## 2012 PRESIDENT'S REPORT

2012 has seen many changes at South Fremantle; whilst it has been sad to see some faces depart we also welcome many new team members to the fold.

I would like to start with thanking our two time premiership Coach in John Dimmer. John decided to call it a day after eight years. I would like on behalf of our club to thank John and wish him and Libby all the best in the future.

Our club was extremely lucky to obtain the services of Paul Hasleby as our League Coach for 2012. Paul's AFL experience has assisted him with the development of our younger players, as seen later in our season. I have been President for four years at this club and seeing what is happening with our younger players coming through and the quality of coaching, to me, this is the most exciting time.

To our League players, this year has been challenging but your commitment and dedication is appreciated. I wish you an improved season in 2013. I will also try to keep my celebratory antics under control next time we meet the Sharks!

I would like to congratulate our Colts and all the Support Staff, under the guidance of Coach Arthur Maskos, on becoming Back to Back Premiers! This is an outstanding achievement from a very dedicated band of people who have proven their dedication to their sport time and time again and you have done the members and club very proud.

I would like to thank all of our Support Staff (Sporting, Kitchen and Ground Managers) you do a great job for our club; we truly appreciate all your efforts and sporting clubs cannot run without people like yourselves. To our Office Administration and Football Management Department many, many thanks for your dedication throughout the year in making the club run effectively and all events, sporting and promotional to be great successes. To Bob and his staff your hospitality and service has not gone unnoticed and is greatly admired by all who utilise your services. I must also congratulate the Junior District Development Team again on another successful year; your support of the South Fremantle Football Club is unwavering. To Peter O'Neill and his team with our Warriors thank you for an outstanding contribution to our club; and to Peter thank you for role as MC for our Club, you do a great job! I would also like to thank the Friday Night Members' Crew whose continued loyalty to this club never ceases to amaze and touch my heart.

To my fellow Board members it has been a challenging year but I thank you for your continued loyalty and great commitment to your Directorships and your club. I wish retiring Board Member Robert Taylor well in his future endeavours and he will be greatly missed. We also welcomed a newly appointed Board Member in 2012, Gavin Jahn. Gavin is a solicitor whose skills and expertise has proven to be a great asset to our club and Board moving forward.

We have had a year of fantastic Sponsors and Business Partners and I thank them all for their support in 2012, and look forward to continuing and building new ongoing relationships with them under the guidance of the incoming CEO. I would also like to thank our members and club supporters for their patronage – the club loves having you around and we look forward to seeing again in the new year.

I would like to take this opportunity to welcome and wish our new CEO Stuart Kemp all the best in his new position at the club. Stuart is a very accomplished CEO, with experiences ranging from AFL in a club environment, Etihad Stadium, and other elite sporting codes such as Cricket, Golf and Tennis.

And last but not least after 25 years at the helm of our great Club Brian Ciccotosto is retiring as CEO. Brian as a player and long serving CEO moves on as a key figure in our club over his 25 years. His total commitment has spanned 46 years as a player and administrator.

His love for the red and white goes without question and we can only hope that he will come back and still be involved in the club some way. We wish Brian and Marge all the best in retirement and on behalf of the South Fremantle Football Club we sincerely thank you.

## 2012 CHIEF EXECUTIVE OFFICER'S REPORT

*Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the club's 113th Annual Report.*

### FIRST YEAR PLAYERS

In 2012 Shannon Burnett, Jason Maskos, Adam Carter, Jesse Maiorana, Adam Doughty, Rhys Miller, Jacob Martinez and Sam Lowrie graduated from our Colts team to make their League debut. We also welcomed the following recruits who each donned the famous red and white jumper at League level for the first time – Ben Saunders, Matthew Olivieri, Mitch Thompson, Alex Grima, Sean Tighe, Jordan Wilson-King and Lewis Harvey.

### BEST PLAYER AWARDS

Congratulations to Kris Miller in winning his third W.J. Hughes Medal. He joins an illustrious group including Ron Edgar, Frank Jenkins, Clive Lewington, John Todd and Wally Matera who are triple medallists. Steve Marsh (4) and Stephen Michael (5) lead the pack. The winner of the Roy McGuinness Medal was Jason Maskos, son of premierships colts coach Arthur who played 89 league games for South. The Dave Ingraham Memorial Medal for best and fairest in the colts this year was won by Tim Kelly. Well done Tim as you embark on a senior career.

### SPECIAL AWARDS

The Clive Lewington Medal for our best player in the Foundation Day Derby was presented to Andrew McCarrey.

The Charlie Tyson (Big Boots) Medal for the best player in the annual game against Subiaco was won this year by Alex Grima.

The Strzelecki Group Indigenous Rising Star Award was awarded to outstanding junior Robbie Pickett.

### STATE REPRESENTATIVE

Ryan Cook was our sole representative for Western Australia against South Australia at Gliderol Stadium in Glenelg when South Australia recorded a 14 point victory.

### LIFE MEMBERSHIP

The board has much pleasure in recommending in 2012 that Margaret Redpath, Bertha Scobie and Carl Micale be awarded Life Membership.

Hayden North also qualified for Life Membership as a result of playing his 150th League game in 2012.

### LIFETIME MEMBERSHIP

Jan Whelan, Allen Branch and Leo Marchenko qualify for Lifetime Membership in 2013 by virtue of continuous 50 years membership.

### VOLUNTEERS

The outstanding contribution that our club's volunteers make each year enables the football, social and administrative areas of the club run so smoothly.

The following received a 10 year service certificate – Bradd Gardiner (District Manager),

James Bridle (Fitness Advisor), Peter Matier and Lew Turner (Team Managers).

### DIRECTORS & ADMINISTRATION

President Haydn Raitt and members of his board give of themselves unselfishly each year and this one was no exception.

The board needs to replace outgoing Chairman of our Junior District Robert Taylor who gave eight years of valuable service to the club and district.

The departure of Lee Pleydell as Administration Manager resulted in the promotion of Jessica Persichillo to her position and the appointment of Carolyn Cutri as Marketing Manager and Jessica Nolan as Junior Office Assistant.

During the year, Garry Davidson replaced the outgoing Football Operations Manager Brent Dawkins. Garry has had vast experience as a player, coach and administrator in Tasmania and Victoria and has become a valuable asset leading the football department.

Player Development Officer, Daniel Vidovich continues to apply himself diligently and does a wonderful job promoting our talented juniors.

Functions Manager Bob Lahiff has developed a cheerful staff working the function centre and works very well with Guido and Linda Micalizzi, our contract caterers from Numero Uno Cafe.

The club's District Development staff led by District Manager Bradd Gardiner and ably supported by Louise McKenry, Robyn Elms and Tiah Haynes continues to set the bench mark for player participation throughout our zones.

Club stalwart Steve McCarthy once again took great pride in maintaining the club premises, changerooms and oval surrounds. Thanks for your support.

### WA FOOTBALL HALL OF FAME

This year we had great pleasure witnessing the induction of club champion rover Barry White into the WA Football Hall of Fame. A premierships player in 1952, 53 and 54, Barry played 16 state games for WA.

### RETROSPECTIVE GRAND FINAL MEDALLIONS

The club created another first in the WAFL when we presented grand final medallions to the players and coaches of the 1947, 48, 50, 52, 53, 54 and 70 premierships sides. The players and family members were invited to the Foundation Day Derby Luncheon where football greats John Todd and Stephen Michael made the presentation of medallions ably assisted by Master of Ceremonies Peter Waltham.

### CONCLUSION

Finally my tenure as Chief Executive Officer has come to an end after 24 years in the job.

I must say that I have enjoyed my time as a

player, official, coach and administrator since I played my first game of fourths in 1965.

I met my wife through my association with the club in 1969 and she has been my greatest ally ever since. The support and sacrifices she has made over the past 43 years hopefully can be repaid in our retirement.

There have been many highlights that I have experienced over the years which I would like to mention briefly.

As a player, nothing surpasses playing in the 1970 grand final. Though it was 42 years ago, the camaraderie and friendships of that playing group is still as strong now as it was then.

As a coach the back to back Colts premierships of 1984/85 was second only to playing in one. Players in those teams include John Worsfold, Dean Irving, Peter Sumich, Stephen Rowe, Scott Watters and Allen Jakovich who all went on to establish successful AFL careers.

As an official and administrator, my greatest achievement was assisting the club overcome its debt of over \$600,000 to the position it is in today with very healthy cash reserves, an excellent balance sheet and great social club premises.

The initiatives the club undertook under my leadership included the first WAFL club to install light towers for night football in 1992. The "Baggy Red Cap" promotion in 2003. Since copied by other clubs. Our club had over 2000 attend this historic day.

The commissioning of the "Mark of the Century" statue which now stands on the roundabout behind the Victoria Pavilion. A great tribute to football genius, John Gerovich.

The NAIDOC Week games played annually between South Fremantle and Claremont. I must add that current director and former champion player Brad Collard and Indigenous Artist Richard Walley played very important roles in this concept which has now become a WAFL round played by all nine clubs.

Some outstanding functions have been held over the past 24 years including: The 1999 Centenary Ball at The Cockburn Civic Centre; The Tribute Dinners for John Todd and John Gerovich; The 25th Anniversary Dinner of the 1980 premierships side; The Tribute to the AFL Indigenous Team of the Century and the South Fremantle Indigenous Team of the Century; The Garlic Munchers Team of the Century and the Fremantle Legends Dinner held at the Esplanade Hotel.

More recently, the SFFC Hall of Fame Dinner and the Testimonial for George Grljusich held on Fremantle Oval.

All the above were very successfully run functions which I am proud to have been associated with.

Our club's greatest resource is the people who contribute their time and effort in making sure the operations of the club run smoothly. I have the greatest admiration for the unsung heroes

of our great "Premier Family Club".

It would be remiss of me if I didn't mention some of the people whose contribution to the club I consider to be outstanding.

Upon the arrival at the club, I first met great committeemen in Ron Greer, Dave Ingraham, Bill Hughes, Bill Collins, Frank Harrison, Claude Lav, Peter Davis and Ron Warren.

In latter years Jim Christie, Richie Woodgate, Ron Porter, Terry Dean, Don Pasqua, John Colgan, Jim Hurst and Murray Macdonald played very important roles.

We have also had a great ladies working committee with Marion Reid, Sheila Greer, Bertha Scobie, Margaret Redpath, Pam McGuinness, Joan Jones and Vida Dunstan heading the crew.

Others who became great friends and contributors at the club include Dick Reid, Tom Bottrell, Chris Martinovich, John Rigby, Ric Gloede, Haydn Raitt, Sal Capolingua and last but not least, Joe De Petra.

I believe I played an important role in the advancement in the participation of Aboriginal footballers at South Fremantle, the WAFL and AFL.

I have derived a great deal of satisfaction in seeing the likes of Stephen Michael, Nicky Winmar, Basil Campbell, Benny Vigona, the Rioli, Matera, Collard and McGrath boys develop into outstanding young men and footballers.

During my time at the Bulldogs, we won 5 League premierships, 6 Reserves premierships, and 9 Colts premierships and The RP Rodriguez Shield for most successful club on 6 occasions.

Having spent all my adult life at the club is something I will treasure forever. I thank the South Fremantle Football Club for giving me the opportunity to be involved for so long and though I won't always be around the club physically, it will always be my spiritual home.

Thanks for the memories.

## 2012 BAR/FUNCTION MANAGER'S REPORT

*This year the bar has operated well below budget in both revenue and profit. Although we had the WA Day Derby this year, some of our home games were very quiet in the bar area. As there is a minimum amount of expenditure required each month, it's important that every home game creates substantial revenue for the bar. This year that was simply not the case for some games. In addition, our TAB revenue was well down on previous years.*

There are several challenges for us next year - to review our operation, including promoting and marketing the bar, and monitoring our expenses and staffing levels - although the fact that we provide food and a TAB facility means the operation is very labour-intensive.

We are currently looking at ways to reduce our utility costs, and although this may mean an initial capital outlay, we're committed to achieving a good result in this area.

The Fremantle Function Centre was reasonably successful, with Function Hire being above budget for the year. The Function

Centre website is gradually giving us increased exposure to the Events and Functions market, and during the next year we intend to capitalise on our membership of the Perth Convention Bureau to further increase the function hire business.

I'd like to take this opportunity to thank the outgoing CEO, Brian Ciccotosto, for his assistance and guidance - and wish him well for his life after South Fremantle.

Thanks also to all the bar staff, who continue to attract good feedback from all our members and function guests - and Steve McCarthy and Mike Taylor for their continuing great work.

### PAST PLAYERS & OFFICIALS REPORT

***Well done to the Coaches and players on the 2012 season and congratulations to the colts on their premiership win.***

This year the Past Players Committee held a number of events which include:

- Premiership Re-union Luncheon for the 1997 team.
- Provided trophies for Reserves players each week.
- Annual BBQ lunch for reserves team and opposition team, and
- A pre Grand Final Colts dinner.

The committee is now in the process of buying an ice-making machine and freezer for the medical staff. This will assist with reducing the cost of buying ice for each game.

Thank you to our sponsors for the year, D'Orsogna Ltd for regularly providing goods for raffles and Vida Dunstan for her continuing supply of sandwiches for half-time. Special mention for the many donations we received towards our half time refreshments. A special thanks to the guest speakers who entertained us throughout the year.

Finally, I would like to thank all of our committee who helped make our home game half time functions run smoothly.

## 2012 COLTS REPORT

The South Fremantle Colts Program has continued to set high standards again in 2012. Now recognised as the leading program in developing some of W.A.'s best football talent I am pleased to report that we have been able to win our second consecutive premiership. Our Chairman, Terry Dean and the Colts Committee are proud of the way the playing group were able to maintain the high quality of effort throughout the past two seasons. With his dedication and direction, Terry has lead from the front, and enabled all those under his guidance to fulfil their duties in an efficient and effective manner

Our dedicated and skilled coaching group must be commended in sustaining last year's elite levels in tuition and support of the young players involved in this year's list. Peter Robinson and Jason Ireland have both again excelled in their roles as coaching assistants. Along with new-comer Mark Foster, they have created an exceptional learning environment. These gents left no stone unturned as they sustained the high standards set last season, thus giving their charges the best opportunity to achieve personal goals. I implore the membership not to underestimate the value of this trio's contribution in the high powered performances displayed by the colt's players throughout the season.

The volunteer group were again able to maintain their vitality and were eager to contribute to the remarkable environment that comes with a successful culture. I appreciate the way they were willing to provide their all, and I assure you they played no small part in the enjoyable atmosphere created. I wish to thank Sue Jones for her commitment and the many hours she sets aside for the teams benefit. Thanks must also go to Lew Turner, Ross Addison, Harry Drygan, Lorne McGuinness and Terry Turnbull for their efforts each week on game day. I hope they enjoyed watching the team develop over the year and assure them that their efforts and friendship are greatly valued. Our medical group, Chris Basile, Linton Davies, Michelle Hellmrich and Dayne Albronda, were again outstanding taking care of all the players needs. They worked professionally and provided the highest quality of service to the program and the players.

Although the team was not as dominant as the 2011 group, I do believe they possessed a greater amount of skill and natural ability. What they did display was the capacity to perform at their best when a greater relevance was placed on the occasion. Their performance over the final period of the year was unequalled by any team, and it was simply enjoyable to watch them excel in executing their skills and game plan to near perfection. All 53 players that represented the colts this season had made a contribution worthy of more than a passing acknowledgement. They were all committed to creating a trusting and enjoyable environment essential in a team oriented sport. Their efforts are greatly appreciated and I am confident that many possess the fine qualities required to succeed on and off the field.

Four South boys were selected in the 2012 Colts Team of the Year. Adam Carter, Sean Lynch, Mason Shaw and Marvin Warrell all had a major impact on the colt's competition with outstanding seasons. Marvin received the Mel Whinnen Medal for his devastating performance in a 58 point win in the first ever Colts Derby Grand Final. These four were joined by Dale Hamilton and Sam Lowrie in representing W.A. in the national 18's championships.

Our Warriors development system has definitely impacted on the performance of the colts program in 2012 with quality players graduating into colt's ranks directly after the 16's carnival. Jarrod Pickett, Jarrod Garlett, Bailey Matera, Brad McPhail and Jacob Dragovich all debuted for colts as 15 and 16 year olds.

It is difficult to summarise all the special qualities of such an enormously talented group of young men. Each player showed a variety of individual skill and tenacity in earning and displaying respect to all whom had contact. As a group they fulfilled all expectations and excelled in all areas required to be successful. It gives me a sense of assurance that we may see many of these quality young men perform successfully for our senior team over the coming years.

Thank you to all the parents, supporters and club officials for their support and I hope to see you all again as we look forward to more success in the coming season.

## 2012 RESERVES REPORT

The 2012 season presented many challenges for Players and Coaches  
These included:-

1. New Game style and structures under new League Coach Paul Hasleby
2. 3 Reserves Coaches alternating every 3 weeks
3. 77 Players used during the season

It was always going to be a tough season when so many players were introduced to Reserves Football. It could have been very easy to whinge, throw in the towel or not put in 100%, however to the Players credit who represented the Club this season they did so with pride and always gave their all. This to us showed great character and commitment which will help all Players moving forward.

Highlights of the Year included:-

1. 3 wins in a row between rounds 12 to 14
2. Special efforts during tough times from mature Leaders of the Reserves, Joel Palumbo, Jessie Maiorana, Dylan Ross, Lewie Harvey and Matt Olivieri
3. The excitement and enthusiasm generated by having such a young and coachable group

Congratulations to all the Award Winners in 2012

Special Achievements –

- Jason Maskos – Fairest and Best
- Jessie Maiorana – Runner Up Fairest and Best
- Joel Palumbo – 3rd on Fairest and Best

All these Players are products of our local District and have big futures at our Football Club.

We would like to thank Peter Matier for his tireless and unconditional work as Reserves Team Manager and Cliff Collard and Andrew Maiorana in volunteering their time to be the Team Runners, we thank you very much.

To Sandy, Jonesy, Merv and all the Support Staff thank you for your tireless work in 2012, and to all the Volunteers you make our job as Coaches easier with your unwavering support.

To our long serving and retiring Fitness Coach James Bridle, your expertise and diligence will be sadly missed, thanks for the memories. We would also like to thank Paul Hasleby and Garry Davidson for their support and guidance during the year.

Congratulations must go to Arthur Maskos and the Colts on their fantastic performance not only on Grand Final day but also throughout the Season: a fantastic achievement in winning back to back Colts Premierships.

To all the Players the key is not to accept being a Reserves Player, strive hard to work on your deficiencies, improve your strengths and be patient, follow these and the rewards will come.

2013 will be an exciting time to be at South Fremantle Football Club, we look forward to the challenge of contributing for SSFC to be best Club outside of the AFL.

FAVOURIED AUCTIONEER FOR 6 OUT OF 9 WAFL CLUBS

## 2012 LEAGUE REPORT

Season 2012 did not produce the on-field results across the club that South Fremantle supporters have come to expect, especially at senior level.

Certainly the Colts produced the only real highlight for the year with a runaway win the Grand Final. Congratulations to coach Arthur Maskos and his dedicated coaching and support staff on a great season.

The season commenced with a remarkable come from behind win over Perth that showed that the team certainly wasn't lacking spirit. Unfortunately this was followed by a frustrating period where we lost 6 games by less than 12 points. These losses highlighted that we needed to improve in a number of areas and we set about improving the training standards of all involved and providing the best learning environment for our players. It was pleasing to get some reward for the efforts that all put in towards the end of the season winning four out of the last 5 games. I have no doubt that the confidence gained in those games will be the catalyst for future success.

We had some retirements throughout the year which provided us with an opportunity to blood some youth which I'm sure will hold us in good stead for the future. I would like to thank Ryan Murphy, Josh Head, Hayden North and also Toby Mcgrath for their contributions to the football club.

As with all strong football clubs, the support staff and behind the scenes people make sure the football operations aspect of the club are functioning from training session to training session and from game to game.

At South Fremantle we have some wonderfully dedicated support staff who assist in the many aspects of football operation.

I would like to start by thanking our Football Operations Manager Garry Davidson for his guidance, support and leadership throughout the year. His knowledge and expertise certainly made him one of the recruits of the year.

To my assistant coaches, Andrew Siegert, Tony Walters and Scott Thornton thanks for your commitment and support in what was a pretty tough year. Your friendship, loyalty and knowledge was very much appreciated.

Many thanks to Tony Mollica for his great support to me in my first year as coach at South Fremantle. His work ethic and knowledge is greatly appreciated by all.

Our medical support staff of Dr. Peter McCarrey, Physiotherapists Craig Allen, Chris Basile, Head Trainer Merv Lockhart, all trainers and the students from Notre Dame and Murdoch Universities all carried out their roles with great professionalism. Special mention to James Bridle for his 10 years' service to the SFFC.

Sandy Cuccovia, John Jones and Paul Elms all continue to make a great contribution to this club, servicing the needs of coaches and players with equipment, playing and training gear.

Alan Powell and his crew of statisticians provide great support to the coaching staff with the club statistics that compliment those provided by Champion Data.

On match days the contribution by the support staff on the interchange box, in the coaches box and the runners largely goes unnoticed by the supporters but they provide enormous support to the coaches and we thank them for their time and efforts.

Part way through the year past player and captain Peter Worsfold assisted the coaching staff and players with the development of a leadership

program that will be greatly expanded upon in 2013.

The involvement of Peter greatly assisted the focus of coaches and players over the last 10 weeks of the season both at training and in games.

Plans are well underway with preparations for the 2013 season with significant changes in the training and preparation aspects for the players.

A full-time consultant as our Strength & Conditioning and Injury Management Co-ordinator is already in place and we welcome Mike Vegar to our club.

The club gymnasium has had a significant refurbishment thanks to the generosity of Nik Zukz and our major sponsor Bellzone.

Our playing list will have a boost in 2013 with 3-4 recruits and together with the talent coming through from the Colts, we are optimistic of getting to finals football in 2013.

After completing my first year as Senior Coach at South Fremantle, can I thank all staff, coaches and players for making my role an enjoyable one and I know a great future awaits the club as we complete the planning and implementation of initiatives that will create improvement and success at the Bulldogs.

## 2012 PLAYER DEVELOPMENT OFFICER REPORT

**Another year has gone by and we have seen another exciting and successful year for the Colts and the South Fremantle Warriors development program for team and personal achievements.**

### 16'S DEVELOPMENT SQUAD

Jason Ireland is in his 3rd year as head coach of the 16's with his knowledge and experiences a great asset to the program. Along with Jason's experience the help and dedication was shown by assistant coaches Phil Warnes, David Depane & Jarrod Chipperfield was outstanding. The players were exposed to quality coaching which further helped their development and prepared them for colts football.

Following the WAFL 16's carnival, Brad McPhail was awarded the Jim Hurst medal for best player in the carnival. Along with the Jim Hurst Medal, Brad was selected into the State 16's along with 5 other players in the program; Jermaine Miller-Lewis, Jarrod Pickett, Jarrod Garlett, Jacob Dragovich & Matthew Ah Siu.

Following the National State 16's Championships Matthew Ah Siu, Jarrod Pickett and Jermaine Miller-Lewis received scholarships into the AIS and Jarrod Pickett also received the Jim Stynes scholarship.

Six players made their debut with the colts this year Bradley McPhail, Bailey Matera, Jermaine Miller-Lewis, Jacob Dragovich, Jarrod Pickett and Jarrod Garlett.

During the July school holidays we once again had a successful tour of Melbourne. The tour is an excellent way to expose the players to different levels of competition. We undertook tours of the Essendon Football Club, the MCG, viewed 4 AFL matches and were entertained by former South Fremantle players which included former captain Jamie Graham, St Kilda and Carlton Rookie listed players Warrick Andreoli and Mitch Carter, Richmond and Essendon Rookie list players Steven Verrier and Cory Dell'olio and Bulldogs legend Brad Hardie.

### 14/15'S DEVELOPMENT SQUADS

Every year it is exciting to see the range of talent that our district has to offer and this year was no exception.

A big thank you to our coaches, team managers and medical staff for their untiring efforts. All groups are to be congratulated for the time and effort they have put in throughout the program and it was such a pleasure working with them all this year.

At the end of the carnival we had our best and fairest award for the four sides. The two 14's medals are named after Terry Dean and the 15's medals after the Tony Mollica.

This year's winners were:

- 14's Early Team – Calem Gadomski (Roleystone JFC)
- 14's Late Team – Daniel Burke (Jandakot JFC)
- 15's Early Team – Kade Stewart (Katanning JFC)
- 15's Late Team – Brandon Donaldson (Kwinana JFC)

Throughout the year a number of our 15's development squad players were selected in the State 15's squad which travelled to Adelaide.

Congratulation goes out to these players: Callum Ah Chee, Joshua Collard and Brandon Donaldson.

Five of our talented Indigenous players Callum Ah Chee, Joshua Collard, Kerry Hill, Anthony Lawrence and Troy Garlett were selected in the Indigenous WA State Kickstart side which travelled to the Gold Coast. These players were selected from the successful South Fremantle team in the Nicky Winmar Cup carnival earlier this year, which was coached by South Fremantle great Cliff Collard.

Following the kickstart championships Callum Ah Chee was announced in the Flying Boomerangs squad which played in the National 16's Championships in July.

### UGS / GASCOYNE

It is always a pleasure to see the talent the Upper Great Southern and the Gascoyne has to offer and this year was no exception.

Rod Nicholson was in his 3rd year of coaching the UGS juniors Rams side and did a wonderful job coaching these boys. It has been a pleasure working with Rod over the last few seasons and his knowledge and work he does with junior football for the UGS and Katanning Football Club is outstanding.

A big thank you to everyone involved in the Upper Great Southern, the support you show to the South Fremantle Football Club and also to the young developing players in your region is outstanding and I look forward to continuing working with you all in the future.

The Gascoyne Bulldogs Development Program was in its second year and the wonderful work that head coach Adam Goedeke and support shown by David Downing in Exmouth doesn't go unnoticed. This year the team had some success in the recent North West Carnival held in Broome. The team in recent years has not had much success in the carnival with wins on the board but this year coached by David Downing, the team won 3 out of 4 games. The players on and off the field represented the Gascoyne and the South Fremantle football club proudly and with the amazing work done by David, Adam and their team of wonderful volunteers in Broome it was a step forward in the team's success.

A big thank you to the Gascoyne Football Association for their support in the Gassy Bulldogs program and for getting players down to Perth for development carnivals.

I would also like to thank, Paul Pirrottina the Midwest, Gascoyne and Murchison Regional Development Officer and Steven Boughton the Wheatbelt Football Development Manager for the outstanding work they do for their regional areas. I look forward continuing working with them next year.

### IN CONCLUSION

I would like to finish by saying a big thank you to all volunteers who put their time and effort into the Warriors program. You all do a wonderful job every year and I look forward to working with you all again in 2013. Also to the sponsors of our program Savoir Faire, Woolworths, Cricket & Football Shop and Greyhounds WA, thank you for your support of the program and continued support for years to come. With your support we are able to provide our players the best practice to help them to be better footballers and citizens.

Thank you to Brad Collard for his continued support to me and the SF Warriors program. Working alongside Brad and his experience has helped me further develop in my role.

I like to finish off by thanking my good friend Peter O'Neill for his time and wonderful

## 2012 DISTRICT DEVELOPMENT REPORT

**This year has seen the District record some encouraging results in all facets of our strategic plan, with participation, club development, pathways and facilities all being strengthened.**

Junior and Senior Club numbers have all risen to record levels, more clubs have become fully accredited under the Quality Club Program, our transition pathways from school to after-school to club have all been improved and Local Government partnerships have been fruitful with another \$8m in facility developments/upgrades being distributed throughout the District.

The District partnered with the City of Cockburn and Fremantle this year to deliver the Club Development workshop to all our junior and senior clubs. We had a healthy 145 club members attend 3 sessions throughout the night which was tailor made for each person's interest in club and volunteer development.

Our schools program headed by Louise McKenry and very well supported by Tiah Haynes and has again been the foundation on what our growth is launching from. We offer close to over 20 programs from Eagles Cup Football to Dockers Cup with each option looking to engage a diverse range of ages, genders and interests.

As part of our pathway development we delivered 12 after school programs in areas of need, to further develop the club's participation in particular age groups. These programs ran for a 6 week period with close to 600 children engaged with these programs.

The Junior Competition Council ran a very successful junior competition this year, with red and yellow cards nearly a third of what they were 3 years ago due to better education and a very effective environment point system now fully integrated into the youth competition which rewards teams that do the right thing on and off the field on game days.

The Competition was very well led by Shane Harding, with Robyn Elms the driving force at the office keeping all the clubs up to date on all the activities of the competition and being great support for the JCC. Fiona Galea and Dave Kenny our assistant competition Directors also were

integral in the running and coordination of the competition.

This year the District is having a changing of the guard for the first time since the restructure of the District model back in 2003 with Rob Taylor our District Chairman resigning and Sharon Greengrass our District Treasurer also on her way.

Both members were part of the initial District Council in 2003, both now District life members and will be remembered for their tremendous contribution towards football development in the District.

Rob Taylor has been the ideal leader the District needed at a time when not everyone agreed with the new model with many clubs disgruntled with the changes. Rob's strong leadership style and rapport with the clubs were essential in ensuring the model worked and worked well.

Rob has been a leader for other Chairmen in other Districts which has been recognised by the WAFC as a key member for many years through his role on the executive. Rob's work with the SFFC board has also reaped a number of benefits in regards to the education of board members on what the District's role is and how we can work better together.

Sharon has overseen a budget that was easy to manage to something that has become like a small business to manage. Sharon has been a pleasure to work with over the years, keeping a quality set of books and processes that have developed our District now into a tightly run organisation.

Rob and Sharon will be sorely missed and we pass our sincere best wishes to them for the future.

I would like to especially thank the girls on the office for all their hard work. We have a special group at the moment who all work well together and are a great crew too work with. Well done on another great year, you all deserve the praise.

To Shane Harding and the JCC, thank you for all your committed hours. It is a massive job, your resilience under fire is greatly admired and if we keep you together for another couple of years the Competition wouldn't be better organised.

Also to Craig Proctor and team, a crew who saw some heat at the beginning of the year when we restructured, congratulations on a great year. Your effort as a team was super and the way you quickly built a rapport with new umpires was to be admired – Thank you.

To the District Council, all of our members bring so much to the scope of our district. I thank you all for the hard work you have done this year.

To our club committees and volunteers, you are never thanked enough for the work that you do, we appreciate all your efforts over the season.

To our P & D panel, in their second year, grew into their roles and ensured a fair and equitable tribunal system was upheld. To Peter and his panel in Gary, Stephen and Diane, well done.

To all our sponsors, your contributions mean we can grow the game more than ever before. Thank you so much for supporting the District and we hope to strengthen our partnerships in the future.

To the SFFC in Jess, Jess, Carolyn, Vido, Garry, Bob, Cicco, Haydn and the board, thanks for your assistance and support this year – it is always appreciated and valued.

Cicco, we have had an interesting time together over the last 10 years, plenty of ups and downs, in that time I have learnt that you are a true football person who will do everything you can to get the best outcome for the SFFC which I greatly respect and admire. You will be fondly remembered by the District with your strong club legacy one which will live for a number of years – enjoy your next chapter of your life with our best wishes.

"The Premier Family Club"

You can show your support for the South Fremantle Football Club by making a bequest to the Club in your will. It is one of the easiest ways to support the Club that we all love. Every bequest, irrespective of size, will make a difference to the ongoing future development of the South Fremantle Football Club. Your bequest can also be directed to a more specific purpose.

#### WHAT IS A BEQUEST?

A bequest is a gift that you make in your will. Bequests can be made in a variety of ways. Some examples include: Percentage of your estate, Nominated dollar amount, Shares or bonds, Property or real estate, Proceeds of life insurance policy.

#### DOES THE SIZE OF YOUR BEQUEST MATTER?

We welcome bequests of any size. Every bequest helps to make a difference to the future of the South Fremantle Football Club.

#### HOW WILL YOUR BEQUEST BE USED?

Making a bequest is a very personal act. You can choose to leave your gift for general use, or direct it to support a more specific need of the club. Some of the key areas of need include player equipment and capital

development.

You make a bequest in your will. The wording provided below is intended as a guide and may assist your solicitor in preparing your will. If you already have made a will and don't want to make major changes, you may simply add a Codicil to include the South Fremantle Football Club.

I give...(specify \$ amount, percentage

or share of estate, detail property or assets) of the residue of my estate to the South Fremantle Football Club for its own use absolutely, and I direct that the receipt of the treasurer or other proper officer for the time being of the South Fremantle Football Club shall be a good and sufficient discharge to my trustee(s).

Note: If you are intending to support a more specific purpose or activity at the Club, you will need to state this clearly in your will.

#### WHY NOTIFY THE SOUTH FREMANTLE FOOTBALL CLUB OF YOUR BEQUEST?

You are encouraged to notify the Club of your bequest so the Club can keep track of all bequests and ensure you will be kept in touch with what is happening at the South Fremantle Football Club.

## 2012 TREASURER'S REPORT

This year we have been presented with an entirely different set of circumstances to that of last year.

Different in so much as, including the appointment of a new Coach after the retirement of John Dimmer, a new Football Manager and the search for a new CEO to replace the retirement of our long standing one in Brian Ciccotosto.

Loss and retirement of senior players in our league side and the need to maintain a balance with the development of the younger players coming through our system, required such additional expenditure as transfer fees and recruitment all weighing heavily on our financial resources.

However in saying this, the way in which we finished the season the expenditure has been justified and will be restrained in the 2013 year.

The board's expectation of profits for the year in question was not achieved and the resultant loss of approximately \$164,000, after allowing for depreciation this is a loss of \$64,000 is very disappointing.

Bar sales decreased by \$66,000 from last year however we were still able to make a small profit in this area. With the exception of an increase in general bar repairs and maintenance of some \$7,000 other expenditure has been fairly consistent with 2011.

Administration income decreased to the loss of both facility and technology grants this year that amounted to \$13,145. Also along with falling interest rates, combined with the use of additional cash reserves interest received fell by \$7,800. The expenditure cost in administration increased overall by approximately \$39,000. Main areas of increased cost were in audit & accountancy fees \$6,500, internet \$3,500, postage \$3,400, printing & stationery \$5,600 and staff recruiting of \$18,000.

Marketing and fund raising has been a big improver this year with gains in the following areas Auction (net) \$15,000, Golf Day \$3,000, Sponsorship & Advertising \$128,000 and WAFL Raffle share of \$13,000.

Football income did increase with transfer fees received being \$83,000 higher than 2011. As previously mentioned and remembering that football is our business the following is some areas where large increases have occurred coaching fees \$42,000, dry cleaning \$4,000, electricity \$6,000, football stocks and purchases \$8,000, honorariums \$7,600, medical expenses \$22,000 and transfer and recruiting expenses \$132,000. The net football result was an increase loss of \$176,000 over 2011.

Football development is an area that we source the future talent for the club from and includes our North West Zone in the Gascoyne as well the Upper Great Southern and also programs such as the Warriors. The main source of income is from the PDO Grant and the Youth Development Grant and together these amount to \$52,736. The club then finances its own expenditure on this and in total for 2012 we spent \$185,204.

Our membership income did slightly increase and the expenditure for printing, stationery and badges also increased and the net result is that membership alone contributes \$80,000 to overall results.

Capital expenditure this year has totaled \$62,498 and the bulk of this (\$43,000) has been spent on gym equipment for the players. Other expenditure included NEC phone system \$6,400, portable microphones projectors and appropriate wireless technology to make it work (functions) \$4,700, gas deep fryer \$3,700 and evaporative air conditioner \$2,300.

In conclusion I would not hope nor expect another result that has been produced this year. The clubs financial balance sheet is still strong. It is now up to the board of management to make sure we remain strong.

Thank you to all and good retirement wishes to Brian Ciccotosto who I shared 23 years with on the board.

We now welcome our new CEO Stuart Kemp and look forward to another chapter in the Clubs History!

#### 1 STATEMENT OF ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act WA. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of the financial report.

#### **Inventories**

Inventories are measured at the lower of cost and net realisable value.

#### **Property, Plant and Equipment**

Property, plant and equipment are brought to account at cost or at independent or directors' valuation, less where applicable any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows, which will be received from the assets employment and subsequent disposal.

#### **Employee Entitlements**

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

#### **Cash**

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

### NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST OCTOBER 2012

---

#### **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognized when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

#### **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

#### **Accounts Payable and Other Payables**

Accounts Payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognized as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### **Income Tax**

The association is not liable for income tax on member income in accordance with the principle of mutuality, or by exempt taxation status. Non-member income of non-exempt entities is subject to taxation at corporate rates. The income tax calculation is prepared by an external accountant, and at balance date, no calculation had been prepared.
