

2014 AUSTRALIAN FOOTBALL PRIMARY SCHOOLS

WELCOME TO 2014

The West Australian Football Commission (WAFC) is committed to ensuring all West Australians have the opportunity to participate in our great indigenous game as a participant, official, fan or volunteer.

The WAFC supports education by providing quality, innovative and engaging curriculum resources: bringing our game into the classroom.

WAFC District Development Officers, based in both metropolitan and regional locations, are your key liaison point for further information.

Registration for our programs and competitions can be found at www.wafootball.com.au

The Game Development team at the WAFC looks forward to your continued enthusiasm for Australian Football and hopes you and your students enjoy participating in the various football based programs on offer.

ABOUT FOOTBALL IN WA

The West Australian Football Commission is the caretaker of football throughout the State, responsible for the overall development and sustainability of the game.

Football in WA dates back to 1895. In 2013 it was the most popular sporting code in the State with 161, 429 active participants who engaged with six week or greater programs and competitions.

The WAFC is a not for profit sporting association. It is incorporated under the Associations Incorporation Act and governed by a volunteer board that oversees the operation of all football activities throughout the state. The WAFC's role includes ownership of the West Coast Eagles and Fremantle Dockers Football Clubs; guiding the West Australian Football League; overseeing country and community football; managing umpiring and coaching; football development and managing Patersons Stadium.

We create positive engagement through the active promotion of teamwork, responsibility, respect, leadership, commitment and community participation.

Football is more than a game. Football helps to educate our young; improve the health of our community; prevent suicide; provide a stepping stone to a rewarding career; include the disabled; prevent bullying; assist migrants to learn about Australia; develop future leaders and promote good citizenship. In short, football enriches our community.

WAFC is the manager of Patersons Stadium.

PROGRAMS

Our Primary School programs and competitions are based on fun, participation and skill development.

Please note:

The supervising teacher must:

- **Be present AT ALL TIMES**
- Take charge of discipline for participating and observing students
- Introduce guests at the start of the session
- Model active involvement by participating, umpiring and/or coaching.

Remember to register early as places are limited!

KIDSPORT™

Because every WA kid deserves a fair go

FACT SHEET

Registrations for winter sports are not far away! Make sure your local government validates your next KidSport voucher before registration day.

If you aren't already a KidSport kid we'd love to see you getting involved in sport or active recreation this summer. KidSport is a partnership between the Department of Sport and Recreation and local governments. It's a voucher scheme which gives eligible youth aged 5-18 years up to \$200 a year per child towards club fees. So far, more than 24,000 Western Australians are KidSport kids!

If you want to sign-up for KidSport or if you're a club who wants to welcome new members, talk to your local government or get further details from www.clubsonline.dsr.wa.gov.au/kidsport
