### HealthWays 2 & 5 Branding

WAFC Policy 15H in the Junior Club Manual requires all Match Footballs to be yellow, manufactured by Burley and branded with the nominated WAFC Ball Sponsor, specifically *HealthWays 2 & 5*.

In 2021 the branding requirement will only apply to leather footballs, not size 1 and 2 synthetic footballs.

The age groups affected are:  
 Year 3 & 4 Male and Female.  
 Year 5 & 6 Female.

Synthetic footballs are identified as *Burley Carnival* or *Burley Attack* as per below graphic. If you are unsure how this affects your club, please contact your Competition Team Administrator for clarification.
