A MESSAGE FROM THE WACFL

On behalf of the WACFL, I'd like to welcome everyone to this year's Nutrien Ag Country Football Championships. 2022 marks the 57th year of the Championships and the 48th year of support from our fantastic partners, Nutrien Ag Solutions.

After a hiatus in 2020 and 2021 for our Senior Men, the Championships are back in full this year and will see Central Midlands Coastal return along with Gascoyne Football Association competing for the first time. Both of these teams will battle it out with Central Wheatbelt, Eastern Districts, Mortlock, North Midlands and Ongerup in an extended Division 2 this year.

The top Division is set to be the most competitive and high quality football that we have seen for a long time. Peel return to Division 1 and are confident of a strong showing, whilst our last Champions from 2019 Champions Upper Great Southern and runners up Goldfields both have strong line ups and will take plenty of beating. After disappointing 2019 campaigns both the South West and Avon sides will be eager to rebound back into championship contention.

One of the most exciting aspects of the 2022 Championships is the expansion of the CBH Group Colts Division to seven sides. Great Northern and a Pilbara Allstars side have entered the competition for the first time in a very long time. The addition of these teams should ensure the standard of the competition has never been greater and we are excited about the football that will be played down in Mandurah across the championships.

In an exciting development our Senior Men's Championship Finals will be played at the WACA ground.

Nutrien Ag Solutions continues to be a great supporter of Country Football and the Country Championships would not be possible without their generous support. We

certainly wish them and the agricultural communities they represent all the best for the 2022 season and again thank them for their ongoing support to the Country communities in WA.

We look forward to a great week of Country Football and wish all the players, coaches, umpires and support staff the very best. As always, please don't forget to *Belt up*. and drive safely!

WELCOME FROM NUTRIEN AG SOLUTIONS

Country footy clubs are an important part of our rural and regional communities across the state and Nutrien Ag Solutions is very proud to continue our support of the WA Country Football League.

With 180 years of history standing shoulder-to-shoulder with Australian farmers, Nutrien Ag Solutions is the name that agriculture turns to for the very best in advice, products, support and innovation. As part of the Canadian-based Nutrien Limited group, we are globally backed, but we will always be locally focused.

We believe Australian agriculture has a bright future, so our mission is to see our farmers succeed by providing everything they need to grow our world from the ground up. But we're more than agri-business, we are also a key part of the rural and regional communities in which we live and work. That's why Nutrien Ag Solutions is proud to give back, lend a hand, and partner with community groups and organisations that are making a positive impact to the wellbeing and strength of our country towns.

Nutrien Ag Solutions, and our legacy brands, have enjoyed a long and meaningful partnership with WACFL - supporting country football in WA for the past 48 years. Covid has caused many disruptions for our communities over the past two years, including the cancellation of the Championship so we are very excited to be back this year!

Thank you to WA Country Football League, all the volunteers, coaches and players for your commitment during a tough period and for coming together to put on an outstanding 2022 Nutrien Ag Solutions Country Football Championship.

Good luck to all the teams competing for the 2022 WACFL flag!

Supporting our regional mental health.

We have joined with four organisations to improve the mental health of Western Australian regional communities.

Together, we're aiming to make help easier to access for growers and communities so that we can all look after our mental health.

NEW HOLLAND WA STATE COUNTRY TEAM

State Country Football will make its return for the men this year with a trip to take on the Crow Eaters in South Australia at Adelaide Oval locked in. A win against the South Australians at Optus Stadium in 2019 has the team looking to make it back-to-back wins in the annual interstate clash for the first time.

Our last trip to Adelaide Oval resulted in an agonising five-point loss and the opportunity to make amends at the home of football in South Australia is incredibly exciting.

This year's Men's side, which will be coached by Kane Benson, will be largely picked from this year's Nutrien Ag Solutions Country Championships with those players performing well are real shot to pull on the 'Black Swan' at the end of the month.

"It's a very exciting time to be involved with Country Football, with so many high-level players putting their hand up to represent their leagues at this year's Championships. I am really looking forward to seeing how all of these players perform in their first taste of representative football for over two years" Benson said.

The New Holland State Women's program has concluded for 2022 with the second edition of the State clash against the Perth Football League being held on June the 24th. In a nail-biting finish the Country side went down by 3 points.

Donnybrooks Charli Wicksteed was recognised for her performance with the Best on Ground Medal for WA. The players will now begin to prepare themselves for the Rio Tinto Women's Championships which will be held in September.

2022 REGIONAL UMPIRES

On behalf of the West Australian Football Commission, I would like to welcome to Perth, all Umpires, Umpire Coaches and Administrators involved in the 2022 Nutrien Ag Solutions Country Football Championships.

After the cancellation of the 2020 and Senior Men's Championship in 2021, it is pleasing to have many of our regular faces returning and several new Umpires joining the Country Championships for the first time.

I would like to take this opportunity to acknowledge all those who have travelled significant distances to get to Perth. The official Umpire Panel includes Umpires from Albany, Esperance, Bunbury, Busselton, Geraldton, Manjimup, Katanning and the Peel region. We greatly appreciate your efforts in officiating at these prestigious championships.

These Championships provide an ideal educational opportunity for Umpires, Umpire Coaches and Administrators, building on the work done by Umpiring WA staff in many of our regional centres throughout the season so far. To date we have already visited Esperance, Geraldton, Northam, Manjimup, Albany and Merredin.

The Country Championships also play a vital role in assisting the accreditation process via match day assessments from qualified Match Day Coaches. For many, this is the only opportunity to receive match day coaching which is critical to improving umpiring standards throughout WA.

The JJ Lussick Award will again be presented to the best Field Umpire of the Nutrien Ag Country Championships as will the Peter Troode Encouragement Award to an up-and-coming Umpire. The JJ Lussick award winner will also be invited to travel with the New Holland WA Country State Team to Adelaide to officiate in the interstate clash between South Australia and Western Australia at Adelaide Oval on Saturday 30th July.

The WAFC wishes all our Umpires the best of luck for the Championships.

Thankyou

GERRY O'DEA

THE STORY

The artwork depicts the green ovals played on all over the country with the blue and brown background and dots showing connection to the North and South of WA.

Three large lines with white dots show the roads travelled by many family and community to different towns and country ovals for the love of football.

The small white lines join the community and football ovals, connecting to the main roads and smaller country roads.

Last year, 98 people who weren't wearing a seat belt were killed or seriously injured in a crash.

Look around. That represents over four footy teams.

They could have been your teammates, your family or your friends.

Belt up.
