

Process for a Suspected COVID Case

West Australian Football Commission

afl.com.au/clubhelp
http://www.wafootball.com.au/covid19

If a Participant, Parent Helper or Coordinator is feeling unwell upon arrival to, or following a NAB AFL Auskick session, the following steps should apply.

A Participant, Parent Helper or Coordinator must not attend the Centre if in the last 14 days they have been unwell or had contact with a known or suspected case of COVID-19.

Has the Participant, Parent Helper or Coordinator had contact with or exposure to a confirmed or suspected COVID-19 case in the previous 14 days?

NO

Individual is to seek full medical clearance from their GP prior to returning to Auskick

YES

Individual – Notify their Centre Coordinator / COVIDSafe Officer and stay at home. Individual is to get tested for COVID-19 as soon as possible and remain in isolation pending the outcome of the results.

Coordinator / COVIDSafe Officer – Notify Troy Kirkham – Executive Manager Youth, Community & Game Development at e: tkirkham@wafc.com.au d: 0412 939 113

Has the Player/Official tested Positive for COVID-19?

NO

Individual is to seek full medical clearance from their GP prior to returning to Auskick

YES

Individual – Notify the Centre Coordinator / COVIDSafe Officer and follow any advice provided by the Public Health Authorities.

Coordinator / COVIDSafe Officer – Notify Troy Kirkham immediately, postpone the next Auskick session and collate training registers for submission to Public Health Authority to assist with Contact Tracing. Troy Kirkham will assist clubs if there is a positive case.

NOTE: Localised outbreaks may require sporting organisations to again restrict activity and those organisations must be ready to respond accordingly. The detection of a positive COVID-19 case in a sporting or recreation club or organisation will result in a standard public health response, which could include quarantine of a whole Centre, and close contacts, for the required period.

Has advice been given from the Public Health Authority for a team(s) or venue(s) to be placed into quarantine or isolation for an designated period?

NO

Individual is to seek full medical clearance prior to returning to Auskick. Venues of concern to undertake a thorough facility and equipment clean prior to the next training session or competitive match.

YES

WAFC – Notify Participants/Parent Helper and Coordinator of the recommendations of the Public Health Authority. WAFC will adjudicate on the requirement to postpone further sessions if required under the guidance of the Public Health Authority, and in line with their respective State Rules and Procedures.

NOTE: Facilities/Centres may be closed on the instruction of the local Public Health Authority or the State Chief Medical Officer. Re-opening of the facilities/Centre should only occur after close consultation with the local Public Health Authority. There cannot be any certainty of the impact on Centres, as the Public Health Authorities will review each incident on a case by case basis, respective to their State.

What is the WAFC rule for the postponement or cancellation of NAB AFL Auskick?

NAB AFL Auskick is a National program and as such postponement or cancellation of sessions or the season is subject to and at the discretion of the WAFC and the AFL.

In close partnership with the AFL, the WAFC will determine the appropriateness of a delayed resumption, or complete cancellation of a season on a case by case basis.

The AFL's position on refunds can be found in our COVID-19 Frequently Asked Questions [here](#).

The NAB AFL Auskick Terms and Conditions of Participation can also be found [here](#).
