National Carnival

Over 400 WA players have registered for the 2021 Sealink Perth National Carnival, and at this stage, all preparations are continuing as planned, hoping the other states can attend as they get control of the Outbreaks of COVID19, and state borders get opened up. We will focus on what we can control and that is prepare for "The Best Carnival Ever". If your club wishes to assist please reach out to Peter Coffey.

Perth Country Carnival

Please be advised that the End of Season Perth Country Carnival is arranged for Saturday 21st August not the 14th August as previous correspondence has it stated. You should see an invite from Mick Osborn, Southwest Delegate in your inbox shortly.

Sad News

On behalf of the AFLMasters WA Board and Masters football family, we are all saddened to hear the news that one of our former umpires, John Omodei passed away recently on the footy field, doing what he loved umpiring a game, Condolences to Johns family.

Clash/Reversible Jumpers

Metro Clubs need to consider clash jumpers or reversible jumpers when they order new jumpers through Burley Sekem. We will have more night games going forward as oval space becomes a premium.
