## A BRIEF HISTORY

Beginning in 1922, the WAAFL has grown from what started as a small six team competition to the largest single organised football league in WA.

In its 97th year with 66 clubs, 248 teams and over 10,500 registered players, the WAAFL caters for male players as young as 16 and female players as young as 17 to provide a quality high standard competition whilst accommodating considerable volunteer personnel and social supporters.

For many players the WAAFL provides a superior football competition for those not wishing to endure the commitment to WAFL training due to study commitments,

career commitments or simply a lifestyle that considers football as a recreational pursuit.

The WAAFL is also the beginning point for many well-known WAFL and AFL personnel, starting their careers in amateur football and becoming the football champions of tomorrow.

High profile players and our Colts League name-sakes include Phil Scott, Drew Banfield, Laurie Keene, Brett Jones and two-time Sandover Medallist Ian Dargie all who played for the West Coast Eagles.

## PRESIDENT'S REPORT

The 97th WAAFL season concludes with 25 grades competing in Grand Finals across the first three Saturday's in September.

On behalf of the WAAFL I would like to congratulate each club and its players, officials, coaches and volunteers who are involved in this year's Grand Finals.

Congratulations also to all award winners who were recognised at our annual Medal Presentation Dinner held on Monday 3 September.

On behalf of the competition, I would also like to congratulate the umpires who have been rewarded with selection to officiate in the most important matches of the year. Without umpires it would not be possible to have a game and we thank you for your time and effort over the course of the season.

The WAAFL was once again greatly supported by our sponsors, the West Australian Football Commission, West Coast Eagles Football Club, Carlton and United Breweries, Burley, Midway Ford, Elastoplast, Australian Physiotherapy Equipment and Skill Hire.

The WAAFL is recognised as one of Western Australia's leading metropolitan sporting competitions and plays a vital role in

developing and encouraging participation at various levels of ability across the community. At a club level, our volunteers selflessly contribute many hours each weekend and we thank you for your dedication to keep your club striving forward.

Many thanks to all those associated with clubs who have not made the Grand Final this year. I wish you all the best in your preparations for the 2019 season and we look forward to seeing you again next year.

I am privileged to be part of a group of dedicated volunteers who make up the WAAFL Board. Together they give their time to implement strategies to keep improving our competition; partnering with key stakeholders to help attract new players and officials, investing in the development of club administrators, and supporting the continued growth of Australian Rules Football throughout the metropolitan community.

Good luck to all our competing teams and I hope you enjoy the 2018 Grand Finals.

Sam Birmingham  
President

## WAAFL INTEGRATED FOOTBALL

The WAAFL Integrated Program welcomed two new teams to the competition in 2018 with North Beach and Willetton Football Clubs fielding sides to bring the total number of teams to nine. The Integrated program grew to 234 players in 2018.

On Sunday 8 April, 51 players were given the opportunity to play on Optus Stadium as a curtain raiser to the West Coast Eagles v Geelong match. The curtain raiser is an annual event in the Integrated Program and one which all players look forward to.

The WAAFL State Integrated Team competed at the AFL National Inclusion Carnival in June. The week-long event held in Launceston, Tasmania kicked off with a lightning carnival which saw WA win two out of the seven matches played, leaving them to qualify for Pool B along with the Northern Territory, Tasmania and NSW/ACT.

WA had wins over NSW/ACT and Tasmania in their Pool B matches, finishing on top of the ladder by percentage in the Pool B division.

Coming into the Grand Final, WA had lost their previous two matches against the Northern Territory at the carnival going down by 26 points in the lightning carnival and 13 points in their Pool B Game 1 match.

Western Australia ran out 14-point winners, giving them their best finish at an AFL National Inclusion Carnival.

David Hallows was awarded the Best on Ground Medal for the Grand Final and was also rewarded with All Australian selection for his performance across the carnival.

Kyron Timms was named as WA's Most Valuable Player while Alex Seymour received the most improved/coaches award.

While the trip was predominantly about football there were some sightseeing opportunities as well with the team enjoying a day trip to Ben Lomond to see snow as well as visiting the iconic Cataract Gorge.

## BOARD UPDATE

### WAAFL TO REBRAND TO PERTH FOOTBALL LEAGUE

As presented at the WAAFL Medal Presentation Night, 3rd September 2018, the WAAFL is proposing to rebrand to the Perth Football League for 2019.

After gaining feedback from clubs, sponsors and WAAFL Life Members, the WAAFL Board proposes to re-brand the competition to reflect the transformation of the WAAFL and the footy landscape over recent years.

“We believe the Perth Football League reflects our transformation from that 6 team mens competition in 1922 to a contemporary league with 248 mens and womens teams across 25 grades as we are today”, remarked WAAFL General Manager, David Armstrong.

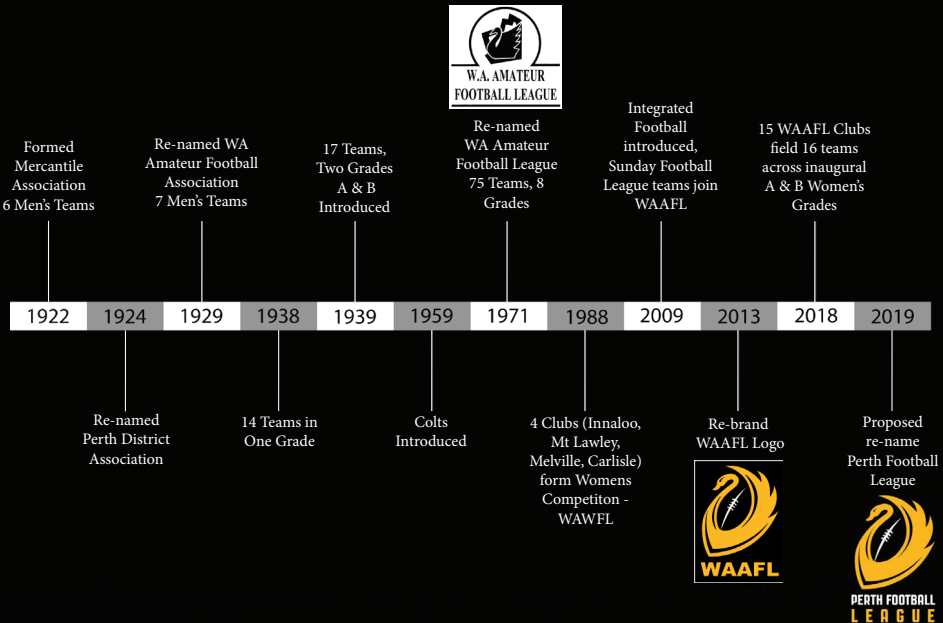

“We play in Perth, we play football and we play in a league”, he added.

Armstrong further added that dropping the word “amateur” and being known as the Perth Football League will not diminish our commitment to remaining an amateur competition.

The Perth Football League will identify a clearer pathway for young men and women from across the Perth metropolitan area transitioning from junior to senior football clubs.

The proposed name change will be the WAAFL’s fifth name change in its 97-year history.

### WAAFL HISTORY TIMELINES

## BOARD UPDATE

### PLAYER POINTS SYSTEM

The WAAFL Board has agreed in principle to implement a Player Points System for the 2019 season.

A player points system was identified by WAAFL Amateur Status Working Party as the preferred strategy to limit player inducements to change clubs and thereby reduce the payment of players.

The WAAFL Amateur Status Working party, comprising 15 clubs, met throughout 2015 and explored all facets of alleged player payment.

“Clubs wanted the League to crack down on alleged player payments,” said WAAFL General Manager, David Armstrong.

“A player points system is effectively the last recommendation from the working party to be implemented”, he added.

A player points system primarily restricts clubs from playing a high number of elite players. This is achieved by each player being assigned player points based on their previous playing history within a total team points cap.

The WAAFL Board has reviewed player points system from Victorian and South Australian community leagues together with previous WAAFL Amateur Status Working Party models trialled in 2016.

The WAAFL Board gained feedback from clubs in 2018 regarding proposed models.

The WA Football Commission has endorsed the introduction of a state-wide player points framework across the WAAFL and WA Country Football League to support its strategy on player payments.

A final player points system is yet to be determined for 2019.

Other working party recommendations that have been implemented include the introduction of a Whistleblower Policy, additional penalties and increasing player information and education of the amateur status.

The WAAFL employed a Competition Integrity Officer in 2016 to support this work.

## BRIGHT FUTURE FOR WOMEN'S COMPETITION AFTER SUCCESSFUL FIRST SEASON

The WA Amateur Football League launched a Senior Women's competition in 2018.

The formation of the WAAFL Women's competition identified the need for a senior community competition as well as creating a pathway towards the WA Women's Football League.

After significant interest in the competition, two grades were formed with seven teams- Bayswater, Curtin Uni Wesley, Kingsley, North Beach, Quinns Districts, University and West Coast fielding teams in A Grade. While nine teams- Cockburn Lakes, Cottesloe,

Forrestdale, Gosnells, Hills Rangers, Nollamara, Rossmoyne, University and Warnbro Swans fielded teams in the B Grade division.

The competition saw 649 players take the field with 498 of those being newly registered players and 151 transferring in from other leagues.

With new clubs already looking to field a Women's side in 2019 the WAAFL Senior Women's competition is set to build on what was already a successful first season.
