## 2004 PRESIDENT'S REPORT

Season 2004 saw the introduction of significant changes to the way in which football development in Western Australia is structured. These changes will be of great benefit to South Fremantle as we have been considerably disadvantaged in comparison with most other WAFL clubs.

The long overdue rezoning took place which now ensures that we have greater access to the number of junior players available to us. Changes to our country area saw us lose Tambellup and Kojonup but regain Boddington. Kwinana, Mundaring and Kardinya were added to our metropolitan zone. With enormous potential for growth in the South West corridor we are very well placed for the future.

Secondly, and of even greater significance was the establishment of the District Development concept where all of the zoned junior clubs play in the same competition. The WAFL clubs will now play a much greater role in the junior development system within their zones. I would like to congratulate chairman Rob Taylor and his District Development Committee for the brilliant job they have done in organising a great competition at such short notice.

The appointment of John Dimmer as the club's senior coach brought us the experience, the game plan and above all the coaching style which was so compatible with the club's developing football strategy. Ably supported by Glen Davies, Ron Bayens, Brad Collard and a very dedicated support staff John guided us to a Rodriguez Shield win which is awarded to the champion club based on performances over all three grades. The policy of promoting young players certainly established a very strong player base for the future.

One of the year's highlights was surely the magnificent victory of our reserves team in the Grand Final. Congratulations to all the players and to Glen Davies who prepared the side so well. Family commitments will prevent Glen from coaching next year but he has indicated that he will maintain contact with the club.

Our colts team also had a terrific year and were clearly the most dominant side for much of the season. Unfortunately they were unable to win their third successive premiership, being beaten by a very dedicated and fired up Peel Thunder team on the day. We would expect a number of these players to play at senior level next year.

Our thanks go to colts coach Roger Kerr who has indicated he won't be available next year. Roger has introduced our young players to the level of professionalism required to play senior football. Over the past three years we have seen a number of his charges drafted to AFL clubs or make their debuts at league level with our club.

As part of our ongoing commitment to country football we played two games in the country this year, one in Katanning, the other at Denmark. Both games resulted in losses. Fixturing of future games needs to be carefully considered as it is unfair to expect players to take part in a Monday game and then, four days later, travel 400 kilometres by bus to play, as happened to us with the Denmark game.

Off field the club continues to prosper. The promotion of the renovated function centre has been very successful and has provided another source of revenue. Over the summer the front bar and entrance will be refurbished which will see the completion of the major aspects of this programme. Despite the large sums spent in recent years on the media box, legends bar and hall we have been able to maintain adequate cash reserves.

The Football Strategy Committee, chaired by John Lange, is working to develop plans for the future. This year they have concentrated on recruiting and the document entitled "Making the Right Choices" provides a blue print for the club's operations in this area.

Discussions have been held with East Fremantle regarding holding the Foundation Day Derby at Fremantle Oval as a regular annual event. Although we have not been able to reach an agreement as yet we are hopeful that ongoing negotiations can find a resolution to perceived problems.

The highlight of the year on the social calendar was undoubtedly the John Todd and John Gerovich Tribute night. The evening was very well attended and an outstanding success. George Grljusich played a pivotal role in the organisation of the evening and his ongoing support of the South Fremantle Football Club is very much appreciated.

One of the strengths of the club is the stability of the Board of Management. All retiring members have agreed to renominate and, if it is the wish of the members, we will continue to serve the club. I am extremely grateful to Vice President, Sal Capolingua, and the Board for their commitment and dedication.

I would like to thank Brian Ciccotosto, Amelia Dabrowski and Barbara McKinnon for the most efficient and dedicated manner in which they have administered club affairs. Marty Atkins, in his first year as Football Manager, has adopted to the role very quickly and is doing a terrific job.

Bradd Gardiner has proved to be a very enthusiastic, hard working Junior Development Officer, Unfortunately we have lost the services of Jarrod Chipperfield who has taken up a football position elsewhere. We wish well in his future endeavours and thank him for his

untiring efforts on behalf of the club. It is very pleasing to be able to announce that premiership player, David Hynes, has been appointed as Jarrod's replacement.

To Colin Punch, Peter Williams and the bar staff a sincere thank you for the efficient and friendly manner in which you have managed the club and looked after our members. Club caterer, Julie Dhu, always produced a sumptuous spread for our many functions and her Friday night meals have been a very popular initiative with members.

Steve McCarthy, our Ground Manager, has ensured that Fremantle Oval is by far the best presented oval in the competition. Well done, Steve.

In conclusion I would especially like to thank our very many volunteers who have worked so cheerfully and selflessly for the benefit of the club. South Fremantle is surely blessed with the quality and dedication of its volunteer workers.

To all our members we wish you the very best for the coming future season and we look forward to season 2005 with enthusiasm and confidence.

**TERRY DEAN**  
President

## 2004 GENERAL MANAGER'S REPORT

Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the Club's 105<sup>th</sup> Annual Report.

As mentioned in last year's report the club's next building project is to renovate the Members Bar which will see the completion of the total refurbishment of the club premises. Work began on this final project in October and will be completed by the end of the year.

Major clashes between WAFL and AFL home game fixtures has become a real concern with seven of the first eight AFL games at Subiaco Oval in 2005 being played on a Saturday.

We plan to upgrade the lighting levels at Fremantle Oval prior to the 2005 season to play more Friday night games, particularly in the warmer weather and to avoid clashing with the Dockers and Eagles home games.

Our only Friday night fixture this year drew a crowd of 3000 which was second only to the Foundation Day Derby.

The social event of the year was the 50<sup>th</sup> Anniversary Dinner for the debuts of our two football legends John Gerovich and John Todd.

A very large and appreciative crowd were present to witness a special night in which Master of Ceremonies, George Grljusich complimented the evening by interviewing the two champs along with their first coach in 1954 the little master, Steve Marsh.

Plans for a blockbuster, 25<sup>th</sup> Anniversary Dinner of the 1980 Premiership are under way for next year.

### First Year Players

Thirteen players made their league debut for South Fremantle in 2004, six of which graduated from our colts. Our colts contingent was made up of the following: Brent Bosustow, Craig White, Brett Duffield, Daniel Vidovich, Ashton Hams and Troy Ditchburn.

### Best Player Awards

Toby McGrath capped off a great season by winning the 2004 WJ Hughes Medal. Sadly, this may be Toby's last season with the club as he has joined the Army. The Roy McGuinness Medal for the best player in the Reserves was won by Mark Foster, with Alex Coultas winning the prestigious Dave Ingraham Memorial Medal for the Colts best player.

### Life Membership

At the 2003 Annual General Meeting Life Membership was bestowed upon Salvatore Capolingua and Ron Porter. Both were presented with their medallion at the Life Members Reunion.

The Board has much pleasure in recommending Life Membership in 2004 be awarded to former player, coach and official Peter Dougan and two of our loyal and hard working members of our House Committee, Anna Riddell and Vida Dunstan.

Club Captain, Brad Bootsma played his 150<sup>th</sup> league game during 2004 which makes him eligible for Life Membership.

### Life Time Membership (50 year members)

In 2003, 23 members were inducted at the AGM as our inaugural Life Time Members. At the 2004 AGM Unis Saint will qualify as a Life Time Member. Congratulations, Unis.

### Volunteers

The ongoing support and loyalty of our volunteer base has been outstanding this year. We are extremely fortunate and grateful for their commitment.

### Sponsors

Our loyal band of sponsors continue to support the club in droves. We would be lost without them. Members are encouraged to support our sponsors product at every opportunity.

### Trip and Travel Club

The board wishes to sincerely thank Ron and Sheila Greer, Betty Byrne, Anna Riddell and Vida Dunstan for running the Trip and Travel Club (formally Car Club) for so many years. This club officially ended at the cabaret held on Saturday 23 October 2004.

### Conclusion

Our club's administration once again was expertly managed by Amelia who was ably assisted by Barbara McKinnon, Marty Atkins, Brad McGrath, Jarrod Chipperfield, Bradd Gardiner and as of late Jarrod's replacement, 1997 Simpson Medallist, David Hynes.

The social club took on a full time Functions Coordinator, jovial Welshman Peter Williams, who with our Bar Manager Colin Punch oversaw a complete rejuvenation of the newly refurbished Griff John Function Centre.

The appointment of Julie Dhu as our club caterer proved a very handy acquisition with Julie, Peter and Colin forming a successful partnership, during the football season. Unfortunately Julie has since moved on and has now been replaced.

Structural changes to the club's catering witnessed the eventual demise of the Ladies Fundraising Committee which was first formed by Marion Reid in 1983. Marion's professionalism and dedication to the task of running this committee will go down in my memory as one of the great individual achievements in my time as General Manager. Congratulations, Marion.

Steve McCarthy our ever reliable Maintenance Manager and his ally John Bateman once again performed their duties with a minimum of fuss and with excellent results.

Finally in my fifteenth season as General Manager I have never been happier with the input of our Board and especially President, Terry Dean who has once again been able to chair a happy and stable team of Directors.

**BRIAN CICCOTOSTO**  
General Manager

## 2004 TREASURER'S REPORT

The Club is pleased to announce a profit of \$11972 for the financial year ending 31 October 2004. Though it is not a huge profit compared to some of the former years it does represent the fifteenth consecutive year of profit.

Our Club is now rightfully regarded as the benchmark for successful financial management in the WAFL.

From our balance sheet perspective the Club remains stable and more importantly our cash reserves are at \$449097 with good liquidity.

Two major capital works programmes the refurbishment of the members bar and the installation of oval floodlights (ex Athens Olympics) will be completed next financial year.

Friday night football in Fremantle especially in the hotter months is designed to raise

much needed revenue and to avoid clashing with Saturday AFL games at Subiaco. The increase in illumination will allow patrons an excellent view of the action as lux levels will more than double.

I wish to thank all of you who have helped to make our great club work.

Salvatore Capolingua

## McGrath finishes with a medal

by LES EVERETT

SOUTH Fremantle midfielder Toby McGrath dropped a bombshell in his acceptance speech after winning the WJ Hughes Medal as his team's fairest and best player for 2004.

After gaining his highest footballing honour the 24-year-old announced his retirement.

After years of trying make a career in the game he had decided to look further into the future and joined the army.

While he never made it onto an AFL list, no one could accuse McGrath of not giving it his best shot. He spent time on the rookie list at both West Coast and Essendon, trained with Fremantle and played with Essendon in the VFL.

"There were no what-ifs for me," McGrath said, describing his time in Melbourne as a highlight.

"I loved it over there," he said, "footy is bigger and with not everyone concentrating on one or two teams the players don't get put on a pedestal.

"When I first met James Hird he just said 'how ya goin' mate' and treated me the same as anyone else and made me feel comfortable. It makes you want to impress them with the way you play and train."

McGrath returned to WA this year and said he didn't even consider going anywhere but back to South Fremantle.

"I played nearly 100 games for South, played in a couple of losing grand finals and played with blokes like Peter Sumich and Scotty Watters," he said.

McGrath is part of one of WA's most remarkable football families. His brothers Cory (Carlton) and Ashley (Brisbane) are current AFL players as is his cousin Dion Woods (Fremantle). Another cousin Martin McGrath played for Richmond. The fourth McGrath brother Brad currently works at the South Fremantle Football Club.

If things go to plan South's losing first semi final last month will have been McGrath's last for the Bulldogs. He was clearly his team's best player despite a blow that flattened him moments before the half time siren and led to a push-and-shove involving most players on the field. "I got a few whacks that day but just tried to get up and keep going," he said, "I was trying to get the boys fired up but it just didn't work."

And as for winning the Hughes Medal in his last season. "That was perfect," he said.

LES EVERETT

## 2004 MARKETING REPORT

### Corporate Classic

Evergreen football stalwart Steve Brown from Containers Australia was the lucky winner of this years naming rights for the rear of the club's playing jersey. He and his beautiful partner Yvonne were most gracious recipients of the first prize and intend to continue their relationship with the mighty Bulldogs in 2005.

Ron Penman from Penman Lawns was ecstatic to win the open VIP six seater box for the Dockers home games with Luke Neville and Warren Mead from the Oyster Bar on the Beach grabbing the consolation prize.

### Sponsorship

Our healthy list of sponsors continue to support the club in various ways and they are the lifeblood of the club.

The weekly exposure of our sponsors advertising signs on Channels 7, 9 and 10 during the Dockers training and the state wide coverage on the ABC TV match of the round from Fremantle Oval is overwhelmingly better than any other WAFL venue.

Hospitality packages are very popular with our sponsors and corporate clients on match days with our club caterer Julie Dhu providing some scrumptious buffets.

We thank and congratulate our many sponsors for their valued support.

### Sweeps and Raffles

Our two major raffles, the Melbourne Cup Sweep and the AFL Grand Final package along with the popular Lucky Lottery enabled all members to participate in quality fund raising ventures which were quite profitable.

### Banquet Auction

This year saw the return of the Banquet Auction to the recently refurbished Esplanade Hotel Fremantle. The venue the Southern Cross Ballroom which is part of the new Convention Centre was an ideal location for the auction.

### Bar and Social

Directors John Rigby and Haydn Raitt managed the Friday nights members get together in excellent fashion and introduced two new initiatives, Chase the Joker and The Money or

the Box which has been very well received by our regulars. Congratulations, John and Haydn.

Our club TAB still continues to prosper and is particularly busy on match days.

The refurbishment of the members bar due for completion soon should give an added boost to bar sales and functions.

### Special Projects

The 50<sup>th</sup> Anniversary Dinner for John Todd and John Gerovich was an excellent evening and a good money spinner for the club.

### Acknowledgments

A special thank you to my fellow Marketing Director, Santo Merenda and General Manager, Brian Ciccotosto for their advice and support in all areas of marketing.

It would be remiss of me not to thank on behalf of the club our loyal member, George Grljusich who played such a big part in ensuring the success of the 50<sup>th</sup> Anniversary Dinner.

**DON PASQUA**  
Director

## What to get the person who has everything this Christmas?

Surprise someone you love this Christmas with the ideal gift. Select from a range of indulgent accommodation packages, or maybe a voucher from the Atrium Garden Restaurant or Café Panache is more your style. An Esplanade Hotel Fremantle gift voucher is surprisingly different and will be remembered for a lifetime. Ask to speak to our Gift Voucher Co-ordinator today!

## 2004 FOOTBALL MANAGER'S REPORT

Season 2004 is just the season South Fremantle Football Club needed after season's 2002-2003 promised so much, but delivered so little.

At the end of the home and away fixtures, the league finished third, the reserves and colts on top, with the club winning the "Rodriguez Shield" for having the most wins. Unfortunately the finals were not that kind to us, with the league losing the first semi final and the colts losing their grand final, but the reserves were premiers, which is great reward for the commitment and dedication these players show to the club.

46 players represented the league side, 8 which played every game, whilst 13 played their first for the club. Brad Bootsma played his 150<sup>th</sup>, which means life membership, with Brad, along with Joe McLaren and Toby McGrath also representing WA in the state game against Victoria.

The league side did go through a roller coaster season, winning and losing, in and out of the four, but there is a lot to be excited about in 2005. It's all positive when you think that the gains this year

were achieved with a new coach, a new game plan and a very young squad, all of which now have season 2004 under their belt.

I would like to thank John Dimmer for the year. In my first year as Football Manager I could not have asked for a better person to work with. John created a very positive and encouraging environment, which meant the player's wanted to train, which makes life and coaching a whole lot easier.

John had terrific support in James Bridle (Fitness Coach), Ron Bayens (Assistant Coach), Glen Davies (Reserves Coach), Brad Collard (Assistant Reserves Coach) and Andrew Stone (Coaches Assistant) and I congratulate them all in their efforts this year.

Others who played a part in preparing the league squad for action were two past players, who simply love the club. Tom Bottrell assisted with the rehab of injured players, whilst Tony Walters conducted sprint training sessions, as well as carrying out running duties on match day. Thanks to both, it's good to keep these players involved at the club.

effort comes results.

To all the reserve players well done. It is certainly reward for the sacrifices you made during the year. To Brad Collard it was fantastic to get you back to the club, your presence and experience around the club was invaluable and to Glen a truly wonderful effort. Your commitment to John, the club and the players, in particular the reserves, was enormous and you will be missed. To you and your family, enjoy quality time together, you never get it back.

### COLTS

The colts again had a brilliant year. They again finished on top, supplied eight players to the State 18's squad, with another two going to the Northern Territory team, supplied another two players to the State 16's team and had six players in the colts team of the year.

Congratulations go to Roger Kerr, Marc Arnold, your support team and the players. The end result was not what you wanted, but from a club point of view you have again achieved personal results, whilst strengthening the clubs already strong group of young players. To watch your games this year was a pleasure, to witness the improvement was fantastic, to think about the future is exciting.

To Roger I wish all the very best, as he too will not be with us next year. Roger can leave knowing he has helped put the club in a very strong position on field, with his main guideline to success "to never except an average performance". Those who played under him were very mindful of this and very respectful of him for always trying to get the best out of them.

### COUNTRY

Firstly I would like to say welcome to the Gascoyne Region, who have just completed their first season zone to the South Fremantle Football Club. I look forward to catching up with you in season 2005, to continue work, already started by Jarrod Chipperfield, Bradd Gardiner and Chad

### RESERVES

As stated previously the Reserves won the grand final and won it well and if you knew the reserves you knew why.

Those that played in last year's preliminary final had not forgotten. The squad was close and they went out to play for each other, not themselves and of course their was the coach, who was also their mate, but who more importantly had shown them that with

Broughton, on building a strong working relationship between us.

Well done to the Ramblers Football Club on their Grand Final win, needless to say, but more so in country clubs, that winning a Grand Final is reward for the whole club not just the players and coaches.

To the Upper Great Southern Football League congratulations all round. Another great year, with a win in the Landmark Championship an indication that the league is still one of the best around. Thanks goes to Barry Butterworth and his committee, as well as all the Presidents, Secretaries and support staff of the clubs involved.

Looking back this year, players from your league had some success. Hayden North played every game for the league side, finishing fourth in the fairest and best, whilst Ashton Hams played colts, reserves and league, represented the state at the 18's carnival, which was capped off when he was named WA's "Most Valuable Player". Craig White, Paul Duffield and Troy Ditchburn all played their first league game, whilst 6 players played in the reserves grand final win. One can only hope that this success continues and that we can give more opportunities to players to come up and get involved.

Congratulations to Wagin on their grand final win, with them showing that after being beaten in the first quarter, if you stick at it anything can happen. To Kukerin-Dumblebung you have to stick at it, after three grand final losses in a row, one has to be just round the corner.

### SUPPORT STAFF

Where, oh where would most clubs be without the dedication and support of the people behind the scenes? I was lucky that I knew many of this year's crew and very glad that most of them decided to continue in their roles which they have done so well in the past.

This year I was behind the scenes with them for the first time and not that I haven't in the past, but when you see the work they do, the time spent doing it, the enjoyment they get, you certainly have the up most respect for them.

In total we have just on 50 support staff and to each and every one of you, from the South Fremantle Football Club I say thank you, thank you for the role you play in making this club, one of the best club's in the WAFL.

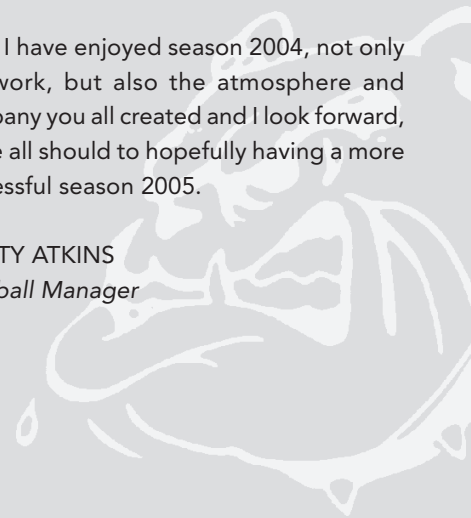

Before closing I would like to thank one of our longest serving support members in Doug Chatfield. Doug has been involved in the club for well over 30 years, being the man behind the watch and siren for our league games. Doug had a health scare just after the season started and could no longer continue as timekeeper, which upset him as he had made it his own.

To Doug and Joy, I hope the scare is behind you and hope to see you down the club on many more occasions, enjoying the atmosphere of a club which you have put so much into.

Lastly I would like to thank the South Fremantle Football Club. To Terry Dean and the Board of Directors and Brian Ciccotosto and the office staff, I made a difficult decision when I left the Police Service, but you made that decision the right

one. I have enjoyed season 2004, not only the work, but also the atmosphere and company you all created and I look forward, as we all should to hopefully having a more successful season 2005.

MARTY ATKINS  
*Football Manager*

## 2004 JUNIOR DEVELOPMENT REPORT

The South Fremantle Football Development program for 2004 has been successfully completed.

The main focus of our program was to maintain the level of participation across our district by again offering skill clinics to all 70 schools.

In 2004, 95% of schools in the South Fremantle District were exposed to a school clinic and were also involved in one of many carnival programs we offer through the Football Development Program.

The Lightning Carnivals for the primary school age, Belt Up Cup for the secondary students and the Smarter than Smoking Cup for Upper secondary, were all participated in heavily by our regions schools and we must commend them all on the level of enthusiasm shown for these events.

Auskick was again a focus for our program, with numbers in this age group rising by 15% and new centres being scoped for season 2005. The 14 Auskick centres from last season were again involved in the program and all 14 received parent in-services, WAFL grid games and regular visits throughout the year. It is vitally important for this age group to be exposed to the correct techniques early, so that they can carry these perfected skills through to their junior and senior football.

Outside the school structure, the South Fremantle football program visited every junior football club in the district at least twice to conduct training sessions. The young footballers benefited greatly from these training days, as did the coaches because it gave them the opportunity to step back and observe some fresh drills and approaches to coaching.

### SCHOOLS

- 55 schools were exposed to an AFL Auskick (5-8 years) Clinic to help increase the Auskick community numbers, 4,950 children aged 5,6,7 and 8 experienced a clinic.
- Participants up by 15% this year compared to last year, 950 Auskickers.
- 20 Development programs completed (3 clinics in 3 weeks), 5,400 children aged 9,10,11 and 12 experienced our clinics.
- 40 schools were exposed to a WAFL one-day clinic; James Taylor, Jordan Smith and Chad Broughton conduct them, 2,400 children aged 10,11 and 12 years experienced a clinic.
- School based Auskick centre at Beeliar PS, 40 participants, 38 of them have never played football, all soccer players. Completed 5 sessions and at the last session we conducted a meeting with parents and look to forming committee for new club in the area, Jim Hurst assisting.

### COMMUNITY

- School holiday clinic numbers up 50% from last year with over 500 children participating.
- 26 training sessions were completed in the South Fremantle District clubs, aimed at 9-12 years teams, over 500 footballers taken for training sessions.
- Auskickers Big Day at the Footy a big success. 400 children attended the day, with 4 Auskick games played before the reserves and 2 at half time of the league.
- Conducting parent in servicing of all parents at Auskick Centres to promote the effectiveness of parent help; conducted at all centres.
- Increase from 63 to 71 junior teams this year in the 9-12 age bracket, an increase of 10%, includes Kardinya team numbers.

### COACHING

- 90% of all coaches in the District accredited
- 4 coaching seminars conducted throughout the year with excellent participation
- Umpiring seminar conducted for coaches to get an insight into the workings of today's umpires.

The community has again shown excellent support in all our programs and are very willing to assist and support whenever possible. The football clubs are our main stakeholders and it is extremely important to keep an open and free form of communication at all times.

Enjoyment and learning are our main focus for the South Fremantle District and from what we have observed from the children this year, we have succeeded in achieving these important outcomes.

**BRADD GARDINER**  
Junior Football Development Officer

## Honour for Hughes family

WITH the Griff John Function Centre now an established and successful part of the club's operations the next project is nearly completed

Following the South Fremantle Football Club policy of naming parts of the club after prominent contributors, the soon-to-be-launched bar area will be known as the Bill "Doozer" Hughes members bar.

The renovations at the bar will create a more spacious area with the foyer gone and most, if not all, of the pillars removed.

There is also lots of rooms for photographs and with help from West Australian Newspapers outstanding performers and award winners will be honoured on the walls.

When the bar is officially opened next season it will mark more than 80 years of connection between the Hughes family and SFFC.

Bill Hughes snr played 47 league games from 1925 to 1927 and was then a long serving committee member who had stints as president and vice-president. He was on the committee from 1929 to 1941; vice president from 1942 to 1950; president in 1951 and 1952 and vice president again from 1953 to 1958 before serving as president again in 1960-61 and 1970-71. He was made a life member in 1940. Bill Hughes jnr was president of the club during a vital time from 1990 to 1992 while his sister Eileen Bond is a long-standing patron. A donation from Bill jnr in 1984 led to the club's fairest and best award being called the WJ Hughes Medal.

"The Hughes family has made a big contribution to the South Fremantle Football Club," said general manager Brian Ciccotosto. "In fact we probably wouldn't be here today if it wasn't for the Hughes family."

## A tradition of recognition

SOUTH Fremantle Football Club contributors who have parts of the club named after them... Frank Harrison (secretary 1940-41; 1945-61, president 1967-69) – players room. Clive Lewington (Sandover Medallist 1947; premierships captain 1948; premierships captain-coach 1950; premierships coach 1952-54) – change rooms. John Todd (Sandover Medallist 1955; premierships coach 1997) – coaches room. Dr Dick Reid (club doctor for 32 years) – medical room. Stephen Michael (Sandover Medallist 1980-81) – sponsors room.

The terrace in front of the FFC HQ is known as the Doig Terrace while the media box has been named after George Grljusich.

A coming project will be the naming of goals after great full forwards Bernie Naylor and John Gerovich.

## 2004 PAST PLAYERS AND OFFICIALS REPORT

We welcome former player Wayne Delmenico to our committee with Ray Richards, Pud Saint, Cedric Abbott, Ron Greer and Ron Johnston. You can see things are in solid hands. It is with sadness we will miss longest serving committee man and Life Member George Paul who passed away during the season.

This year our golf day was held in Goomalling. A team of nearly 30 lead by club President Terry Dean made the trip by bus. There a Goomalling player Terry Schell won the day.

Our thanks to Possum and Kevin Chattaway for a great day. The ladies put on two scrumptious meals. Thanks girls, see you next year.

The annual Bowls Day for the Grunta Wood's trophy was played in Summer conditions. Refreshments plus a wonderful breakfast at the Goomalling Pool put on by Kevin and Nola Chattaway completed a pleasant two days fun. We went down again but I have put Nick Bienkowski in charge of team morale and I believe he has recruited Murray MacDonald, Peter Dougan, Peter Amaranti, Tony Parentich, Gary Brookes, Don Dixon and Jack Irons to resurrect a bit of pride in our performance.

Once again with some big entertainment days at half time, the Dockers have let us use their premises. The Derby and Subiaco Ladies Day were a complete success. A big thank you to Con Regan and Cameron Schwabb who were both in attendance. We wish them all the best for next season.

Without our own room we thank Gary Ingraham for the use of his premises for most of our halftime shows. The donations for refreshments has been exceptional. I thank all who have donated.

In conclusion our association would like to congratulate our Reserves side for winning the Premiership, the Colts runners up and the League who on their day could beat any side in the competition.

This is Number 964 wishing you all a Merry Christmas and a Bulldog New Year!

**PETER THORPE**  
Chairman

## OBITUARIES

It is with deep regret that we record the passing of the following five highly esteemed Life Members of the club in Bill Collins, Greg Lorrigan, Norm Craig, Harry Carbon and George Paul.

Each gave their all to our famous club and we extend to their relatives our deepest sympathy.

**Your board also wishes to express condolences to all members who were unfortunate enough to lose loved ones during the past year.**

## 2004 COLT'S REPORT

It takes a bit of luck and a lot of hard work to win Premierships but unfortunately this year we were unable to secure our third flag in a row. The players and staff worked extremely hard and it was disappointing to end the season the way we did. That being said, the Colts coach's number one priority must be develop players capable of playing League football and I think we have succeeded in this aim.

I am very lucky to have coached three very different groups of players over the past three seasons and I have formed great working relationships with them all. We all made a commitment to work hard, follow the game plan and disciplines that I brought to the club and this formed the basis of our success.

A total of 48 players had an opportunity to pull on a Colts guernsey this season and it was very satisfying for me to see some of those players really develop over the course of the season. A number of players enjoyed enormous personal success by being selected in the State 18's team, Colts Team of the Year or made their League debut at the club. To all those players from the 2004 side who graduate to the Senior squad next season, I want to wish them all the best for their future footballing careers. I am sure many of them will go on to become names synonymous with the South Fremantle Football Club.

Congratulations must go our State 16's and 18's representatives, Colts team of the Year selections, AFL Draft Camp and State Screening Invitees and also to all of our Trophy winners. Good Luck to all those boys nominating for the AFL Draft. This is probably a day that has been part of your dreams since you pulled on a football boot but remember this valuable piece of advice - "You get more kicks in the backside than licks of the ice cream in football." So to those players, who miss out, I urge you to continue to work hard at your game in 2005 and I'm sure you will be rewarded.

I can't finish without thanking the fantastic team of people who made up the Coaching, Management and Support Staff this season and were a vital component of our success. Marc Arnold as Assistant Coach gave valuable support and input during the year which should further enhance his coaching endeavors.

Mark Hills gave unsurpassed opposition analysis as a forward scout which formed an important component of our pre game planning. Our statisticians Jeff Bell and Andrew Gibb, surely the most professional in the WAFL took their job to our new level this year. Physical fitness coordinator Leo Surjan prepared the players, acted as runner and filled other various roles on match days when required which was greatly appreciated.

Our two runners Michael Pratt and Craig Paul conducted the warm ups and cool downs on game days as well as making valuable contributions on training nights. Michael also took on the role of rehabilitation coach and provided post match reports which was invaluable as an assessment tool.

All teams require top medical staff and we were very well served in this department by Corey May, Nigel Smith, Robyn Dunnett, Sally Boase and the league trainers on match days.

A special thank you to our physiotherapist Linda Spagnolo and Cory for managing this area in a most professional manner.

The colts property steward John Jones was ably assisted by Ron Porter and Sandy Cuccovia to ensure the provision of equipment was always spot on.

To Terry Turnbull, timekeeper and Rob Taylor, interchange steward thanks for your support throughout the season.

To our Youth Development Officer, Jarrod Chipperfield, thanks for all your support and hard work during the year, you were an important part of our team and you will be sorely missed by the club. Good luck!

Finally to the hardest working member of the support staff, Team Manager, Lew Turner. Time and time again, Lew went beyond the call of duty to make sure everything was organized for training, games and social events. Thanks Lew on helping us to be the best-prepared team in the competition.

In closing I want to thank the Club for the opportunity to be involved in a fantastic Colts program and best wishes to all my players and staff for the future.

## 2004 RESERVES REPORT

Season 2004 is one which will sit in my memory forever! With the appointment of John Dimmer as senior Coach, a new game plan, style and philosophies to learn and educate, it was going to be a challenge.

The season started off reasonably for the Reserves with an abundance of numbers and new talent on display. Results early went our way with some not so pretty football but the encouraging aspect was that we were preparing as many players as possible to play league football. The players were embracing the new concepts and although we were just winning our games we all thought that once the players had confidence in what they were doing they were going to be pretty hard to beat. As the season progressed we had the usual number "drop off" but the core group in the reserves were coming together well and the better performers were getting their reward at League level. The reserves lost only 4 of their 23 games throughout the year, once to East Fremantle, East Perth and twice to Claremont a FANTASTIC EFFORT!! To finish Minor premiers and a home Final was one of major goals which we achieved.

As a Coach there are many significant moments throughout the year but I think one of the major ones was a game against Swan Districts at home in Round 16. Swan Districts physical approach really woke us up, but a 8 goal to 2 deficit was going to be hard to peg back after quarter time. Our plan to match their physical style and slowly chip away at their lead payed dividends on both ends of the scale with our guys gaining more confidence and Swans starting to have doubts. We took the lead 10 minutes into the last quarter and eventually won the game by 21 points. The belief and confidence the players drew from this game set us up well come finals time.

Reaching the finals was everyone's goal at the club at the start of the year. Finishing Minor premiers and playing a home final against Claremont where the honours were even throughout the year with either side winning those games by 10 goals. We were confident going into the game but not as well prepared mentally for the contest, a wet day, we went down by 17 points. Analysing the game we thought we played well below our best. This meant a derby Preliminary Final which could only motivate us more, to eliminate East Fremantle and advance to a Grand Final, a goal we set out to achieve 11 months beforehand.

After the league side being eliminated in the first semi, we had 7 players available to play in the Reserves all of them would play

significant roles in the following weeks. A warm day we played quite well and were 48 point winners come final siren time. No Injuries and quietly confident, we were into a GRAND FINAL!!

A light week on the track, we spoke about our plan for the week and how best to play Subiaco Oval. The key to us winning the game was going to be our ability to win the ball and our pressure and accountability when we didn't have it. We started very well with our plan falling into place nicely, a ferocious attack on the ball and opposition set the foundation for a great day. The players controlled the play and their ability to stick to the process and keep Claremont under pressure saw us go into half time 8 goals to 2 goals. We kept it very low key with the players controlling the atmosphere in the rooms they knew the job was only half done. The second half mirrored the first and our pressure and team 1% were SENSATIONAL!! To win our first reserves Premiership in 12 years by 10 goals was an outstanding effort by all the players.

To set a goal at the start of the year and achieve it is very rewarding. I would like to congratulate all the players on their contribution and the great bond we know share as a "Premiership Team".

I would like to thank John Dimmer for his guidance, support and friendship. John's influence on me personally has been enormous. Brad Collard (Reserves Assistant Coach) an outstanding effort and support throughout the year. To Ron Bayens, Andy Stone and Chad Duxbury thanks for all your help. Reserves Team Manager Peter Matier, a faultless performance - a true professional -thank you. To Marty Atkins, a fantastic job well done, your support to me was invaluable. To Warren Mosconi and Jason Tulloch (Runners) a job well done and thanks for putting up with me. To all the support staff and people behind the scenes, its people like you who are the strength of this great club.

To Terry Dean and the Board of Directors thank you for your support and for allowing me to coach. I believe 2004 is just a stepping stone in what we can achieve in years to come. BRING ON 2005!

## 2004 LEAGUE REPORT

In October 2003 the Board showed faith in my abilities to appoint me as the coach of the senior group of players for three years. In my discussions with Terry Dean and the rest of the Board I explained that I believe players must enjoy their time at the club, have a training regime that helps them achieve their goals and above all else have a group of players who are serious about being successful both as individuals and as a team.

As the year unfolded the basic aspects that I spoke to the Board about started to develop. The players were committed to improving their performances as indicated by each one stating on their goal setting sheets that to make the finals was important.

As everyone would be aware, writing something down and then physically achieving it can be two very different things. To the players credit and with the assistance of those around them the finals were attained. Unfortunately the league side bowed out in the first semi final but the reserves went on to have a memorable victory in the grand final.

The challenge for the player group is to improve in 2005. If our young players can learn from 2004 (particularly from the first semi final) and work at improving all aspects of their game and combined with a senior group willing to continue to make the sacrifices necessary to achieve success then there is no reason why we cannot improve our performances. The only obstacle that could get in the way is attitude. As all the motivational books I have ever read say "attitude decides your altitude" and "the only place success comes before work is in the dictionary".

So as we embark on the 2005 season everyone involved needs to bring with them a positive attitude and a willingness to work hard to achieve an improvement.

Before we focus too much on 2005 it is important that I mention some of the outstanding people I have worked with over the last season. I would first and foremost like to thank Marty Atkins for his efforts in his new role as the Football Manager. Marty's desire to see the club be successful on the ground as well as his focus on an approach that enables players to feel as one with the club certainly made my job easier and enabled the players to give due focus on their physical preparation and not be sidetracked by other influences. His ability to have a laugh was also appreciated.

The coaching staff at the club have been superb in my first year. Ron Bayens joined us in February and brought to the club many years of experience as a player and umpire. His words of advice enhanced our discussions, particularly at team selection meetings. I believe I was particularly fortunate that Glen Davies stayed at the club for the 2004 season. His knowledge of the player group and his thoughts and ideas during the week and on match day were vital. It was tremendous to see Glen rewarded with a Premiership at the end of the year. His dedication and passion for the game brought the best out of his players and I'm sure their performances gave him a lot of fulfilment. Andy Stone provided me with great support in a variety of roles throughout the year. On match day his ability to combine the magnetic name tag movements with an eye for statistical analysis enabled the other coaches to have a quick snap shot of what was happening on the ground. I would also like to thank Brad Collard, who was primarily the reserves assistant coach but gave much time and energy to the league team. Brad's influence can never be underestimated. To James Bridle a special thank you for the great work in monitoring the players fitness and rehabilitation. It was also fantastic that a former player in Tom Bottrell was able to help in the fitness program of injured players. His boxing and weights routines were loved by those who couldn't train with the main group.

In Tony Mollica the league team has one of the best team managers going around. His attention to detail, particularly on Thursday nights and match day certainly gave me confidence that everything was covered, including name tags for new opposition players. Carl Micale is another great assistant to have at the club. Carl is there every training night and match day, always willing to help in whatever capacity required. Where would we be without people like Carl?

In this great game of ours one group of people often go unnoticed but have an incredible influence on a team. I speak of the runners. To Craig Civich and Tony Walters who did the running for most of the year a special thank you. You were greatly appreciated, not only for your running on match day but also for your general assistance during the week. I would also like to acknowledge the efforts of Dean Ercegovich, Greg Wootton and Warren Mosconi for their efforts when Craig or Tony were unavailable.

Thank you to our great property men, Ron Porter and Sandy Cuccovia. They are often out of sight but probably are at the club more than anybody else and their love and devotion to the club is outstanding.

When players are injured they have to fall back on our medical men and I would like to thank our team in this area lead by Merv Lockhart. Without this dedicated team of strappers, masseurs and ultra sound administrators the players would not be able to get back on the park as quickly as they have this year.

At the start of this report I spoke about the player group and how pleased I was with their development. I would like to particularly congratulate Brad Bootsma on his first year as captain of the club. Being the captain can be a big job that can effect the form of a player if he isn't dedicated in his approach. It was extremely pleasing to see Brad have a great year as a player as well as leading the players with distinction off the field. Our other leaders at the club were great. David Gault as the vice-captain and others such as Joe McLaren, Shaun Tinsley, Ryan Webb, Toby McGrath and Matthew Clucas were excellent as role models to the younger players.

My last thank you goes to people who have a big influence at a football club. That is to the wives and girlfriends. Without their support I'm sure the players and others would not be able to dedicate the time required at a club at the WAFL level. To my own wife, thank you for your understanding and patience.

In closing, 2005 will be upon us before we realise it. As mentioned earlier if we are to improve we require a group of players who are prepared to put in the effort needed to be the best they can be and to continually strive for improvement. It is only when we persist, often in the face of obstacles, that we truly achieve something worthwhile.

## 2004 SOCIAL DIRECTOR'S REPORT

This year the House Committee has introduced two very popular games for Friday night members and supporters who attend our club. Chase The Joker and Pick A Box are the new additions and provide club goers with many prizes and jackpots. Mostly provided by our very supportive sponsors.

President, Terry Dean keeps us up to date with the latest developments in the football industry. Santo Pasqua announces the league side and Haydn Raitt keeps us entertained by being our popular compere. Happy hour prices prevail during the evening and our chef provides delicious nibbles. Chickens and beer can be won with each spin of the Chocolate Wheel. Sheila and Ron Greer organise the meat, wine, beer and free members draw.

The South Fremantle Football club has a Jackpot Members Draw on Friday night organised by our General Manager, Brian Ciccotosto. However you must be in attendance to collect this one.

The House Committee provided the club house with a much needed commercial dish washer which eases the work load of our new chef Julie Dhu and her hard working kitchen personnel.

The Ladies Committee is to be commended on their home game afternoon teas, colts lunch time eats and players teas, thank you Marion Reid and all her helpers.

Renovations are well under way to our main bar and should be completed by Christmas. Members Friday nights continue to operate in the Legends Bar during renovations – I wish to extend an invitation to all our country and metropolitan members and supporters to view our latest refurbishments.

Members and their guest can treat themselves to the President's Luncheons at all home games, phone Amelia on 9335 1555 during office hours. All South Fremantle Football Club and Dockers members are welcome on Tuesday afternoon to watch the Dockers training sessions, join us for a friendly drink and a sausage sizzle, introduce yourself to Colin Punch our Bar Manager and Peter Williams our Functions Coordinator and our happy and friendly staff.

You may join our TAB supporters, you might get some lucky tips.

I offer my sincere thanks to Colin, Peter, Julie and Russell and all the club house staff and volunteers.

I would like to thank Vida, Joan and Haydn for helping me in all my duties.

I would like to thank Marion, Anna, Sheila, Morag, Anne and those that are supportive and give their time, thank you for making the 2004 season a good one!

## 2004 TRIP AND TRAVEL CLUB

As we expected the cabaret held in the Griff John Function Centre was very successful and a good time was had by all.

Over 150 people attended the dance with the very versatile and popular band "Offsprings" providing real foot tapping music.

We made a small profit on the night which will help the football club and we have maintained the goodwill of our patrons for over 40 years.

Special thanks are due to our loyal and hard working secretary, Betty Byrne, who is ably assisted by Sheila Greer, Vida Dunstan and Anna Riddell who are our chief ticket sellers in the nights raffle.

Unfortunately this year brings to a close another chapter in the club's history as we have decided after 41 years that the Car Club/

Trip and Travel has finally run its course.

We thank our many loyal and steadfast members who have contributed to the success of both clubs over so many years.

Claude Law Memorial Players Insurance Fund  
For over 20 years members have donated to this fund which assists the club in paying the gap after the private insurance payout for players medical claims.

To all the members whose names appear on the board inside the social club we say thank you – the players sure appreciate your kindness.

**RON GREER**

## 2004 LADIES FUNDRAISING COMMITTEE

Because of changed structures within the Club this Committee have chosen to resign and will disband as from the end of December 2004.

This Committee was formed 21 years ago by five ladies, I am the remaining foundation member. I would like to thank my present hard working members, Jan Atkinson, Pam McGuinness, Bertha Scobie, Nancy Watson, Margaret Redpath and Ann Beard for their support in all our projects, not forgetting their menfolk behind the scenes.

Special thanks to Steve McCarthy for setting up the hall and always giving 100% help when asked.

My personal thanks to our General Manager for his help and wise counsel.

A general tribute to those many club members who supported us in our fundraising.

This year we have bought high topped tables for the bar and a larger microwave oven for the kitchen. We have helped with the cost of half-time afternoon teas and bought cups and saucers for the same purpose. We have catered for two Football Managers lunches, the Colts Medal Count, 300 children of the South Coogee Football Club award night. We give a weekly award to the Colts Team and will cater for the Newton Primary School wind up, celebrating the 14<sup>th</sup> year of this activity.

During the last two years we have saved our funds towards a toilet facility for the use by the disabled.

Thank you all for your support.

## 2004 YOUTH DEVELOPMENT REPORT

### The New Bulldogs District

November 2003 saw the formation of the new "Bulldogs District". Under this new model, all junior clubs zoned to South Fremantle play in the same competition. It hasn't been an easy transition as clubs from the old South Suburban and Fremantle Coastal competitions came together for the first time but through an enormous amount of work by the new District Development Committee and their hard working competition sub-committee the new district has seen a fantastic debut season.

One of the great success stories of the season was the inaugural Fremantle Football Club Youth League. The idea for the youth league was born in the South Fremantle district last year and we took the concept to the Fremantle Dockers who got on board in a big way. Our thanks to the Dockers for supporting the clubs and competition so superbly in 2004.

### Colts

The main task of our talent development programs is to prepare young men for League football and I can safely say that this has been another excellent season in that regard. A by-product of this success has been our ladder leading Colts team and once again they have done the club proud by making another Grand Final. Unfortunately this year they were unable to take out the flag but Roger, Marc and the rest of the Coaching staff have exposed another 48 of our talented youngsters to what is required to succeed at the elite level.

This year saw the Colts provide eight players to the State 18's team. Six players selected in the "Colts Team of the Year" and a number of talented players put their names forward for selection in the AFL Draft.

WAFL Colts team of the year – Jordan Smith (Back Pocket), Aaron Bowers (Centre Half Back), Morgan Cooper (Wing), Shannon Cox (Forward Pocket), Ashton Hams (Rover) and Scott Delmenico (Interchange).

Special congratulations to Ashton Hams, who made his League debut this season whilst still a Colts age player. I'm sure he has a big future at the club.

### South Fremantle Warriors

Our Development squads continued to provide a pathway for talented young players to progress to Colt's football. In 2004 our 16's Warriors, coached by Graham Cornell were State Champions in the WAFL Championships held in March and April. Two players were selected in the State 16's team from this squad and a total of 10 players made their debut in the Colts during the season. Our 14's squads were coached by Warren Mosconi and Scott McDonnell in 2004. They played in the first week of the October school holidays and 53 young men experienced the thrill of pulling on the big red "V" for the first time and pitting their skills against the best from the other WAFL Clubs.

Jamie Donald and Bradd Gardiner coached our 15's squads and they were successful in the second week of the school holidays. Winning 3 games over the week and several good individual performances making selection extremely difficult for next years 16's campaign.

Thanks to all those people involved in the coaching and management of the Warriors squads. You all play vital roles within our football club and we appreciate your efforts.

### Dawson/Mollica/Hurst Medallists

The Warriors award the Dawson Family, Tony Mollica and Jim Hurst medals annually to our Fairest and Best players in the 14's, 15's and 16's WAFL Carnivals respectively. These medals honour the outstanding contributions of those people towards junior and development football in the South Fremantle zone.

14's	Dawson Family medallists	SF White:	Laurence Collard (Katanning)
		SF Red:	Kenny Fitzgerald (Cockburn)
15's	- Tony Mollica medallist	-	Trent Stuart
16's	- Jim Hurst medallist	-	Callum Wilson (South Coogee)

### Darwin Tour

In July this year the Warriors 16's blazed a trail to Darwin to take on two of the Northern Territories representative sides. Apart from the football scheduled, the boys visited Berry Springs, saw crocodiles on the Adelaide River, visited the Mindil Beach Markets and had former Eagle Chris Lewis as a guest speaker.

They were scheduled to play under lights at Marrara Stadium, but unfortunately the ground was unavailable due to the previous week's cricket test match. Therefore the boys had to contend with the intense heat and play during the day which suited our hosts better than us. We defeated the Territory Schoolboys side in the first match but were soundly beaten by the Territory Thunder 16's in the second game.

In game three we went down to the NT Schoolboys by two points but this was mainly due to the fact that we were saving our best players for the return bout with the

Thunder side. Unfortunately after a hard fought first half we were outclassed by the best the Territory had to offer in the second half.

A number of exciting new players were introduced into the Warriors on this trip including Jarrod England, Mathew Michael and Toby Bairstow (the latter two players claimed under the father-son rule).

Best player awards went to: Vs Territory Thunder – Ivan Garlett (Kwinana), Tyron Ward (Forrestdale), Gavin Campbell (East Fremantle Power), Mitchell Davidson (Forrestdale), Cameron Jetta (Brookton/Pingelly) Vs NT Schoolboys – Dwayne Lake (Melville), Toby Bairstow (South Bunbury), Adrian Cagnana (Roleystone), and Andrew Farina (Thornlie). Clubman Awards: Mitchell Zile (Lakes), Liam Outram (Lakes) and Adrian Cagnana (Roleystone).

All in all it was an amazing football experience and one that the players and staff will never forget.

#### Country Development Programs

Players from the Central South region represented South Fremantle in the WAFL Country Carnival held at Eftel Oval in July. The boys tried hard over the Carnival and many players earned selection into the Warriors teams due to their good performances at the carnival. Thanks to Kim Drage for coaching the boys and Nathaniel Kett and Mike McMillan for their assistance with the squad.

#### Belt Up Cup

Congratulations to Hamilton Senior High School who were the South Fremantle zone winners in the Belt Up Cup defeating Katanning Senior High School in the final held at Williams Oval. Hamilton unfortunately went down to Governor Stirling in the quarter finals.

#### Smarter than smoking Cup

Congratulations to Winthrop Baptist College who were the Premiers in the Glendinning Division of the Smarter Than Smoking Cup. Three players from the Bulldogs District were also named in the Smarter Than Smoking All Stars team – Jarrod Ninyyette (Clontarf AC), Carl MacNeill (Clontarf AC) and Scott Delmenico (Winthrop BC).

#### Junior Competitions

Well done to the competition committee of the South Fremantle DDC on a sensational debut season under the new WAFC structure. The Kardinya JFC continued to play in the East Fremantle District and had teams contest a total of 4 Grand Finals but unfortunately only the Kardinya 17's were successful in the Fremantle Football Club Youth League. Congratulations also to the Upper Great Southern Junior Council on another fantastically run season. Welcome to the Gascoyne Football Association to the South Fremantle zone for 2004.

Junior Premiers from the South Fremantle zone were:

UGSJFL  
4ths - Wickepin  
3rds - Narrogin

EFD FDC  
17's FFCYL - Kardinya

SFDFDC  
13's - Bibra Lake  
14's - Cockburn  
15/16's - Lakes  
17's FFCYL - Fremantle Hawks  
GFA  
Nippers - Ramblers

#### Junior Medallists

New medals were struck in 2004 to honour those people who had made invaluable contributions to junior football within the South Fremantle Zone.

Congratulations to the following Fairest Best Winners:

13's Terry Dean Medallist: Sam Coultas (Roleystone)  
14's Garry Taylor Medallist: Kenny Fitzgerald (Cockburn)  
15's Kim Turner Medallist: Jamie Miller (Armadale)  
16's Wallington Medallist: Danny Starr (South Coogee)  
17's FFCYL Medallist: Tom Bell (Swanbourne)

#### State Representatives

Western Australian football was represented by three teams in underage competitions. School Sport Western Australia's Schoolboys were hosts in the National Carnival held in Perth. WA put in two sides. WA1 took the title WA2, coached by our own Marc Arnold also fared well.

The National AFL 16's carnival was again held in Adelaide and Western Australia took the title for the second consecutive year. The National AFL 18's carnival saw Western Australia defeat hot favourites Victoria Metro in a thriller at the MCG but went down to Victoria Country the classy South Australian side during the Carnival.

A total of 14 players from the South Fremantle Football Club represented Western

Australia in the three sides mentioned above including nearly half the State 18's team with eight South Fremantle players being selected to travel to Melbourne.

Congratulations to all the players on not only being selected but also on your fine contributions to your respective teams.

SSWA State 15's  
- Keenan Maes (Bibra Lake)  
- Ben Lyons (Wesley)  
- Jarrad Winter (Kardinya)  
- Kallen Bond (Lakes)

WA State 16's  
- Leroy Jetta (Brookton-Pingelly)  
- Clayton Collard (Coolbellup)

WA State 18's  
- Aaron Bowers (Kelmscott)  
- Tommy Corbett-Wynne (Bibra Lk)  
- Bradley Collard (Coolbellup)  
- Shannon Cox (Kojonup)  
- Morgan Cooper (Roleystone)  
- Scott Delmenico (Kardinya)  
- Ashton Hams (Busseton)  
- Jordan Smith (Bibra Lake)

Well done also to Tom Fittock and Jonathon Mullins, two of our recruits from Darwin, who both played in the Northern Territory's Division 2 Championship team at the National 18's titles.

A special mention must go to Leroy Jetta for his performances over the season. Leroy was a joint winner of the Kevin Sheehan Medal (with WA Team-mate Grae Grant) for the Fairest and Best player in Division 1 of the National 16's Carnival. Leroy was also selected in the AFL/AIS Academy squad and then was the worthy recipient of a Mike Fitzpatrick scholarship from the AFL Players Association. Unfortunately Leroy was unable to add a Colts premiership medal to his season but big things are expected of him and his Colts team mates next year!

#### All Australians

Jarrad Winter - National Schoolboys 15's Titles  
Leroy Jetta - National AFL 16's Championships  
Clayton Collard - National AFL 16's Championships

(Clayton and Leroy also earned scholarships to the prestigious AIS/AFL Academy).

A big thank you to all the parents and other volunteers who help make the "Premier Family Club" so successful when it comes to developing talented players. Without you all contributing to our club we couldn't get the boys on the field to showcase their talent.

Congratulations to all of our Colts trophy winners and Development squad medallists. I wish you all continued success as you chase your football dreams.

Good luck to all those boys nominating for this years November AFL Draft with special mention to Shannon Cox who was invited to the AFL Draft camp in Canberra. Three other Colts players were invited to the AFL's State screening camp held at the WA Institute of Sport in early October (Scott Delmenico, Aaron Bowers and Morgan Cooper). They joined senior players Hayden North, Leigh Martin and Clint Jones at the screening session.

#### Conclusion

After five seasons, firstly as the club's Talent Development Officer and then in the new role as the Youth Development Officer, I am moving to another position within the football industry. I have thoroughly enjoyed my time working with the club and I have developed an everlasting passion for the red and white.

I hope to stay involved on a voluntary level and to help bring the club further success. Thanks to all the Football and Administration staff at South for your support over the last 4 and a half years.

I'm sure the club is going to capitalise on our successful player development programs and is well on the way to capturing that elusive Premiership. I wish John Dimmer and his players all the best for 2005!

Finally, an absolutely huge thank you to all of the people involved in South from the DDC to the Directors and everyone in between. I have really enjoyed my time in the Development role and I look forward to assisting our new YDO in David Hynes to settle in to the position. David needs no introduction to our members and supporters. A highly decorated player who has been doing fantastic work in football development in the south west and I'm sure "Hynesy" will continue to build on the excellent programs we have operating here at the club.

# MOVING?

LOCALLY, STATEWIDE OR INTERSTATE?

## WE'LL MOVE YOU

with military precision

...and we will put you **AT EASE!**

Worried about the cost, the effort, the time, getting a truck and the possible damage to your goods?

**We can do it safer, cheaper and quicker!**

**So why do it yourself?**

Let Ace Removals & Storage take the back breaking effort, time and worry out of your next relocation, whether it be locally, statewide or interstate. We've been in the industry for over 10 years, so we have fine tuned the art of moving people's possessions safer, quicker and cheaper than doing it yourself.

**OTHER SERVICES WE HAVE TO OFFER . . .**

- Storage - Container & Homepacks Long & Short term
- Full packing service & valet unpacking service
- Cartons-Paper-Tape-Bubble Wrap • Insurance
- Carpet and House Cleaning Service

# ACE REMOVALS SERVICE...without fault.

**5% OFF** get the discount when you mention this leaflet on booking

#### SCOPE

We have audited the financial statements of the South Fremantle Football Club (Inc), being the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows and Notes to and Forming Part of the Accounts for the year ended 31st October 2004. The club's management is responsible for the preparation and presentation of the financial statements and the information they contain. We have conducted an independent audit of these financial statements in order to express an opinion on them to the members of the club.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) and statutory requirements so as to present a view of the club which is consistent with our understanding of its financial position and the results of its operations and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

#### Audit Opinion

In our opinion, the financial statements present fairly in accordance with applicable Accounting Standards and other mandatory professional reporting requirements the financial position of the club as at 31st October 2004 and the results of its operations and cash flows for the year then ended.

.....  
Partner: William Paul Covich

29 November 2004

<b>NET PROFIT/(LOSS)</b>	\$47,288	\$28,992

#### 1 STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views). The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the company in the preparation of the financial statements.

#### Inventories

Inventories are measured at the lower of cost and net realisable value.

#### Property, Plant and Equipment

Property, plant and equipment are brought to account at cost or at independent or directors' valuation, less where applicable any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows which will be received from the assets employment and subsequent disposal.

#### Employee Entitlements

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

#### Cash

For the purposes of the statement of cash flows, cash includes cash on hand and in call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

	2004 \$	2003 \$
<b>2 Cash</b>		
Cash on Hand	8,900	7,400
TAB Security Deposit	5,000	5,000
Deposits - Interest Bearing	275,180	200,179
