PAVING OUR FUTURE CLAREMONT FOOTBALL CLUB REDEVELOPMENT

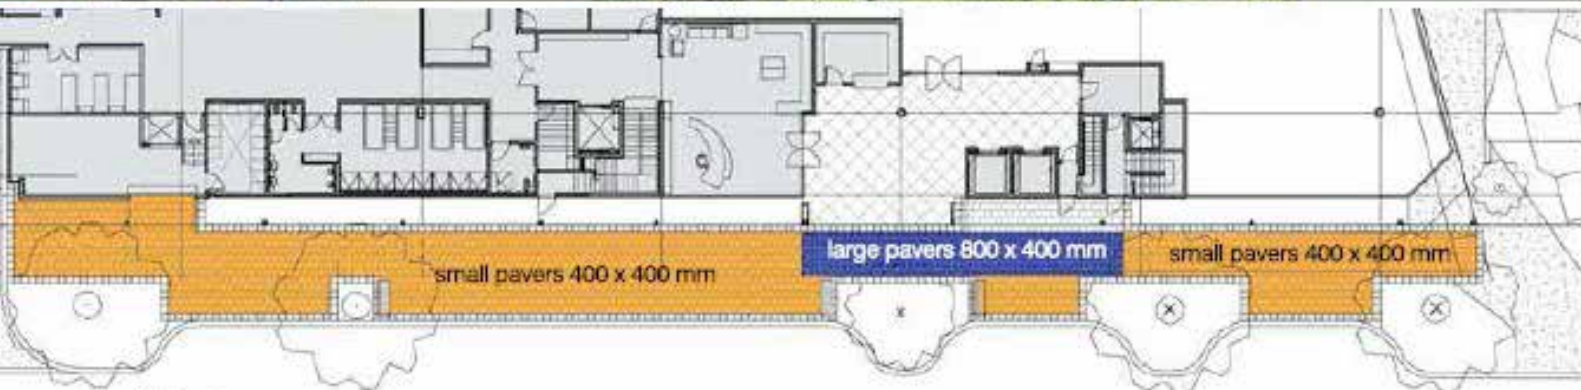

Over the next two years the Claremont Football Club will build a new state-of-the-art facility at Claremont Oval. As part of this redevelopment the Club is fundraising to help support the fit out of the new facility. We invite all supporters to be part of this exciting development by offering the unique opportunity of a permanent place in the club's future. Pavers on Davies Road, outside the club's entrance, will be etched with a personal message from donors.

PRESIDENT'S REPORT

2014 has been a challenging year for our great club, the highlights being:

The successful shift to the Showgrounds.

- The 1964 reunion.
- The second half of the season for the league team.
- The colts reaching the grand final and the reserves the final.
- The start of the redevelopment after 10 years of planning.
- Luke Blackwell winning the club's Fairest and Best the E B Cook Medal for the 4th time, equalling Denis Marshall and Graham Moss's record.
- The retirement of four champions of the club Blackwell, Foster, Handley and Orzel.
- The re-signing of the coach Michael Broadbridge for another two years.
- The reappointment of the club captain Jake Murphy for another year.

Our football department involving Football Operations Manager Dean Horsington, senior coach Michael Broadbridge and others have done a wonderful job in finishing the year off on such a positive note. I personally wish to thank all the people involved in the football department and refer you to the Football Operation Manager's Report ably written by Dean.

We are totally indebted to the contribution made by the Redevelopment Committee led by:

- Luke Saraceni (Chairman) - past patron and a generous supporter.
- Denis Marshall - project manager and legend.
- Ian Oldfield - architect and vice patron
- Dennis McInerney - No. 1 ticket holder
- David Pye - vice patron

The late David (Spider) Liggins was a valuable member of the Redevelopment Committee and I sincerely thank Karen Liggins and the family for David's contribution

I thank Errol Marron for his first year as Patron

and look forward to his continual support. Our Vice Patrons are listed elsewhere in this annual report. You all play an important role in this great club and I thank you all most sincerely on behalf of the Board for your continued support and generosity

On a sadder note during the year we lost one of our legends, Ken Caporn, and on behalf of the club we pass on our sympathy to Ken's wife and family.

The player legend for 2014 was John Parkinson and on behalf of the board I thank John for his support, especially his involvement in the 1964 Premiership reunion.

It would be remiss of me not to mention the colts game in Broome and the support we received from Kimberley Regional Service Providers, Leighton Contractors and Garnduwa.

We again thank our major sponsors this year, Coles, Kmart and Target. Our special thanks to Richard Goyder for his support and assistance. I also thank all of our sponsors, too many to name individually, for their continued support. Without your support the club would not continue to exist. Volunteers are the backbone of our football club. I have tried to list below the number of volunteer groups which exist within our club excluding junior and country football volunteers.

- The Board of Directors.
- Ladies Committee.
- The Monday group "Dad's Army".
- Showgrounds parking workers.
- Past players and officials
- Statisticians, timekeepers, scoreboard attendants, property men and runners

The ladies committee has worked tirelessly to overcome the problems of shifting to the Showgrounds. Very few realised the difficulties they encounter to provide meals and snacks for the players and the public.

The Monday group "Dad's Army" led by Ian Haggerty was responsible for the shift and they didn't let us down. All I say on behalf of the club is thanks for performing a miracle.

Showground parking was again another financial success for the club. We again thank Arthur Smith and Ron Dingwall and all their loyal workers who come every year.

The Past Players and Officials Association, headed by President John Peddie, again raised valuable funds for the colts and our club. The colts quiz night was one of their successes for the year.

On behalf of the board I would like to thank our CEO Todd Shimmion and his staff who have worked tirelessly raising much needed revenue for the club and assisting with the move to the showgrounds.

The Board of Directors also has worked tirelessly in what can only be described as a difficult year. I would like to make special mention of Ian Haggerty - for organising the move to the showgrounds, Ken Casellas - for his reports throughout the season, Darrell Panizza - for his leadership of the football department and Jarrod Ryan - for his contribution to the redevelopment of the club premises.

The next two years, 2015 and 2016, will be spent at the Showgrounds. This will be financially challenging for the club due to the loss of revenue and the additional costs from playing away from home. To offset the loss of revenue, I strongly urge everyone to buy a paver and be part of the redevelopment "Claremont on the Park" and the history of our great football club by having your name on a paver in front of the entrance to the club.

The board has now linked the pavers with membership for life and has created a special package for players and ex-players to be part of the club's history and reignite their involvement with the club.

The details are:

Large paver \$1,195 which entitles you to buy two memberships for life. The first membership for life will cost \$500 and the second membership for life will cost \$300.

A Small paver costs \$295 plus a membership for life for \$500.

In a special deal for former players a small paver will cost \$295 plus a membership for life for \$400.

I thank all the members for their support.

Kevin Somes
President

CHIEF EXECUTIVE'S REPORT

2014 can certainly be put down as a season of change, with the departure of key playing personnel, brand new coaching staff, a move from our sacred home ground to the Showgrounds, and the adjustment from members & sponsors to our new surroundings.

May I thank the Royal Agricultural Society of WA (RASWA) for firstly allowing us to set up home across the road from our Claremont Oval, and secondly for making the players, members and supporters feel welcome. A big thank you to Martin Molony & Peter Cooper for their communication throughout the transition, and their foresight to embrace community football at the Showgrounds.

We hope that we can make it more of a fortress in the 2015 season. Although we didn't reach the heights of our four years over the three grades of football, we did reach the grand final in the colts, and preliminary final in the reserves, only narrowly missed out on the finals in the league.

Michael Broadbridge has come on board as senior coach with a wealth of experience and knowledge in all areas of football management, and although we had a shaky start, the player group started to gel to Michael's coaching in the second half of the year with some excellent results. We hope to see further improvement in 2015.

Well done to Ross McQueen & the colts coaching staff for reaching another grand final and to Nigel Wilson and his development squad for making the finals. Both grades have some excellent talent who will progress to league football next year.

Finally to Dean Horsington, Darcy Coffey and Warren Parker who manage our entire football operations. This year certainly tested their management skills with the relocation to the Showgrounds, and I am delighted with the way we identified problems and provided solutions when the football department was under pressure early in the year. Well done to all involved.

Redevelopment at Claremont Oval

Last year I indicated that we would start construction in March or April 2014. Since then we have had a few setbacks that have frustrated

our members and supporters in delaying the start. But I can assure you that the redevelopment committee has been very careful to make sure the football club gets the best possible outcome out of this redevelopment.

We are now finalising sub lease arrangements within our new building and will update members and supporters as these leases are signed.

I can now inform you that demolition has commenced on our famous clubhouse, and we should have a construction company appointed before Christmas. We expect construction to start in late January with completion set for March / April 2016. A big thank you to CFC working committee of Jarrod Ryan, plus our architects Ian Oldfield & Hugh Gill and our project director Denis Marshall for your ongoing support on the redevelopment. In this report is the final designs of our new building for members and supporters to view.

Financials

Unfortunately the Club has reported a loss of (\$109,910) for the 2014 season. \$78,757 of the loss is depreciation of the assets in the old building which has now been demolished to make way for our new facility.

The club received further funding from the WAFC with the alignment model, but that income was eroded by relocation costs to the Showgrounds and loss of income from other funding sources within our old building. (ie sub leases to Aspire Fitness, Katrina Sykes Catering, and use of the facility in general).

Our next 18 months will be very difficult financially while we try to survive without those income streams, but there is a rainbow at the end of the tunnel once we are set up in the new facility.

A big thank you to Marina Manuel & Ken Gray for their work in the financial area for the 2014 season.

Development & District Football

I would like to acknowledge the work of Darcy Coffey & Warren Parker with our country and district development squads throughout the year. The club prides itself on running a very good development program giving players, coaches and parents the opportunity to link into the Claremont culture that starts from 14's development squads through to league football.

Also the continued support we receive from our district staff in Matt McNally, Sam Cousens and Mia Paul-Hunter in promoting our brand in the schools and junior clubs throughout our district.

Marketing, Bar & Administration

Hannah's work in setting up documents and procedures within our sponsorship and marketing area will give us benefits over the next couple of years. Unfortunately Hannah is leaving the Club, but I wish her all the best in her future endeavours.

This year has been a very difficult year for the administration staff with the relocation move. I would like to thank Marina, Hannah & Jess for an outstanding job in setting up events and making the move as smooth as possible for members, supporters and sponsors. I would also like to thank Christian Sedley (bar manager) for

his countless hours of moving stock up to the members lounge. I am sure you are a lot fitter because of this role. Both Marina & Hannah took on workloads that were way beyond the call of duty, and I thank you sincerely for all your support throughout the year.

Volunteers

A special thank you to the following people who lead our volunteer groups:

Ladies Committee – Carol Millband took on running of the ladies committee while still running her own business. A big thank you to Carol for taking on one of the most difficult roles at the football club. Once again Shirley Medcalf, Doreen Powell, Bev Gascoigne were Carol's main helpers and we thank them for their continued support.

Thanks to all the ladies who helped out this year.

Monday Maintenance Group – Yes, It changed from Tuesday to Monday with us moving to the Showgrounds. This year we could not have survived without this group of willing helpers lending a hand to relocate, then move back, and now return for the 2015 football season. We had several working bees, and I cannot thank this team enough. My biggest thank you is to our facilities director Ian Haggerty who does an outstanding job in co-ordinating these men every week. A big thank you to Kerry Sprigg for the use of his ute throughout the season.

Past Players & Officials – They look after our colts and running of functions on game day throughout the year. Thank you to John Peddie and his committee for their work.

Royal Show Parking – Thanks to our many volunteers who helped out with parking over the Royal Show. Special thanks to Ron Dingwall who ran the parking for eight days. This is a mammoth task that we have usually left to Arthur Smith, but Ron took over the reins and did an outstanding job. Special mention to Andrew Webster, John O'Connell, John McNaught, Tim Delaney, Ray Gillies & Vince Chambers who anchored key positions for Ron over the 8 days.

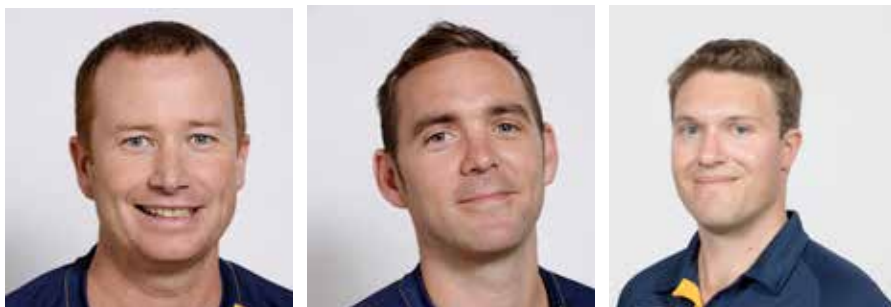

And lastly I must thank Arthur Smith (although not active enough to attend the parking each day) who did all the calling to volunteers and set up the roster for the eight days. You are a true legend of this football club. These volunteer groups are the lifeblood behind our community WAFL club, and we can't survive without their valued support. From everyone involved at the club we thank every volunteer who helped out 2014.

Directors. Thank you to the directors for your support and guidance over the past year. It has been a very difficult year with the relocation, but with the pending construction of our new facilities I can see a wonderful future for the club.

Finally, I wish you and your families a Merry Christmas and Happy New Year.

Todd Shimon

Chief Executive Officer

FOOTBALL DEPARTMENT REPORT

2014 was a year of transition. Saying farewell to a host of premiership players before the season had begun saw many new faces enter the group, and the redevelopment of our facility on Davies Road meant a pre-season away from home, most of which was held at City Beach Oval. The new players were not the only new additions to Tigerland with almost a complete turnover in coaching staff. Most notable was the appointment of Michael Broadbridge to the top job.

Despite a positive pre-season the year didn't begin as expected with the league side suffering several heavy losses. A grinding two-goal win in round two provided the only real glimmer of what the group was capable of during this time. The state game following round nine was telling with champion centreman Luke Blackwell the only Tiger to receive a call-up to take on the NEAFL in Sydney. A solid mid-season review saw a change of fortunes with the boys storming home to win eight of the last nine matches and narrowly missing the finals. The influence and impact of the coaching group to this turnaround cannot be underplayed with a big thanks to Michael and his deputies in Brad Trpchev, Des Headland, Chris Bolton, Mike Fountain and Damian McMahon.

The players and entire coaching staff can be commended on their attitude and enthusiasm throughout a turbulent year. Thanks must also go to Ian Haggerty and the Monday crew for their considerable contribution in transforming the Police Exhibition Centre into our home rooms for the season.

During the 2014 league season:

- 38 players played league football
- 13 players made their League debut for CFC
- 10 players made their WAFL League debut

With so many new players in the senior squad eager to impress the development (reserves) side was able to hit the ground running with consecutive wins in the opening rounds. A sterner test against Subiaco in round three preceded a number of mixed results before, like the league side, they finished strongly winning seven of the last eight games. This combined with some early wins helped the boys finish the home and away season in 3rd place and despite a strong 1st semi win against East Fremantle, we fell at the second last hurdle, outclassed by eventual premiers West Perth in the preliminary final. Thank you and well done to Nigel 'Barrel' Wilson on taking the reins of the development side for the season.

This year:

- 60 players played development football.
- 24 of those players were playing senior WAFL football for the first time.
- 17 of those players were graduating colts from 2013.

Another strong colts group in 2014 was highlighted by the selection of eight players in the state 18s squad. Triple premiership reserves coach Ross McQueen took the helm for the season and was ably assisted by line coaches Mark Paris, Chris Payne and Sam Wallace as well as Bevan O'Farrell & Craig Nitschke in development roles. 52 players played colts football in 2014 as the boys made it through to the grand final.

Highlights of the year included the first night match at the Showgrounds in some time with a mid-week round 17 win against the eventual premiers. This game preceded the inaugural colts vs Kimberly game held over the following weekend where 25 players and the coaching staff flew to Broome to play in a match against the best players from our northern zone. Clinics and cultural activities in Bidyadanga and Broome in conjunction with Garnduwa were key components of the trip which was gratefully sponsored by KRSP.

Development Squads

The 16s program ran from March through April and was another success for the Claremont Football Club. Coached by perennial development mastermind Mark Paris, the strength of the group was evident as an unprecedented ten players were selected as part of the state 16s squad for 2014. One of those players in Sam Petrevski-Seton was adjudged MVP for the national carnival and has recently been selected in the NAB AFL Academy for 2015.

The 14s and 15s programs culminated in their individual carnival exit interviews. With four games over the October school holidays the future looks very bright for the Claremont Football Club and a thanks must go to all the coaches, support staff, parents and players for their help and assistance.

Country

Our country zones continue to play a significant role with more than a third of our 2014 playing list originally from our regional zones. The Great Southern Football League, Ongerup Football Association, Ravenshorpe & Districts Football Association, as well as the three leagues under the Kimberley Football Association umbrella continue to provide quality services and programs to prepare their players for state level competition.

Both the GSFL and OFA again competed at the annual Landmark championships and 2015 will see all colts from our southern zones combine under the banner of the Great Southern Storm at next year's carnival. This is another impressive step for the Storm program which continues to be the benchmark for regional football development in the state. Led by a team of committed volunteers, acknowledgements must go to Darrell Panizza, Joe Burton, Jen Whittle and the rest of their team for their wonderful work.

In the north the recently departed Michael Farmer must be commended on his contribution to football in the region during his time with CFC, something Brett Angwin in his role as general manager of the KFA has, and will continue to provide at a very impressive level. Farmer has moved to Fitzroy Crossing. Thanks must also go to Garnduwa with Mick Albert and staff in the Kimberley as well as Alan Bishop and Layla Yu in the metropolitan area for their tireless efforts with the players relocating to Perth. This has been of significant value to the players and Claremont.

Thanks to everyone who made a contribution to the football department in 2014, with special reference to:

- Jack Denton in his role as property manager. Training and game days would just not function without his direction and influence.
- Retiring players in Luke Blackwell, Trinity Handley, Andrew Foster & Matt Orzel – all champions who have left an indelible mark on the club and we wish them all the best with their future endeavours.
- Ryan Lasscock in his role as chairman of selectors – spins the magnets like no one else.
- Steph Madigan as head trainer.
- Lionel Lim and Anthony McEvoy as CFC doctor and physio, respectively.
- Gavin Saxon, Darren McPartland, Tony Delaney & Robert Bender (colts) as runners.
- Dylan Powell and all the S&C staff.
- Justin Blades and Dylan Bishop for their assistance on game days.
- Team managers for all three grades – league: Graham Mabbs, reserves: Keith Millband, colts: Bern Willett.
- Interchange Steward: Tom Commins.
- Past players & officials and the ladies committee.
- Stats team for many years of great support and correct data.
- CFC Staff – Todd, Marina, Hannah, Jess & Helen.
- CFC Board - in particular Director of Football Darrell Panizza – your support and passion to improve this club is unquestionable.

We start training soon so see you all again shortly! Roll on 2015.

DISTRICT MANAGER'S REPORT

Football in the Claremont District continued to grow over season 2014 resulting in a 5.81% increase in total participants from season 2013.

Going forward the Claremont District faces unique challenges in its drive to develop and grow football, and the Claremont District Football Development Council (CDFDC) has continued to develop strategies to take football forward.

It's appropriate that I take a moment of your time to reinforce the Claremont Football District purpose and objective.

Our purpose is to grow the game, build our pool of players, develop coaches, umpires, volunteers and engage new fans for the future through our school and community programs.

Our objective is to get the culture right, deliver operational excellence and on field success will follow through the value chain of junior, youth and senior pathways.

The Claremont District currently has a participation of 14,547 boys, girls, men and women participating within our great game of Australian Rules football in varying forms. Going forward we need to continue to create a platform to increase our games market penetration.

Season 2014 has seen a focus on the following key strategic issues:

- Junior and Youth Community Football Development
- Development of Female Football within the Claremont District
- Umpire Development and Retention
- Club Development
- Coach Development
- Facilities Development

The CDFDC has worked hard over the last three years to grow the brand of the Claremont Football District in our local community. Our growth is dependent on positive community relationships and we have continued to build on and grow links with key stakeholders including our schools, local governments' organisations, the Claremont Football Club and other relevant agencies during 2014.

Umpiring and Game Environment were areas of concern in 2014 and will require drive and focus in 2015 and beyond.

The Claremont District and Claremont Junior Umpiring groups have worked tirelessly this year in developing and retaining quality umpires. Over the next few years it will be great to see these umpires remaining in the program or progressing into talent squads and senior umpiring programs.

The league, our umpiring group and all clubs must unite in 2015 to ensure that umpires are recruited, retained and provided with a quality game day environment, ensuring the future success of our competitions.

As a not-for-profit organisation the Claremont Football District through the District Council and Junior Football League is reliant on funding from grants and sponsors. In 2014 we pay special thanks to our key funding body the WAFC and key sponsors Sports Specialist and E3 Sports Performance. This funding support enables the development of new football programs and initiatives.

Thank you to the Claremont Football Club in particular Todd Shimmion and his staff, for their support of the Claremont District in season 2014. The Claremont Football Club and Claremont

Football District are united in the development of local football.

Our strong district/club relationship will continue to grow, develop and promote football for the benefit of all stakeholders. District clubs and schools benefit from Claremont player visits, coach education assistance, club resources, and quality facilities. The Claremont Football Club will ultimately benefit through the promotion of the Tigers brand through our clubs and schools.

Football Development relies on the support of a strong group of volunteers and special thanks must be extended to all volunteers in particular our Community Presidents, Auskick Coordinators, Committee Members, Coaches, Managers and Parents.

The success of football within our district is attributed to the quality environments you create at club level for all members of our game.

To the volunteers who sit on the CDFDC and the Junior Competition Committee (JCC) thank you for your passion, commitment and love of the game. Your role is often a thankless one but vital to the growth and development of our game. Mark George (Competition Director) and Bruce Byrnes (District Treasurer) are both stepping down from their roles and we thank them both for their commitment and passion for football over many years. Both have seen significant change whilst in their roles, have worked on some difficult issues and have helped drive the growth and development of the District and our Clubs.

Finally, I would to acknowledge the great work undertaken by Sam Cousens (Development Officer) throughout 2014. Sam filled the void as Acting District Manager for an extended period this year where he continued to provide a valuable contribution to junior football within the Claremont District.

Thank you and I am looking forward to working with you all again in 2015.

LEAGUE REPORT

Season 2014 produced many highlights for the League Team. Winning eight from our last nine games (including the last six in a row), seven from nine at our new home ground and defeating every team in the competition (and the eventual Premiers twice) would normally indicate a very successful year that should include finals appearances and maybe even a Grand Final berth.

The reality is that our poor first half of the season proved too hard to overcome and we narrowly missed an opportunity to fight it out in September.

During 2014, the CFC League Team played 38 players and had nine debutantes. Luke Blackwell represented the State admirably as well as being runner-up in the Sandover Medal. Ryan Neates also had an outstanding year which was reflected in his 7th position in the Sandover Medal. The emergence of Brenden Abbott and Mitch McGovern as likely AFL prospects was exciting to see.

From a team perspective, the establishment of a sound defensive unit in the second half of the season was a major step forward. The improvement of Jordan McAllister, Lachie Davey and Matt Davies, as well as the return of Brandon Franz, were major contributing factors towards decreasing the

scores kicked against us.

I would like to acknowledge the people responsible for creating and sustaining the "One Team" culture of the Claremont Football Club. Special mention must be made of the four retiring players; Luke Blackwell, Trinity Handley, Andrew Foster and Matt Orzel. All four have left indelible footprints on our wonderful club and will be hard to replace. Jake Murphy has been a terrific captain, despite facing an injury-interrupted year personally. The remaining leadership group of Luke Blackwell, Trinity Handley, Ryan Neates, Aaron Holt, Anton Hamp and John Williams provided solid support for Jake.

I would also like to thank the volunteers and paid staff that make up the football department for their support and commitment to the club during 2014. Assistant Coaches Chris Bolton, Des Headland, Brad Trpchev and Mike Fountain, as well as Development Coach Nigel Wilson were tireless and thoroughly professional at all times. Team Manager Graham Mabbs did a tremendous job. Jack Denton looked after the property like it was his own. The medical staff and trainers, I believe, are second to none in the WAFL. The team has grown significantly during the year and is now very well placed to drive harder towards the success we are chasing. The Board and Football Department Staff have made my job as Senior Coach quite simple. Thank you for allowing me to coach and for believing in the group when times were tough.

There are many 'reasons' for why we were slow out of the blocks in season 2014. Unfortunately, these 'reasons' will not be referred to in the history books. Collectively we were not good enough. This provides us with enormous motivation for season 2015 that should translate into action on the training track during the pre-season to ensure we perform better next year.

Members and supporters of the Claremont Football Club have every reason to feel optimistic and I encourage everyone to get back on board the Tigers for season 2015.

Senior Coach

RESERVES REPORT

We enjoyed a fantastic year, including a sensational second half of the first semi-final against East Fremantle. But we under-achieved a week later in the preliminary final against West Perth, the eventual premiers.

Our season started well before we stumbled in the middle and then finished with some good wins. Sixty players represented the development team in 2014 and half the team in action

in round one went on to play in the league side. We certainly uncovered a good deal of talent and these players with the right blend of guidance, attitude and application will become regular league performers as we continue a proud Claremont tradition of developing and promoting from within.

Congratulations to Ross McQueen and his assistants on a wonderful season with the colts and well done to Michael Broadbridge and his assistants on such a strong finish to the season.

While it seems like pre-season training started only last week (November 2013) it can be a long season with an enormous amount of time and energy invested by some very special people and my heartfelt thanks are extended to the following:

Keithy Millband (team manager): Thursday nights were 'special.'

Frank, Andy, Tracey, Tony and Mike (stats team): They provided me with extra info for player feedback each week. Jack (property manager), Mabbys (league team manager), Doc Lim (awesome needlework and I'm not talking tapestry either), Macca (physio), Steph, (head trainer) Chloe and the trainers who do an amazing job to have players available each week, Dylan (strength and conditioning) and all the players who donned the runners' kit, including Bolts, Founts and Justo and the players who took control of the bench rotations.

Thanks also to Ryan Lasscock (chairman of selectors), Dean and Darcy (footy ops and manager), Broady (senior coach) who was ably assisted by Bolts, Trpa, DJ, Founts, Gav, Darren and T bone, our junior development crew (the pathway starts with you guys, so keep up the good work), Kevin and the board and the omnipotent Kenny, Carol and the ladies committee, John, Okey and the past players and officials, Todd and the girls in admin, all our sponsors and supporters, to all the partners of the club's staff, coaches, players, officials and volunteers. We appreciate your understanding and I'm very fortunate Tracey has blue and gold in her DNA.

The curtain came down on four very fine young men this season and to Matty O, Trina, Blacky and Fozzie, all the best in your future endeavours. Your retirement speeches were priceless and thanks for the memories. Congratulations to all the award winners at our fairest and best evening and a big thanks to all involved in the seamless transition to the Showgrounds.

And to the players, the reason we coach and love every minute, collectively and individually, and handle the highs and the lows, is all part of the appreciation of your efforts and friendship. Be true to the One Team core values, respect, selfless, discipline and mateship. Remember when your wish finally transitions to conviction you will have reached the top of the mountain. Finally, to the Claremont Football Club, thank you for the opportunity. I am privileged to be involved. All the best, Barrel

Nigel Wilson

Development Coach

COLTS REPORT

Claremont Football Club has a proud history of developing wonderful young men and football players and we continue to develop the best young talent in Western Australia. It was with high hopes that we launched into preseason and after a long tough season full of ups and downs, we saw ourselves playing in the final game of the year at Paterson's Stadium. The result wasn't what we were working towards but

hopefully every member of the playing and coaching group is able to reflect on his journey and say, "I'm a better player or coach as a result of the year."

The team of 2014 showed plenty of resilience this season including playing three games in a week, having at least 10 different starting times to games, training in hangars at the show grounds, playing "home" games at Shark Park and even having a team meeting for the grand final in the old away medical rooms at Claremont Oval. Given all this, it was a credit to the coaching staff and the players on the way they conducted themselves both on and off the field. There will be plenty more challenges for the players to overcome in the coming years including injury, non-selection and indifferent form, but I'm sure as they continue to develop their awareness of team and self-improvement they will all continue to grow as players and men.

Claremont Football Club had eight players represent the state at the National Under 18 level with four more young men being selected in the Colts Team of the Year. Fifty-five players represented the club at colts level this season and this bodes well for the future. Some players may never play at Claremont

again, but I would hope that at whatever level they are playing at and at whatever club they are representing, they are enjoying their football, giving maximum effort and asking themselves, am I doing everything I can to be a better player and a better team mate.

Our season required the dedication of the best volunteers, administrators, coaches and support staff. We have the best and a big thankyou must go to:

- Jack Denton and the property team
- Warren Parker – Club PDO and master of plenty!!
- Bern Willet - Team Manager
- Robbie Bender & Justin Blades – Team runners
- Michael Bourke, Doc Lim, Sophie, Tristin and their teams
- John O'Connell, John Peddie and the P.P.O.A
- The Ladies Committee
- Matt Storer and Dylan Powell – Fitness & Conditioning coaches
- Chris Payne, Mark Paris, Sam Wallace, Bevan O'Farrell, Craig Nitschke, – Coaches
- Todd, Kevin, Dean, Darcy, Marina and their teams
- Parents

Again to the playing group of 2014 and the individual award winners, congratulations on a wonderful season. Remember, talent will win games but it's the feeling of mateship and teamwork that you will remember in 20 years.

Doug Williams said:

"Never give up, never give in, and when the upper hand is ours, may we have the ability to handle the win with the dignity that we absorbed the loss."

PAST PLAYERS & OFFICIALS ASSOCIATION

As with the other groups associated with the club, it's been a "suck it and see" year for the PPOA. Notwithstanding the unknowns that have arisen due to our Showgrounds premises, like choosing the most ideal spots to sell our raffle tickets, as well as where to fraternise with visiting team members at half time, the association has managed to get by without too much of an ordeal.

In fact the income that has been channelled into the association's coffers this year is similar to recent years and culminated in the presentation of a cheque for \$5,000 to President Kevin Somes at the club awards night. As in previous years, this night was a spectacular affair, and congratulations to the people that made it so.

The association presents several trophies on the night, and we're sure that everyone was happy with the outcomes. Congratulations to our trophy winners:

- Luke Blackwell for winning our Les McClements memorial trophy for a fourth time, awarded to the top vote getter from the combined best on ground voting by The West Australian and Sunday Times. As is customary, it was presented by family representative Vicki. The PPOA has congratulated Blackie for a career of which we are all proud, and there's an invitation for him to join now that the boots have been hung up at Claremont.
- Harry McCracken for winning the Tom Richardson memorial trophy, presented to the best and fairest player in the colts.

- Isaac Baum in picking up the George and Stan Mell memorial trophy for a year of excellence which saw him as the player representing in more than one grade and being awarded the highest number of B&F votes in aggregate.
- Jack Prendiville was presented with the Combined WAFL PPOA encouragement award, which is described as "Awarded to a player who committed selflessly to support his team as a member representing his colts football team during the football season".

We also presented plaques to the 2014 league debutants.

2014 was a significant year for anniversaries of premierships, with the club celebrating the 25th, 50th and 75th; these were of course against East Freo in 1939 and again in 1964, and against South Freo in 1989. Circumstances prevented us from continuing this trend and winning the 2014 flag, but most would be satisfied with the team's competitiveness after settling down in the latter part of the year.

Next year will see our club's third 75th premiership anniversary, commemorating the grand final win against South Freo in 1940; it is our understanding that there remains only one living member of the team, forward pocket Arnold "Bud" Byfield, and we look forward to celebrating this significant event with him.

We saw a few areas of change to club personnel this season, and it's with thanks that we acknowledge the assistance from new staff members Hannah and Christian, as well as Warren in a changed role. You managed to slot well into our team and made effective contributions to our year. This is not to say that others didn't provide assistance, and our usual thanks go to Marina and Helen for their contribution.

The opportunity is also taken here to congratulate and thank "Shirley behind the bar", a name for which I'm sure our Shirl will always be known, on her retirement from the club after more than 40 years of service. That must make her one of our longest standing workers and we know that everyone who had anything to do with Shirl has appreciated her friendship and kindness, not to mention her patience with what must have been some testing times over the years.

As well as the reunions of the 1964 and 1989 premiership teams, the other function was our major one, the Colts Quiz Night. Attendees, both participants and workers, contributed enthusiastically to the success of the night whilst

turning over more than \$7,000 from auctions and competitions. Every year we are overwhelmed by the extent of your generosity and cannot thank you enough.

Playing no small part in the success of the event was our quizmaster, Michael "Thommo" Thomson, whose humour and professionalism behind the mic ensured that everyone had an enjoyable night. Of course if we didn't have the goods to put up for auction and to give away as prizes, this sort of monetary result would not be possible, so we are ever grateful to our generous sponsors, who have been thanked individually.

This association endeavours to assist our Claremont colts wherever possible and this year, as well as the monetary contribution that accompanied the trophies, we've had the pleasure of outfitting the boys in their smart tee shirts, and contributing to the odd meal or two.

Throughout this annual report are votes of thanks to volunteers in all areas of the club, which is echoed by our PPOA committee in recognising the contributions of many of our club members; this extends from the board of directors to the person who switches off the lights at the end of the night, and those who fall in between.

In so saying, all of us at Claremont are members of one terrific team and we don't necessarily see ourselves as volunteers. We are constantly made aware that each and every member is willing to do his or her share without question to make sure that our club remains in good nick – that is a major difference between a club and a business.

Notwithstanding that, it's another successful year for the PPOA for which we thank our committee, made up of Vice presidents Kerry Sprigg and Les Gillies; secretary Keith Byers; treasurer Frank Riccelli; immediate past president John O'Connell, and general committee Andrew Webster, Phil McGann, Drew Gillespie and Sam Drabble.

There are many others who have contributed to the year's success, such as club director Ian Haggerty, our conduit to the board, as well as Syd, Steve, Vicki, Ron, Gary, Stoney, and the Edwards boys, who all help with the various tasks that make up our year.

Club members and associates are most welcome to attend our AGM at the Showgrounds on Wednesday 19 November at 6.00pm when you will learn of some exciting changes to your association. Until then, thanks to everyone that's made this year a pleasure to once again be a part of your committee.

John Peddie - President Past Players and Officials Association

LADIES COMMITTEE REPORT

2014 was a learning curve with our temporary home at the Showgrounds for everyone including the ladies committee but we managed to get through and hopefully next season will be better with what we have learned from this year.

To our hard-working team, I cannot thank you enough for the extra yards that were required to manage this year, to Doreen Power, Bev and Gary Gascoigne, Margaret Lockhart and Shirley Medcalf an extra thank you for all your hard work, especially country week and school clinics.

My sincerest thanks also to Wendy Gillett, Gwen Graffin, Joan Monkhouse, Jacqui Nash (a new youngie), Pam O'Connell, Lucy Watt, Judith Winslade and our two wonderful players mothers Beth Blackwell and Mim Neates, I don't know what I would do without them especially on Saturday mornings.

I would also like to make a special mention of the Dad's army who worked tirelessly all year under very trying conditions. They did a fantastic job for the football department, Todd and for us.

On behalf of the ladies committee I would also like to thank Marina, Jess and Hannah for all their help.

Due to the ups and downs of the year and to all our disappointment we didn't return the profit we would have liked, but we did manage to donate \$18,000 at the club championship awards night to the club and we will look forward to next year being a better year.

Wishing all a merry christmas and a happy safe new year, see you all in 2015.

Carol Millband

MEMBERSHIP REPORT

It is my pleasure to present the following report on Membership for the 2014 season.

A key priority this year was to improve communication in order to ease the transition to Claremont Showgrounds and increase event and game day attendance. Throughout the year, the club has implemented a variety of new communication initiatives, including the launch of a new website, a new e-newsletter program as well as an increased presence on social media platforms.

The new website and e-newsletter have been really well received with more than 1,600 supporters receiving weekly updates from the club. The Facebook page also experienced significant growth with a 16% increase in the number of page likes.

Although game day numbers overall were down on last year, attendance at club events saw huge increases. The biggest events of the year being the 1964 premiership reunion (220 people), the 1989 premiership reunion (210 people), the banquet auction (210 people) and the club champion awards (280 people). The 'One Team' culture is clearly evident at all events.

FAIRYTALE FAREWELL FOR FABULOUS FOUR

By Ken Casellas

Trinity Handley, Matt Orzel, Luke Blackwell and Andrew Foster have decided to draw the curtain on outstanding careers.

Between them, they have notched a total of 497 league appearances for Claremont, combining to take 1708 marks, have 5890 kicks and fire out 3830 handpasses.

We salute these four young men, each an ornament to the game and a true champion in his own right. They will be missed and we thank them for their dedication, their skill and the great joy they have given us.

Their absence will leave a gaping hole in the side in 2015. But retirements are inevitable and the Tigers have a fine record of rebuilding quickly and strongly. The club is looking forward with great anticipation the return of Beau Maister (after a stint with St Kilda) and Ian Richardson (after a year overseas).

The rigours of competing year after year at a high level takes its toll and this wear and tear and the inevitable injuries were the main reasons for the retirements of the Tigers quartet.

The 30-year-old Handley will bow out with a record of 184 league appearances, leaving him in 11th place in the all-time list of Claremont footballers. Extremely professional in all aspects of football, Handley has been an extraordinarily versatile player who has shone as a key defender and key forward. He booted four goals in his only interstate match for Western Australia, against South Australia in Glenelg in 2012.

Along with Blackwell and Foster, Handley is a dual league premiership player (2011 and 2012). Born in New South Wales, Handley came to WA with his family as a young boy and his first involvement with Claremont was as a member of the club's under-9 side.

He graduated to Claremont's under-13 development squad before going on to play in colts ranks for three seasons. And then in his first season in the reserves he was a member of Claremont's losing grand final side. He also had the disappointment of playing in losing league grand final sides in 2004, 2005 and 2007.

Handley, strong, tall and athletic, took a year off to work and play country football with Port Fairy in Victoria in 2010 before returning to Claremont. A born leader with a quiet disposition, he would have played many more matches had it not been for a series of debilitating injuries over the years, including two leg fractures, a broken hand, a broken toe, a fractured cheekbone, groin and thigh strains and various stress fractures.

These failed to dampen his spirit or enthusiasm and in recent years he has developed into a wonderful mentor for younger teammates.

Orzel (29), a powerfully-built, robust and absolutely fearless midfielder, was a member of North Albany's colts premiership team in 2001 before representing the Tigers in colts ranks in 2002 and 2003. He played in the losing grand final against South Fremantle in 2003 and finished second in the club's fairest-and-best award.

He and Handley appeared in their first league match in the round-one fixture against Peel Thunder at Rushton Park in 2004 and he was still a teenager when he played in the losing grand final side against Subiaco that year.

Orzel played in 13 league matches in 2004 and ten the following year before making only five senior appearances in 2006 when he polled 170 votes to be runner-up to Tim Greaney (171 votes) in the club's fairest-and-best award. He topped the poll with 31 votes but was ineligible to win the Prendergast Medal for the fairest-and-best player in the competition. The award went to Greaney with 28 votes. Orzel had been suspended for one week for rough play against an East Perth opponent during the season.

Then he became a permanent member of the league side for the next four seasons before managing seven games in 2010 when the club boasted an outstanding crop of talented midfielders. This prompted him to make a move and he played in 38 league matches for Peel in 2012 and 2013 before returning to Tigerland this year, during which he has been a consistent performer in league ranks.

Advancing years and the responsibility of a young family of three girls, plus the pressure of work as a plumber, were his reasons for stepping into a well-deserved retirement.

The left-footed Orzel has always taken a wholehearted approach to the game. He is a tough, uncompromising, no-nonsense old-fashioned footballer with a strong work rate. His sacrificial acts and pressure skills have made him a valuable and much-loved member of Claremont sides.

He has worn the No. 6 jumper with great pride and distinction. His last game was his 117th league appearance for the Tigers and no other number at Claremont boasts so many 100-game players, the others being Edgar Sanders, Jim Reid, Kevin Clune, John Lewis, Jeremy Guard and Brad Wira.

The 27-year-old Blackwell has been one of the greatest recruits in the history of the Claremont Football Club. He is the elder son of 1981 Claremont premiership player Wayne Blackwell, who made 112 league appearances for the Tigers before playing in 110 matches for Carlton.

Luke Blackwell was recruited by Claremont at 22 at the start of the 2009 season after he had been delisted by Carlton where he represented the club in 23 AFL fixtures in 2006 and 2007 before a serious injury (torn quadriceps muscle in his right leg) kept him out of action for much of the 2008 season.

He has been a spectacular success at Claremont and will bow out a champion after 114 league matches. He is modest, unassuming, self-deprecating and a harsh self-critic whose professionalism and exquisite skills have earned him the reputation as one of the finest players in the 89-year history of Claremont.

Blackwell is the epitome of a team player par excellence who shuns the limelight and just gets on with the job with the minimum of fuss or fanfare. Among his chief assets are his ability to think quickly under pressure, his decision making and his proficiency with hand and foot on both

sides of the body. His deft pin-point passing has made him the standout performer at Claremont over the past six years.

A member of the side which lost the 2010 grand final by one point to Swan Districts, he was a star in Claremont premiership triumphs in 2011 and 2012. He was the premiership captain in 2011 when he had 28 disposals and played a major role in the 56-point victory over Subiaco. He had 37 disposals and was a clear winner of the Simpson Medal as WA's best player in the first of his four interstate matches --- when the State side lost by 55 points to the VFL at Leederville Oval in May 2010.

He polled 34 votes and finished third to Perth's Ross Young in the 2009 Sandover Medal and a year later he polled 36 votes and was second to Andrew Krakouer of Swan Districts before he went one better in 2011 when he received 42 votes and won the medal by nine votes from Subiaco's Kyal Horsley. Blackwell also won Claremont's fairest-and-best award, the E. B. Cook Medal, in each of those three years.

Blackwell has shown enormous character and resolve to make light of injuries for much of his magnificent career and his battered and bruised body has sent him a timely signal that the time is ripe to hang up the boots. He plans to settle in Melbourne where he will marry his wonderfully supportive girlfriend Kimberley Alexander late next year. He will maintain strong links with Claremont as a talent scout for the club.

He received a three-week suspension in July 2012, but still managed to poll 33 votes and finish eighth in the Sandover Medal. A serious ankle injury (against East Perth at Leederville Oval early in 2013) forced him on the sidelines for 11 weeks. An abdominal injury forced him to miss one match this year when he has shown remarkable courage to continue playing under physical duress.

Foster played 49 league matches for East Fremantle and was on the senior list of the Fremantle Dockers for three years before joining the Tigers at the start of the 2010 season. His final match for the Tigers was his 86th for his adopted club.

A hard-running, creative midfielder and a highly-skilled half-forward flanker, Foster managed just nine AFL appearances with the Dockers because of a damaged right shoulder which required surgery and a debilitating back injury, with a prolapsed disc.

He has thoroughly enjoyed his five years at Claremont and now he has plans to continue his involvement in football in a coaching capacity

THE RP RODRIQUEZ SHIELD

The RP Rodriguez Shield honors a distinguished West Australian football administrator and respected contributor to WA Football, Pat Rodriguez. The Rodriguez Shield was introduced in 1957 and is presented to the most consistent team over the three grades of football. Rodriguez began his administrative career with Claremont, and later served terms as senior Vice President and President of the WANFL, and as President of the ANFC. A league team receives 10 points for a win, the reserves 4 points and the colts 4 points. It has been won by the following clubs:

1957	East Fremantle	1969	East Perth	1981	Claremont	1993	Claremont	2005	Subiaco

REDEVELOPMENT UPDATE

Over the last year we have progressed the Redevelopment to a stage where we go out to tender for the construction of the building in November and we will contract the winning tenderer by December 2014 with construction to start in late January 2015.

The construction period is set for 15 months with completion due for June 2016.

The Claremont Football Club (CFC) and the State of Western Australia acting through the Minister of Lands (State) have agreed that 1789 square

metres of the at the northern end of the CFC site will be sold off by the State to be developed for the purpose of an office building with car park. Up to \$1.5 million from the sale of this land will be placed into a trust account in order to assist with the future maintenance and upgrade of the CFC facility.

We have also been negotiating with sub leases for the new facility, with leases to be signed with Revo Fitness for a new fitness centre with a wide variety of equipment for all ages focused on strength and performance, medical offices for Sports Doctor, Physiotherapist, Chiropractor and coffee shop lease. In addition to the CFC football club use, the facility will be utilised for additional functions and we negotiating a catering lease for the function

rooms and training facilities on the 2nd floor.

All up these sub leases will supply the Club with significant income outside of football to help fund our football development programs in the metro and country areas for many years to come.

The Club has met with all stakeholders who will utilise this new facility and we believe with support from Oldfield Knott Architects have designed a building which will be the hub for all sporting facilities within the Western Suburbs. Below are the artist impressions of the final building, we hope that sponsors, members, supporters and players will be suitably impressed with the final design and outcome of our new facility.
