Goldfields

Half Time on the Holidays

What a way to kick off school holidays than playing at Optus stadium! This is exactly what 67 of our Goldfields kids did with 24 Kalgoorlie-Boulder auskickers, 3 starkickers and 40 year 5/6 kids from the GFL.

To top it off even further, another 27 Year 4/5/6 kids got to take part in the Subiaco little league experience, watching in on the league warm up, forming a guard of honour, playing at half time and meeting some local WAFL legends in Malakai, Judd and Ryan!

EVENTS

8 & 9 Regional 15's Carnival

11 & 12 Nutrien Ag Solutions Country Football Championships - Colts

12 - 14 Nutrien Ag Solutions Country Football Championships - Mens

23 - 26 Tackle Your Feelings Road Show (Kal & Esp)

3 Aug Auskick & Junior Football Day- Leonora

Youth Girls Exhibition Match

Over term 2 of this year, every Monday we have been running an AFL9's Youth girls program whereby girls high school aged could come down in a friendly and supportive environment to give football a go. It was fantastic seeing some current female players step up into leadership roles, the confidence boost it provided with some feeling confident enough to join into the GFL's existing junior and senior women's comp. The final of the 9 week program consisted of an exhibition match where the girls got to put on a great game!

Railways Annual Jumper Buddy

Railways Football Club held their annual jumper buddy night again this season which is a fantastic concept bringing their junior & senior club together in a fun training night!

How great are these shots and it is an absolute highlight for the kids trying to get that specky

2024 Zone Carnival

The June long weekend saw the age old rivalry between the GFL and EDFA come to a head again in the annual zone carnival. It is fantastic to see this carnival grow to include the Youth girls sides in the last 3 years.

All three grades put on some fantastic football with a year 9 side, year 10 and youth girls all lead by local coaches and volunteers.

Day 1 of the carnival saw sides hit it out in their year groups, day 2 the Subiaco Rogers Cup coaches took all of the youth girls for a training session in the morning with mixed aged teams then kicking off afterwards in an A side and B side.

The zone carnival provides a great opportunity for the area to come together and also forms part of the selection process for the following talent squad opportunities.
