

2016 CFC PLAYER SWEEPSTAKES

HOW IT WORKS:

- The Club will auction off 12 groups of senior players [total of 65 players]
- This year to ensure all players, whatever their level of development, have the best opportunity to win their group owner some money, the dividends will be based on post game coach awards (Best player and 2nd Best player in the League game identified by League Coach Michael Broadbridge; and the Best Player in the Development side identified by Development Coach Kepler Bradley).
- This model better reflects the best contributors and performers on the day and now brings the whole senior squad into the frame.
- 25% of the total money from the groups sold will be allocated to the Claremont Football Club i.e. if the total pool is \$30,000 then \$7,500 will go to the Claremont Football Club.
- 75% of the total pool will become the final kitty. I.e. the final kitty total being \$22,500 divided by 20 = \$1,125per game.
- So if we have a kitty of \$1,125 each week to distribute, three awards will be given as follows:
 - League Best Player (70% of Kitty) \$787.50
 - League 2nd Best player (20% of kitty) \$225.00
 - Development Best player (10% of kitty) \$112.50
- If you're lucky (or astute) enough to have all three players, you get the full weekly pot!
