**Brief History and Outline**

The Western Australian Amateur Football League (WAAFL) has a proud history since its humble beginnings in 1922. Over that time the League has been a progressive force in the development of "grassroots" community football in Western Australia.

The WAAFL has a strong base in the administration of a viable and thriving Australian Rules football competition with 40 member clubs, including 112 senior and 33 colts (U19) teams providing games for more than approximately 8000 registered players during a home and away season. There also are some 150 umpires involved in the competition. Volunteers form the base of the competition and without their tireless efforts at both League and Club level the competition could not be sustained.

**Value of Amateur Football**

The WAAFL provides organized football on Saturdays where anyone whatever ability, can participate or contribute to the football industry.

The system in place allows players to play in senior football at any level they are capable of achieving. Colts (U19) learn the fundamentals of amateur football and its responsibilities after graduating from junior ranks. The WAAFL also provides a quality high standard competition for those players not wishing to endue the commitment to WAFL (second tier competition) training due to study or career commitments or simply a lifestyle that considers football a recreational pursuit, however is in a position to bridge the gap between amateur football and the Champions of tomorrow.

At present the leagues goal is to increase participation and is self funded (through the clubs). Much more could be achieved in this area through significant financial assistance and recognition that the WAAFL promotes football as a training ground for elite players.

Many well known WAFL and AFL personnel began their careers in the WAAFL. Former West Coast Eagles and Hawthorn coach Ken Judge began his coaching career at an A Grade amateur club. Former Dockers coach Gerard Neesham played several seasons of amateur football and played at state amateur level.

Other high profile players starting in the Amateurs include Troy Wilson (West Coast Eagles), Gary Buckenara (Hawthorn), Shane Parker (Fremantle), Simon Beasley (Western Bulldogs), Sandover Medallists Ian Dargie (2), Alistair Pickett (2) and Shane Beros.

Former Amateur players who have gone on to be senior administrators include former Chairman of the WA Football Commission Dr Peter Tannock, current WA Football Commission Chairman Dr Neale Fong (a triple A Grade Fairest & Best medallist with the WAAFL), current Chairman of Sydney Swans Richard Colless and former West Coast Chairman and AFL Commissioner Terry O'Connor are just a few who have gone on to contribute to Football at a higher level.

The WAAFL is continuing to focus on the future and how the league uses its leadership and resources to set new standards of excellence and relevance for its member clubs' and various committees. The League's Strategic Plan for the last 3 years was implemented in 2003 and has been successful in stabilising the League's financial position and the establishment of a Club "culture" that will ensure a long and viable competition.

The Western Australian Amateur Football League has concluded its 84<sup>th</sup> season of Community Football where it continues to provide an outlet for people throughout the metropolitan area to administer, play, umpire, sponsor or support our unique and great Australian game.

Without doubt the 2005 season has been one of the most satisfying and rewarding for the League. As I reported last year the trends set in motion and the strategic decisions undertaken in the areas of finance, governance, Club administration, sponsorship, state football, umpiring, community regionalised colts, shared administration and staffing have continued to return positive dividends with a more stable, viable and progressive body clearly apparent.

Our Clubs should be justifiably proud to be an integral part of an organisation that continues to gain respect and recognition within the WA football family. Congratulations to all participants and volunteers for your support of the game and the League. We must remember and pay tribute to all Clubs who make up the League and work tirelessly throughout the season within their local areas in organising teams.

We should never underestimate the value and contributions of Club Committees consisting only of volunteers, with the majority also playing on Saturdays then working long hours after games and training to plan and conduct social and fundraising events, recruit players and attracting sponsorships to meet their commitments to the WAAFL and other associated costs in the operation of their Clubs.

The League's immense administrative task has been made all the more easier by the continued support we have received from the WA Football Commission, a body who is totally supportive of our role in Community Football. The Commissioners and the Executive have consistently made themselves available for consultation and attendance at our functions and presentations.

The West Australian Football Commission's assistance with the appointment of Warren Nel as the Club Development and Volunteer Coordinator has greatly added to the expertise available to Clubs and the League and enhanced our ability to retain and foster our valuable volunteers. Similarly their support with the appointment of Tim Priest as the Community Football Umpires Coordinator has been of great value and with the implementation of a number of initiatives will hopefully stem the drop out of our umpires and encourage more people to participate in umpiring.

Despite increased costs to operate the overall competition there has been no increase in Club affiliation fees for the past three seasons due to the work of Chief Executive Ron Webster who has increased sponsorship / partnerships from various companies and organisations but in particular securing the commitment of Foster's Australia and the West Coast Eagles. Key support sponsors Metisc, Park Auto Centre, Elastoplast, Burley Sekem, Cougar Sportswear, Quill Stationery and Mouse Promotions have all provided significant contributions to the League and Clubs. The overall financial support and provision of product and services from our sponsors has benefited all Clubs and in conjunction with additional funding secured via the WAFC this year enabled the League to decrease Colts fees by 20%. We are deeply appreciative to all our sponsorship partners for their investment in a vital community activity.

One of the greatest concerns in ongoing costs to the League and Clubs (and all Amateur Sporting groups in general) is the local government charge for the use of playing fields through the user pay system. A majority of players and officials already contribute to the maintenance of their grounds via council rates paid either as a home owner, business proprietor or just living with parents or rented premises. Our Clubs significantly contribute (at no or little cost to local districts or councils) to the healthy environment, law and order through team and Club disciplines and the well being to that area.

The members of the Board of Management as always perform their voluntary roles with contributions in many aspects of our administration. Support from Vice President Milton Sanders, Treasurer Brett Fullarton, and Secretary Bruce Wainwright who make up the Executive Committee has been appreciated. Milton also fills other roles as Chairman of the WFAA, Secretary of the Community Football Council and this year as we hosted state games acted as Chairman of the Australian Amateur Football Council.

Board members Peter Grosser, Graeme Jacques, Perry King, Mark Herron, Trevor Howard, Bill Armstrong, Lionel McQueen and Simon Growden have made valuable contributions in the decision making and workings of the WAAFL. Perry King who due to work commitments is not seeking re-election should be acknowledged for his valuable service to the League over an extended period.

Our fully experienced staff headed by CEO Ron Webster, with Football Operations Manager Geoff Palmer (also General Manager of the Sunday FL), Administration Assistants Matt Henson, Tarryn Kailis, Natalie Couch, Paulyne Webster and recently retired Angela Doyle have diligently served the needs of the member Clubs and Board of Management in their usual professional and efficient manner. Ron has evolved a management style that has made the WAAFL a widely respected organisation. My personal thanks for his diligence and guidance to make my position easy to fulfil.

The many people who contribute to and make up sub committees such as the Protests and Disputes and Investigating Tribunals, State Football, Media, Volunteer Awards, Fundraising, Finals, Reinstatements, Community Football Council and the District Development Councils are to be acknowledged for the countless hours they contribute as

volunteers. Helping in these essential functions is necessary in the good governance of our League.

The valued and dedicated Community Umpires Coaching panel of Greg Gilbee, Seamus Rafferty, Dave Mason, Terry Tomlinson, Terry Kenny, Adam Hollingsworth and Des Morgan have throughout the season put on the field competent and well drilled umpires. Although not always appreciated our Community Umpires are second to none outside the major League panel with several progressing to the WAFL and other Leagues.

U/23's State Football made great steps forward this year with success in very tight games against the U/23 South Australia Amateur Football League, the open WA Country combined team and U/23 Sunday League team. The Victorian Amateur U/23 team defeated us in a very close contest in appalling conditions at Leederville Oval. Those players who represented the WAAFL are to be thanked along with their Clubs for the support of the U/23 State programme and also that of State Coach Wayne Langborne and his staff. Congratulations to the eight WA players selected in the U/23 All Australian Amateur team. Seven of these players made up a part of the first All Australian Amateur Football team to play overseas in Ireland with four International rules games. This venture was a great success and we look forward to future tours (see full report).

Congratulations to all League award winners, Premiership teams, U/23 All Australian Amateurs players, U/23 WAAFL State team members, State Umpires, Volunteer and Merit Certificate recipients in achieving personal and team awards.

Finally to the untiring work done by our many, many Club volunteers whose efforts, although mainly focussed on their local teams, have contributed to make your WAAFL a better football and sporting body I sincerely than you.

John Davies

2005 completes my third full year in the position of Executive Officer (now CEO) and I am again most pleased to be in a position to report that the League and its Member Clubs have continued to embrace positive change and worked to achieve the aims and objectives of the strategic plan which was implemented at the start of the 2003 season.

2005 will see the League post its third consecutive profit without any increases in Club affiliation fees for the same period. Indeed this year we were able to provide a 20% discount on Colts fees. The League is now genuinely in profit and has been able to recoup and exceed the cash reserves which were virtually exhausted after the losses of 2001 & 2002. The League has now stabilised its Balance Sheet and has rebuilt sufficient cash reserves to enable the interest generated from this investment to absorb any increase in the cost of conducting the competition and withstand in the short term any major downturn in income.

The overall improvement in the League's financial welfare could not have been achieved without the continued support of our member Clubs and in particular our League sponsors and the assistance of the WA Football Commission, both of whom again provided additional financial benefits and access to cost saving resources. Indeed the cash contribution from League sponsors has risen from \$35,523.00 in 2001 to \$74,000.00 in 2005, whilst donations of goods and services to the League and Clubs peaked at \$102,000.00 this year.

With the League continuing to achieve designated outcomes the assistance from the WA Football Commission both directly for administration support and via the Community Football Council has increased from \$51,500.00 in 2001 to \$159,000 in 2005. I would like to personally thank Wayne Bradshaw, Michael Hnatojko and the Commissioners for their understanding and assistance with this additional, but very necessary funding. The appointments of Tim Priest as Community Umpires Coordinator and Warren Nel as Community Club Development & Volunteer Manager were significant and the WAFC must be acknowledged for their foresight and assistance with these two positions.

The League continues to be blessed with some very talented and dedicated Committee of Management members who continue to give of their time and are prepared to listen, evaluate and ethically act and as such I am pleased to report that in the last 3 years we have been able to address and achieve all of the key issues noted in our initial three year strategic plan.

During this year we were able to either solely achieve or be part of the following important initiatives:

- Entered into successful negotiations with Fosters Australia and the WAFC to extend the lucrative major sponsorship agreement with Fosters for a further 5 years allowing the League and Clubs to continue sharing in substantial cash and product benefits.
- Continued our formal sponsorship agreement with the West Coast Eagles with funds being directed towards the Colts competition and the U/23 State team through to 2006.

- Maintained our involvement with AFL Insurances via JLT Sport. The result of which we were able to continue to maintain significant savings to Clubs whilst providing increased and improved coverage for players and Clubs in general.
- Continued arrangements via the Paraplegic Benefit Fund to provide an additional \$100,000.00 spinal injury cover for players 365 days a year 24 hours per day with this premium being absorbed in the Club affiliation fees.
- Expanded the successful U/23 State team concept across all three States with WA hosting the first two inter-state matches of a new three year Tri-state carnival of U/23 games between WA, SA & Victoria Amateurs. We were fortunate enough to have a win against South Australian in a game that was played at Subiaco Oval as the curtain raiser to the West Coast Eagles vs St Kilda match. The second game was played at Leederville Oval in appalling conditions and we narrowly went down to Victoria. In 2006 we will play Victoria in Melbourne over the June long weekend. The League is most grateful for the work undertaken by State Coach Wayne Langborne and his match committee. We look forward to their continued involvement in 2006.
- We played an integral part in the selection of the first All Australian U/23 Amateur Team in which we had 8 players selected. The League also played a major role in organising for this Australian Amateur Football Council (AAFC) team to travel to Ireland to play International Rules games against the All Ireland Team and 3 other Clubs at various cities in Ireland. This tour was highly successful with the team winning 2 of its 4 games and the AAFC being able to develop some excellent relationships with the all powerful GAA and various Gaelic within Ireland.
- We successfully implemented the combined administration for the WAAFL, Sunday Football League and the WAFA and with the office renovations completed last year we were able to offer member Clubs of all Leagues a far more effective and efficient service in a significantly better office environment. I would like to sincerely thank the past President of Belmont, Paul Forde who donated his services and equipment to paint out the new offices. It was a considerable donation and one which was greatly appreciated.
- We continued to enhance the iScore Competition software programme which can now supply accurate data on all facets of our League and provides easy access to Clubs and the public for results and ladders throughout the year. In conjunction with the South Australian Amateurs we trialled a number of initiatives and new programmes which enabled Clubs to register players, submit team sheets, clearances and provide score and match information on line via computer. There are still some enhancements to be implemented but it is hoped that we will be able to offer our Clubs the option in 2006 to provide the above information via this web based system. It will require some basic training sessions but the benefits to the Clubs and their volunteer's will be substantial. I would like to sincerely thank Graham Hill, Managing Director of Metisc Computing, for his Company's ongoing sponsorship and commitment to providing the iScore system to the WA Amateur Football League.
- The League successfully defended a long running Supreme Court action brought against the League and its member Clubs by Peter Rush. Whilst this was a very costly and time consuming matter the League had no option but to defend our Constitution, By-laws and the fair and equitable procedures developed and agreed by the Clubs with respect to the manner in which Investigating Tribunals are conducted and penalties handed down. The judgement handed down as a result of a five day trial was comprehensively in favour of the League and costs were awarded to the League. We are now pursuing the recovery of the substantial legal fees incurred as a result of this lengthy and erroneous action. I would like to particularly thank Board member and Barrister Mark Herron for his substantial time commitment and professional advice with respect to this matter. I would also like to acknowledge the outstanding contribution made by former University player and senior Barrister John Ley who acted as our senior Counsel in the trial. John's generous support of the League and his professional expertise in this matter was greatly appreciated.

We again faced some problems finalising fixtures at the commencement of the year. This was mostly due to Clubs withdrawing some teams as well as Clubs not notifying the League until very late that their ground was not available on certain dates. Ground access and availability continues to be a problem for which we are seeking a solution. With the assistance of the WAFC, the Dept of Sport & Recreation and Local Government a facilities audit is now being undertaken throughout the metropolitan area. Once this study is complete it is hoped that plans can be formulated and action implemented to address this major issue. As both the WAFC and Community Football have a charter to grow the game if we do not have sufficient grounds for senior football then much of the development work to increase participation will be wasted as we will have no where to play. Given the success of night fixtures this year the League will continue to explore and experiment with night games in 2006 at suitable Club venues and I personally am not opposed to night finals.

As we explained at the various Delegates' meetings the League would not be able to operate profitably and maintain Club fees without increasing its return from Sponsorship and fundraising activities. To this end we again held a League & Club Sports Quiz night at the Italian Club and thanks to the support of the Clubs it was another great success. The success was not only financial, but went a long way to clearly demonstrating what can be achieved when the shareholder Clubs are prepared to work together and support a joint function. As a result of this function, Clubs that attended participated in over \$14,000.00 of cash and prizes with the profit from the night going towards the

insurance costs for 2005. I would like to sincerely thank Phil Hayes for acting as Quiz Master on the night.

The F& B Medal Presentation Dinner was held at the Hyatt Regency Hotel for the second year and was a great success. The support from Clubs was outstanding as was the attendance of a wide range of senior people from Government, the WA Football Commission, Fosters Australia, West Coast Eagles, other sponsors and the football family. We had 470 people in attendance and the League has received a considerable number of letters and emails congratulating the League and Clubs for such an outstanding evening. I would like to sincerely thank my staff for the excellent efforts in putting this night together and in particular the work done in enhancing and compiling the power point video presentation for the screening and count down of votes in all grades and the subsequent award winners. Thanks must also go to Dean Turner and Fosters Australia who provided not only the beer for the night but spirits and the Half Mile Creek wine. Whilst this function ran at a small loss it is a very important event that Clubs should be a part of and we need to acknowledge the Fairest & Best and Goal Kicking winners in all grades as well as the Champion Clubs at a prestige function no matter the small additional cost to the League.

Our Finals this year were very successful with excellent crowds at the lower grades and I thank those Clubs that hosted finals matches and also all Clubs for the substantially improved behaviour of players and spectators. I would also like to thank those Clubs that provided volunteers to control the gates and scoreboards. It was an excellent effort and again enabled many of the costs to be kept in Amateur football. It was unfortunate that as a result of AFL Perth finals being fixtured on the same Saturday as our A Grade Grand Final that our crowd was well down and as such effected out finals income. The Board are currently reviewing the Grand Final format and the use of WAFL grounds as opposed to enclosed Amateur Club venues. We are continually mindful of keeping Amateur money in Amateurs and the prospect of Clubs being able to host Grand Finals with profits shared amongst the League, host and competing Clubs has considerable appeal.

Congratulations to all teams who participated in finals matches this year and especially to those Clubs who have won the right to be promoted under the successful two up two down rule. The revised promotion and relegation rule plus the reduction in actual playing times and the later commencement time for Colts games added new life and vitality into what was becoming a "flagging" competition. In 2005 we had two (2) new teams in A grade, four (4) different teams in B grade, four (4) new teams in C Grade and two (2) new teams in D Grade. This made 2005 a very different year for Clubs in that many games were against teams and on grounds that they have never played before. This created new challenges, the start of new rivalries, friendships and rewards that may not have happened under the old system.

I would like to sincerely thank our Umpires Board, Umpire Coaches and the Community Umpires panel for their support and assistance in 2005. The Community Umpiring panel concept continues to evolve and we were particularly pleased with the amalgamation of the WAAFL Umpires and Sunday FL Umpire Associations to form one Community Umpires Association. I am confident the benefits will flow from this union. The WAFC and the WAAFL is committed to a programme which focuses on improving numbers and quality of umpiring at all levels of Community Umpiring and we will be working closely with Tim Priest and his team to ensure our Clubs benefit from these initiatives. To Mike Ball, Tim Priest, Greg Gilbee, Seamus O'Rafferty, Dave Mason, Terry Tomlinson, Terry Kenny, Des Morgan and Adam Hollingsworth a sincere thankyou for your efforts.

To our P & D Tribunal and Investigating Tribunal members I sincerely thank you for your time and another job well done. Without your commitment to assisting the League in this onerous task we could not conduct the competition and Tribunal matters in the ethical manner we do.

League Sponsors are vital to the financial health of the League. For us to maintain our existing Sponsors and attract new ones we need all Clubs to fully support the League Sponsors and the arrangements undertaken on your behalf. I would like to thank all the Companies for their support this year. These vital Sponsors are listed throughout this publication and I urge Clubs and their members to support where they can the products and services these companies provide.

Lastly but certainly not least, I would like to sincerely thank the office staff for another exceptional effort in 2005 and the manner in which they welcomed new staff members, embraced change and implemented new and challenging procedures. I would like to acknowledge and thank the professional and tireless efforts of Geoff Palmer, Matt Henson, Paulyne Webster, Tarryn Kailis, Angela Doyle (whilst with us) and Natalie Couch who returned to the office after maternity leave. I would also like to thank the Clubs for the courteous manner in which you dealt with the staff, who ultimately are there to help you and your Club.

In closing I would again like to thank the Clubs and the many volunteers involved for your cooperation with the League office this year and most importantly for your time and efforts in assisting with the operation of the Amateur competition. I look forward to working in harmony with you next season with a view to cementing the future of the Amateur League and its shareholder Clubs.

Ron Webster

**KEN MATHEWS**

**15/12/1928 - 29/09/2005**

Ken joined the West Perth Amateur Football Club in 1954. In 1957 his role with the club increased with his appointment as club delegate. Ken was then selected in the 1959 Carnival side which played against Victoria and Tasmania at Subiaco Oval. Ken was also appointed Club President in this year. Ken's commitment to the West Perth AFC was honoured with life membership in 1961. He was appointed Assistant Manager of the Carnival team which travelled to Adelaide. Following West Perth's amalgamation with Mt Hawthorn in 1965, Ken was appointed President and Club Delegate of the new organisation. In 1966 Ken retired from playing at the age of 38, after playing over 180 games but his involvement in football continued at various levels. In 1966 he was appointed Manager of the Carnival team which travelled to Launceston. Ken was also a state selector in 1970, 1974 and 1976 and has served on the Tribunal from 1970 to 2005.

## PANEL UMPIRES

This year a number of much required initiatives were introduced to raise the standards of umpiring at the senior metropolitan community level.

The formation of the new Western Australian Community Umpires Association was an important achievement. The process of effectively amalgamating the membership base of the WA Amateur Football League Umpires Association and the Sunday League Umpires Association had to at times be lead delicately and firmly. Naturally scepticism often accompanies proposed change.

The benefits of the now united and harmonious umpiring group can not be underestimated. The resulting atmosphere has been conducive to cooperative up skilling and fitness training mid week, enjoyment of fellow umpires company and most importantly to enhance better teamwork in performing match day umpiring. Such an environment will only assist to address and improve the issue of retention of umpires.

A special thanks to all umpires including Matt O'Mara and Mike Fielder for there roles in the successful transition to the formation of the largest Umpire's Association in Western Australia.

After thoughtful consideration and consultation with the umpiring panel the umpires overwhelmingly supported a shift from Tuesday and Thursdays to Monday and Wednesday training nights, along with a move to Ernst Johnston Oval in South Perth. Pleasingly such change of venue and training nights mid season did not disrupt the average 80 to 85 panel field, boundary and goal umpires who trained on any given night throughout the 2005 season.

The introduction of a training attendance register, recorded time trials and coaching session attendance, viewing of video cut 'what's your decision tapes' and AFL DVD law interpretations also assisted in elevating the improved preparedness of umpires in season 2005.

Along with the above, the expertise and enthusiasm of fitness coach Adam Hollingsworth is gratefully acknowledged as another reason for the increased training participation from the previous season.

Particularly promising was the efforts of the goal umpires who collectively increased there physical training, recognizing that their improved fitness better equipped them for goal umpiring.

In terms of panel field umpire numbers, the shortage was of alarming concern at the commencement of season 2005. The number of community field umpires who retired for various reasons by the end of season 2004 was partly due to the aging group. Therefore much coordination and additional workload was required throughout season 2005 to inject new field umpires into the Amateur competition.

The benefits of this work has included no less than in the order of 63 field umpires who in season 2005 were for the first time panel appointed umpires umpiring panel appointed Amateur matches. Such a dramatic increase was derived from various strategies including identification and promotion of junior competition umpires, the introduction of first year new umpires and existing community boundary umpires who were trained as field umpires, and utilising Sunday League umpires and a retired WAFL umpire.

A special thank you must therefore be expressed to the honorary junior metropolitan district umpire coaches for their cooperation in agreeing to requests to advance talented junior competition umpires to senior community football.

In respect to the panel field umpires I am pleased to advise that whilst 18 field umpires umpired at A grade Amateurs in season 2004, this was increased to 31 field umpires in season 2005.

**A Grade Grand Final Umpires**

L-R J Wrankmore, J Dolin, L Dudley, W Beckwith, S Babinall, G Omodei, A Martin, S Davis (emergency)

This increase was achieved by numerous strategies including appointing W.A.F.L. panel umpires, Sunday League umpires, and showing faith in the many often young and able Academy squad and other panel umpires.

The benefits of promotion and increased competition for an A Grade game did and always will positively impact on the standard of umpiring at the A Grade and other levels of community football.

Whilst there was an influx of new field umpires to Amateurs I am also pleased to report that 20 goal umpires together with 34 boundary umpires, mostly first year and both male and female umpires, umpired panel appointed WA Amateur football for the first time in season 2005. This does not in-

clude those new boundary umpires from the five additional schools recruited this year under the school boundary program.

To administer in excess of 300 umpiring appointments weekly, to lead coaching staff and such a large base of umpires, plus negotiate with clubs and umpiring associations on umpiring issues is somewhat demanding, but is eased with such dedicated people to assist.

The coaching staff including Field Coach Greg Gilbee, assistant Seamus Rafferty, Goal Coaches Terry Kenny and Terry Tomlinson, Boundary Coach David Mason, Trainer Kellie Steer, Administration Manager Des Morgan and all match day observers provided tremendous support and advise to the umpires and are thanked for their efforts conducted mid week and on weekends.

Thanks are to also be extended to Paul Smith and Bruce Wheatland for there consultative support, having many years experience at the senior community level. Guest speakers including Robert Solin, AFL umpires Andrew Curtis, John Marrapodi and Dean Margetts provided further assistance. WAFC Umpiring WA staff including Michael Ball, Paul Pitchers and Tracy Thompson provided increased support to the WA Amateur League in season 2005 to the benefit of Community Football.

Congratulations to all umpires both panel and club umpires for services to community football in season 2005 and for any personal milestones and achievements met.

Particular recognition to Glenn Omodei, Steve Babinall and Trevor Pescud awarded this year's best field, boundary and goal umpire respectively. Golden Whistle recipient boundary umpire Richard Hepinstall received this honour for being considered most likely to succeed upon promotion to the WAFL boundary umpire squad.

For the most part WA Amateur club officials and players recognize the often thankless task of umpires, and I thank them for their positive interaction and their looking after the umpires this year. It is undoubtedly the case that the clubs play a significant role in the rates of umpire retention.

In closing the WA Amateur Board, Chief Executive Ron Webster and his staff are gratefully acknowledged for there genuine support for community umpires in the interest of improved community umpiring and football.

### SCHOOL BOUNDARY UMPIRE PROGRAM

The success of the school based boundary program continued in season 2005.

Importantly six of the seven season 2004 schools were retained and successfully participated again this season. These schools are namely John Forrest SHS, Seton College, Helena College, Forrestfield SHS, Warwick SHS and Duncraig SHS.

Most pleasing was the introduction of five additional schools being Leeming SHS, St Norberts College, Kelmscott SHS, Thornlie SHS and CBC Fremantle. These new schools were primarily targeted because of there geographic suitability for filling games identified as requiring boundary umpires.

The green shirt program was an important factor in assisting the new umpires into senior community football. The wide recognition within the football community that green shirt umpires are learning umpires, who rightfully deserve further tolerance as they learn the skills of umpiring, suggests that this initiative will undoubtedly be continued beyond season 2005.

Having introduced new boundary umpires and additional schools, the next challenge is to convert new field umpires from this pool of youthful male and female boundary umpires. Steps have already been taken in this regard including preparation of an application for Department of Sport and Recreation funding submitted shortly after completion of the 2005 season.

Of course a special thank you to the school teachers who assisted in the boundary program coordination being Glen Batten, John Batten, Warren Beckwith, Campbell Brown, Rod Clarke, Celeste Donohue, Rod Firth, Greg Maynard, Peter Merritt, Kellie O'Mara, Dave O'Neill, and Michael Pampacos.

This year's state program saw the continuation of the modified selection criteria where players under 23 years of age only could be eligible to represent our competition. The concept has been vigorously backed by the WAAFL executive committee in the belief that it would make for a more even competition between the three competing States, ensuring the focus was on young, up and coming players, which would better illustrate the worth of the Amateur grass roots competitions in contrast to the AFL and relevant State Leagues.

This year Both Victoria & South Australia committed to the new formula enabling all States to play under the same selection criteria. Although the foundation of this year's squad was made up of players who were still eligible from the 2004 side, over 60 invited players attended the eight week lead up training program.

Certainly talent dictated selection as it does with any representative side but a huge emphasis was also placed on commitment to the program and match day club performances. Besides the numerous training sessions there were night games against the WA State Country open age squad & the Sunday League competition under 23 year squad. Both night games were keenly contested affairs with the State Amateur side recording narrow wins.

This lead to our first clash against the South Australian under 23 Amateur side which was played as a curtain raiser to the West Coast Eagles vs St Kilda match at Subiaco Oval. In excellent conditions, having narrowly led for most of the day, WA kicked away in the last quarter to record an impressive 23 point win. This win was the first for a WA Amateur State Side in 14 years and was just reward for the efforts of both players and administrators in embracing the under 23's concept.

Two weeks later the final squad of 25 players spent a weekend away at Ern Halliday Camp in Hillarys where they engaged in team building exercises and planned their attack on the Victorians who they were playing the following week.

The game against Victoria was played at Leederville Oval in atrocious conditions and with WA drawing level just prior to half time the Vics were very concerned their mantle as the best Amateur football state was under threat. WA were four goals down at 3/4 time and although the players were exhausted they were able to keep the Vics scoreless in the final quarter and in the end just fell short of a courageous historical victory. Given the conditions it was an excellent standard game, played in the right spirit by two very determined sides.

Both 2005 State games were magnificent advertisements for Amateur football and all the players representing their State's were a credit to their respective competitions. From WA's point of view we've come ahead markedly from past years where we've been uncompetitive against South Australia and in particular Victoria and with the

resources the WAAFL has poured into the program our performances are finally beginning to bear fruit. Besides the outstanding results, which were thoroughly deserved given the efforts put in by all the players, from a coach's perspective, I was most pleased for the WA players who were awarded All Australian honors. There were an unprecedented eight WA players named in the All Australian side who have now been given the opportunity to travel & play against Ireland in upcoming International Rules matches. This is a real reward for the best players in our competition and hopefully it will inspire more players from more clubs to try out for future State squads.

I'd like to sincerely thank John Davies and his board for once again showing faith in me this year as well as League Executive Officer Ron Webster, State Carnival Coordinator Milton Sanders and State Team Coordinator Peter Grosser whose support has been fantastic.

I'd also like to thank the following people who put in numerous hours to ensure the program was such a success: Assistant Coach Kym Robertson, Chairman of Selectors Glenn Stephens, Selector Neville Haywood, Fitness Coordinators/runners Andrew Maiorana and Graeme Francis, Property Man Extraordinaire Guy Ziati, and our team of physios in Conor, Meaghan, Brodie, Stephanie & Kelly.

In closing special mention must go to all the players, coaches and their WAAFL clubs as without their input and support, State Representative Amateur football wouldn't be as alive and vibrant as it is today.

## STATE PLAYERS AND OFFICIALS REUNION

Involvement in State football is a highlight of many footballers or officials sporting pursuits. It provides many great memories for those involved and is often the beginning of lifelong associations and friendships. As part of a push by the WAAFL, to create a past state players and official's club, a 'state' reunion was held during the U/23 State game between the WAAFL and VAFA at Leederville Oval on Sunday 12<sup>th</sup> June 2005.

Held in the East Perth FC social rooms, the reunion was successful with around 40 former players and officials in attendance. As expected, the individual feats of past players got bigger and better as the afternoon wore on.

It was pleasing to see 'older' players such as Ken Stewart who played in 1948 (and father of Bruce who played in 1990, 1991 and 1993) in attendance as well as some more recent representatives.

It is anticipated that the 'reunions' will be a yearly event. However, one of the difficulties has been building a comprehensive database of past players and officials. This task is ongoing. If any details of former players and officials become available, we ask that you contact Bill Armstrong on 9275 5081 or [warmstrong@iprimus.com.au](mailto:warmstrong@iprimus.com.au).

### AAFC IRELAND TOUR

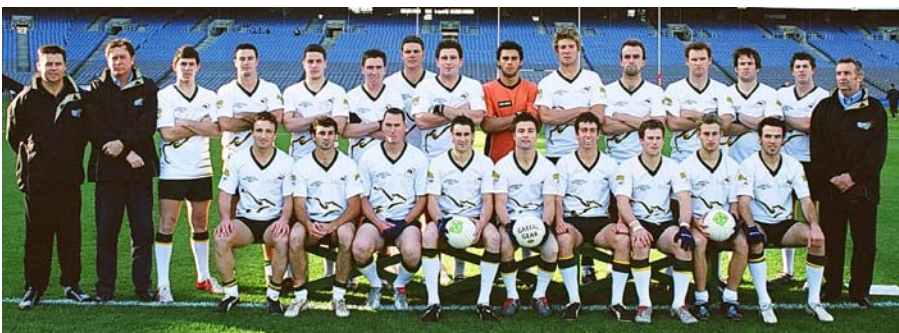

This year has seen this state's U/23 State programme develop to new heights with the announcement in June that the All Australia side would tour Ireland in October 2005 and play composite rules games against the Irish.

The AAFC, as an independent body, oversees three state leagues (Victorian Amateur Football Association, South Australian Amateur Football League and Western Australian Amateur Football League) and the National Carnival, which has been played since the 1920's. Combined, these associations administer 180 clubs, 590 teams and 30,000 Australian Rules footballers.

The entire cost of the tour was borne by those who participated. The averaging of the cost approximated to \$3,500 per person. Thanks to the clubs that had players selected on the tour as they all helped with individual fundraising events to assist the players and the various state leagues held additional fundraising to supplement the final cost. A tour magazine was produced to promote the tour and advertisements were sold to help in the fundraising. The touring party stayed in youth hostels in Ireland and London to keep the cost down and as you can tell from asking those players that went, the accommodation was great as they managed to meet other people from around the world. The touring party consisted of 37 people including a doctor, physio and umpire all of whom paid their own way.

The WA contingent was John Davies (President), Ron Webster (CEO), Bruce Wainwright (Secretary), Peter Grosser (Team Manager), Alan Lewington (North Beach AFC) and Paul Smith (Tour Umpire). All of whom contributed in various parts to the success of the tour.

The first match was played against the All Ireland National Team on Saturday October 1 in Dublin. This Irish team played the AFL in the International

Series in Australia two weeks later. This was by far our most difficult game as the team had only arrived in Dublin three days before and had only trained together as a team twice and played only two 15 minute halves of International rules together before playing the best players in Ireland. As a team we learnt much about the skill and tactics of the game from our talented opponents. We must sincerely

thank the GAA for scheduling this game on their main stadium Croke Park.

The touring party then travelled to Galway by coach and then on Monday October 3 played against the All Ireland University side then on Wednesday October 5 played against the Combined Armed Forces Team. The Team then took the scenic route and travelled by coach to Cork and the final game was played against a County side, Bishopstown. The game results are below.

The tour was a great success not only in winning two of the games, but for the relationships developed with the Irish, for the future development of our Amateur Australian Rules competitions and also giving those who went some worldly experiences which that may not have previously experienced.

The selected team included nine players from Victoria, eight from Western Australian and five from South Australian. The coach of the team was former Essendon and Brisbane player Frank Dunell.

As Chairman of the Community Football Council it gives me great pleasure to report and congratulate the West Australian Amateur Football League on another successful year and the positive forward trends towards joint administration with the Sunday Football League to oversee organisation and participation of grassroots football is of the highest standard possible is maintained.

Congratulations are extended to all to clubs who participated throughout the season and in particular the Premiership clubs and Fairest and Best winners.

Once again, I wish to convey my appreciation to President John Davies, Executive Officer Ron Webster and Operations Manager Geoff Palmer and administration staff for their support of the Council and the affiliated members Sunday Football League, W.A. Football Association, Peel Football League, Masters Football League and Women's Football League and look forward to their continued support in 2006.

Following the restructuring of junior football by the W.A. Football Commission in 2004 and now in the second year it has allowed the Council delegates to liaise and have a greater input into the future directions of our great game. Thank you to all concerned for their support throughout the year.

Congratulations to all concerned on the successful achievements throughout the year in main being:

- Development of Under 23 State Amateur concept with acceptance by Victoria and South Australia plus inter association games against the Sunday Football League and W.A. Country Football League.
- Implementation of a Regionalised Community Colts competition in conjunction with the Sunday FL including financial incentives.
- Continued support for re establishment of WAFA competition for one Club teams.
- Maintaining affiliation fees for the third year, with respecting leagues absorbing increased costs.
- Establishment of Community Umpiring Co-ordinators roles and the finalisation of one Community Umpires Association.
- Community based football continued to prosper in 2005 as a united family through joint administration, umpiring and foresight.

In conclusion may I thank the WA Football Commission, Commissioners, Wayne Bradshaw and Michael Hnatjko on their continued financial support of Senior Community grassroots football.

All concerned should be congratulated on their support and efforts to ensure our great game continues as a community based recreational activity.

**C.B.C. AMATEUR FOOTBALL CLUB**

The 2005 season turned out to be one of mixed fortunes for the CBC Amateur Football Club. On one hand we finished second last because of an inferior percentage in "A" Grade and on the other we witnessed one of the best Premierships in our history when the "A3's" won four finals to take off the Grand Final. Congratulations to Chris Anderson and his players on a fantastic effort.

Our Colts were much improved in finishing 3<sup>rd</sup> in "A" Grade and even though we lost two finals the boys are looking strong for the next few years. Our Reserves suffered because of the lack of depth in "A" Grade and our "A4's" were rapped in winning a final's berth in a tough competition.

We have set ourselves to have a big year in "B" Grade in 2006 and regaining our "A" Grade status is our goal. All "A" Grade coaches from 2005 have been re-appointed for 2006 and we look forward to the challenge.

Bradley Grant  
President - CBC AFC

**COLLEGIANS AMATEUR FOOTBALL CLUB**

2005 proved to be another step forward for the Collegians Football Club. Increased numbers in both Colts and Seniors, an improved football structure with a larger and more efficient team working off field, saw a strong improvement on field. The A Grade finished the home and away season in 3<sup>rd</sup> position but were out played in the finals. The Reserves made a huge improvement just missing out on the finals, winning half their games and being competitive in all losses. However, the highlight for the club was the success of the Colts. Huge numbers again turned out to play and see both Colts into the Grand Final, but unfortunately narrowly missing out on a premiership. With 5 Colts playing finals for the A Grade, and plenty of other Colts pushing for a senior birth, the development programme at Collegians is working well and showing great promise for future sides.

The off field activities at Collegians was very well supported all year, with the recent medal presentation dinner being no exception. The Club certainly appreciates the loyal support from players, past members and sponsors for their attendance to all the functions this year.

It's an exciting time to be around Collegians Football Club with the 3<sup>rd</sup> senior side, even larger numbers of Colts and a strong hard working Committee and support for 2006. With this, we look forward to bigger and better things both on and off the field next year

The Collegians Football Club would like to sincerely thank our much valued partners Fleet Network, Laced Up Cottesloe, PKF Accountants, The Claremont Hotel and Supa Valu Nedlands.

Digby Moullin  
President - Collegians AFC

**COOLBINIA WEST PERTH AMATEUR FOOTBALL CLUB**

The 2005 from the outset was a year that Coolbinia West Perth as a club was going to continue to build and become a major force in the amateur ranks. The main objective for the year was to play finals football and congratulations must go out to all the coaches and players as two teams made the finals, with the C grade going all the way to the grand final. C Reserves efforts to get into the finals was enormous with ten straight wins and E grade were unfortunate in just missing the finals by one game. The achievements this year of all our teams I strongly believe was not a surprise but a reflection of the belief and faith we have in the players at the club and the hard work of the coaches and committee.

The work ethics of Jamie Wynne, Scott Hamer-Matthew, James Houllis and Bob Scherini must be acknowledged and immensely appreciated. Without their dedication and belief the goal of playing finals football would not been realised.

There are obviously a few people who we need to thank for making this year possible. Firstly I would like to thank the committee for all their hard work during the season and to Bill Peck, Jeff Campbell and Val Campbell the biggest thank you for your total support and commitment to the club. To all the support staff and in particular Cathryn, Nicole, Carmel, Brad Nairn, Scott McManus and Tony Libia, thank you for all your efforts. The professionalism that you have all brought to the club is truly appreciated. To all of our sponsors, in particular Liquor Barons Mt Hawthorn, Pro-Lamps, Haslingers Automotive Services, Harvey World Travel Mt Lawley and Brian and Christine Kimber, thank you also for your enormous contribution and support.

In closing to all the players, I sincerely wish to congratulate you on your achievements throughout the 2005 year and thank you for making it a memorable one.

Jim Vellios  
President - Coolbinia West Perth AFC

### MANNING RIPPERS AMATEUR FOOTBALL CLUB

Despite the disappointment of losing the D-Grade Grand Final 2005 will go down as the club's most successful year in history. The club's league side won a record 13 games in a row to finish in second spot and recorded meritorious finals wins against good sides in Coolbellup and Belmont. It took Melville's experience and their best game of 2005 to stop the young Rippers. In the reserves the club made the preliminary final and probably should have proceeded further. Best Players for Manning in 2005 were at league level Erwin Edlinger, Steve Kelly, Paul Vardy, Bob Braam and leading goalkicker Luke Lovett. At reserves level veterans Darren Christmass and Phil Smoker and 17 year old debutant Chris Kossen were the stars. The club appreciates the challenges that C-grade will provide in 2006 but is determined to not be spectators in September. With the continued support of major sponsors the Windsor Hotel and Pusey Partners and the continued improvement of a marvellous group of young players hopes are high.

Scott Greer  
President - Manning Rippers AFC

### MELVILLE AMATEUR FOOTBALL CLUB

2005 was an extremely successful year for the Melville Rams. The year started off with record numbers at pre-season training, even after the change from three senior sides to just two. The inclusion of a colt's team, the first in several years, created a great atmosphere at both training and social functions. During the season the league side maintained a position at or near the top of the ladder, losing only 2 games, both to other top of the ladder sides. The reserves and colts sides were always in the mix, with some inspiring wins towards the end of the season to charge into the finals. The end result of all three sides making grand finals was a first in the clubs' history. Though both the colts and reserves sides fell short of premiership success, the league side fought hard with Manning to bring league premiership glory to the Rams for the first time in 30 years. We now look forward to the challenge of 'C' grade in 2006!

Craig Caddy  
Melville AFC

### NORTH FREMANTLE AMATEUR FOOTBALL CLUB

The 2005 Season was another highly successful year for the North Fremantle Club. Four of our five sides made the finals, three played in Grand finals with two sides, The A Reserves and E grade winning their respective flags.

Our A Grade was unfortunately beaten in the A Grade Grand Final by North Beach at Leederville Oval. North Beach on the day were the superior side and congratulations must go the Club and to Bill in a well deserved win after being the dominant side all year. Apart from our A reserves premiership side - who only lost 1 game for the year, the other premiership side was our 4<sup>th</sup> senior side who went through undefeated and also achieved back to back premierships for 2004 and 2005 with the grand final being 36 consecutive winning games. The club had a very exciting wind up night at Tompkins Park where ruckman Troy Kerwood won the Fairest & Best closely followed by our player of the finals Cameron Hall in second place.

Off the field the club was very successful with our Perth Cup tent on the 1<sup>st</sup> of January 2005 having 750 people enjoying the festivities. We are well into the planning for the 2006 Perth Cup function which has been an excel-

lent fund raiser for the club over the last 6 years. Early into the 2005 season we completed our lighting upgrade which although was delayed, it allowed the club to play a number of night games and involve and introduce the local junior sides to the North Fremantle Club. We look forward to featuring more night games in 2006 after a very successful A Grade game against North Beach in the first round.

Thanks must go to our Executive and general committee who worked tirelessly all year, the WAAFL for its work to make the competition the best it can be, to our major sponsors Metropolis Fremantle and Swan Hotel and most importantly to our coaching staff and players for the on-field success they gave us.

Gary Hasler  
President - North Fremantle AFC

### WANNEROO AMATEUR FOOTBALL CLUB

The Roo's celebrated its 20 year having nominated 1 side back in 1985 which was graded in 'J' grade. Before the start of the 85 season the club had already expanded to a second side in 'L' grade. The 20<sup>th</sup> year was celebrated with a number of functions and a reunion of the inaugural players. Well known football identity Colin Northcott published a high quality booklet on the clubs history which has already become a collector's item.

Our home ground the Wanneroo Showgrounds received a \$170,000 lighting upgrade of which the club made a substantial contribution. The lighting upgrade saw the club play its first night game which was attended by well in excess of 1,000 spectators, reconfirming the club reputation of a strong supporter base.

Our 'A' grade team followed on from its Grand Final appearance of the previous year but was defeated in the preliminary final. This was considered to be an excellent effort considering the number of long term injuries to players during the year. Two players made the State team with both being selected in the All-Australian Team being Leigh McKnight and Rickie Rogers. Leigh was appointed as Vice Captain and went on to represent Australia in Ireland.

The Club will continue to focus on it's on field performance, player welfare and build on it's standing and support within the community.

Russell Burnett  
Secretary - Wanneroo AFC

### WARNBRO SWANS AMATEUR FOOTBALL CLUB

Warnbro Swans AFC members and committee's have been pleased with the success of the club on and off the field this season. Thanks to our Sponsors and to the WAAFL staff and board for being able to once again give us the opportunity to be involved in the Amateur competition, which I'm sure we all must agree on, has become much more pleasant and professional to be involved with. Well done to all Club's and committees for getting through another season and remember we are all here for the same reason, we just live in different streets. Let Football be the winner at the end of the day.....

Congratulations to our Reserves team and coach Geoff Davis for the bringing home of the C Grade flag. Congratulations to Premiership winning players and their clubs. Looking forward to season 2006.

Cheers  
Pam Shepherd  
President - Warnbro Swans AFC
