

## Senior Head Trainer Wanted

Swan Districts Football Club is currently seeking to recruit a Senior Head Trainer for the upcoming 2022 WAFL season. The club is excited to offer this opportunity to work closely with the playing group and staff (including the clubs head Physiotherapist, Sports Scientist, and Strength and Conditioning Coach). This role requires the applicant to have a Level 2 Sports Trainer qualification and will offer the opportunity to further develop your knowledge and exposure within a professional sporting club.

The role of the Head Trainer at the club includes; player preparation pre and post trainings and game day, strapping and massage, player hydration, changeroom management, and junior trainer management and coordination. As Head Trainer you will be required to attend all three training sessions weekly as well as senior games on Saturdays.

Training and mentoring will be offered to commence this position and throughout as required.

Applicants must have:

Current Level 2 Sports Trainer Accreditation (or willing to obtain)

Current First Aid Certificate

Current CPR certificate

The position does attract an honorarium which will be discussed at the interview.
