Summary: Lodgement of Player Points Allocation Form for players transferring in or on permit in season 2020.	Action: Clubs to submit form online and meet deadlines.
---	--

We expect a very high volume of players requiring points allocation leading into Round 1.

This a reminder to all clubs that any player that is highly likely to play **League** football in the 2020 season will need to have points allocated to their record.

As per circular 5, clubs will need to complete the Player Points Allocation Form for any players who have transferred in & finalised their online registration or on a Type 2 permit which has been completed.

Please do not send in the player points allocation form until the player has finalised his transfer by registering online or the permit has been finalised. Once again, this is for players highly likely to play **League** football.

The Player Points Allocation Form is attached. Once you have completed the form, please send it into pps@wafc.com.au

We ask clubs to please meet the below deadlines:

Round 1: Forms are to be lodged by 10am Wednesday 1st of July 2020.

Round 2: Forms are to be lodged by 10am Wednesday 8th of July 2020.

Round 3 onwards: Forms to be lodged by 10am Friday prior to the game.

We assess the allocation forms in the order in which we have received them.

If you miss the deadlines, the form you have sent in will be assessed after Round 1. The player will be **ineligible to play League** football until assessed. However, the player can play in any other grade.
