Summary: Introduction of Complimentary Drink Voucher System deferred for 2020 season.	Action: For information.
-------------------------------------------------------------------------------------------------	------------------------------------

The Board has amended the Club Alcohol Management Policy by deferring the introduction of the Complimentary Drink Voucher System for 2020 season.

The Complimentary Drink Voucher System was introduced to:-

- Ensure both clubs do not consume alcohol in change rooms;
- Make sure visiting clubs do not bring their own alcohol to matches;
- Ensure both clubs comply with the League's CUB exclusive sponsorship;
- Promote goodwill between clubs; and
- Encourage visiting clubs support the host club.

Though the system has been deferred for 2020, the policy still mandates:-

1. NO consumption of alcohol in change rooms.
2. NO clubs can bring their own alcohol to matches.

The League remains committed to the rationale for the Complimentary Drink Voucher System and will consult clubs on the system for the 2021 season.

Breach

If alcohol was not purchased from the host club, the Club President shall lodge a formal complaint to the League's Competition Integrity Officer, Brendan Kays, bkays@wafc.com.au.
