Junior Football

Junior Footy is back with 5 junior competitions up and running through the Avon, East Avon, Mortlock, CMC and Nth Midlands areas. Volunteers play a crucial role in delivering football opportunities for our boys and girls throughout the whole region and its great to see the kids running around. Team numbers are remaining steady through all competitions and its great to see Coaches working together to share players on match day to accommodate all players. Best of luck to all teams for season 2024.

Monthly Newsletter

2024 will see the creation of a Midlands Region monthly newsletter coming out to clubs, leagues and community stakeholders. This will be an update on some initiatives / programs happening around the region as well as some key dates coming up. It will also have some good news stories that can be celebrated by all who contribute to this great game of ours.

AUSKICK

AUSKICK is back with most centres taking registrations and the remaining centres will start their Auskick program in the month of May. A new centre has started up in Badgingarra which now sees the region up to 21 Auskick centres. A big shout out to all the Coordinators and parent helpers at all the centres your support is greatly appreciated.
