further in the campaign as we couldn't get going in our elimination final against eventual Runners-Up, East Perth. The boys that came back from senior football struggled to impact the game in the way they would have liked and the boys who had done the bulk of the work over the previous eight weeks seemed to stand back a bit and the result was we played nothing like our best football and went down by 12 points in a very winnable game.

Winning finals and premierships is always fantastic, but the main aim of Colts football is to develop league players for our club (or the AFL) and the disappointment of that performance will be a great learning experience for all involved. Hopefully, many of the boys who were out there can go on to represent Swan Districts in a league final and the experience of 2016 will hopefully stand them in good stead.

The contribution of the coaches mentioned earlier cannot be overstated and the boys have acknowledged how important they have been in their development. This was complemented by our league and reserves coaches, Greg Harding and Andrew Harman, who took quite a few of the boys under their wings at various stages of the season.

There are many other areas where we received great support, from Pete Harrison and James Anile, who doubled as strength and conditioning coaches and runners, to Sean Doody and his stats team, Indy and the property staff and the trainers led by Katelyn Meade.

There was no grand final appearance in 2016 for the Colts' side but it was another successful year. That success is hard to quantify at the moment but will hopefully be evident in the future by many of this crop going on to represent our great club in the league team in the future.

I would like to thank the club for the opportunity to coach the colts' side for the last three years and I look forward to tracking the careers of so many talented fine young men as they make their way in their footy careers and life in general.

Trent Cooper
Colts Coach

DEVELOPMENT REPORT

To have 17 players debut at League level this season, it shows that development is a never ending process. This type of development and experience given to these players will hold the club in great stead for the upcoming season's.

While we are on the numbers, 63 players played colts football, 65 players played in the 2016 16's Carnival, 40 Year 10 players, 60 Year 9 players and 60 Year 8 players. All these players and their families should be commended for the way they played and conducted themselves, representing the Swan Districts Football Club.

WAFL 16's Carnival saw the Swan's winning 5 out of 7 games. Nine of the squad were chosen to take part in a 16's All Star Game at Atom Oval. Joseph Hinder, Mitch Henry, Jarrod Cameron, Graydon Wilson, Jackson Beck, Jaygar Martin, Malakia Rodoreda, Mitchell Bain and Ryan Bennell. After the All Star Match, Hinder, Wilson, Henry, Rodoreda and Martin were chosen in the WAFL 16's State Squad.

The Swan's had 5 players from the Colt's Program selected into the State 18's Squad. Griffen Logue, Joshua Cipro, Bradley Fullgrabe, Aidan Clarke and Sam Taylor. On top of our Western Australian State players, Rohan Armstrong gained selection in the Northern Territory 18's State team.

Swan's won the Nicky Winmar Cup again in 2016. Last year the Metro side won the cup this year it was the South West arm of the Swan's Development that took out the day. A great team effort by everyone. Two of this team found their way into the All Indigenous W.A. Kickstart Team. Malik Wallam and Johnathon Humphries both played in the carnival in Queensland.

Our Year 10's played in Busselton on the school holidays up against sides from the South West, Peel Thunder and East Perth. The boys stacked up well against these oppositions. The weather conditions were very tough, cold and windy. It was a very enjoyable carnival, the players, parents and coaches did an amazing job, with the travel and playing conditions, with no complaints and concerns. Well done to all involved.

The Banksia Hill Detention Centre program continues on with the Swan's taking in sides to play and develop. Other WAFL Clubs to their credit have again realized the benefits of going in and it continues to build.

Colts crash out of 2016 finals very abruptly. All the talent in the world, players coming back from League, players coming back from Reserves, players coming back from PSA, mixed in with the guys that had done the job all season, sometimes against amazing odds, sprinkle in our very young talent and if you don't come to play you can lose.

The boys did keep trying but were clearly not at their best on the day. The margin never got too big, but possibly our chemistry was not right for the game.

Griffen Logue and Bradley Fullgrabe both successfully took part in their combines, Logue receiving plenty of good press, quite simply due to the way he prepares and performs, and received his reward in the Draft.

The Year 8, 9 and 10's Carnival introduced a lot of our talent from all over Western Australia, to WAFL football. Playing five different days of football, on the big grounds and sometimes poor weather and windy, clearly the boys were listening to their coaches, as their performances got stronger and stronger.

Special mention to all the coaches and staff that pitched in during the carnival we could not be happier with their efforts. Adam Faulkner from the league side took the reins during one of the days and had his side by the second half moving the ball in a very advanced manner. The boys enjoyed Adam as a coach and mentor, and he too had an enjoyable day.

We have put together a rather large 16's group for the upcoming 2017 season, but it has a rich vein of talent that deserves their chance and our attention. Colt's try-outs this season will also filter a large number through with a genuine eye on the future. The strength and fitness staff are up and about, this could be our best group for awhile. Good luck Peter and your team.

Once again the Development Academy would like to thank all of the coaches and assistants for their input toward the program's. Thanks to all the behind the scene people who just keep on giving their time and efforts, to help make this club what it is today.

FEMALE FOOTBALL REPORT

2016 has been of a year re-building and developing on what was a strong list from the previous season. With players retiring and new players coming through, it's been a year of ensuring everyone understands the game style and Swannies way of football.

The Swans league side has had a very different look to it this season with long serving Head Coach Nicole Graves standing aside to take a larger role with the SDFC WAFL side and Rob Kennedy coming in and taking the reins. With new systems, structures and players the early part of the season was always going to be about learning and not so much about only winning. After the disappointment of losing in the Grand Final in 2015 there is no doubt that the girls wanted to go one step further this season and they are determined for nothing to get in their way. With key players Kirby Bentley doing a season ending injury, Kellie Gibson moving to Adelaide and Chelsea Randall only available for minimum games this season, it gave other girls a chance to step up and feel the void. With an unbelievable team performance in the semi-final knocking over reigning WAWFL premiers - Coastal Titans, the Swannies Girls booked a ticket straight through to the Grand Final. With one of their strongest sides for the year the girls went into the game confident that the game plan and structures along with hard work and team work would get the job done. With a 4 goal to 0 first quarter that girls had the dream start with opposition East Fremantle not scoring until the second half of the 2nd quarter. Standout performances by Ashley Sharp, Stephanie Cain, Susan Chuot and Taylah Angel helped the Swannies go into half time with a strong lead.

The second half saw the opposition throw everything they had at the girls, fighting back kicking 3 un answered goals. However strong leadership and composure shown by Club Captain Kara

Donnellan and club champion - Chelsea Randall proved too strong for East Fremantle running out WAWFL 2016 Premiers with an 8-point win. The girls have done what was set out to be achieved, return the premiership cup to Steel Blue Oval.

It was massive year for the development of Swan Districts Football Club and the place this development was most evident was in our Reserves. With 23 first year players at the club for season 2016 for the first part of the season there was a real focus on skills and game sense. The rapid development of some of these players was evident when they got the call up to play League Football throughout the season. Unfortunately, the season ended early for the group, missing the finals by a mere 1.2% but as a club we couldn't be more proud of the fact that they put themselves into a position where finals were a real possibility. With the changing face of Female Football in our state the strength of this group gives us real confidence that our club will remain in a strong position in years to come.

It was another fantastic year for Youth Girl's football. Our Swan Districts girls had the opportunity to get involved in the V Swans - Strength to Succeed program which ran over the preseason from October 2015. This gave our girls education on fitness, nutrition, leadership, goal setting and a number of other skills that will hold them in good stead over their football and everyday lives. Our numbers at training each Friday were up around 30, which meant competition and variation in skills and strategie

Having extra help from Senior players and coaches at the club meant we could focus on individual skill development and still work on structures, game play and team work. Our youth girls always felt part of the club, from being invited to presentations and senior trainings, to helping out at senior games and

seniors helping them, the girls are awe-struck by the talent around them but know they are privileged to have some up and coming AFL greats as their mentors. The girls finished 4th in the home and away season and had a fairy tale run, winning all elimination finals to secure the clubs first ever grand final appearance in the Youth Girls competition. Grand Final day saw lots of nerves and excitement from players, coaches and supporters. With the opposition - Peel Thunderbirds full of talent and experience with many U18 Youth Girls - WA State representatives running around for the Thunderbirds it was always going to be a tough ask for our young Swannies girls. We put up an excellent effort and kicked a number of unanswered goals in the last quarter, however still feel short, being awarded the runner-up medallions.

This year saw the first ever U15 Junior Girls competition which allowed some of our younger Youth Girls to play against girls similar in age. The team was coached by our very own Nicole Graves and had a record breaking undefeated season, going straight through to the grand final and winning the first ever U15 Junior Girls Cup for the Central Conference against opposition - Midvale JFC.

To wonderful volunteers, players, coaches, support staff, parents and our great supporter base we must save a massive thank you, you are the ones that continue to drive us to keep training, playing and picking ourselves up each week after a tough game and continue to fly the flag for female football and our football club.

To our major sponsors; Eden Fab, Swan Districts Sports Clinic and Whyteline Roofing we thank you for ensuring we can get this club on the field each week and ensuring financially we are strong so our players can get on with the job of playing football. To Ashworth's Office Furniture, The Woodbridge Hotel, Slater Gartrell and the Swan Districts Football Club thanks for making sure our players are fed and watered after games and providing weekly awards.

SWANSMEN REPORT

Whilst season 2016 did not bring the football success on the field we were expecting, the Swansmen had a very successful year and provided many opportunities for our members to enjoy good fellowship and help raise some very valuable money for the Club at the same time.

We congratulate the whole football department on continuing to develop players for the future and we look forward with optimism to the 2017 season. The Swansmen appreciate the support received from Greg Harding and Phil Smart and to the players for making themselves available to speak at our functions.

The year commenced with the Annual Planning Seminar in February followed by the Club Busy Bee. We built a new fenced enclosure at the front of the Swansmen Lounge thanks to Jason & William Donald, Peter Bacon and capable apprentices. The Seminar confirmed the new initiative of the 'Stubby Raffle' whereby we sold about 800 special numbered Swans Stubby Holders that became a ticket for a chance to win over \$6,000 in prizes. We raised almost \$13,000 with great support from our sponsors and members in this unique raffle.

The monthly dinner meetings were successful with approximately 30 in attendance each month. We heard from coaches, players and the Board on the current state of the Club as well as entertaining guest speakers. This year we thank Colin Minson (Sport FM); Ric Evans (former International Test Cricket Umpire); Rev Brian Carey (founder Belmont Men's Shed); Grunt, Moggy, Slim and Youngy (long-time Swans supporters from the 'hill'); Ross Leipold (Club Operations Manager); Karen Tighe (ABC Journalist) and Brian Close (former SD General Manager and now golf course GM. And we can't forget Sam Kekovich as our very entertaining guest speaker at the Auction

We continue to work with and welcome our Judda Bee members and look forward to strengthening the networking opportunities and mutual benefits that may arise.

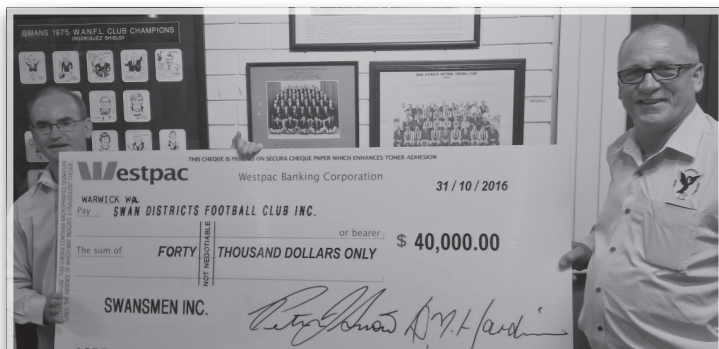

In addition to the stubby raffle, the AFL Raffle sold out completely, netting \$6,500; the Auction netted about \$20,000. Thanks to George vander Meulen for selling the Margin tickets and, and despite the terrible weather at our home games, Dave Cianciosi and Peter Bacon ensured the Lounge sales were as strong as they could be

Our contributions to the Club included the annual sponsorship of the Development Squad; a payment towards the new memorabilia software, a payment of \$3,500 to purchase player GPS units, Count-Me-In table and Player Auction sponsorship; the Leading Goalkicking Award and an end of season donation to the Club of \$40,000. In addition, we had catering and bar sales of \$12,000 from our events bringing our total contribution this year to over \$60,000.

I would like to thank the Committee for their support and strong contribution this year and to all the Club staff for their assistance and catering. I acknowledge the interaction and cooperation we have with the Past Players & Officials Association.

I look forward to the continuing support of our members in any capacity next year and in strengthening the links with all groups in the Club. We look forward to many more Swans members join the Swansmen next year and getting a feel for the Club 'from the inside'.

Des Hardiman
President

Garry Ames, David Cianciosi, Eric Benson, Stephen Bakes, Des Hardiman, Jason Donald, Jim Benson, Peter Snow, Maurice Embley.
Absent: Neville Bassett, George Copley.

CAPITAL WORKS & STRATEGIC INVESTMENT COMMITTEE

Last year's Redevelopment & Strategic Projects Committee has been renamed as the Capital Works and Strategic Investments Committee to reflect its present focus.

Bassendean Oval Redevelopment

A significant part of the Committee's attention this year was devoted to the Bassendean Activity Centre project which includes redevelopment around Steel Blue Oval. Following State Cabinet "in principle" approval, the Development Agreement between the Club, Town of Bassendean and Landcorp moved on to extensive public consultation and development of concepts.

It was disappointing that a campaign of misleading and deceptive statements perpetrated by a small group of dissidents caused a great deal of unnecessary angst in the local community. The Club became an unfortunate beneficiary of protests by a minority that were mainly aimed at potential development of other sites in Bassendean town.

Despite the furore created, the Town resolved to move forward with development of three areas in the Town – one of which involves the Oval surrounds. As part of the arrangement, the Club's land footprint will nearly treble enabling development of additional facilities capable of generating additional revenue to sustain the Club into the future.

On a further positive note, the Department of Sport & Recreation and WA Football Commission have agreed to fund a "robust" Business Case aimed at seeking more than the initial \$3 million contribution from Landcorp's Bassendean development activities. That Business Case will specifically address football-related facilities and Club sustainability.

The Club is also taking advantage of a pro bono offer from The Jaycees Community Foundation Inc to develop a second Business Case and Feasibilities on a range of other revenue-generating facilities such as a Sports Village, childcare and sports medicine centres.

While actual construction is still several years away, members are likely to see visuals in the latter part of 2017 of what is proposed. One of our members is working in the background to establish a trust aimed at providing funding for the Club's future facilities.

Swan Districts Sports Clinic

The increase to 50% ownership of Swan Districts Sports Clinic reported last year has proved a valuable investment with a substantial increase in business and net earnings. The business is expanding with additional personnel and made a significantly increased distribution to the Club this year. The Committee will consider similar arrangements as part of the site redevelopment.

Memorabilia Collection & Club Museum

As part of the development of a co-ordinated long term approach to accurately recording our history and memorabilia, our two coterie groups and an anonymous donor funded the acquisition of collection-specific Mosaic Software late last year. This has been installed on an office computer and a donated tablet and training is being undertaken before year end.

Association Management System

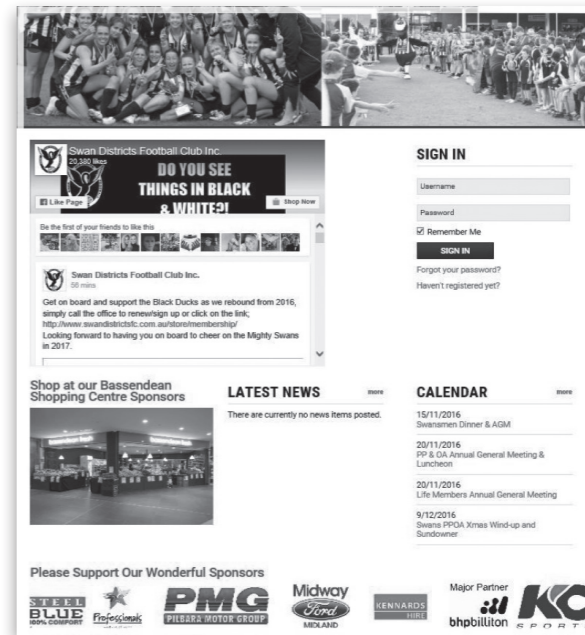

As part of its innovation and administration streamlining program, the Club adopted a state of the art Association Management System with the initial costs partly funded by the Swansmen and Past Players & Officials Associations. As was originally intended, a significant part of the annual cost is now being met through advertising on the site.

This site was intended to be an "inner sanctum" specifically for members and was to sit behind the Club's main website but a decision has since been made to launch it as the Club's main website in 2017.

This innovation represents a significant upgrade to the Club's member management and communication system. It integrates the Club's social media and news distribution systems as well as offering a Club events calendar and direct booking facility, event tickets and name badges. The site will be progressively expanded to include special offers to members in their areas of interest. With more than half of our members having email addresses it offers considerable savings in the cost of member communication with information also accessible on smartphones for those not using other devices.

The existing member database has been "cleaned" and uploaded to the site and will allow members direct online access to renew membership and update their personal information. Apart from current members, we are most grateful that willing volunteer Ann Slaven "cleaned" a previous database identifying more than 500 members who had not renewed membership in 2016. A campaign to re-engage these past members is being undertaken.

Apart from administrative savings, the long term aim is to encourage the many "closet" black and white supporters we have to access the system as a "Supporter" and then offer inducements to join, attend games and functions or at least buy some merchandise.

Committee

The Committee comprised Directors Peter Snow (Chairman), Directors Sarah Curnow and Paul Rosair (until his appointment as Chairman of the VSwans Committee) and member Glenn Hall. President Peter Hodyl and CEO Tom Bottrell also sit on the Committee.

Appreciation

My thanks to our CEO Tom Bottrell, the Board and my Committee for their contributions and support over the last year. Special thanks also to the Swan Districts Past Players & Officials Association Inc. (and its President John Rowe) and Swansmen Inc (and its President Des Hardiman) for their full co-operation and financial support of our 2016 initiatives.

Peter J. Snow
Committee Chairman
and Director responsible for Coterie Group Liaison

LIFE MEMBERS AGM REPORT

2016 season was a disappointment but I'm sure with the reappearance of a number of delisted AFL players returning we should put up a better showing in 2017 all the best to Greg Harding and his group for the 2017 season which I'm sure will be competitive.

New Life Members

At the last AGM 3 new nominations were put and passed they being Players; Tim Geappen and Tony Notte also club doctor Anthony Sciberras congratulations from our association to our newest members.

The Life Members Lunch was combined with the Presidents pre-game lunch held on the 26th March thanks to club President Peter Hodyl & CEO Tom Bottrell for making it possible; the lunch was well attended and appreciated.

Hall of Fame

What another great night this was with all 19 club legends being inducted along with the following Bill Walker, John Todd, Robert Bryant, Tony Nesbit, Gary Sidebottom, Ted Holdsworth and Travis Edmonds also we had had an iconic moment in the clubs history being 1961 grand final, the night was well attended by family, teammates plus members adding this important occasion to our clubs history.

Swan Medallist

This year's medallist was Matt Riggio who made it back to back and received the life member's cheque at the medal count.

To my committee thanks for your support and in particular my secretary Kathy Rowe also to Robin McVee & Picton Press for the ongoing support for the Lifers line.

See you all in 2017,
John Rowe - President

PAST PLAYERS & OFFICIALS ASS. AGM REPORT

Another season gone and one we would care to forget finishing at the bottom of the table with a number of past draftees returning let's hope 2017 bears fruit for all three grades.

Congratulations to

Matt Riggio on winning his second Swan medal back to back, we wish you all the best for 2017

Adam Faulkner on winning the President's Award as Runner up to the Swan Medal

Ben Whitsed on winning the Bonny Sweetapple memorial shield for the Reserves Best Player

Tobe Watson on winning the E J Mcmanus award as Colts Fairest & Best.

Well-done to **Jesse Turner** on winning the R.A. Newbey Shield as "Rookie" of the Year

2016 FINANCIAL SUPPORT FOOTBALL

Colts match day awards \$550.00 total

Reserves match day awards \$550.00 total

Donation towards Combined teams sponsor \$2000.00

Grants to U/18s boys, U/16s boys, U/15s, State schoolgirls and State schoolboys

Presidents Trophy Runner up to the Swan Medal \$500.00

3rd fairest and best \$300.00

R.A. Newbey shield Rookie of the Year \$300.00

Reserves F/best Sweetapple Memorial Award \$200.00

COLTS

Morning teas were once again well supported by the parents and friends of our colt's boys as well as visiting parents of the opposition.

Thanks to our Ladies Joan Hansen, Kathy Rowe, Val Smith, Agnes Preedy & Bernie, Judy Holmes and also Lance Bell & to our Colts Mums who help during the season

Thanks to President Peter Hodyl & director Peter Snow for addressing the parents throughout the season during the halftime breaks

HALFTIME LEAGUE FRATERNIZATION

Once again the halftime fraternization was very successful, Thanks to Agnes Preedy & Bernie who again supplied the catering for all home games as well as the Claremont home game held at Steel Blue

Thanks to all who generously donated to the liquid refreshments, in the past we have recognized all donors individually but unfortunately the list is very large and we do recognize them on the day for their continued support

EAST FREMANTLE DINNER

The post game dinner was not held but a Sundowner held in its place on the 23rd July at Bassendean attendance slightly down on last year again to Agnes and Bernie and the committees wives for their support on supplying the eats, the East Fremantle post game dinner to be held at East Fremantle on the 19th March was cancelled due to it being an opening game to the season.

MID SEASON MERV HANSEN & ARTHUR THORNTON FINAL HOME GAME LUNCHEONS

Approximately 70 plus people attended each of these; they were pie & chips with the odd ale & cool drink + a couple of raffles and wheel spins the money spins proved fruitful for the recipients

Thanks to Allan Jelleff & Phil Pitchers for donation of Mrs. Mac's pies, for both Luncheons, also to the generous drinks donors and our major sponsors this year Alaine and Julie Gaudet from the Mallard Duck, Graham Ashworth of Ashworth Office Furniture and Clinton Craig of Deering Autronics also John Komorowski

Thanks to Peter Hodyl & Phil Smart for addressing at these gatherings & giving our members the up to date news of our club.

M.R.T.

This team was set up to assist with regular club maintenance on the 2nd Tuesday of the month.

Also to the M.R.T, Bruce Lauder, Jim Craig, Keith Michaelson, Marcel Weggelaar & John Rowe.

Our usual sprucing up of the club "i.e." painting cleaning and replacing & painting the timbers on a number of seats in front of the members club

Please contact John Rowe if you would like to be part of the team, you don't need to be a tradesmen but it certainly would help

GATE RAFFLE

The raffle again raised adequate funds during the season thanks to Herb Smith & Marcel Weggelaar for heading this up and also to the raffle sellers who responded to the letters requesting attendance to sell on certain dates.

We will again use this tactic next season so if you get a letter please be affirmative, this way you would only be required to sell once or twice a season

I would also like to pay tribute to Herb Smith who is standing down after so many years of loyal and unselfish service to the fundraising we require to fulfill our annual commitments to the club

Well done Herb

VALE

We mourn the passing of the following long standing members Keith Farrell and Howard Brown our association extends deepest sympathy to the families of both members.

In closing I thank my committee for their support over the past year.

Special thanks to the club operations Manager (Rick Anderson resigned) Ross Liepold who took over from Rick along with George Stamenich and Lucy.

Thanks also to Tom Bottrell (CEO) also the Office Staff, Jim (Jimbo) Dougan, Jenny McBride and Hannah Botica for their cooperation over the past year

With the festive season nearing please take it easy as we want to see you all again in season 2017.

John Rowe

President Swan Districts Past
Players & Officials
Association "INC"

SWAN MEDAL

MATT Riggio and Adam Faulkner were two outstanding performers in a difficult year for Swan Districts with the former taking out a second straight Swan Medal while the black-and-whites continue to make significant signings to improve quickly in 2017.

Swan Districts' season might have been disappointing with just the two victories and a wooden spoon finish, but the performances of Riggio and Faulkner right throughout the year were a highlight.

Therefore it was no surprise to see the pair finish up going neck and neck in the Swan Medal voting to determine the club's fairest and best winner for 2016.

Riggio ended up polling 130 votes to claim his second straight Swan Medal to win ahead of Faulkner who came runner-up with 110 votes.

The pair finished well in front of their teammates with Tony Notte coming third with 67 votes ahead of Justin Simpson (55), Jesse Turner (55), Tom Smirk (43), Todd Banfield (42), Tallan Ames (41), Laurence Grescos (36) and Graham Jetta (35).

The Swan Medal victory capped off a tremendous season for Riggio backing up his performance in 2015 that saw him score a narrow win in the fairest and best voting over Ryan Davis who went on to have a solid AFL season in 2016 with the Gold Coast Suns.

Riggio had a slightly slow start the season averaging just 16.5 possessions over the first month but for the remaining 16 matches he averaged 28 disposals. In that time, he never had less than 19 touches in a game and had it 30 or more times on seven occasions.

The 140-game WAFL veteran also represented WA in 2016 in the 134-point state game victory over Tasmania at Steel Blue Oval.

He is now a dual fairest and best winner to go with a 2010 premiership player, and is on target to earn Swan Districts life membership in 2017.

Faulkner cemented himself as a mainstay of the Swans' midfield in 2016 with the best and most consistent season of his career. He averaged 26.7 possessions a game and had 23 or more disposals and every match during the season bar two to highlight his consistency.

Ricky Cary was presented with the Ted Holdsworth Memorial after being Swan Districts' leading goalkicker for the season, booting 21 goals from 13 games.

The RA Newby Award for Rookie of the Year went to Jesse Turner who ended up equal fourth in fairest and best voting.

The Jack Hickling Memorial Award was presented to courageous big man Jake Nuich who overcame a cancer scare to come back to play late in the 2016 season.

Swan Districts' reserves fairest and best award was won by Ben Whitsed who took out the Sweetapple Memorial Award.

Tobe Watson was named the colts fairest and best winner for 2016 as he was presented with the EJ McManus Award.

Swan Districts' women's team won the WAWFL premiership in 2016 and their fairest and best winner was Kara Donnellan who was presented with the Mandy McSherry Medal.

There was plenty of good news for Swan Districts as the black-and-whites look to bounce back with a bang in 2017.

Chris Pike

SWAN MEDAL NIGHT

SWAN MEDAL NIGHT

HALL of FAME 1934-2016

Since inception in 1934, the Swan Districts Football Club has been etched deep in Western Australian Football history. Significant achievements and events highlighted by Premierships, Sandover Medals and breathtaking displays by our champions have resulted in 'The Mighty Black and Whites' earning a special place in Western Australian Football folklore.

None of these achievements would have been possible without the absolute selfless dedication of many loyal people including Players, Coaches, Trainers, Administrators and Volunteers. Numbers are in their many hundreds however a distinguished selection deserve special acknowledgement in recognition of truly exceptional contribution to our club's rich history.

To be recognised in the Swan Districts Hall of Fame is one of the highest honours the club can bestow. It ensures recipients will be forever remembered for their efforts which cement the Swan Districts Football Club firmly into Western Australian Football History.

Sincere thanks to all contributors to what has been an exhausting task to research and identify 26 individuals and one iconic moment that meet the criteria to be inducted into the inaugural Hall of Fame in 2016.

Peter Hodyl

HALL of FAME 1934-2016

SPECIAL INDUCTION: 1961 PREMIERSHIP TEAM

There was a special feeling in the air at Bassendean Oval before the commencement of the 1961 WANFL season, hard to describe, but a buzz of excitement and anticipation in a club that had finished last the previous season.

Swans President Percy Bright, Secretary Tom Moiler and a pro-active committee had surprised the football world by securing rover Haydn Bunton Jr., already a respected coach from South Australia, to take over the coaching role for 1961. The son of football's greatest player, Victorian Haydn Bunton Sr., Haydn Bunton Jr. already had a West Australian connection through his father who played for Subiaco from 1938-41, winning three Sandover Medals to add to his three Brownlow Medals won in 1931-32 and 1935.

In another major recruiting coup, Swans had snared 19-year-old rover, Narembeen farmer Bill Walker, a player that all WAFL clubs had expressed an interest in. The quiet, determined and extremely skillful Walker initially came to Swans just to play the 1961 season and establish himself as a league footballer, seemingly oblivious to the challenges ahead in such a poorly rated side, that had won just 2 games in 1960.

Bunton brought to Swans a new style of play that included plenty of back up and running through for the handpass, plenty of handball and an early dictum that no-one apart from Keith Slater and Joe Lawson were allowed to do drop kicks. This later rule was gradually relaxed as the season progressed and Bunton himself became quite the drop kick exponent by year end.

Bunton however did not just change the way Swans played their footy. He was responsible for the introduction of the 'Fighting Swan' logo onto the jumpers and replaced the hooped black 'n' white socks with all black socks. These changes seemingly had an immediate psychological effect on the players, members and

Club CEO Tom Bottrell said of the event, "Swan Districts Football Club's inaugural Hall of Fame was one of the best football functions I have had the pleasure of attending. Certainly being involved in the planning and selection process gave me a deeper insight into the extraordinary careers of, not just the inductees, but many that were desperately unlucky not to be selected. Having grown up around a football club and with a long history in the WAFL, it was a pleasure to listen to some of the icons of Western Australian football as they accepted their induction.

As one of our zoned country clubs, we would also like to congratulate the South Bunbury Football Club on their inaugural Hall of Fame function in 2016. SDFC President, Peter Hodyl, and myself attended what was a highly successful evening, as the heartbeat of one of the most successful football clubs in Australia was on display".

supporters, giving the club a strong identity that had perhaps been somewhat lacking in previous years.

In 1961 a total of 36 players played League football with Swans. The team had a good nucleus of experienced players from the previous season; these included Brian Gray, Wally Brown, Keith Slater, Joe Lawson, Cyril Litterick, Colin Maynard, Tony Nesbit, Ken Bagley, Dave Thompson and Fred Castledine, these players were all experienced League footballers and had completed 'their apprenticeships.' In fact, the backline in the 1961 premiership side was the same backline that played for Swans in 1960!

Haydn Bunton was astute enough to utilise their talents, plus those of many others, including John Turnbull, John Mack,

HALL of FAME 1934-2016

Lindsay Johnston, Max Ashworth, Keith Watt, Craig Noble, and Tony Sangalli. Tasmanian centremen, Max ("Count") Kelleher was coaxed west from North Hobart specifically to provide some midfield strength at bounce downs. He became an integral part of the strong Swans side and also coached our Reserves.

Swans started the 1961 season in tentative fashion, defeating Perth by four points but then lost to East Perth the following week by 26 points. In a season where the team recorded losses in all three qualifying games to East Perth, the club eventually finished the qualifying rounds with 12 wins (and two draws) and second position on the League ladder. The campaign for Swans' first grand final and Premiership started poorly with a loss to East Perth in the second semi-final by 48 points. However, Swans bounced back well with a victory against Subiaco in the preliminary final by 16 points, setting up a Grand Final against East Perth, a team later described by Bunton as one that Swans could only beat once.

History records that on the following Saturday (October 7th 1961) history was made, as Swans recorded their first Grand Final victory against all popular perceptions. This was because the Grand Final was expected to be an East Perth cakewalk, as they had lost only two games in the season.

Swan Districts Premiership win in 1961 saw them become the first WANFL League club to win a Premiership after finishing last in the previous season.

There is no doubt that Swans' victory was as much to do with strategy as sheer determination. Swans ruckman, Keith Slater, playing with a broken rib from the second semi-final and a steely determination to nullify East Perth great Polly Farmer through a

ruck strategy in partnership with Fred Castledine, Cyril Litterick and tireless ruck-rover Tony Nesbit, played a magnificent game and was awarded the 1961 Grand Final Simpson Medal.

In the pressure of the 1961 Grand Final, first-year rover Bill Walker was Swans' most effective player with team statistics revealing that 12 of 18 kicks were effective, including kicking 5 goals and 5 points.

In an era when players seldom tallied more than 20 kicks, Haydn Bunton had 25, Johnny Mack 23, Ken Bagley 21 and Max Kelleher 20, with Wally Brown close behind on 19, to all be prolific ball getters. Full-back Joe Lawson, who possessed one of the best drop-kicks in the game, found teammates 11 times from his 15 kicks.

Full forward Lindsay Johnston's brace of three goals in a short space of time seemingly rattled East Perth's defence for a period. Ken Bagley's impassable display at centre half back was a great way to celebrate his 21st birthday, despite the treatment he received from the opposition. Colin Maynard in the back pocket and Dave Thompson on the half-back flank proved to be fierce defenders as always. Experienced wingman Brian Gray, and forwards Keith Watt and Max Ashworth were effective and prominent, and the history making team were ably supported by the two ever reliable reserves, Craig Noble and Tony Sangalli.

It was a true team effort and for Swans to come from last to first in one season was testament to the new found winning attitude at the club, the product of a masterful coach and a playing group that believed in themselves and saw no limit to what could be achieved. As the Sunday Times proclaimed, it was "The Greatest Upset in League History": a most fitting way to claim the club's first ever Premiership.

NOTTE & SIMPSON TESTIMONIAL DINNER

JUSTIN SIMPSON

Born and bred in the Swan Districts zone, this High Wycombe product has had a stellar career.

An outstanding junior career at the Forrestfield Rhinos led to selection for WA State 16's and subsequently the State 18's. He quickly locked down a permanent forward position at senior level with Swans, with his finals series in 2010 being of the highest standard.

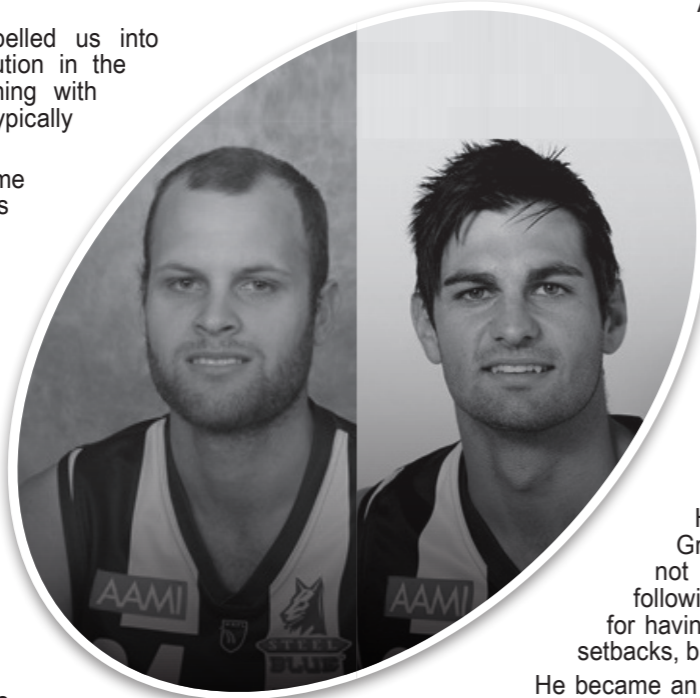

5 goals in the preliminary propelled us into the Grand Final and his contribution in the 1st victory was significant, finishing with 18 touches, a goal and 6 typically crunching tackles.

Since his Finals heroics, his game has gone to another level across half back. His ability to read the play and take intercept marks is without peer in the competition, and his ability to distribute with his punishing left foot is always a weapon.

That ability in defence finally led to selection in the 2015 State Team who were victorious against South Australia, and that selection was richly deserved after years of high performance. His runner up in 2014 to Ryan Davis was a season of rare quality.

His strength through a serious cancer scare is testament to his amazing character. His ability to go back with the flight is competition best, and his ability to take massive collisions from opponents and get straight back up is admired by all in the competition.

To say that Justin is one of the most loved Swan Districts players of the last 10 years by players, supporters and opponents, is an understatement of grand proportions.

TONY NOTTE

This Upper Swan product quickly rose through the ranks and has tasted State representation at various levels over his career. Emerging from Governor Stirling Senior High school, Tony represented WA at Under 16's and Under 18's level and in 2007 he was a member of the victorious SDFC Colts side.

At the completion of that season, the 196cm slim key forward was selected with pick 20 in the national draft and he made his way to the West Coast Eagles.

Over the next few years, Notte ground out a career in the forward line of both SDFC and the Eagles, and showed all of his enormous physical and footballing ability. He made his debut at AFL level, and his 2 goals and 15 possessions in the 2008 losing WAFL grand final side as a 19 year old was a sign of things to come.

2 solid seasons followed before he suffered two big hits to his career. He was omitted from the winning Grand Final side of 2010 and he was not retained by West Coast for the following year. He could have been forgiven for having some down times following these setbacks, but he responded brilliantly.

He became an even better player once off an AFL list. His flexibility and ability to flick between key roles in defense, attack and the ruck became one of our biggest weapons, and he was a massive part of our resurgence after a poor 2011.

In 2013, Tony won the Swan medal. He took a staggering 142 marks to go with 26 goals! He spent time in the ruck across this season and when we were in trouble, his ability to swing into defence to provide strength was critical.

In 2015, Tony was finally honoured with State selection which was just reward for amazing effort over his career. Like Justin, Tony is one of the most courageous players in the competition. His ability to take contested marks and put himself in the line of fire to save the day for his teammates is admired and respected by all. His ability to lead by example and provide a calm head for the younger players coming through has been critical in the last 5 years when development of our zone has been paramount.

At only 26 years of age, this list of achievements is only going to grow as his career develops even further.

NOTTE & SIMPSON TESTIMONIAL DINNER

SWAN DISTRICTS FOOTBALL CLUB (INC)
Independent Auditor Report
to the members of
SWAN DISTRICTS FOOTBALL CLUB (INC)

We have audited the accompanying financial report, being a special purpose financial report, of Swan Districts Football Club (Inc) (the club), which comprises the board of management report, the balance sheet as at 31 October 2016, the income and cash flow statements for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the board.

Board's Responsibility for the Financial Report

The board of Swan Districts Football Club (Inc) are responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act 2015 (WA), and is appropriate to meet the needs of the members. The board's responsibility also includes such internal control as the board determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

The Club, in common with other similar organisations, only records amounts received relating to voluntary activities when these amounts are banked as it is not practical to establish control over such income, prior to its initial entry in the accounting records. Our audit relating to such income was therefore limited to ensuring that the amounts banked are properly recorded in the financial statements. Accordingly, we do not express an opinion on whether all receipts have been banked and we cannot determine the effects of such adjustments, if any, as might have been required had this limitation not existed.

Going Concern

The accounts have been prepared on a going concern basis which is dependent on the continued financial support of The WA Football Commission and major sponsors. There is no reason that this will not be forthcoming.

Opinion

In our opinion, except for the effects, if any of the matters referred to above, the financial report presents fairly, in all material respects, the financial position of Swan Districts Football Club (Inc) as at 31 October 2016 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Act 2015 (WA).

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist Swan Districts Football Club (Inc) to meet the requirements of the Associations Incorporation Act 2015 (WA). As a result, the financial report may not be suitable for another purpose.

SWAN DISTRICTS FOOTBALL CLUB (INC)
STATEMENT BY MEMBERS OF THE BOARD

The Board has determined that the club is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board the attached financial report

1. Presents a true and fair view of the financial position of Swan Districts Football Club (Inc.) as at 31 October 2016 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Swan Districts Football Club (Inc.) will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

President

Treasurer

Dated this 19th day of January 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2015 (WA). The committee has determined that the club is not a reporting entity. The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing values or, except where specifically stated, current valuations of non-current assets. The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) **Income Tax**

The Club is not subject to income tax and as such there is no provision for income tax payable.

(b) **Property, Plant and Equipment**

Depreciation on Buildings and Club House Improvements is calculated on a prime cost basis so as to write off the net cost of the fixed assets over its expected useful life of 25 years. It is anticipated that existing Buildings and Club House Improvements will be fully written off by 31st October 2022.

Depreciation on Plant and Equipment and Motor Vehicles is calculated on a diminishing value or prime cost basis so as to write off the net cost of each fixed asset over its expected useful life.

(c) **Impairment of Assets**

At the end of each reporting period, the committee review the carrying amount of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, the asset's carrying value. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income statement

(d) **Inventories**

Inventories are valued at the lower of cost and net realisable value.

(e) **Leases**

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

Operating leases

The minimum lease payments of operating leases, where the lessor effectively retains substantially all of the risks and benefits of ownership of the leased item, are recognised as an expense on a straight line basis.

Finance leases

Leases which effectively transfer substantially all of the risks and benefits incidental to ownership of the leased item to the club are capitalised at the present value of the minimum lease payments and disclosed as motor vehicles under lease. A lease liability of equal value is also recognised.

Capitalised lease assets are depreciated over the shorter of the estimated useful life of the assets and the lease term. Minimum lease payments are allocated between interest expense and reduction of the lease liability with the interest expense calculated using the interest rate implicit in the lease and charged directly to profit and loss.

(f) **Employee Entitlements**

Provision is made for annual leave estimated to be payable to employees on the basis of statutory and contractual requirements. Vested entitlements are classified as current liabilities. The contributions made to superannuation funds by the Club are charged against profit.

(g) **Provisions**

Provisions are recognised when the club has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be readily measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(h) **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with the original maturities of three months or less.

(i) **Accounts Receivable and Other Debtors**

Accounts receivable are recognised and carried forward at the original invoice amount less any provision for any uncollectible debts. An estimate for doubtful debts is made when collection of full amount is no longer probable. Bad Debts are written off as incurred.

(j) **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue. Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive the dividend has been established. Grant and donation income is recognised when the entity obtains control over the funds, amounts are carried forward to be matched with expenditure in regard to those grants. All revenue is stated net of the amount of goods and services tax (GST)

(k) **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST. The net amount of GST recoverable form, or payable to, the ATO is included with other receivables or payables in the balance sheet.

(l) **Financial Assets**

Investments in financial assets are recognised at cost which includes transaction costs.

(m) **Accounts Payable and Other Payables**

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the club during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

		<u>737,981</u>	<u>727,511</u>
18	EXTRA-ORDINARY TAXATION LIABILITY CREDIT	<u>109,866</u>	<u>0</u>

The Club has had an outstanding amount in regard to a shortfall in Superannuation Guarantee contributions (SGC) together with penalties and interest imposed by the ATO from an audit in 2010/11. Whilst the shortfall in SGC has been repaid, the ATO imposed Part 7 penalties have been in dispute with the Club for many years. Following a formal appeal process in the latter half of 2016, the Club received written confirmation from ATO in January 2017 advising that the appeal was successful and all Part 7 penalties and interest have been waived.

As a result, the taxation liability raised in previous years has been reduced by \$109,866 to reflect the amount owing.
