Great job girls on some great football and massive thank you to Sophie from ESHC for all her organising and JPC for taking gear down when I couldn't get there!

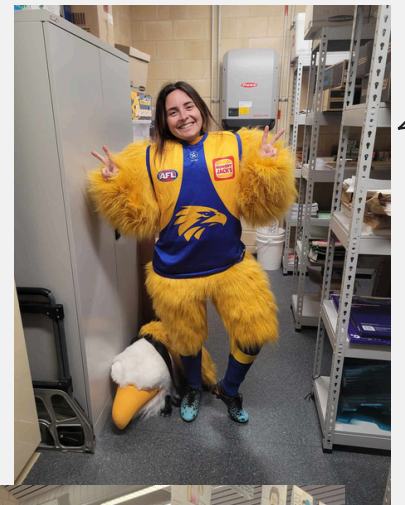

August Esperance Schools RS

Honestly what could be better than spending 2 days visiting schools back to back with the sunshine turned on in Esperance and rolling footies?!?!

Gabby from WCE and I got to be the fun cool teachers visiting local schools in Esperance delivering Eagles Rock My School sessions, WCE leadership skills, Freo Footy skills programs, dropping off extra footies and more!

The kids were fantastic and we hope that all schools involved got plenty out of it

Rick the Rock got a bit shorter but was the best one yet ;)
