PHOTO OF THE YEAR

2018 THE YEAR OF THE LION

In 2018 the Subiaco Football Club arguably produced the most outstanding single season by a club in WAFL history, breaking a series of long standing WAFL and club records on route to their 14th league premiership.

It truly was the "Year of the Lion" as Subiaco won the league, reserves and colts Premierships, becoming the first club in over 130 year history of the WAFL to win those three premierships in the same season.

It came a month after Subiaco had become just the second club in history to win minor premierships in all three grades, and the first in 40 years to do so.

On top of these incredible premiership trifectas, the Subiaco league team went through the 2018 WAFL season undefeated becoming the first team in over 70 years to go through a WAFL league season unbeaten. Subiaco became just the third WAFL league side to go through a season unbeaten.

Subiaco's defence was miserly all season conceding just 51.90 points per game, the greatest defensive season recorded by a WAFL league team since 1944.

By virtue of a dynamic attack as well as dominant defence, Subiaco finished the season with a percentage of 217.92, the third highest percentage in the history of the WAFL.

SUBIACO'S STANDING AS THE BENCHMARK OF 2018 WAS EVIDENT:

- Were the number one contested ball team, finishing with 167 contested possessions a game, 13 more than the next best WAFL side
- Were the number one team for handball receives finishing with 123 per game, some 14 more than the next best WAFL side
- Were number one for loose ball gets with 59 and number two for hard ball gets with 60 per game across the season
- Were the number one team in both hit-outs and clearances, having 51 hit-outs per game and 45 clearances per game
- Were the number one team for both inside 50 entries with 58 per game and scores per game with 30 scoring shots per contest
- Were the number one team for score assists on the season finishing with the top three assist players in the WAFL in 2018
- Were the number one team for knock-ons for the season averaging 5.8 per contest, with no other team registering more than 3.7 per game
- Won all 20 third quarters they played during the season, the first club to win the same quarter in every game for the season

THE PERFECT DAY

The quest for a perfect season had a perfect finale, as Subiaco's league side produced one of its best performances on Grand Final day, defeating arch rivals West Perth in what would be a one side decider.

After a nervous start, Subiaco kicked the first goal of the Grand Final after 17 minutes and from there took control, producing a stunning mix of breath-taking offence and resolute defence. Subiaco would eventually run out 81 point winners.

THE TALE OF THE GAME WAS HIGHLIGHTED IN ALL THE KEY STATS:

- The 81 point final margin was the second biggest winning margin that Subiaco had achieved in Grand Final history
- Subiaco had 130 more possessions than West Perth, the sixth time for the season they had out possessed their opponents by over 100
- Held West Perth to their lowest score of the season on their fewest number of scoring shots for the season, 46 points on 11 scoring shots
- The 46 points by West Perth was also the lowest Grand Final score conceded by Subiaco since the drought breaking premiership of 1973
- Had 21 more scoring shots for the game, a record breaking seventh time having more than 20 scoring shots than their opponents on the year
- Generated 40 points from score launches in their own forward 50, some 11 points more than their own average and 22 points more than the league average
- Had 98 tackles in the Grand Final, their highest tackle count of the season, including a record 41 tackles in the first quarter
- Finished with a disposal efficiency of 67% compared to 59%, with this 8% the second greatest differential for Subiaco for the year

THE WIN, BUILT ON THE CONTRIBUTION OF ALL 22 PLAYERS, STILL FEATURED SOME INCREDIBLE INDIVIDUAL GRAND FINAL PERFORMANCES:

- Leigh Kitchin recording a Grand Final record 18 tackles, including 10 tackles in the first quarter alone, another WAFL record
- Josh Deluca, Chris Phelan and Kyal Horsley combining for 24 clearances, just under half of Subiaco's 49 match clearances
- Kyle Halligan and Ben Sokol each bagging five goals, with these five a piece each a season high
- Aaron Heal and Jordan Lockyer combining for 10 intercept marks, accounting for a third of the intercept marks taken in the entire match by both teams
- Jordan Lockyer having 12 spoils for the match

The perfect season, the perfect day, this was the "Year of the Lion".

PRESIDENT'S REPORT

Mark Lawrence

On behalf of the Board of Directors, I have great pleasure in presenting my 7th report as President to the members of this great club.

A report in *The West Australian* on 17th April stated "Is this the most even start to a season in WAFL history? Or are we seeing one of the most dominant teams in a century start an inevitable push towards the flag?" John was at least part right.

Further he wrote "No great team can exist without a great club behind it and Subiaco have

no peers when it comes to operating in the constrained environment of a State league. This is a club that rarely if ever makes an organizational mistake, that pays meticulous attention to the smallest detail while being conscious of the big picture and, above all, is driven to win games of football." Well said.

What a year! The best in the history of the WAFL since it started in 1885 that's 134 seasons!!

Minor premiers in all grades, the fourth year in a row for the league team. And then to convert all three to winning the premiership is remarkable. Back to back for the Reserves team and the first since 1989 for Beau Wardman's Colts. Add to that only the second undefeated League Premiers in the league's history and we can see this year is very special indeed.

It's a bit more than just this year, I think we all know that, we've been building towards this year over a number of years. Every year we have planned to improve our club, bringing in coaches, developing players and then doing some targeted recruiting and making sure all our people love being here and that makes Subi better. And that is a great reflection on everyone here.

Starting with our Colts talent pathway, Beau Wardman, Michael Farmer and their coaching and support group have been fantastic giving our young players the best chance to develop.

Well done again to everyone involved in the Colts.

Matt Cavedon's first year at the club has been a great effort coaching the premiership winning reserves team. Congratulations to everyone involved for the back to back premiership performance by the reserves.

We have only won fourteen premierships in our one hundred and twenty two years of existence, think about that! And to win three in the last five years and play in five grand finals in a row must surely now rival our so called Glory Years!

Jarrad Schofield is moving on to Port Adelaide and I wish him, Bec, Kiera and Taj every success over there. He's been a great coach and in six years has developed into someone we are all so very proud of and someone that will make an impact in the AFL.

Beau Wardman has been appointed as our league coach for the next two years and his development as a coach is very impressive. I have no doubt that Beau is the right man to continue to drive results at the Lions, well done Beau!

SUSTAINABILITY

As I have said every year of my Presidency, I'm determined we remain a WAFL powerhouse and financially sustainable for the next decade and beyond, nothing has changed that focus.

This year will be our second financial loss in succession as we transition from our old business model at Subiaco Oval. We have held a number of Subi Summits over the last few years to hopefully have all members understand the huge \$400,000 gap we need to fill, what we are doing to close that gap and our other plans for the future which are detailed elsewhere in this report.

What is really important to understand is that we need you all to help us please. Be ambassadors for the club, get to understand our situation and what your club is doing, when you have the chance to involve others please get the message to your business contacts, get people to join as members and grow the Subiaco family. Suggest or help generate ideas that will provide leads that we can then follow up to generate new income opportunities.

CONGRATULATIONS

The winner of the President's Trophy this year was Scott Flood.

Scott has been involved with us for 14 years from when he was only 15 years old. His devotion and loyalty to this club stand out.

This is only one example, at a Lions Pride match held at Wesley College, a country player suffered a spinal injury and was taken to hospital where he was to be in bed all weekend. Scott not only visited him, but he stayed all weekend to make sure he had company and was in good spirits. Thanks for that Scott.

Scott is totally reliable and adds so much to our club. He is highly respected and performs a vital role for the Lions and a worthy recipient of this year's President's Trophy sponsored by the Strack Family.

Well done to Captain Kyal Horsley and his leadership group for driving our training and playing standards all year and then leading us into another grand final. Winning the Simpson Medal in an undefeated premiership year can't get much better but add another reserves premiership and a colt's premiership and you can start to understand the importance of leadership throughout the club. To cap off one of the most brilliant individual years in our history, Kyal won \$5,000 for The West Australian Footballer of the Year and his third Outridge Medal.

PRESIDENT'S REPORT

Other outstanding achievements were;

- Winning the Rodriguez Shield – Champion Club in four of the last five years
- Daniel Leach – Prendergast Medal
- Liam Hickmott – Jack Clarke Medal
- Jack Mayo – Colts Leading Goal kicker
- Mark Lawrence – WAFL Life Membership
- Jarrad Schofield – JJ Leonard for the 2nd time
- Adam Cockie – Merv McIntosh Medal in the Reserves grand final win
- Tristen Hobley – Mel Whinnen Medal in the Colts grand final win

Our Ball Legend for 2018 was Brian Taylor and thanks to Brian for being so involved with the club this year and engaging with the most recent crop of players to bring a face to one of our most famous families. The Taylor name is one of the great families of our Club and we have been honored to have Brian join his brother Neil as ball legends.

QBE have been with us through thick and thin over the last 34 years and we will always be grateful for their support. We understand and respect that their sponsorship strategy has moved them in a new direction. Thanks to everyone at QBE for their contribution to our club

Our coterie groups, The Golds, thanks Ross Lockhart and of course, Dee & The Ladies Forum for all their good work during the season, Gary and the PP&S committee.

MANAGEMENT & BOARD OF DIRECTORS

We have some really good people running this Club and no doubt that our staff set the standard in the WAFL, they are involved in all industry committees, they help drive our club and the competition to improve, well done Peter Capes.

Daniel Vidovich has been a great contributor as Football Manager and unfortunately leaves us - but well done to Michael Farmer promoted to the role. Cameron Palmer is energetic and works hard to make a difference, and thanks to Debbie King, Teigan Freeman and Kevan Sparks and his hospitality team.

I thank the Board for their loyalty, commitment and support to me this year, it is a team effort and to my Vice President John Martin on his retirement after 16 years well done. Cindy Dunham also moved off the Board during the year after six years as DFDC Chair. To Basil Fuller, Dwayne Lamb, Nathan O'Connor, Bret Hutchinson, Russell Smith and now Chad Cossom thanks for the time and sacrifice you make for our club.

Thanks everyone for your involvement in the Lions and we will continue to always work to improve our standards and improve our culture and values by which we operate.

Thanks to my wife Debbie and I wish all our members and supporters a Merry Christmas and a Happy and Prosperous New Year.

CEO REPORT

Peter Capes

The best ever season in WAFL history was of course amazing and the undefeated League premiership did go some way towards diminishing the huge disappointment of grand final losses in the last two seasons. Add back to back Reserves premierships and a Colts premiership and we are now in uncharted territory for any WAFL club at any time in the 134 years of the WAFL.

Jarrad Schofield, Matt Cavedon and Beau Wardman were all outstanding as were their team of

assistants and support staff that all drive our standards and club culture and that delivers results.

What makes Subiaco the best club in 2018 and on the podium for the very best in WAFL history?

The Club sets very high standards and expectations, employs the very best people we can find who then all commit to these high standards and cultural norms. Coaches demand high standards in preparation and training and drive each other to set a professional environment with only one aim – to get the very best from every player. Players in the club must be of great character and part of the team, no excuses for individuals, all together and no cliques, they buy into the programs, support the leadership and more than anything else simply work harder for longer than anyone else.

Many external people continually disrespect the achievements of this club, but doing so after all three premierships merely reflects an ignorance of the Subi way. Dismissing league success by pointing to a financial influence is one thing but to then also apply that logic to the unpaid reserves and colts players success is absurd.

The AFL Alignment Model again demonstrated that the WAFL gained no advantage from the presence of the high-profile brand of the AFL Clubs where key areas like attendance & sponsorship are not growing. I am therefore very excited about the introduction of the West Coast Eagles standalone team in 2019 and as I have said before this alternative model can now hopefully harness the power and prestige of the AFL Clubs to provide a positive environment for the WAFL and its fans and supporters.

SFC OPERATIONS

People are what really defines a club's culture and we are very fortunate to have a great team that includes Debbie King, Kevan Sparks and his hospitality team. Cameron Palmer wants to make a difference and Teigan Freeman helps provide a wonderful public face to our members, visitors and supporters.

Well done to the Subiaco District team of Andrew Ridley, Callum Warner, Matt Debarro and Jesse Tippet who continue to have positive and engaging relationships with all the staff and continue to be the face of football participation in Subiaco football district.

SEASON HIGHLIGHTS

Some of the game day and event highlights during the year included;

- The newly named Subiaco Women's team (Titans) playing in another grand final

- Good Friday game which again attracted our biggest crowd of the year and was the highlight of our home games.
- Landmark fixtures featuring the Goldfields as curtain raiser games before our match with Peel on Friday July 7
- Home game functions included the premiership reunion for the 1988 and 2008 teams, ANZAC round, Men's Health Round supporting Prostate Cancer, NAIDOC round, Ladies Day and the District Day.
- QBE game Thursday night in which we played in the special cyan QBE jumpers, followed the next night with the Subiaco women's team and reserves playing while our Life Member's night was held where Kyal Horsley and Chris Phelan were officially welcomed as life members of the club
- Leederville Oval hosted the Second Semi Finals for all three grades at Leederville.
- The historic first ever Grand Finals at Optus Stadium featuring all three Subiaco men's teams.

KEY CLUB STRATEGY

Our financial power has been driven by our operations at Subiaco Oval and we have known for some time that this was ending but replacing that income will take a lot of hard work by us all and support from our current and new members, sponsors and supporters. The club has identified a number of new strategies and has been moving to a new business model but until that can be achieved we will continue to have sustainable losses such as the one this year.

Our financial result does not reflect our on field dominance over such a great period for the club. The Club has failed to meet revenue targets especially in the hospitality bars and social clubs and there was little progress in our business development, sales and sponsorship in a difficult economy. The WAFL is facing a very tough time now and into the next few years, this Club is no different.

We must all now be aware of the significant challenge we face financially, the financial result this year again emphasizes the need to address all the following key issues during 2018 and beyond;

- Leederville Oval Master Plan along with East Perth and the City of Vincent
- Subiaco Football Club Strategic Plan for 2019 and beyond
- Women's Football strategy for WAFL competition in 2019
- Sustainable model for SFC, purpose of the Subi Summit events held in 2017
- Subi Forever projects to lead to a sustainable future.
- Talent pathway center of excellence to include women's football.
- WAFL opportunities from the Perth Stadium
- Club constitution needs changes to meet the new rules by 2019.
- Welfare and mental health programs for players and support for coaches.

FOOTBALL & TALENT

Football is addressed more completely elsewhere in this report but I would like to acknowledge Daniel Vidovich and Jarrad Schofield as the team that drives our football programs. Unfortunately we lose both post season. With great pride we celebrate Jarrad's appointment as an AFL assistant at Port Adelaide and with great regret that Daniel moves into other roles that will see him get

CEO REPORT

more work – life balance. Both have been outstanding Subiaco people and will be missed at the Lions.

The core of our club is the football operations staff, coaches and players that continue to set high goals, to work together and never take things for granted. Our list management was again well balanced by promoting the development of Colts and emerging talent while at the same time identifying our playing weaknesses and gaps. The key platform to our list has been attracting players not getting regular league games and that continued again this season.

Last year I acknowledged Beau Wardman and Michael Farmer for finally being able to put in place a talent pathway program that challenges the best in the WAFL.

An excellent job by both these men to again drive that program to achieve a Colts premiership which is nearly unheard of at the Lions.. They have been well supported by many aspiring coaches and support staff that provide the teams in the pathway with a great learning experience during their time at the club in addition to development of their football.

SPONSORS, MARKETING & COMMUNICATIONS

It has been the longest partnership in state league sport but all good things come to an end unfortunately. It is with the greatest appreciation and with my sincere thanks for thirty four year of support from our Principal Partner QBE. My thanks to Sara Hamer and all the other regular QBE staff that have supported us in 2018.

Our major support sponsors are vital to the club, thanks to Phoenix Holden, KC Sports, AE Hoskins Building Services, 3B Build and SKG for your support.

Cameron Palmer is responsible for driving new business opportunities and increasing sponsorship and marketing revenue as well as developing and maintaining positive relationships with our stakeholders. Strategies in the business development area target growth in the number of people we have contact with, to thereby increase the number of people we can convert to members and new and potential leads for sponsors, to get to attend games, events and functions and of course promote the benefits of our sponsors.

Cameron recruited a team of volunteers to deliver our communication with members and supporters, the website, Lions eNews, Facebook, Instagram and Twitter that provide up to date information and stories about the people within the club remains a high priority. Thanks Owen, Dana and Dan for your dedication this year.

LIONS IN THE COMMUNITY

Adam Cockie leads the delivery of our youth at risk engagement programs that deliver life skills, numeracy and literacy lessons to CALD and indigenous youth in our district.

The programs engage participants in a range of structured and supported sporting and physical activities, develop leadership skills in participants through mentors and other specialists.

The club is a community focused organization and we will continue to support events and programs in our district which included;

- Orange Sky; using our facilities to support homelessness
- Prostate Cancer Club PROST; a fitness program run for those men battling prostate cancer and recovering from operations

- Leederville Connect; a business and resident’s association that works to create Leederville as an amazing and vibrant urban village
- Basil’s Community Raffle; which again provided over \$25,000 to participating junior football and netball clubs
- District schools & clubs; Subiaco Football Club provides quiz night prizes to many district schools and junior clubs.
- Country coaching and development; Michael Farmer and a number of Subiaco players visited our country areas to develop young players.
- The Golds and the PP&S also visit both Kalgoorlie and Esperance in their grand final days.

ACKNOWLEDGEMENTS

Mark Lawrence and his board have all been really supportive of both myself and all the other staff at the club. Mark runs a large business with many demands on his time and we all appreciate that Mark makes the necessary time available to contribute and assist everyone.

To the rest of the board, thanks for your time commitment to the club and ability to positively influence our future. Thanks to you all for the assistance you provide not only to me but for the work you do with all of the staff.

To our various Coterie Groups, your work and dedication to the club is noticed and appreciated and we hope it continues for many years to come.

- The Golds led by Ross Lockhart
- The Ladies Forum led by Dee Kitson
- The Past Players and Supporters led by Garry Underhill.
- The TRG volunteers, great job gents.

Justin Langer as number one ticket holder and Kim Hughes as club ambassador, are both passionate about the club. We remain very fortunate that both these champions continue to give us their time and it is a huge bonus for the club.

THE FUTURE

After the best season in the over 130 year history of the WAFL competition, what can we expect next?

- Beau Wardman will coach impressively and our very competitive league team with a strong focus on emerging players will again aim for finals.
- Matt Cavedon will again be brilliant at developing graduating colts and second year senior players with a three-peat the dream!
- West Coast in a 10 team competition that breathes new life into the WAFL.
- A new colts coach and Talent Manger will be closely aligned with our goals in development of our talent pathway and Colts programs to be near WAFL best.
- More coach development programs and more focused welfare programs for players.
- Board continuing focus on sustainability, losses that are sustainable while increasing revenue and implementing Subi Forever programs.
- Subiaco in a six team WAFL W women’s competition that sees both Subiaco men and women’s team’s aligned under a “one club model” that will provide benefits to each.

Finally, I extend my appreciation to all members and supporters of the Subiaco Football Club and I wish you all a very merry Christmas as we look forward to 2019.

FINANCE REPORT

Nathan O'Connor

The 2018 year again presented a number of financial challenges for the club given the final exit of all clubs operations at Subiaco Oval, the ever increasing costs associated with running the club's football operations and in providing services to members as well as key sponsorship changes. Notwithstanding the second successive financial loss, the club remains in a strong financial position at year end (net assets of approximately \$3.6m)

Whilst it is very disappointing to report an operating loss, the Board is acutely aware of the need to continually plan for the club's long term financial security, in particular setting budgets for sustainable losses until the Club is able to successfully transition to a new business model post the club's commercial operations arrangements.

Subi Forever has been established by the Board with the ultimate objective being to generate a pool of funds sufficient to secure the club's financial future in perpetuity. It has two key roles, the first is to achieve a better financial return for the club's existing reserves and secondly, to generate significantly more funds to increase the club's capital base and meet annual revenue targets. The Subi Summit series of workshops were held to make sure members and other stakeholders clearly understood our position and participate and help us plan our way forward. Only if this is successful will the club's future be assured.

On a personal note, I would like to thank my fellow finance committee members, Peter Capes, Debbie King and Basil Fuller for their support during the year.

I wish all members a Merry Christmas and happy new year.

Nathan O'Connor
Chairman - Finance Committee

WAFL CLUB INCOME COMPARISON

SUBIACO FOREVER

Subiaco Forever has been the long term planning strategy of the club linked to the Subiaco investment portfolio. Subiaco Forever has continued to expand and in 2019 will be the main message of all of the club's fundraising efforts.

For the second straight year, the Subiaco Football Club has returned a net loss. While these two losses have not been unexpected given the club is in a transition phase after the loss of its Subiaco club rooms earlier this year, it is a sobering reality that the club needs urgent help to maintain its strength both on field and off field.

The club is again calling on all members of the football club to consider how they can assist the club through this transition phase. We encourage all members to actively engage with membership to friends and family, encourage supporting our donation channels and continue to ask all members to consider how they are helping support our proud club.

The Subi Summit group which commenced in 2017 has led to a number of key initiatives being implemented over the past 18 months. The club launched a new corporate space,

its corporate deck, an idea that came directly from the Subi Summit group. The continuation of AFL hospitality was encouraged by the Subi Summit group and has helped the club maintain its corporate reach in a hospitality space.

Through hard work in business development the club has brought on 15 new corporate partners in the past 12 months, launched their donation platform in conjunction with the Australian Sports Foundation and implemented business strategies that are aimed to see the club grow into the future.

These are all measures that the club has put in place to minimise the losses of this transition phase. Now we call on all members to do what they can, so we can maintain our standing as the benchmark WAFL club.

Subiaco Forever relies on all Subiaco people thinking about what they can do for our success to last forever.

BUSINESS DEVELOPMENT REPORT

Cameron Palmer

What a season for Subiaco in 2018! It has been a pleasure to be part of this proud club in what has been a truly history making season.

It has continued to be a year of transition and change in Business Development as the club strives to maintain its strong off field performances in a vastly changed economic environment for the club. This transition will continue in 2019 as we look to welcome a new group of partners and look for fresh innovative ideas to help propel the club forward off field.

CORPORATE PARTNERS

It has been an exciting 12 months for our new and existing partners, with each partner a crucial part of our three premierships success of 2018. A focus towards new business has led to 15 new corporate partners joining the club over the past 12 months. To all these businesses that have joined Subiaco in 2018, we thank you for your support and hope that it is the start of a long term partnership.

To our Major Naming Rights Partners, we thank Michael & Carol Hoskins from AE Hoskins Building Services who have been proud supporters of the Subiaco Talent Pathway. To Stu Sadgrove and Sam Davidson from 3B Build who have been our Coaching Partner in 2018, we thank you for your support this year after coming on board.

To SKG who were our Finals Partner in 2018 and continue to be a strong Premier Partner, thanks to Lee Parker and his team. To other Premier Partners including Mark from Phoenix Holden, Jeff from KC Australia and Jim from AT-PAC thanks for your ongoing support. To all other partners from 2018, we thank you for assisting this great club.

We say a fond farewell to Principal Partner QBE after 34 years of partnership. We thank all those at QBE who have supported Subiaco in this time. While disappointed to see this partnership close, the club is hopeful that this opens up some exciting opportunities for new and existing partners. We continue to encourage all members and fans to promote Subiaco as a viable option for business partnerships.

INNOVATION

It has been a year of innovation for the Subiaco Football Club. Across the past 12 months we have been proud to release a number of new initiatives designed to further engage with our community and make our club more sustainable.

The club has launched a new Donation program and partnership with the Australian Sports Foundation, with a Bequest Program set to follow in 2019. We also launched a new member loyalty program, Membership Matters which is engaging with more businesses and offering great value to our members.

Subiaco is proud of its role as a community pillar and has made great strides with a host of new community partnerships. As we move forward we will look to better integrate with our community and offer outstanding community value to all our corporate partners.

The club has embraced the move of AFL football to Optus Stadium with a new AFL Hospitality offer presented to our corporate partners and members. We will look to expand this further in 2019 as we look at innovative ways for our club to be sustainable.

APPRECIATION

Thanks goes to Peter Capes, Bret Hutchinson and the remainder of the Board of Directors of the Subiaco Football Club for continuing to offer their support, guidance and knowledge towards Business Development. To the Business Development Committee, I thank you for your time, ideas, effort and energy in helping to grow the club.

To fellow staff members thank you for your support towards Business Development and helping to create a work environment that makes coming to work each day truly enjoyable. Special mention to Teigan Freeman for your hard work and willingness to support so many different areas of the club.

To Dana Alhuendi, Daniel Elhaj, Declan Waghorn and Jevan Collins, thanks for your assistance in 2018. These four have been crucial to the club's success in communications and ensuring match days were run smoothly this year. To all four thanks for volunteering your time and services this year.

Finally to Owen Davies your assistance and support in 2018 is immeasurable. For someone in a volunteer capacity to dedicate so much time and effort to the success of this club speaks to the high character you possess. The high quality of your work has been a huge asset to the Subiaco Football Club in 2018 and I continue to hope that this club is the start of a very successful career for you.

MOVING FORWARD

2019 is another year in which we at the Subiaco Football Club will look to be proactive towards a range of looming changes and challenges.

As a club we will continue to embrace our importance as it relates to community, brand and corporate network. All our corporate partnerships will look to return significant value as it relates to these three areas. We aim to again grow our corporate partnership base and maintain our strength with our existing partners.

Our communications and social media reach will continue to grow as we look to return maximum value from the club through these rapidly growing areas. With social media being a key form with which to reach our membership and fan base, we will ensure that our fans have every opportunity to show their support for our club.

Finally we will ensure that 2019 is a year filled with exciting events and new marketing initiatives, making our club the place that all fans, members and corporate partners want to be a part of. We look forward to seeing all of you on board for that journey next year.

FOOTBALL OPERATIONS REPORT

John Martin

Daniel Vidovich

WHAT A SEASON!!!!
Records and droughts broken in all areas. 3 PREMIERSHIPS, an undefeated season in the league, back to back premierships for the reserves and the colts winning their first premiership since 1989.

COACHING

Maintaining quality coaches within a WAFL program can sometimes prove difficult but this season we saw only the one change with a familiar face in Ryan Redfern coming back as forwards coach to replace Paul Vines.

To have the continuity of coaches just shows the importance and impact it has on our program. The countless hours at training, match committee meetings and match days put in behind the scenes by our Assistant Coaches Steve Wasley, Nigel Hamilton and Ryan Redfern doesn't go unnoticed and along with, the professionalism, knowledge, communication, buy in and passion that you displayed during the season, the club greatly appreciates it and is why we have the best coaching group in the WAFL.

This also applies to our Reserves coaching group, especially our newly appointed Reserves Coach Matthew Cavedon. Thank you for your dedication, commitment and continued development. It was great to have Matt involved in our club in 2018 and congratulations on achieving a successful first year as Reserves Coach. To the Assistant Coaches Robbie Forrest, Matt Scully & Martine Pearman thank you for another outstanding season, your committed and dedicated approach to the program is a big part to the success we had this season.

A special thank you goes to Kelly Properjohn. The time and work you have done with our leadership group and the entire playing group over the past two seasons has resulted in a massive progression and growth with all the playing group, we are forever grateful.

To our head coach Jarrad Schofield, thank you for the amazing journey you have given this club and the support and guidance you have given to our Football Manager, the club will be forever grateful.

You continued to improve yourself and the program every year and the results this season are a testament to your leadership. You have given us all memories that will last forever. Good luck for your next coaching adventure at Port Adelaide and we will all be watching from a far and looking forward to seeing you bring success to the Power.

MEDICAL, FITNESS AND CONDITIONING

The Medical team had another busy year this season, with several players requiring ongoing treatment and support. The diagnosis and treatment provided to players is first class and we thank Craig King for the professional job he did with the playing group. We look forward to Craig continuing his role as head physio in 2019.

Thank you to Doctor Kent Morison for his continued support and involvement we look forward to continuing working with you in season 2019. We would also like to acknowledge Dr Jeremy Strahan who assisted with some games when Kent was unavailable. And to Dr Ross Radic who helped a few of our players with knee and shoulder operations.

To head trainer Tanya Ferguson and her amazing group of trainers we thank you for the work you do for the program with being organised, available and working tirelessly in keeping the players on the track. The players have enormous respect for the medical staff and the time that they dedicate during the week and match days to ensure the club has a healthy playing list.

The league went one better after last year's one loss regular season and Grand Final appearance, becoming the first side since 1946 to complete an undefeated premiership season. We had 11 players make their League debut with the club with nine of them being their WAFL debuts, eight players represent the WAFL State squad, four players make the State 18's, three players in the State 16's and the club won the Rodriguez shield by a comfortable margin. But more importantly we continue to add depth, strength and development to our youth which saw the Reserves win back to back premierships and the league take out the Premiership with another memorable win.

The club remained active over the off season gaining new recruits for the season in Josh Deluca, Ben Newton, Zac Clarke, Drew Rohde, Jakob Atkinson, Travis Cleggett, Jack Fletcher, David Ehlers, Matthew Ehlers, Kaidyn Fullgrabe and Ryan Mu. We also saw the return of Sean Bradley and Luke Norriss. These players all had a big impact to the club whether at league or reserves level. 35 players would represent the Subiaco league side with distinction in 2018.

It is this ability to provide greater opportunities in a professional environment that enables us to maintain high recruiting standards. The club also continues to progress forward with its transition program for players graduating from colts to senior football. Over the season we saw a number of the premiership colt's players train with the senior program to further enhance their development.

The 2018 Outridge Medal saw Kyal Horsley win his third Outridge Medal and create his own sense of history by becoming the first Subiaco player to win two Outridge Medals in a premiership season after also winning the medal in our 2014 premiership season. Kyal had an outstanding year, again being the Captain of the WAFL State team and winning the Simpson Medal for his best on ground efforts in the Grand Final. Leigh Kitchin capped off another outstanding season finished runner up while Zac Clarke had a dominant first season in the ruck for the Lions to finish third in the Outridge Medal count.

Congratulations also goes to Travis Cleggett for winning this year Reserves Blakemore Medal. Travis commitment to the program was outstanding travelling back and forward from Collie for work on off days. We are looking forward seeing his progression to the senior side next season. Daniel Leach and Ben Reid finished second and third in the Blakemore count, the second straight year that this duo has placed in the top three. We look forward to seeing these two further progress to senior football in 2019.

To Lee Parker and the SKG team again came to the rescue when players required scans. We thank you for your continued support in assisting our players with any medical imaging that is required. The partnership with SKG Radiology is something that the medical team, players and coaches are all thankful for, and the club is looking forward to continuing working with you in 2019 and beyond.

The 2018 season saw Dan Hiscock continue to head our strength and conditioning program. Dan has announced that this will be his final season with us and we thank Dan for the work, time and commitment he has shown to the program. Along with Dan we offer our appreciation to Jake Shaw, Andrew Bailey, George Thubron & Chelsea Ross who all provided great assistance to Dan and the program. A special mention to Jake who took on the role when Dan was unavailable at training.

MATCH DAY STAFF

Volunteers are the heart and soul of any football club and the Subiaco Football Club is privileged to have wonderful volunteers that work tirelessly behind the scenes to help the club achieve its success. Words cannot express how indebted the club is to all our support staff.

This year we saw Chris Hood return as a runner for the league and he was instrumental on match days as our League runner and assisting the coaches. Team Managers Ron Tester and Steve Lind did another superb job on game days and at training and to Troy Halligan for assisting the reserves as team manager come finals.

Reserves bench rotation manager Chad Redfern continued his great work controlling the rotations on game day. Thank you to Jack Wasley for his outstanding work controlling the scoreboard for all reserves and league games and our Timekeepers Fritz Vanirsen and James Whelan for their great work this year.

To Nyree Stokes heading the stats team for a 2nd year running, Jeff Hoskins and Jordan Smith thank you for the outstanding job you guys did throughout the season as well. To Bridgette who attended all Colts, Reserves & League games throughout the season videoing the behind the goals vision of games, we thank you for your time and commitment

Alby Hawkins, Micky Bailey and Troy Stafford, the amount of tireless work and early mornings you put in at the club is instrumental in ensuring this club maintains its success. We can never have too many volunteers so if any member feels they can contribute in some form or other please contact the club.

PLAYERS

To the senior playing group, League and Reserves, what a fantastic group of people you are, to be around, to work with and to watch how you go about your business on the training track and games. It is why we are the best in the competition.

To again have two senior teams in Grand Finals is a magnificent achievement. The achievements of the group this season, will be hard repeat. At the end of every season you put the club in a stronger position the following year with your continued buy in and commitment. This is a season that you will never forget. We thank you so much.

The reserves side proved that the depth and talent is continuing to build, not only making another grand final but winning back to back premierships, something the club hasn't done since 2002 and 2003. This really was the start to the club's Golden era and hopefully this Reserves success will continue to build at league level in 2019 and beyond.

Again, we represented the WAFL state side well, with eight players being selected in the final squad. Kyal Horsley, who captained the side, Lachlan Delahunty, Leigh Kitchin, Chris Phelan, Brad Stevenson, Angus Litherland, Rhys Waters and Aaron Heal involved in the team. Well done to Jordan Lockyer and Ben Sokol also for making the initial squad.

Congratulations to Hayden Kennedy, Justin Joyce and Ben Sokol playing their 50th league game for the club and to Drew Rohde playing his 50th WAFL game this season.

A special congratulations to Daniel Leach on winning the Prendergast Medal and Liam Hickmott the Jack Clarke Medal for being the best players in the Reserves and Colts competition. It is an outstanding achievement and something you should both be proud of.

STAFF

To the Directors, Coaches, Football Operations Committee and all club staff that we work with daily, thank you for your support throughout the year, it is much appreciated.

To Beau Wardman & Michael Farmer well done and thank you for turning our colts' and development program around into the best in the WAFL. The two years of hard work culminated in the first colt's premiership since 1988 and was a fitting reward for the countless hours of time and effort you dedicated to the club.

A special thank you to Peter Capes for his ongoing support to the football department, allowing us to implement our program to its full potential. To Teigan Freeman thanks for all your help with the football department this season, it doesn't go unnoticed, we thank you so much and without your help we would be lost.

The history making three premierships in 2018 is a feat that will be extremely difficult to repeat. It was great seeing all the maroon and gold around the place and the club thanks its loyal supporters for their ongoing support and enthusiasm year in year out.

TALENT DEVELOPMENT AND COUNTRY ZONE REPORT

Michael Farmer

Russell Smith

What a year 2018 was.

For just the third time in our club's history, the Colts won the Premiership, a feat not achieved since 1989. Success like this is only possible with a huge effort from all parts of the

club and community. Thank you and well done to every single person involved in the colt's program and supporting programs this year. You should all be very proud.

The West Australian Football Commission took over the Talent program for all nine WAFL Clubs in November 2017 with the vision of running Talent under the one banner with significant contributions from the AFL. The Talent Manager and Colt's Coaches fell under WAFC Management with more resources available to continue the development and growth of our local Subiaco Talent.

While these changes were administered, it did not fault the outlook and view that Subiaco were undertaking from their review of Talent at the end of 2016. By season's end in 2017, Colts had won eight games and our development squads had shown considerable improvement in the Talent Carnival to suggest 2018 could be a competitive year for the young Lion's.

What transpired this year through our Talent programs can only be classed as a huge success. Beau Wardman, in his second year as Coach added some youth and enthusiasm to his coaching staff through appointments of Jason Hoskins and Chayce Creedy while complimenting the experience of midfield coach Scott Stanton. This added a new dimension to the playing group who began to form a close bond led by the captain Madoc Plane.

Andrew Dawe continued to make a difference to our welfare and leadership program while the efforts and commitment of our support, medical and conditioning staff are second to none. The significant change made in 2017 continued to develop making the Subiaco Colts program a professional and elite environment for our players to grow as people and footballers. Luke Foley, Mitchell Georgiades, Wil Hickmott and Xavier Peacock all represented their state for the 18's carnival while an unprecedented seven players were selected from our 16's program to qualify for the State 16's Academy.

Under Beau's leadership, the Colts won four of their first seven games before winning the following 13 games in a row to clinch the Colts first premiership since 1989 by defeating a gallant Swan Districts by two points at Optus Stadium in a memorable day for the Subiaco Football Club. Beau's passion for success and ability to get the most out of his playing group has been instrumental to this sides group and the Talent Program wishes him all the best for his future as Subiaco League coach in 2019.

TALENT SQUADS

Thomas Lowndes, coached the 16's with assistants James Hughes, Stuart Page and Kevan Sparks. The work put into our Year 9 and 10 development sides late in 2017 was clearly evident as players saw the transition into an extended program truly worthwhile. On field success came to this group in the

way of two wins and a draw from their six games and through their participation of the Lion's Pride Program will be a stepping stone into a highly successful Colts program in 2019. I would like to thank Stuart Page who as our Lion's Pride Coordinator has played a huge role in preparing and developing our emerging players in what has become a fantastic development pathway program.

Our Talent Squads continue to focus on skill development and with the change in format back to the 14's and 15's age groups, the club is excited with the level of Talent coming through. League player, Zac Clarke and 16's Coach took on the 14's and 15's head coaching roles respectively and made a major difference to the development and growth in our young players. With assistance from our development coaches who committed to the direction of the program have been wonderful in ensuring our players developed over the course of the 12 week program.

The Subiaco Football Club would like to thank the following for their outstanding contribution and valuable support of our premiership winning 2018 season:

- AE Hoskins Building Services as Major Naming Right Partner Talent
- Topolinis Café as game day sponsor
- Vision Finance as game day sponsor
- Rod Jenkins for 20 years of service to the club
- Sarah Harris incredible service as trainer
- The SFC Ladies Forum game day sponsor and Scholarship Fund

COUNTRY ZONE

The setup of the Regional Academies through Esperance and Kalgoorlie was a major focus in order to identify local talent in the regions but centralise the development and learning opportunities for young talented players in the region. Special mention must be made to Carl Newman, Jimmy Gray, Stuart Tholstrup, Glen Quinlivan and the EDFA and Mark Paparone, Dave Murison, Brendan Simpson and the GFL for their commitment and dedication to their local talent. Through our Colts, 16's, Lion's Pride and Talent programs, many country players were exposed to opportunities of playing football in our programs in 2018.

Subiaco will continue to work and develop local talent through these Academies and continue to build relationships with the local stakeholders, leagues and clubs. Thank you to Murray Sheer and Garry Giles for their support again in 2018 and the wonderful administration support from Annie Boast and Rhonda Worthington from the EDFA and GFL respectively.

I'd like to take the opportunity to finally thank everyone for their support and involvement in the Subiaco Talent Program in 2018 including State Talent Pathways Manager, Michael Ablett and the WAFC for their support in a transition year. I would also like to make special mention to CEO Peter Capes, President Mark Lawrence and the entire board for their unwavering support they have shown of the talent programs and the direction we have been looking to take them.

From coaches, to volunteers and support staff, thank you for your hard work. You have all contributed to a highly successful and premiership winning year.

COMMUNITY ENGAGEMENT REPORT

Adam Cockie

The Subiaco Football Club's Community Engagement Program was able to recommence its full operations in the metropolitan schools again in 2018 at Balga Senior High School and also at our Primary School North Balga Primary School. This year in the Community Engagement Program we have had a strong focus towards engaging with the multicultural and disengaged youth in the Subiaco District. To help assist we

have connected with the West Coast Eagles Adam Selwood and Kim Hannah with their Next Generation School Programs called the Naitanui Academy. We continued the in-school program at Balga Senior High School with the IEC students. We also had more schools engage with the program especially with John Septimus Roe in Mirrabooka. We had a lot of female students engage with the program from schools to grow their football knowledge and skills.

The Subiaco Football Club is working with Balga SHS with their the "Success Through Sport" program to help deliver in the program committing to at risk youth at the school. During 2018 we have delivered a program that covers a range of areas and topics and again the students have formally recognised accreditations in coaching and umpiring. We made sure that this year we could help develop their football skills and help assist them to their local junior clubs.

This year continued our "Learn Today... Lead Tomorrow" program in the primary schools. This year the program was delivered to students in Year 4, 5 and 6 at North Balga PS. After consultation and review with the schools, we have still made it a focus on the literacy and numeracy base and teaching students teamwork, leadership, resilience, social-emotional skills and how to work collaboratively with others. The feedback and responses we have received from the schools have been very positive.

ABORIGINAL FOOTBALL

This year was a very exciting year for the Indigenous boys and girls in the Subiaco Metropolitan Area. We have seen an increase in numbers of indigenous boys and girls in football especially through engaging with the schools in the Subiaco District and transitioning them to local Junior Football Clubs. I want to acknowledge and say thank you to Len Yarran and the WADJAK Centre for their support to our programs with Welcome to the Country and dance performances throughout the year.

In 2018 both Nicky Winmar & Kirby Bentley teams saw an increase in interest with more participants in both teams. In the Nicky Winmar we had 26 players playing for Subiaco with John Yates picked for the WA Kickstart Team that played in Blacktown Sydney and ended up winning the championship. In the Kirby Bentley teams we saw the girl's numbers increase again for 2018 going to two teams and having 44 girls

participate. Five of our indigenous girls were nominated to try out for the WA Diversity Team. This year we had a different approach by not have a state carnival. The girls trained together with the All Nation girls and a squad of 26 was picked. The girls played against a development squad that were created this year from the female talent department.

The other major events that took place throughout this year included District Dreaming which was held at Barry Britton Oval connecting with Balga JFC, NAIDOC Week celebrations and NAIDOC Round at Leederville Oval with Subiaco wearing the indigenous jumpers. It was great to again see our Colts support NAIDOC Round by playing in our special indigenous jumper and exchanging gifts with Peel in a pre-match ceremony.

MULTICULTURAL FOOTBALL

Multicultural football this year in the Subiaco District saw more players engage into football compared to previous years. The District staff went out to schools in the district a ran a 4-6 week football program with the aim to engage with the multicultural students and getting them into AFL and helping them find a Local Junior Football Club. Again, this year we continued our relationship with the Edmund Rice Centre who still run their Edmund Lions Program throughout the year down at Barry Britton Oval. A big thankyou goes to the Edmund Rice Centre with Joe and his crew continuing our relationship helping facilitate multicultural football in the Subiaco district.

This year we have also linked up with Adam Selwood and Kim Hannah from the West Coast Eagle Next Generation Academy. This has assisted to grow multicultural football with their in-school and out of school programs. The NGA program will give more opportunities for students to improve their football and one day in the future push to be drafted as the new category B selection for the West Coast Eagles. Towards the end of the year Subiaco and Edmund Rice Centre will be entering in a team for the Naitanui Cup to play against the other teams in the West Coast Eagles zone and from there players will be selected to tryout for next years WA All Nation team

The other major events that took place in 2018 were the International Round at HBF Arena, Bachar Houli Cup which we had two school represent the Subiaco District giving multicultural students the opportunity to play against other schools and Harmony Day with the Edmund Rice Centre.

So, after a very satisfying and eventful year in 2018 the Subiaco Football Club is very excited to look forward to 2019 with the knowledge and feedback we have had from Community Engagement Programs and will be looking forward to keep continuing to deliver our programs. We are excited about the future growth of these programs and getting to work with a different group from within our zone, many whom have never been involved with football before. We are looking forward to introducing more multicultural youth in our zone to the program and keep showing them the benefits of being involved with the Subiaco Football Club and football in general.

MEMBER SERVICES AND FACILITIES REPORT

Basil Fuller

After a record breaking on field season it is my pleasure to provide to members this report highlighting the activities in member services and facilities across 2018.

FACILITIES

We have seen a number of changes within our facilities in 2018, namely the loss of our Subiaco premises meaning we have put more attention into our Leederville facility. After nearly 50 years we vacated our Subiaco premises with the hard work of Kevan Sparks in consolidating the

functions and events from Subiaco to Leederville ensuring little has been lost in this transition.

My thanks go to the TRG, Tuesday Response Group, for their hard work in 2018 ensuring that regular maintenance of Leederville has been undertaken to the expectation of members. The TRG have ensured that the club's gym facilities have been maintained to a high standard and all repairs to the Leederville facility have been completed. Our group enjoy a comradery of association within the club and all represent many years of involvement.

The club also thanks Michael Hoskins for the professional assistance of AE Hoskins Building Services in planning, constructing and building our new Corporate Deck area that was completed in 2018. This facility will prove to be an important function space and provide guests with an inner sanctum feel at games.

FUNCTIONS & CATERING

Our Grand Final Luncheon at Optus Stadium was the highlight of this seasons activities. This function was well organised and attended by 160 people with Club President Mark Lawrence welcoming guests, MC Lachy Reid presenting activities and guest speakers including David Neitz, Matt Cavedon, Jarrad Schofield and some of the reserves premierships players. Guests enjoyed the function and then watching Subiaco win the league premierships in style.

The Outridge Medal Presentation Dinner was held for the first time at our Leederville facility and was a highly entertaining event with over 180 players, officials, coaches, support staff and fans in attendance. Congratulations go to Outridge Medal winner Kyal Horsley and all other award winners. Meanwhile the Taylor Medal Night was also held at the Leederville facility and was another great event as the club celebrated their third Colts premierships season. Congratulations to Taylor Medal winner Liam Hickmott and all other award winners.

The club rebranded the Leederville facility as the Leederville Sports Bar & Function's Centre in 2018, highlighting both the Functions side of the premise as well as the Sports Club side of our premise. The addition of Foxtel and TAB facilities ensures that we will have a marquee destination for both watching sport and holding functions in 2019 and beyond. Members are encouraged to consider using the Leederville Sports Bar & Functions Centre for all function needs.

Our thanks go to Club Caterers Topolini's, led by Phil and Jodie Jardine. Topolini's have continued to provide a high standard

of catering at all special events and at home games. A family business that provides popular footy food to our members, we thank Jodie and Phil for their personal involvement and ongoing interest in the club. We also thank Leigh Kitchin and his coffee van service which has been the new coffee feature of 2018 home games. We appreciate the support of Leigh and his team to provide another key service to members on game days.

MEMBERSHIP, MERCHANDISE & COMMUNICATIONS

The successful premierships season of Subiaco has meant a new premierships range of merchandise is available for purchase. A premierships range of polo shirt, tee-shirt, cap and stubby holder has been released. Our standard range remains available and featured on our website with specials being advertised regularly with Christmas in mind. The Team Store is located in our Reception with Teigan Freeman managing operations.

As a service to our members our website continues to be the competition's best being a professionally produced medium with our weekly Lions News reflecting club activities and matters of member's interest. Added new content on Facebook, Twitter and Instagram keep up with current trends and create a club public forum. A weekly club website TV series featuring Justin Joyce and Clancy Wheeler was another new popular feature of our communications in 2018.

We need membership to remain a priority of all Subiaco fans in 2019 and beyond. Despite our recent success, we have failed to add to our membership at a sufficient rate and encourage all fans to become members and all members to recommend further members.

In 2018 as a result of exiting our Subiaco Oval facility we lost over 100 inbuilt Squash Club memberships. This situation was somewhat, offset by 88 new applications with other categories registering small increases or holding firm on last year's results. We have recently forwarded a survey to members requesting comments relating to member expectations for home games, facilities, activities, merchandise and any suggestions considered appropriate for consideration.

CLUB MAJOR RAFFLE

This annual event again drew a positive result due to the efforts of our partners with this project, club members, junior football and associated netball and women's football clubs. The result of a \$70,000 return saw funds distributed to our partners to financially support their operations with the balance underpinning our club Junior development programs including our aligned football academies. We continue to implore members to support this and other fundraising initiatives in 2019.

Special thanks go to donors for the 2018 Major Raffle including, Double-Six Luxury Hotel Seminyak, Motive Travel, Engel Australia, Loftus Recreation Centre, West Coast Eagles, Fremantle football Club, Driftwood Wines, Wembley Golf Course, Topolinis Caffe, IGA Wembley & Leederville, APE Medical, iFly Skydiving and Harvey Norman City West.

The Member Services committee has been active through the year with excellent input to the direction the club takes with event planning, member benefits and communication. To Peter Capes, Cameron Palmer, Debbie King, Teigan Freeman and Kevan Sparks my thanks are recorded for the positive contributions on all occasions.

We now look forward to continued successful planning for our challenges in 2019.

GOLDS REPORT

Ross Lockhart

What a great year of success for the Subiaco Football Club and the Subiaco Golds. Premiers in Colts, Reserves and League. My thanks go to my Committee for their assistance during 2018.

We had a variety of speakers during the year including Club President Mark Lawrence, Senior Coach Jarrad Schofield, Football Manager Daniel Vidovich and Corporate Manager Cameron Palmer. Subiaco CEO Peter Capes also came to our mid-year meeting to inform us

about the ongoing development of the club. Once again we enjoyed the company of the Ladies Forum at our meetings. A good arrangement for both groups and we look forward to continuing this arrangement next year.

Thanks to Ron Tester who did a great job in organizing the invitations to players to come along to our monthly meetings. He concentrated in endeavouring to getting along new players so they could get an understanding of what Golds do around the club. Congratulations to Kyal Horsley who took out the Golds Player of the Year and Zac Clarke who finished Golds Runner Up. Special mention to Horsley, Clarke and Lachlan Delahunty who took out player of the month awards.

This year Golds again donated funds for the purchase of a new washing machine, Boxing Gloves and Medicine Balls for the Players Gym. In September, I travelled to Kalgoorlie for the Goldfields Football League's Grand Finals. Congratulations to Mines Rovers who defeated Boulder City in the League Grand Final and congratulations to Ryan Vermeersch who was presented with the Subiaco Golds Medal for the Best Player in the Grand Final. Our thanks go to Goldfields Football League for the way they looked after us again.

My thanks go to President Mark Lawrence, CEO Peter Capes, Football Manager Daniel Vidovich and Corporate Manager Cameron Palmer who was of great help on our meeting evenings. A special mention to the office staff especially Teigan Freeman for her assistance with our monthly notices. Special thanks to Kevan Sparks for his help at each of our monthly meetings and also our BBQ Specialist Mike Bailey. Special thanks go to the TRG for their assistance in setting up on the day of our meetings.

Lotto Super numbers is our major fund raiser and to all who supported this, our grateful thanks. Thanks also to all those members who donated raffle prizes for our Dinner Meetings. Subiaco Golds wish Jarrad Schofield all the best in his new adventure in moving to Port Adelaide to further his coaching in the AFL and we are excited by the appointment of new league coach Beau Wardman up from the colts.

To all at Subiaco Football Club, the committee and members of Golds I extend my thanks for their support and wish everyone a Merry Christmas and a successful New Year.

PPO&S REPORT

Glory Glory Subiaco. "Subiaco players know the meaning of success." What a club! What a year! We have been blessed to hear the theme song of the Mighty Subiaco Lions 52 times in 2018.

Can you imagine a club winning all three grades in one season? Probably not but it happened this year. 2018 that will live long in the memories of the Subiaco faithful. Thanks to ALL concerned.

Special thanks to Senior Coach Jarrad Schofield as he moves

onto the AFL and Port Adelaide. Well done to a Champion Player, Coach and Bloke.

Great to see the Reserves win 2 in a row, must be all the food and awards that we give them at our half time functions. LOL.

Huge congrats to all the Medal winners. Reserves Prendergast Medal Daniel Leach, Colts Jack Clarke Medal Liam Hickmott and Simpson Medal Kyal Horsley. Merv McIntosh Medal Reserves Grand Final Adam Cockie and Mel Whinnen Medal Colts Grand Final Tristan Hoble.

Its hard to comprehend but 2018 must be just about the perfect year.

I must thank all my Committee for all their hard work and dedication during the year especially at home game matches.

Super special thanks to Celeste Lane for her tireless work. Thanks everybody.

Once again our half time functions have been very well supported and we thank all the members and supporters who buy our lucky tickets and thus help us support all The State Schoolboys and Girls teams and our other endeavours.

No Colts Quiz this year but it will be back bigger and better next year.

I would like to make a suggestion here for more of the Past Players Officials and Supporters Association and Golds Members to join both groups. Past Players have functions at Half Time at all WAFL matches and Golds meet once a month on a Tuesday night. Both groups do great things for the club and are great value to join. Let's see everyone join both.

2018 also saw Committee members Celeste and Terry visit Esperance on our behalf and hand out trophies and make a cash donation from our Association. This is an Annual event and is much appreciated by the Esperance clubs.

Another highlight for me in 2018 was to hand out State Jumpers to all our Subiaco Zone members, both Schoolboys and Schoolgirls.

In ending I must thank all the great people at Subiaco for such a great season. Thanks everyone. Special thanks to Cameron Palmer, Paul Pisano and Michael Farmer.

Go Subiaco. Can't wait for season 2019.

Have a safe and blessed Christmas.

LADIES' FORUM REPORT

Dee Kitson

Congratulations to the Colts, Reserves and League teams on making history with all grades winning their respective grand finals this year. What a day it was! A special shout out to the Subiaco Women's Team who narrowly missed winning a premiership this year. Further congratulations to Kyal Horsley Outridge Medallist, Travis Cleggett Blakemore Medallist and Liam Hickmott Taylor Medallist.

The Ladies Forum provides support to the Colts football players to achieve their football aspirations by fundraising for the player's Scholarship and Welfare Fund, promoting friendship and involvement among the ladies at the Subiaco Football Club, provision of Colts player award and financial recognition of league milestone players.

This year the Ladies Forum raised funds by assisting with club raffles, hosting a sausage sizzle, which we hope to make an annual event and our ever-popular cake stall. Many members enjoyed supporting the club's Ladies Day held in July. Our 2018 Scholarship and Welfare Fund was spent assisting some Colts

players with financial help for medical support and assisting some country players with their travel costs. This year we introduced a financial reward to a Colts player at each home game, previously this was awarded on a monthly basis. Lastly, it gave us great pleasure to present Adam Vallelonga with the Most Consistent Player trophy at the Taylor Award evening.

Whilst we are a small group, we are proud of what we have achieved in 2018. If you are interested in joining us for a meeting and finding out more, they are held on the first Tuesday of the month at 7pm from February to September. Please contact the club for more details. We welcome new members.

In my first year as President, I'd like to extend a special thank you to Jeanne Thomas (Treasurer) who shared the Secretary duties with me this year and for all the support from the Gold's on our shared meeting nights. Thank you to Beau Wardman, Michael Farmer and Cameron Palmer for their continued support and kindness throughout the year. Thank you to Mark Lawrence, the board of directors and Peter Capes for your support during the year. Finally, a big congratulations to Jarrad Schofield for his long-term involvement with Subiaco Football Club. You will be missed. All the best to those beginning new roles with Subiaco in 2019. May it be another successful and enjoyable year for all staff, players and supporters.

LIFE MEMBERS' REPORT

Kyal Horsley

Chris Phelan

The Subiaco Football Club 2018 Life Member Dinner was held on Friday April 20th with over 50 of Subiaco's living Life Members in attendance at what was a memorable night for the club.

Meanwhile Subiaco Life Member Aidan Parker was given the honour of officially welcoming and presenting Chris with his life membership tie and badge. In his acceptance speech Chris reiterated what an honour it was to play 150 games for such a great club. Like Horsley, there were times when Phelan doubted making such a momentous milestone and paid tribute to current league coach Jarrad Schofield for his role in the ongoing evolution of Phelan's game to become one of the premier midfielders of the WAFL competition. Phelan would go on to win back to back Outridge Medals in 2015 and 2016 playing a key role as a two time premierships player across 2014 and 2015.

The two players formally inducted to the Subiaco Life Member group by receiving their life membership badge and life membership tie were club stalwarts Kyal Horsley and Chris Phelan. Both Horsley and Phelan qualified for life membership after each playing their 150th WAFL league match in the 2017 season, with their life membership officially approved at the 2017 Subiaco Annual General Meeting.

For both Kyal and Chris the occasion and emotion of joining such an illustrious group of Subiaco Lions players, coaches, support staff and administrators was evident in the way in which they spoke about their history with the club and the future as they look forward to being life members of the Subiaco Football Club.

Subiaco Life Member Trevor Nisbett was given the honour of officially welcoming and presenting Kyal with his life membership tie and badge. In his acceptance speech Kyal acknowledged the senior players who were at the club when he started for their guidance and setting a culture of hard work and striving towards elite standards. Admitting that there were times he didn't think he would make it at Subiaco, as a young player coming up from Kalgoorlie, Horsley's persistence was rewarded as he became a premierships winning club captain, two time Outridge Medal winner and was drafted to the Gold Coast Suns.

Chris's parents Joe and Terri and Kyal's father Geoff along with other family members and close family friends of both Chris and Kyal were also in the room for the dinner adding to the significance of the occasion for both new life members.

It was also the first opportunity for one of last year's inductees to be at a Life Member Dinner for the first time with Bret Hutchinson after missing last year's dinner, making it after being awarded life membership at the 2016 Subiaco Annual General Meeting.

Subiaco has inducted 179 Life Members throughout its history with 99 of those Life Members still alive in 2018.

VALE

Subiaco sadly lost one life member, a premierships player and a respected assistant coach in the past 12 months.

Life Member Alan White, premierships player Shane Yarran and coaching mentor Wayne Orsi all passed away during 2018.

White played 136 games between 1953 and 1961 finishing as the club's leading goalkicker in 1954 and winning the best clubman award in back to back years across 1958 and 1959.

White's commitment to his team was further highlighted by being the player's representative to club committee in 1960 and 1961.

White was inducted as a life member of the Subiaco Football Club in 2002 and is also a club diehard.

Yarran was a two time premierships player of the Subiaco Football Club representing the club with distinction in 39 games across the 2014 and 2015 season.

Along with his two premierships, Yarran won the Bernie Naylor Medal as the leading goal kicker of the WAFL competition in 2015.

Orsi spent the past five years with Subiaco completing roles as both an assistant coach and coaching mentor.

Orsi played an important role in driving the culture of the Subiaco Football Club as a key confidant of the current Subiaco coaching group.

The 2014 and 2015 premierships were both won with Orsi in a role of assistant coach.

SUBIACO SURVEY

The 2018 Subiaco Survey was held at the conclusion of the season, with over 100 complete responses being received from Subiaco's members and supporters in an extensive survey on club functionality. In a positive sign for the club, overall satisfaction peaked at 92%, testament to a great on field season by everyone associated with the club.

With the Subiaco Football Club currently going through a transition phase off-field, the club continues to need support or members and supporters by both becoming members and donating to the club.

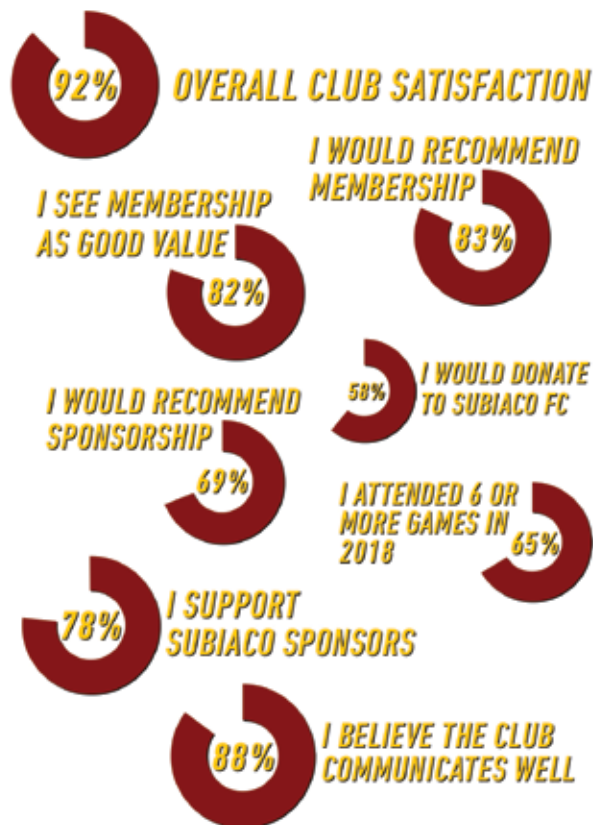

Membership recommendation peaked at 83%, sponsorship recommendation peaked at 69% and donation support at 58%, with fans encouraged to support these areas of the club moving forward to help with the financial stability of the club.

Other key findings that will be embraced in 2019 and beyond included; more access to food and drink offers for members, increasing the number of benefits offered through membership, ongoing improved entertainment on match days and overall having a stronger reach into the community.

The majority of responses highlighted the passion that exists for Subiaco and the WAFL competition as a whole, with most reiterating the positive interaction that they experience from being involved with Subiaco and WAFL football as a whole.

These key messages came through from a number of responses and reiterates to the club the ongoing direction that will be further analysed and supported.

The club thanks all those who helped contribute to the Subiaco Survey in 2018.

LEAGUE COACH REPORT

Jarrad Schofield

As I sit here at the end of a season filled with amazing highs against a backdrop of many challenges and adversity, I can only be incredibly proud of what our club has achieved in 2018.

A 14th club premiership. The first undefeated season in over 70 years. Best defensive team in over 70 years. Second club to win minor premierships in all three grades. First club to win league, reserves and colts premierships. It truly was an incredible year!

Going into the 2018 season, I always felt it would be a challenging year as we looked to overcome the disappointment of the past two seasons, especially the 2017 Grand Final loss where we felt we had missed an opportunity.

The doubters were there. Could we bounce back from last year, would mental scars linger, could we overcome list turnover which saw over 20 players come in and go out, would our senior guys as a year older still be able to produce a strong brand of football. As the year went on, this team full of character, proved all those doubts unfounded as they embarked on one of the greatest ever WAFL seasons.

We embarked on a tough pre-season highlighted by a gruelling pre-season and pre-season camp by our year one to year four players. It was during this time that I felt that 2018 could be a great one, as our young players showed their growing mental strength and our senior players showed they had unfinished business to take care of. The club supported these efforts by recruiting Drew Rohde, Ben Newton, Josh Deluca and Zac Clarke; four high quality players and people who had significant impact on our premiership success.

We again showed we are a club that provides opportunities with 11 players debuting for the club, including eight first gamers. 35 players represented the league team in 2018, our lowest in a number of years. This is credit to our strength and conditioning and medical teams. Thanks to Craig King and Dan Hiscock and his team for their efforts this year helping keep our players fit and playing to a high standard week in, week out.

As the year started we showed a highly efficient forward line, with a number of players helping impact the scoreboard. We ended up kicking more goals in 2018 as opposed to 2017 as players like Lachlan Delahunty, Kyle Halligan, Zac Clarke, Rhys Waters, Brad Stevenson and Ben Sokol all had outstanding years. They were supported by a midfield group blessed with the incredible leadership of Kyal Horsley, Leigh Kitchin and Chris Phelan. We built on our midfield strength as Zac Clarke's influence in the ruck meant we ended up as the number one clearance and hitout to advantage team in 2018. As for our historic defensive group, they again proved to be a rock solid and consistent group. The great unity they showed was pivotal to our success as they epitomised that the small improvements would make us a better team.

The challenge as we kept winning games, was to keep winning. It defines the mental strength of this group that they were constantly able to get the best out of themselves and keep winning games of footy. This mental strength was most evident as we lost two people who were close to our player

and coaching group. To lose Wayne Orsi and Shane Yarran in the space of a few weeks was devastating. I was proud of the way we dealt with it internally and the support we showed each other in what were tough times. It did galvanise and help drive us closer to the premiership we coveted.

That premiership would eventually come in September as we played close to the perfect game. We always strive for the 'perfect game' and played it at the right time. Our pressure throughout the game was outstanding, our midfield was dominant, our defence held firm throughout and our forwards made the most of their chances. It was everything we try to do in a game coming together to help produce the club's 14th premiership.

It was a reward for the disappointment of the past two years, made even more memorable that our Colts and Reserves also won premierships on same Grand Final day. To Beau Wardman, Matt Cavedon and their respective teams, congratulations on your premiership achievements in 2018.

On a personal level, 2018 was an incredible way to sign off my coaching journey with the Subiaco Football Club. I couldn't have asked any more of the players. I am super proud of the commitment and dedication they have shown this year and in my time as coach. The relationships that I have built this year and in past years will last a lifetime and I look forward to seeing those players grow as players and men as their lives progress.

To President Mark Lawrence and CEO Peter Capes thanks for your support in 2018 and throughout my time as senior coach. To my coaching group, Steve Wasley, Nigel Hamilton and Ryan Redfern thanks for your substantial time commitment and hard working efforts in 2018. To Daniel Vidovich thanks for your ongoing support to me and the players. To all the admin staff, volunteers and support staff, thanks for your efforts in supporting the team. Special thanks go to Mick, Alby and Tania who have supported me through the whole six years coaching this great club.

The journey as senior coach over the past six years has been one to remember. This club will always have a special place in my heart. I am excited to see what success might come and will be watching on with interest from afar forever supporting the mighty Lions.

RESERVES COACH REPORT

Matt Cavedon

Looking back on the season, I really did throw myself into the deep-end by joining Subiaco as the Head Development coach this year. I was a relatively in-experienced coach taking over a premiership winning side and it didn't take me long to figure out that at Subiaco the standards are explicit in the pursuit of excellence.

My priorities as the Development coach in order were to support the League side in their quest to win the 2018 premiership and oversee the football and personal

development of all the players who weren't established League footballers.

Together with all the coaches we facilitated Individual Development Plans and comprehensive goal setting regime to try and equip the Development players with the tools to be their best. As a group we focussed on two areas Our Energy and Our Method. Our Energy referred to upholding Subiaco standards in terms of how we prepared, trained and competed on game day. Our Method was our ability to execute the Subi gamestyle and play your role for the team.

I feel like every player on the list improved and the thing that I am most proud of is that we as a club were able to debut 9 Development players into the first WAFL League side to go undefeated in over 70 years! Excitingly, a number of others are knocking the door down and we expect many more debutants in 2019.

To me, it still feels like a dream that all three sides were able to finish Minor Premiers and taste the ultimate success.

From the outside it would be easy to assume that the Reserves Grand Final teams of 2017 and 2018 had a large number of the same players. However, only 7 players from the 2017 Grand Final played in the 2018 Grand Final. Those players were McKenzie Lawrence, Daniel Leach, Ryan Borchett, Nick Menegola, Ray Daniels, Ben Reid and Michael Braut. Importantly 3 players from the 2017 reserves Greg Clarke, Braden Fimmano and Jacob Miller went on to play key roles in the 2018 League Premiership.

THE SEASON

We got to Rd 6 and sat at 2 wins, 3 losses after losing to Sth Fremantle by 2 points in Rd 2 and being soundly beaten by Swan Districts and West Perth in Rd 3 and 6. Fortunately we had a bye after the West Perth game which allowed us two weeks to refine our craft and focus on areas of our game that had let us down. We would go on to only lose another 2 games for the rest of the home and away season and come away as Minor Premiers.

THE OUTSTANDING PERFORMERS

Daniel Leach had an outstanding year making his League Debut in Rd 17 against Claremont, was awarded the Prendegast Medal for the WAFL Reserves Best and Fairest and finished Runner-up In the Blakemore Medal.

Travis Cleggett came to Subiaco from Collie as the reigning Hayward medallist for the Best and Fairest player in the South West Football League. Travis continued to get better

and better as the season went on and was rewarded for his consistency and outstanding form in the second half of the year with the 2018 Blakemore Medal. All Subiaco supporters should be excited as Travis has shown he has the ability to be a very good League player in the future.

Former Subiaco Colts Ben Reid, Jack Beverley and Max Dennis rounded out the top 5 in the Blakemore and have shown considerable improvement throughout the season.

FINALS RECAP

The boys sprinted out of the blocks in the 2nd Semi-Final against East Perth leading at quarter time 44 to 0. East Perth fought back but Subiaco held a 27 pt lead at ¾ time only to see East Perth storm home with a 6 goal to none last qtr.

The Preliminary Final saw us face a very strong Claremont side at Sth Fremantle, it was a true four quarter performance in a brutally physical encounter that saw both teams lay over 80 tackles. We were in control all day and finished off with a 42pt win and much needed confidence.

The Grand Final was an early start on the amazing Optus Stadium. As a group we knew it important we started the day well for the club. The game was an absolute arm wrestle all day and to the boys credit after being 5 points down at ¾ time and some wasted opportunities early in the last quarter we hit the lead after 20 minutes and never looked back and defeated a very experienced and talented East Perth outfit by 18pts.

Through injury interrupted circumstances we were fortunate to have the class, experience and leadership of Adam Cockie and Craig Hoskins. Adam had a dominant Grand Final and was deservedly named best afield. Craig Hoskins had a fantastic finals series and was named player of the finals. Shannon Nelson with 2 goals, Michael Braut and Ryan Borchett with 3 goals were the other outstanding performers on the big stage.

THE THANK YOU'S

First and foremost, I need to thank my beautiful wife Kate for supporting me and the amazing job she does with my 2 x boys Miller and Carter. I would like to extend that thank you to all the partners, girlfriends, relatives and friends who supported the players and staff throughout the year.

To Peter Capes, Mark Lawrence and the club Directors thank you for your support and welcoming me in to your club.

To my Assistant Coaches Rob Forrest (Midfield), Matt Scully (Forwards) and Martine Pearman (Backs) I feel fortunate to have worked with you all and it was one hell of a ride in the coaches box at times. It also didn't take much to convince Kellie Properjohn to extend her club role to include assisting us in the coaches box, her calming influence and clarity of thought was something that was truly beneficial for all of our coaching development and performance.

The League Assistant Coaches Steven Wasley, Nigel Hamilton and Ryan Redfern thank you for your support, mentoring and collaboration. I know how hard you all work and I hope you take time to reflect on how big a part you have all played in what the club achieved this year. Our Football Manager Daniel Vidovich was the first person we would all turn to for help and assistance and he never wavered in his support, I know Dan will be successful in his new career and I wish him all the best.

To Jarrad Schofield, you took a punt on me as a young relatively in-experienced coach, were able to harness my

boyish enthusiasm, mentor, teach, trust and most importantly instil a belief in my own ability to coach. We are all excited to watch you realise your ultimate potential in the AFL.

To all the coaches mentioned above, I am proud to now call you all friends as you are all quality people.

Our Support Staff - Chad, Tyronne, Steve, Troy, Rocket, Callum, Alby, Mick, Troy, Dave, Hughesy, Matt, Jeff, Nyree, Jordan and the countless other volunteers you all were critical in our success. The Medical and S&C team notably Dr Dan, Jake, Kingy, Tanya and her team your efforts resulted in us

having over 60 fit players who were available for selection on Grand Final day which is the result of your professional ongoing support and calculated individual management.

Lastly thank you to a great bunch of young men who played Development football in 2018. I saw improvement in each and every one of you. It might not be obvious to you but the life skills you are learning in professionalism, leadership, dedication, working under pressure and teamwork will help you go on to be successful people and role models in whatever you do in life. See you in November ready to climb the mountain again!

COLTS COACH REPORT

Beau Wardman

On the back of significant improvements in 2017 with our talent programs, we were keen to maintain our growth mindset and strive to higher levels in the program on and off the field. Our vision was to implement a program which centered on improving each individuals footballing capability by developing the person and challenging our ambitions and values to become better versions of ourselves. As a result, we have witnessed great growth in the confidence, communication and drive of the players, a strong

unity between staff and players and most of all an enjoyment in the game.

This playing group is a special one. Led by our captain Madoc Plane they have lived our values and become unified and confident with each other, which ultimately resulted in the premiership success at the end of the season. As a coach, I could not be prouder of this group, their growth, positive attitude and unity. The humor and camaraderie in the group made it a pleasure to be at training and the bond between the players demonstrates why people enjoy and want to be at the Subiaco Football Club. However, it was their dedication in training, striving to improve and make their best better, which yielded greater results in 2018.

Some 44 players had an opportunity to play at colts' level this year, 28 for the first time. We had strong representation from our Esperance and Kalgoorlie country zone players at colts' level and in our Lions Pride Program headed up by Stuart Page this year. The Lions Pride academy continued with a full program of games and development opportunities for the next wave of colts' players. Stuart has done a terrific job in this role ensuring the continued development of the players.

The buy in from players from day one of pre-season was in large part due to the positive learning environment created by all our coaches. With a strong focus on preparing the players for senior football and educating them on the standards required at that level, our assistant and development coaches brought with them a wealth of knowledge from a variety of backgrounds and their ability to pass this onto the players was first class.

This year we welcomed on board Chayce Creedy and Jason Hoskins, joining Scott Stanton on the coaching staff. I could not have asked for a better core group of coaches, their dedication to program and players is unquestioned and undoubtedly led to the overall success of the team in 2018. In addition, we had great support from Nicholas Visser, Matt DeBarro, Jackson O'Malley, Garry Addison, Stu Page and Tim Grose who all provided valuable contributions on the training track and game day.

Our entire staff team put in an enormous amount of time and effort, our medical team Sarah Harris, Kristelle Graus and Scott Flood with their team of trainers. Matt Olds and Cam Fry who led the Strength and Conditioning this year, ensuring the players were fitter and stronger than they have been previously.

As we are all aware, volunteers are the heart and soul of any football club. I would like to acknowledge the support staff that assisted the Colts in 2018. To Andrew Dawe, Gemma Miller, Tim Stobart, Rod Jenkins, Ted Leunig, James Hughes, Tom Hoar and Micky & Albs in the property room - thanks very much for all your efforts.

To the people behind the players, coaches and staff, the parents, families and supporters who give up their time to support our football pursuits, it can be a selfish game at times, but without your support it would not be possible.

To the board and the club administration, led by Mark Lawrence as President and Peter Capes, CEO, thank you for the opportunity to again take charge of this terrific group of young men. Thanks to our major sponsor AE Hoskins & Sons, and colts sponsors Vision Financial, Topolinis, Attvest Finance and the Ladies Forum.

Russell Smith, as our Talent and Country director, who have provided great support with your vision for the programs and expertise and experience across roles within the club – we know there is still work to do, but we are on the right direction to ensure the long-term playing viability and continued on-field success of the Subiaco Football Club.

Jarrad Schofield, as senior coach thank you for your assistance in guiding the program but more so your mentorship, it was greatly appreciated, we wish you all the best with your new role at Port Adelaide. In addition, Dan Vidovich, football manager, your guidance and support as ensured greater integration and transition for all involved with the colts program.

A special mention to the following colts players on their personal achievements in 2018:

Liam Hickmott in winning the Taylor Medal and Jack Clarke Medal

State 18s – Luke Foley, Wil Hickmott, Mitch Georgiadies, Xavier Peacock

State 16s – Taj Schofield, Sandon Page, Tyler Broughton

WAFL Colts Team of the Year – Liam Hickmott, Jack Mayo, Luke Foley, Tristan Hobley

WAFL Colts Leading Goal Kicker – Jack Mayo.

Our leadership group, led by Madoc Plane set a high standard on and off the field. Your dedication to improving yourselves and the group is to be celebrated and I know you will continue to live the club values as senior footballers.

Good luck to all players in your endeavors over the coming years, I look forward to watching your progression closely.

DISTRICT FOOTBALL REPORT

Season 2018 has come and gone and we see it off as being another successful one in the Subiaco District. With the success of this season we do acknowledge the challenges we faced along the way. Administering football to more than 7000 community footballers is not always easy – but is always rewarding. We attribute the success of this season to the outstanding work done by the volunteers throughout our football network.

The Subiaco District Football Development Council exists to grow, develop and promote football within the Subiaco Football Club's aligned zone/boundary – the Lions District. This includes but is not limited to Auskick, Junior, Youth, Senior and Veterans Football, with pathways for both male and female players. It encompasses school competitions and engagement clinics to promote the playing pathway and community engagement opportunities with programs developed to nurture and grow football within Aboriginal and Multicultural Communities.

2018 HIGHLIGHTS INCLUDE:

- 100% of district coaches accredited under the WAFC accreditation program
- Successful roll out of the new Auskick model to five of our 7 junior clubs
- The Auskick Gala Day hosted by Kingsway JFC was a tremendous success with record participation.
- Continued growth of the successful junior and youth girl's competitions and the launch of the WAAFL Women's Competition with strong representation from Subiaco Clubs. The pathway is near completion.
- This year saw the first ever Female Development Squad Program established with the Metro North team demonstrating strong representation showcasing some very talented female footballers.
- Quality Aboriginal Football Programs with the District Dreaming Round run at Balga JFC celebrating NAIDOC and a standalone Nicky Winmar and Kirby Bentley representative teams
- Partnerships with the Edmund Rice Centre and the West Coast Eagles to provide a comprehensive football experience for multicultural youth with the area.
- Football giving back to the community with more than \$10,000.00 raised for Sarcoma Research through local clubs engaging with the Sock it to Sarcoma! Odd Socks Round.
- Another year of growth in WAFC school programs and competitions, with 90% of schools having a registered and active AFL School Ambassador. Servite College head of Physical Education Alice Potter also winning the Most Outstanding First Year School Ambassador Award.

Without doubt, hats go off to the clubs in our District, both Junior, Senior and Veterans; the work they do behind the scenes and front of shop ensures that our children, men and women have a safe and fun environment to play football in. Sometimes we take that for granted, but without doubt, without their support, football would not exist in the state it does now. Acknowledgement and thanks is extended to club Presidents and their committee's for working with the Subiaco District Council and the Junior Competition Committee

in providing the outstanding competition we have for our players today and working to develop quality clubs within the community.

AFFILIATE CLUBS

The Subiaco District is the proud home of a number of wonderful football clubs. We thank all clubs within the Subiaco District for their efforts in helping grow the game in 2018.

Yet again our umpiring group, ably led by Alex Pannell, has committed themselves to our game and come out the other side as one of the best umpiring groups in WA. Thank you for your ongoing support.

The District is lucky to have some high-class volunteers of the calibre of Rosemary Goodin, Rob Goodin, Ray Buscall, Ian Brotherton and Danni Dix (to name only a few) who put in countless hours during the week and again on the weekend. These are the people you see around the grounds supporting the competition and without them, the game would not be the same.

How could one not acknowledge the outstanding work our District staff too? Words are not enough and many thanks must go to our "crew". Andrew Ridley, Callum Warner, Matt Debarro, Jesse Tippet and Kathy Monck who have been unbelievable this year and a massive reason behind why our competition runs as smoothly as it does. Thanks also to Adam Cockie for the work he does in engaging our Multicultural and

Aboriginal communities. Callum Warner left us at the end of the season for new and exciting things and we thank him for his service to the Lions District.

Congratulations also to all the award winners and premierships here's this season and in particular our club of the year winners. Osborne Park FC were crowned Senior Club of the Year and congratulations is extended to the Sorrento Duncraig JFC who took away the Junior Club of the Year. Whilst there can only be one winner acknowledgement is extended to the outstanding work the Carine JFC did this year and were a close second in the junior award. Congratulations also to Michelle Richards from Sorrento Duncraig who took out the 2018 Sunday Times Volunteer of the Year for the Lions District.

Finally to Cindy Dunham who left her post as District Chair after five years in the role to take up a role in Melbourne. On behalf of the Subiaco District clubs, volunteers and staff we thank Cindy for her contribution, leadership and passion. You are and will continue to be missed in this role.

We hope you all take the opportunity to enjoy a well-earned break from football, refresh yourselves and get ready for a huge 2019!

See you around the grounds.

LITTLE LEAGUE REPORT

We had all of our local junior Clubs play throughout the year with about 300 junior players participating in Little League in 2018. The make-up of the teams was very similar to that of last year with girls, multicultural and integrated football games.

Many thanks to the following people who took time out to address the Little League players and include us as part of the Subiaco Club. Our thanks must start with Schoey who allows us into the change rooms, making us feel very welcome, right through to the Grand Final which provided a great buzz for the junior players, having a guided tour at Optus Stadium through the Eagles change rooms. Thanks to Peter Capes, Debbie King, our number one ticket holder, Justin Langer, Tania, Alby, Mick, Fritz, Ron, Kevin and Troy, and of course, all of the players who addressed and inspired the juniors at each of the home games. Thanks so much everyone.

At the Grand Final, we were represented by a team of 22 children chosen by their Clubs and brought together just for the day. This was their one and only team outing and it was great to see their combined team effort. Consequently, we won the major sponsor's, Movie Masters, shield making us the fourth Subiaco team to take out the premierships on Grand Final Day.

My sincere thanks to Matt for his ongoing support and organisation, and to the Club, support staff and players, for their interest and support of our Little League. Hilly – 100% Subi

SUBIACO FOOTBALL CLUB WOMENS' REPORT

2018 was a momentous year for the Subiaco Football Club Women's club as the club successfully rebranded from Coastal Titans to Subiaco Women. The change made the long standing partnership to the Subiaco Football Club more formal, with this the next step in a long term strategy of fully integrating the men's and women's programs of Subiaco.

What at times was a challenging year both on field and off field, ended successfully as the club featured in another WAWFL League Grand Final and the club saw significant growth and improvement with its depth and with youth footballers coming through the club.

Over 40 players played league football for the Subiaco Women in 2018, with over 100 players getting an opportunity to represent the club and be part of our club across the year. Along with the Subiaco Women league team making the Grand Final, the Reserves finished in sixth while the Rogers Cup girls won two games elevating themselves to eighth on the ladder by season end.

COACH APPRECIATION

The year of transition for the club was also seen on the coaching front as Simon Quayle took over as the league coach, supported by Richard Coates as coach of the Reserves while David Traynor remained with the club as Rogers Cup Coach. We thank Simon, Richard and David for all their time and effort this season as they helped to grow and develop the club in 2018.

Appreciation also goes to Rachel and Claire Ortlepp for the work they have continued to do in supporting the youth of the Subiaco Women's club, assisting with coaching of the Rogers Cup teams. The efforts that Rachel and Claire have put into developing women's football within the district is to be commended.

AWARD WINNERS

Congratulations goes to our captain Hayley Miller who took out the Dhara Kerr Trophy as the best player in the WAWFL League competition in 2018. It was a fitting reward for Miller who had been so close to claiming the trophy in past years. Miller backed up this by taking out the Sarah Michell Medal as the fairest and best player for the Subiaco Women's team. Miller continued to be a pillar of strength leading the club all year and is to be congratulated on her achievements.

Other award winners at the club's fairest and best night included, McKenzie Dowrick who was the runner up in fairest and best count behind Miller; Taylor Evans who took out the Reserves fairest and best with Jess Ritchie the runner up; Claire Ortlepp took out the league coaches award, Aloyse Murray the reserves coaches award; Ellie Blackmore who was the Rising Star and Jasmine King took out the Best Club Person award.

Also taking out WAWFL awards, congratulations go to Danika Pisconeri who was awarded best on ground in the WAWFL Grand Final, Jayme Harken who was the league's best first year player and the Rogers Cup Rising Star won by Kian Buckley.

THANKS

Appreciation is given to the board of the Subiaco Women's team led by President Sarah Michell and Vice President Ashlea Renshaw. Thanks for the hard work of the coaching staff and all of their assistants across the season. Special mention to Tami Jakobsen as Strength and Conditioning Coach as well as Ben and Brodie for their assistance throughout the year.

The club looks eagerly forward to 2019, a year that will bring enormous change in Women's Football and represents another great opportunity to grow the partnership between the men's and women's teams to ensure that a one club model becomes the sustainable future.
