

Country Football WA – Expression of Interest for Directors (Volunteer Role)

Country Football WA (CFWA) is seeking expressions of interest for board positions to guide the organisation through its next phase of growth and development.

Working closely with the West Australian Football Commission (WAFC), CFWA supports and governs junior and senior football across regional WA. Our approach to growing and sustaining the game includes partnerships with local leagues and clubs, AFL and WAFL clubs, schools, state and local governments, and community organisations.

CFWA is looking for diverse individuals with skills in governance, marketing, legal, finance, or community engagement to join our Board.

We encourage applications from a diverse range of community leaders passionate about growing football, particularly in relation to female and junior participation.

CFWA Directors play a key role in providing strategic leadership, ensuring good governance, and fostering strong relationships with stakeholders. Candidates with experience in community sport, football, and board governance are highly regarded.

This is a volunteer role with a two-year term starting in February 2025.

Directors are expected to attend monthly board meetings (virtual or in-person) and key regional or Perth-based events.
