# WELCOME

The Perth Football League welcomes everyone to today's Integrated Grand Finals.

In season 2023, the Life Without Barriers Integrated competition continued to grow its key focus on participation and inclusion for all. The competition now sees 13 teams competing with over 300 players taking to the field every weekend.

WA's Integrated competition was born out of several Perth Football League clubs that identified a need for players with an intellectual disability who love the game of footy. Beginning with come and try days, the competition has since grown to now provide a competitive edge for all players.

Today, the A Division Grand Final will see last year's runners up Willetton take on Coolbinia for the P. L Grosser Cup. In the B Division Grand Final, Curtin Uni Wesley will go head-to-head with Warnbro Swans.

The season would have not been possible without the fantastic support of our club volunteers who continue to provide exceptional service to their community by helping to keep their local clubs running. We hope as this season draws to a close you look back with pride on what you have all achieved.

The Perth Football League would like to thank all our partners who have supported us in 2023 including Toyota, West Coast Eagles, Construction Training Fund, Life Without Barriers, West Australian Football Commission, Carlton & United Breweries, Goodlife, The Coward Punch Campaign, Burley, New Balance and Belgravia Apparel.

Congratulations to all clubs and players in today's Grand Finals and we look forward to all games being played in great spirit.

## **TURNER RECOGNISED IN AFL VOLUNTEER AWARDS**

Rob Turner is not a fan of the spotlight, he is much more comfortable talking about his players, teammates and fellow volunteers.

Turner has been awarded the National AFL Disability Inclusion Ambassador of the Year for displaying exceptional leadership in engaging people with disabilities in football.

Turner established the first All-Abilities Football team in the south-east corridor at Kelmscott Football Club, which has created unprecedented opportunities for individuals living with disabilities to participate.

Turner was announced the National winner prior to the WA All-Abilities Football Association's Draft Combine in front of 100 people, many who have played, trained or worked alongside the Kelmscott Integrated Team Coach.

"It's a true honour, as I truly know how much dedication and sacrifice many others are devoting to their own community football clubs, leagues and players as well as those who do so much for Disability and Inclusion in Football and our communities," Turner said.

"I am very grateful for the accolade and award. However, it's the participants who are the heroes and the real reason I and many others do this. Their aspiration and raw desire to play is the purest form of grass roots football."

Almost ten years ago Turner came up with the concept to create a Kelmscott team for the Integrated Competition, it wasn't easy, but he had support from the WA All Abilities Football Association.

"I had been following the competition in previous seasons and could see great benefit and a need for a team in our community," he said.

"My father Kim Turner was the president of the football club at the time, and we ran our first "Have A Go Day" for education support students at the Armadale Senior High School, where students with disability were given opportunity to wear a uniform and play in a match against each other, just like their AFL Heroes.

"I campaigned the City of Armadale and surrounding councils, engaging with every Disability service provider and Local Schools, as well as Inclusion Focused Groups and Events.

"It's been a wonderful and special journey, and I can't wait to see what more we can achieve for Inclusion in Football and Community.

"Despite the hardest days and difficulties in our lives, coming together at training or for a game, or in a social setting, everyone can be supported and share the joy that comes from community football clubs.
