## A MESSAGE FROM COUNTRY FOOTBALL WA

On behalf of Country Football WA, I'd like to welcome everyone to this year's Women's Divisions of the Nutrien Ag Country Football Championships. 2024 is the fifth edition of our Women's Championship and remarkably the 50th year of Nutrien Ag Solutions partnership with Country Football WA.

For the second year in a row there will be two Women's Divisions of the Championship. South West are gunning for their fifth title on the trot and will again face some tough opposition from the Kimberley, Great Northern and 2023 Division 2 Champions Peel fresh off their promotion to the top flight.

Headlining Division 2 is the Great Southern, relegated from Division 1 last season. They will come up against North Pilbara, Esperance and Goldfields with one of the sides guaranteed to lift some silverware for the first time ever in the Women's Championships.

After the first edition of the Women's Division back in 2019 with five sides, it is amazing to witness the continued growth

in not only team numbers but also the skill and talent on display and we are again excited to witness the action across the two days at Lane Group Stadium in Mandurah.

We are also excited to again be able to live stream every game of the championships via the Streamer platform. This means that those loved ones back home in Country WA, or anywhere in the world for that matter, will be able to tune-in to watch the best Women's footballers in Country WA battle it out.

A big thank you to the Peel Thunder Football Club once again for hosting us at your fabulous facility.

We look forward to a great week of Country Football and wish all the players, coaches, umpires and support staff the very best. As always, please don't forget to *Belt up.* and drive safely!

**Brent Sheridan**  
Manager Country Football South  
West Australian Football Commission

# 2023 WOMEN'S CHAMPIONSHIP RESULTS AND ALL STAR LIST

## CHAMPIONSHIP FINALS

### Division 1

South West Football League

## WELCOME FROM NUTRIEN AG SOLUTIONS

Country footy clubs are the heart of our rural and regional communities across the state, and Nutrien Ag Solutions is proud to continue our support of Country Football WA.

With 180 years of history alongside Australian farmers, Nutrien Ag Solutions is the trusted name in agriculture for top-tier advice, products, support, and innovation. As part of the Canadian-based Nutrien Limited group, we are globally supported but remain locally focused.

We see a bright future for Australian agriculture. Our mission is to ensure our farmers succeed by providing everything they need to grow our world from the ground up. Beyond being an agri-business, we are an integral part of the rural and regional communities where we live and work. This commitment drives us to give back, lend a hand, and partner with community groups and organizations that strengthen and uplift our country towns.

This year marks the 50th year of partnership with Country Football, supporting country football in WA. Nutrien Ag Solutions, along with our legacy brands, has enjoyed a long and meaningful relationship, fostering the growth and success of country football.

We extend our gratitude to Country Football WA staff, volunteers, umpires, coaches, and players for their dedication and for putting on an outstanding 2024 Nutrien Ag Solutions Women's Country Football Championship.

Best of luck to all the teams competing for the Division 1 and Division 2 Titles!

Warm regards,

**Andrew Duperouzel**  
Region Director - West

# NEW HOLLAND WA STATE COUNTRY TEAMS

The New Holland State Women's program for 2024 took on Perth Football League (PFL) back in June under lights at Gil Fraser Oval, North Fremantle.

The CFWA girls came out strong and led at halftime however the game turned into a nailbiter with the result ending in a draw. Coached by Rennie Meadmore from Busselton and Mt Barker Premiership Coach, Sheridan Kowald, the girls never gave up and kicked the last goal of the game with under 2 minutes to go to draw level and then hold on for the draw. Katie Jayne Grieve from Busselton took out the 2024 Best on Ground medal for Country Football WA.

Our annual interstate game returned to SA this year as the New Holland WA State Country Men's Team took on a strong South Australian team back in July.

The game featured as a curtain raiser to Adelaide v Hawthorn at Adelaide Oval. WA Country failed to capitalise on a strong start and went down to the Croweaters by 43 points. Our country WA boys showed great intent in the first term, grabbing

a five-point quarter time lead courtesy of Tom Lee. However, with a momentum change South Australia were just too strong. The Terry House medallist for 2024 was Ben Rushforth from Quairading FC in the Avon Football & Netball Association. Zoe Bell, Manager of Country Football North states,

"The boys started strong however, just couldn't pull off a 4-quarter performance. We will reconvene with Michael and selectors and plan to come back stronger for next year where we will take on SA back on our home turf."

"For now, we focus on the Women's Championships where we are excited to see our state players from June and potential talent to look at."

The New Holland State Program will continue in 2025 with dates to be finalised and communicated accordingly to selected squad players.

*The WAFL High Performance Boundary Umpiring Team showed their support by presenting her with a shirt signed by the entire team.*

## UMPIRING WA

Daniella Schoeman, a talented Boundary Umpire from the South West Football League, has been making waves in the umpiring community with her talent and dedication. Recently, she participated in the Men's Nutrien Ag Solutions Country Championships, where she showcased her abilities once again. However, in an unfortunate turn of events, Daniella sustained a wrist injury the day before the finals which required surgery and sidelining her from being selected to Umpire the Division 1 Grand Final.

Daniella's commitment to umpiring runs deep, with her father, a goal umpire and sister Tanika also a Boundary Umpire, both being a constant source of support and inspiration. Her impressive performance in the most recent championships earned her the title of Boundary Umpire of the Carnival, a recognition that highlights

her potential and hard work. Her coach for the Nutrien Ag Solutions Country Championships and WAFL League Grand Final Boundary Umpire Bailey Foulk, was extremely proud of her efforts, seeing great talent and a bright future ahead for Daniella.

Unfortunately, Daniella was unable to take part in the U15s National Championships on the Gold Coast in July due to her injury. While this setback is undoubtedly disappointing, Daniella's resilience and passion for the game will undoubtedly see her return stronger. We wish her all the best in her recovery and look forward to seeing her back umpiring soon.
