ABOUT SWANS

The Swan Districts Football Club is a well-connected and community engaged football club that improves social outcomes and sense of wellbeing in our community.

From our home at Steel Blue Oval in Bassendean, we have provided an inclusive meeting place for our community since 1934 and this has been extended through our VSwans programs in the Pilbara as well as other community programs across Western Australia.

OUR PURPOSE & VALUES

Football is in our DNA, but our focus is steadfast on improving the lives of the people in the community through creating greater engagement in education and transitions to employment, improving health and wellbeing and enhancing community participation. Our purpose is to build community and develop people, and we're driven by the following values.

- We act with integrity
- Everyone matters
- Raise the bar
- We fly together

SWANS YOUTH PROGRAMS

Since 2006, we have partnered with Chevron and BHP on their social license to operate and to engage with their local communities in Onslow, Port Hedland and Newman, as well as many Federal and State government departments such as the Department of Communities, Department of Justice and the National Indigenous Australians Agency in Roebourne.

We're focused on building community and developing people and can provide a co-designed community development and engagement model with you and your community stakeholders.

Our programs focus on improving literacy and numeracy skills, through to health, culture, sense of belonging, relationships and future employment opportunities.

WE CURRENTLY DELIVER

EARLY CHILDHOOD

- Parent-Child Mother Goose
- Circle of Security Parenting
- Paint the Town REaD
- Fundamental Movement Skills

YOUTH & EDUCATION

- Youth Centre Management
- Afternoon Sports Programs
- Active Education - High School and Primary Schools
- Swans Boys Academy
- Make Your Mark - Connecting with Employers
- Maali Moorditj
- School Holiday Camps & Activities

SWANS COMMUNITY PROGRAMS

With a focus on health and community access, Swans deliver a range of programs aimed at getting people within our communities active, engaged and connected.

We specifically target those that otherwise might be at risk of serious physical health and mental health issues because of either their age, background, physical challenges or environment. Our programs reconnect people with physical activity and their community.

COMMUNITY HEALTH & FITNESS

- Swans Aussie Fit
- Swans Street Doctor Clinic

SWANS COMMUNITY SPORTS

- Walking Football
- Wheelchair Football
- Friday Night Lights

ALL ABILITIES

- Sassy Ability - Karaoke, Dancing & Disco
- All-Ability Football
- Community Services
