Special Fixturing Requests

Throughout the Northern Conference, Claremont, Subiaco and West Perth Junior Football Leagues, Clubs have historical special events and games, limited access to ovals on certain dates and special fixture requests. To assist with fixturing these requests, all clubs are requested to provide details of their events by Monday 5 April via the online form. All requests will be considered and where able special fixture requests will be granted.

Special fixturing requests are to be submitted online at:

Requests to change once fixtures are set/published

Once fixtures are published, clubs wishing to change the original fixture can submit a request via: Northern Conference Application to change Fixture 2021 –

[Application to Change Fixtures - 2021](#)

Change of fixture requests must be submitted 3 weeks prior to original fixture date to be considered. Every effort will be made to accommodate your request, but no guarantees are given.

PSA Borders

Teams with large numbers of Borders can request to play their fixture on a different date to assist with player participation.

If teams are unable to play on the rescheduled date, a valid reason must be given.

Clubs are reminded that valid reasons to change fixtures must be supplied. Team trips (season dates have been set in advance), missing top players are not valid reasons to reschedule fixtures. Clubs are reminded to use the even up rule and play up rule from younger age groups to help field teams in the first instance.

Should the fixture be unable to be rescheduled the forfeit rule will apply and ladders adjusted accordingly.

Please ensure your club and team officials have read and understand the 2021 WAFC Junior Football Policies, Rules and Regulations.

If you require any further information regarding fixture requests/changes, please contact the Metro North Competitions Team.
