

Indigenous All Stars game success & Kimberley Umpire Ed!

There was an additional Kimberley footy team that travelled to Perth for the Indigenous All Stars game on the 15th February, besides the 8 talented young players selected in the curtain raiser match. A number of Kimberley umpires travelled south to undertake training and development from some of the AFL's best officials.

A training session with AFL umpires Daniel Johanson, Josh Garrett and Gabbi Simmonds took place the morning of the big game at WA Football headquarters, followed by a tour of Optus stadium pregame, giving insight in to the preparation required to officiate at the top level.
