## PRESIDENT'S REPORT

**What a great year it has been for a great club. It was back in the golden era of 1954, the last time that South Fremantle had the double win with both league and reserves.**

Success like this isn't by chance. It doesn't just happen. Rather it is because of a very dedicated group of people. A group made up of professional coaches, a hard working and dedicated board, great administration, loyal support staff and a talented list of courageous footballers. With this team it's no wonder we won two grand finals in 2009!

However I also believe that this success is the result of the great level of support we have from our members and supporters. In particular a special vote of thanks goes out to the Friday night members who support the club on most Friday nights throughout the year. WAFL clubs cannot survive without you and your continued support. Let's all help the club further in 2010 by enlisting other supporters to join the club by becoming fully financial members.

On behalf of the members and everyone associated with our club, I would like to take the opportunity to congratulate Ray Smithers on achieving Life Membership. Thanks to Ray for his loyal commitment to this football club, both on and off the field. I would also like to thank personally Ray's mother Sherrald, and the entire family, for their wonderful commitment to the SFFC. We all wish Ray a happy retirement and hope he can come back to the club some day and assist in some other way.

I would also like to take the opportunity to say thank you and farewell to Keren Ugle, another player and Life Member who served this club with great distinction.

On a sad note I would like offer our condolences for the passing of three of the

club stalwarts. The first is Roy McGuinness. Roy was an outstanding member who served over many years to this club. To his wife Pam, son's Brad and Lorne your father will always be remembered as one of South's best.

The second stalwart and life member is Doc Reid who we sadly lost on the eve of the Grand Final. Doc Reids's commitment to the SFFC was outstanding. As club doctor for 33 years and as a treasured club member and friend to so many, Doc - you will be sadly missed. To Marion and family, Doc will never be forgotten.

The third sad loss to our club was a most beautiful lady, Ruby Wilson. Ruby was a life member and served this club for over 50 years to all of her family and friends her commitment to this club and her friendship will never be forgotten.

The success that South Fremantle has enjoyed in 2009 can be attributed to many people. I would like to take the opportunity to pass on my thanks to the following:

Firstly, from the entire club, thank you to Peter Bell and Jeff Farmer for coming back to the club you started at. Your commitment to this club both on and off the field was outstanding. To finish your careers with a premiership medal was a dream come true not only for yourselves but for our club.

Thanks to past players and officials. Under the guidance of Wayne Delmenico their president, their commitment to our player group and engagement with the board has been fantastic and greatly appreciated.

To our coaches, many thanks for the level of professionalism you displayed in the way you went about undertaking your roles. Thank you on behalf of the board and of all SFFC members.

To our player group, you have made SFFC supporters and members all over Australia very proud and happy in 2009. Congratulations on your outstanding achievements this year.

To our new group the "POP" or "Parents of Players", we thank you for your involvement in our club, and for your friendship and support this year. You not only produced great young sportsmen but also a bunch of young and well mannered members to our club.

To our magnificent support staff, we couldn't have done it without you. Thank you (and best of luck to Ron Porter in his semi retirement!)

To our office staff, many thanks. In particular thanks to Amelia who has been a great help to me in my first year on the job. Amelia - I greatly appreciate it.

I would also like to pass on my thanks to past president Terry Dean for his assistance in helping me in my first year and handing over the club in such great shape.

I would like to thank our long serving CEO in Brian Ciccotosto for his great commitment and help and for the great support from my board of directors. Their contribution to this successful year has been the outstanding. Many thanks to -

**Terry Dean**  
**Rob Taylor**  
**Santo Merenda**  
**Tom Bottrell**  
**Don Pasqua**  
**Anthony Van Der Wielen**  
**Peter Christie**

I would also like to thank the Board and CEO of SFFC for their commitment to the renovation of our change rooms at the start of this year. By giving our player group pride in their facilities I like to think that this project in a small way contributed to our success. I would like to give special vote of thanks to Joe De Petra for overseeing the redevelopment and his ongoing commitment to the club and our facilities. Both Joe and his wife Beryl from LRC Homes have given great service to our club and we thank them and wish them all the best.

To all the people above, thank you for a wonderful year in South Fremantle's history.

And saving the best to last, I would say many thanks to my wife Sue. For your great support throughout the year and for allowing me the time to do the job I needed to do.

To everyone connected to our club have a great Christmas... and let's have another shot at it next year.

## CHIEF EXECUTIVE OFFICER'S REPORT

Members of the South Fremantle Football Club, on behalf of the Board of Directors, I have much pleasure in presenting for your adoption the club's 110th Annual Report.

The disappointment of last years on field performance was completely erased this year when the players responded magnificently on grand final day to win in both the league and reserves grand finals a feat that was last performed in the 1954 football season.

The season started in earnest on a very positive note with the recruitment of Peter Bell, Jeff Farmer, Jaymie Graham, Theo Adams and Nathan Street and then the mid year inclusion of former Perth fairest and best player Chris Bossong, thanks to club supporter Joe Rotondella who paid his transfer fee.

Directors Peter Christie, Anthony Van Der Wielen and Santo Merenda played a leading hand in convincing the above players to sign with the club and must be congratulated on their astute judgement and negotiation skills.

The coaches and support staff were then able to mould our squad into two most competitive teams that finished minor premiers and along the way won the Pat Rodriguez Shield for the best performed club over three grades.

The colts were most unlucky not to play finals this year even though they won 13 games. Many of our colts players had an outstanding season and should make the transition to senior football in 2010 rather comfortably if they have good preseasons.

Off the field major renovations occurred in the home change rooms which are now the best in the league.

The board is now looking at enlarging and refurbishing the club kitchen in preparation for a busy 2010. Our official club caterer Guido Micalizzi recognised throughout the football industry as the best in the business is looking to sign a long term lease agreement with the club which should benefit both parties and give members additional opportunities to visit the club and taste his gourmet meals.

### First Year Players

In 2008, fourteen players made their league debut but only seven players Mark Miller, Joel Palumbo, Nick Groenberg, Brandon Matera, Nathan Street, Brett Stanford and Chris Bossong pulled on the

red and white jumper for the first time in 2009.

This relatively small number can be attributed to the return to the club of Bell, Farmer and Adams and the stability of the league side.

### Best Player Awards

Congratulations to Kris Miller, Joel Palumbo and Jarrod Parry for winning the best and fairest medals for the league, reserves and colts respectively.

### Special Awards

The Clive Lewington Medal for our best player in the Foundation Day Derby was presented to Hayden North. The Sir Hughie Edwards Medal for the best player in the ANZAC Day Derby was won by Peter Bell.

The winner of the Neil Lewington Medal for our best player in the second semi final was Theo Adams.

Simpson Medallist Ashton Hams completed a double by winning the Ron Doig Medal in the Grand Final.

The Strzelecki Group Indigenous Rising Star Award was won by outstanding junior Brendan Ah Chee.

### State Representatives

Toby McGrath, Jaymie Graham, Jeff Farmer and Peter Bell represented WA at Medibank Stadium when WA defeated SA by one point.

### Life Membership

The Board has much pleasure in recommending in 2009 that Joe DePetra and Alan Powell be awarded Life Membership.

We also congratulate Ray Smithers for qualifying for Life Membership on playing his 150th league game this year.

### Lifetime Membership

The following qualify for Lifetime Membership in 2010 by virtue of continuous 50 year membership: Antonio Capolingua, John Sheppard, Dawn Lukatelich, Lynn Jeffery, Frank Giaquinta, Barry Smith, Ante Buselich, John F Lange, Jeanette Dymock, Fred Gillham and Peter Vinci.

### Volunteers

Every year our volunteers never cease to amaze me. This year three qualify for their ten year service certificate. Congratulations to Tony Mollica, Anna Kristancic and Felix Smetana for

completing a decade of meritorious service.

### Directors and Administration

Haydn Raitt completed his first year as President with a double premiership, a most satisfying result. A passionate South Fremantle supporter, Haydn's chairmanship of the board was accomplished in a professional and enjoyable manner and I would have no hesitation in saying all board members were appreciative of his leadership style.

Our latest addition to the board Anthony Van Der Wielen injected some fresh ideas and as mentioned earlier was of great assistance in securing the services of our high profile recruits.

Administration Manager, Amelia Dabrowski once again led by example, her enthusiasm and excellent work ethic had the desired effect of rubbing off on other members of staff culminating in a very friendly and enjoyable working environment.

The various members of the administration, football, development, bar and maintenance staff rose to another level year and epitomised the club ethos of care and respect for the South Fremantle Family.

Congratulations to Jason, Mike, Kirsty, Bradd, Louise, Steve, Ken, Jamie, Russell, Neil and bar staff on your contribution this year.

### WA Football Hall of Fame

This year we had great pleasure in witnessing the great Nicky Winmar being inducted into the Hall of Fame. Nicky is highly revered at WAFL and AFL level for his outstanding contribution to football and for his stance against racial vilification.

### Conclusion

On reflection we have just enjoyed a most successful 2009 which should be a launching pad for 2010.

We see the end of the three wonderful careers of Peter Bell, Jeff Farmer and dual premiership player Ray Smithers.

We must ensure that planning for next year includes securing adequate replacements for the above three and at least one key forward.

Knocking Subiaco off their pedestal was step one, staying there is step two.

## 2009 FOOTBALL MANAGER'S REPORT

Each year every football club in the country puts in a lot of planning, based around wanting to be successful and claiming the ultimate prize of a premiership. But as most find out, they are in no way easy to win. That's why the efforts of everybody involved with this football club in 2009 need to be recognised and given the credit they deserve.

What makes it even more special is that the club won both the League and Reserves premierships for the first time in over 50 years.

The entire senior squad of players has this year shown outstanding commitment, leadership, and skill to bring such success to the club. They have certainly earned the right to be referred to as premiership players for the rest of their lives, and I want to formally congratulate them all on this achievement.

There were a number of great achievements during the year that should be acknowledged, with the club having 4 representatives in the WA State Team that beat South Australia in May. These include Peter Bell, who was named Captain, as well as Toby McGrath, Jaymie Graham, and Jeff Farmer. Kris Miller won his second WJ Hughes Medal in 2009, being named our Best & Fairest player ahead of Peter Bell and Toby McGrath. Well done also to Joel Palumbo, who was named the Reserve's Best & Fairest, after winning the Colt's Best & Fairest in 2007 and 2008.

John Dimmer has again proved he is one of the best coaches in the state, winning his 4th senior WAFL premiership. Working with John has been very rewarding with his knowledge rubbing off not only on me, but everybody he associates with. His professionalism around the club sets the standard and it is a pleasure to work with him. I know the entire coaching panel feel the same way and I also want to thank them for their efforts this year. Their dedication allows everybody to be given the best opportunities and they lead from the front, in both on field and off field expectations.

We often hear about the volunteers in football and the army of over 60 volunteers who dedicate their time and resources

to helping the players at this club are no doubt 60 of the best we could ask for. I know the players are very appreciative and from me personally I want to thank every individual who has put their time into volunteering their services, from the stats team to trainers, property, medical, team managers, and general helpers. There is no job too big or too small for them and getting to meet and become friends with these people is a highlight.

Our colts squad can consider themselves somewhat unlucky to have missed out on playing in the finals in 2009. They fell just 0.9% short of finishing in 4th place, which over the course of the season equates to just one goal. Despite not playing in the finals a number of players achieved fantastic personal milestones, including Damian Hayward, Anthony Collica, Lloyd Skinner, and Brandon Matera representing WA in the National 18's Carnival. Special congratulations go to Brandon on being named in the All Australian side. And after a fantastic 2009 season Ben Newton has been included in the next intake of AIS Scholarships, where he will be part of a national program for elite young players.

The coaching and support staff of the colts put in a mountain of work and again my thanks go to you. You play a big part in the future of this club and the development of our young players is critical to future success.

The administration staff make coming to work an enjoyable experience everyday and I must thank Amelia, Kirsty, Mike, Steve and Brian for their help and support. For such a small team, they do a mountain of work to help make this club the successful club it is. Bradd, Louise, Russell and Jamie have been great for me both personally and professionally. They also do a great job within our district and community.

Sadly 2009 brings an end to the playing careers of some true champions of the club. Peter Bell and Jeff Farmer could have retired after stellar AFL careers and been content. However in a true show of their character they returned to the club they started with and helped both on and off the field to develop our players and improve the standard at which we operate. To be able to learn from them has been a highlight for me. Tim Malseed came to the club three years ago and had a big impact with his experience and leadership. He also retires from WAFL football and I wish him the best with his future.

If ever there was a true clubman, Ray Smithers would be it. Ray retires this year after 157 games, 2 league premierships, and Vice Captaincy amongst many other accolades. I've always looked up to Ray both as a player and as a person, and am proud to call him a friend. The way he went about his career has been inspiring and I wish him all the best for his future and his travels, and no doubt we'll see him around the club again.

2010 will be an exciting year, with some younger players looking to rise up and show the WAFL what they can do. They realise now what it takes to achieve success and will be working even harder next year to achieve another premiership and show what a great team they are.

## MARKETING & SPONSORSHIP REPORT

### Corporate Classic

The Fremantle/Cockburn Gazette was the winner of this years Corporate Classic draw.

Christine Sutherland and Stephanie Cole were delighted with the exposure gained through the jumper signage of the 2009 premiership club.

One of Fremantle's most renowned eateries on the Cappuccino Strip "Gino's" and Phil Tweddle from PK Tweddle were the consolation prize winners.

Congratulations to Craig Thompson of Seacorp on winning the early bird prize of a table of ten to the Anzac Day Derby.

### Sponsorship

The marketing and sponsorship committee was very active this year in attracting new sponsors to the club for the first time, the list includes: DTMT Constructions, Q Contracting and Plasterwise, The Gate Bar and Bistro, Chooks Fresh & Tasty Coogee, WA Hino, Aquanita Racing, Bentley Crane Hire, Fremantle Freight & Storage, Harvey Fresh, Rottnest Express, Tint A Car Fremantle and Tony Ale & Co.

Our club continues to be well served by a loyal band of sponsors some of whom have been supporting the club for over twenty years.

The President's home game luncheons are great opportunities for sponsors to network in a most convivial atmosphere with "Numero Uno" providing gourmet Italian dishes complimented by premium Fosters largers and fine wines from Driftwood and Tyrrell's.

### Special Events

This year the club's major special event was the "SFFC Indigenous Team of the Century" celebration dinner proudly sponsored by DTMT Construction.

All members of the star studded line up mentioned below were in attendance except for Bill Hayward who played for South in 1936/37.

### Banquet Auction

This most enjoyable evening was held at the club in the Griff John Function Centre on 22 August 2009.

The move away from the Esplanade Hotel Fremantle proved very popular with the members and will become an annual event in the social calendar.

### Membership

A huge increase in membership numbers was experienced in all areas this year and this was largely due to the inclusion of Peter Bell, Jeff Farmer, Jaymie Graham and Theo Adams being signed up early in the pre season and the excellent value for money our membership offers.

### Marketing & Sponsorship Committee

This year the committee was chaired by Santo Merenda and included directors Don Pasqua, and Anthony Van Der Wielen, with assistance from Drew Mazalevskis and Gavin Jahn.

President Haydn Raitt and director Terry Dean were also present at various meetings.

### PAST PLAYERS AND OFFICIALS REPORT

Congratulations to both the League and Reserves teams on winning their respective premierships and providing the club with the ultimate reward. Their efforts on and off the field have been outstanding.

The aim of our group is to assist the club and players wherever and whenever possible. This year we were involved in supporting the club to provide club jackets to all league and reserves players, support staff and coaches. Thank you to the members and businesses who contributed to the sponsorship of a jacket. Thanks must go to Don Pasqua who organised the jackets.

We also purchased an exercise bike for the players rehabilitation. With the assistance of the players, we also arranged a raffle on each Saturday home game. This enabled us to give an amount of \$3,162 towards the players trip fund. I would like to thank Scotty's Fruit and Vege, Homestyle Salad Makers and Dorsogna Ltd for their kind donations towards these raffles.

Throughout the year we increased our membership by providing an enjoyable environment during the half time break. Thanks to

all the people who provided food and refreshments during the year.

I would also like to thank Rodney Higgs, our barman, who once again did a great job, also Vida Dunstan and Sheila Greer for their support by providing sandwiches. I would like to thank Bob Bright for his support and also to coordinating the Presentation Night meal for the State School Boys and Girls teams which were hosted by SFFC this year. Over 300 people attended the night. Thanks to Peter Dougan for organising the golf trip to Goomalling in July and also a bowls day at Spearwood Dalmatinacs which was held in October.

Finally, I would like to thank other members of our hard working committee: Barry Smith, Ron Johnston, Ron Greer, Peter Taylor-Thorpe, Ray Richards, David Brown, Kevin Saint, Jack Edwards, Allan Wedge and Terry Turnbull.

## WHERE ARE THEY NOW?

Roy and Pam, Ruby, Ron and Sheila ..... build a Bulldog tradition

At the last 'home' derby I attended the pre-match luncheon proudly wearing my 'SFFC- The Premier Family Club' T-shirt. I love being at South. The atmosphere at pre-dinner drinks, as usual, was terrific, the people warm and friendly and there was a feeling of confidence that our players would perform against a vastly improved and unbeaten East Fremantle, our traditional rival.

My wife, Caroline, and I were randomly allocated seating at the luncheon between truly legendary South people, Ron and Sheila Greer and Pam McGuinness. Both had recently lost loved ones, great South people who had dedicated a lifetime to South Fremantle. Pam was on her first trip back to the club after the passing of husband Roy and Sheila and Ron were battling the loss of a great mate and long time South helper, the extremely popular Ruby Wilson.

My immediate thoughts went out to the wonderful work done by Ruby and Roy over some 50 odd years. Then how could one leave out the Greers' with more than a 100 years of combined service, particularly as Sheila and Ruby worked identical paths. This is why we have such a wonderful club... the volunteers who dedicate their life for the betterment of South. We need to recognise and appreciate the work done by all of these marvellous South people. This story is a tribute to all who have volunteered to assist our wonderful club.

Probably we should amend the "Where Are They Now" banner for this our fifteenth issue...we all know that Ron and Sheila are never away from our club and that Ruby and Roy are probably overseeing the 'Bulldogs in the Heaven' matches starring greats like Bernie, 'Scrano', 'Big Dave', 'Loafer', 'Bones' 'Big Boots' and crew...

Their contribution to South represents something like 200 voluntary years of service in a club that's slightly more than 100 years old. Fantastic effort and wonderful dedication!

### Roy McGuinness

The McGuinness association with South is sensational, dating back to 1905 when

Roy's great uncle, Otto Kelly, was Captain of our club playing 30 games (Cap No. 136). Between 1927-31 Roy's father, Jack 'Trotter' McGuinness, played 79 matches (Cap 422) and also captained the side. Undoubtedly the most outstanding statistic at South involves Roy's wife, Pam... who represents three generations of South Fremantle Life Members. Pam won Life Membership in 1998 after many, many years of hard work on the ladies committee; her father, Claude Law, was rewarded in 1943 after some 32 years as club Secretary, Committee member, vice president fund-raiser and delegate; Son, Lorne was honoured in 2005 for his dedication and reliability as Trainers' Assistant. Lorne is now in his nineteenth year as club helper.

And still there's more. Pam's mother, Thelma Law, donated 20 valuable years to South's Ladies committee and son Brad spent 15 years in a variety of roles from Colt's statistician and runner to League runner, Team Manager and Chairman of Selectors.

As a youngster Roy would always get to Freo oval early to meet his idol, Clive Lewington, as he got off the tram in South Terrace. He would assist Clive off the tram and carry his bag into the ground with pride and get into the ground free. All boys were rewarded with free entry for lumping a league player's bag on match days.

Roy played just two league matches (Cap 718) in 1949 during the 'Golden Years' of South and played 79 Reserves games. He proved his outstanding talent by being runner-up for the 1950 Prendergast medal for the best player in the competition. However it was tough for any little fella to crack a league game in that era with the likes of Steve Marsh, Harry Carbon and Barry White to compete with.

Roy continued his connection with Fremantle Ex Scholars FC which awarded him with Life Membership in 1954 the same year he won Life Membership of the Fremantle Ex-Scholars Association. He also helped in the formation of North Fremantle Amateur FC and was captain in 1956.

In 1957/8 he was inaugural Secretary/ Manager of South's Thirds (Colts); 1959 joined SFFC committee; league selector 1960. Then after many years assisting SF Junior Council was appointed Life Member of South in 1969. During the next 35 years he held a variety of positions, including Chairman of Colts (four years) and interchange steward 1994-2003. Roy has recently been honoured with his name on the interchange bench. Roy sadly passed away in February just a few days short of his 80th...a lifetime of wonderful service to our great club.

### Ron & Sheila Greer and Ruby Wilson

Ron, Sheila and Ruby's association began with South in 1957 where they assisted with Hilton Park under 16's in our junior comp. Each had a son, Gary, playing and Ron was President and both ladies assisted in the canteen, at players' teas and selling raffle tickets. The coach was a very young John Todd but after injuring a knee he was replaced with South former player Kyffin Miller.

A couple of years later the boys moved onto South playing Fourths (under 19's), Colts and Reserves before both playing their first league matches in 1963. Gary Wilson (Cap 859) played eight league games and Gary Greer (Cap 851), 169 matches with South, including the 1970 Premiership... he was rewarded with Life Membership in 1981.

In the meantime the mothers were now helping at South. Among their many duties, Ruby and Sheila were preparing afternoon tea for sponsors', guests' and directors' on match days, sandwiches for the reserves and league teams, arranging players teas and selling raffle tickets in between. Sheila was quick to respond to the excellent help from Myrtle Williams, Jess Leslie and Anna Riddell. Sheila was honoured with Life Membership in 1983.

"Today Marion Reid and her team of helpers are arranging afternoon teas and food for special occasions", Sheila said. "They do a fantastic job. However, Vida Dunstan and I supply sandwiches for the Past Players half-time get together."

## South Fremantle Football Club

Sheila spoke with great emotion when describing her great mate, Ruby. "She loved South Fremantle. She was very popular with players, supporters and trainers. We worked together as good teams do until Ruby decided at 90 that was enough. She was 96 when she passed on."

Born in Fremantle, Ruby was rewarded with Life Membership of both South Fremantle (1982) and the Fremantle branch of the Labor party. She has been quoted as saying: "The people of South have been my saviour. I've done my part for the things I love."

Ron Greer has served just about every position at South from Premiership President (1980), Director, Trustee to raffle ticket seller and dishwasher.

He joined South in 1947, was appointed to the committee in 1963 and was President for the 1980 Premiership, after Norrie McDonald resigned through ill health. In 1971 he was awarded Life Membership. For five years he was a Trustee of our club and was President of the Social Club for some time. Ron played a major role in running

the 'Car Club' for 42 years... a terrific fund raiser for South with an annual car-raffle.

Ron has been honoured with Life Membership of the WAFL for his services to football, particularly South Fremantle.

You can still catch Ron and Sheila any Friday selling raffle tickets to members at the entrance to our club. Make sure you enter through Greer's Gate a tribute to their wonderful service to South. There's only one thing missing...their great mate Ruby's not with us to fold the raffle tickets as she has so diligently done for many, many years.

When asked for their favourite ever South player Ron said 'Toddy' but Sheila interrupted and corrected him, "We don't have any favourites. We love them all".

"South Fremantle has been our life", Ron said.

Then Sheila added, "Yes we've had a wonderful life and if we had our time all over again we wouldn't change a thing. Particularly our time at South, we've got friends for life."

The message from Pam McGuinness was strikingly similar. "Dad took me to South when I was very young. He was assistant secretary to Frank Harrison and I can remember helping dad by cutting all South stories from the newspapers and pasting them into a club scrapbook.

"Roy also had an early start at South, carrying Clive's bag and helping his father as property man between 1938-41.

"So we can sincerely say with pride South has been our life. The Premierships have been great but we truly treasure the lifetime of friends we have made among players, members and supporters of our fabulous club."

This story of wonderful dedication to our club is no 'lone ranger'. There are dozens of similar stories of hard work and sacrifice for the mighty 'red and whites'. Through this column we thank you all...please take a bow...you deserve it.

### SOUTH FREMANTLE WOMEN'S FOOTBALL CLUB – PREMIERS 2009

The Bulldogs have set new standards in season 2009. Following on from their inaugural 2007 season high of a Grand Final appearance, the Bulldogs in only their third season played Joondalup Falcons in the replay of the 2007 Grand Final to forge a well deserved premiership victory over our traditional rivals.

Starting the 2009 home and away season as the visitors on Sunday 19 April, South Fremantle Bulldogs took on the Joondalup Falcons in a close encounter in the opening round of the Western Australian Women's Football League Second Division competition.

Round one was to set the scene for the remainder of the season with a nine point loss to South Fremantle inspiring the girls onto bigger and better things.

With many new players joining the stalwarts from the first season and those with one season's experience under their belts, it was amazing to see how the team bonded together to become a force in 2009. There was also the added experience of former AFL player Scott Chisholm who took on the coaching duties for the season.

Highlights during the season included a clinical win against Claremont in which the Bulldogs scored 207 to Claremont's nil and some tough matches against Coastal Titans and Joondalup. The Bulldogs finished the home and away season as minor Premiers ahead of Coastal Titans, winning 12 out of 15 games with only two losses and Round 11 against Joondalup called a draw due to a lack of umpires to officiate at the game.

Within that superior record the Bulldogs strung together nine consecutive victories between rounds 2 and 10 inclusive – the club's longest winning streak!

It was wonderful to see first year Bulldog Emilee Chamberlain take out the Rising Star award and runner up in the Fairest and Best for Division 2 at the Western Australian Women's Football League Presentation night. Other Bulldogs also polled very well in the medal count including Chae Salbie and Mel Thomas.

Four Bulldogs players were inducted into the WAWFL State Development Squad and they will join players from other clubs in special training sessions and games on top of their club duties next year. Those players are: Emily Chamberlain; Mel Thomas; Sheridan Gore and Heidi Schlesniak. It will be a great opportunity for the girls to bring the upgraded skills they develop back to the club so that the whole team can benefit.

Assistant coach and founder of the club, Jenna Allomes will join the WAWFL State Coaching Development Squad which is a fantastic achievement for her and the Bulldogs.

On 6 September, the opportunity came for the Bulldogs to make amends for their nine point loss to Joondalup in the 2007 Grand Final. South Fremantle resoundingly beat Coastal Titans in the Second Semi Final and met third placed Joondalup at Lathlain Park in the big match. It was a hard fought game but the Bulldogs came out on top, winning the 2009 Grand Final by 10 points.

At the clubs Presentation Night Emilee Chamberlain was voted Best and Fairest for the 2009 playing season, followed closely by Chae Salbie. Other awards went to Heidi Schlesniak and Jessica Aspinall who drew for leading goal scorers, Coach's Award went to Erica Chisholm, Most Improved Lauren D'arcy, Clubman Kyra Jeffrey and President's Award to Chae Salbie.

Well done to all the players, coaching staff and officials for putting together a fantastic season. The team's success could not have occurred without the support of the South Fremantle Football Club, our sponsors and the many volunteers, family and friends who supported the club throughout the season. We look forward to seeing you all again next season to show our skills and team spirit once again.

## 2009 COLTS REPORT

2009 was a year of ups and downs starting the year with a good solid win over Swans and finishing it the same way. Unfortunately at times in between we lost our way and when the final siren sounded in the last game we needed to kick eight more points to make the finals. To put everything into perspective for the season we finished equal third on 52 points 0.9% behind Swans and Perth, one game behind Peel on 56 and one further back behind the eventual premiers Claremont on 60. Fifty two points would have seen us finish on top in 2008!

It is not all gloom and doom in the colts kennel however and whilst our goal of a colts premiership for the club was not achieved we did further develop and unearth some incredible talent for the future of the South Fremantle Football Club.

In 2009 we had five WAFL State 18's players Damian Hayward, Anthony Collica, Lloyd Skinner, Brandon Matera and Dylan Bairstow and other players in the initial talent squad and subsequently cut being Anthony Van Mannen, Mitch Carter, Matthew Jones and Jarrod Parry.

This was a vast improvement from 2008 where we only had one selected in the squad and another four considered in the initial talent squad.

In 2009 Brandon Matera was selected in the All Australian Team.

In 2009 we had Ben Newton and Brandon Matera selected for the Australian Institute of Sport Programme.

Adrian Ricciardello, Ben Newton and Anthony Collica were selected in the WAFL colts team of the year.

In 2009 Jarrod Parry, Mitch Carter, Damian Hayward and Anthony Collica were selected for the AFL draft screening.

Brandon Matera was promoted to make his league debut and Damien Hayward to Reserves. Both played in a premiership with the reserves.

Further to this it was pointed out to the group at our wind up that 19 of the 22 Reserves premiership players and 15 of the 22 League premiership players have come through our colts system so it is proof of the good work of the club and its support staff.

On a more personal note a special mention is to be made to one of our co-captains in Adrian Ricciardello who led the competition with 64 goals for the season.

A special thank you to our trainers Emma, Jesse and Maddi, Dave and Aleric and the continued support and guidance of club head trainer Swervin Mervin and physio Greg Wootton. Thanks to Les Fabre for the fitness and physical presence work through out the year and to Sam Arthur in rehab to get the players back to fitness and training quickly.

Our property men Jonesy and Sandy even though you get a bit grumpy you do a great job and the colts would not be the same without you guys. Thanks!

The team manager Lew Turner and his assistant Harry for completing all of the game day formalities, Player Liaisons Officer Charlie Ricciardello for his efforts and assistance to Lew on training nights and the players on game days, Jeff and Janine for providing usable stats every week for us to work.

Thanks to the assistant coaches Paul Abbot and Glen Wright looking after the midfield, Michael Hays with the forward line and Daniel Vidovich for taking the back line and completing the game day running duties along with Andrew Maiorana.

Finally thank you for the ongoing support and direction of the Jason Burton and Mick Athanasiou through the year and to board members Tom Bottrell and Peter Christie as well as Terry Dean and the President Haydn Raitt who managed to get to most games throughout the year, thank you and your presence was certainly acknowledged by the boys.

In closing I hope all members and supporters have a Merry Christmas and Happy New Year and see you in 2010.

## 2009 RESERVES REPORT

The senior squad enjoyed incredible success in 2009, and the achievement of dual premierships made all of the hard work more than worth it. Like all those involved, I have many special memories of Grand Final day, but the efforts behind the triumph stretched back to the previous season, when the necessary foundation was laid.

The club acknowledged some key areas that required improvement and set about resolving these issues in a highly effective manner. Key players were recruited, the players' training facilities were upgraded, fitness and rehab personnel were added, and player leadership skills were developed. Over the past 18 months the club has facilitated positive growth in all of these areas, which has resulted in a senior squad that is better equipped to meet the on-field challenges.

The Bulldogs Reserves completed a remarkable season by winning the Grand Final in typical workman-like fashion. In tough conditions, the players withstood enormous pressure before taking control late in the game, a trait that was displayed regularly over the course of the season. Our home and away record was 17 wins and only three losses, the largest being by five points from a kick after the final siren! With many highlights and gutsy performances throughout the season, their second semi final effort against the Sharks ranks as one of the best. All the things that made them such a strong team came together in that game, as they dominated their opponents physically and mentally in an effort that really set up our Grand Final win.

Throughout the season 51 players represented the Bulldogs Reserves and, with an average age of 21 years, the challenge that lies ahead for many of these players is to continue to improve and to forge a League career in a very talented squad. If their level of professionalism, commitment and unity can be sustained then the future looks very positive for our club.

Sustained success comes from strong support, and the Reserves players were well catered for. James Bridle and Darren McPartland ensured that fitness and rehabilitation programs were of the highest quality. Greg Wootton, Merv Lockhart and the medical personnel carried out their duties in a highly professional manner, keeping the players on the oval for when it really counted. Once again Ron, Sandy, Carl and John made sure that the players and coaches had everything they needed at training and on match days, and our statisticians provided quality information that assisted players' improvement.

I received great support from my assistants Greg Townsend and Nathan Ritchie. Greg took control of the team in my absence in June, a period in which he now claims a "world record" for the team's 108 point victory over Claremont! Les Olivieri and Matt Callaghan carried out their duties as runners with enthusiasm and professionalism, hardly missing a training session along the way. Their dedication and friendship is much appreciated. And Peter Matier's organisational excellence once again provided stability under pressure in his role as team manager. Finally, I must thank Haydn Raitt and the board for their ongoing support throughout the year.

Congratulations must go to all of the trophy winners – Joel Palumbo, Corry Amato, Sam Fielding, Luke Bairstow and Matthew Leece – for their outstanding efforts in a premiership year.

Finally, and most importantly, I applaud the players for their ongoing enthusiasm in the pursuit of improvement over the year. Many players developed a healthy self belief and it was very satisfying to watch them take on challenges with greater confidence. Obviously, being in a winning team helps this, but the ongoing challenge of training in a competitive and professional squad has driven many of the Reserves group to strive for improvement. I congratulate you all on a highly rewarding and successful season.

## 2009 VALE – DR E R (DICK) REID

Our club was very fortunate that Dick decided to join the Kelso Medical Group in 1967 and work with our club doctor Ernie Hodder.

An admirer of team sports, Dick joined our club medical team that year and went on to serve for the next thirty three consecutive years retiring in 1999.

Dick was a fatherly figure, a comedian and an excellent GP, all wrapped in one.

His commitment to the players health and well being extended to their immediate families and he was the delivery man for many of the players children, including both of mine.

Dick's outstanding contribution to the club was recognised in 1979 when he was bestowed Life Membership and in 1999 when

the club's medical room was officially renamed the "Dr E R (Dick) Reid" room.

A tribute to Dick could not be written without a special mention of his second wife, Marion who was always around to give Dick her moral support and join him in giving outstanding service as a member of the Ladies Fundraising Committee for which she was given the ultimate honour of Life Membership of the club in 1999.

Dick passed away on the eve of our grand final victory against Subiaco. Our victorious Reserves and League premiership players and the coaches and support staff wore black arm bands on grand final day as a passing tribute to one of the club's greats.

## 2009 LEAGUE REPORT

As the league coach of the South Fremantle Football Club I can safely say that as a group we have achieved a fantastic result for the 2009 season. To be successful in the manner that we have requires a great deal of hard work from a number of people dating back over many years. Victory in the league and reserves Grand Finals is not something that is achieved in one season alone.

The players involved in the senior squad have been developing their skills and game awareness over many years. A premiership is a culmination of the effort put in over these years. In this regard a special mention should be made of all the junior coaches who put in many hours in our zone as well as those who have helped develop the recruits we have attracted to the club in the last few seasons. Above all else, however, it is the commitment, perseverance; positive attitude and work ethic of the players who formed the squad from which the grand final teams were selected that are to be applauded. There are times during the season when players are tested mentally and physically. Those who passed these tests have been rewarded in the best possible way in 2009.

Football is truly a team game and to single out individuals is difficult, however, I would like to acknowledge the efforts of our leadership group, made up of Toby McGrath; Ray Smithers; Jamie Graham; Craig White; Ashton Hams and Sam Hunt. Their desire to want the best for the club and the playing group was apparent in the way they conducted themselves and how they communicated with the players in their groups. A special accolade should also be given to Tom Bottrell and Peter Worsfold for their efforts in developing and nurturing this group.

Key players can make a big difference in a premiership season and the club worked particularly hard during the off season to lure some of these key players to the club for 2009. In particular I speak of Peter Bell and Jeff Farmer, Two players with a long

and successful AFL career arrived back at the club where they started their football journey. Their arrival had an immediate impact on the playing group. Expectations rose as to what could be achieved by the seasons end and a general positive energy that was already at the club increased further. The return of Jaymie Graham also gave the club a player of immense character and ability who was a full time South player. The arrival of Chris Bossong was also a noteworthy acquisition late in the year. His ability to hold down key positions gave the side greater balance in the big games.

Once again the club was well lead by our designated leaders in Toby McGrath and Ray Smithers. I don't think you would be able to find two more proud players after the Grand Final. Toby as the Premiership Captain and Ray as a retiring two time premiership player and now qualified for Life Membership of the Club.

Whilst the season was very much about winning a premiership some noteworthy individual performances were also rewarded at the Fairest and Best Night. Kris Miller is to be congratulated for his consistent season with his win in the Hughes Medal (an even bigger highlight in a Premiership year). Peter Bell's second placing shows just how much of an impact he had on the playing side of things and to Toby for his third place indicates the value of the Captain both on and off the field.

I mentioned early in my report that the players who were able to stay the distance were rewarded with a premiership. It is, however, a difficult selection dilemma that faces coaching staff when there are more players available for selection that places in the teams. In the league side we were forced to make two changes from our winning second semi-final side. A special mention needs to be made of Toby Bairstow and Hayden North who both went back to the reserves and tasted premiership success at that level.

To all the coaching staff, team managers, medical staff, property staff, fitness and rehabilitation staff, statisticians and numerous other volunteers, well done on a fantastic effort over the season. Without your help in so many ways we would not have been able to achieve what we have this year.

To our front office staff well done on a great year with a particular well done to Jason Burton who has been of great help during the year and has really grown into the job of Football Manager.

Our Board of Directors are also to be commended for their tireless efforts in taking South to the top of the tree. Without their commitment to see the club reach number one both on and off the field, we, as a coaching staff, would find it more difficult to see the players achieve what they have this year.

As one season concludes another unfolds. 2010 is not far away and we need to be ready for another assault on the Premiership. We will retain the core group of 2009 and with some emerging younger players ready to push for regular league selection we are in a sound position. The challenge for every one in the club is to taste success again through a committed effort on all fronts.

## 2009 PLAYER DEVELOPMENT OFFICER REPORT

### SFFC "Warriors development Program 2009:

The newly created position of Player Development Officer was implemented by the SFFC with board approval, in conjunction with recommendations from the WAFL high performance academy. The PDO role responsibilities are mainly centred on talent and the delivery of talent programs, and the administration functions of all the talent programs.

The SFFC Warriors development program covers our 14/15/16s junior player ranks, and these programs run from December through to mid October. The SF Warriors program includes a WAFL carnival involving all WAFL clubs. Players are selected from our metropolitan, district and regional areas (UGS and Gascoyne regions).

### 16s Carnival/WAFL Program:

Our SF 16's Warriors development squad played five games starting in March, and completed in late April. The team was coached by head coach Arthur Maskos and a team of assistants including Jason Ireland, Mark Pashby, Paul McGrath, Sam Maskos, and team manager Peter Robinson. The players were rotated into many unfamiliar positions and acquitted themselves very well in all games.

Our Chairman Mr. Peter O'Neill provided the program with a staff of volunteers that were organized and very professional

in all areas. The Players were exposed to quality coaching and education programs along with the opportunity to play and develop their skills and knowledge to a higher level than they are able to attain at community levels. The SFFC supported by the development committee led by Mr. Peter O'Neill worked very hard to provide the funds that are required to run a quality program. To our major Sponsors Woolworths the fresh food people, Tony Ale, Seacorp, Hamilton Engineering, we must say a huge thank you and we look forward to your continued support of junior development.

Following the WAFL 16s carnival program four players were selected to represent WA at State level: Shane Kersten, Steve Verrier, Brendon Ah Chee ("Jim Hurst" Medal Best player award for the 16s carnival), and Myles Bolger.

The SF Warriors 16s development group completed a tour of Melbourne in July, which included a group of 38 players and eight adults made up of SFFC delegated staff: PDO, Development chairman, and coaching staff. The tour gives the best young players in our district and regions a chance to observe and be exposed to the rigors and life of an elite football player playing in the AFL. Our Development squad played two games against quality opposition, providing the coaches and PDO the opportunity to identify which players have the potential and what

(Continued page 28)

areas require work for the individuals and the group of players to improve and develop. Our squad performed very well winning convincingly against St Monica's College and, narrowly going down to Xavier College senior squad. The players also attended three quality AFL games and watched a couple of the AFL clubs go through a training session. Brad Hardie, a past SFFC Bulldog champion player spoke to the boys about opportunity and life at a prearranged dinner to enlighten the players and provide them with information and ideas, along with many humorous stories on past Bulldogs and AFL champions.

### 14/15s WAFL Carnival:

Our 14/15s carnival consisted of four teams of thirty players selected and invited from all our districts and regional centres to represent SFFC at this level. The teams all played some great football and we again expose our developing young players to field positions that they may have never before have played in. Our coaches were: Daniel Vidovich, Jason Ireland, Sam Saffioti, and Darrin Bryden, each team consisted of three assistants and a team manager who all work tirelessly to provide a safe and professional environment for the players to develop their football skills and knowledge. Special mention to the players selected into the WA State schoolboy's squad: Sean Lynch, Sam Rundle, Michael Marriot and Adam Carter. Jayden D'Vauz was also selected by the AFL and Kick start tour of South Africa as part of a leadership development program provided to rising young players with indigenous heritage.

### Country / Regional Servicing:

The SFFC and the DFDC worked hard to provide the UGS and the Gascoyne regions with coaching courses and development sessions to all talent squads as selected in their own regions. Training sessions were conducted at Williams and in Narrogin; our 14/15s development squad played a match at Williams in June. During the season we travelled to the Exmouth and the Carnarvon region twice to identify any potential players and hold school clinics to promote the SFFC and the WAFL pathway.

The UGS Rams development squads were guest of the SFFC during country week in July and performed very well in all matches with some standout performers who we invited back to be a part of our 14/15s carnival later in the year. The SFFC

District Manager Bradd Gardiner and YDO Louise McKenry accommodated the group and worked hard all season to keep the development program heading in the right direction at all times.

### Future trends and possible directions:

In partnership with the WAFL and the high performance academy programs SFFC players selected into the state academy programs will be fully supported, in the form of mentoring/leadership/strength and conditioning programs, and to further develop the players more video analysis will be conducted at our club by senior players and coaches to enhance the game sense of individuals and the groups. The players will be required to access a website and complete daily templates to monitor workloads and type of strength, and conditioning training undertaken. Coaching will be heavily invested in and many Clubs and coaches under our umbrella will have to lift to achieve the required minimum standards set for all groups on and off the field of play. With our district and zones providing more and more players the development program will have to expand its network to maintain the quality and training ethos towards development of all players selected into our squads.

### In Conclusion:

The SFFC and DFDC have worked very hard to provide all our stakeholders with the necessary training and quality programs to ensure the development of our junior football players and that coaching staff are meeting the required levels to build on the SF Warriors development programs provided. We continue to provide a pathway and opportunity for players and coaches to enhance their skills, and to make our club the "Premier Family Club" a model for others to follow. The work that all our volunteers and elected delegates put in over a season is amazing, without the assistance, and help of all these people our program would not be as professional and well organized as it is. The SFFC and the DFDC, and I personally would like to say thank you to all concerned, and I look forward to the season ahead and the continued improvement of this fantastic program.

Good luck and all the best for the season ahead.

## 2009 CORPORATE GOVERNANCE/SOCIAL REPORT

### CLUB BUSINESS PLAN

As stated in last year's Annual Report the club was in the process of developing and adopting a new business plan. This has now been completed and accepted by the board with directors and the CEO signing off on the document.

Central to the plan is the further development of the club's "Premier Family Club" culture together with its attendant Aims and Ethos. It has been acknowledged by other WAFL club that South Fremantle is unique within the competition in having a clear statement of our culture.

Emphasis is also placed on the continued development of club personnel, included employees, directors, volunteers and players. The board's commitment to the plan will ensure that we remain to the fore as a professionally managed WAFL club.

### WEB SITE

It is pleasing to announce that the club's partnership with Notre Dame University has enabled us to obtain the services of two post graduate students to further develop the club's web site. They will be assessing the site as it currently operates and setting up procedures to ensure it provides our members with the best possible means of online communication into the future.

### CLUB JACKETS

This year, in partnership with our Past Players and Officials, we were able to present our senior players and support staff with new club jackets. Our thanks to all of the members who contributed and to Wayne Delmenico and Bob Bright and the Past Players who so strongly supported this initiative.

### WJ HUGHES MEDAL COUNT

This year we made some changes to the format of the evening and these seemed to be well accepted by the very good crowd in attendance. One of the highlights of the evening was the audio visual presentation which featured the coaching staff's "Home of the Brave" theme leading into the finals.

The Hughes family have been a wonderful supporters of the club over many years and we are very appreciative of their strong representation on the night.

## DISTRICT DEVELOPMENT REPORT

The South Fremantle District Football Development Council in 2010 has achieved some encouraging results. We have consolidated our participation numbers to be the healthiest District in the state. Our focus this year has been on ensuring all players have a quality club and environment to play and enjoy their football in. We have also ensured that our clubs have the capacity to handle the intake of the large influx of junior players coming through.

Club, Facility and Volunteer Development were 3 key areas which we aimed to achieve some quality outcomes this year and I think we have. We had 158 key senior and junior stakeholders attend our club development night which is a key component of our Quality Club rollout in 2010 which will see all clubs on a bronze, silver, gold program. This will assist all clubs to ensure that their clubs are using best practice strategies and ensuring they remain sustainable.

We have been working very hard with each of the 6 Local Government Councils which encompasses the District to develop a facility plan which will see the best result for football over the next 10 years. We have secured a number of new facilities and upgrades to existing ones moving forward, which will be integral in capturing the new populations that we have moving into our District. Our relationships with local and state governments have never been better and we will continue to build on the success of these relationships.

Our Volunteer Development Program received a shot in the arm at the start of 2009 when we were successful in receiving a volunteer grant from the federal government. The \$55K enabled us to provide BBQ's, Gazebo's, Line Markers, Patio Heaters and \$33K worth of Caltex fuel cards to our clubs. All clubs used the fuel cards to reward and recognise the key volunteers within their organisation, which we all know is a key component in retaining and recruiting quality people to fill these volunteer roles. We also held a function for our key stakeholders at the WAFL GF to thank our key clubs and volunteers for their efforts in 2009 and watch the mighty bulldogs rack up two flags.

In general it was a great year for development and I will now detail some of the main achievements:

### 1. Continuous Improvement in Environment and People in the District

- Conducted Club Development Night with 158 volunteers in attendance. The night involved a 3 course meal and sessions with topics such as Volunteer Development, Best Practice Strategies, Multicultural participation and Child Protection.

- Introduced a "Safe Clubs for Kids" pilot for all clubs, where each club has a reporting officer and procedure manual for any cases of child abuse. This will predominantly be a preventative measure which we hope no club needs to use but is part of a quality risk management program which the District is rolling out
- Have formed a partnership with the South Metropolitan Public Health Unit in Fremantle to form a program which will provide a healthy environment for all families involved with the SF District as well as assisting clubs to engage local, state and federal funding which is available when clubs provide these healthy environments
- Sent out 4500 District Dirt newsletters at start of year to promote registration day and inform participants and families of new and emerging programs
- This year saw over 70 coaches become accredited in Auskick, Youth or Senior coaching, with a further 13 expanding their coaching skills by gaining a Level 2 accreditation. Of those, 5 have gone on to coach at the next level with the South Fremantle Development Program. With the addition of our coaching co-ordinator in Jason Ireland, and Player Development Officer Michael Athanasiou to the SFFC, the district was able to assist coaches and clubs as needed in the field. The addition of Jason to the DFDC has been fantastic, as his hard work within the district means coaches, old and new, are getting more support and opportunities as they require.
- Next year sees the introduction of our 'Coaches Program'. A new initiative, it sees more resources, seminars and support available for those coaching in the South Fremantle District. Our aim is to ensure our coaches get the best possible opportunities to further their skills and learn new techniques to raise the bar within the district.

### 2. Promoting and Managing Growth

- Megan O'Mara and Adrian Ricciardello were our in school and after school clinic coordinators this year and they did an outstanding job completing our schools program
- District conducted over 255 clinics in our schools, reaching over 30,000 students.
- Started a new Auskick Centre in the fast growing suburb of Hammond Park and secured an oval and a facility plan with the City of Cockburn to accommodate the predicted large participation rate for the club
- Record number of teams in our STS Cup (years 8 and 9's) and Belt Up Cup (years 11 and 12's), 14 and 12 teams respectively.

- This year saw some record numbers for participation at many centres and events. The annual 'Bulldogs of the Future' Auskick Gala day saw over 600 enthusiastic players brave the cold and windy conditions to join some of their favourite Bulldogs players to play a round robin of games under lights at Fremantle Oval. A big thanks to NAB and Harvey Fresh, whose support ensured the future stars had a sausage sizzle and fresh juices available to recharge after showing off their skills.
- Eight after school and two All-Girl Auskick centres were run in 2010, which saw over 450 x 5-12 year olds join in, many of them first time footballers. The six week programs are designed to teach basic skills and footy rules, with each participant receiving an Auskick footy pack filled with AFL goodies. Thanks to our trusty team of after-school coaches who ran these sessions, without them it would not have been possible to give this many schools the opportunity to host these programs.
- Despite some inclement weather, our enthusiastic Auskickers turned out in force again for the second gala day of the season. Hosted for the second year by the Forrestdale JFC, it saw over 400 children participate in a fun filled day of footy. The weather couldn't dampen the spirits of the players as they slipped and slid their way through a round robin, ending with some fantastic food and drink by the Forrestdale canteen staff and parent volunteers. Thank you to the club, especially Co-ordinator Leanne Shadbolt and all the committee members for making this a wonderful day.
- Overall, our Auskick programs are thriving after several years of significant growth. This wouldn't happen without dedicated volunteers, parents and our hard working Auskick Co-ordinators of all our junior clubs, without you this wouldn't be possible.

- Increase in schools participation in all of the WAFC competitions, including Eagles Cup, Smarter than Smoking Cup, and Belt - Cup.
- It was a successful season for the district, which saw many of our schools and teachers win awards and competitions. Congratulations to Forrestdale Primary for winning the state-wide 'Design a Jumper' competition, Winthrop Baptist for their STS Girls cup win and boys grand final appearance, CBC for their SportsReady cup win and our Eagles Cup winners.
- Our School Ambassadors have once again done some fantastic work within the district, with one of them being recognised as the State Primary School Ambassador of the Year. South Coogee

Primary teacher Gary Gough was honoured for his work with both his school and the district in 2009, a well deserved award for someone who puts many hours of his own time to promote and run our great game.

### 3. Reaching new Populations

#### Female Football:

- This year saw South Fremantle become the first District to provide a full pathway to girls aged 5 and up. The addition of a team into the Youth Girls Carnival saw the final age barrier break down, and will be used as a launching pad for the inaugural South Fremantle Youth Girls season in 2010.
- This year saw another new addition to the DFDC, with Nicole Hughes becoming the Female Football Rep for the district. She has been involved in every aspect of female football this year, especially our Auskick and junior programs. She has been integral in getting our first ever Youth Girls team off the ground, and along with Megan O'Mara has coached every age group, passing on her skills and knowledge to our next batch of superstars.
- One of the highlights of our programs this year was the opportunity to play half time at an AFL match during Women's Round. It saw 60 Auskickers and 22 junior girls from our programs play in front of a sell out crowd at Subiaco Oval. It was a fantastic opportunity to promote female football in WA and the Bulldogs Girls did us proud
- 2010 sees us continue building on the foundations we have laid in the past 3 years to have female football become a permanent part of our fixtured junior and youth season. The launch of the 'Pink Packs' enticed many girls to try football for the first time and we hope these girls continue to rise through the ranks at their chosen junior clubs.

#### Multicultural Program

Russell Higgins has done a fantastic job in his first 12 months of his position.

At the end of 2008 the District Development Department applied to Department of Sport and Recreation for funding which would further enhance our already successful Multicultural Program.

In May last year we were successful in our application for funds to the tune of \$70,000, which would help fund a full time Community Multicultural Officer for a period of up to 18 months.

Russell Higgins is the result and was appointed in August of last year and is based out of the South Fremantle District Development Office.

Russell's main objective is to use Aussie Rules Football to integrate new and emerging cultures into the wider community. Turn "Classmates into Team

Mates" is the catch cry for the program which we hope will see plenty more Paul Mugambwa's at South's in the near future.

This year we have managed to secure \$50k per annum over 3 years to have Russell based at the WA Football Commission where he will manage the Multicultural portfolio for the entire state.

We wish Russell all the best and thank him for his quality contribution as an employee and a person – well done!

### 4. Player Retention

- Focus on youth coaches in regards to quality and accreditation proved to be successful, with strong numbers seen in a majority of youth teams.
- Conducted a number of High School Recreation Football Programs this year which we hope will keep more participants involved in 2010

#### Country Servicing

- Secured up to \$20k from Great Southern Fuels in Lake Grace and Flight Centre Garden City to provide flights and fuel cards for our young and talented country stars when they travel to SFFC and ply their talents
- Provided football reports for the UGS
- Conducted clinics at all 6 schools in the Gascoyne
- Conducted training sessions with the Gassy Bulldogs development squad and identified up to 7 players for Warriors
- Conducted a level one accreditation course for 6 coaches over two nights in Carnarvon

- Upper Great Southern Rams competed in the Country carnival in the July school holidays and were all richer for the experience.
- Assisted the UGS Rams with their Country Carnival weekend through training sessions at Fremantle oval and development sessions at Santich Park

A huge thank you must go to the volunteers who sit on all our Development arm bodies. To have the calibre of people such as Rob Taylor, Graeme Smith, Shane Harding, Sharon Greengrass, Robyn Elms, Sheryl Ward, Sue Ireland, Nicole Hughes, Richard Liedtke, Gary Gough, Adrian Lacquiere and Mal Hooper is an honour and we would at a loss without them.

To Mike, JB, Amelia, Kirsty and crew for all their help at the front office, we thank you for all your support and team building efforts.

Thank you to all Junior Clubs for all their support for the year. It is essential to our core business in development that we have a strong and sustainable partnership with our junior colleagues and we do appreciate the outcomes achieved by the committees and volunteers out there in club land.

South Fremantle District Football Development has achieved some amazing results this year and we must commend Louise McKenry's efforts in her second year as Development Officer and Jamie Eggers our Development Trainee on the mountain of work they have competed this year – well done!

Looking forward to seeing you all soon.

## FINANCIAL STATEMENTS

### SCOPE

We have audited the financial report, being a special purpose financial report of SOUTH FREMANTLE FOOTBALL CLUB (INC.) for the year ended 31 October 2009 as set out on pages 2 to 6. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements of the Associations Incorporation Act WA and are appropriate to meet the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of SOUTH FREMANTLE FOOTBALL CLUB (INC.). No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporations Act WA. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations. 1. Presents fairly the financial position of South Fremantle Football Club (Inc.) as at 31st October 2009 and its performance for the year ended on that date in accordance with Australian Accounting Standards, mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.

### NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST OCTOBER 2009

#### STATEMENT OF ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views). The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the company in the preparation of the financial statements.

#### Inventories

Inventories are measured at the lower of cost and net realisable value.

#### Property, Plant and Equipment

Property, plant and equipment are brought to account at cost or at independent or directors' valuation, less where applicable any accumulated depreciation or amortisation. The carrying amount of property, plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows, which will be received from the assets employment and subsequent disposal.

#### Employee Entitlements

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

#### Cash

For the purposes of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

## 2009 TREASURER'S REPORT

The audited Financial Statements for the year end 31 October 2009 reflect a profit of \$1202 which is below our budget expectations but understandable in the current economic climate.

Despite the low profit our Statement of Financial Position remains strong and cash reserves have decreased only marginally due to the capital expenditure in the changerooms.

Our bar trading is starting to show a vast improvement not only with increase sales but also in better gross profit margins as well as reductions in cost areas such as general bar expenses, repairs and maintenance and staff wages.

Marketing and sponsorship this year was mainly aided by the acquisition of several new sponsors and souvenir sales due to our premiership success.

Due to a decrease in transfer fee income and extra expenditure in player and coaching fees, the football department disclosed the largest movement from a loss of \$893 in 2008 to \$183,199 in 2009.

Our membership income increased significantly this year and was aided by a concerted effort through radio advertising and individuals concerned. The end result was an increase in member numbers with the revenue from 2008 being \$54,958 to \$85,641 this year a wonderful result in an area that is usually fairly stagnant.

The overall net cash flow of the club remains very positive and allowing for depreciation ,amortization , movements between assets liabilities and provisions the net cash flow provided by operating activities amounted to \$129,956 compared to \$125,252 in 2008.

Our cash holdings at 31 October 2009 are \$614,050 of which a significant amount is interest earning.

Once again thank you to all sponsors and members who continue to support our great club and I look forward to 2010.
