TFS, proud sponsors of Claremont Football Club  
We know great things can  
grow from new beginnings.

It has been an exciting first year as the Major Sponsor of Claremont Football Club and we look forward to the greater things to come in 2017.

TFS grows the world's largest Indian Sandalwood (*Santalum album*) plantation.

With plantations in Kununurra, Katherine and north Queensland, TFS is the world's leading grower, producer and seller of Indian sandalwood, one of the world's most valuable oil-bearing trees that is nearing extinction in the wild. We not only grow the trees, we also create a range of wood, oil, cosmetic and pharmaceutical products that are distributed to more than 30 countries across the globe. We have created a corporate culture of high standards, ensuring a sustainable and ethical supply of Indian sandalwood – from soil to oil to shelf.

## VALE

The Claremont football Club pays tribute to the following members of the Tiger's "family" who passed away during 2016

**BODDINGTON, Les** – Player No. 456. 1956 to 1961. Played 43 games and kicked 32 goals.

**BOVELL, John** - Player No. 360. 1949. Played 10 games and scored 1 goal. Maintained a long association through the Past Players and Officials Association and a local identity through his ownership of Bovell Pies.

**CLUNE, Glen** – Son of club Legend Kevin and a long-time supporter of the Tigers.

**FILSELL, Robert** – Player No. 334. Played 1946 to 1947. Played 13 games and kicked 2 goals. Passed away peacefully at age 95.

**KRAKOUER, Eric** - Father of Claremont 1981 premiership players Jim and Phil Krakouer. A well-known identity in the Mount Baker region and a guiding influence on his sons.

**MALAXOS, Despo** – Mother of former players Stephen and Michael, a staunch supporter of the Tigers and a long-serving member of the ladies' committee.

**MARSHALL, Sylvie** - Mother of former players Denis and Warren Marshall who reached the ripe old age of 100 before she passed away peacefully.

**MONKS, John** - Player No. 358. Played 8 games for Claremont in 1949 and was a passionate member of the Claremont Past Players and Officials Association over many decades.

**PYE, Sue** - A tireless worker for the club for many decades, Sue provided valuable voluntary support in many areas of the club's activities.

**REYNOLDS, Elsie** - Mother of former players Wayne, Russell and Bradley and a staunch Tigers supporter.

**RULE, Peter** - The club's CEO from 1974 to 1978 and an ardent Tigers supporter.

**ROBERTS, Neville (Nifty)** - Player No. 431. 1955 to 1963. Played 100 games and kicked 70 goals. A talented player and great clubman, he was very popular with teammates and supporters.

**WARD, Murray** - Player No. 432. 1955 to 1965. Played 71 games and kicked 109 goals. Was assistant coach in the 1981 premiership year and in the 1982 and 1983 grand final years.

## PRESIDENT'S REPORT

2016 has again been a very challenging year for our great football club but we have played our last game at the Showgrounds.

The highlights for the 2016 year being :

- The Colts and the Development Squad (Reserves) winning Grand Finals
- Jye Bolton winning the Sandover Medal and the Simpson Medal for the interstate game against Tasmania
- Ross McQueen winning the Coach of the Year for 2016
- The appointment of Darren Harris as our Senior Coach for 2017
- The appointment of Graham Moss as our CEO
- TFS (Tropical Forestry Services) becoming our Major Sponsor
- Peter Laurance accepting the role as Patron
- Watching our club facilities slowly rise out of the ground with completion scheduled for February 2017
- The five players taken in the 2016 draft -

Darcy Cameron, Sam Petrevski-Seton, Jake Waterman, Francis Watson and Timm House

No other Club has achieved this success "operating out of a suit case "

Our loss for 2016 of \$ 178,188 was better than budget and my estimate as the cost of playing at the Showgrounds. 2017 will again be financially challenging as we incur the costs of moving back to our new premises and the bulk of our rental income steams will start in the later part of 2017.

We have negotiated a line of credit with the Westpac Banking Corporation which will ensure we have adequate funds for the foreseeable future.

The good news is thanks to the Redevelopment Committee our development costs have been retained within the funds available from Land Corp. This is a wonderful result.

The current Board of Directors and the CEO are focused on implementing changes to ensure the Club is cashflow positive by the start of 2018.

Our Football Department led by Darcy Coffey and Senior Coach Michael Broadbridge has again performed brilliantly and I would like to thank all the people involved with football and especially Michael who retires as our senior coach after three years which were all played at the Showgrounds. I believe we have the best senior group of players in the WAFL thanks to Michael and the Football Department.

I thank our Patron and our Vice Patrons who are listed on page 3 of the Annual Report. You all play an important role in this great club and I thank you all sincerely on behalf of the Board for your continuous support and generosity.

I again thank all our Sponsors for their generous support throughout the year. Without Sponsors our Club could not exist.

Volunteers are the backbone of our football club. I again list below the volunteer groups that exist within our club excluding junior and country volunteers:

- The Board of Directors
- The redevelopment committee.
- The ladies committee.

- The Monday group " dad's army
- Showgrounds parking workers
- Past players and Officials.
- Statisticians, timekeepers, scoreboard attendants, property men and runners .
- Medical staff

The ladies committee which donated \$ 27,000 to the Club has worked tirelessly at the Showgrounds in very rough conditions. The Monday group "Dad's Army" led by Ian Haggerty, again has done a wonderful job and we look forward to its support when we shift back home. Showground parking was again a financial success for the club and I thank Ron Dingwell and all his loyal workers.

The Past Players and Officials Association headed by President Sam Drabble again increased its membership and raised valuable funds for the colts and the club.

On behalf of the Board I would like to thank our CEO Graham Moss and his staff who have worked tirelessly in very difficult conditions.

The Board of Directors again have endured a difficult year and I thank them for their support especially our newest member Grant Povey. Grant has taken over the role of sponsorship and has created various new income streams. I can't thank him enough for his support.

To repeat my message of 2016 I again state " I strongly urge everyone to buy a paver and be part of the redevelopment "Claremont on the Park" and the history of our great football club by having your name on a paver in front of the entrance to the club "

In addition as we transition to a community Club I urge all members as stated in the March 2016 edition of Tiger Talk to "Support fund raising activities. Encourage new members. Support our sponsors and encourage new Sponsors within our community".

2017 will be the most exciting year of the club's history so make sure you can say "I was part of it"

**Kevin Somes President**

## CHIEF EXECUTIVE'S REPORT

It was an honour to be approached late last year to consider taking on the role as CEO for a Club that I have been involved with as a player, coach, Life Member and supporter of for some 50 years. I accepted the offer knowing that there were many challenges ahead but in the knowledge that the Club was about to commence one of the most exciting eras of its 90 year history.

The redevelopment of Claremont Oval and the construction of the new clubrooms and associated facilities will not only provide members, sponsors, players, coaching staff and supporters with facilities second to none in the WAFL but also ensure the long term viability of the Club. Construction of the new building is now well advanced with completion scheduled for the end of February 2017 allowing us to take occupancy in time for the start of the 2017 season.

2016 was a year of mixed fortunes both on and off the field.

On the field the League team, although finishing 7th on the Premiership ladder, was competitive throughout the season losing many games by narrow margins which was reflected in its percentage being the third highest in the competition. Senior Coach Michael Broadbridge advised the Club towards the end of the season that he would not be seeking reappointment due to his significant work commitments at the WA Institute of Sport. We thank Michael for his contribution to the Club over his three years as Senior Coach and wish him well in his role at WAIS.

The Development team took out the Premiership coming from behind in a determined fashion to beat East Perth. Congratulations to Kepler Bradley in his first season as coach and to the players for a well deserved victory.

The Colts side made it two in a row winning the

Premiership in another come from behind victory. Congratulations to coach Ross McQueen who also won the prestigious JJ Leonard Award for coaching excellence in the WAFL for the 2016 season.

Jye Bolton won the Sandover Medal and the Simpson Medal in an outstanding first up season with the Club. He plays an exciting brand of football and has fitted in extremely well to the Club environment. We certainly hope to retain Jye's services for many years to come.

The Club was extremely fortunate to secure the services of Darren Harris as Senior Coach for at least the next two seasons. Darren brings with him a wealth of experience and success as a player and coach. Darren has assembled an impressive group of coaching assistants and we look forward to seeing the continued development of our entire playing group under his leadership.

Off the field the Club continued to struggle financially and recorded a loss of \$178,188 compared to last year's loss of \$49,776. This year the Club received no relocation funding from Landcorp (\$102,246 in 2015 and \$233,625 in 2014) and there were down turns in revenue from marketing activities, bar, ground admissions and AFL draft fees. Total expenditure was reduced by some \$60,000 compared to the previous year.

The Club received conditional approval from the Westpac Banking Corporation for a Business Overdraft to assist it through the next 12 months at which time the significant revenue streams from the new facility will see the Club return to a profitable operating position.

### Redevelopment of Claremont Oval

As mentioned previously construction of the new clubrooms and associated facilities is progressing well despite initial delays caused by encountering significant limestone formations during the excavations for the underground carpark. Practical completion is currently scheduled for the end of February 2017 which will enable the Club to commence operations in the new building in time for the start of its 2017 home games.

Leases are in place for the Gymnasium. Physiotherapy Centre and Café and negotiations are progressing to lease further areas within the building. Negotiations are also progressing in relation to contracting the catering services.

The AFL have provided a grant of \$250,000 which will be applied to fit out of equipment within the new building.

### Administration

On taking up the position as CEO I relied heavily on the experience of Marina Manuel, the Club's Finance and Administration Manager and her wealth of knowledge was invaluable in enabling me to understand the workings of the administrative side of the Club's activities. Marina left the Club in September to return home to

Zimbabwe and I thank her for her contribution to the Club over some 4 years.

Jessie Fear was appointed as the Club's Business Development Officer in January this year and has made an excellent contribution in the areas of Sponsorship, Communications and Events.

Emily Harvey was appointed as the Club's Membership and Administration Coordinator in July and has worked hard to improve our membership services and will head up the Club's front of house area in the new building. Emily has also taken on some finance duties with Marina's departure.

### Football Department

The Club's Football Department headed by our Football Operations Manager, Darcy Coffey has done an outstanding job under difficult circumstances in ensuring that all of the Club's football related activities, and they are extensive, are carried out in a professional and effective manner.

Warren Parker, Talent Development Officer, runs the Club's talent development program which extends from the Kimberley region to the Great Southern and throughout the Club's metropolitan zone. Claremont's talent development program is regarded as one of the best in the WAFL and this is due in no small way to Warren's tireless and enthusiastic contribution.

Kepler Bradley, in addition to his coaching duties, carries out the role of Player Development Officer. This involves assisting players with employment opportunities, accommodation and relocation assistance and many other player welfare issues. This is an extremely important role in ensuring off field stability of our playing group and Kepler's contribution in this area is highly regarded.

The Football Department comprises many other personnel including the assistant coaches, medical staff, trainers and property staff, strength and conditioning staff, Team Managers, statisticians and of course the players themselves. To all members of our Football Department thank you for a job well done.

### District Football

The Claremont District Football Development Council oversees the organisation and promotion of junior football in the CFC metropolitan district. Its Chairman Paul Donovan is dedicated to ensuring the success of junior football and commits an enormous amount of his time in this direction.

The District staff do a tremendous job in promoting the Claremont brand in the schools and junior clubs throughout our district and I would like to thank Sam Cousens and Dylan Ross who are based at our office for the great work they do in this area.

## Sponsors

This year we were fortunate to secure a new major sponsor in TFS (Tropical Forestry Services). TFS operates the largest plantations of Indian Sandalwood in the world in Western Australia, Northern Territory and Queensland. TFS Chairman is former Claremont great, Dalton Gooding and I thank him together with Managing Director Frank Wilson and Kylie Smith for their support throughout the season. We look forward to a long and rewarding association with TFS.

Liquor Barons joined the Club as a major support sponsor this year and I thank Chris O'Brien and the Team at Liquor Barons Swanbourne for their support.

Qatar Airlines together with Travel Tree provided the major raffle prize for the season with two return Business Class fares to any Qatar destination in the world. The raffle raised over \$40,000 and I thank Nicole Bennett from Qatar Airlines and Travis Smith from Travel Tree for their generous support.

There are many other new and existing sponsors who are recognised elsewhere in the Annual Report and I thank them sincerely for their support and I look forward to continuing a mutually beneficial relationship in the future.

## Volunteers

The Claremont Football Club is extremely fortunate to have a large group of hard working and dedicated volunteers who carry out a wide range of activities which not only save the Club significant

expenditure but generate substantial income.

To Carol Millband who heads up the Ladies Committee and the ladies themselves thank you on another outstanding contribution to the Club's catering activities. The ladies run the kiosk for members and spectators on match days and provide meals for many other football related activities throughout the season. This year Carol on behalf of the Ladies Committee presented the Club with a cheque for \$27,000 which was a magnificent effort and one which is greatly appreciated.

The Monday Group led by Ian Haggerty continued to provide countless hours of support taking on a wide range of tasks throughout the year. A huge amount of work went into setting up the Showgrounds for the start of the season and then preparing the venue for match days, cleaning up after home games, carrying out many maintenance tasks, assisting in mailouts to our membership and finally decommissioning the Showgrounds and packing equipment into storage containers in preparation for our move back to Claremont Oval. I can't thank Ian and his team enough for their contribution to the Club and I look forward to their ongoing support when we move back to our new home at Claremont Oval.

Ron Dingwell coordinated the Royal Show parking again this year and with the assistance of his Deputy Andy Webster and a dedicated band of volunteers ran a highly successful operation under extremely trying weather conditions. Ron described the last day of the Show as the coldest and wettest conditions he had ever experienced. Despite this

over \$100,000 was taken in parking fees which provided a much needed boost to the Club's financial coffers. A sincere thank you to Ron and his team on a job well done.

## Past Players and Officials Association

The Past Players and Officials Association continued its great work within the Club encouraging past players and officials to stay involved in the Club and raising valuable funds to support the Colts and the Club in general. I would like to thank its President Sam Drabble and his Committee for their untiring efforts in supporting the Club.

I would like to thank President Kevin Somes and the Board of Directors for their support in what has been a steep learning curve year for me.

Thankyou also to the Administration and Football staff who work tirelessly to ensure the effective operation of the Club both on and off the field.

Finally to you the Members thank you for continuing to support the Club during our time at the Showgrounds. Your patience will be rewarded when we move into our new building next year. I look forward to sharing that experience with you.

## FOOTBALL DEPARTMENT REPORT

### SENIOR FOOTBALL

2016 was a year of ‘what ifs’ that saw the League side fall to a devastating 8 losses by under 8 points, along the way setting a WAFL record in the competition’s 131-year history. With the eventual premiers in Peel coming from 4th position on the ladder and East Perth sneaking into the top 5 with 10 wins, what if we could have held on in at least half those 8 games? What if we were already in our much feted clubrooms that have been a shimmering light on the horizon for so long? What if we were able to train and play on our home ground before round 5 of the season? Not that you ever heard a complaint from any player or coach throughout the season, they just got on with it. So despite a blistering round 1 performance against an AFL stacked East Perth, consecutive losses to eventual 8th & 9th place getters Perth and Swan Districts set the tone for yet another frustrating season at the Tiges. It wasn’t all doom and gloom though. The contrast to our close losses were a number of substantial wins that resulted in the 3rd highest % in the competition come season end. Some people say that % is a good reflection on your team’s performance. I think I’m with those guys.

We had a number of young players return to the club after brief stints in the AFL with Rowen Powell & Jared Hardisty returning from West Coast and Hawthorn respectively; Tom Shanahan made the move from East Perth after being starved of opportunity under the alignment model; and there was also a confident 23 year old from Werribee in the VFL who we managed to lure west by the name of Jye Bolton. All of these guys made an instant impact in 2016 but it was undoubtedly Bolton who made the biggest mark, taking the competition by storm by not only claiming the Sandover Medal and EB Cook Medal, but also the Simpson medal in a 46 possession, 3

goal performance in the state win over Tasmania mid-season. He started on the bench too he keeps telling me. His outstanding ball winning ability, skills and work rate set a new standard at the club in 2016. One which we are confident he can replicate either in the navy blue and gold of Claremont, or in the AFL if the deserved opportunity arises in 2017.

Along with veteran ruckman Mitch Andrews who carried the ruck for the entire season with aplomb, wingman Tom Ledger had the ball on a string to round out the top three placings in the Club Champion awards at League level. Other players to emerge in 2016 included Harry McCracken whose dash and precision kicking were hallmarks of his 16 League games in his debut league season; Zac Langdon who arrived on our doorstep from Dampier and powered his way to 11 League matches; the mercurial Alex Manuel made his mark at half forward after debuting in round 16; Justin Speed’s ruthless contested ball winning and tackling earned him 8 league games; and Morgan Davies grew considerably throughout the year, nabbing his opportunity at League level late in the season which was highlighted by a classy 24 possession performance in just his 2nd game of League footy.

Ryan Lim and Darcy Cameron took their games to another level in 2016, Gerrick Weedon returned to the club and knocked off his 50th league milestone to go with his Development Premiership and B&F, and Francis Watson was able to make a remarkable comeback from a devastating broken leg in 2015 to play 10 league games this year. So there was plenty of good stuff!

Some key facts and highlights of the 2016 league season included:

- 39 players played league football for CFC in 2016
- 77% of players were local zoned, once again leading the WAFL competition
- 82% of CFC league players were under the age of 25, the youngest on average in the WAFL competition

- Darcy Cameron, Jye Bolton & Ryan Neates were our senior State Representatives in WA’s win over Tasmania at Steel Blue Oval

### DEVELOPMENT FOOTBALL - Kepler Bradley

#### Welfare

My role in the welfare space is to provide off field assistance to our players, throughout their employment, study or living requirements; or with any other personal or prevailing matters where myself or the club can be of assistance. Below are a few key areas I will touch on that have really helped our playing group this year.

#### Claremont House

The house has again been a success providing a home away from home for our young indigenous players, moving down to Perth or transitioning to their next phase of life after school. A big thanks must go to Dylan Ross (house parent) who has done an outstanding job in providing a really good environment for our players.

#### Employment, Study and Relocation

Players moving from our country zones to Perth settled in quite nicely this year, with most players obtaining opportunities in employment or further education. I have been working hard to build relationships with employment providers, such as Skill Hire, AFL Sports Ready, West Australian Group Training Scheme and MIGAS. A big thank you goes out to these organisations, as well as companies such as Lexus, EMCO and Frogmat Landscaping, who have helped a range of players in finding apprenticeships, traineeships or meaningful employment throughout the year.

#### Life Skills

We have been lucky enough to have Steve Allsop (a Professor at the National Drug Research Institute) come on board this year to help our playing group understand the Football Club’s requirements and expectations of them both on

and off the field. Steve has presented on such topics as respect and responsibility, alcohol and drugs, mental health and social media. Steve comes with over 30 years of experience in delivering these seminars and has helped so many of our players this year. A big thanks Steve for all your wonderful work with our playing group.

In the off season I will meet with a range of potential players that the football club is keen to add to our already talented football team. I will endeavour to assist these players to make the transition to Claremont Football Club an easy one. We also have a lot of kids moving to Perth from our country zones to play in the Colts program so it will be a busy period finding them employment options and living arrangements. I will be doing everything I can to make sure the football club will be heading in the right direction in 2017 and I'm looking forward to working with the players in the year ahead.

### **TALENT - Warren Parker**

2017 brought with it a great amount of success and its fair share of challenges, but I can say with great confidence that the Claremont Football Club is in good shape looking forward from a talent point of view.

Our Development Squad Programs continued to showcase a great amount of young developing talent which is being refined by some of the best and most dedicated youth development coaches going around. The Colts squad finished the season as back to back WAFL Colts Premiers under the great man Ross McQueen and his talented coaching and support staff. And to top it off we saw a number of current and recent Colts players make their debuts for the club at both Development and League level.

Our country zones in the Great Southern and Kimberley regions also put together fantastic development programs over 2016 in the form of the Great Southern Storm and the Kimberley Spirit which continue to not only develop the region's best young players on the field, but assist them in developing good off field habits and attributes which will be required for those with the ambitions

of transitioning to Perth to pursue football here at Claremont.

Mix that in with the impending move to our new facility early next season and the Claremont Football Club looks to be a very exciting place for our players to continue developing their craft going forward which we hope will result in continued success for the club both on and off the field.

### **CFC Tigers Academy**

Our Development Squad programs saw a slight re-vamp in 2016 as the WAFL moved away from the traditional 14s and 15s programs to accommodate for the cohort school system and encompass Year 8, Year 9 and Year 10 age groups instead. This saw us open the Academy to our youngest ever participants and an additional 50 players compared with 2015's programs.

Although the format changed, the goals of our Development Squads stayed the same and focused on providing young developing players with exposure to an elite program designed not only to refine their footballing skills but to develop their off-field behaviours and habits aimed to assist them to grow into quality young men.

The Year 8, Year 9 and Year 10 Development Squad programs began in July and ran through until the October school holidays where more than 140 players represented the club and participated in the 2016 WAFL Talent Carnival. Players were not only exposed to a high level of training and competition, but also completed various life skills sessions aimed to develop them as young men off field.

The CFC 16s Development Squad program, which ran from February until April was a great success with 50 players from our metro and country zones being selected to represent the club during the WAFL 16s Carnival. Congratulations to Jordan Clark (Great Southern), Tyron Smallwood (Great Southern), Jason Carter (Kimberley) and Rylie Morgan (HALE) who were selected to take part in the WA State 16s Academy with special mention going to Rylie who was named captain of the WA side. Jason Carter was also selected as a Level 1 participant in the NAB AFL Academy after a strong showing during the 16s National Championships.

I would personally like to acknowledge the support shown by all of our CFC Tigers Academy Coaching Staff and Volunteers, in particular Mark Paris, Bevan O'Farrell and Craig Nitschke who assumed head coaching roles throughout the season. Also Craig Rogers, Dave Filmer, Bailey Banfield, Peter Belcastro, Max Bentley, Jacob Sounness, Chris Tan, Sam Marson, Tony Fitzpatrick, Sam Cousens, Cameron Tweedie, Brandon Giles, Heather Johnson and Kara Malkovic who assisted us in delivering quality programs throughout the 2016 season.

### **Colts**

The Colts Squad once again proved to be successful both on and off the field with players being exposed to one of the finest under 18s

programs in the country. The season was capped off as the boys claimed the 2016 WAFL Colts Premiership defeating East Perth by 18pts in a tightly contested match to make it back to back flags for Ross McQueen and his coaching staff.

6 players were selected to represent Claremont in the 2016 WA State 18s Academy after showing some great form in the early part of the season. Congratulations to Jeremy Goddard (Marist JFC), Jake Waterman (Marist JFC), Sam Petrevski-Seton (Halls Creek), Matt Guelfi (Wembley JFC), Bailey Banfield (Scotch College) and Jake Patmore (CCGS) with a special mention going to Jake Waterman who was named captain of the WA side.

Declan Hardisty, Joshua Bennett, C.J. Oakley, Jeremy Goddard and Jacob Sideris were selected in the WAFL Colts Team of the Year with Jacob Sideris finishing a very close 2nd in the Jack Clarke Medal count (WAFL Colts F&B) before winning the CFC Colts Fairest and Best Award for 2016. Jake Waterman was also awarded the Mel Whinnen Medal for his Best on Ground performance in the Grand Final.

One of the biggest focuses for the CFC Colts program is developing long term League footballers for the club and we take great pride in the 12 players who moved up the ranks to play Senior Development football with special congratulations going to C.J. Oakley, Jake Waterman, Matt Guelfi and Bailey Banfield who had the opportunity to debut for the League side during the season.

I'd like to take this opportunity to thank Ross McQueen for the huge amount of effort and dedication that he has shown during his time with the Colts program and pass on my sincere congratulations on being awarded the J.J. Leonard Medal as the WAFL's top coach of 2016. I'd also like to acknowledge his lovely wife Ida, and beautiful daughters Sophie and Abby who I'm sure are looking forward to spending some quality time with him over the off-season.

## Country Development

Our country zones continue to develop a host of talented young footballers and thanks must go to all involved in the Great Southern Storm and Kimberley Spirit programs from the work they do in preparing players for WAFL development football. A number of players were selected from these programs to represent Claremont at WAFL Colts level and we look forward to continuing to develop our relationship with these programs as we look to give our country based players opportunities.

To Darrell Panizza, Joe Burton, Phil Gilbert, Tom Moir, Jen Whittle, Christine Venkatachalam, Brad Harvey, Basil Worner and the rest of the team involved in the Great Southern Storm who again ran a successful program which included competitive performances in the Great Southern Colts and Landmark Carnivals. A big thank you also to the GSFL for the support shown throughout the season.

The Colts playing group was again given the opportunity to travel to our Kimberley region in July to visit a number of local communities and to play the annual KRSP Shield match against the Kimberley Spirit side in Broome. This experience gave the players a great opportunity to experience the Kimberley way of life and aims to assist our Kimberley players transitioning into the club for years to come.

A big thank you to KRSP and TFS for their contributions towards the trip as well as the support of the Garnduwa staff members including (but not limited to) Michael Albert (CEO) and Michael Farmer who did a fantastic job in hosting the group and planning the entire weekend. Also a big thank you to the communities of Beagle Bay and One Arm Point for their hospitality as well as the support shown by the EKFL, WKFL and CKFL. 2016 has been a challenge, but the new building

is not too far away and I look forward to sharing a storage room rather than a sea container in 2017!

## THANKS

Everyone who made a contribution to the football department in 2016, with special reference to a couple of people in particular;

- Michael Broadbridge – your 3 year tenure at Claremont was beset by the hardships of being homeless and having limited resources at your disposal. You have always been resolute in the face of this adversity, have a wonderful knowledge of the game and have completely invested and given yourself to the club. We thank you wholeheartedly for your contribution and your impact will be felt in our future success for years to come.
- Big thanks to Chris Bolton & Dean Horsington as League assistants – the time and energy you invest is greatly appreciated.
- Damien McMahon who was a League assistant but also as High Performance Manager. The amount of hours put in and the substantial benefits seen and felt by the player group cannot be underestimated.
- The Colts program could not function without the support and commitment show by so many people including coaches Mark Paris, Craig Rogers, Chris Payne, Dave Filmer, Craig Nitschke, Bevan O'Farrell, Michael Symes and again Damien McMahon.
- Keith Millband, Murray Willis and Bern Willett for their team manager roles with the League, development side and colts respectively.
- Jack Denton in his role as Property Manager.
- Ryan Lasscock in his role as Chairman of Selectors
- Lionel Lim and Anthony McEvoy & Dan

- Webster as CFC Doctor and Physios respectively
  - Chloe Phelps as Head Trainer (with plenty of help from Lou Patterson!)
  - Gavin Saxon as League Runner & Devt Assistant. Also, Aaron Holt and Corey Yeo who despite injury assisted with the development group throughout the season
  - Heather Johnson who is a jack of all trades – her commitment, demeanour and initiative were unparalleled
  - Adam Wolski, Bree Hellewell, Bec Steddy, Mike Symes and all the S&C staff
  - Justin Blades (property/board/stats), Dan Scamozzi (media) & Harry Beaton (social media) for their assistance game day
  - Ed Coyle and Geoff Curry for Timekeeping
  - Past Players & Officials and the Ladies Committee
  - Frank Riccelli and the stats Team
  - CFC Staff – Graham, Marina, Jess & Emily
  - Club President Kevin Somes
  - CFC Board - in particular Director of Football Darrell Panizza – you go above and beyond; your support and passion to improve this club is unquestionable.
  - A big thank you to Sam Drabble and the Past Players and Officials Association who have again shown great support for the Colts program.
  - Carol Millband and the Ladies Committee for their support during the season.
  - Ian Haggerty & the Monday Crew whom without the club would not even be able to stage games without.
- Au revoir Claremont Showgrounds!

## LEAGUE REPORT

The results of the Senior team in 2016 were not good enough. As the senior coach I take responsibility for that. Taking pride in effort is admirable but ultimately we didn't get the results and that's something that I have to live with. There are plenty of stats to show how much we improved over the last three years but, unfortunately there is only one stat that matters in Football and we didn't hit the mark in 2016.

Despite the poor result there is cause for optimism for Claremont.

There has been a rejuvenation of the playing list following the last

Premiership era. During the last 3 years we have blooded 34 players into senior ranks. In 2016 we had 12 debutants. These new players are the future of the club. Ryan Lim, Bailey Rogers, Jared Hardisty, Harry McCracken, Jack Beeck, Morgan Davies, Zac Langdon, Justin Speed, Alex Manuel and Matt Palfery need to drive the improvement of this team to make sure that narrow defeats are not accepted.

Claremont continues to develop AFL players better than any other domestic club in Australia. We are likely to have another 4-5 players join AFL lists this season, including mature age players who have thrived at the club.

I would like to congratulate Jye Bolton on winning the Sandover medal and the Colts and Development sides for winning Grand Finals. Well done to Ross McQueen on winning the JJ Leonard Medal and another premiership and to Kep for winning one in his first year as a coach.

I'd like to thank the President Kevin Somes, the Board and CEO for their support. Great clubs, with great leaders, show faith in people and that is what

you have done for me over the last 3 years. So thank you very much.

Thanks to Darcy Coffey and the Footy Department for doing a lot of the grunt work behind the scenes to help me and the other coaches out.

I'd like to thank my Assistant coaches and members of the match committee, some of whom are also heading off in different directions next year.

A special thanks the conditioning and medical staff, led by Adam Wolski and Anthony McEvoy, for ensuring we had a fit and healthy squad to pick from each week. Dr Lionel Lim, Physio Daniel Webster and Head Trainer Chloe Phelps for their efforts. To all the trainers thanks for your volunteered time and effort.

Team Manager Keith Millband, Head Property Manager Jack Denton and assistant property manager Heather Johnson have been a pleasure to work with and nothing has ever been too much trouble.

To the team of statisticians led by Frank Riccelli, Andrew Webster and Tony Freidlieb thanks for the wonderful information you provided us with during the course of the season.

We should all be very proud of the character of our players. In my three years as senior coach I am proud of the fact that team never gave up, despite starting each season so poorly.

The Claremont football Club is a fantastic environment for young men to learn behaviours that will last their entire lives. Any parent would be so happy that their son was playing football for Claremont. That's a pretty good measure of success in my eyes.

I would like to wish everyone involved with the club all the very best for next year and beyond.

Thanks,

**Michael Broadbridge**

## DEVELOPMENT REPORT

Parachute Youth best summed up our season with their song "Can't Get Better Than This". It was a year which saw us win 15 home and away games, including 11 straight wins which ultimately set the side up to win its 11th development premiership. We had 57 players play through the development side this year. Some players missed league selection, some missed development selection and some were promoted from the Colts program. The way the

players went about putting their team first and playing for one another was outstanding.

These results could not be possible without our senior players really driving the standards and culture of this side. John Williams, Toby Plant and Gerrick Weedon are players that have been outstanding around our younger players. They showed great leadership and provided an environment that young players could learn and development in, and ultimately get the best out of themselves. We also had 15 players make their league debuts and 12 Colts players who were elevated and got a taste of senior football this year, which shows there are plenty of opportunities at this club for developing young players. The club is in really good stead for the future with the Colts also winning the premiership and a lot of talented players making the step up to Senior football next year.

**Kepler Bradley**

## COLTS REPORT

Each new season starts full of hope and expectation. It begins in November and runs through to the end of September the following year. This was our journey for season 2016.

In season 2016, sixty young men represented the club on game day and an additional fifteen athletes participated in training sessions throughout the course of the season. We value and embrace the opportunities to work with our country zones, the Great Southern and

the Kimberley as well as our metropolitan areas. Our motivation to maintain a strong connection between these zones, the club's development programs and senior football programs allows CFC to continue to be at the forefront of development and excellence in Australia.

Our annual trip to the Kimberley in the July school holidays continues to be a highlight of the year. This year it was Broome, Beagle Bay and One Arm Point. The weather was great, the team played a terrific brand of football the right way and every player who went was a wonderful ambassador for the club. I can not stress more highly the wonderful opportunity afforded to us by CFC and Kimberley Regional Service Providers and would strongly encourage all future representatives of the club to take advantage of the experience.

There is so much to try and squeeze into a football season in a purely football sense such as general ball skills, decision making, game sense, fitness, versatility, structures, game style, leadership, personal presentation, community involvement and communication to list a few, so finding a life balance is not easy. School, university, work, living away from home, cooking and washing for yourself are just some of the obstacles our players are challenged with and I commend all those young men who were able to juggle all those balls as well as turn up to training always looking to improve their

football.

Congratulations to our state representatives and to all the players who challenged themselves by playing in the clubs development and senior teams during the course of the season. It is exciting to see so many embrace the opportunity.

On a football front, our final game of the season allowed twenty-three members of our squad to represent the club on Grand Final day. It was a nervous start with East Perth moving the ball aggressively and we were 20 points behind at the quarter time break. We worked that back to 12 points at half time and when the final siren rang we were 18 points to the good. Every player impacted and made their moments count when the team needed it. This result was great reward for the entire playing squad and it could not have happened without the dedication of the wonderful volunteers, coaches and support staff at Claremont Football Club. Thank you:

- o Jack Denton – Head Property Manager
- o Warren Parker – Talent Manager CFC
- o Bern Willett - Team Manager
- o Damien McMahan & Warren Parker – Team runners
- o Anthony McEvoy, Doctor Lionel Lim, Dan Webster, Chloe Phelps and their teams
- o Past Players and Officials, The Ladies Committee, Volunteers
- o Michael Symes - Strength & Conditioning Coach
- o Chris Payne, Mark Paris, Craig Rogers, Bevan O'Farrell, Craig Nitschke, Dave Filmer, Damien McMahan – Coaches
- o The Board – Kevin Somes, Graham Moss, Darcy Coffey, Marina and their teams
- o Parents

Enjoy the off-season everyone, season 2017 is just around the corner.

## CLAREMONT DISTRICT FOOTBALL DEVELOPMENT COUNCIL REPORT

The Claremont District has this season, yet again, been served by the very best of players, parents, coaches, administrators, umpires, presidents, clubs and supporters.

Leaving any well-placed bias aside, the district remains strong in all facets of the game and this is recognised by our peers throughout the state.

Annual reports can be fairly boring stuff to read and usually fail to impart a real sense of the fun our participants have had and the hard work of our employed staff and many volunteers.

Ultimately, however, it is those things that should be celebrated with our game and that I would like to stress have been achieved this season.

While not every individual who should be thanked can be named, there are nevertheless a few who I want to highlight.

Special thanks to our tireless commission staff for the work that they have done through the year.

It is the work of those people, tremendously led by our Community Development Manager, Andrew Ridley, that largely puts the organisation and delivery of community footy a long way ahead of all other sports in this state.

Many thanks also to Sam Cousens, Matt McNally, Callum Warner and all our district staff for all the work that they have done during the year.

A huge debt of gratitude is owed to all

our volunteers. From the mums running the canteens, to coaches inspiring their players and to presidents toiling away at JCC meetings and dealing with all sorts of issues! I'd like to extend my thanks to all those people, whatever level of the game that they are involved in.

A special acknowledgment should be made of the work done by our competition director, John Thurtell. While many put in long hours in the service of the game, I doubt any would put in more than John and he has performed that difficult work as the head of our competition in the district to great effect.

And the results of the efforts all these people on our game are outstanding.

Most significant is the sheer fun and enjoyment that our players and their families get each week.

Then there are the benefits that flow to our wider communities, including the important life lessons that flow to our participants.

And the important talent development opportunities that are offered to our juniors, which in turn leads to the continuing strength of our Claremont WAFL Club (special thanks and congratulations should be extended to the Claremont development staff and coaches. Their efforts are universally admired by players, parents and administrators; and are the envy of all other sports!)

Our numbers of participants continue to grow and we believe that footy has the brightest of futures.

Of course, much has been made of the successes of female football throughout the country this year.

There is a real sense of excitement about the new AFL women's comp in 2017 and the ongoing strength of our WA league competition.

In this area we have a healthy youth girls competition and in 2017 the Claremont district will expand our youth girls program to add an u/15 competition to complement the pathway for youth girls development.

We are really developing some of the best female talent in the country and all junior clubs are urged to get engaged and involved in 2017.

But, although, there is a huge amount for us to celebrate and be thankful about

tonight, clear issues exist to be confronted.

The Districts remain challenged in the light of cut backs in funding in late 2014 and, I can say on behalf of all of the Chairs and the DFDCs that we remain committed to working with the Commission and the wider football world to deliver the very best outcomes to this area.

The re-engagement by the Commission and its CEO, Gavin Taylor, its executive manager football operations, Jon Haines, and Warren Nel, general manager community football, has been fantastic to see.

We are also very fortunate in our district to have magnificent support from everyone at the Claremont WAFL club. Whether that be from the club's president, Kevin Soames, its CEO, Graham Moss, its board or the club as a whole, the enthusiasm, assistance and encouragement given by everyone lays the foundation for our being such a successful district.

Undoubtedly change is coming to our district. There is a ground zero review being conducted into all levels of the game in WA through the Boston Consulting Group as we speak and we've welcomed the chance to be involved with that process.

I've been very fortunate this year to have sat on the Commission's enquiry into youth retention and the recommendations made by that group will shortly be distributed widely for comment.

So, while we cannot rest on our laurels, we can certainly celebrate all that 2016 has brought to our sport.

Thank you again sincerely to everyone involved with the game in our district, particularly all our participants. Those efforts ensure that we all participate in the greatest game on earth and enable its fantastic outcomes to be achieved. Long may it continue!

A very Merry Christmas and a Happy New Year to you all.

**Paul Donovan**

## MEMBERSHIP, MARKETING & EVENTS REPORT

Upon commencing my role as the Club's Business Development Officer in January 2016, one of my main priorities was to increase the Club's communication to its Members and Supporters through online platforms such as our Website, Social Media and E-Newsletter.

Some key progress statistics include:

- Near 150,000 website visits during the 2016 Season
- 20% increase in Facebook followers (over 700 new page likes for the season)
- 60% increase in Instagram followers
- A Season high 30,450 views on a singular post (meaning one Claremont Football Club post was seen by over 30,000 different people on Facebook)
- The average views per post on Facebook increased five-fold from below 500 to well over 2,500 people per post

I believe these pleasing statistics came as a result of scheduling and publishing regular content throughout the Season with a focus on quality rather than quantity. Claremont currently sits in 8th position when comparing Social Media followers to other WAFL clubs but with a closer focus on encouraging online fan engagement and leveraging off the hype around the new facility, we will look to better these figures once again in 2017.

I am pleased to reflect on the success of Claremont Football Club's fundraising initiatives carried out this year. Our first telecast game for 2016 was dedicated to raising awareness and fundraising for Breast Cancer through the National Breast Cancer Foundation's (NBCF) Real Men Wear Pink Campaign. With help from the Tiger supporter base and promotion through various media channels we managed to donate \$3,700 to the NBCF, including \$1,000 raised from the sale of our special edition "pink" Guernseys worn by the League team that day.

Just two weeks succeeding the NBCF charity day, a further \$3,700 was raised for the Warrick Proudlove Foundation. The annual 'Proudie's Day' was held in a bid to raise funds to assist with the care of past-player Warrick Proudlove who was involved in a tragic car accident 5 years ago. This included two very generous donations of \$500 and \$1,000 from our Major Sponsor TFS and the Past Players and Officials Association respectively. Thank you to all members of the Claremont Community who were involved in these two initiatives, both Charities and the Club are forever grateful for your astounding support.

The Club hosted several major events throughout the year including the 2016 Season Launch, 90th Anniversary Dinner Auction, Family Fun Day and Club Champion Awards Night.

Ladies Day made a late return to the event Calendar this year being held on the last Round of the Season. Over 50 Girlfriends, Sisters, Mothers, friends and even God Mothers of Players and the Club enjoyed a day full of football and fun. The aim of this event was to introduce the Club's female affiliates to one another so their place within the Claremont Community doesn't feel like an isolated one. It is important for the longevity and success of the Club to create a welcoming environment for all members and supporters. I hope to expand on the success of events such as Ladies Day and the Family Fun Day (highest Showgrounds attendance for over two seasons), looking to better them for 2017.

In 2017, we will be focusing on the Club's "revival". The last three years at the Claremont Showgrounds have been particularly tough and unfortunately, a steady decline in Membership numbers has occurred, with just 836 financial Members for 2016. As we return back to Claremont Oval and into a brand new state-of-the-art facility our aim is to rally the troops and

reignite people's passion for grass roots football. Renewing, returning and new Members will be welcomed into a euphoric Claremont Football Club community. 2017 is a time of celebration and elation so we will open our doors to all types of community Members.

It is very important to mention a few key people who worked tirelessly throughout the season and volunteered their time.

Dan Scamozzi and Ken Casellas produced compelling articles consistently throughout the year including match reports that gave supporters a sound reflection of the way each game played out.

Harry Beaton provided live social media updates on game days this season.

Sally Hollins for her work earlier this year, a big help compiling the Tiger Talk Magazine and provided great support particularly with her expertise in graphic design.

Peter Chalmers kindly volunteered as the Club's Photographer this year. I cannot thank him enough for donating his time and expertise all year long.

Thank you to all the Players for their support this year. A special mention to the senior group of 20 who all voluntarily purchased tickets to come along and support the Club's 90th Anniversary Dinner Auction. Tom Ledger for his time assisting with the promotion of the NBCF game in the weeks leading up to it. Jake Murphy for his incredible leadership, it has been fantastic to work together on many events this year and ensure the playing group stays as involved as possible.

Of course, to our wonderful Sponsors who have been so willing to go above and beyond the lines of their agreements in further support of the Club.

I hope to assist CFC in reaching new heights next year, a big thank you again to everybody involved. Bring on the Return of the Roar for 2017.

**Jessie Fear**

## PROUD SPONSORS FOR 2016...

## PAST PLAYERS & OFFICIALS ASSOCIATION

Once again it's with great pride that I present the Past Players and Officials Annual Report for 2016.

As with last year, our aim was to increase our membership base and numbers. PPOA has introduced 40 new members to its manifest this year. The net result is a slight increase in our total membership on 2015.

In last year's report, I touched on the fact that the PPOA is only as strong as its members. With this in mind, I would encourage each of you to consider this, as we move back to our home in 2017. Our membership funds stretch too many worthwhile causes, Colts Trivia Evening, Colts Training gear, Donation to 'Proudie's Foundation', donation to Beau Chatley, Marquee Days, Trophies and prize monies presented at the E.B. Cook Medal evening, etc. We need your continued memberships and that of your fellow alumni.

Congratulations to Jye Bolton for an outstanding year in collecting the Sandover and E.B. Cook Medals in 2016, a stellar year. Kepler Bradley and Ross McQueen, on your individual achievements and to the entire football department, congratulations on a fantastic year, that also resulted in two premierships.

'Volunteer of the Year' had its inaugural presentation in 2015, won by Greg Edwards. So with popular feedback, PPOA has decided to continue this recognition for the countless hours of unheralded work, week in, week out. It's with great pleasure that the winner this year is Ron Graffin. Congratulations Ron, well deserved and thank you.

PPOA doesn't just happen! There is a huge amount of work that continues on, most people never see. With that in mind, I would like to take this opportunity to thank a few people. Firstly to the committee, you chaps are sensational, full stop. To those that are finishing up this year, thank you for all of your efforts, they are very much appreciated. Ron Graffin and Gary Gascoigne always running our half time knees up! Grant Povey for acting as a conduit between PPOA and the Board. To Mark Hann, Peter Melesso and several others, thank you for emailing, phoning, courier pigeoning your old team mates and getting them back to Tiger Town. Our Life Members, thank you for the work done previously.

Our Patrons, Graham Moss, John O'Connell and the Hon. Terry Waldron, thank you for your continued support.

I would also like to draw your attention to our list of 2016 Colts Trivia Evening donors (on following page). Without the support of these businesses and people, we don't have a trivia night! Please make the effort to show your appreciation to them. If I have missed thanking anyone, please forgive me,

your help is very much appreciated and required.

Well done to Graham and the staff, a fun year has been had by all.

Kevin and the Board, keep pushing, big things aren't too far away.

Carol and the Ladies Committee, you lot are sensational and have done so much, for so many years. There is no doubt that CFC would be in a lot worse position if not for the Ladies Committee and I hope, very much, that I am working with you next year!

This year, unfortunately, several people have departed. Rest in peace. To the families, our sincerest condolences.

As with last year, the most important thank you is reserved for my wife, Trudy. Thank you Trudy for allowing myself to attend meetings, games and the like, whilst you keep home life functioning and normal.

As with any organisation, you must be ever evolving to meet new demands. With that said, we are always looking out for new committee people to join our team. If you feel you have something to offer, please don't hesitate to throw your hat into the ring.

God Bless everyone and see you back at our new home in 2017.

Regards,

**Sam Drabble**

**President PPOA CFC**

## LADIES COMMITTEE REPORT

2016 was another challenging year at our temporary home at the RAS Showgrounds but we had managed to streamline a few things and once again got through and were able to donate \$27,000 to the club for the 2016 year.

It is also a sad time as the Ladies Committee will come to an end as we move into our new home in 2017 but we must progress as the club progresses into exciting new Club Facilities which will see a permanent café to cater for everyone's needs during games and throughout the year.

Thanks are not enough to all the hard working crew who contributed tirelessly over the season. Special thanks to Bev and Gary Gascoigne, Margaret Lockhart, Shirley Medcalf and Doreen Power for everything you do each year and for the extra work during School Clinics including Jacqui Nash.

My sincerest thanks to also to Gwen Graffin, Heather Haggerty, Joan Monkhouse, Mim Neates, Pam O'Connell, Barbara Rudeforth, Helen Rutherford, and Debbie Peddie.

Dad's Army (Monday boys) did a sterling job again and I would like to thank them for all the help they give us on setting up and the Shirley, Bev and Helen for feeding the guys on Monday.

To our wonderful kiosk girls who have been here for years and years at the RSA and at Tigerland. The girls made cakes and soup to help us out this year I shall miss you all but hope we can continue to catch up from time to time. We would not have been able to do any of this without you, Debbie, Coralie, Alisha, Janine, Joanne, Beth and Julie and all the other girls who have helped run the kiosk in the past.

To all the past volunteers who helped with the Ladies Committee I thank you from the bottom of my heart for the wonderful times and all your hard work. Congratulations to again to Ross McQueen, his coaching crew and of course the wonderful colts group who bought home another Premiership Flag; and to Kepler Bradley who steered the Development Squad to a FLAG. Bad luck to the League but I know next year will be fantastic for you guys.

Wishing all a Merry Christmas and a Happy Safe New Year and see you all in 2017 at the new TIGERLAND YAHOO!

## WEEDON STANDS ALONE

By Ken Casellas

A three-year sabbatical in the Kimberley has not dulled Gerrick Weedon's football skills nor lessened his desire to perform at a high level with Claremont.

He capped his comeback season with the Tigers in grand style, starring in the club's splendid grand final victory over East Perth and being awarded the Denis Marshall trophy as the reserves fairest-and-best player in 2016.

The 25-year-old Weedon, who started at Claremont as a 16-year-old in the colts in 2008, holds a unique place in the history of the Claremont Football Club as the only one to have played in six premiership sides for the club.

"I feel pretty honoured and privileged to have been a member of those premiership sides," he said with typical modesty. "All the hard work has paid off and now I'm looking forward to a full pre-season and cementing a spot in the league side next year."

Weedon returned to the city and started his pre-season training early in March, just before the opening round of fixtures. To his credit, he was able to quickly prove his fitness and play 19 matches for the reserves and three in the league side.

A strong pre-season should enable Weedon to be fit and ready to make a flying start to the 2017 season when he hopes to build on his 44 WAFL league matches for the Tigers and to help the club win another premiership flag.

Not only is Weedon an outstanding footballer, full of courage, possessing deft skills and a fearsome, determined, robust, hard-tackling and versatile player, he is also a wonderful role model.

He took a break from city football at the end of the 2012 season and spent the next three years in Derby where he played for the Derby Tigers and worked in the Kimberley Regional Prison as an Aboriginal education worker.

He is now working at Casuarina Prison in a similar role and takes pride in being able to be a mentor to offenders and supporting them and giving them advice.

"Rehabilitation in prison is most important and I want to help them to turn their lives around," he said. "I want prisoners to set goals and to look forward to achieving them after they have been released. They must focus on employment, study or whatever else they want to achieve."

Regarding Kimberley youngsters venturing to the city to chase their sporting dreams, Weedon preaches the need for sacrifice and commitment. He wants them to set goals and to have a balanced life outside of football --- to keep their minds occupied.

Weedon has completed a mentoring course at TAFE and has a firm belief that he can help young people with family problems, particularly problems involving alcohol. He is a strong advocate for young indigenous people to attend school regularly and one of his main aims is to assist youngsters to

follow their dreams.

His parents William and Louanne are teetotalers and have wielded a strong influence on Gerrick and his two brothers and two sisters. "They have played a big role in my sporting career by teaching me life values," Weedon said.

Weedon and his partner Leah are the proud parents of delightful daughters Jerayah (three) and Evarnah (nine months) and he has discovered the right balance between family, work and sport.

He was captain of the Derby Tigers in 2015 and won the Kevin Bullen Medal as the fairest-and-best player in the West Kimberley League. His six premierships for Claremont have been with the colts in 2009, the reserves in 2010 and 2016, the league in 2011 and 2012 and the Foxtel Cup in 2012.

Originally from Broome and a student at Clontarf for two years, Weedon represented WA in the national under-18 carnival in 2009 and was chosen in the WAFL colts team of the year that season.

After the 2012 league premiership Weedon decided to take a break from top-level football and moved to Derby. He has no regrets about his decision to continue his football with the Claremont Tigers.

"It was more relaxed and enjoyable playing in Derby, but I'm privileged to have been part of the Claremont reserves premiership side this year," he said. "It was a great feeling to be able to play with the boys after a late start."

## BOLTON JOINS ELITE CLUB

By Ken Casellas

Star midfielder Jye Bolton celebrated his first year as a Claremont footballer in 2016 by joining an exclusive club. He became only the third player in the club's 91-year history to be awarded the Simpson Medal and the Sandover Medal.

And to cap this outstanding achievement the 24-year-old Bolton was a convincing winner of the E. B. Cook Medal as the club's fairest-and-best league player.

Not only did the robust, hard-running Bolton delight Tigers fans with his skill, strength and consistency, but he deserves high praise for being able to achieve such excellent standards after a restricted pre-season program while he recovered from a fractured left foot.

Bolton was recruited from VFL club Werribee Tigers, but it is not generally known that he was feted by East Fremantle and went within an ace of joining the Sharks.

As a rookie with Collingwood in 2011 Bolton lived in Melbourne with Alex Fasolo and Jack Perham, who had just been recruited by the Magpies from East Fremantle.

"The plan was always to go to East Freo, with Perham back playing for them and Jesse Crighton, one of my good mates from Werribee, signing with the Sharks in October of last year," Bolton explained.

"However, I had a good feeling for Claremont and in the end Darcy Coffey (the club's football manager) and Jake Murphy (captain) pretty much got me over the line. And I couldn't be happier with my decision and the way Claremont has looked after me. I've made so many great mates and I simply couldn't have imagined that things could have been that good."

Coffey invited Bolton to Perth to watch the Tigers play East Fremantle at the Showgrounds in a round 21 match in 2015 --- when the Sharks led by four points at three-quarter time before the Tigers piled on 9.1 to East Fremantle's 2.4 in the final term to win by 35 points.

Bolton's remarkable 2016 season came just a year after a most frustrating 2015 when he damaged a shoulder in the first quarter of a round two match for Werribee (which forced him to miss three matches) and then he was laid low by his foot injury in July.

"We were playing against Geelong and it was Dan Menzel's comeback game," Bolton said. "I was playing on him and as I went to push off him I heard this big crack. It didn't hurt that much, but when I tried to put my foot down I knew that I'd done something bad. I had been complaining of pain in my foot for 12 or 15 weeks and the surgeon said that I'd had a stress fracture which finally cracked through."

This required immediate surgery, during which a titanium pin was inserted through the damaged joint into the fifth metatarsal. Bolton played the entire 2016 season with this in place without discomfort.

Bolton was a dynamic performer for Claremont throughout the year and was awarded the Simpson Medal for his dazzling display when WA crushed Tasmania by 134 points at Bassendean Oval in June. And he continued in superb form for Claremont and was a most deserving winner of the Sandover Medal as the best player in the WAFL competition.

He polled 49 votes and finished seven votes ahead of Peel Thunder midfielder and former Claremont player Matt de Boer. Bolton then won the E. B. Cook Medal by a handsome margin from ruckman Mitch Andrews and utility player Tom Ledger.

Bolton was thrilled at receiving his awards and said that his focus was now on improving his game.

"I've got heaps of room for improvement," he said. "I want to continually improve my running, my contested ball winning, my kicking and my defensive skills. I want to work on my weaknesses and continue to make my strengths even greater."

Born in Geelong, Bolton started his football journey as a three-year-old in Auskick ranks before graduating to the Drysdale Hawks as an eight-year-old. From the age of 14 he played for the Leopold club in the Geelong district competition and was a skinny 17-year-old wingman when he made his debut in the senior side.

However, he was overlooked by the coaches and missed selection for the Geelong Falcons in the TAC Cup. That kept him out of the Victorian side in the national under-18 competition, but it did not stop Collingwood, the 2010 premiers, from drafting him as a rookie for the 2011 season.

"My experience at Collingwood was one of a lot of learning," he said. "I realised how much effort the best players put in. It was a real eye-opener for me. It was just another level, learning the professionalism of players like Scott Pendlebury and Nick Maxwell."

He played in Collingwood's first four pre-season NAB Cup matches, but was unable to force his way into the league side which boasted the best midfield in the competition, a group which included Pendlebury, Dane Swan, Luke Ball, Steele Sidebottom and Dale Thomas.

He played in 16 matches for Collingwood in the VFL competition and was delisted at the end of 2011. "I thought I had done enough to stay on the list and I was pretty shattered at being delisted," Bolton said. "I was a casualty, but unfortunately it's a business and clubs have to do what is best for them."

So off he went to join some of his best mates at Werribee. He booted five goals in a losing preliminary final against Box Hill in 2013 and in 2014 he finished second in the club's fairest-and-best award and was named in the VFL Team of the Year.

Thanks to CFC director Kaye Maskiell Bolton secured a job as a sales representative with O'Rourke Realty in Scarborough and he is now studying for a commerce degree at Edith Cowan University.

For the record the only other Claremont players to have won the Sandover and Simpson medals are Sonny Maffina (Sandover in 1949 and Simpson in 1950) and Luke Blackwell (Simpson in 2010 and Sandover in 2011).

## THE RP RODRIGUEZ SHIELD

The RP Rodriguez Shield honors a distinguished West Australian football administrator and respected contributor to WA Football, Pat Rodriguez. The Rodriguez Shield was introduced in 1957 and is presented to the most consistent team over the three grades of football. Rodriguez began his administrative career with Claremont, and later served terms as senior Vice President and President of the WANFL, and as President of the ANFC. A league team receives 10 points for a win, the reserves 4 points and the colts 4 points. It has been won by the following clubs:

1957	East Fremantle	1969	East Perth	1981	Claremont	1993	Claremont	2005	Subiaco

## Independent Auditor's Report

### To the Members of Claremont Football Club Inc.

We have audited the accompanying financial report, being a special purpose financial report, of Claremont Football Club Inc. ("the Club"), which comprises the balance sheet as at 31 October 2016, the income statement, and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information.

### Directors Responsibility for the Financial Report

The directors of the Club are responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 of the financial report are appropriate to meet the requirements of the Associations Incorporations Act (WA) 1987 and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

## Independent Auditor's Report

To the Members of Claremont Football Club Inc. (Continued)

### Basis for Qualified Auditor's Opinion

#### Revenue Recognition

As is common for organisations of this type, it is not practicable for the Club to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, as the evidence available to us regarding revenue from voluntary activities was limited, our audit procedures with respect to voluntary activities had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether all income relating to voluntary activities is complete.

#### Redevelopment Activities

We draw attention to Note 4 in the financial report with respect to the Club's redevelopment activities. These activities have not been accounted for in this financial report, and as such our audit procedures have been limited to that of the Football Operations as presented in the financial report. As a result, we have not obtained appropriate audit evidence to provide a basis for an audit opinion on the redevelopment activities and the effect of these has not been determined.

### Qualified Auditor's Opinion

In our opinion, except for the matters described in the Basis for Qualified Auditor's Opinion paragraphs, the financial report presents fairly, in all material respects, the financial position of Claremont Football Club Inc. as at 31 October 2016 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 of the financial report, and the requirements of the Associations Incorporation Act (WA) 1987.

### Emphasis of Matter

Without further qualifying our opinion, we draw attention to Note 1 in the financial report which indicates that the Club made a deficit for the year of \$178,188. This condition, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty which may cast significant doubt about the ability of the Club to continue as a going concern and whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

### Basis of Accounting

Without further modifying our opinion, we draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared to assist Claremont Football Club Inc to meet the requirements of the Associations Incorporation Act (WA) 1987. As a result, the financial report may not be suitable for another purpose.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 OCTOBER 2016**

**1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The financial report is a special purpose financial report prepared to satisfy the financial report preparation requirements of the Associations Incorporation Act 1987 (WA). The directors have determined that the club is not a reporting entity.

**Basis of Preparation**

The report has been prepared in accordance with the requirements of the Act, and the following policies:

**Reporting Basis and Conventions**

The financial report has been prepared on an accruals basis and is based on historical cost.

The following is a summary of the material accounting policies adopted by the club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

**(a) Cash and cash equivalents**

Cash on hand and in banks and short-term deposits are stated at nominal value.

For the purposes of the Statement of Cash Flows, cash includes cash on hand and in banks and money market investments readily convertible to cash within 2 working days, net of outstanding bank overdrafts.

Bank overdrafts are carried at the principal amount. Interest is charged as an expense as it accrues.

**(b) Trade and other receivables**

Trade receivables are recognised and carried at original invoice amount less a provision for any uncollectable debts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

Receivables from related parties are recognised and carried at the nominal amount due. Interest is taken up as income on an accrual basis.

**(c) Property, Plant and Equipment**

Depreciation is calculated primarily on a straight line basis so as to write off the net cost of each fixed asset over its expected useful life.

Major depreciation periods are:

\* Plant and equipment 3-20 years; and

\* Furniture and fittings 5-20 years.

**(d) Inventories**

Inventories are valued at the lower of cost and net realisable value.

**CLAREMONT FOOTBALL CLUB (INC.)**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS (continued)**  
**YEAR ENDED 31 OCTOBER 2016**

**1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**(e) Leases**

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

*Operating leases*

The minimum lease payments of operating leases, where the lessor effectively retains substantially all of the risks and benefits of ownership of the leased item, are recognised as an expense on a straight line basis.

Contingent rentals are recognised as an expense in the financial year in which they are incurred.

*Finance leases*

Leases which effectively transfer substantially all of the risks and benefits incidental to ownership of the leased item to the club are capitalised at the present value of the minimum lease payments and disclosed as property, plant and equipment under lease. A lease liability of equal value is also recognised.

Capitalised lease assets are depreciated over the shorter of the estimated useful life of the assets and the lease term. Minimum lease payments are allocated between interest expense and reduction of the lease liability with the interest expense calculated using the interest rate implicit in the lease and charged directly to the statement of financial performance.

The cost of improvements to or on leased property is capitalised, disclosed as leasehold improvements, and amortised over the unexpired period of the lease or the estimated useful lives of the improvements, whichever is the shorter.

**(f) Trade and other payables**

Liabilities for trade creditors and other amounts are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the club.

**(g) Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the club and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

*Sale of Goods*

Control of the goods has passed to the buyer.

*Rendering of Services*

Where the contract outcome can be reliably measured:

- control of a right to be compensated for the services has been attained and the stage of completion can be reliably measured. Stage of completion is measured by reference to the labour hours incurred to date as a percentage of total estimated labour hours for each contract.

Where the contract outcome cannot be reliably measured:

- revenue is recognised only to the extent that costs have been incurred.

*Interest*

Control of a right to receive consideration for the provision of, or investment in, assets has been attained.

**CLAREMONT FOOTBALL CLUB (INC.)**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS (continued)**  
**YEAR ENDED 31 OCTOBER 2016**

**1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**(h) Employee entitlements**

Provision is made for employee entitlement benefits accumulated as a result of employees rendering services up to the reporting date. These benefits include wages and salaries, annual leave, sick leave and long service leave.

Liabilities arising in respect of wages and salaries, annual leave, sick leave and any other employee entitlements expected to be settled within twelve months of the reporting date are measured at their nominal amounts. All other employee entitlement liabilities are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date. In determining the present value of future cash outflows, the interest rates attaching to government guaranteed securities which have terms to maturity approximating the terms of the related liability are used.

Employee entitlements expenses and revenues arising in respect of the following categories:

- wages and salaries, non-monetary benefits, annual leave, long service leave, sick leave and other leave entitlements; and
- other types of employee entitlements

are charged against profits on a net basis in their respective categories.

**(i) Income Tax**

The Club is not subject to income tax and as such there is no provision for income tax payable.

**(j) Impairment**

The carrying value of assets are reviewed each reporting date to determine whether there is any indication of impairment. If any such indications exist, the assets recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement.

**(k) Going Concern**

The financial report has been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

For the year ended 2016, the Club made a deficit of \$178,188 (2015: deficit of \$49,775) and has an Accumulated Funds deficit of \$81,849 (2015 surplus \$ 96,339).

Subsequent to year end on the 17th November the Club received conditional approval from Westpac Banking Corporation (ABN 33 007 457 141), to obtain a Business Overdraft facility of \$400,000 which would be secured over the property situated at Davies Road currently being built. This approval is subject to certain conditions with which the Board believes can be complied.

The ability of the Club to continue as a going concern is principally dependent upon the support of the Westpac Banking Corporation (ABN 33 007 457 141) members and sponsors. These conditions indicate a material uncertainty that may cast significant doubt about the ability of the Club to continue as a going concern. In the event the above matters are not achieved, the Club will be required to raise funds from other sources.

The Board has prepared a budget, which indicates that the Club will have sufficient cash flows to meet all commitments and working capital requirements for the 12 month period from the date of signing this financial report, which includes the drawdown of the bank facility which will commence in December 2016 subject to the compliance of approval conditions.

Should the Club be unable to continue as a going concern it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in the financial statements. The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or to the amount and classification of liabilities that might result should the Club be unable to continue as a going concern and meet its debts as and when they fall due.

**Redevelopment Activities**

The Club is in the final stages of redevelopment activities at Claremont Oval, and has entered into an agreement with LandCorp whereby the parties have agreed to the following:

- Cancellation of the existing lease
- LandCorp has granted freehold title of the Clubhouse land to the Club on a conditional use basis.
- The construction of the Club's facilities will be funded by LandCorp for an amount of up to \$16.5 million
- If construction costs exceed \$16.5 million, the Club is obligated to fund the excess.
- The excess land to the North of the Club facilities will be sold by the Government and up to \$1.5m of the proceeds will be granted to the Club and placed in a maintenance reserve..

Redevelopment Activities have been funded by LandCorp, and have not been reflected in this financial report  
At the date of this report there is no reason to believe that construction costs will exceed \$16.5 million

- (b) The following payments have been made during the financial year to related parties:

Cliveden Pty Ltd, of which Denis Marshall is a Director, was paid \$10,220 for services in respect of the Claremont Oval Redevelopment Project. This was funded by Landcorp.

**13. FINANCIAL INSTRUMENTS**

The club's accounting policies, including the terms and conditions of each class of financial asset and liability recognised at balance date are:

- (a) Trade Receivables

Trade receivables are carried at nominal amounts due less any provision for doubtful debts. A provision for doubtful debts is recognised when collection of the full nominal amount is no longer possible.

Credit Sales are on 30 day terms.

- (b) Trade Creditors and Accruals

Liabilities are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the economic entity.

Trade liabilities are normally settled on 30 day terms.

- (c) Interest Rate Risk Exposure

The club's exposure to interest rate risk is considered minimal. The only financial instruments subject to fluctuations in interest rates are the investments in deposits which earn interest at the ruling rate. All other balances are non-interest bearing.

- (d) Net Fair Values

The aggregate net fair value of financial assets and financial liabilities approximate the carrying amount of the financial liabilities as indicated in the balance sheet. There are no unrecognised financial assets or financial liabilities at balance sheet date.

The following methods and assumptions are used to determine the net fair values of financial assets and liabilities.

**Recognised Financial Instruments**

*Cash, cash equivalents and short term investments:*

*Trade receivables and payables:*

*Short-term borrowings:*

*Long-term borrowings:*

The carrying amount approximates fair value because of their short-term to maturity.

The carrying amount approximates fair value

The carrying amount approximates fair value because of their short-term to maturity.

The fair values of long-term borrowings are estimated using discounted cash flow analysis based on current incremental lending rates for similar types of lending arrangements.

- (e) Credit Risk Exposures

The club's maximum exposure to credit risk at balance sheet in relation to each class of recognised financial assets is the carrying amount of those assets as indicated in the statement of financial position.

- (f) Hedging Instruments

No hedging instruments were used by the club during the financial period.
