# A MESSAGE FROM COUNTRY FOOTBALL WA

On behalf of Country Football WA, I would like to welcome everyone to this year's Nutrien Ag Country Football Championships. 2024 is a milestone year for the Championships as we celebrate 50 years of support from our naming rights partner, Nutrien Ag Solutions. It is an amazing milestone and one of the longest running continuous partnerships in Australian sport. We can't thank the team at Nutrien Ag Solutions enough and, if you get the chance over the course of the Championships or back in your local communities please say a big thankyou to your local Nutrien Ag Solutions crew for their ongoing support of country football.

In 2023 we witnessed a resurgence of the championships following the challenging 'covid' years and is great to see that it has continued this year. 17 teams will compete across three Nutrien Ag Solutions Mens divisions whilst a further seven colts teams will take part in the CBH Group Colts Division.

The Goldfields are back in Division 1 following a dominant Championship run in Division 2 last year. On paper it looks to be an even top division with Avon looking to ensure their Championships drought breaking run last year won't be a flash in the pan whilst runners up South West have assembled a strong squad and, as always, will be hard to beat.

Division 2 sees Ongerup (regulation) and North Pilbara (promotion) come into the fold in what will no doubt be an incredibly competitive division. Great Northern fell at the final hurdle last year and will be intent on pushing back into the top flight.

Last year Division 3 took a number of twists and turns throughout qualifying and this year looks to be just as intriguing. The fellas from the Onshore Cup are still looking for that first win, whilst Central Wheatbelt drop back down from Division 3 and will arguably be the team to beat, alongside last years runners up Esperance.

Unfortunately, there will be no Pilbara side amongst this years competing teams in the CBH Group Colts Divisions. If last year is anything to go by though we can expect a very competitive carnival as the next crop of Country stars showcase their talent.

A big thankyou to all of those people behind the scenes within each of our leagues for their ongoing commitment to representative football. Likewise, to the WAFL and Community Clubs that will play host to Country Championships content across the four days of the Championships. Without the support of WAFL clubs the Championships would not be possible and we are excited to see some of our games under lights this year!

Goodluck to everyone across the championships and as always, please do not forget to Belt up. and drive safely home at the end of it!

# NEW HOLLAND WA STATE COUNTRY TEAM

The New Holland State Women's program for 2024 took on Perth Football League (PFL) back in June under lights at Gil Fraser Oval, North Fremantle. The CFWA girls came out strong and led at halftime however the game turned into a nailbiter with the result ending in a draw. Coached by Rennie Meadmore from Busselton and Mt Barker Premiership Coach, Sheridan Kowald, the girls never gave up and kicked the last goal of the game with under 2 minutes to go to draw level and then hold on. Katie Jayne Grieve from Busselton took out the 2024 Best on Ground medal for Country Football WA.

State Country Football returns to SA this year as the New Holland WA State Country Men's Team take on South Australia in Adelaide on Sunday 28th July 2024.

This game will feature as a curtain raiser to Adelaide v Hawthorn at Adelaide Oval and is an opportunity for WA to go back-to-back after beating the Croweaters at Optus Stadium last year.

In 2023 the WA team showcased their talents in front of an enthusiastic crowd of friends and family on Optus Oval. By the

final siren, WA had secured a resounding victory, outscoring their opponents 15.8 (98) to 8.5 (53).

This year's WA Team will be finalised after the 2024 Nutrien Ag Solutions Country Championships which are held between Friday July 12 – Sunday July 14.

Under the watchful eye of new coach Michael Griffiths, the team will have some players from last year.

Kane Benson, Manager of Country Football states, "July is a great time of year for CFWA. All 3 divisions will have some very competitive games with many players attending hoping to get selected to travel to SA" Benson said.

"The connection that has come from the last couple of years, along with others who are really pushing their own brand to be picked, will make it hard for selectors to finalise the team, which is a great problem for us to have as we attempt to get the monkey off our back and win on Adelaide Oval".

## **ACTION PLAN SHEET**

# The self-care action plan

# Most of us could benefit from increasing our engagement in self-care activities.

Regularly engaging in self-care assists in keeping our stress buckets levels low. Including a new activity into your routine can sometimes be harder than it seems. How many times have you said you are going to do something more only to find a few months have passed and you haven't quite got around to it yet?

The self-care action plan can help us stick to goals. Have a look at the WA Footy Wellbeing Hub Mental Health & Wellbeing Toolkit.

#### Some of their ideas for looking after yourself include;

- · Take time out and enjoy your hobbies
- Spend time with friends, loved ones and people you trust
- · Get enough sleep
- · Keep active and eat well
- Talk about or express your feelings regularly
- · Engage in relaxation
- · Reduce drug and alcohol use

# Choose one or two of the areas above or some of your own to focus on maximising and apply the questions.

- $oldsymbol{1}$ . When will you do the activity and how often will you do it? (e.g. Monday afternoons , once a week)
- 2. How will you know that you are getting benefit from engaging in the activity? (e.g. reduced physiological symptoms of stress, sleeping better, decrease in irritability)
- **3.** What could stop you from engaging in this activity? (e.g. work commitments, family commitments)
- 4. What will help you engage in the activity? (e.g. going with a mate, put it in your timetable)

## **UMPIRING WA**

Reflecting the positive response from the Leagues and Associations, Umpire numbers for the 2024 Nutrien Ag Country Championships have soared to new heights.

More than 60 Umpires are traveling from Karratha in the north, Albany in the south, and all stops in between to help service the competition.

Umpires attend the Championships for various reasons, including receiving quality match day coaching, progressing through the talent pathway, embracing the challenge of Umpiring representative footy, catching up with mates, or simply for the love of the game.

These Championships also provide Umpiring WA with the opportunity to deliver quality education for Umpires, Umpire Coaches, and Administrators, which they can take back to their local leagues to enhance the officiating in those competitions.

At the end of the carnival, Umpiring WA, in conjunction with Country Football WA, will once again present the JJ Lussick Medal to the Field Umpire of the Carnival and the Peter Troode Encouragement Award. This year, we are excited to introduce the Boundary Umpire of the Carnival and Goal Umpire of the Carnival awards, recognising outstanding Umpires from all disciplines identified through the Championships.

Umpiring WA wishes all the Leagues, Associations, and Umpires the best for this week's Championships.
