INTRODUCTION

The West Australian Football Commission (WAFC) is committed to ensuring all West Australians have the opportunity to participate in our great indigenous game as a player, fan, umpire or coach.

The WAFC supports education by providing quality, innovative and engaging curriculum resources bringing our game into the classroom.

WAFC Football Development Officers, based in both metropolitan and regional locations, are your key liaison point for further information.

The Game Development team at the WAFC looks forward to your continued enthusiasm for Australian Football and hopes you and your students enjoy participating in the various football based programs on offer.

ABOUT FOOTBALL IN WA

The West Australian Football Commission is the caretaker of football throughout the State, responsible for the overall development of the game.

Football in WA dates back to 1895. Today it is the most popular sporting code in the State with more than 150,000 active participants each weekend during the season: more than double any other sport.

The WAFC is a not for profit sporting association. It is incorporated under the Associations Incorporation Act and governed by a volunteer board that oversees the operation of all football activities throughout the state. The WAFC's role includes ownership of the West Coast Eagles and Fremantle Dockers Football Clubs, guiding the West Australian Football League, overseeing community football, managing umpiring and football development and acting as the manager of Patersons Stadium.

The WAFC works closely with the following key advisory groups:

- Education Advisory Group
- Primary School Football Advisory Committee
- Secondary School Football Advisory Committee
- School Girls Advisory Committee

This creates positive communities through the active promotion of teamwork, responsibility, respect, leadership, commitment and community participation.

FOOTY PLUS

Football is more than a game. Football helps to educate our young, improve the health of our community, helps prevent suicide, provides a stepping stone to a rewarding career, helps the disabled, prevents bullying, assists migrants to learn about Australia, provides future leaders and promotes good citizenship. Football enriches our community.

While many of these benefits have long been the result of our activities, the West Australian Football Commission has both harnessed and harvested activities delivering these benefits and used the knowledge to develop one of the most comprehensive community benefits programs in Australia.

We've called it Footy Plus.

COLES AFL SCHOOL AMBASSADOR PROGRAM

The Coles AFL School Ambassador (AFLSA) program resources, recognises, motivates and rewards teachers who strongly promote the game of Australian Football in their school and community.

Over 1200 WA primary and secondary teachers have joined this national program since its inception here in 2004. Free professional development opportunities are available throughout the year. Contact the WAFC on 9381 5599 or education@wafc.com.au.

Key Coles AFLSA responsibilities:

- Provide a point of contact for teachers, parents, students and community clubs
- Assist in the distribution of resources
- Implement AFL related activities and competitions in schools
- Professionally develop colleagues

The AFL provides a selection of the following:

- Footballs & portable goal posts
- Apparel
- Curriculum resources
- 2013 AFL Season fixture pen

2013 YOUTH GIRLS COMPETITION

In May 2013 the inaugural Metropolitan Youth Girls competition will be launched. This is a fantastic opportunity for girls aged 13 – 17 who have enjoyed their School Football and want to continue playing.

Games will be played at the same venues as the WAWFL League and Reserves teams. The Youth Girls competition will become the premier competition for teenage girls and the third tier of the WAWFL structure (similar to the boys Colts age group). Games begin at approximately 10.00am on Sunday mornings for a 10 week season. Finals are in late August alongside the WAWFL finals.

For more information contact your nearest WAWFL team, District Manager or Alison Moore the Female Football Manager on either amoore@wafc.com.au or 0430 868 145. Come on, get involved!

AFL QUIZ - aflquiz.com.au

The WAFC & AFL have developed the exciting online AFL QUIZ for students. The competition promotes collaborative learning rewarding the winners with terrific prizes.

Go to www.aflquiz.com.au to register.

AFL DREAM TEAM SCHOOLS COMPETITION

The AFL is looking for the best student Dream Team player in Australia! Are you the Scott Watters of the schoolyard? The Ross Lyon of the playground? The John Worsfold of the classroom?

Visit the AFL website from March 2013 for further details.

AFL TIPPING SCHOOLS COMPETITION

The AFL conducts a major footy tipping competition for students with great prizes to be won.

Visit the AFL website from March 2013 for further details.

RESOURCE ASSISTANCE SCHEME

- The school has a Coles AFL School Ambassador
- Participates in competitions of at least six weeks in duration or has registered
- Financially assists schools in purchasing school football jumpers and/or equipment to enhance the teaching of Australian Football
- Can demonstrate the 'grant' will lead to a potential growth in participation.
- Allocation is on an individual needs basis by the District / Regional Managers and the WAFC

TRAVEL SUBSIDY

- Assists with travel costs from participating in school football
- Shares in a \$5,000 pool will be available at the conclusion of each WAFC coordinated competition based on the total distance travelled by each school. This is calculated by allocating a percentage of the \$5,000 based on the proportion an individual school travels relative to the total distance travelled by all schools. (i.e. school 'x' travels 600km, the total distance travelled by all schools was 4,000km. School 'x' will receive 15% of the funds available)
- Allocations are managed by the District / Regional Managers in consultation with the WAFC

AFL GOAL POST SUBSIDY

- The school has a Coles AFL School Ambassador
- Participates in competitions of at least 6 weeks in duration
- Can demonstrate the posts will lead to potential growth in participation and increased access by the local football community
- Financially assists schools to purchase permanent Australian Football goal posts
- At least \$1,000 per school for those meeting set criteria
- Allocations are managed by the WAFC in consultation with District / Regional Managers
- All posts to be erected by no later than September 2013
- Schools must ensure that specific state government guidelines are adhered to with regard to installation

For further information please contact your District / Regional Manager.

WEST COAST EAGLES SCHOOLS AND COMMUNITY PROGRAMS

The West Coast Eagles recognises its position in the Western Australian business and sporting community as a leader both on and off the field. We are committed to delivering high quality programs to schools and the wider community. With the support of our principal community sponsor, BHP Billiton Iron Ore, we have been able to maintain a high standard of delivery and in 2013, we are again lucky to have BHP Billiton Iron Ore as the principal Eagles in the Community partner. Through their generous support, we are able to offer all aspects of our **SCHOOLS PROGRAMS FREE TO PARTICIPATING SCHOOLS**.

OPEN TRAINING SESSIONS

When training sessions are open to the public, schools are a most welcome addition to our spectator group. Please call the West Coast Eagles reception on 9381 1111 to determine which sessions are 'open'.

KICKING GOALS

The Kicking Goals program is one of Australia's largest regional based AFL mentoring programs, combining sport-based initiatives to help high school students in the Pilbara towns of Port Hedland and Newman achieve better educational and employment outcomes.

Each year BHP Billiton Iron Ore, Swan Districts and the West Coast Eagles combine forces to deliver this quality education program. Kicking Goals is a curriculum-based initiative that utilises a reward and incentive system, where students are required to maintain certain key performance indicators to stay in the program and be eligible for various incentives. One of these incentives is the visits to Hedland and Newman by current West Coast Eagles players. Not only do students get to meet their football heroes during their visits to the Pilbara, students also get the opportunity to communicate with them about all aspects of education and life.

Every year, the Kicking Goals students are invited to participate in a curtain-raiser football match before a West Coast fixture. The most sought after prize, however is the Melbourne incentive trip, where well-performed Kicking Goals students are taken to watch some of the best AFL fixtures live at the MCG and Docklands.

Students conclude their time in the program with expertise and certificates in First Aid, coaching, umpiring and many other aspects associated with football. Students are then encouraged to use these skills within their local community.

COLES AFL SCHOOL AMBASSADOR PROGRAM

In 2012, the West Coast Eagles and BHP Billiton Iron Ore provided one of the major prizes of a trip to the AFL Grand Final for a highly committed AFLSA. The same support will be offered in 2013.

DAVID WIRRPANDA FOUNDATION

The David Wirrpanda Foundation aims to promote strong role models and healthy lifestyle choices to indigenous youth in Western Australia. With a desire to assist and develop young people through education, promoting healthy lifestyles and building self esteem, the Foundation prides itself on a mentoring program which identifies talent and focuses on assisting Indigenous youth with school, technical college, university and community and government programs.

For further information on the David Wirrpanda Foundation, please contact Lisa Cunningham on 9381 5990 or visit www.dwfoundation.com.au

HIGH SCHOOL PROGRAM

The West Coast Eagles High School Program is a one-hour presentation delivering important messages to suit the needs of your school. Presentations from West Coast Eagles Schools and Community team members include videos from players and interactive activities.

Your school has the choice of one of the following topics:

Cyber Bullying - With the increasing use of social media, cyber bullying is becoming a concern. The aim of the topic is to increase awareness of the impact of this issue and provide strategies to overcome it.

Goal Setting - Delivers messages on goal setting, the importance of pursuing relationships and dreams, the role of values in this process and steps on making these dreams become a reality.

Eagle Insight - Provides an insight into the training requirements of an AFL player, nutritional information as well as injury management and prevention. This program is specifically designed for Physical Education students.

Leadership - Provides an insight into the leadership structure at the Eagles in addition to increasing students knowledge and understanding of the principles of mentoring.

Smoke Free - Provides facts, figures and the effects of smoking which are discussed in relation to athletic performance. This presentation is aimed at lower to middle school students.

INDIGENOUS LEADERSHIP PROGRAM (ILP)

In 2012, the ILP was conducted with the support of the David Wirrpanda Foundation, Diabetes WA and School Drug Education and Road Aware for students from Governor Stirling SHS and Swan View SHS. Students participated in six sessions that taught valuable life skills for beyond the classroom, empowering students to take action to lead a positive, healthy lifestyle, and make socially and personally responsible decisions. The ILP will be expanded in 2013 in partnership with the David Wirrpanda Foundation.

CLUB TOURS

In 2012, more than 30 school tours were conducted through the West Coast Eagles facilities, allowing approximately 600 students and staff to have a sneak peek into the club's inner sanctum. Visitors receive a full tour and gain an insight to the daily lives of the football elite.

MULTICULTURAL PROGRAM

The Multicultural Program assists new and emerging communities integrate by using Australian Rules Football as a vehicle for social inclusion.

The WAFC recognises Australian Rules Football has the capacity to bring communities together by building strong relationships through consultation and developing strategies to encourage participation.

Benefits of the program include:

- Social inclusion through participation
- Literacy and numeracy outcomes
- Assisting culturally and linguistically diverse youth become more active
- Creating links between schools and community clubs
- Developing important life skills through sport i.e. teamwork, leadership, self-confidence and respect
- A positive experience with Australian culture

The Multicultural Program also provides consultation services to local football clubs to assist with the integration of players from new and emerging communities. These services include cultural awareness workshops and community engagement sessions.

"It's a pretty obvious point, but every AFL umpire has to start somewhere... I started in juniors in 1996. I loved umpiring and the benefits that came with it from the first training night and the first game I umpired. It was a bit different though, at first, having the whistle on the fingers when I had been so used to just playing the game. But the knowledge and coaching I received at junior level gave me an outstanding foundation to allow me to perform as I do in the AFL competition today."

DOES YOUR SCHOOL HAVE A COLES AFL SCHOOL AMBASSADOR?

Yes No

Schools can conduct more than one competition each year, however, a competition must involve a minimum of six weeks or six games for each team.

If your school participated in 2012, you still need to register for 2013 so you don't miss out on additional resources.

AFL SPORTSREADY

YOUR PARTNER IN EMPLOYMENT & TRAINING

AFL SportsReady is a not-for-profit National Group Training Company employing and mentoring trainees and apprentices towards a successful career pathway.

HOST EMPLOYERS AFL SportsReady offers:

- Free recruitment service
- Full network service from selection to completion
- It is cost effective - we take care of all paperwork!
- Over 16 years experience!

Principal: *Mr Paul Rafter* Trainee: *Jayde Harvey*
Host Employer: *Irene McCormack Catholic College*

"IMCC has engaged in the AFL SportReady program for five years and the benefits to the College have been immeasurable. The program offers a traineeship to former students from our own College or similar Colleges in our region.

This year's trainee, Jayde Harvey, continues to benefit from the practice of developing a wide range of on-the-job skills including event planning, facility/equipment management, sports coaching, Occupational Health & Safety, database entry and recreational adventure leadership.

Clearly Jayde has thrived on the staff mentoring she has received in the area of sport and recreation. Her hands-on experience in outdoor education camps, sporting carnivals, sports excursions and coaching of junior athletes will serve her well in future employment.

As part of her traineeship Jayde will complete a Certificate III in Sport & Recreation as well as gaining qualifications from St. John Ambulance, Surf Lifesaving Australia and Aust-Swim.

Jayde, like her predecessors, acts as a role model for current students and thereby assists in maintaining positive teacher-student relationships"

What is a Traineeship?

Traineeships are made up of two components:

- on the job experience
- accredited training with a Registered Training Organisation (RTO).

Traineeships provide young people with paid "hands-on" experience in the workforce as well as nationally accredited training at no cost to the Trainee!

Traineeships can be full time, part time or school based.

We offer traineeships in:

- Sport & Recreation
- Retail
- Administration
- Finance
- Marketing
- Horticulture
- Education/Schools
