## REMINDER TO OUR MEMBERS

### 2022 ANNUAL GENERAL MEETING

### EAST FREMANTLE YACHT CLUB

Petra Street, East  
Fremantle

THURSDAY,  
15TH DECEMBER

# PRESIDENT'S REPORT - Mark Stewart

When we look back at 2022 we will be amazed at how we came together to achieve so much. The impact of COVID-19, has been unbelievably challenging for our club, our supporters and for so many in the community. We came through the year in a much better position than we initially feared, and we finished in a very good place with much to look forward to. We are in the best position possible to take on the 2023 season.

Both our men's and women's teams displayed the true Shark way – they faced challenges and rose to the occasion time and again, all united for the Blue & White. We are very proud of them all.

As we head towards the end of 2022 and into 2023, and we see our home games continue to be played at the WACA. These changes have brought new challenges but none that we won't tackle with the same spirit we began with and that's kept us in good stead throughout our 125-year history.

Our vision continues to underpin everything we do. The location may change for a season or two, but the spirit of East Fremantle Football Club and its values won't. We will continue to include, innovate and excel, create an engaging club environment, connect great people to the Sharks community, and empower them to be their best as we embrace our new opportunities while looking forward to coming home to our fantastic new facility.

## OUR PURPOSE

We will also continue to maintain our focus on engaging with the community, joining the other groups who will also have their facilities improved and giving us a rich opportunity to share their goals along with ours. We hope to see this translate into a more open relationship with all who share our grounds and our central purpose of building community through the positive power of sport.

One of the ways we're contributing to this is in continuing to promote women's football. It was disappointing news for the sport – and for me personally – to hear that the WAFLW reserves team will be axed for the 2023 season. Be assured that women's football has, and continues to be an essential part of our club's future. We are rightly proud of our history here, of our efforts to explore an academy in Geraldton, and the inroads we've made for women to share in all that football has to offer. We commit to equal opportunities for all, and to enabling players, coaches and officials to thrive and succeed at all levels of the game. We look forward to continuing our support of the women's football program and the development of leaders on and off the field.

## Strategy

Our focus now moves to mapping out the next 5 years with our vision to be WA's destination club for sporting and leadership excellence, community contribution and entertainment experience. Our board is currently working on our new strategic 2025 plan that we will share with everyone in the new year.

## 2022 FINANCIAL REPORT

As seen in our Financial Report, our club has had an after-depreciation loss of \$322,104 which has primarily come about due to the asset write down of the building. We also incurred further costs as a result of staying longer at East Fremantle Oval prior to the start of the redevelopment.

We do still need to remain focused around our financial situation for the upcoming seasons, however, as there continues to be a certain level of risk and global uncertainty regarding the coming years.

Special thanks go to Mark Murphy, our chartered accountant, who has continued to

give his time to oversee our club's finances and who is a key member of the Finance committee.

## CLUB LEGEND

I am proud to announce that our 2022 Match Ball Legend is our Maureen Gathercole. Maureen has been such an amazing contributor to our great football club, having been involved in numerous roles with East Fremantle Football Club since 1970.

## THANKS

### Patrons

We appreciate the expertise, contribution and immense value to our great club of our Club Patron, Tony Buhagiar and Vice Patrons Ray Meadowcroft, Len Hitchen, Peter Lynn, John McGrath, Hon. Simon O'Brien, Glenn Sterle, Lisa O'Malley, Bob Uittenbroek, Ron Alexander and No.1 Ticketholder Sam Kerr.

### Our Board

Special thanks go to my fellow board members - Steve Nugent, Adam Drake-Brockman, Flora Furness, Kim Chatfield, David Edinger, Con Tripi, Damien Condon and Paul Chapman who continue to bring their expertise to our club. They all either own their own companies or hold senior roles within companies which bring great demand on their time. We value each of them for their expertise, leadership, compassion and generosity, and the time they give. We appreciate your service and look forward to your continued guidance as we move towards 2023.

### Past Players and Grey Power

To the remarkable group of people who are our officials and past players – your amazing dedication to our club is appreciated and valued. To Angelo and your team, thank you for another year of outstanding contribution.

To Graham Hodge, Jack Roberts and Ken Corbett thank you to you and your 'grey power' volunteers, your substantial efforts over the years have been a great benefit to our club and all its members.

### Our People

To our management team and our CEO, Todd Shimmon, to our staff who have all worked with unstinting dedication in the recent weeks moving to our temporary offices at the Tricolore Community Centre - thank you for ability to continue in your roles throughout this demanding time and keeping us on track this year. A big thank you to each one of you for your professionalism, dedication and for upholding the values of the club.

A special mention to those who continue to give so freely of their time and skills: thank you to Mick Jez - your work and expertise is a great asset to the club, and Charlie Ricciardo – your contribution checking in on the players is greatly valued. Thank you to you all.

We thank the Berrigan Bar & Bistro, Numero Uno, and Nine Seeds and your staff for being an essential part of our club's facilities and the excellent services you made available to us during the finals we played at New Choice Homes Park.

Simon Stibbs, your continued guidance and your different thinking around strategy, as well as you working with our people has been such an important aspect of our club.

Our gratitude also goes out to our many superb sponsors for your valuable support of the East Fremantle Football Club. The Board looks forward to our continuing association and assisting you to connect with our community organisations throughout 2023.

And to all our loyal members – thank you for your unwavering and steadfast support.

## On Field

Thank you to all our coaches. To our League Coach Bill Monaghan, we thank you for your service and hard work in what has been a challenging environment throughout Covid.

Our thanks too to all who were involved in the Development team, their coach Bradd Dalziel and to our Colts Coach, Adrian Ricciardello, for your fine efforts throughout the seasons. We are fortunate as a club to have such excellent volunteers and support staff, to all our selectors, team managers and assistants, our trainers, strength and conditioning staff, property managers, and to every volunteer - our sincere thanks to every one of you for your fantastic contribution.

Darren O'Donnell and Flora Furness, who work within our Women's program – thank you for your ongoing dedication and your wonderful efforts. We're fortunate to have you in the team and appreciate all your hard work.

To this year's 2022 Dhara Kerr Medallist, Sharon Wong, and the 2022 Sandover Medallist, Blaine Boekhorst – to have our players win both awards is outstanding. A big congratulations to you both, and congratulations too to Milan Murdock for taking out the 2022 Lynn Medal.

We also thank Karen Wheatland, our District Chairperson and everyone on our District Development team.

## The Town of East Fremantle

To the Town of East Fremantle Mayor - Jim O'Neill, CEO - Gary Tuffin, and all the councillors, thank you for all you've done for the club, especially for your contribution to the upgrade to our grounds - and a special mention to Brad Paatsch from the Paatsch group. We're excited about the future and moving forward together in the new East Fremantle sporting precinct.

## Special Thank You

My thanks to my wonderful wife, Leanne, and our daughters - and to all the magnificent families who continue to support our players, members and volunteers. Our sincere thanks to you all.

## OUR FUTURE

While we can look back with pride at all that's happened on our ground it is well and truly time for something new. I join with you in our excitement for the future. We've worked hard to secure favorable relationships with the State government, the Town of East Fremantle, and individual sponsors that have brought in funding for this outstanding development and all the while maintaining excellent relations with the local community to serve their needs too. Congratulations to every person who has contributed to this achievement.

We're standing proud, looking forward to our future. We may have challenges ahead, but we will deal with them the same way we always do – as a strong club, united for the blue & white, with our eyes on the prize.

I would like to personally thank all our members and supporters for your contribution and wish you and your families a very prosperous, healthy, and rewarding 2023. We hope that you all enjoy a Christmas break and can spend time with family and loved ones.

Our club has a great deal to be proud of. We are a community of exceptional people. I am grateful to every one of you for your contribution and your spirit. It has been critical to the short- and long-term viability and success of our club. Together we make an incredible team. I'm excited about our future going forward with such commendable people.

# CEO Report - *Todd Shimmon*

I am delighted to announce that our long awaited redevelopment has started, and hopefully withing the next 15 months we will return to our new state of the art facility. On field we performed exceptionally well in the Women and Senior Men's programmes.

A lot has been reported about our senior team's rapid improvement in the last 12 months, even with the team losing vital players to the AFL during the season and injuries to key players consistently throughout the year.

On behalf of the admin team I would like to sincerely thank our coaches, players and support staff for adapting to a changing workplace and training environment every week.

Our 3 women's sides reached the Grand Final and our Youthies won the Premiership, which all goes well for the future.

As I write this report we are about to integrate with our men and women's Club becoming one. A big thank you to Darren O'Donnell and the entire Women's Executive for their work over many years to make this happen.

*Justin Michael – Todd Shimmon – Christina Matthews*

## **Redevelopment of East Fremantle Oval**

When I wrote this report last year, all seemed very rosy, with funding secured, and we were about to put out to tender for the builder. Then the building escalation in WA went through the roof, and our new facility went from a \$26.5m project to a \$37m project in 10 months.

We recommenced a new design to cut costs and will now start on a \$32.5m redevelopment this month.

A big thank you to all key stakeholders who have worked on reducing costs to make sure this facility will encompass all the community needs.

## **WACA Partnership**

This year we started our 2 year partnership with the WACA to play our home games for the 2022 / 2023 seasons. I would like to thank Christina Matthews and her team of Justin, Joanna, Beth, Cam and Dale for their great support in changing a cricket ground into a football oval for 5 months of the year.

I know our players, sponsors and members enjoyed the excellent viewing platforms they could utilise at the WACA, and the friendly game day environment that was shown to all patrons who attended our games in 2022. We look forward to enhancing the game day environment for 2023.

Thank you to Michael Radley at Gloucester Park for providing assistance for parking on game days.

## **Sponsorship**

A big thank you to our wonderful, loyal sponsors who stayed with us through our transition to the WACA this year. The Club

was again able to retain 95% of our sponsors in 2022.

Paula has done an exceptional job in this area, with her personal touch to make sure all sponsors were happy with their set-up for 2022 at the WACA.

New signage was produced for the WACA with outstanding promotion of brands and companies at each home game.

## **Northampton Game & Mid West**

We were delighted to be able to run a 5 day promotional community event from Geraldton through to Kalbarri to help after the devastation of the Seroja cyclone in April this year.

A big thanks to Andrew Lockyer and the AFL Rams, GNFL, GNJFC, Rio Tinto and the State Government for all their support in running the programmes and the WAFL games in Northampton on April 30, 2022.

## **Junior Clubs and Amateur Clubs – District engagement**

Although we play all the same times on weekends, and we are all very busy running our own junior and amateur clubs, we would like to engage closer with the Clubs with help in support to enable them to run their Club. The Club will work on initiatives to help Club Presidents and Executives run their Clubs in 2023.

## **Womens Football**

As stated previously, our Women's teams had an outstanding year on field with all 3 grades finishing on top of the ladder. A big thank you to coaches and support staff who worked tirelessly in this area to make this happen. Unfortunately our League and Reserves

Congratulations to Sharon Wong for winning the Dhara Kerr Medal for B&F in the League competition and Ashleigh Gomes winning the East Fremantle F&B.

### Volunteers

A Club like ours is only as strong as its volunteers. We have an outstanding group of volunteers who give their heart and soul to the East Fremantle Football Club.

We have acknowledged our volunteers for 2022 on page 42 of this Annual Report.

We are about to enter our 125th year in the WAFL competition, and the main reason why we have lasted so long is because of our wonderful volunteer support.

I would like to acknowledge two (2) volunteers who have been instrumental in the relocation of the Club moving out of East Fremantle Oval and to our temporary position at Tricolore Community Centre.

To Steve Waller who is Chair of our History Committee, thank you for your outstanding efforts over the last 6 months.

And finally to the one and only Bob Uittenbroek, who went through every square inch of the Club finding all memorabilia or valuable assets that he could either sell by auction for the Club, or ring a member and ask whether they would like it as a souvenir.

If Bob didn't call you over the last 6 months,

then he must have lost your number.

Both Steve and Bob had wonderful volunteers helping out in their respective groups, and they will be acknowledged at our Volunteers Day in November.

### Board and Staff

A big thank you to Mark Stewart and the entire Board of the East Fremantle Football Club. This year has thrown up an extraordinary amount of issues, such as Covid testing, Covid ground attendance check lists, moving to a new home ground, finding training venues for teams at short notice, funding and re-design issues in regards to the Redevelopment.

Through all of these items, the Board worked

to find solutions which our coaching teams implemented to the playing groups, which seem to build an even stronger culture throughout the Club.

To my admin staff of Judi, Paula, Dee, Peta, Brad, Brenton and Dave – thank you for your on-going commitment to make this Club the best in the WAFL.

The football industry is a great environment for young people to learn good habits and life skills that will be with you for your entire life. Every year I continue to learn from the people around me at this football club.

To all members and supporters, I hope you have a Merry Christmas and a Happy New Year, and I look forward to seeing you all at the WACA for the 2023 season.

I'm proud to support the **East Fremantle Football Club** and I wish everyone a safe and enjoyable 2023 season.

## FINANCIAL SUMMARY FOR 2022

The Club was on track to record a surplus in 2022, but a delay in the start of the Redevelopment meant we needed to stay at East Fremantle Oval for 6 months longer than anticipated. Hence our facility expenses were a lot higher than budgeted in 2022.

We recorded an operating loss of (\$45,942) for the 2022 season.

We currently have \$158,638 in our Future Fund, and we have launched the Sharks Redevelopment Foundation.

A tax Deductable Redevelopment Fund for members & supporters to donate and be recognized at the entrance of our new building.

Over the next 15 to 18 months we will need to

raise further funds for the fitout of the new facility.

Below is a summary of our results in each category, along with a comparison to the 2020, 2021 financial year.

We thank everyone who has supported us to date and are excited about the success to come.

Wow, what a season of football it was this year; numerous players drafted, country enrichment game in Northampton, football at the WACA, League Finals Footy, Sandover Medallist and Dharra Kerr Medallist, WAFLW Finals and Premiers with the WAFLW Rogers Cup team!

These milestones don't just happen, we have a great team of staff, board, players, volunteers and you, our Sharks Members and Sponsors. Your investment into your Club is crucial to our wins on and off the field.

### Member recognition

Thank you, your personal contribution to the club, by way of purchasing a EFFC membership which is so important to our success as a club.

We hope that you have enjoyed our wins, supported our players presented with AFL/AFLW opportunities, attended our WACA home games and enjoyed the game day experience the live stream of games that is now offered.

I encourage you to continue your investment in the Sharks and continue to Unite for the blue and white!

### Partner recognition

We must thank all EFFC Corporate Sponsors who generously support the club, or as how I like to refer to them 'partners', we simply couldn't do it without you! A complete list of our sponsors is incorporated into this publication.

Special thanks to our Major Partners Magic Enterprises and New Choice Homes.

This year we welcomed the following new partners to the club: Café Corporate, Healthway, Jones Ballard, Retravision O'Connor, Rio Tinto, Spoke Corporate, Stork Davies Legal Group, The Golf Clearance Outlet Myaree, Tydan Constructions, Vinidex,

Weststar Industrial and the West to West Group.

We held two business networking events, one at the Tradewinds Hotel and the second at the Broken Hill Hotel. We host these functions to enable our Corporate Partners to present and network each other's business, to add value to our partnership.

Further to this we introduced members benefits to offer to our 2,000+ members. This enables our corporate partners to offer a promotion/discount directly to EFFC members. If you aren't already doing this, please contact me directly to arrange. Some of our partners that are already utilizing this are the Tradewinds Hotel, The Left Bank, Jewellery & Gift Emporium and The Golf Clearance Outlet.

### EFFC Golf Days

### 2022 Game Day experience:

The players certainly enjoyed the experience playing at the WACA this season and we believe our fans did also. The ground was immaculate, and the facilities were fantastic to be a spectator.

Our Corporate partners certainly enjoyed the ability to bring their clients to a EFFC Presidents Luncheon at the WACA that offered great entertainment, sumptuous food, CUB & Ferngrove beverages, choices of seating and stellar football from our players.

### Community Partners:

East Fremantle Football Club continue to support a variety of charities and community groups/events.

This season we are proud to support the following: Cyclone Seroja Fundraiser – Northampton WAFL/WAFLW game (Festival of Footy that included School Clinics, Talent Squad Training, Football Forum, Coaching session) with a special thank you to Andrew Lockyer, the AFL Rams and Shire of Northampton; George Steet Festival, Conquer Cystic Fibrosis – Jayde Kinane Cup, A-Team TBC1D24 Foundation, WA Police Legacy – Con Regan Memorial Game.

I have no doubt that East Fremantle FC with your support will continue to grow and be a force in Season 2023. Thank you for your ongoing support of the East Fremantle Football Club and Go Sharks!

# Business Development Report

## - David Edinger – Director of Business Development

I would like to extend to our thanks to the Sponsors, Members, and our growing support base for your unwavering support of the Sharks. I would also like to further thank our CEO and his team for the hard work they have put in making 'playing our home' games at the WACA an enjoyable experience for all.

Our Sponsors are very important and we don't take them for granted. We like to refer to them as our business partners, with our goal being that we all share in the success we achieve along the way, on and off the field.

As a 20 year Sponsor myself, I understand fully the financial commitment they make when they come on board. Promoting the businesses of our sponsors is a priority for the Club and we continually look at ways in which we can further increase that awareness to our membership and supporter base.

We are very fortunate to have a number of Sponsors that are long term and we

sincerely thank them for their continuous support. We would also like to welcome all new ones this year, including West to West Group, signing a 3-year Platinum partnership with the club, Café Corporate, Healthway, Jones Ballard, Retravision O'Connor, Rio Tinto, Spoke Corporate, Stork Davies Legal Group, The Golf Clearance Outlet Myaree, Tydan Constructions, Vinidex and Weststar Industrial.

As the Director of this portfolio, I would like to thank Paula Barnden, our Marketing Manager, for her commitment, attitude, passion, and work ethic. The leadership of our CEO, Todd Shimmon, who has been instrumental in the navigation of the Club over the COVID period, relocation of our games to the WACA, and the coordination of our departure from our home to our temporary location at the Tricolore Community Centre, thank you. To our admin staff, you are the backbone of the club, and

your efforts don't go unnoticed. Our football department, who plays a significant role in our business development of the club, we thank you all.

The EFC Club future is exciting with not only our on-field performance but with the redevelopment of the home ground about to commence. This will deliver a brand new facility for this great Club to continue its journey of developing young men and women to reach their goals in playing this great game. We are also excited for our Sponsors as the new facility will provide them with an impressive venue to entertain their clients.

With the months closing in towards Christmas I would like to close by wishing you all a happy and safe Festive Season.

# MEMBERSHIP 2022

## - Bob Uittenbroek

An extremely encouraging year, with increased membership numbers in all categories, with the only exception being a reduction in social memberships.

Comparing figures for Hammerhead juniors, are a bit misleading!

In 2021, the WAFC conducted a major promotion for junior members and forwarded free memberships to some 1,000 boys and girls in our district. Hoping that they would be encouraged to be involved in the future of WAFL Footy!

The system certainly worked, as some 495 junior members retained membership for this year 2022.

I would like to take this opportunity, to thank former players who have joined the Club this year. This is one of the reasons contributing to increased membership. These

former players have also added increased memberships to the East Fremantle Past Players Association. This provides a beneficial win / win for the entire club!

I encourage as many former players as possible to become part of our exciting and continuing journey to our future success.

# EFFC Facilities Update

## - Todd Shimmon

In February this year we were informed that construction escalation was rising far too quickly to enable the proposed Redevelopment at East Fremantle Oval to go ahead for a cost of \$26.5M.

The proposed design which covered 5,200 sq meters would now cost upwards of \$37M.

Over the next 4 months the project team worked on a new design and reducing the square meter footprint to 3,700 sq meters at a cost of \$32.5M.

The Redevelopment also needed to find a further \$6M to make sure the project could commence. A big thank you to the State Government and Town of East Fremantle for their support in supplying the funding.

We were originally told the Function Room and Administration block could stay during construction, as this would only turn into a car park in the new facility. With the builder (Cooper & Oxley) coming on board in August, we were informed that the Redevelopment could be achieved quicker and savings could be achieved if we vacated the site fully by the end of September.

We have now moved our entire administration team and the Players Gymnasium to the Tricolore Community Centre on Wauhop Road in East Fremantle.

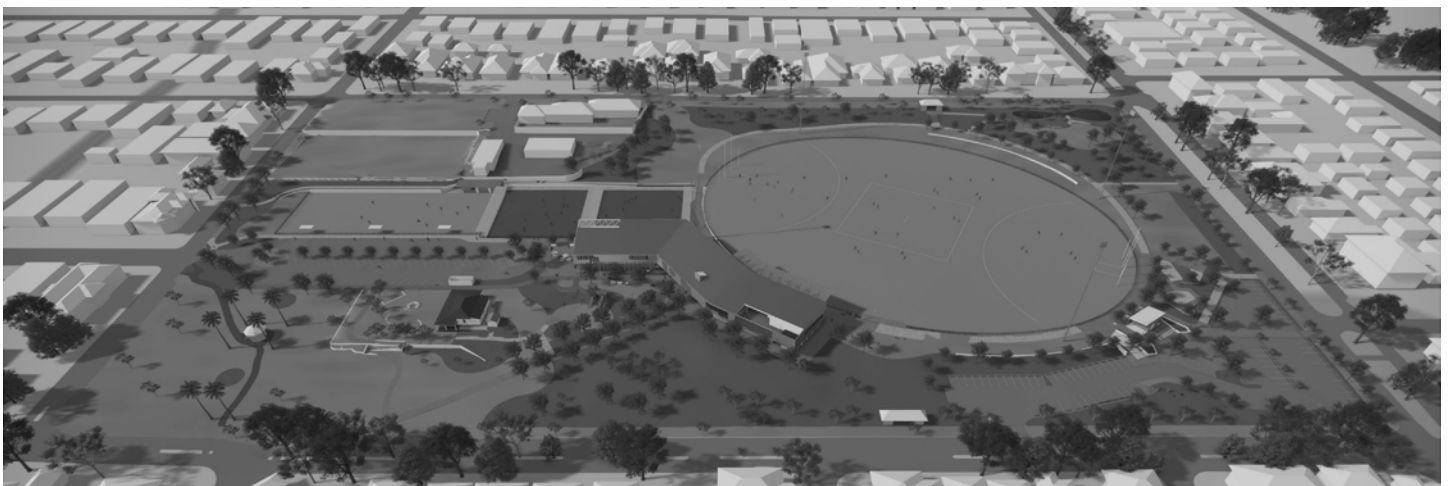

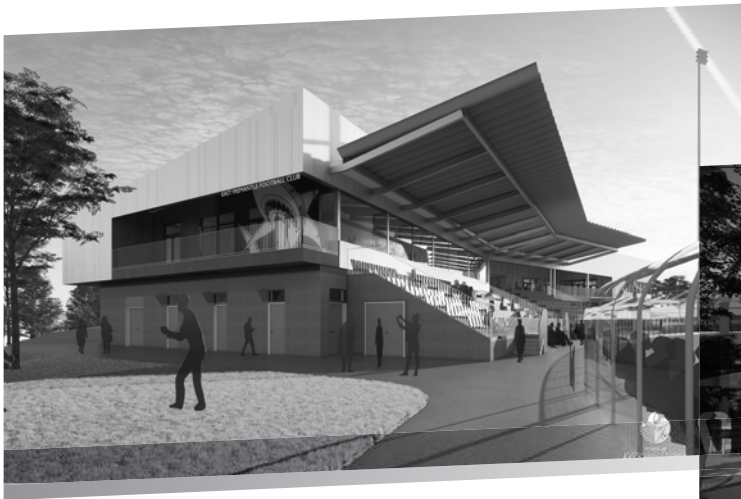

We have been informed that Cooper & Oxley will take possession of the site in November, with the intention of completing the redevelopment by late 2023 or early 2024.

In the meantime, we have secured training grounds for all our Men and Women's teams for 2023.

On behalf of the Board and the Club, we would like to take this opportunity to thank our valued members and supporters who are undertaking a lot of changes, while we take our home games away from East Fremantle in 2022 and 2023.

However, within the next 15 to 18 months you will return to a new state of the art facility which will be our home for next 50 years.

I would like to acknowledge the following EFFC people who worked on this project for the last 8 years to bring this to fruition. President Mark Stewart and Vice President Adam Drake- Brockman who currently still sit on the Redevelopment Committee, to Director Dave Edinger for his advice in regards to leasing and agreements over the last couple of years, to Ennio Tavani, Mark Murphy and Gino Divitini who also gave governance advice in the early stages on the Redevelopment and finally to former Director, John Ipsen for his excellent negotiating skills in connecting the Town, the community and the current Sporting Clubs in the precinct to this new community facility.

# FOOTBALL OPERATIONS - *Brad Dodd*

Going into the 2022 season, the players, staff and coaches had identified that there were going to be some distractions this year and made a real effort to just move on and get on with it. These were largely based around the fact that we wouldn't be able to train and play at New Choice Homes Park. As it turned out, we trained the whole season at Shark Park as well as played 3 games there, but the mantra proved critical in dealing with the many challenges the group had along the way.

We headed into the off-season expecting to be rather quiet on the recruiting front. We were the 2nd youngest list in 2021 and felt that our developing group was moving in the right direction so we were pretty specific who we targeted. We signed the returning Tom Joyce from the Brisbane Lions as well as a trio of Victorians in Jackson McDonald, Matt Williamson and Sam Medland. Getting them into Perth was a battle and they eventually got through in early February. All the recruits were locked away before Christmas and that was expected to be all we'd be bringing in.

Luke Strnadica was invited to train with West Coast in early December. We were unclear on the likelihood of him being picked up but we started scouring the country for a potential replacement. At the top of the list was Jeremy Goddard, who was moving back to WA but not committed to playing WAFL. Hugh Dixon and Tom Joyce were both invited to train with West Coast after Christmas, both with no guarantees. Both had had excellent pre-seasons to date and hit the track running. As a match committee we did a lot of what ifs, but we thought all 3 going at once was unlikely. How wrong we were! Once all 3 were picked our priority was to find a ruckman first. We had the emerging Brynne Teakle in the wings but we needed some support and depth in the position. We re-visited Jeremy, who had begun training at Wembley and managed to get him over the line. While we looked to add other players, it was so late in the piece that everyone was locked away and we felt we had some versatility to structure the forward line differently.

The season began with the annual Good Friday clash with Peel which ended in a 5 goal loss after playing solid football for the first 3 quarters. We were down by 5 goals at half time against Swans only to rally and pinch a 9 point win. It was the catalyst which saw us win 5 in a row, including a convincing 7 goal win against reigning premiers, Subiaco. Brynne Teakle was then picked in the mid-season draft and we were on the lookout for some key position players as Dillon O'Reilly, who had started the season so well, was struggling to shake off a back injury.

A 2 point loss to South Fremantle was matched by a 2 point win against West Perth and we sat at 6-3 at the halfway point. After losing Teakle, and O'Reilly unlikely, we lost Cody Leggett to a season ending hamstring tendon injury. A last minute player swap with East Perth before the June 30 deadline saw us add forward/ruck Eddie Simpson in exchange for Nic Bonomelli and Cam Davidson. Over the backend of the season, we won the games we should have and had a bad loss against South Fremantle before losing Blaine Boekhorst to a season ending ACL injury in a 6 goal loss to West Perth. While the player losses mounted up, the group just got on with it and we saw the emergence of Jackson McDonald, Cody Smith, Reuben McGuire, Jack Cleaver, Jed Hagan and Matt Williamson. The injuries had provided opportunity and the players grabbed it.

Despite beating Swans, West Perth and Peel, doubt still remained about the teams credentials until we knocked off Claremont with 3 games left in the regular season. Another big win against Swan Districts and a scrappy result against East Perth had seen the team qualify in 2nd position and earn the double chance. It was a fantastic result and great reward for a lot of hard work.

Going into the first semi, there was a bit of an unknown as to how our young group would handle the occasion. Only a few had experienced finals and there was a lot of nervous energy. Despite a late 3rd quarter comeback from the Tigers, we played a tough brand of finals football and put ourselves 1 game away from a grand final. The qualifying final against West Perth ended in a 20 point loss, but we had our chances despite being comprehensively beaten around the ball. A strength all year, it fell away in the last 2 games which should steel the midfield group. The prelim was our worst performance for the year, where Claremont had a ferocious attack on the ball and man and we didn't handle it very well. (9 inside 50s for the first half is going to make it tough, but to hold Claremont goal-less for the last 50 minutes and only concede 10 goals had us kicking ourselves for not getting our offence going. A 28 point prelim final loss left us all bitterly disappointed.

Blaine Boekhorst had been one of our prime movers all season, his run and speed away from the contest had made him a premier player of the competition in 2022 and that was recognised when he outlasted the pack to claim the Sandover Medal with 25 votes. Blaine has always had talent in spades but he found his work rate in the off-season which set him up for the season that followed. Well done to Blaine and hopefully we see him on the park at the backend of season 2023.

Congratulations also to Milan Murdock for winning his first Lynn Medal. Milan is a heart and soul player who attacks every contest, in anything he does, like his life depends on it. He is a worthy winner. Well done also to Cam Eardley, Luke English, Matthew Jupp and Blaine, who rounded out the top 5. Congratulations also to Finn Gorringer for taking home the 2022 Rising Star.

Well done also to Enrique Aiken-Featherstone (Henry Jeffery) and Luke Yeo (Len Anderson) for taking out the Reserves and Colts Best and Fairest. Enrique also made his debut this season and is a great story for perseverance and resilience. Other players who made their debut for the Sharks this year were Eddie Simpson, Jackson McDonald, Jeremy Goddard, Jed Hagan, Chris Walker, Jack Cleaver, Matt Williamson and Sam Medland.

Special mention to Matthew Jupp, who played his 150th game this year, qualifying for Life Membership. Juppy has transformed himself through dedication and hard work into one of the premier defenders of the competition and was rewarded with State selection this year. He is an outstanding leader who has been a major driver in lifting the standards of the whole group. Well done also to Jonathon

Marsh and Cam Eardley, who also played in the State game.

A big thank you to the army of staff who all play their role in ensuring that the players are ready to go on a Saturday afternoon. There is so much work that goes into running a football club, with very little reward, and the work ethic of the football, medical and volunteer staff is incredible. Special mention to Kayleen Russell and Hannah Lewis, who are moving on after a long time with us. They will be hugely missed and all the best for your future endeavours. Our Head of Strength and Conditioning, Matt D'Aloia, is also on the move back to South Australia. Matty D has been a huge part of our improvement over the last 3 years, driving the standards and really evaluating our program. We all wish him, Casey and Josh all the best on their move back.

Well done to the coaching and support panels across all levels. We have created a great group of coaches who all want to get better and ensure we are doing everything we can to make the players become better. A big thanks to Andrew Browne, who has coached our 16s for the past 3 campaigns. We are starting to see those players filter into the Senior program now. We have also elevated Adrian Ricciardello up into the Senior program after he has spent the last 3 seasons coaching the Colts. Assistant Paul Mews will also join him as a part of our Senior Development program. Thanks to Bradd Dalziel, Jesse Crichton and Kane Lucas for their work in that space. Dalz will fill a reduced role in 2023 as he looks to recharge the batteries and spend more time with the family.

To the Senior coaching group, lead by Bill Monaghan, who have always believed in the players, well done and I look forward to seeing you continue to drive this group forward. Thanks also to the players, and their partners, who sacrifice a lot and put the hard work in. I'm extremely proud of you as a group and encourage you to continue to push in your quest for a premiership.

Finally, thanks to the Board, led by President Mark Stewart, for your continued support and CEO, Todd Shimmon, for your guidance and counsel. Thank you to our fantastic admin staff in Judi Miles, Paula Barnden and Dee Boni for ensuring, not only, that things run smoothly but always willing to have a laugh. Thanks to David Depane and Brenton Boddington, who worked tirelessly to ensure our Talent program continues to be at the forefront of the competition.

2022 is now done and dusted, now in the rearview mirror. Many great challenges and exciting times lie ahead. Bring on season 2023 - we all can't wait.

# LEAGUE COACH'S REPORT

## - Bill Monaghan, Senior Coach

What a season 2022 turned out to be – pillaged in the AFL's SSP and mid-year drafts, played home games at the WACA, headed to Northampton for a historic game, returned to EF Oval to play finals, had injuries to key players throughout the year, and finished with a Sandover Medallist. We were certainly thrown some curve balls and the playing group handled it all with aplomb, making me proud of their efforts.

With all of that happening around us, our mantra was to move on and focus on what we could control. It was a fantastic effort by all to finish second on the ladder, play in our first finals series since 2014, and win a final before eventually bowing out in a Preliminary Final. I'm heartened by our improvement but disappointed we couldn't go all the way.

The playing group continued their development with more exposure to league footy and played some exhilarating football, which reflected the lift in training standards and belief within the group. Whilst our growth has been far from linear over the last four years, we have started to see greater consistency in our performances, which is indicative of hard work, planning and being united.

Our challenge is to continue that improvement, further raise the bar and back up our performances of 2022 with even greater efforts in 2023.

Whilst we focus on the team first, it was fantastic to add Blaine Boekhorst as East Fremantle's 12th Sandover Medallist to the list of achievements for the year. I congratulate Blaine on his outstanding performance for the season; he played with dash and skill, especially on the fast deck at the WACA. He also grew in his leadership and mentoring of the younger players. The fact that he was unable to poll in the last 4 games certainly added drama and tension to the medal count, but in the end, he was a well-deserved and humble victor.

We add a new name to the Lynn Medallist's honour roll with Milan Murdock taking out the 2022 award. After returning

from a broken leg in 2021, his attitude, training standards, competitiveness and consistent high performance made him a worthy winner. He is easy to coach, well respected within our four walls, and with his fierce performances is now earning that respect from the opposition.

The rise in our performances can be directly related to the improvement in our Strength and Conditioning program under Matty D'Aloia. Unfortunately, we have lost Matt Casey and Josh back to South Australia and his expertise will be sorely missed. The foundations and standards he has built in the gym and on the track leaves the playing group well placed to take the next step.

We will also lose the dynamic duo of Kayleen Russell (Head Trainer) and Hannah Lewis (GPS Analyst). Their attitude, work ethic and knowledge has made them vital members of our off-field team.

Any successful program is based around the quality of the support that coaches and players receive in order to put in performances the fans witness on game day. To the team of trainers, property guys, medical staff of Dr Ben Grant and physiotherapist Jonathan Tan, team managers Uldis Zile and Bruce Gaskin, rotations expert Craig Anderson, runner Brenton Miller and every volunteer that gave their time and expertise – I sincerely thank each and every one of you.

Whilst our Reserves team can be unfairly judged on the win/loss ratio, the development of the group has advanced under the tutelage of Bradd Dalziel, Kane Lucas and Jesse Crichton. Bradd has decided to step back from that role but will continue to provide support and in a game day role. A huge thankyou to Bradd for his efforts

to develop senior footballers in our program.

It isn't easy for WAFL clubs to find and retain Assistant Coaches. We are very lucky to have the skills and quality of person in Paul Sanzone, Craig Smoker and Joe Comande. The relationships that they have built with the group and the knowledge they impart is integral to our success. On a personal level, the support, robust discussion, commitment and importantly, friendship is invaluable.

I am very fortunate to work closely with FOM Brad Dodd. The depth of knowledge of his role and his understanding of the game, along with the ability to plan and execute strategy is outstanding. He possesses an uncanny ability to call it how he sees it both with my coaching and his feedback to the players. That dedication and excellence in his field makes my job easier.

The final thankyou is to Todd Shimmon and the staff for their support and to Mark Stewart and the board for the time they volunteer for the cause.

I'm excited for season 2023. With continued commitment and improvement from the players I am confident that success will follow. Your support as a member, sponsor, parent or partner will contribute to that rise to success. See you in 2023.

# OUR CHAMPION MEDALLISTS

## LYNN MEDALLIST

### MILAN MURDOCK

Returning from a broken leg, which restricted him to 4 games last year, Milan established himself as one of the premier midfielders in the WAFL competition in 2022. Averaging just under 27 disposals, the tenacious Murdock laid 6.7 tackles and won 6.4 clearances a game to be a driving force in the teams rise up the ladder. Murdock will play his 50th WAFL game in the early rounds of the 2023 season and will be looking to continue to work tirelessly and play aggressively as the Sharks look to improve on the 2022 season. Murdock played in 19 games out of 21, and pulled away from Cam Eardley and Luke English late to be a worthy winner.

## HENRY JEFFERY MEDALLIST

### ENRIQUE AIKEN-FEATHERSTONE

Enrique followed up his win in 2021 of the Henry Jeffery Medal for the Sharks Best and Fairest in the Reserves by taking out the award again in 2022, holding off Ethan Paholski to win by 5 votes. Enrique also made his League debut in 2022, playing 4 games across a variety of positions. But it was his midfield work which stood out in the Reserves, with the hard in and under Mid collecting 23.4 disposals, laying 5.5 tackles and 5.6 clearances. Paholski also went back to back, finishing Runners Up for the second year in a row, with new arrival Jye Depane in 3rd.

## LEN ANDERSON MEDALLIST

### LUKE YEO

After winning last year's Colts Rising Star Award in his under-age year, Luke was awarded the Len Anderson Medal in 2022 from runner up Jayke Scott and third place Jack Johnston. Luke played 13 Colts games this season averaging 19 disposals, 4 clearances and 7 tackles as a mainstay in the side's midfield.

# 2022 YEAR REVIEW - *by Milan Murdock*

My journey in the East Fremantle Football Club's senior program began in 2018, where I was fortunate enough to make my debut as an 18-year-old, playing two games. This small taste gave me the belief that I could play high-level football which followed through into the 2019 season where I first met our current coach, Bill Monaghan. After completing my first full pre-season I had proved this, playing regular games as a small forward.

Although initially being challenged by not having the opportunity to play in my typical midfield position, this turned out to be an important learning curve for my career as I developed the ability to play specific roles for the team. I was determined to force my way into the midfield however.

2021 was one of the more challenging football years I have experienced. After making a successful transition back into the midfield in the opening rounds of the year, I sustained a Syndesmosis ankle tear and broken fibula against Perth in round 4. This required season-ending surgery and sent me into a long year of rehab. Rehab is a frustrating experience and it was hard to watch from the sidelines.

Coming into the 2022 home and away season, we set ourselves a goal of playing

finals football. We had finished season 2021 with a flourish, beating 3 of the top 5 including Premiers, Subiaco. Pre-season kicked off in November with our strength and conditioning coach, Matt D'Aloia, putting us through our paces with a gruelling program consisting of hard running and strength work – one which had us in prime condition for round 1. We had recruited in a lot of hard working players over recent years, and that pushed me to my best off season to date. Luke English and I enjoyed a healthy rivalry that spurred us both on.

Coming off my injury the past year, I learnt about the importance of recovery and preparation through my teammate Josh Schoenfeld, this was a big part of taking my game to a new level.

Some of the highlights of season 2022 –

- Our round 19 win against Claremont was a personal favourite, it was the most thrilling team win I have ever been fortunate enough to be a part of.
- Beating West Perth in the top of the table clash for the Jayde Kinane Memorial Cup was a very special day where we paid respects to

friends and family of Jayde's, while celebrating her life.

- Matthew Jupp's 150th game for the club was a really incredible day for me, because he is someone I look up to as a player and a man, to be able to share such a big moment in his football career was a special day for everyone at East Fremantle.
- Being privileged enough to win this year's Lynn medal award, was an honour which I'm truly grateful for. I would just like to thank my team mates, the staff, supporters, family and friends for their support over the 2022 season.

Although we didn't achieve the ultimate prize, we have grown immensely as a club and as a team. I look forward to the coming seasons with excitement and hope. We are a driven group and are hungry to bring this club back to being a powerhouse of the WAFL. See you in 2023.

## OUR PHOTOGRAPHERS

Once again Phil Elliott (Pixell Photography) and his sidekick, Justin were always on hand to snap those action shots, spectator photos, guests at our luncheons and special club events and also provides all the photos for the Annual Report and the Club couldn't be more grateful! Thank you once again for all that you do.

A special thank you to Phil Reeve who stepped in to help out for the game vs West Coast Eagles in June and to Sharon Mullarkey-Johnson who assisted at the Secret Harbour Golf Links day.

Thank you once again Phil and Justin.

Proud to Support East Fremantle Football Club

# RESERVES REPORT - *Bradd Dalziell*

What a season 2022 turned out to be for our Development Team. Many obstacles were in place and we took whatever was thrown at us without complaining and just got on with the job at hand and I think we all came out of this year better for the experiences had.

Alongside me this year I had 2 new additions to the coaching panel, Jesse Crichton and Kane Lucas both former EFFC players with a wealth of knowledge.

The season saw the continued development and improvement of our whole squad, both individually and as a collective with the aim of not only improving on last year's finish but also striving to be league footballers for the great East Fremantle Football Club.

I can stand here today with immense pride and respect for this group and say that we did that!

After a great pre-season where the players put in the hard work for the season ahead which involved 30 minutes of pre training skills or vision before each training session amongst other things. The year started well winning the first 2 games of the season and playing a great brand of footy, but lost our way a bit through the middle of the year with a lot of personnel changes made to the team for various reasons including form, injuries, COVID and the Draft at league level. We regrouped and again played some good footy toward the backend of the year finishing the year on a high with a victory against the Royals in the final round which was great reward for those involved in the program. After being in touch with the 5 all year we finished 2 games out on 5 wins and 11 losses and equal 6th.

There was a silver lining though from all our ups and downs this year and that was the opportunity it presented to our developing players to be exposed at league level and in all cases

have an impact as well. The likes of Chris Walker and Enrique Aiken- Featherstone debuting, the latter not putting a foot wrong over the course of 2 years with Gorringer, Tucker, Smith, McGuire, Murphy, Hagan, Cleaver cementing themselves as League footballers and Collins, Paton, Paholski, Haddow and Norrish the next crop of stars ready and eagerly waiting for their opportunity. The club future looks bright and all of us here have played a role in this.

I'd like to congratulate the award winners for their efforts this year. This year our top two were the same as 2021. Enrique Aiken-Featherstone taking out his second Henry Jeffery Medal in a row for the Fairest and Best player for the Reserves. Enrique again did everything we have asked of him and made improvements in all facets in his game and was rewarded with a League debut. He also featured heavily in squads for the majority of the year and was ready to go when needed. With the level of improvement made this year we see a lot of league football ahead at EFFC. Well done!

Runner up, Ethan Paholski, a Geraldton product, had another great season showing the flexibility he has being able to play as a key forward as well as an inside mid. His hardness and ability to impact the contest is second to none.

In 3rd place was Jye Depane, first year at the club and fitted in extremely well, had a very consistent year and played various midfield and forward positions. An ultra-professional athlete with everything he did to give himself the best opportunity to succeed.

Rounding out the top 5 were Keanu Haddow and Sam Collins. Both had consistent years and will be looking for league opportunities in 2023.

To my assistants Kane and Jesse who were both new to the program in 2022, your

efforts were amazing with the relationships you built and knowledge you passed on is only going to assist the development of the players moving forward. Can't forget Brad Dodd the jack of all trades master of all for his help, as well as his wealth of knowledge in the box is second to none and much appreciated. To team manager, Bruce Gaskin, you are as diligent and hard-working as anyone and a great asset to the club. Thanks also go to our whole S&C group Matty, Alec, Hannah and Kaylene and her trainers who worked tirelessly all year and deserve all the recognition they get, and our property team – Starky, Nathan, Harry and Ross, I know I enjoy stirring you all up but I appreciate the support you have given me and our team. Our Medical Staff – the best in the business Doc Ben Grant and Phyiso Jonathon Tan.

To our League coaches Bill, Craig, Paul and Joe your ongoing support and insight you have given this year to our program has been massive and impacted positively on the coaches and players - I thank you immensely.

Huge thank you to the Past Players & Officials for their continued support of our club and the work they do. To CEO Todd Shimmon, President Mark Stewart and the Board, for their constant support of the program and to my 3 kids and partner Shana for their sacrifices and ongoing support they have given me and the East Fremantle Football Club over the year.

Finally, to the playing group, ultimate professionals this year and took challenges head on and came out the other end better for it. This year we have seen what is possible if you work hard, but this is just the beginning and a small step to us becoming the club we envisage. Trust the process, the ultimate success is not too far away!

Farewell.

# COLTS REPORT - *Adrian Ricciardello*

2022 was a year full of challenges, from the covid outbreak early in the year to trying to find a training venue. It also provided plenty of on-field challenges as well but amongst those challenges is where growth happens.

We played 62 players through our Colts program in Season 2022 some as young as 15 were given a taste at this level. While we were able to show our best footy at times throughout the season, we weren't consistent enough.

There are always some positives to take away from this season, we had some players taste senior footy for the first time, 2 players played league and we had 3 state representatives as well. Our 2 league players were Jed Hagan and Jack Cleaver who both held their spots playing finals footy as well, they were also our state representatives alongside Koen Sanchez who all played at State 18's level this year. Not only that we got a lot of games into our 17-year old's who will be 18 next year and make up the core group. So exciting times ahead.

I wouldn't be able to run the program on my own and without the help of the amazing coaches and staff that help on gamedays and throughout the week.

To the playing group, commitment and efforts through the whole year was outstanding and congratulations to Luke Yeo

who took out our fairest and best and to all the award winners.

To my assistants Paul Mews, Sam Mainwaring and Sam Buhagiar – the effort and dedication shown throughout the year I will always be thankful for. Made my job easier.

To Lachie Price our S&C for the support and work you put in throughout the year in tough times I thank you. Also, to Andrew Clouter our rehab coach for your efforts in getting the boys back on the field.

To Paul Hansen for helping at training and running the bench on gamedays, you made my job easier too. Also, to Rhys Jones who ran our rotations and helped out during the week.

To Brenton Boddington whose effort and support for the year helped the program and me a lot. To Dave Depane who joined the program at the back end of the season thanks for your support and effort in the short amount of time we worked together.

To our head trainer Chelsea and her team of trainer's thanks for all your hard work during the week and on gameday to ensure the boys were fully prepared.

To Starkey, Ross and Harry for all their work making sure we had our gear, it's a tough, all day job as they were always supportive.

To Bill Monaghan and his assistants, thanks for all your guidance across the year. Also, to Brad Dodd and the senior football staff for their support.

To our board for all their support and Todd Shimmon who watched all our games during the season I thank you.

Thanks also to the Mid-West Academy of Sport (MWAS) for all the great work they are doing up in Geraldton making sure they are providing an elite program.

A big thanks to the parents of our players. It's a big effort getting them to and from training and games every week. I also must thank all the Sharks supporters for attending our games and supporting us. One last thanks must go to my wife Steph without her support at home I wouldn't be able to do what I do.

Good luck to everyone involved for season 2023. My journey as Colts Coach comes to an end for now as I start a new chapter as Head of Development with the senior program. Look forward to what next season has to offer. An exciting time to be involved at the footy club!

Fins up!

# TALENT PROGRAMMES

### COLTS

The Colts kicked off their 2022 campaign training in the heat at All Saints College before splitting their time at EF Oval, Subiaco Oval and the odd community ground, so I wanted to start by thanking the players and their families for their adaptability throughout the season. The Colts hit the half-way mark of the season with a 4-4 record. Lapses within games proved costly throughout the second half of the year with the side saluting once more to finish the season with 5 wins. 62 players represented the Colts this season including 7 players who travelled to play from our Mid-West Academy Program.

First and foremost, a big thank you to head coach Adrian Ricciardello for your work and guidance with the Colts playing group this season. Ricca has recently been appointed as our Head of Development in the senior program where he will also coach our Reserves side – all the best Ricca with the next chapter in your coaching career.

Thanks to Brad Dodd for your counsel not just for me personally but across all our development programs. Thanks also to assistant coaches Paul Mews, Sam Buhagiar and Sam Mainwaring for your support of Ricca and the program along with Paul Hansen, Andrew Stephen and Rhys Jones. To the medical team of Lachie Price (S&C) along with his team of assistants and prac students, Feisal Zaw (Physio), Andrew Clouter (Rehab), Chelsey Heath (Head Trainer) and her team of trainers, thank you for your expertise within our program. Finally, thanks to the property team, Past Players & Officials and Daniel Paull who's efforts go far from unnoticed. Congratulations to State 18's academy members Jack Cleaver, Jed Hagan and Koen Sanchez. Well done to Luke Yeo who took out the Len Anderson Medal, all the best to Luke and the graduating class of Colts with the next phase in their football.

### FUTURES

All seemed business as usual for the Futures program as the graduating 15's players got their first taste of a pre-season training block in late November. The new year brought challenges yet to be experienced in our development programs. The first Covid case presented in late February before 13 players tested positive over a 5 day span throughout March, as the hours went on each message alert was met with a greater sense of assumption of what the message would read. Special thanks to Dr Ben Grant and Jon Tan for developing

the Club's Return to Play protocol and for always being on call for any queries. At the conclusion of intra-club and trial games, the squad competed in a 6 game carnival against other WAFL clubs with 43 players pulling on the jumper which included 6 from our Mid-West Academy. From there, players returned to their community and school teams while a group of players transitioned straight into the Colts program. Andrew Browne led the program as head coach developing not only the playing group but also his team of coaches. I want to thank assistant coaches Adam Drake-Brockman, Jamie McNamara and Craig Otto for their work with the players along with Anthony Yerkovich, Ian Hanson, Kurtis Scott, Leon Guthrie, Luke Wilson, Troy Zafer and Chris Bates. Big thanks to Les Payne (S&C) and Nick Rankin (Physio) for stepping into the program this year. Congratulations to Jacob Calabrese for being named in the State 16's squad.

### 15's DEVELOPMENT SQUAD

The 15's development squad undertook a training block between May and July culminating in games against Claremont and Perth. Contrasting playing conditions met the squad from the first game to the next in what were valuable opportunities to prepare, play and learn by competing against other talented players. Thank you to Scott Bruce for leading the coaching panel along with Trent Farmer, Adam Waight, Ian Hanson, Dom Madaffari and S&C Alice Congdon.

### 14's DEVELOPMENT SQUAD

The 14's development squad recently wrapped up, kicking off in August and ending in games against Claremont and South Fremantle in the September school holidays. It was rewarding to see the players thrive in the training environment and to their response to individual challenges presented both at training and on match day to enhance their development. Thanks to head coach Lachie Price and his coaching group of Kurtis Scott, Henry Anscombe, Luke Wilson and S&C Alice Congdon. Thank you to our community club committees and coaches for your support in 2022 along with our coach academy members – looking forward to supporting your development in our talent programs in the future.

### SHARK PACK

In what is the first point in the East Fremantle pathway for Mid-West players, a selected team of 14-16 year olds travelled to Perth to represent the Mid-West region in the July school

holidays. The team played the Great Southern, Pilbara and Goldfields with the 4 day trip a great chance for the players to bond and play with guys they will transition through the development pathway with. Thank you to Darren Winterbine, Stuart Gerreyn, Gerard Marquis and Beau Walker with your commitment to this important program and thank you to the parents for your support of the players. I'm looking forward to these boys making the next step into our football academy.

### MID WEST FOOTBALL ACADEMY

The academy built on the platforms laid in 2021 with Beau Walker coming on board as our male academy coach. As the year progressed, Beau's ability to create an environment and build relationships with the players became evident with consistent training numbers throughout the season. 13 players from the male academy represented either the East Fremantle Colts or Futures sides during the season. The Colts camp in January provided a fantastic opportunity for the Perth-based players to experience the travel along the Brand Highway to Geraldton and for them and the Mid-West players to bond as one group. The camp included a combined training session with our academy, pre-season game, recovery and weights session, education block and team bonding. Well done to Jason Graham and the Great Northern Country Colts team for their carnival in July. Congrats to Jack Cocking on being awarded the Player of the Carnival as well as his All Star recognition along with Riley Zimmermann, Shaun Brennan and Taj Satie. Well done to Will Anderson on winning the EF/GNFL Player of the Year Award and to Tayah Palmer on winning the EF/GNFLW Player of the Year Award.

2022 saw the establishment of East Fremantle's Female Mid-West football academy. 7 players represented East Fremantle throughout the season with Palmer a member of the inaugural Youth Girls premierships team. Thank you to Darren Winterbine for your work across our football programs in 2022. To our senior coaches Beau Walker (male) and Nathan Johansen (female) along with their coaching teams in Stuart Gerreyn, Gerard Marquis, Dale Baynes, Tenae Leitch and Wade Bambling, thank you for your support with our program goals and philosophies. Thank you to Todd Teakle for your unrivalled expertise in preparing and educating our athletes.

It's been a busy 2022 – here's to 2023.

# Debut Players

**Chris Walker**

**Debut Round 1 v Peel**

After an outstanding pre-season, Chris was rewarded with a League debut in Round 1 against Peel on Good Friday. Playing as a forward, where his electrifying speed is used to apply pressure, Chris was serviceable in his first outing collecting 6 disposals and 6 tackles in the 32 point loss.

**Jeremy Goddard**

**Round 2 v Swan Districts**

A late arrival to the squad after losing 2 key position players to the AFL, Jeremy quickly established himself as the number 1 Ruck, making his East Fremantle debut in Round 2 against Swan Districts. In the come from behind 9 point win, Goddard had 10 disposals and 21 hit outs to be serviceable on the day.

**Matt Williamson**

**Round 3 v East Perth**

Victorian recruit, Williamson was a late arrival to the club, having to bide his time before border restrictions would allow him to enter WA. Despite a shortened pre-season, Williamson worked his way into form, making his WAFL and EF debut in the Round 3 Northampton clash against East Perth. Playing as a pressure forward, Williamson collected 13 disposals and 4 tackles in the 10 point win.

**Jackson McDonald**

**Round 3 v East Perth**

A similar story to Williamson, McDonald made his WAFL and EF debut in Round 3 also. Starting on the wing, it was a quiet start for McDonald, collecting 10 disposals in the win. McDonald would go in to establish himself in the midfield, playing 19 games (out of 21) for the season.

**Enrique Aiken-Featherstone**

**Round 3 v East Perth**

Last years, Henry Jeffery medallist made his WAFL and EF debut in Northampton also. A testament to his resilience and work rate, Aiken-Featherstone played as a defender, sliding into the Back 7 with ease. He managed 13 disposals and 4 marks in the win.

# Debut Players

**Sam Medland**

**Round 6 v Subiaco**

The 3rd Victorian recruit to make his debut, Medland played as a pressure forward and had 10 disposals and 4 tackles in the 44 point win over Subiaco at the WACA.

**Eddie Simpson**

**Round 14 v South Fremantle**

A mid season acquisition after the loss of Brynn Teakle to Port Adelaide, Simpson found himself in the team after the suspension of Jeremy Goddard. Starting in the ruck, the 199cm tall collected 11 disposals, 13 hit outs, 6 tackles and kicked a goal to be one of the teams best. An ankle injury saw his debut end early.

**Jed Hagan**

**Round 15 v Perth**

The Under 18s All Australian made his League debut on returning from the State program. Playing as a pressure forward, he had a seamless debut, collecting 20 disposals, 5 tackles and kicking 2 goals in the big win.

# PAST PLAYERS & OFFICIALS ASSOCIATION - Angelo Cuccovia

The move to the WACA this year has impacted on the traditional activities of the Past Players & Officials Association. Whilst we have continued the popular 100 Club raffle and the Junior Ticket raffle our ability to provide catering and food services has been lost, reducing our fund-raising opportunities.

We are pleased to have a dedicated venue at the WACA for Association members to continue the half time tradition of camaraderie and refreshments, albeit with limited catering options and we look forward to welcoming members back in 2023.

The committee, members and volunteers have been busy during the season manning the carpark, setting up the oval signage (removing and setting up again!), managing the dugouts and at the gate selling the Junior Raffle tickets.

October saw our members called upon to assist the club with the closure of New Choice Homes Park and it is rewarding to report that volunteers were many in number, working over the weeks to assist the club in their challenge to save, sell and store the many years of accumulated history.

The PP&OA are pleased to announce that we achieved a total membership of 233 members for season 2022 with no new Life Members added to the ranks. Special thanks go to Bob Uittenbroek and Judi Miles for their support.

# Match Day Football Legends

In 2000 the WAFL initiated a special match day football programme. Special footballs were to be made produced and used by clubs for their home games.

These footballs depict a player, administrator or volunteer chosen by the club and considered to be a club legend.

In 2023 the Match Day Ball Legend will be **Maureen Gathercole**, who is a passionate and dedicated member with a lengthy history with the Club.

# WOMENS FOOTBALL - Darren O'Donnell

2022 was the most successful year in the history of the East Fremantle Women's Football Club with the club continuing to grow both on and off the field.

The League and Rogers Cup teams finished on top of the ladder with the Reserves finishing second after the Home and Away season. Week one of the finals saw all 3 teams win and advance to the Grand Final which was a first for the club.

The Rogers Cup team who were superbly led by Head Coach, Alex Williams, won the Premiership by beating Peel Thunder by over 10 goals and it was the first Rogers Cup premiership in the club's history.

The Reserves unfortunately missed out on the premiership going down narrowly to Claremont.

Our league team who were coached by Matt Templeton had an outstanding season going through undefeated until the Grand Final where they lost to Claremont in a great showcase of women's football.

In 2022, the football department consisted of:

**Head of Football:** Nikki Harwood.

**Football Operations Manager:** Brenton Boddington

**Head Coach:** Matt Templeton / Reserves Coach: James Depane / Rogers Cup Coach: Alex Williams

**Assistant Coaches:** Steph Walding, Damian Hodge, Mark Murphy, Mika Berman, Saoirse Hanavan, and Troy Fish

**Team Managers:** Glenn Congdon and Anthea Ducrow

**High Performance:** Sabrina Seitz  
Strength & Conditioning: Prue Dalton

Thanks to all of the above who worked together to create the best Women's program in the WAFLW which was clearly showed by the outstanding results achieved. WELL DONE TEAM.

For a football club to achieve results on the field it requires resources, and these can only be provided by the generous support of our great sponsors. To our major sponsors The Left Bank, DrillMech, Rockingham Nissan, Classic Contracting and Edinger Real Estate your support has been greatly appreciated and has allowed us to remain the leaders in Women's Football. To our game day sponsors Jewellery and Gift Emporium, South Beach Hotel, , Red Rooster, Armando

Sports, Big Rigz Burgers, Tankk Fish and Chips and The Richardson Family, the players thank you for rewarding them for their performances.

In addition to our Club sponsors this year we endeavoured to find every player a player sponsor and while this was not achieved, we had over 85% of all players sponsored which was a great effort. Thank you to our player sponsors.

Thanks to Mark Stewart and the Board, Todd Shimon, and board member Flora Furness for your continued support of the EFWFC. A big thank you to the East Fremantle Past Players and Officials Association for their continued support of the EFWFC.

We are lucky to have a dedicated group of volunteers, in the football department, on match days, and those on our committee who work tirelessly all year to ensure that the club is well managed and promotes our values and culture. This year the committee was Darren O'Donnell (President), Flora Furness (Vice-President), Viv Blycha (Treasurer), Steph Walding, Teghan Greenham, Grant White, Karl Brearley, Glenn Congdon and Brenton Boddington . Thank you to this group, and to all those volunteers who make our club great.

Rogers Premiership team.

# 2022 East Fremantle District

## - Dylan de Paiva

This year the East Fremantle District has had an excellent year within the football world.

Throughout 2022, East Fremantle has covered a variety of football concepts from Auskick, Starkick, school football, junior football, coaching, umpiring and particularly has made large strides helping the growth of female football within the district. This last six months in particular were slightly impacted due to the vacant Development Officer position for the majority of the season. However, since my appointment in mid July we have been able to execute scheduled football programs and competitions to both primary and secondary schools throughout the East Fremantle District as well as continue with WAFL half time little league representation, have our annual Auskick Gala Day at the Rossmoyne Junior Football Club and bring the season to a close with the Kirby Bentley and Nicky Winmar carnivals.

Our 2022 junior competitions consisted of the East Fremantle District modified divisions (years 3-7) and the Fremantle Conference Divisions (year 8-12) with home and away fixtures being played by all before the finals for the year 7 modified divisions began on August 20th, followed by the Fremantle

Conference finals commencing the following weekend on August 27th. This season saw 21 teams from the East Fremantle District compete in a grand final match that were delivered by staff from the Fremantle Conference as well as the WAFC who worked together over two weekends to reward the players and volunteers for all their hard work during the year.

### 2022 GRAND FINAL WINNERS FROM EAST FREMANTLE DISTRICT

**Year 10 White** – Palmyra Demons JFC

**Year 11/12 Blue** – Canning Vale Cougars JFC

It was another great year on and off the field for the umpires in the East Fremantle District. Their continual growth and development from year to year is largely thanks to David Gaynor and his coaching staff for their commitment and mentorship of our up-and-coming umpires throughout the season.

To conclude, a massive thank you is due to everyone who had any involvement in assisting the execution of the 2022 season. In particular, the junior clubs and their committee members for their ongoing commitment and hard work every year. Also, to the players themselves, it has been fantastic to witness so many young girls and boys playing and enjoying this great sport they love at their local community clubs while forming lasting friendships with others along the way. Lastly, to the parents, grandparents, guardians and extended families who spend countless hours during the week as well as sacrificing their weekends to help out and volunteer at their respective club's week in and week out we give a massive thank you for making the East Fremantle District clubs so well organised and operated.

We are excited and looking forward to what the 2023 season is going to have in store for us.

# Mid-West Report - Beau Walker

Football in the Mid-West in 2022 was full of highlights, headlined by the WAFL game played at Northampton and the Country week GNWFL team. Former Northampton and East Fremantle players and cousins Bryn Teakle and Julia Teakle were both drafted to Port Adelaide and made their AFL debuts this year. Colin Cox stood down as the GNFL president after serving for a record tenure of over 12 years, a tremendous commitment and we thank Colin for his great contribution over this time. He remained as vice president whilst Carissa Bellottie took over the role in May and became the 16th president of the GNFL, only the second woman to do so. Jo Starling took on the role of Operations Manager, with Harry Taylor having returned to Geelong. Heather Brett received Life Membership for her contribution over her many years of service to the GNFL, whilst Grant Russell was awarded Trainers Life Membership.

The GNFL Competition started on Friday April 22nd with a match under lights at Wonthella between Towns and Rovers, with the twilight game a great concept and hopefully one the league continues to adopt in the future.

On the last weekend of April in Northampton, an historic WAFL and WAFLW fixture was played out in one of the undisputed highlights of recent times. The day consisted of a WAFL Men's League game between East Fremantle and East Perth, WAFLW game between East Fremantle and Claremont, as well as GNWFL and GNFL League games between Northampton and Brigades. The special fixture was organised to provide a huge boost to the local community following the devastation caused by Tropical Cyclone Seroja. Around 2,000 people attended the event, with an estimate of more than \$20,000 raised from ticket sales alone, with auctions raising further funds. It was the first time a WAFL fixture had been played at Northampton and it was a resounding success.

At the end of Round 10 in the League Men, Railways and Brigades had distanced themselves from nearest rivals Rovers in the race for the minor premiership. Northampton and Chapman Valley were shaping as the two teams that would contest for the last spot in the final four in the back end of the season. In the Reserves, Railways started dominantly having not lost a game in the first 10 rounds. The Colts was shaping as a very open race, with no one team having broken away from the pack. In the Women's competition Chapman Valley and Towns had opened up a buffer to Northampton, Railways, Mullewa and Brigades.

The JJ Clune medal night was a great success with players, coaches, umpires, and club volunteers all acknowledged for their outstanding contributions during the season. Chris Scott became the 12th Rovers player to be awarded the JJ Clune medal with a final tally of 35 votes, recognition for a fantastic season. Brigades Kim Schofield finished 2nd on 30 votes, from Northampton's 2021 winner Flynn Dillon and

Railways Jesse Adamini, both on 28 votes. In the Reserves competition, Northampton's Jarrad Steel claimed the Jim Scott Medal, finishing 10 votes clear of Brigades Todd Aldrick. The Colts vote count saw Rovers player and East Fremantle representative Jack Campbell claim the Presidents Medal, finishing 2 votes clear of teammate Shaun Brennan. Jack Cocking received the Colin "Scruffy" Burgess award for Best Player at the Colts Country Week carnival in Perth. Graham Sandy, Rourke Drage and Izac Ronan tied for the GNFL rising star award. The GNWFL Best and Fairest ended in a tie between Olivia Bidwell from Towns and Tayah Palmer of Chapman Valley, with both players polling 22 votes. It must be noted that both girls represented East Fremantle during the year as well.

The East Fremantle Rookie of the Year awards were won by Will Anderson of Brigades and Tayah Palmer of Chapman Valley. In other awards, Robert Bennett was awarded Field Umpire of the year, Dave Perham was acknowledged as Goal Umpire of the year, Noah Bennett as Boundary Umpire of the year and Kelly Bennett as Club Person of the year.

The GNFL season ended with a great advertisement for the competition with all Seven teams having a side represented on Grand Final day. In the penultimate fixture for the Colts, we saw Towns and Mullewa go head to head in the first match of the day. Towns proved much too strong and looked to benefit from the extra week off, running out 94 point winners with Ned Osborn awarded Best On Ground honours. In the Reserves match we saw a see-sawing affair, Northampton ending the unbeaten run of Railways by 1 point in a nail-biting finish. Liam Campbell was judged as best afield. The Women's game was a rematch of 2021 grand finalists Chapman Valley and Northampton. In this game, Chapman Valley continued their strong season long form to win 59-31, claiming their maiden premiership in the Women's competition. Georgia Keyzers was judged best afield.

In the much anticipated Men's League Grand Final between Brigades and Rovers, it was a fierce contest. Brigades came into the match arguably favourites, on the back of strong

home and away form and winning straight through to the grand final after defeating Railways in the Second Semi Final. They faced a battle hardened Rovers who had knocked out Railways and Northampton on their way to the decider. It was a deserved matchup, given Brigades were the defending premiers from 2021 and Rovers had won the flag in 2020 and 2019. The game started with Rovers jumping out of the gates to lead 22-8 at quarter time. Brigades had the run of the play in the second quarter but couldn't capitalise on their opportunities with the wind. Rovers went into half time holding a 12 point lead. The second half was a war of attrition with both sides kicking 2 goals a piece and Rovers running out winners 57-45. Chris Scott and Joseph Ugle were awarded Best on Ground honours. The 2022 premiership marks a run of dominance for Rovers, having won 3 of the last 4 titles.

Season 2022 was the first time the GNWFL had played Country Week since 2019 (due to COVID). It was a great success with the team finishing on top of their pool. They only dropped one game in the competition, claiming 3rd. Jasmine Johansen (Railways), Tayah Palmer (Chapman Valley) and Jessica Giudice-Nairn (Brigades) were selected in the All-Stars team. In another fantastic and inspiring achievement, former GNWFL and East Fremantle player Julia Teakle was drafted into the AFLW and made her debut for the Port Adelaide Women's team in Round 1 in Perth against the West Coast Eagles.

The Mid West continues to be a productive region for producing talent with over 50 players from the Mid West Academy of Sport Male and Female Football programs playing for East Fremantle this season, including the WAFL League, WAFLW, Rogers Cup, Reserves, Colts, Futures and Shark Pack programs. All the best to a great example of this, Jed Hagan, in the upcoming AFL Draft. Congratulations to retiring AFL great and Mid West product Josh Kennedy on a fantastic career. Also, it was inspiring to see Patrick Cripps win the Brownlow Medal, Congratulations Patty. The future is bright for both the GNFL and East Fremantle as we look forward to 2023 and continuing to watch their relationship strengthen and prosper.

# EAST FREO SHARKS NETBALL 2022

## - Dee Boni

Season 2022 had a lot of ups and downs. Our challenge to achieve our first Premiership for both our teams didn't come off as we had planned and both our teams finished just outside the 4 in a strongly contested league. Although we may not have got the ladder result we were after, we are proud of our team for their achievements. Notably, several of our athletes represented WA in State teams and we have 3 players in the West Coast Fever Reserves team.

### OUR 2021 TEAMS

**Open:** Rose Aryang, Zoey Baxter, Elena Damianopoulos, Shannon England, Taylor Finch, Olivia Fowler, Courtney Kruta, Jessica Penny, Jessica Repacholi, Ruby Wallace, Chloe Willsher.

**Coaching Staff:** Head Coach Jaime-Leigh Strickland, Assistant Coach Mel Rainey and Team Manager Esther English.

**20U:** Georgia Bertolami, Devin Cunninghame, Kianah Davey, Jade Dimer, Annabel Dryland, Hayley Jones, Charlotte Moreschini, Asha Parsons, Amber Passera, Isabel Spry, Indiana Squiers, Sienna Timmermans, Alleayah Watts.

**Coaching Staff:** Head Coach Michelle Willsher, Assistant Coach Narelle Morgan and Team Manager Lindy Burwood.

Congratulations to our Sharks 2022 Award recipients:

Open Team **MVP** Shannon England

**Coaches Award** Jessica Repacholi

20U Team **MVP** Indiana Squiers

**Coaches Award** Georgia Bertolami

### State Teams

Academy Players Teagan and Lucy participated in the School Sport WA 15U state team and won the National Championships under our Sharks head coach and board member, Sue Gerrard.

Indi Squiers was selected in the WA State Teams for 2022 and Mel Rainey selected as Assistant Coach for 19U team – go Sharks.

### Academy team – development group

We had 21 athletes join our Shark Academy program under the guidance of coach Lorraine English and assistant Chelsea Eldridge.

Of course none of this would be possible without our Board, team officials, supporters and the players, a huge thank you for making 2022 an enjoyable season.

We would also like to acknowledge our amazing sponsors – Major Sponsors – The Left Bank; Sports Centre – the supplier of our fabulous uniforms, Emmanuel Catholic College for the use of their state of the art training facility. Jewellery and Gift Emporium and Armando Sports for our players awards. We were proud to welcome 2 new platinum sponsors this year – White House Property and Peace in a Pod – wonderful supporters of women's sport.

We wouldn't be the East Freo Sharks Netball without our partners East Fremantle Football Club and Fremantle Netball Association – thank you.
