WESTERN AUSTRALIAN AMATEUR FOOTBALL LEAGUE

1922 – 2001

The Western Australian Amateur Football League has a proud history since its humble beginnings in 1922. Over that time the WAAFL has been a progressive force in the development of "grassroots" football in Western Australia.

The WAAFL has a strong base in the administration of a viable and thriving Australian Rules football competition with 46 member clubs, with 122 senior and 32 colts (U19) teams providing games for more than 7000 registered players during a home and away season.

The WAAFL is now about to focus beyond the year 2001 on how the league uses its leadership to set new standards of excellence and relevance for its member clubs and various committees.

Importance of Amateur Football

The WAAFL provides organized football on Saturdays where anyone whatever ability, can participate or contribute to the football industry.

The system in place allows players to play in senior football at any level they are capable of achieving. Colts (U19) learn the fundamentals of amateur football and its responsibilities after graduating from junior ranks.

At present the leagues goal is to increase participation and is self funded (through the clubs). Much more could be achieved in this area through significant financial assistance and recognition that the WAAFL promotes football as a training ground for the elite players.

The WAAFL also provides a quality high standard competition for those players not wishing to endure the commitment to WAFL (second tier competition) training due to study or career commitments or simply a lifestyle that considers football a recreational pursuit, however is in a position to bridge the gap between amateur football and the Champions of tomorrow.

Many well-known WAFL and AFL personnel began their careers in the WAAFL. Former West Coast Eagles and former Hawthorn coach Ken Judge began his career at an A Grade amateur club. Former Dockers coach Gerard Neesham played several seasons of amateur football and played at state amateur level.

Other high profile players include Gary Buckanara (Hawthorn), Shane Parker (Fremantle), Simon Beasley (Western Bulldogs) and dual Sandover Medallist Ian Dargie.

Administrators include former Chairman of the WA Football Commission Peter Tannock, current WA Football Commission Chairman Barry McKinnon and Commissioner Dr Neil Fong, a triple A Grade medallist with the WAAFL.

PRESIDENTS REPORT 2001

With the conclusion of the 80th season of the WAAFL I am proud to report that the League continues to provide an outlet for a wide variety of people to partake in a great football competition. The opportunity to be President of a vast organization that still holds the same values, commitments, dedication and community involvement since its inception in 1922 is indeed an honour, along with great pride and a sense of responsibility.

The Amateurs provide a safe, pleasant environment where both men and women can be involved either in playing, administration, support staff, umpiring to their full potential, or just taking part in club activities, therefore benefiting both themselves and their community.

While clubs aspire to on field success with premiership honours, which cannot always be attained, off field achievements and successful functions fulfilled, can mean your year has been successful.

This season saw the retirement of Executive Officer Neil Judge after 15 years of service as a true servant of this League. Neil's untiring loyalty to all and sundry over the period of time will be sorely missed. On a personal note, he has been a great advisor and steadying

influence over the term of my Presidency, especially at Management Committee meetings and at various sub committees, giving wise counsel on many occasions. We wish him all the best in his retirement.

Bob Stow as incoming Executive Officer has already shown in a very short time to be an excellent replacement in a very demanding role. Bob's understanding of amateur football from past associations at all levels of the game will be a great long-term asset.

We should be indebted to members of the Management Committee who serve in an elected voluntary capacity and carry out their many and varied roles in administering the league in conjunction with our staff members. I thank them all for their continuing loyalty and contributions to the betterment of the league. Special mention is made of Vice President Milton Sanders for his commitment to all levels of football that has enhanced the standing of the WAAFL in the community. Congratulations on his outstanding achievements, acknowledged by his being awarded the AFL Merit Certificate for services to metropolitan football (only one is issued per state per year).

It has been an interesting year away from the football field, with the constitution and by-laws of the league (which has served us so well over the years). Being challenged over various issues which take up a great deal of energy and time. It is a sign of the times and the result of the now unfortunate attitude with some people in sections of our society, who are unwilling to accept the original decision of the umpire. It is acknowledged, by way of the off-season review, that some ambiguous by-laws need amendment.

The role of community-based football was recognized with the release of the Crawford Report. As a member of the Community Football Council (formerly MFLC) along with fellow members, Sunday Football League, Peel Football League, Women's Football League and Masters Australian Football all working in a close relationship, we now will be given a greater say in the overall running and structure of football in the state and it should be for the long term benefit of all. Our long and cooperative relationship with the WA Football Commission, with Executive Officer Jeff Ovens and Chairman Barry MacKinnon has been greatly appreciated and their support and assistance will be greatly missed on their retirement.

The re-establishment of interstate football with a game against the Victoria second 18 (VFA) was not the success we had planned. In the wilderness since 1994 we hope clashes against Victoria and South Australia will become regular fixtures so that our elite players have something to aspire to. Fixtures against the combined Country seniors and colts still remain a yardstick for both leagues as to their respective strength and standing. This year's results, although mixed, is important in putting on display some of the best talent outside the WAFL. Thanks to both senior and colts players, officials and clubs, who supported the interstate and interleague games.

Umpiring is singularly the biggest budget item of the league and under the guidance of appointed personnel, continues to serve us well. Our panel umpires with a mix of experience, youth, seniors and newcomers, performed up to expectations. The Schools Programme continues to grow and only the lack of suitable placements will stop it expanding more. Over 80 students from 6 schools now take part with several now moving into field umpiring. Umpires from the various junior zones under the direction of their coaches, assisted greatly in the supply of quality personnel.

A group of people who work independently of the Management Committee again supports our league. These include weekly tribunals, reinstatements, investigations, umpire management, and state football, which are all carried out with a minimum of fuss, with their work greatly appreciated.

Sponsorship is hard to gain at our level and the long-term support by the Swan Brewery and the WA Football Commission has greatly offset the costs to clubs.

Congratulations to all Premiership teams and winners of individual Amateur League Awards, your efforts are recorded in this Year Book

During the year the Management Committee undertook a complete review of its functions, operations and

responsibilities. What appeared a straightforward task is proving to be a time consuming exercise that should set the league on a path to help in its future direction and planning. All clubs should find the results and efforts a long-term benefit to them especially in constitutional and by-law matters.

On behalf of the WAAFL Management Committee, to all clubs, office bearers, officials, players, supporters and sponsors, thank you for being part of an organization which endeavours to provide football for as many players who can find a game at their own level of ability, where they can enjoy and make life long friendships from the game, win lose or draw.

**JOHN DAVIES
PRESIDENT**

SALUTE TO NEIL JUDGE JP

After 15 years of untiring service to the Western Australian Amateur Football League from 1985, Neil Judge retired from the position of Executive Officer at the end of June, this season.

He came to us with a great record in football. Starting his 49 years in football administration as Secretary of the Mt Hawthorn JFC 1950-1958.

Other roles included:

Treasurer, Metropolitan JFA 1956-1960

Assistant Secretary, West Perth FC WAFL 1960-1963 then in an honorary capacity from 1965-1973

Secretary WAFL 1973-1985. His many roles there included Umpires Board Secretary, ground maintenance supervisor at Subiaco, Leederville and Lathlain Ovals.

Licensee Bar Manager WAFL Members Club 1973-1983

Secretary Country Football League 1973-1985

Honorary Auditor Country Football League 1985-1999

Team Manager WAFL State and Carnival teams 1976-1989

His record as Executive Officer of the WAAFL covered countless roles outside the normal duties expected and required. As an honorary auditor for the WAAFL Umpires Association for numerous years he is now the Patron of that Association. Neil has indeed served the WAAFL well and we thank him sincerely and wish him well in retirement.

However his association with us is not finished. He has accepted an appointment along with Don Baker to complete a history of the WAAFL.

If you see him visiting any club during the season invite him in for an after game drink.

Thanks **Grumpy** from all in Amateur Football.

VALE ERIC FREEMAN

The Western Australian Amateur Football League lost one of its long serving former stalwarts, with the passing of Eric Freeman during 2001. Eric was the League Vice President from 1967 until 1990, with a wealth of experience in football administration spanning 45 years. He played three seasons with the now defunct Swanbourne Ex Scholars before the Second World War and in 1946 joined CBC.

Eric was associated with Swanbourne Amateurs from its formation in 1947 till its demise in the late 1980's, playing over 200 games, including the premierships in 1947 and 48. He was assistant coach and coach for five seasons. He was club President for four terms, Secretary for one year and served on the general committee for 20 years, including club delegate for 15 years before being elected to the role of WAAFL Vice President.

In 1957 he was awarded WAAFL Player Life Membership for 150 amateur games and was also awarded Swanbourne's Club Life Membership.

In 1967 he was assistant manager of the State Carnival team (Launceston) and manager of the 1970 Perth Carnival team.

Eric was honoured in 1966 with WAAFL Life Membership and for his overall services to football was awarded NFL Certificate of Merit in 1977. He also served for some time as one of WA's delegates to the Australian Amateur Football Council. The F Grade Premiership Trophy is named in his honour.

After his retirement from the Management Committee of the WAAFL, Eric became more involved with his other great love, lawn bowls, with the Swanbourne Bowling Club

UMPIRE ADVISERS REPORT 2001

It gives me great pleasure in presenting my final report on the status of umpiring in the WAAFL. Over the last five years there have been major changes to the structure, which will be for the good of football and umpiring in general.

This year saw the introduction of neutral field umpires in all grades except F and G grades. This innovation although not without some minor problems at the start, was an outstanding success and I hope it becomes the status quo for the future.

Overall umpiring in the Amateurs has been of a high standard with an influx of young umpires into the field, boundary and goal areas. The young umpires brought along an improved enthusiasm, which is one element that the amateurs need to attract more of these umpires to its ranks, so it can sustain a viable group.

For the first time, the ex club umpires who came onto the supplementary list performed in the finals and did a very good job.

There will be a number of our field, boundary and goal umpires who will be trying out for the WAFL and I wish them the best in their future umpiring endeavours.

I would like to thank my fellow coaching staff and assistants for their help throughout the year from the supplementary field umpiring group of Peter Stanton, David O'Reilly, David Home and Don Jensen for supplying and appointing the field umpires throughout the year. Paul Smith for outstanding help in coaching the boundary and field umpires plus collating all the appointments. Bruce Wheatland for the co ordination of the boundary umpires and also for observing field umpires throughout the year. Dennis Miller and Robert Butler for assisting me with the field umpires in coaching, observing and during training. Finally to Stuart Tempest for his assistance over the past 4 years in training the umpires and observing them as well. To all the umpires who have been a part of the group for the last 5 years thank you for your dedication and support to me in that time.

To the WAAFL Board and Management a big thank you for your help and a special thank you to Nell Judge for his professionalism in running the League. I would like to thank the office staff for their fantastic help over the past 5 years.

In conclusion I would like to thank the League for the opportunity to coach all the umpires over the past 5 years and I wish the new personnel all the best in the future.

MIKE BALL
DIRECTOR OF UMPIRING

CLUB AND SUPPLEMENTARY UMPIRES

This season saw the formation of a supplementary umpire panel formed directly from the year 2000 club umpire panel. Umpires who nominated to be a part of this panel from an off season survey or phone contact, were appointed to games by one of the Junior Regional Coaching Coordinators in Messrs. David Home, David O'Reilly, Peter Stanton and Don Jensen.

The Regional Coordinators were able to introduce new umpiring personnel from the junior regions, which enriched the standard of umpiring and enhanced the development of these umpires.

It was particularly pleasing to watch the progress of 2000 club umpire panel members Chris Patton and Mark Thomas who joined the senior panel with Chris umpiring A grade in the latter part of the season. A direct pathway now exists for umpires wishing to progress to a higher level.

The WAAFL Umpires Association provided an umpiring shirt with sponsor's logo at a reduced rate for the supplementary panel umpires.

In conclusion the umpires and the WAAFL Management Committee should be congratulated in their judgment and support for this innovative and productive change.

Club umpiring, as we have come to understand it, was this year confined to F and G grades. Clubs employed the services of umpiring personnel with, mainly ex-players. Generally this worked satisfactorily, however there is a need for an improved umpire education system for these two grades, whether it is in the form of accreditation, compulsory meetings or amalgamation into the supplementary umpire panel.

As witnessed in the finals, the standard of play leaves little to be desired. The challenge ahead is to provide better-informed and trained umpires to meet with the playing standards.

Congratulations to all umpires upon making yourself available for umpiring duties, and it is hoped that you will again be available for the 2002 season.

SCHOOLS BOUNDARY UMPIRE PROGRAMME

This programme continued to provide an abundance of talented young boundary umpires for games throughout the 2001 season. With the senior ranks losing eight members of the year 2000 squad to the WAFL, opportunities were provided for some fourteen boundary umpires from the schools to officiate in the A, B & C grades throughout the season. This was in addition to the regular appointments to A Reserve & A Colts, B Reserve & B Colts and C Reserve & C Colts. This was a commendable achievement and indicative of the wealth of talent available in our high school system.

The schools participating in the programme this year were – Duncraig Senior High, John Forrest Senior High, Seton Catholic College, Corpus Christi College, Morley Senior High and Warwick Senior High. In addition several students from Chisholm College participated as appointed by John Forrest and Morley.

Duncraig, Morley and John Forrest appointees undertook level one accreditation, which was reflected in their quality of performance on the field.

Three boundary umpires graduated to field umpiring duties, which fulfilled one of the original aims of the programme. Already there have been expressions of interest from several boundary umpires wishing to make the transition to the field.

Working with youth is an exciting experience as I am sure Messrs. Merritt, Frusher, Scott, Pampacos and Forrestal would endorse. Thanks go to these coaches who have worked tirelessly each week to make their appointments and to train their charges.

Thanks are extended to the parents' who provide the support and transport to weekly fixtures. Hopefully, the partnership between the schools, the parents' and the WAAFL will continue to flourish in the future.

BRUCE WHEATLAND. SCHOOL UMPIRES CO-ORDINATOR AND CLUB UMPIRES CO-ORDINATOR

2001 STATE TEAM REPORT

It's amazing what a difference one year can make. When I wrote my report last year it was on the back of very easy wins in both our representative games; this year we lost both, but in fairness to everyone involved, our circumstances in 2001 were very different.

While it is always nice to win, we did make a conscious decision to use our match against the Country Football League as a trial for a number of players who were in contention for the trip to Melbourne. At the same time, the new-look country team (there were only 3 players from last year) was definitely fired up to atone for last year, and they fully deserved their narrow win on the night.

Under normal circumstances, a 20-point loss to Victoria in Melbourne would be considered a good result, but I am sure that everyone involved with this match was extremely disappointed at the outcome. After outpointing the Vics in most areas in the first half and leading clearly at half time, we were outrun in the second half by a much fitter and more disciplined team. My discussions with the Victorian players after the game highlighted that they work a lot harder to prepare for their normal amateur season in general, and their state football in particular.

While we may have lost both our games this year, no one could question the endeavour of the players who represented our league, and I am sure that everyone involved in the program will be a little bit smarter and a bit more prepared for future engagements.

I would like to thank the Amateur League for inviting me to coach again this year, and I hope to continue my involvement into 2002. I would like to thank all my support staff – Bill Payne, Trevor Schorer, Guy Zalti, Phil Hayes, Byron Hadjimihalakis and Alan Ralph – as well as the senior club coaches for their feedback and encouragement to the players involved.

Finally, I would like to acknowledge the generous support of our state team sponsors:

- Alan Bishop Elkington Bishop Molineaux
- Nick Kolichis NK Contracting
- Trevor Schorer Torrens Real estate - Ballajura
- Ken Miliuskas IIB Insurance Brokers

BRAD DUNN SENIOR STATE COACH

2001 STATE COLTS REPORT

The highlight of the colts program this year was undoubtedly the win over the State Country colts team – the first for about 6 years.

It is always hard to compare the squads from year to year, but after a three or four-week build up to this game, the side did appear to be better balanced than in previous years. On the trip down to Rushton Park there also seemed to be a very good atmosphere among the players, and this built in the rooms before the players went onto the ground.

From the moment the game started, the WAAFL colts displayed a greater work ethic than their opponents, and were harder at the contests. We controlled the game for all but a few minutes early in the third quarter, and the players were rewarded with a comfortable victory. Inaccuracy in front of goal cost us the chance of burying our opposition, but it was a very satisfying win nonetheless.

Our better players in this game were our in-and-under type players, such as on-ballers Adam Walsh (Willetton), Kurt Johnson (East Fremantle) and Gianni Abbondanza (Mt Lawley). Other good players were Bejhan Alitovski (Nollamara), Ben Spencer (Trinity Aquinas), our captain Darrell Young (North Fremantle), Daniel Holloway (Whitfords) and Shaun Trevena (Hamersley Carine).

Our second game was against Swan Districts Under 20's. This was effectively a combination of their WAFL colts team plus those players in the reserves and league squad that were still a colt under the WAAFL age rules.

Before this game, we had lost Walsh and Johnson from our side of the previous week, and we then gave Swans a 3 goal start in the first 5 minutes. From there, our guys returned to the hard working disciplines of the previous week, to draw level going into time-on in the second quarter.

Unfortunately, we had also lost 2 of our "talls" to injury by this point. Mitch Robinson (North Fremantle) and Leigh Matthews (North Fremantle) had both been in our better players to this point. We had started with a small squad, but losing these 2 players before half time really put us up against it.

Swans kicked two goals late in the second quarter, to lead by that amount, and in the second half, despite our players continuing to work hard, the lack of a couple of good talls made it a very difficult task. In the circumstances I was happy that the boys managed to hang in there and only go down by a respectable 6 goals.

Gianni Abbondanza (Mt Lawley) was our best player on the day, with good support from Mitch Newy (Willetton) until he was also injured, Sean Starkey (Mt Lawley), Jarrod Secker (Hamersley Carine), Rhys McFarland (Willetton) and Bejhan Alitovski (Nollamara).

Thanks must go to Phil Hayes from the WAAFL Management Committee for his support of the state colts program. With the seniors having the Melbourne trip, it would have been easy for Phil to concentrate all his efforts on that side, and leave the colts a little neglected, but Phil did not do this. His efforts helped ensure that we got as close as possible to the best side together out on the field, and that it was all put together in the most professional way.

Dick Manning put his hand up to help out as an assistant coach/manager/water boy/selector, and even ended up umpiring the second game on his own. when the WAAFL umpires were unavailable. Thanks for your immense input to the success of this years program Dick, it is very much appreciated.

Also thanks to Paul Brown, who helped out as team runner/selector. Paul is never short of an opinion, but it is much easier and more enjoyable doing a job like this when you have mates like Brownie who commit themselves to help out. Thanks mate.

The 25 players that represented the WAAFL colts this year came from 13 different clubs. It is tremendous that so many clubs are represented, and I thank these clubs for supporting their players in this important program.

Finally, I thank the players themselves for their considerable commitment to the program. I hope they have benefited from their involvement, and I look forward to following their progress in future years.
