

NEALE DANIHER

PRESENTS

MND CHARITY SUNDAY SESSION

AT THE STABLES BAR

SUN 2 PM TIL 6 PM | 23 NOV

AFL legend Neale Daniher needs little introduction.

Debuting for the Bombers in 1979, Neale is one of four brothers making up the Daniher football legacy. His football career, although dogged by injury, was highly regarded with Neale winning widespread praise and accolades for his actions both on and off the field.

Diagnosed with MND in 2013, Neale's continued determination to live life to the fullest, and face the challenges this disease brings with courage, humour, and a drive to help prevent the suffering of those that may be diagnosed with this disease in the future, is inspiring.

He aims to do as much as possible to raise crucial awareness for MND and funds for research into a cause and cure.

Come and join the sporting royalty of Perth who are getting behind Neale Daniher to help find a cure
