HOW TO ACCESS THE WA FOOTBALL ONLINE CERTIFICATION PORTAL

You can use the following link or copy and paste it into a web browser to access the WAFC Online Certification Portal.

<https://wafc-portal-sandbox qlbs.com>

We recommend using Google's Chrome browser for the best experience when using this portal.

REGISTRATION

You can register a user account for the WA Football Champion Club Program by clicking the **No Account? Register Here** button at the bottom of the sign in form.

No account? Register Here.

This will open the **Registration** form.

- Fill in the required fields and select the club or league you represent.
- Click the **Sign-Up** button to submit the registration form.
- A message will appear, informing you that a verification link has been sent to your registered email account.

The registration form includes the WA Football Champion Club Program logo, a 'REGISTER' heading, and four input fields: 'Please enter your name...', 'Please enter your email...', 'Please enter your phone...', and 'Please enter your committee position...'. Below these fields are two radio buttons for 'Club' and 'League', a 'Back to Login?' link, and a yellow 'SIGN UP' button.

The verification email contains the WA Football Champion Club Program logo, a thank you message, a verification link, and instructions to check the Spam/Junk folder if the email is not received within a few minutes.

SETTING UP YOUR PASSWRD

Check your email for a verification link. The email should look like the example below. Use the **Set your password** button (highlighted in red) in the email to activate your account.

The example email is addressed to 'Dear QLBS Test 2401,' and contains a 'Set your password' button highlighted with a red border. It also includes a URL for login, a support email address, and a sign-off from 'The WA Football Champion Club Team'.

When the entered password meets the outlined criteria, the hints will turn green, and a confirmation message will appear at the top, indicating a successful password setup.

NOTE: A secure password must be at least 8 characters, contain a number, a symbol and a capital letter. Try not to use any dictionary words or names as these are easy to guess.

If this is your first time logging in, you will be prompted to review and accept the platform's Terms and Conditions, which can be accessed by clicking the **Terms of Use** link. Tick the checkbox **I accept**, then click the **Submit** button.

NAVIGATING THE DASHBOARD

Once you have logged in successfully, you will land on the **Dashboard**, with the **Home** tab displayed by default.

The navigation bar is located at the top of the page and has multiple tabs for you to access throughout your certification journey. Here's a brief overview of each tab:

Home

The Home tab is the landing page when the user logs in, showing the **Club Details, Welcome, and Status** sections. For more information see the [Navigating the Home Tab](#) section of this guide.

About

Provides information about the WAFC Champion Club program, including its goals, benefits, and how it supports clubs. For more information on this section, see the [About](#) section of this guide.

Module 1 - Foundation Level

This is the initial questionnaire that needs to be completed. Only once your club achieves Foundation Level Club Certification, can you proceed to complete the Premiership Level Champion Club Questionnaire. For more information on this section, see the [Module 1 - Foundation Level Questionnaire](#) section of this guide.

Module 2 - Premiership Level

Similar to the Foundation Level Club Questionnaire, but specifically for clubs aiming for Premiership Level Champion Club status. This questionnaire will become available for your club to complete once you have achieved Foundation Level Club Certification. For more information on this section, see the [Module 2 - Premiership Level Questionnaire](#) section of this guide.

Action Items

Lists all the tasks and items that need your attention before you can submit your assessment. This could include pending approvals, required actions, or follow-ups. For more information on this section, see the [Understanding the Action Items](#) section of this guide.

My Files

This section serves as a repository for all your uploaded documents and files related to the certification process. You can view and search for specific files you've uploaded here, ensuring easy access and club of all necessary documentation. For more information on this section, see the [My Files](#) section of this guide.

Assets

The Assets section provides your club with all the necessary tools and materials to celebrate and promote your achievements. Here, you will find all the essential assets for both Foundation and Premiership Level Clubs. This tab only becomes visible once **Module 1 - Foundation Level Certification** has been achieved. For more information on this section, see the [Assets](#) section of this guide.

Resources

Provides access to various resources such as guides, templates, and other helpful documents to assist you in the certification process. For more information on this section, see the [Resources](#) section of this guide.

NAVIGATING THE HOME TAB

The Home tab helps you quickly access key details about your club and track your progress toward certification. It is divided into three sections:

- **Club Details:** Displays the key information about your club.
- **Welcome:** Displays a message welcoming your club to the program and providing clear guidance on the next steps to take.
- **Status:** Displays your progress toward becoming Foundation Level or Premiership Level certification.

HOW TO UPDATE CONTACT DETAILS

1. Navigate to the Contact Details section of the home dashboard and click the pencil icon beside **CONTACT DETAILS**

2. Click on the fields you wish to edit and enter the new information.

You are not able to edit the text fields that are grey, these are locked.

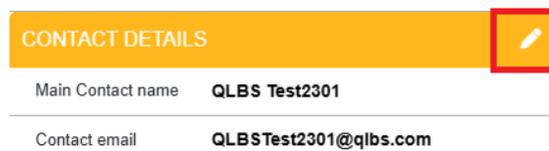

If you need to change them, you must contact championclub@wafc.com.au

3. Click **Save** to confirm the changes.

HOW TO INVITE COMMITTEE MEMBERS

It is recommended that you invite other committee members to help facilitate the completion of the WA Football Champion Club certification. To do this, follow these steps:

1. Navigate to the Contact Details section of the home dashboard and click the pencil icon beside **CONTACT DETAILS**

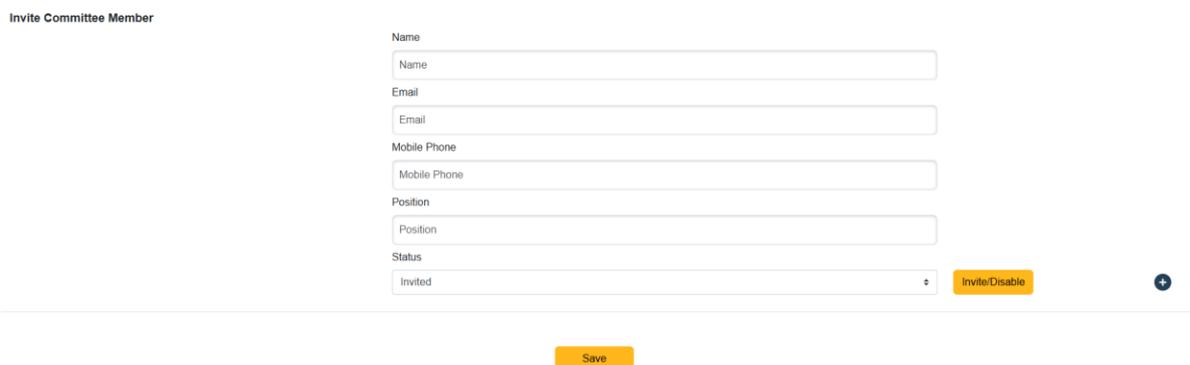

CONTACT DETAILS

Read each question carefully, including the hint and provide a relevant answer, explanation, or file. You can come back to respond to the questions anytime. Although responses are saved automatically, it's good practice to click the Save button from time to time to avoid losing any progress. This way, you can ensure that all your responses are accurately recorded and can be revisited or updated as needed.

ANSWERING QUESTIONS

Throughout the **Module 1 - Foundation Level** Questionnaire, you'll be asked to provide answers in various formats, offer explanations, and upload files to support your responses. For some questions, a note will be included indicating if a file upload or an explanation is required.

Response Types

Questions may have different response options, such as:

Yes/No

Choose either Yes or No.

A horizontal row of two rounded rectangular buttons. The left button is orange and contains the text 'Yes'. The right button is light grey and contains the text 'No'.

Dates

Either enter the date manually or choose a date from the calendar by clicking the calendar symbol.

UTILISING THE HINT AND SHOW INCOMPLETE FEATURES

To ensure you provide all necessary information and complete the Champion Club Questionnaire accurately, make use of the Hint and Show Incomplete features. These tools will guide you through the process, helping you identify and address any missing responses or required documents.

For more information, hover over the hint  button next to the question to access additional information, resources and templates.

To identify questions needing attention, click the  button. This will highlight any incomplete questions. When enabled, this button appears as a yellow-filled rectangle . A red text message will appear below each question, providing specific guidance on what information is missing.

Question Response Required	Response is missing (e.g., Yes/No, I Confirm or an option selected from a menu).
Date Value Required	Date not supplied.
Text Value Required	Text is missing (e.g. year)
File Upload Required	File upload is missing.
Explanation Required	An explanation is required.

UNDERSTANDING THE ACTION ITEMS

Action Items

4 Pending

The certification review process may require certain information such as a clubal document before the review takes place. If a question requiring such information is answered with 'No' while completing the Questionnaire, it will be added to the Action Items tab as a Pending Item. An indicator in red shows the number of items needed to be completed before you can submit the responses for review.

Done

Once the document becomes available, the club must mark this specific question as DONE in the Action Items tab by clicking the button and uploading the file.

Done

Clear

Once marked as DONE, the button will turn yellow, and a 'Clear' button is available in case you wish to mark it as undone.

For every question in the Action Items tab marked as DONE, the indicator will update to show the number of pending items remaining. This indicator will disappear once all items are marked as DONE.

INSTRUCTIONS FOR COMPLETING AND SUBMITTING THE MODULE 1 – FOUNDATION LEVEL QUESTIONNAIRE

All mandatory questions must be answered to submit your responses. This includes items found in the Action Items tab. You will not be able to submit your responses otherwise. To successfully submit the completed Foundation Level Questionnaire, follow these steps to ensure all required information and documents are provided.

1. Review Each Question:

- Carefully read each question on the page.
- Determine if the question requires a specific response, such as a Yes/No answer, a date, a text, an explanation or a file upload.

2. Provide Responses:

- For questions requiring a Yes/No answer, select the appropriate option.
- For questions requiring a date, enter the date in the specified format.
- For questions that require an explanation, enter the necessary information in the textbox labelled 'Explanation'.
- For questions requiring a file upload, click the upload button and select the relevant file from your device.

3. Check for Action Items:

Action Items

-  If a question is answered with 'No' and requires further action, it will be added to the Action Items tab.
- An indicator in red will show the number of pending items that need to be completed.

4. Complete Action Items:

- Navigate to the Action Items tab to view all pending items.
- For each item, provide the required information or upload the necessary document.
- Mark the item as DONE by clicking the button once the information or document is provided. The button will turn yellow, and a clear button is available if you need to mark it as undone.

5. Use the 'Show Incomplete' Button:

- Click the 'Show Incomplete' button to identify any questions that are still missing information or files.
- A red text message will appear below each incomplete question, guiding you on what is required.

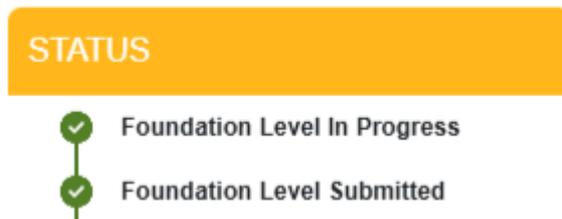

6. Final Review:

- Ensure all mandatory questions are answered and all required documents are uploaded.

- Verify that the red indicator shows zero pending items.

7. Submit Responses:

- Once all questions are complete and all action items are marked as DONE, submit your responses by clicking the **Submit**  button.
- Click OK when prompted to confirm submission. Upon successful submission, the status in the Welcome section will automatically update to **'Foundation Level Submitted'**.

- An email notification will be sent to the primary contact and the W AFC team for their review.

MY FILES

In this section, you will find the uploaded files clearly marked with each question number as their reference. **Sort and Filter** features are added for ease of use. Make sure your files are named accurately so you can easily identify them in future.

HOW TO SORT

The files are listed according to their upload time. You can sort the files in ascending or descending order by **Club Name**, **Ref No (Question ID)**, **Uploaded File**, or **Uploaded Date**. To sort, click on the column label, and the sort option will be applied.

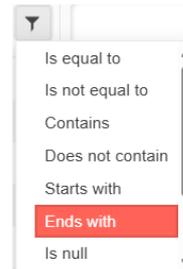

For example, if you wish to sort the list by Uploaded Date, click on the column name "Uploaded Date" and files will be sorted in Ascending Order **Uploaded Date ↑**. When you click on it again, it will change the sorting to Descending order **Uploaded Date ↓**. When you click on it the third time, it will remove the sort option applied.

USING THE FILTER FUNCTION

You can filter the files to display specific information based on the text filter you enter. For example, if you want to display all files that contain "Constitution" in their filenames, you can type the first few letters in the text box provided in the "Uploaded File" column. The list will automatically update to show filenames that contain the letters you have entered.

ASSETS

The Assets section is designed to equip your club with all the necessary tools and materials to celebrate and promote your achievements. This tab becomes available after successfully completing the Foundation Level. Here, you will find the essential Foundation and Premiership Level Assets, including:

- **Certificate of Achievement:** Official recognition of your club's certification status.
- **Foundation and Premiership Champion Club Badge:** A digital badge to showcase your club's achievement.
- **Custom Digital Assets for Promotion:** Tailored graphics and materials to help you promote your club's status.
- **Recognition on WA Football Web Platforms:** Your club will be featured on WA Football's official website and social media channels, highlighting your accomplishments.

USING THE SEARCH FUNCTION

The search function allows you to quickly find files by highlighting those that contain the text you enter in the search textbox. This is located at the top right of the files

Follow these steps to use the search function effectively:

- 1. Enter Search Text:** Type the text you want to search for in the search textbox. For example, if you are looking for files related to "Constitution," start typing "Constitution" in the textbox.
- 2. Automatic Highlighting:** As you type, the search function will automatically highlight all files that contain the entered text. The matching text within the filenames will be highlighted for easy identification.
- 3. Review Highlighted Files:** Look through the highlighted files to find the specific file you need. The highlighting will help you quickly locate files that match your search criteria.
- 4. Clear the Search:** To remove the search filter and clear the highlights, simply delete the text in the search textbox.
