## JUNIOR FOOTBALL

Junior footy is almost back in the Midwest and it's shaping up to be a massive season!

The GNJFL kicks off on the 21st of April, with over 60 teams nominated this year. It will be the first time the traditional Under 14s competition splits into single streams as standalone Year 7 and Year 8 competitions. Mullewa Under 16s also make a return to the competition which is super exciting for the town.

On the 27th of April Marlu Footy League will kick off for 2024. This junior league has players from Yalgoo, Mt Magnet, Cue & Meekatharra meet in one town on Saturday mornings for competitive structured football. A mountain of work has gone in behind the scenes to ensure these players are given the opportunity to play footy in such a remote area of WA.

## GFA NOR-WEST CUP

The GFA Nor-West cup was held on the 23rd of March. With plenty of action on and off the field it was a great way to launch the season. Karratha Falcons made the trip down and won the Grand Final against Warriors.

The Gascoyne is also bracing for another big year of junior football. Carnarvon will see some slight tweaks to their competition structures to better accommodate for as many players as possible. Matches will begin in Term 2. Exmouth are planning an Exhibition Match in Newman to kick off their season on April 12.

WARRIORS 4.4.28

It proved to be a clean sweep as well for the Falcons, with Kenyon Narrier taking out the \$500 Dash for Cash and Kenton Smiler winning MVP for the Carnival.
