### Brief History and Outline

The Western Australian Amateur Football League (WAAFL) has a proud history since its humble beginnings in 1922. Over that time the League has been a progressive force in the development of "grassroots" community football in Western Australia.

The WAAFL has a strong base in the administration of a viable and thriving Australian Rules football competition with 43 member clubs, including 118 senior and 30 colts (U19) teams providing games for more than approximately 7000 registered players during a home and away season. There also are some 150 umpires involved in the competition. Volunteers form the base of the competition and without their tireless efforts at both League and Club level the competition could not be sustained.

### Value of Amateur Football

The WAAFL provides organized football on Saturdays where anyone whatever ability, can participate or contribute to the football industry.

The system in place allows players to play in senior football at any level they are capable of achieving. Colts (U19) learn the fundamentals of amateur football and its responsibilities after graduating from junior ranks.

At present the leagues goal is to increase participation and is self funded (through the clubs). Much more could be achieved in this area through significant financial assistance and recognition that the WAAFL promotes football as a training ground for elite players.

The WAAFL also provides a quality high standard competition for those players not wishing to endure the commitment to WAFL (second tier competition) training due to study or career commitments or simply a lifestyle that considers football a recreational pursuit, however is in a position to bridge the gap between amateur football and the Champions of tomorrow.

Many well known WAFL and AFL personnel began their careers in the WAAFL. Former West Coast Eagles and Hawthorn coach Ken Judge began his coaching career at an A Grade amateur club. Former Dockers coach Gerard Neesham played several seasons of amateur football and played at state amateur level.

Other high profile players include Troy Wilson (West Coast Eagles), Gary Buckanara (Hawthorn), Shane Parker (Fremantle), Simon Beasley (Western Bulldogs), Sandover Medallists Ian Dargie (2), Alistair Pickett and Shane Beros.

Former Amateur players who have gone on to be senior administrators include former Chairman of the WA Football Commission Peter Tannock, current WA Football Commission Chairman Dr Neil Fong (a triple A Grade Fairest & Best medallist with the WAAFL), current Chairman of Sydney Swans Richard Colless and former West Coast Chairman and AFL Commissioner Terry Edwards are just a few who gone on to contribute to Football at a higher level.

The WAAFL is now about to focus beyond the year 2003 on how the league uses its leadership and resources to set new standards of excellence and relevance for its member clubs' and various committees. The League's Strategic Plan for the next 3 years was implemented in 2003 and is progressing well with a view to stabilising the League's financial position and the establishment of a Club "culture" that will ensure a long and viable competition.

# Presidents Report

As League President, the past year has been one of the most challenging, fore filling, interesting but sometimes frustrating with which I have been associated. The year has entailed a number of necessary areas of change, improvements and innovations in order to maintain a viable and attractive competition for all our Clubs to participate. Having said the above, in many respects the 2003 season has been one of the most satisfying in my time with the Western Australian Amateur Football League.

With the first full year as Executive Officer behind him, Ron Webster (along with the Management Committee) has endeavoured to create a new direction and attitude with the clubs hierarchy in sponsorship support, in dealing with all aspects of the football industry, better financial management advice to clubs, sharing of fundraising, outsourcing of office functions (eg: I.D. cards), setting up in house publications, advertising and sponsorship that was previously done externally at considerable cost, thus saving valuable funds.

Early in the season, one of our club's players Jayde Seed was paralysed in an unfortunate accident. A great sense of camaraderie and mateship became evident with support given by our Clubs, the greater Football Community, our two AFL Clubs, WAFL Clubs and hotel and liquor outlets gave generously of their time and resources to assist him and his family.

Late in the year that support was also evident at the WAAFL first joint Quiz Night. A great fund raising achievement that paid dividends to all who supported the venture.

Clubs are still finding it time consuming to raise the associated costs to field teams in the League. It has been foremost at the Board of Management level to try and assist in financial matters. With that in mind, the Presidents and Secretaries Night was held at the Swan Brewery with key note speakers advising clubs how to better manage their bars, followed by guest speakers, speaking on several subjects at our regular delegates meetings. The WAAFL Executive has spent considerable time in maintaining budget control and constraints plus seeking greater sponsorship support to reduce costs and thus be in a position not to increase Club affiliation fees.

All Clubs are to be congratulated in meeting their monthly payments to the League on time, possibly the first time in its history. It has made our operations easier to run and is one of the many reasons why for the second successive year no increases of affiliation are anticipated. Insurance costs were maintained at reasonable levels this year, however in 2004 the exciting news is that these costs will be considerably lowered through the WAAFL joining in an Australia wide football scheme. Several other ideas and innovations are being canvassed in order to support Clubs in maintaining their financial viability and take the pressure off Club Committees and Volunteers who bear the brunt of all fundraising in their local areas in order to survive.

The WAAFL State team fortunes met with mixed success locally, however our efforts against South Australia (in Adelaide) and Victoria (at Subiaco Oval) did not meet our expectations, as both opponents overwhelmed us with the inclusion of former local League and AFL players. Our representative team players gave their all and we appreciate their efforts along with the coaching staff in both the Seniors and Colts. Congratulations to those players selected in the "Australian Amateur Football Team of the

Year": Trent Cooper, Marty Kennon, Simon Pearce and Chris Perkin.

The WAAFL believes that our competition is a feeder system for players who desire to move towards WAFL or AFL. With this in mind, our interstate programme next year will be conducted as a 23 years and under competition with the support of Victoria and South Australia. We hope this will be a more level playing field and inspire our talented younger players to show their ability to State Leagues and AFL scouts.

The Community Football Council of which we are a member, along with the Sunday Football League, Women's Football League, Peel Football League and Masters League has given us great access to other participants (Leagues and Clubs) in the statewide football family. The improved cooperation at all levels has paid dividends with greater sharing of ideas and facilities, cutting through red tape (clearances and permits) and ready access to the WA Football Commission, their Executive Officer and Commissioners and our two AFL Clubs. I trust we have played our part and made a valuable contribution to the continued growth of our game.

Close cooperation with the Sunday Football League with the sharing of office facilities and joint use of resources along with the joining of our two Umpire panels has added to the efficiency and cost savings of football at grass roots level. Greater cooperation is already planned in 2004 with the reformation of the WAFA to facilitate a joint metropolitan wide single team competition. Thanks to the Sunday Football League Chairman Bob Sutherland, his Committee and General Manager Geoff Palmer for their untiring support.

Thanks to our Umpire Coaching Panel, Peter Repper (field), Paul Smith (boundary), Terry Kenny (goal), Jamie Hawkins (Club umpire) and their support personnel, all coordinated under the guidance of Bruce Wheatland. Again, their combined efforts enabled a large group of dedicated umpires to be coordinated and allocated to the many playing arenas throughout our competition. With Neil Judge liaising with the Umpires Board and with continued enhancements of the new revamped Umpires structure under one umbrella across the metropolitan area, the future is bright for the betterment of both the umpires and the Leagues they operate in.

Throughout the year the Office Staff continued their high standard and efficient service of operations. Headed by Executive Officer Ron Webster backed up by Natalie Archer, Matt Henson, Paulyne Webster and Office Supervisor Jan Dellaca, they have provided the Clubs with quality service and attention. I extend my sincere gratitude for their support and work throughout 2003.

Members of the Board of Management continue to give freely of their time and expertise to the WAAFL on a voluntary basis. Long serving Vice President Milton Sanders has been a great back up and pillar of support for anything Amateur Football. Brett Fullarton – Treasurer, Bruce Wainwright – Secretary, Graham Jacques, Mark Herron, Ross Rayson, Perry King, Peter Grosser and Lionel McQueen although heavily committed to their own day-to-day workloads have given more than valuable time to the running of the Amateur Football League.

The League is made up by various sub Committees who operate independently through the season. These include Umpires Board, Media, State football, Colts, Tribunals, Investigations, the Quiz Night and Reinstatements. Without them, we could not function properly.

Congratulations to all the WAAFL Award winners and Premiership Teams, State Colts and Senior players. We congratulate you in your efforts to attain those goals. You have joined a growing list of achievers. Also several administrators have been acknowledged with a Merit Certificate (by WAAFL, AFL and WAFC) for long service to football and I extend my sincere congratulations to you all.

In our large extended Amateur Football family, there are too many people to thank individually; we continue to be a hard working volunteer organisation. Without you we would not exist. Thank you all for your wonderful efforts!

John Davies

## Executive Officers Report

---

a statement of fact.

I am delighted to be in a position to report on my first full season with the WA Amateur Football League. It has been a year of significant change and long term planning. The plans formulated and the changes implemented were not only necessary but very timely as I could clearly see the League and its shareholder Clubs descending into a period of decline both financially and as a competition if a number of issues were not addressed. These comments are not meant to be a reflection on any previous people empowered with overseeing the League, merely

These facts being that the League had gone through the 2001 & 2002 seasons with financial losses totalling some \$75,000.00. Its cash reserves were virtually exhausted. Clubs were struggling to raise the necessary funds via traditional means to pay the current affiliation fees then alone an increase to cover the League losses. Increased insurance premiums were crippling Clubs and the League, the competition and player registration software was obsolete and in a state of collapse and we had Clubs on the verge of financial ruin and could disappear from existence if not addressed. To say the least it was a very challenging situation.

Fortunately the League is blessed with some very talented and dedicated Committee members who were prepared to listen, evaluate and act and as such I am pleased to report that in the last 12 months we have been able to address, certainly in part if not in full, all of the key issues noted above.

The success of implementing some of the necessary changes to arrest the financial decline has only been achieved because of the cooperation and assistance of all Clubs. Had Clubs not embraced the changes to the payment of affiliation fees by 5 instalments, paid in full and on time, then it is doubtful if the League could have survived the 2003 season and meet its financial commitments.

The prompt Club payments, when coupled with prudent budgeting, improved cash flow management, a reduction in operating expenses, an increase in sponsorship and fundraising has enabled the League to not only make a vital profit over the past 12 months to help recoup some of the earlier losses, but we were able to do so without increasing Club affiliation fees in 2003. As a result of the success in 2003 and assuming Clubs will continue to pay on time, I am confident there will be no fee increase in 2004. Two years running with no increases in Club fees has never been done before and with all Clubs continuing their support it is something we can continue to maintain and hopefully be in a position to be able to reduce the overall fees in the not to distant future.

The substantial cost of Insurance to the League and Clubs has been a key issue for the past 3 seasons. Fortunately we were able to negotiate a slight decrease in premiums in 2003 whilst still maintaining adequate cover as well as offering Clubs an option to take additional loss of income and spinal cover should they wish to do so. As you know the League and the WAFC have been involved in lengthy discussions for 12 months with respect to a National insurance cover. As a result in 2004 our League and member Clubs will be able to participate in the AFL Insur-

ance Scheme via Jardine Lloyd Thompson. The scheme will deliver increased cover on that provided last year at an overall lower cost than 2003. The bulk of the savings will be directly passed on to the Clubs and in real terms it will mean a decrease in affiliation fees. More details on this matter will be provided to Clubs in the near future.

As with Kingsley at the end of last season, we were again challenged with an unforeseen problem this year. This being the tragic accidental injury to Jayde Seed whilst playing for Belmont Redcliffe. Whilst this accident has left Jayde a tetraplegic, it has also left an indelible impact on the public and Football community and clear evidence of the strength and compassion of the Amateur competition and its member Clubs. The support provided by Amateur Clubs with collections and fundraisers within their own premises plus the many volunteers who came to Subiaco Oval for the West Coast vs Bulldogs and Fremantle vs Adelaide home games to act as collectors was absolutely fantastic.

Considerable funds have been raised for Jayde via these means and I must thank the West Coast Eagles, Fremantle Football Club and the WA Football Commission for allowing us to conduct the appeals at the respective AFL games at Subiaco Oval. I would further like to record our appreciation of the WAFL 200 Club for also raising substantial funds for the Jayde Seed appeal at their State of Origin luncheon. These funds when coupled with the insurance cover provided via the League and his Club will go a long way to assisting Jayde and his family with the financial challenges they face in the future.

Whilst on the WA Football Commission, I would like to personally record my thanks to the Commissioners and particularly to Wayne Bradshaw and his staff for the cooperation and assistance they have provided to our office and indeed the WA Amateur Football League throughout the 2003 season. We look forward to continuing to work in harmony with them for the mutual benefit of Football in general.

As you are aware we had some considerable problems finalising fixtures at the commencement of the year. This was due in part to basically the disintegration of the software programmes which have been running our competition, player registrations, player history, fixturing and other necessary functions required to conduct this large League. We had to hastily look at implementing a totally new system with only weeks to go before the start of the season.

Having agreed to proceed with a new system we needed the existing software to run for the first 8 rounds whilst we bedded down the new software and electronically transferred all salvageable information across from the old system. In reality the old system basically crashed a week before the first game causing chaos in the office. My staff had to battle for virtually the whole year with questionable data, without access to the full systems required to operate the League, manually double checking team sheets, player rego and permit information whilst also contending with the normal day to day activity of operating the League office. It is no secret that we dealt with some 1300 clearances and registered or reregistered 3,600 players during this time.

I will acknowledge the contribution of the League staff later but I wish to sincerely thank Graham Hill, Managing Director of Metisc, who provided the basic iScore System that forms the foundation of our new software and web based competition package. Graham and his staff have donated countless hours developing and tailoring the system to meet our League's unique requirements and whilst this system is still being enhanced and finalised ready for the 2004 season the ultimate benefits to the League and our member Clubs will be substantial. Thankyou Graham and Metisc.

As was explained at the various Delegate's and President's Strategy meetings the League would not be able to return to profitabil-

ity and maintain Club fees without increasing its return from Sponsorship and fundraising activities. To this end we held a League Quiz night at Claremont Football Club and thanks to the support of the Clubs it was a great success. The success was not only financial, but went a long way to clearly demonstrating what can be achieved when the shareholder Clubs are prepared to work together and support a joint function. As a result of this function, Clubs that actually attended participated in over \$10,000.00 of cash and prizes and also received a credit of \$350.00 each towards their insurance costs for 2004. I wish to thank Perry King and Phil Hayes for their contribution.

Clubs also greatly assisted with this years League raffle which in 2002 actually returned a loss to the League. Despite the raffle being late due to a number of circumstances, for which I take total responsibility, Club support enabled the League to generate a raffle profit, which greatly assisted with our overall financial result for 2003.

The F & B Medal Presentation Dinner was held at Rendezvous Observation City this year with mixed reactions from Clubs. The general support from Clubs was great and for an event of this nature to take place we need all Clubs attending with at least one table. Even that however does not mean the function will not run at a loss similar to this years loss of \$1,781.00. We have however taken comments, constructive and disparaging on board and have already amended the booking and arrangements for the 2004 function. Next year it will be at the Hyatt Regency (which was our first choice this year but we could not get a suitable date) on Wednesday 1st September.

2003 saw us committed to play 3 State games - WA Country, South Australia and Victoria, with the SA and Vic game within a week of one another, a tough ask. Without dwelling on the results of these games it was my firm belief and that of the Committee, that we could not continue to play State games under the current selection criteria if as a state we were going to be able to compete on a level playing field. It is our belief that whilst there are substantial benefits to being back involved in State football with SAAFL and VAFA we cannot continue to fund it unless the concept was changed to one of promoting the development of young players.

Clubs would be aware that they supported the Leagues involvement in State football for the 2002, 2003 & 2004 seasons. We were committed to 2004 anyway, however Milton Sanders and I have had recent meetings in SA and Vic and as a result we have forced a change in that we will now be playing an under 23 State team against the VAFA in Melbourne in 2004. Whilst both SA & Vic want a commitment past 2004 we will only do so on the basis of the success of the under 23 team results next year. We are of the strong belief that as a League we should be providing an opportunity for our younger Amateur players to play at a higher level and hopefully provide not only a memorable experience but also a chance to be seen by WAFL and AFL clubs, which could improve their pathway in football. Clubs will be provided with more detailed information on this important break through in the near future.

Our Finals this year were very successful and I thank those Clubs that hosted early finals matches. The concept introduced this year with finals fixturing was far more manageable from both a ground and umpire allocation and with some minor enhancements will be retained in 2004. We will continue to hold Preliminary and Grand Finals at WAFL venues where possible and will continue to charge as this is a vital source of League revenue and helps offset the substantial costs associated with the overall finals series. Congratulations to all teams who participated in finals matches this year.

I would like to thank our Umpires Board, Umpire Coaches and the overall Umpires panel for their support and assistance in 2003. It was a year with some challenges given we embarked on

a loss similar to this years loss of \$1,781.00. We have however taken comments, constructive and disparaging on board and have already amended the booking and arrangements for the 2004 function. Next year it will be at the Hyatt Regency (which was our first choice this year but we could not get a suitable date) on Wednesday 1st September.

2003 saw us committed to play 3 State games - WA Country, South Australia and Victoria, with the SA and Vic game within a week of one another, a tough ask. Without dwelling on the results of these games it was my firm belief and that of the Committee, that we could not continue to play State games under the current selection criteria if as a state we were going to be able to compete on a level playing field. It is our belief that whilst there are substantial benefits to being back involved in State football with SAAFL and VAFA we cannot continue to fund it unless the concept was changed to one of promoting the development of young players.

Clubs would be aware that they supported the Leagues involvement in State football for the 2002, 2003 & 2004 seasons. We were committed to 2004 anyway, however Milton Sanders and I have had recent meetings in SA and Vic and as a result we have forced a change in that we will now be playing an under 23 State team against the VAFA in Melbourne in 2004. Whilst both SA & Vic want a commitment past 2004 we will only do so on the basis of the success of the under 23 team results next year. Clubs will be provided with more detailed information on this important break through in the near future.

Our Finals this year were very successful and I thank those Clubs that hosted early finals matches. The concept introduced this year with finals fixturing was far more manageable from both a ground and umpire allocation and with some minor enhancements will be retained in 2004. We will continue to hold Preliminary and Grand Finals at WAFL venues where possible and will continue to charge as this is a vital source of League revenue and helps offset the substantial costs associated with the overall finals series. Congratulations to all teams who participated in finals matches this year.

I would like to thank our Umpires Board, Umpire Coaches and the overall Umpires panel for their support and assistance in 2003. It was a year with some challenges given we embarked on putting in place a WAFC request to amalgamate the Sunday Football League and Amateur Umpiring panels and although for the most part it proved beneficial it was not without some teething problems. I thank all those involved for their patience and can assure all that it will run smoothly in 2004, especially the pays. To Neil Judge, Bruce Wheatland, Peter Repper and Paul Smith a particular thankyou for your efforts.

League Sponsors are vital to the financial health of the League. For us to maintain our existing Sponsors and attract new ones we need all Clubs to fully support the League Sponsors and the arrangements entered into. I would like to thank all the Companies for their support this year. These vital Sponsors are listed throughout this publication. I would also like to thank Trevor Nisbett and his Marketing staff at the West Coast Eagles for their assistance in providing a sponsors box to the League for use at their home games so that we could entertain League sponsors and Club personnel from time to time during the season. It was a substantial donation on behalf of the West Coast Eagles and we sincerely thank them for their contribution to grass roots football.

Lastly but certainly not least, I would like to sincerely thank the office staff for an exceptional effort in 2003 in what can only be described as tough circumstances. I would like to initially thank Julia Triplett for her outstanding contribution to the League over

a 5-year period prior to resigning in April this year. Whilst the loss of Julia with her experience was a challenge I am happy to say that we were able to adequately progress thanks to the tireless efforts of Natalie Archer, Matt Henson, Paulyne Webster and newly appointed Office Supervisor Jan Dellaca. Without their concerted efforts during the year the League would have struggled and I sincerely thankyou on behalf of the League and its member Clubs.

In closing I would again like to thank the Clubs and the many volunteers involved for your cooperation with the League office this year and most importantly for your time and efforts in assisting with the operation of the Amateur competition. I look forward to working in harmony with you next season with a view to cementing the future of the Amateur League and its shareholder Clubs.

Ron Webster

## PANEL UMPIRE REPORT

The 2003 season saw the commencement of the restructuring of the umpiring system in Western Australia with the WAAFL and the Sunday Football League panels merging and training as one group, following the strategic plan of the Western Australian Football Commission. This allowed for some interchange of umpires into the alternate competition and facilitated the dissemination of commonality of law interpretations and umpiring procedures.

The WAAFL Umpire Department sought closer liaison with both the WAFL and Junior Council umpiring groups for the mutual benefit to umpires in both groups. The introduction of many junior council field umpires into the colts

competition under the guidance of a senior umpiring mentor proved most successful, with several of these umpires graduating to A Reserve level during the season in the development process. The degree of cooperation

generated between these umpiring groups has resulted in a very positive benefit to both the individual umpires and the competitions in which they umpired.

Another major benefit to WAAFL football umpiring in 2003 was the regular accessibility to WAFL panel members who were not selected for that competition each week. This enriched both the quality of field umpiring and the development of promising younger umpires from the WAAFL group.

Once again the boundary umpiring squad was made up of mainly young graduates from the flourishing Schools Boundary Umpire Traineeship Scheme. The all round strength of the panel this year was the best for some years and will only develop further in the future as there are many members who are still under the age of eighteen years.

The goal umpire panel was once again a very dedicated group who provided great service to the competition. Many goal umpires completed their level two accreditation which is testimony to their dedication and commitment.

Umpire coaches for the year were Peter Repper (field), Paul Smith (boundary and goal) and Terry Kenny (goal) who should be congratulated on their in the training and appointment of umpires both for practice matches and for the

regular season. Development of youth was a high priority and was certainly achieved in all umpiring disciplines.

We look forward to next season with great confidence with the further development and growth of umpiring in community football.

Bruce Wheatland

## SCHOOL BOUNDARY UMPIRE PROGRAM

The 2003 season saw the regular training and appointment of over sixty boundary umpires from metropolitan senior high schools to WAAFL fixtures. Students from Morley SHS, John Forrest SHS, Duncraig SHS, Seton Catholic College, Corpus Christi College and Helena College ran in colts and reserve grade games throughout the season.

In addition, a group of some dozen students from a variety of other schools supplemented the group as required. Several umpires officiated in league fixtures which is of great service to that competition. There are many

promising performers who will be invited to join the senior panel next year.

The scheme would not be as successfully run without the expertise and commitment of Messrs Peter Merritt (Duncraig SHS), Peter Frusher (Corpus Christi College), Michael Pampacos (John Forrest SHS), Campbell Brown (Seton Catholic College), Bruce Wheatland (Morley SHS) and Warren Beckwith (Helena College).

The WAAFL thanks them for dedicated service again this year. In looking at 2004, already Balga SHS and Joondalup Baptist College have students in special football programs who are available to join the scheme ensuring the future of the scheme to maintain the presentation of community football.

Thanks to the clubs for carrying out the administrative procedures associated with the successful conduct of this scheme.

Bruce Wheatland

## CLUB UMPIRE REPORT

It would be too easy to say that all was well during the season of 2003 in regards to Club Umpires.

In general the performance of the majority of club umpires was good but unfortunately the consistency of a few was not in the best interest of the game. Hence problems both on and off the field occurred and at times this cast a bad image for the League, the Club and the game.

It would be too easy to dwell on the problems but I feel that we need to put it behind us and both the Umpires Board and Clubs need to work a lot closer to attract more people that have a good grasp for the game to become umpires. Also early in the season, implement a programme to educate Clubs and Club Umpires the general off field duties that Club umpires must complete before the game starts to meet the League requirements. The mid season training seminar was well attended but could have been earlier and possibly repeated later in the year.

As I stated before, the general understanding of the game by most of the Club umpires was of a good standard but if we all work together I feel that we can raise the bar with the quality and consistency of club umpiring and provide a fair contest during all games.

I would like to thank all umpires who took on the umpiring duties for Clubs this season. The players do appreciate your efforts as does everyone in Amateur Football. I would also like to thank Bruce Wheatland, Paul Smith and Peter Repper for their assistance during the season.

## SENIOR STATE TEAM

### Kerry Coates – State Senior Coach

The State program for season 2003 consisted of 3 games against the WA

Country Football League, South Australia Amateur Football Association and the Victorian Amateur Football Association.

The programme was quite difficult given the time constraints for our overall preparation as well as the fact we had to play South Australia in Adelaide Sunday 1st June and fly back to Perth to meet Victoria the following weekend Sunday 8th June. This game was played as the curtain raiser to the West Coast Eagles vs Western Bulldogs game at Subiaco Oval.

The first game against WA Country Football League on Friday night May 16th gave us an opportunity to try out a number of players and to start planning for the matches against SA and the Vics. After a slow start we finished off the match reasonably well, the result however was a loss - WACFL 13 goals 5 pts (83) defeating us 10 goals 4 pts (64).

The South Australian campaign commenced with at 5.40 am flight Saturday morning the 31st May. We arrived in Adelaide at 9.55 am and immediately visited Woodville Oval where the game was to be played. We had a light training run that afternoon with the game being scheduled for Sunday afternoon.

We played well in the first half but were unable to capitalise on our extensive opportunities and apply scoreboard pressure on South Australia. At half time our score was a disappointing 6 goals 9 points (45) to South Aust 5 goals 4 points (34). From a promising yet wasteful first half we lost our way in the third quarter when we were kept scoreless to South Australia's 8 goals 6 pts. We managed to kick only 2 pts in the last quarter and the game finished with SA 16 goals 14 pts (110) to our 6 goals 11 pts (47).

Our better players on the day were Trent Cooper, Marty Kennon, Luke Smith, Simon Pearce, Rickie Rogers and Chris Perkin.

We returned to Perth on the Monday and to cope with some injured and unavailable players and obviously a need to review our team composition for the game on the much larger Subiaco Oval. We also knew we would have to contend with a very talented VAFA squad that would contain a number of recent AFL listed players.

Apart from the excellent opportunity the WA players had to play on Subiaco Oval before an AFL game we gained very little from the game given we were thrashed by a fitter, substantially more experienced and skilful Victorian team on the day. The scores were VAFA 27 Goals 14 Pts (176) to WA 3 Pts (3). Our better players on the day were Simon Pearce, Troy Kerwood and Trent Cooper. Trent Cooper was also be awarded the Tetley Medal for the best WA player overall for both interstate games.

Despite both interstate games being significant losses I must pay tribute to the players for their continued efforts and attitude during both games when we were seriously outplayed and clearly disadvantaged by the current selection criteria and the competition structure in both SA and Vic.

I would like to acknowledge the tireless work and assistance provided by my Asst Coach Ken Judge, Selectors John Pietroniro, Mick Pember (also doubled as our runner) and Tony Coates, Team Manager Cliff Anderson and Property Manager Guy Ziata. Without their combined assistance we could not have managed the tough programme. To the Sports Physios Tim Jenkins and Ed Rhor a big thankyou for your efforts at training and the games.

A special thanks to Ron Webster and Neil Judge for their assistance in setting up the State arrangements in Perth as well as Adelaide and congratulations to the four players selected in the 2003 Championship Team of the Year – Trent Cooper, Marty Kennon, Simon Pearce and Chris Perkin.

## COLTS STATE TEAM

The 2003 WAAFL State Colts team had only 1 game this year, the traditional match against the State Country Colts team.

With very limited preparation, the side performed magnificently. We only really had 2 training sessions from which to pick the team, so I can honestly say I new very little about most of those picked, but most of the players new even less about their team-mates.

Having said that, I was confident that the side was a very good one, as the skill level shown on the track had been very impressive.

The weather did not look as if it was going to allow us to show off those skills, but the rain held off long enough, and both sides played a fast, clean brand of football. This game was by far the best standard of football, of the 6 matches I have been involved with against the State Country Colts, which is a credit to both sides in the windy conditions.

We managed to convert our opportunities better when it counted and held on to win by just over 3 goals. This is only the second time in the last 6 years that the WAAFL colts have beaten the WACFL colts, so it was a tremendous effort by the players.

Better players on the night were Steve Van Nierop (Wesley Curtin) and Michael Ballem (Whitford) on the ball, captain James Hunt (University) at centre half-forward, Matt Cue (Wanneroo) in the ruck, Jamie Powers (Wesley Curtin) at full back and Rhys Robinson (North Fremantle) in a forward pocket.

It is very pleasing that 9 different clubs were represented in the side, and thanks go out to those clubs, and more particularly those coaches, that supported the state program this year.

Thanks also to my support staff. With such a rushed preparation compared to prior years, I could not have managed with out the help of Brendan Hall, Paul Brown and Rod Phillips.

And finally thanks to the league for their support, and in particular Neil Judge, Milton Sanders and Ron Webster and staff at the office.

Hopefully the colts have shown that the state program is definitely worth persevering with.

Jeff MILLER

2003 WAAFL State Colts Coach

# Community Football Council

As chairman of the Community Football Council, I wish to congratulate the Western Australian Amateur Football League on a successful year especially with the varied results in all grades competing in the Finals.

The year 2003 has seen tremendous steps achieved in bringing Community Football together as a united family with the achievement of joint administration and the combining of umpires with the WAAFL and the Sunday Football League. All are to be congratulated!

To John Davies (President) and Ron Webster (Executive Officer) and administration staff, I wish to thank them for their support of the Community Football Council as a body and for their assistance given to affiliate Leagues: Sunday Football League, Peel Football League, Masters League and Women's Football League, it was greatly appreciated.

*Clubs have their say...*

## CARLISLE A.F.C.

2003 was a great year for the Cougars. With the opening of the new clubrooms we set about to really capitalise on our new facilities. We did that by having a full social calendar which also served to improve camaraderie. Sponsorship was also aggressively chased more intensely than in previous years. As a result we had a very successful year off the field.

On the field we were unlucky to be beaten by Kingsley in the Preliminary final, so we will be looking to go one better here next year. Probably the best game of the year was our 1<sup>st</sup> Semi Final win against Mosman Park, a real close encounter where the lead changed several times. A really good relationship and rivalry is being developed here. Our reserves won 8 games which is about the same amount that we have won in the reserves in the last five years!

All in all it was a good year for us with lots to be proud of but if we put our minds to it we can do a lot better!

Rod Western  
President – Carlisle A.F.C.

## COOLBELLUP A.F.C.

The Club fielded one side (E Grade) this season and the team enjoyed remarkable success, punctuated with a major disappointment for the

final game of the season:-

- \* Won every qualifying game of the season by an average winning margin of 24 goals, finishing with a percentage of 569%
- \* Won the second semi-final by 5 goals
- \* Led in the grand final at three quarter time and lost the game to a fighting Swan athletic by 3 points
- \* George Ford won the League Fairest and Best with Chris Carley second. The result was reversed in the Club's voting
- \* The club team kicked 40 goals for the game in the round 9 clash with Whitford, one goal for each year of age on the day George Ford turned 40. In the third quarter, we scored 16 goals and 7 points.

Wayne Galbraith  
President – Coolbellup AFC

## COOLBINIA WEST PERTH A.F.C.

The 2003 season realised the merger of the previous Coolbinia-Yokine and Osborne Districts Amateur Football Clubs. The merger received overwhelming support from members of both previous clubs and the way the merger was handled was a credit to both clubs and their committees. As with any amalgamation it is always going to take time for people to get to know each other and become accustomed to each other's skills and attributes.

On the playing front, it turned out to be a real "baptism of fire" as we found ourselves competing in one of the strongest competitions in the WAAFL being that of "C" Grade which, for the first time in WAAFL history, included 12 teams. The strength of the competition was such that the likes of High Wycombe, Warnbro Swans, Kalamunda and Willetton ensured that wins were always going to be hard to come by, especially for the "new kids on the block" who had to prove that they could mix it with the best. As it turned out, the win/loss ratio was not one that we had foreseen at the start of the season but all was not as bleak as it appeared in black and white.

There were seven (7) games where we were beaten by less than three (3) goals and in four (4) of those games we were beaten by one (1) point by the same team on two (2) occasions. With other close losses of three (3) points and four (4) points, had these have gone our way, we would have been in the mix at the business end of the season.

Financially, we are very well placed to be able to improve our training and social facilities and have laid plans that we believe will enable Coolbinia West Perth to become one of the most respected Amateur Football Clubs in the WAAFL. Our belief is that if we can identify a couple of quality positional players leading up to the 2004 season, and we can hold on to the present player list, then we will be well positioned for success now, and into the future.

Ian Fairlie  
President – Coolbinia West Perth A.F.C.

## **KALAMUNDA & DISTRICTS A.F.C.**

The 2003 Footy Season has been another rewarding year for the Kalamunda Cougars, both on the field and throughout the whole Club.

For the third year we had all teams in the finals; the league progressing to the preliminary final, reserves to the second qualifying final and our young colts side to the grand final and just missing the big one. Congratulations to all 3 coaches and their dedicated support staff – your contributions are much appreciated by the committee, players, members and sponsors.

Off the field activities are an integral part of any club and this year with a rejuvenated Social Committee, all the functions commencing pre-season and through to the Windup/Trophy Presentation Night were very successful and much fun had by all. Thanks to the senior members who at the Windup Night gave the special presentations and history behind the club's perpetual trophy donors; history and a feeling of being part of a club are important in the success of a club.

Congratulations to Kerry and Darrin Armstrong – Jones on receiving their Life Memberships; your exceptional contributions to the club were reflected by the standing ovation!

In 2003 we continued the clubrooms refurbishment pro-

gram and many thanks to all contributors. We now commence planning for the 2004 season, but until then have an enjoyable break, a Merry Christmas and see you all in 2004.

Ray Veitch  
President – Kalamunda & Districts A.F.C.

## **MANNING RIPPERS A.F.C.**

2003 was a year of great improvement for the Rippers as their young but exciting league side progressed steadily up the D grade ladder from their starting position of E Grade wooden spooners. Led by hard working ruckman Bob Braam and youthful midfielders Paul Vardy, Karl Edlinger, and Luke Lovett Manning won 9 games in 2003 and only missed the finals on percentage after winning an exciting round 18 game against the eventual fifth placed Melville. Other standout performers were rugged centre half back Erwin Edlinger and veteran forward Paul Murphy. Season highlights included the club's big wins against Bayswater (Round 1) and Rossmoyne (Round 15) and a courageous come from behind win away against Ballajura. Off the field the club was again profitable and enjoyed several successful functions including the club quiz night and the two Ripper Romps at Rosie O'Grady's in Northbridge. 2004 promises to be a stellar year.

Bryan Ullinger  
President – Manning Rippers A.F.C.

## **MELVILLE A.F.C.**

The Melville Football club was pleased to be playing at home again after spending the previous season away from the club due to a ground resurfacing. Many thanks to our supporters and sponsors for their efforts throughout the season.

The Melville Football Club had a very encouraging year with two of our three teams playing finals. Congratulations to all of our reserves premiership players who trained and worked hard to make the grand final. The one point win was one of the best wins our club has seen. Your efforts will be remembered for a long time to come.

Congratulations to Heath Kennington on winning the fairest and best for the reserves grade, and well done to Stefan Adasko on being runner up for the league.

Bruce Heaton  
President – Melville A.F.C.

## **MOSMAN PARK A.F.C.**

The Mosman Park Football Club had a reasonably successful year both on and off the field. The success story of the year was the Colts Premiership in "C" Grade. This is even more remarkable considering they finished 5<sup>th</sup> in the qualifying rounds. The League and Reserves both made the finals, however both were eliminated in

the first semi final. The club welcomed many new players in 2003 and is keen to recruit more next year. It was pleasing to see many local juniors join the club after having played away at other clubs. Highlights of the year in the social scene were the Cocktail night, 1973 Reunion and the Friends of Mosman Park day. All of which were great fundraisers and attracted many people to the club. The away games down at the Swan Hotel were also great nights and hopefully this will continue next year.

The club would like to thank all its sponsors for their support during the year. These include Mosman Park Liquor Emporium, EBM Insurance, Mosman Glass, Swan Hotel, Abracadabra Brickpaving, Bellissimo Café and Healthways

John Armistead,  
President – Mosman Park A.F.C.

## MT LAWLEY A.F.C.

Year 2003 was a year of ups and downs. Unfortunately I fell critically ill at the eleventh hour and subsequently this left a huge workload on the Committee. The professionalism that was carried out on all duties was tremendous. The motto of this story is always **"Share The Load"**.

On the playing side this year, the Club had an optimistic year. I say optimistic because we were hopeful that we could add another trophy to our cupboard. We had three of our four sides play off in the finals and only one made it to the Grand Final. Unfortunately a better side defeated us on the day!

It was a very good effort and one that we must build on. All credit must go to the players and to our coaching staff.

This year the Club, the first time since 1992, is completely debt free.

Chris Chadd  
President – Mt Lawley A.F.C.

## SWAN VIEW A.F.C.

In our second season back in the WAAFL we were thrilled to be awarded the Club of the Year Award (with Warnbro) and go on to record back to back premierships in the D League against a gallant Kingsley. Aaron Morey won the D League Fairest and Best while Dave Simcock was Runner Up. This capped off a sensational year for the Club.

A big thankyou to our Committee, Players and Supporters for the effort to push us to the ultimate goal. Our Reserves performed admirably to make the Preliminary Final, going down to eventual premiers Melville. We would

like to thank all of our sponsors for their generosity and support for the season and we look forward to further success in 2004.

Rod McPherson  
President – Swan View A.F.C.

## UNIVERSITY A.F.C.

On-field, season 2003 will be viewed as a mixed bag for the University Amateur Football Club. Three of six teams made the finals, but it was disappointing neither the A Colts, AB3rds or AB4ths could finish with a premiership after making the final five of their respective competitions. On an individual basis the brightest point of the season was the selection of Chris Weise, Damien Ottaviano and Marty Kennon in the W.A. state side. Marty Kennon went on to be named All-Australian. Congratulations also to Frank Nield who finished runner-up for the AB3rds Association Fairest & Best award.

UFC

The social atmosphere at the club was as vibrant as ever and with a number of successful shows and innovative fundraising activities, the club strengthened its financial position significantly during the 2003 year. The Skinny Maskiell day mid-year attracted almost 200 ex-players and supporters from both the University and Wembley clubs to a fantastic three course lunch boundary side as the senior sides clashed on-field. It bodes well for the future of the University Football club to have players from past years interacting with our current and future stars as the club looks forward to once again being a significant contributor to the league in 2004.

Scott Paterson  
President – University A.F.C.

## WARNBRO SWANS A.F.C.

The club from way down south has finished off yet another successful year. This year found our seniors and resses both promoted to C grade, our thirds promoted to E grade and our Colts up to B grade. While we didn't pick up another flag for our moderately crowded trophy wall, we did have our Seniors, Mr Magoos and Thirds all make it to the finals, with the rampaging resses getting into the big one. We also found some club wide success with the winning of the WAAFL Champion club award (back to back on this one). This award reflects the many people that have a red hot go week in week out and try to make our club the best. One of our senior players, Harry Ford, also had a good year by picking up the WAAFL C grade B&F. You little beauty.

So all in all, no flags, but we played a lot of footy, had a lot of social occasions and spread the "swannie" feeling in the local community.

Cheers aye

Brett Watson  
President – Warnbro Swans A.F.C.

## WEMBLEY A.F.C.

It has been a year of change at the Wembley Amateur Football Club. The new committee has undertaken a youth policy to develop the younger players at our club, which we hope will pay dividends in the years to come.

Our “A Grade” coach, Stuart Kemp, has done a fantastic job in teaching these players all aspects of league football. This was most evident in the latter part of the year where our boys convincingly beat a number of teams participating in the finals, and it looks promising for next year.

Our Reserves and Colts teams look forward to building on this year's solid performances and to figure prominently in the finals in 2004. A possible by product of our youth policy was the emergence of our AB3 and AB4 teams with many ageing champions and keen social players filling the ranks and culminating in two premierships. These grand final victories gave the whole club reason to celebrate and reflect on a successful season.

2004 promises to be an exciting year and we look forward to the challenge. Next year we also celebrate the 20<sup>th</sup> anniversary of our last “A Grade” Premiership in 1984 and would like to invite any players from that era to join us at a function to be advised in the near future or feel free to contact the club.

Good Luck to everyone next year.

Terry Goddard  
President – Wembley A.F.C.

## WEST COAST COWAN A.F.C.

The Committee and Sponsors of West Coast Cowan A.F.C. would like to congratulate their Premiership winning B Colts side from season 2003.

The club would also like to thank the generous contribution from Graham Johnson and his company Studwise – the valued major sponsor of the West Coast Cowan Colts for the past two seasons.

The club is looking forward to a big season in 2004 from it's Senior, Reserve and Colts grades and another great season off field as well.

New members and players are welcome. Please contact Gary Clune on 9448 3689.

Dale Rakich  
President—West Coast Cowan A.F.C.

## WHITFORD A.F.C.

This year The Whitford Football Club enjoyed one of its most successful seasons in its 28 years of participation in WA Amateur Football. The League side earned the right of Promotion to A Grade with a Premiership win in the B Grade Grand Final. 5 of our 6 sides participated in finals football, which is a wonderful achievement for everyone involved with the Whitford Warriors Football Club.

Our club boasts a large number of volunteer support to enable our 6 sides to run smoothly each week, and if not for that support we would not be celebrating a successful 2003.

Enjoying the benefit of large player numbers this year, and with the potential to field 7 sides next season, The Whitford Football Club has worked hard off field to be a respected competitor in the WAAFL. Over the last couple of years, Our club has addressed many issues in relation to our behaviour towards Umpires, Opposition Clubs and the Officials involved in our Sport, as well as reinforcing our own pride within our own club. We believe this effort has been rewarded with on field success in 2003, and thank all of our Coaching, Playing and Support Members for their efforts to date.

We have a huge 2004 ahead of us as we begin the tough task of earning the respect of the A Grade competition.

Warren Nel  
President – Whitford A.F.C.
