REMINDER TO OUR MEMBERS

2023 ANNUAL GENERAL MEETING

SWAN YACHT CLUB
Riverside Drive,
East Fremantle

6pm on Thursday 14th
December 2023

PRESIDENT'S REPORT - Mark Stewart

2023 saw our club reaching success after success as the Sharks dominated the season and kicked our way into two spectacular Premiership victories. The hard work, the winning strategies and a dedicated club of outstanding people laid the foundation for us to be in the best position possible to take on a new season that we made our own.

Grand Final Victories

Congratulations to our men's team for dominating their season and capping it with a magnificent win to bring the Premiership trophy back to East Fremantle.

Our congratulations also go out to our fantastic women's team for their stunning grand final win after a nail-biting race to the end to take out their second WAFLW Premiership.

Throughout their journey to the Grand Finals, both our men's and women's teams displayed the true Shark way. They faced challenges time and again but each time they rose to the occasion, all united for the blue and white. We are very proud of you all.

East Fremantle Oval

Construction is well underway on our new facilities that we expect to see completed in the first quarter of 2024. Our determination to tackle the challenges of the past two years with Shark spirit has seen us achieve an historic year despite not being in our home ground. It puts us in good stead to continue our run into 2024 where we will occupy our new home and begin another chapter in our award-winning history.

Geraldton Match

One of the highlights of a year full of highlights, was our match played in Geraldton in July. We're deeply proud of our initiatives in this area in promoting this great game and supporting local players. We will continue to invest in this region and were thrilled to have record numbers of Mid-west players debut for the Sharks this season. Our thanks go out to the many sponsors, partners and individuals who have supported this event and the growth of football in Geraldton. We also thank all the sponsors who put on such a great day for the EFFC Supporters Bus and the presentation luncheon.

OUR PURPOSE

Our focus on engaging with the community will be given a boost next year as we join other groups in our shared facilities, giving us further opportunity to support their goals along with ours as we impact our local community through the positive power of sport and the values of East Fremantle Football Club.

Strategy

Our strategic plan directs us to our pillars of connection, unity, respect and ambition. These pillars underpin our 2023-25 Strategic Plan and as a club we will continue to focus on our strategy and our efforts in achieving our goals in 2024 we have the opportunity to realise our goal of having a league leading new facility in which we can enhance and innovate the game day experience of our members. We will also renew our efforts to strengthen the clubs finance and governance to allow us to support our football teams to achieve back-to-back success.

In the coming year our strategy will continue to be reviewed as we enter a new phase of the club's history.

FINANCE

Special thanks go to our chartered accountant, Mark Murphy, along with Paul Chapman and Bob Uittenbroek who are members of the Finance Committee. Finance is a key part of any successful club and we thank you for your ongoing commitment in what is a challenging marketplace and also very tricky while we don't have a home base.

Patrons

We appreciate the expertise, contribution and immense value to our great club of our Club Patron, Tony Buhagiar, and Vice Patrons Ray Meadowcroft, Len Hitchen, Peter Lynn, John McGrath, Hon. Simon O'Brien, Glenn Sterle, Lisa O'Malley, Bob Uittenbroek, Ron Alexander and No.1 Ticketholder Josh Kennedy.

Our Board

Special thanks go to my fellow board members—Steve Nugent, Adam Drake-Brockman, Flora Furness, Kim Chatfield, David Edinger, Con Tripi, Damien Condon, Paul Chapman, Lynsey Warbey and Michelle Magdy who bring expertise from their own companies and senior roles to our club despite the considerable demands on their time and energy. We value each of them for their management and governance skills along with their contribution to upholding our club's values and priorities. An additional thanks to Steve Nugent and Damien Condon for their service in the roles they have played while on our board.

Past Players

Robbie and the team of past players and officials have made a great contribution to our success again this year. We thank you and appreciate the excellence and absolute dedication you have brought to everything you've done.

Our People

Our great club is about to enter into an exciting new generational phase that we will embrace with tremendous excitement and opportunity. Moving into a new facility brings us a new era of innovation and change. We will look back upon this in future years as another pivotal aspect of our history. Which brings me to express our thanks to our outgoing CEO, Todd Shimmon. For the past nine years, his tireless service to the club and sustained efforts and passion for the game have been a credit to him and he has formed many strong friendships in and around the club. We wish Todd all the best in his future endeavours.

A big thank you to our dedicated management team and staff for the generous spirit you show and for continuing to apply your extensive skills through challenging times.

A special mention to those who continue to give so generously: thank you Charlie Ricciardo for looking after our players so well, and to Simon Stibbs for your continued guidance and clever thinking around strategy and your work with our people that has been such an important aspect of our club.

To Dee & Juila thank you in what has been a demanding year for your both.

We thank the Berrigan Bar & Bistro and the Left Bank, and your staff for being an essential part of our club's facilities and the excellent services you provide for us.

Our grateful thanks go out to our many wonderful sponsors whose valuable support and continuing association goes beyond the East Fremantle Football Club to also support our local community organisations. The Board

looks forward to working with you again in 2024 to support our club, its values and its goals.

And huge thanks to all our loyal members for your solid and enthusiastic support. We're proud to have you cheering us on and standing with us in our victories.

We value, appreciate and thank you all for making the Sharks WA's top team in 2023.

On Field

Thank you to all our hard-working coaches. To our men's league coach, Bill Monaghan and his team, we thank you for your service and hard work in achieving the success that has eluded us for 25 years.

Brad Dodd, the architect of this year's successes—your ability to think outside the square, working so closely with Bill and the coaches and your drive for the club is greatly appreciated.

Our thanks go out to Steph Walding who guided our women's team through a challenging year and ensuring an elite performance on the field despite those challenges. The women's team is now cemented as a power team within the WAFLW.

We also acknowledge the contribution of Brenton Boddington, who has provided dedicated service in his role.

Our thanks too to coaches Adrian Ricciardello, Sam Mainwaring and Troy Fish and everyone in the Development teams for your amazing work this year.

Our club is fortunate to have an incredible group of volunteers and support staff. We thank every one of you—our selectors, team managers and assistants, trainers, strength and conditioning staff, property managers, and every volunteer for your vital contribution to the club.

Thank you to our District Chairman, Karen Wheatland, and everyone on our District Development team for your commitment and dedication.

The Town of East Fremantle

Welcome to the Town of East Fremantle's new CEO, Jonathan Throssell. Our thanks and appreciation go out to you, the Town of East Fremantle Mayor Jim O'Neill, all the councillors, and Brad Paatsch from the Paatsch group. We're grateful for all your efforts to secure and build the East Fremantle sporting precinct and look forward to sharing its bright future with you.

Special Thank You

To all the magnificent families who continue to support our players, members and volunteers, to my wonderful wife, Leanne and our daughters, my personal thanks and our club's sincere appreciation to you for all you have done to help make our club the success it is.

OUR FUTURE

We're heading into a new year and a new home carrying both Premiership trophies and standing on a proud history of inclusion, innovation, and excellence. Our success is due to the dedication, resilience and commitment of every person who has contributed over the past 126 years. I'm excited for our future. Together we make an incredible team, united for the blue and white, a community in teamwork and in spirit.

I would like to personally thank every one of you. I wish you and your families a happy and enjoyable Christmas and a fulfilling 2024.

FINANCIAL SUMMARY FOR 2023

In the 2022-23 financial year, the East Fremantle Football Club faced a challenging environment marked by spending the entire year outside our own facility. Substantial investments were made in alternate training facilities for all teams, including the men's and women's league, men's colts and reserves, and Rogers Cup. Unfortunately, the extended period away from our own facility had a notable impact on the club's bar and food & beverage income, putting further pressure on the Club's finances. Consequently, the Club recorded a loss of \$139,924 for the year.

On a positive note, we have spent the last several months significantly improving our financial processes and reporting and implemented a robust budget process for 2023-24. This, along with the move back to the new facility will return the Club to a firmer financial footing. The immediate road ahead remains challenging as we navigate our move to the new facility and look to maximise its opportunities.

MEMBERSHIP 2023

- Bob Uittenbroek

From a membership perspective it has been an outstanding year.

The overall results were a reduction of 136 compared to last year. The main reason was a carry-over from Hammerhead last year. Great White has never been this high in last the last ten years, with the average being 550. The reduction in our Social is two-fold, some members chose to take out a different membership and others did not join because of a lack of club facilities. I am pleased to see we have reached our target of 125 Jack Sheedy memberships in our 125th Year. This is the allowable number set by the Board of Management. It was encouraging to see several of our past players being active in joining the Jack Sheedy membership.

LIFE MEMBERS

Congratulations are extended to our four new Life members who were inducted at the AGM 2022.

✓ Matthew Jupp

Current Captain of the League team since 2021. Lynn Medallist 2019 & 2023. Premiership player 2023. Played 182 League games.

✓ Tony Micale

1996 as best coach in the WAFL & was made a Life Member of the WAFL in 2018.

✓ Cassandra Rowe

Completed 26 years of Voluntary service in a variety of roles (too many to mention). Served 17 years as a member of the East Fremantle Past players association. As secretary from 2019-2021 & 2023. Cassandra was the first female to be admitted to the Past Players Committee.

✓ Lawrence (Toby) Watson

Played League from 1962-1969 playing 129 League Games. Played in the losing Grand Finals 1962 & 1963 against Swan Districts & 1964 against Claremont. Played in the 1965 famous Grand Final against Swan Districts where he kicked 4 goals in the game and East Fremantle came from behind at three quarter to win. He served on the Board of Management 1974-1975 and was a Selector and League runner in the same period. He was heavily involved in organizing many successful reunions.

Premiership Reunions

The club had four outstanding reunions 1973 Colts, 1993 Reserves, 1998 League & 1998 Colts and Amateur Colts. Special thanks to the following past players who assisted in the planning of these events. Neal Robinson, Kim Barrett, Wayne Barnden, Tony Micale, Jon Stagg & Ross Monger.

Membership Committee

Special thanks to our hard-working group, Rod and Glenn Brown, David and Lyn Edmondson, Angelo Cuccovia & Alby Huts. On behalf of the Membership Committee, we extend our appreciation to Judi Miles for looking after our members' interests over the 18 years. **A Big Thank You.** Also, thanks to Paula Barnden for looking after the interests of our members. We welcome Dee Boni to the Membership group.

FOOTBALL

WHAT A YEAR. I'm taking this opportunity on behalf of all our member to congratulate all the Coaching Staff and Players in all grades for a magnificent season winning Two grand finals in the WAFL & WAFLW. Reserves & Colts playing finals and the Rogers girls missing finals. A terrific Birthday Present during our 125th Celebrations.

Members: We thank you for your loyal support over the past two seasons with no real home or social club rooms. We look forward to being in our new facilities in 2024 and we advise that Membership packages may vary from the past seasons.

Special Thanks: Todd Shimmon: From the Membership Committee, we thank you Todd for the support and guidance over the many years. My personal thanks to you, for your guidance over the many years, which I really valued and appreciated.

Look forward to seeing you all next year.

Business Development & Sponsorship

- David Edinger – Director of Business Development

Firstly, a big thankyou to both our coaches, their support staff and volunteers. To win both the men and women's league grand finals and final appearances for our Reserves and Colts was an amazing effort especially when you consider the challenges placed upon our committed football department over the past two years without a home ground. I would also like to thank our past CEO Todd Shimmon and his team for the hard work they have put into making playing our home games at the WACA possible and enjoyable for our members and sponsors.

The EFFC is very fortunate to have a dedicated group of sponsors of which many of them have been sponsoring the Club for a considerable number of years. On behalf of our members and players both men & women across all grades I would like to thank all our sponsors for their support. We encourage our members and supporters to consider using their services where possible.

Thank you all so to our past players for their fund-raising activities and thanks also to our growing number of volunteers.

I would personally, and on behalf of the Club, sincerely like thank Paula Barnden for her professionalism and her dedication to the EFFC during her employment at the Club as our Business Development Manager and we wish her all the best in the future.

Next year will be the start of a new era for the EFFC as we prepare to move back into our home ground at Moss Street and, although a completion date has yet to be confirmed, we are hoping it will be around the start of our season, or not long after.

Belgravia Leisure, a management provider partnering with Local Government and State Government authorities, has secured a Head Lease from the Town of East Fremantle to run the new Community Centre. Belgravia Leisure manage aquatic, fitness, sport, holiday parks,

spas and wellness venues across Australia and New Zealand. The facility has been designed to cater for the needs of the EFFC, East Fremantle Bowling and Croquet Clubs. Belgravia Leisure will also be operating a fitness centre for the public to join.

We are confident the new facility will provide our members and sponsors with a great experience, especially on game days, and we are looking forward to playing our first game at the new facility as we chase back-to-back Premierships.

The date of our return to our home ground at Moss Street will be published once it is confirmed.

Again, thank you for your support have a great Xmas and we look forward to seeing you all again in the New Year.

Update Oval Redevelopment

The oval redevelopment has been motoring along and our return to the new facility is expected to be around May 2024.

The centre will be operated by Belgravia Leisure a leisure management provider partnering with Local Government and State Government authorities. Belgravia

Leisure manage aquatic, fitness, sport, holiday parks, spas and wellness venues across New Zealand and Australia. The Point Walter Golf course is under their

management. The EFFC will share the Community Centre with the East Fremantle Bowling Club & East Fremantle Croquet Club. The Community Centre will also include a large GYM which will operate seven (7) days a week by Belgravia Leisure. There will also be a coffee shop / restaurant located in the facility.

EFFC will be provided with a ten (10) year Sub – Lease agreement with a further option of ten (10) year option which is currently under negotiation with Belgravia Leisure and the ToEF.

Returning to our home ground and a brand-new facility with the 2023 Premiership Cups for the men and women's football is exciting, challenging and the start of a new chapter to add to the successful history of this great club.

We will keep you all informed as we get closer to returning to our home ground and we look forward to seeing you all next year at the new facility.

FOOTBALL OPERATIONS - Brad Dodd

After 25 years in the wilderness, the Sharks are back where they belong - Premiers for 2023, taking home premiership number 30.

It's been well documented of the change and work that has gone into the football department and team since Bill Monaghan arrived at the end of 2018, but all the hardship was worth it as the players delivered spectacularly on the big stage to claim the 2023 Premiership. The sheer elation and emotion that flowed from the playing group, coaches, staff, board members, family, friends and supporters is something that will forever be etched in our memories.

We started the campaign without a home base, the old facilities at Shark Park were quickly demolished as the dust was settling on the 2022 season. Our admin offices were relocated to Tricolore Community Centre, near Henry Jeffery Oval. We had a shift in structure for our pre-season training, which saw the group split into 3, with differing levels of requirements pre-Xmas. Most of the experienced players weren't require until after Xmas, but many rolled in to participate anyways. It was a good sign.

Recruiting wise we welcomed back Hugh Dixon and Tom Joyce, who had both been taken by West Coast at the start of the year. It was disappointing the opportunity hadn't panned out for both - Hugh managed 10 AFL games at West Coast, while Tom had continued his retched luck with injury and missed the season with an ankle injury. We had also brought in Fraser Turner, who had spent time on Richmond's list, from South Adelaide in the SANFL. Fraser had been a target of ours for a couple of years - his hard running work on the wing likely to translate well on the big WAFL grounds. Josh Cripps had also returned from a stint in the VFL and loomed as challenger for the vacant number 1 ruck position. We also had another returning player in Harry Marsh. The lure of playing out his career with his younger brother, Jono, the driving force behind his move back from Subiaco. We also managed to add players from other clubs in Ben McGuire and Lennon Marlin - both looking for opportunity but with no guarantees. Both ended up as Premiership players. Also coming into the squad were interstate players Orien Kerr, Austin Ball and Muoteer Reech - who were also searching for opportunity by moving away from the VFL.

Out of the squad went Jed Hagan and Jack Cleaver. Both had been overlooked in the draft and were chasing their AFL dream by moving to Port Adelaide (SANFL) and Essendon (VFL) respectively. We had preferred both stayed at the Sharks but we fully supported both once the decision was made. Also leaving were ruckman Jeremy Goddard, Durak Tucker, Cody Smith and Tom Monaghan - all who had played regular Senior football in 2022. We thought we had a squad that could challenge as we went into the start of the season.

We had spent most of our pre-season training out at Cockburn ARC. Fremantle had been unbelievable in allowing us access to the oval - and a special thank you for Adrian Lacquiere from the Fremantle Football Club, who did everything to grant us the access we needed. The players loved training at the ground. In 2023, we spent time training at Subiaco Oval (thanks to the WAFC for bailing us out there), Shirley Strickland, Riverton Reserve, Henry Jeffery, Fremantle Oval, Legacy Park, the WACA and Fremantle Park. I may have missed a couple as well - such was the nature of the season. Our weights sessions were done at Tricolore, our team reviews at the Swan Yacht Club while team meetings were done at the Cockburn ARC meeting rooms, the WACA and even the Vibe Hotel in Subiaco. We certainly got around. To

the players credit, they just got on with it. Many enjoyed the change of scenery - though it was tested every Tuesday night at Subiaco, where it always rained and we had no cover.

It was a slow start to the season, with a couple of average performances in the pre-season games leading into a tight round 1 loss to Peel. For the 2nd year in a row we had squandered a 5 goal lead. We then won the games we should have before a disappointing loss to West Perth left us 3-2 going into crunch games against Subiaco and Claremont. We played some good football in both, controlling most of the game against Subiaco and toughening out a grind of a contest in Broome to hold off Claremont. At 5-2, we were in a good spot to launch but we hadn't quite hit our straps yet. Back-to-back losses came in wet and windy conditions against SF and a tough one against the form side of the comp, EP - who pulled away in the last 10 minutes to win easily. The EP loss was the catalyst for what I believe was the turning point in the season - a renewed focus on how we defend - within the contest, away from the contest and off ball. The players embraced and engineered the change and the results started to come. We went from 4th in points against to 1st, while continuing to score well. We had some challenging games against Peel, EP, Subiaco and Claremont and the players passed those tests with flying colours. We played well for 3 and half quarters in the first final against Peel but probably didn't put the score on the board and then held on for dear life as Peel rolled out 19 inside 50s in a row to end the game. They squandered chance after chance and we held on by 5 points.

Grand Final week started with a training session injury to Jonathon Marsh. It appeared he had strained his quad - and while he did everything he could to try and get up - it was clear on a Wednesday afternoon jog that he just couldn't get through the game. Another setback, but we announced it and moved on. The grand final game plan was executed perfectly by the players and every adjustment Bill and the coaches made came off and we came away with a comfortable victory. There had been no passengers. Everyone played their part and thoroughly deserved the win.

There a lot of people who put time in over a football season and I can't thank them enough for their efforts. Firstly, our Senior Coaching group of Bill Monaghan, Joe Comande, Paul Sanzone, Craig Smoker and Bradd Dalziel, who have worked tirelessly over the past 5 years to put the squad in the position to challenge. The Development coaches in Adrian Ricciardello, Paul Mews, Kane Lucas and Paul Hansen, who all came up from the Colts system, and navigated the Reserves to their first finals appearance since 2019. Harry Taylor also joined the coaching team this season, working with our tall backs as well as our leadership group. Harry became a great source to lean on through the year for Bill, Matthew and myself.

I'd also like to thank our Bench team, which includes Craig Anderson and Josh Arlington on rotations, our Strength and Conditioning coach, Jye Welch and our outstanding medical and support team in Marina Torres (Physio), Jonathon Tan (Physio), Dr Ben Grant, Head Trainer Kate Retzlaff and her team of trainers, which include Brooke Elliott, Bec Boni, Georgia Maslen and Grace Monkhouse, as well as water hydration specialists in Russell Hendy, Mia Hendy and Rochelle Scott. Thanks again to our property team, who certainly

put in plenty of kms this year in the van, David Stark, Harry Summerfield, Clayton Davidson and Nathan Aspinall.

A very special thanks to both team managers, Uldis Zile and Bruce Gaskin, who both ensure smooth sailing on game day. Thank you also to our timekeepers in Graeme Porter and John Lee, who stepped up this year through difficult circumstances after the loss of one of our greatest volunteers in Neil Gardner. Neil had been a part of the Shark furniture for 30 years and was as passionate Blue and White man as you'll find. Thanks also to our chaplain, Charlie Ricciardo, who once again was a regular presence at training throughout the season.

Congratulations to Sam Mainwaring and his staff for finishing 3rd on the ladder and guiding the Colts into a Prelim Final. While they came up short on the day, we look forward to a fair chunk of that squad to try out for the Senior squad this pre-season. Thanks also to Talent Manager, David Depane, who has been a valuable acquisition to the club. Well done to Brenton Boddington (Football Manager), Steph Wadding (Head Coach), her staff and the WAFLW Seniors for taking out the 2023 WAFLW Premiership. It was a fantastic result after the disappointment of the 2022 GF loss.

Thanks to Mark Stewart and the Board for their support over the year. A lot of good decisions were made to get us to this point and that's something that probably goes unnoticed. Special thanks to outgoing CEO, Todd Shimmion, who has been intertwined all through my footballing journey, for his support and guidance. Thanks also to our admin staff, who had a number of tough moments over the year but managed to deliver under pressure - Dee Boni, Julia Baddock, Peta Culverwell, Paula Barnden and Judi Miles all played their parts.

Congratulations to all the award winners at the Lynn Medal. Matthew Jupp capped off an outstanding year by winning his 2nd Lynn Medal from Kyle Baskerville and Fraser Turner. Eddie Simpson was a worthy winner of the Shark of the Year, as voted by the Leadership group for the payer who best represented their values. Lachlan Blakiston won the Henry Jeffery Medal for the Best and Fairest in the Reserves. It was his first year at the club and he showed great improvement each week and was rewarded with his first League game. Chris Walker took out the Rising Star award while Elijah Burrows won the Reserves encouragement award. Milan Murdock and Lachlan Blakiston took out the Players of the Finals, while Tom Joyce won the Corbett Medal for best player in the Grand Final as voted by the coaching staff. It was a fitting send off to the 2023 season.

2024 will see us move into our new facility in East Fremantle. It's an exciting time around the club and we will be doing everything in our power to ensure the club doesn't have to wait another 25 years until Premiership 31. Can't wait.

LEAGUE COACH'S REPORT

- Bill Monaghan, Senior Coach

What an unbelievable result, and to see the joy on the faces of our members, supporters and sponsors who have waited (or should I say suffered) through 25 years for this, was priceless.

It has been a long, challenging but rewarding journey which at times felt like we would never get there. A lot of planning over several years and then subsequent hard work from the playing group to break the 25-year premiership drought.

The resilience and attitude of the group was outstanding. We had a real wakeup call at the mid-way point of the season after back-to-back losses to South Fremantle and East Perth in Rounds 8 and 9.

After a robust review the players took ownership of that poor defensive effort and put those learnings into practise to turn that around into a 9-game winning streak. We ended the home and away series with an average 107 points for and 57 points against through the last 9 games to capture the minor premiership for the first time since 1998.

A week off leading into a nail-biting 2nd Semi Final against Peel Thunder where we held on for a 5-point win saw us straight through to the Grand Final.

Grand Final Day September 24, 2023. What a day with the team putting in a peak performance. The defensive intent and work rate didn't abate all day resulting in a comprehensive 39-point victory against Peel Thunder. We genuinely had 22 contributors who played a role in the victory.

The last 2 years have thrown several curve balls at us all and whilst a lot of the focus has been on how our players have handled it, I am proud of the professionalism our staff and volunteers have shown in adapting to whatever obstacle barrelled into them.

It has been a wonderful team effort on and off field, but I want to make a special mention to Jye Welch, Marina Torres, Kate Retzlaff and Brooke Elliott along with their staff who endured weather, multiple venues, and a lack of changerooms/facilities. All being new to the program their can-do attitude deserves recognition and we all owe them a huge thank you.

We are lucky to have Brad Dodd manage our program where his diligence, passion and often brutal honesty makes my job so much easier. The Assistant Coaches Paul Sanzone, Craig Smoker and Joe Comande provided great support and expertise with their ability to communicate the plan and build relationships with their lines was outstanding, yet again.

A huge thankyou to our Development Coaches Adrian Ricciardello, Kane Lucas, Paul Mews Paul Hansen for the work they did with our younger players. Also to Brad Dalziell (Bench Coach/Specialist Coach), Harry Taylor (Specialist Coach/Mentor), Uldis Zile (2 x Premiership Team Manager), Bruce Gaskin (Reserves Team Manger), Brenton Miller (Runner), Craig Anderson (Bench Coach) and Ben Grant (Club Doctor). Their ability and commitment to the program is immeasurable.

Unfortunately, due to work and family commitments, Dalz and Brenton won't have a role with us in 2024 but I am sure they will be following intently from afar.

To all our other volunteers and game day staff including Property (Harry Summerfield, Clayton Davidson, and David Stark), trainers Russell

and Mia Henty your commitment was flawless.

Thank you to outgoing CEO Todd Shimmon and the staff for their support and to Mark Stewart and the board for the time they volunteer for the cause.

Matthew Jupp added a second Lynn Medal to his burgeoning list of honours which included 2023 State Captain and 2023 WAFL Team of the Year. Matthew's ability to lead the club through tough times cannot be underestimated, his belief in his teammates, his uncompromising nature, professionalism along with his fierce competitiveness has united this group and he proudly has the title of Premiership Captain as his greatest achievement.

Congratulations to our other State Representatives in Matthew Jupp, Milan Murdock, Jonathon Marsh and Cam Eardley.

We look forward to an exciting 2024 and I'm confident with continued hard work we will continue to achieve success as we transition back to East Fremantle Oval.

YEAR IN REVIEW - *by Matthew Jupp*

Premiers, at last. What a year for our great club.

2023 will forever hold a special place in all our footballing journeys. The year we broke the drought and etched our name back on that premiership cup for the first time in 30 years. It was a year where we finally broke through for the success we'd been craving, but more importantly the success we have been working tirelessly to get. It was a year worth celebration and reflection.

Considering the year was highlighted by our 39 point Grand Final victory, I'd like to share a few enduring memories from the day.

Harry Marsh's lightning-quick clearance after sharking the Peel ruckman's handball in the opening center bounce, followed by a 55-meter-long bomb goal from the junction, all within the first 30 seconds! it was a great image of what was to come.

Tom Joyce sailing a 50 metre bomb straight through the big sticks, I think it was the biggest kick of Joyce's career.

Lennon Marlin continually repelling opposition attacks, Milan Murdock being an energizer bunny and running after every loose ball, Ben McGuire kicking clutch goals and setting up others, we had winners all over the park.

I think my favorite part of the day was the bus ride to the Left Bank, letting all the emotions sink in while holding the cup, on my way to see to family, friends, supporters, and staff, it was a truly pinch yourself moment.

The season ended perfectly if you were an East Fremantle Supporter, but 2023 certainly presented its challenges. We found ourselves without a home base, a situation we had grown accustomed to. However, it truly began to impact us this year, with East Fremantle Oval officially unavailable for training. We ended up training at up to 10 different grounds throughout the year, many lacking basic amenities like changing rooms and shelter. This strange circumstance became part of our identity as a playing group, we not only fully embraced it, but I believe we began to find enjoyment and humor in it. We learned to laugh in the face of adversity.

One of the challenging aspects of winning the ultimate prize is witnessing your close mates, who contributed so much, miss out on receiving their own medal. Whether it's Jono Marsh, who was sidelined with an injury in the final week, or someone like Blaine Boekhorst, who endured an ACL injury in the previous season. Observing the bittersweet emotions on their faces was

tough, and it's something that will motivate us in the coming year. We're determined to win again for these guys. However, it would be remiss of me not to acknowledge the immense hard work put in by our entire playing squad. Winning a flag truly requires a collective effort from the entire club, and the way we trained and bonded as a group throughout the year, especially in the latter half, was exceptional. Every player who donned the East Fremantle jersey, whether in Reserves or the League, and those who missed out due to injury, should take pride in the achievement we experienced as a club. They are just as integral a part of this success as the 22 who took the field on game day.

An important milestone of the 2023 season was the official inclusion of the women's program into the East Fremantle Football Club. It was a pleasure to have the girls on board, and we were able to share a meaningful bonding experience early in the year by training together as a unified club during our respective pre-seasons. It's remarkable that both senior programs went on to become eventual 2023 premiers, a first for any WAFL club and an achievement that the entire club should take pride in. I look forward to working with them in the coming years and further enhancing our unity of the two programs.

I'd like to extend a special mention to Harry Taylor. He has provided me with invaluable guidance and served as a sounding board, a privilege few in AFL football are fortunate to have. Harry is a two-time AFL premiership player and a renowned leader (serving as Vice Captain to perhaps AFL's modern great

leader in Joel Selwood). Harry was always available to me, both over the phone and in person, and he played a crucial role in steering myself and our leadership group in the right direction. Thank you, Harry.

I extend a massive thank you to my

leadership group, including Vice Captains Josh Schoenfeld, Jono Marsh and Kyle Baskerville, as well as the extended Shiver Leaders. Each of you dedicated valuable time outside of training and working hours to enhance our leadership and support our teammates. These commitments led to elevated training standards, stronger in-game leadership, and overall improved team performance. Your efforts should not go unnoticed, and I appreciate your time and dedication in striving to make us better.

To Bill Monaghan, you arrived and sold us a dream. You dragged us up off the canvas, an achievement in itself worth noting, but now, you've taken us to the pinnacle, allowed us to fulfill our footballing dreams. Thank you!

To Brad Dodd, few invest as much time and effort into creating and cultivating a team and program that fosters success. Your ability to build a team and nurture that talent, as well as providing the feedback and evaluation needed for improvement, has been instrumental in driving our success. Thank you!

I want to extend my gratitude to the coaches and staff at East Fremantle, spanning from Craig Smoker to Kane Lucas and everyone in between. This includes our dedicated strength and conditioning team led by Jye Welch, and our medical professionals Dr Ben Grant and Marina Torres, along with the entire support network. Each of you played a vital role in our journey to this point.

My final thank you goes out to the players. Thank you for putting in the work, not just this year, but for a number of years now. We have tasted premiership success and now we want more. I look forward to getting stuck back in next year and doing everything we can to go back-to-back.

RESERVES REPORT - *Adrian Ricciardello*

2023 was a fantastic year for the football club winning premiership #30 and all 3 grades playing finals football. We are in a strong position going into 2024.

We had a pretty good season overall, finishing 5th. Playing finals football was a highlight. Our best football could match it against the best, but we struggled to consistently produce our best football on a weekly basis, sometimes even within games. Our second half of the season was fantastic; winning 4 in a row at an important stage and winning a final, which I feel is an important step of development for the group next season.

We had handful of boys make their league debuts, as well as graduating colts making

their senior football debuts and a host of new players playing their first games for the club. I would like to thank & congratulate all the players that put on the East Fremantle jumper at senior level in 2023. Hopefully we can continue this next season to make the senior squad even stronger!

I would like to thank the development coaches Paul Mews, Kane Lucas & Paul Hansen for their support throughout the year, their dedication to the program was fantastic. I can't thank them enough! Thanks to the senior coaches Bill Monaghan, Paul Sanzone, Craig Smoker & Joe Commande; their support and mentorship was invaluable for us. And, to our football manager Brad Dodd for the work he puts in, as well as his mentorship.

Thanks to team mangers Bruce Gaskin & Uldis Zile for the work they do on gamedays; they are a great support. Also, all the support staff who helped us get on the park every week - your support is much appreciated. Massive thanks must also go to the board of directors for all their work this season!

It's a great time to be at the football club and I am looking forward to seeing what the future holds.

1973 COLTS CELEBRATE 50 YEARS

- *Neal Robinson*

As the 50th year reminder of the 1973 Colts Premiership fades, we the misfit players of the glorious past, celebrated a reunion at the WACA ground open bar area on Aug. 5 2023.

Stories retold, enhanced or rejected. Many players remained as young as time. For instance Budgie, Mario Turco, Graeme Wood (yes! the test cricket star), John Elder (current crime sleuth), could all still do a quick slow lap or 4 way triangle exercise, as late coach Norm Rogers would often say. Others could just roll on the carpet.

Backman stalwart Steve Robertson was holding back the hordes of free drinkers

while Ice man Steve Miguel kept his usual calm. Kim Barrett gave an introductory speech akin to a quick Two-up throw. (everyone had no head for it).

Alex Taylor (captain), still at the height of a quokka, brushed Simmo, of same height but of different build, and drink went sprawling. Unassuming Simmo had a open palm and name stickers to hand to the not so recognized.

Graeme Morgan, celebrating his 70th at the races a week ago, rushed to continue his party indulgence with red Shiraz and assisted by Neal Robinson, creating a royal ambiance.

To all who journeyed from the south west and central mid west, and have not been named are thanked for your Premiership achievement.

Brian Kenward and Terry Blenkinsop toasted the absentees and fallen, and to the entire EFFC staff and Support for that year.

As the tap was being turned off, here is a reflection.

Our team scraped into 1st semi in 73 by beating Subiaco in the last fixture game. From there, The 73 colts won all 3 final games by under a goal to win the Premiership. Older, Wiser, but very proud of ourselves and the EFFC football history.

COLTS REPORT - *Sam Mainwaring*

Season 2023 was never going to be straightforward. New coaches, a new manager, new players, returning players having to adapt to a new way and the 4 different training venues provided plenty of variables. At times over the preseason there were nights where the coaches left scratching their heads as doubt started to creep into our minds. God's country (Geraldton), was a turning point. It can be daunting for first year players to go away on camp with people they have just met, but Geraldton was a catalyst in forming our group's social identity.

This year we had four players from the Midwest Academy earn selection to play across the year along with another three who played preseason matches. To have nine boy's play in the side this season is very pleasing and show's the link between the Midwest and East Fremantle is as strong as ever. This is largely due to the efforts of the players families, home clubs and the work Beau Walker and his team at MWAS do. There is more work to be done but I am excited to continue to grow the link between the club and the region.

Upon returning to Perth, the groups rate of progression was rapid. We saw an increase in player driven standards and expectations as they became more comfortable with each other and the system implemented. Coming into a daunting round 1 match up against reigning premiers Peel, who boasted an array of state 18 talent, we knew we would soon find out if where we sit. A 33 point win gave the group belief they can compete with the best when they execute the game plan and their roles within it.

Like many young teams, consistency executing ebbed and flowed. We faced a good reality check by the new benchmark teams in Perth, Claremont and Subiaco who each beat us convincingly to finish our first block of games 3 wins, 3 losses. After a

review where our groups on field identity was questioned, the group shifted their mindset. 10 games later, we finished the season unbeaten and had reversed the results against the three top sides to catapult us into third spot.

Our first final against second placed Claremont started well with multiple inside 50s. Our ineffectiveness hurt us as Claremont opened up a 24 point lead. The boy's rallied to get the game level in the 4th but the fightback took up all our energy as Claremont kicked two quick goals to ice the game. The four goal head start we gave was disappointing but we were buoyed by the fightback against the eventual premiers.

The second final against Subiaco was our best game of the year. It was a physical game, big hits, hard running, strong marks and some freakish goals from both sides. As a spectator, it would have been a great game to watch, not so much coach! A surge from Subi late in the 3rd levelled the game as they threatened to take over before we scored a timely goal late to wrestle back the lead going into the 4th. We kicked two early goals to seize the momentum but once again were never comfortable with Subiaco fighting back right until the end. Players collapsed more in exhaustion than jubilation at the final siren, it was a taxing game both physically and mentally. To have many families including my own there to see their sons perform the way they did under enormous pressure was incredibly rewarding. I am so proud of our boy's, sharing those emotions and moments in the changeroom will be one I won't forget.

The elimination final against Perth was a disappointing way to end our season. I felt too many didn't contribute their normal output. Whether that be due to the weight of the occasion, as many were experiencing finals for the first time, or whether we had spent too many petrol tickets the week before, it was a game where Perth took full

advantage and put us to the sword. There is plenty to learn for both players and coaching staff from not just that game but entire finals series.

Thank you to the parents and guardians of our players. Thank you for entrusting our program to develop your son, hopefully not just through football. Thank you especially for your patience when the sessions would run late, which was at least half the time. Thank you for all you do to give your boy's this opportunity.

To the coaches, Sam Buhagiar, Chris Harry, James Depane and Brad Cooper, I can't thank you enough for your time and effort. You put in a mountain of work, for little reward, to ensure the players get the best out of this program. I know life was hectic for all of you at times, but it never diminished the quality you gave the boy's.

Thank you to our amazing support staff, Alec Da Silva, Chris Ch'ng, Josh Clayton, Rhys Jones, Spencer Grebe, Trent Farmer, Mila Stojanoska, Alice Congdon, Feisal Zaw and Bailey Ash. You are all integral to our success on and off the field, the boy's and myself are extremely lucky to have your expertise at our disposal. I'm so grateful along with our players to have the support team we do!

To the players, thank you for being amazing people to work with. You have made the environment inclusive for all, not just the playing group. The coaches mentioned many times how grateful we were to be at training with you boys, especially with some things going on in our lives outside of footy. You engaged with us as people, not just as coaches.

We have set a high bar for ourselves but I am excited to see the next group take on the learnings of this year and form their own identity. Well, here we go again!

1998 Colts Premiership 25 yr Reunion - *Ross Monger*

The reunion for the 1998 Colts Premiership was held on Saturday 17th June at the WACA, during the East Freo v Swans match.

The 1998 premiership was against Claremont and we were convincing winners by 49 points – 16.13-109 to 6.9-60.

For the record, the better players in the GF were Paul Hasleby (medal winner) Kris Miller, Ryan Biddiscombe, Jeff Johnston and Brad Pozzi.

It was really great to see four of those players, together with another twenty or so from the squad attend the function, including Captain Morgan Clarke. Also a number of the blokes travelled some distance such as Mark Humphries from Melbourne, Murray Dean, Dwayne Simpson and Merve Comeagain

from the Geraldton district and Jeff Johnston from Augusta.

Sadly, head coach for the 1998 year, Ken Ferguson had passed away earlier in the year.

A number of the other coaching staff attended, including assistant coach Peter Tozer, ruck coach Len Glamuzina and the then footy manger Kim Barrett. Unfortunately, assistant coach John Lockyer couldn't attend.

There was an EFFC Colts team playing in the WA Amateur competition in 1998, they were also convincing winners of the premiership. They were coached by John Lockyer. Luke Thatcher and James Peos from that side attended the function.

The group welcomed Kevin Murphy, father of Julian Murphy who was an integral part of the Premiership team, however had sadly passed away. Kevin bought along the premiership game footy which had been signed after the game by the players. Ken Ferguson had given it to Kevin Murphy following Julian's passing. Jeff Johnston handled it a bit as he reckoned he didn't touch it too much during that 1998 Premiership game.

It was a great afternoon, with a few stories of "how good we were", a few frothies and some great tucker. It seems most are looking forward to the 30th Anniversary in 2028!

The day was capped off with a good 4 goal win by the league side over the Swans.

1993 Reserves 30 Year Premiership Reunion - *Wayne Barnden*

2023 saw our mighty Sharks break a 25year drought by once again becoming WAFL League Premiers. On Saturday 5th August 2023 the 1993 Reserves Premiership boys got themselves together at the WACA to watch a game against Claremont who they had beaten some 30 years earlier in a Grand Final. Each premiership won by any Sharks team is memorable but after 30 years it was an enjoyable day on the hill for the boys to gather and remember the successful season. The guys wish to thank once again the EFFC for making these opportunities available so that memories are not forgotten.

As always it is difficult to get everybody along to these events but I can vouch that those who were in attendance were appreciative of their time at the club both past & present. As players we have all got better and the banter on the day heard our kicks were longer, we were fitter and stronger, footy was tougher all enhanced by a few relaxing drinks and stories of fond memories. To have our coach of 30 years ago be presented with Life Membership of EFFC on that day also was very fitting and it was great he joined us and spoke of 1993 being the start of things to come. TALENT REPORT

COLTS

The colts commenced their 2023 season preparation way back in November 2022. With a new coach in Sam Mainwaring, along with several new line coaches and support staff, there was a positive feel around the group. Pre-season was a challenge with us utilising several venues to train at over the summer months. Standards set at training were high and it certainly tested the squad, but it prepared them well for the long season ahead.

We hit April ready to go from Round 1 and commenced the season with a big win over Peel. Our good form continued for round 2 before some inconsistent performances saw us drop back in the pack. Some strong form mid-season set us up to record ten straight victories and finish third on the ladder.

Our finals campaign commenced with a tough loss against Claremont, but we bounced back strongly against Subiaco in the 1st semi-final to set up a Preliminary final match up against Perth. Unfortunately, we came up against a very good side on the day and we were not able to produce our best form.

Whilst it was disappointing end to the season, the boys and staff should be very proud of their efforts over the entire season. I believe the high standards and values we set ourselves from early in the program, helped drive the success for not only this season, but for future years to come. A big Thankyou to all the support staff involved in our Colts program. First year coach Sam Mainwaring provided great guidance to the playing group throughout the season. Working closely alongside Sam were his assistant coaches Chris Harry, Brad Cooper, James Depane and Sam Buhagiar who were always willing to pass on their knowledge to the group. The support provided by Alec DaSilva, Alice Congdon, and Bailey Ash (S&C), Feisal Zaw (Physio), Chris Ch'ng, Mila Stojanoska (Medical), Rhys Jones, Spencer Grebe, and Trent Farmer (Coaching), Josh Clayton (Runner) was first class from day one.

I would also like to thank our property team, who are always the first to arrive and last to leave on game day, and Angelo Cuccovia and Lucas Madaffari for looking after the timekeeping duties during the season. Thanks also to our Past Players and Officials, Spring into Fitness and the Mikus family for your generous support of the colt's best player awards.

Congratulations to our state 18's representatives Koen Sanchez, Kobe Austin, and Presley Campbell. I would also like to acknowledge Jack Cocking, Dante Wiseman, Sam Otto, and James Spadanuda for their selection in the WAFL Colts Team of the Year. Finally, congratulations to Mitch Zadow on being awarded the Len Anderson Medal for our Colts Fairest and Best for the 2023 season.

Finally, I would like to wish all the graduating

colts the very best of luck with their future football journey.

FUTURES

Like the colts program our futures kicked off in late November. After a long and warm summer, the group were ready for some game play come mid-March.

The carnival consisted of 6 games against various WAFL clubs. It was pleasing to see the boys develop their playing skills and knowledge over the program, to a standard where they were successful in 5 of their games. The teamwork, game style and commitment to each other during the games was outstanding and there is no doubt the boys combined very well as a group. I would like to thank all the coaches and support staff for their efforts and commitment to the program. Sam Buhagiar commenced the program as head coach but unfortunately had to step aside before the games commenced due to a promotion in his employment. We were blessed to be able to call on Andrew Browne to step into the head coach role at short notice. As always Andrew was very committed to the role and developed not only the boys but his fellow coaches to the highest of standards. Andrew was ably assisted by Tony Yerkovich, Tony Urquhart, Scott Bruce as line coaches along with Ryan Bacich and Ian Hanson. Thanks also go to Alice Congdon (S&C), Jimmy Truong (Physio), Luke Wilson (Runner) and Kent Radojkovich (Team Manager) for their commitment and devotion to the program.

Congratulations to Kaiden Summerell who was the inaugural winner of the 'Harry Taylor Medal'. I would also like to congratulate Kaiden, Jake Boniwell and Luke Carrello for their state 16's selection.

I look forward to watching the whole group return as they trial for our 2024 colts playing group.

15's DEVELOPMENT SQUAD

Our 15's squad commenced training in May and continued through to early July.

The 15's program gives the players an excellent opportunity to build on their 14's carnival, along with new additions to the squad getting their first experience in out talent programs.

Training was well organised and focussed on our key development points over the weeks allowing the boys to go into the games with the ability and confidence to perform well.

The July school holidays saw us travel down the freeway to play against Peel in a couple of hard-fought matches, Game 2 we were lucky enough to play at Victor Kailis Oval against South Fremantle. Over the course of the games our boys combined to show some great team football, linking up very well and working hard for each other.

The boys were lucky to have some great coaches involved including Scott Bruce

as head coach, ably assisted by Dom Madaffari, Luke Wilson, and Ian Hanson. Also, a big thanks to Mila Stojanoska for looking after the S&C in the program, and Lucas Madaffari for his running duties.

The boys will now prepare to return and trial for our 2024 Futures program.

14's DEVELOPMENT SQUAD

Our 14's squad came together in early August training two nights a week at Riverton Oval.

An induction was held after the first session welcoming both players and parents to the program and outlining the journey ahead both for the short-term program and the longer-term pathway as a future East Fremantle player.

After several weeks of training including numerous drills concentrating on decision making, ball winning ability and skills focus, combined with some intra club games the squad started to focus on some game plans and structures in readiness for the games ahead. October school holidays finally arrived, and the boys were ready to play. Our first game was against South Fremantle with both teams competing well against some strong opposition. Day 2 seen us come up against Perth. On a hot day the teams were evenly matched and both games had some excellent skills on display. It was pleasing to see our teams executing the game styles that they had been learning over the previous weeks at training.

Thanks to the dedicated coaching staff of James Depane, Adam Waight, Ashley James, Trent Farmer, and Spencer Grebe, along with our S&C team of Bailey Ash, Alice Congdon and Mila Stojanoska, and our runner Lucas Madaffari.

The boys will now take a well-earned break from a long football season, and we will see them return next year as they continue the pathway with East Fremantle Football Club. Congratulations to both the male and female senior programs on their fantastic premierships, a fantastic reward for all the hard work put into the respective programs.

I would like to thank all those involved in making it a successful and enjoyable 2023 season. I would like to acknowledge and thanks the board, Todd Shimmon, Brad Dodd, and Brenton Boddington for their assistance and guidance on all things football. Also, a big thanks to Paula, Julia, Peta and Dee for their help and support over the last twelve months. In closing, I would like to save my final thankyou to my wife Tania. You are always willing to work around the odd hours that my role offers, support me when required, but most of all you are there when needed.

Bring on more in 2024.

1998 League Premiership Reunion

The playing group and support staff of the 1998 League Premiership held a 25-year reunion on Friday 11 August 2023. In all, 22 players and 16 support staff came together to celebrate and reminisce about the 1998 premiership year – which at that time was the Club's most recent League Premiership.

The reunion was the brainchild of the 1998 Club President, Len Hitchen, and Adrian Bromage, who met in early 2023 when Adrian was in Perth from Victoria. The pair floated the idea with coach Tony Micale and the planning began.

Thanks to the generosity of Club legend and hotelier Tony Buhagiar, the group met for

lunch at The Stables Bar with many of the group joining the Club's President's lunch the next day before the game against East Perth.

Greg Madigan and Adrian Bromage travelled from Victoria and Steve O'Brien came down from Singapore. Rhett Bowden and Karl Pirrottina couldn't make the lunch due to work commitments but sent video messages. Marty Mellody and Leigh Willison were in Albury, NSW for a girls' national AFL carnival (Willo as coach and Marty watching his daughter) but they also sent video messages. Willo and Marty came to the President's lunch the next day to remind everyone how well they played that year!

Len Hitchen spoke to the group and recalled the tremendous determination of the 1998 playing group and board and administration after the 1997 grand final loss in the Club's centenary year.

Coach Tony Micale said, "You can understand why we were successful when you see the camaraderie and the bond created between a quality group of players, staff and administrators."

The 1998 side was a special team. It played 21 games, winning 19 and losing two, with an average winning margin of 59 points. This included a 16-game winning streak, the second best in Club history. The 36-member squad included two Sandover Medallists, 5 Lynn Medallists who won 9 medals between them, 16 State players and 13 AFL players who won 5 AFL premierships.

But most of all, it is a group of players who had, and still have, a very special bond and respect for each other, which had the support of the best support staff a team could ask for.

Thanks must go to the 'Organising Committee' of Len Hitchen, Tony Micale, Paul Bennett (past player and 1998 team runner, who was MC for the lunch), Scott Spalding, Jon Kerr, Tony Buhagiar and Jon Stagg. Special thanks also to Scott Spalding and Jon Kerr for donating 'refreshments' for the lunch.

Lastly, the members of the 1998 playing group pass on their wholehearted congratulations to the 2023 League team on winning this year's premiership. Thankfully, the 1998 team is no longer the most recent Premiership side!

PAST PLAYERS & OFFICIALS ASSOCIATION - *Robert Santaromita*

Well what a year – it has certainly been a challenging and rewarding year.

A very big thank you to my committee for their work ethic, support and communication. They are an amazing team and have certainly made my role a lot easier, as President. Without a home ground, having the WACA as our base, the PPOA setting up the sponsor signage around the arena.

We purchased an EFTPOS reader tap and go machine and this has made a significant difference to the sales for home game raffle tickets and collecting membership fees.

Carpark volunteers this year at the WACA did an amazing job. Everything ran really smoothly and without incident.

Major fund raiser this year was the 100 Club. Five draws were conducted. Thanks again to our sponsors who provided the food for those five draws. Congratulations to all the prize winners.

A Gold Shark Bag (key ring and badge) with the Old East stickers are still available at \$60.00 each. They are a great keepsake.

Two players teas were held this year for our senior's lists, and they were both successful. We hope to continue this trend in 2024 at our home ground.

In July, we hosted the Great Northern Football Association (GNFA) players luncheon at the country carnival. There were approximately 50 persons in attendance and GNFA were very appreciative of the effort. This is hopefully going to be carried out again next year.

Our East Fremantle Junior Football Club Schoolboys and Schoolgirls –

congratulations on making the state team.

Under 18's East Fremantle Men and Women's players on making the state side, again congratulations. Another great achievement for the club.

EFPPOA membership has again increased to well over 250 members. The recruitment drive will continue in 2024 and hopefully we will attain a few new members given we will be back at our home ground.

Congratulations to the Men's and Women's teams for an outstanding season by both teams winning their respective premierships Grand Finals. We have been waiting for 25 years for our men to win and what a way to win. To the East Fremantle Football Club, Coaches, Staff and Players. Thank you for a job well done.

I would personally like to thank the most important people in our club – the volunteers and there are so many of them. Without their continued support and dedication to the East Fremantle Football Club, this committee would not be as successful as it is. The men and women who give up their time to help out – a very big thank you. You have all done an amazing job and I so look forward to 2024 when we are back home at East Fremantle Oval – Shark Park. (Home of the 2023 Premiers).

- Brenton Boddington

The League campaign began with pre-season training at Shelley Park, an early taste of what was to come in Season 2023. The players, coaches and staff acknowledged from the outset the challenges that laid ahead with not being able to train and play at EF Oval remaining steadfast in their approach of staying united and getting on with the job. Newly appointed Senior Coach Steph Walding imparted her knowledge and philosophies immediately while players were recruited into the League squad. This included Lilli Clark, India Ferrier, Tessa Lynch and Nicola Rutty from the PFL along with multi-sport athletes Tara Maciupa and Brooke Repacholi who complimented the eleven Rogers Cup players that transitioned into the senior program.

With the WAFLW Reserves competition not taking place in Season 2023, our League squad was finalised as we entered the new year. To signify the end of pre-season, we embarked on a weekend long camp to Bickley which included team bonding, education sessions and not to mention a tense Big Bash

final win by the Scorchers. Final preparations for the season opener ensued over the coming weeks as we moved training bases to Shirley Strickland Reserve however the weeks were soured by the news of season ending knee injuries to Maya Louvel-Finn and Alli Nokes.

The season began with a venue and day change as we faced Claremont in Joondalup which turned out to be a see-sawing contest with our inaccuracy proving costly. We returned to Joondalup the following week with a much improved second half against West Perth which carried into wins against Subiaco and East Perth. Over the Easter break, Emmelie Fiedler and Jae Flynn were drafted to Fremantle in the AFLW Supplementary Draft while Amber Kinnane accepted an opportunity to train with Melbourne. The next block of the season was challenging through player unavailability along with key components to our game alluding us, however in reflection this block proved to be a catalyst to the turn around

that was to come over the back half of the year. We lost three out of four games with a draw in the other before winning our next three leading into the bye, most importantly against a top four team in South Fremantle. A loss to Swans in our final home game at the WACA followed by a win against Peel secured a finals berth.

We came up against Swans for the second time in three weeks in the semi-final at Fremantle Oval with the 29-point win set up through a powerful first half. The prelim against South ended in a 23-point victory with both sides having periods of control throughout before we kicked three goals in the final eight minutes to book a spot in the last game of the year. We started well in the grand final against Claremont controlling territory opening a buffer thanks to two important second quarter goals after a tight opening quarter. Claremont challenged us in the third term however our pressure and intensity around the ball got us home. The game rubber stamped our most complete

stretch of the season and was a fantastic day for the club and everyone involved in the program.

Congratulations to Beth Beckett on winning the WAFLW League Best & Fairest. It was great reward for the consistent year Beth displayed on field as a hard working, versatile midfielder who influenced games on the inside and outside. The award was also recognition of the sacrifices and commitment Beth makes off the field travelling up from Busselton three times a week. Well done to Zipporah Fish and Ashlee Atkins who finished second and third, respectively. Special mention to Sharon Wong who played her 150th League game this year. Sharon is an unassuming but highly respected member of the squad who is one of the Sharks most decorated players. Congrats also to Ashleigh Gomes on her 100th League game and Hayley O'Donnell on her 50th League game, both leaders at the club who continue to drive our program forward.

A massive thank you to our senior coaching panel led by Steph for their unwavering belief in the playing group and for their efforts in guiding the players through the season. Steph's ability to prepare the players each week and to make the necessary adjustments as the year progressed was evident as was her investment in the program and the people within it, for that thank you Steph. Thanks also to assistant coaches Damian Hodge, Tara Williams and Alex Williams for their support of the playing group. It was fantastic to see your growth as coaches this season. To Glenn Congdon and Darren O'Donnell, thank you for your endless work in servicing the program at every turn and for always being up for a laugh. Thanks to Zee Schorsch (Runner), Lincoln Luk (Match Day Doctor) and Mark Murphy (Development Coach) for your contributions.

ROGERS CUP

Pre-season training kicked off for the Rogers Cup program in the heat at Shelley Park with a combination of returning players and players graduating from the recent Female Development Squad ready to make an impression at the next level. Troy Fish took the reins as Head Coach after leading the midfield brigade the season before, quickly showing his ability to educate the playing group and encouraging strong links through team bonding initiatives, most notably the Amazing Race around the river. The squad was finalised and we headed over to Rottnest for a day trip to build relationships and leadership away from the footy club. Karoonda Reserve became our new home base while the entire squad along with a handful of players from our Mid-West Academy got an opportunity to show their wares across our two trial games.

Back-to-back fixtures in Joondalup against Claremont and West Perth opened our season with us going down in both. A much-improved second up performance against the Falcons was the impetus for three consecutive wins including a Good Friday

super-round clash against Peel. We opened our account after the bye with a loss to South Fremantle on a Friday night before bouncing back with a last gasp victory against Swans and wins against Perth, who entered the competition in 2023, and Subiaco. Our ledger squared going into the bye with three losses in as many weeks before ending the year on a high with wins against Perth and Peel. We narrowly missed the experience of playing finals footy by percentage.

Congratulations to co-captain Ruby Redman on taking home the Rogers Cup Best & Fairest. Hailing from the Palmyra JFC, Redman had an outstanding season as a line breaking midfielder who pushed for League selection over the latter stages of the season. Well done to Kaylee Fisher (Second Place) and Alicia Blizard (Third Place) for the seasons they put together.

A big thanks to Troy Fish for his profound passion in developing the squad as both people and players along with continuously promoting girls up to senior footy. Five players who began the year at Rogers Cup level played League football in 2023 including three in Nadya Browne, Caylen Crook and Grace Freeman who ran out on grand final day for the League side. Thanks also to assistant coaches Karen Sakilld, Saoirse Hanavan and Mika Berman for their care and guidance of the playing group. To Ben White (Development Coach), Tanisha Cayley (Runner) and Tahlia McRoberts (Team Manager), thank you for the valued role you each played in the program.

Sincere thanks to the high performance and medical staff that worked across the League and Rogers Cup programs, each who played a crucial role in the preparation and treatment of our players. Thank you to Sabrina Seitz (High Performance Manager) for laying the foundations and driving the standards along with Lucia Vagos (Rogers Cup S&C) who stepped up superbly juggling multiple duties after Sabrina took up a fantastic career opportunity in Sydney. To Holly Boyd (Physio), Georgia Needham (Head Trainer) and her team of trainers, thank you for your professional work ethic in ensuring our medical department operated efficiently. Thank you to our Wellbeing Coordinator Astrid Van Kampen for her care and connection across our playing groups. Special mention to Alli Nokes for her selfless attitude to help out with whatever was needed at training and match day while completing her rehabilitation. Thanks to the players, their partners and families for the sacrifices they make and for their adaptability over the course of the season. To Amanda Cass and Jason Moynihan (Shelley Park), Todd Patterson, Peter Firth, Jon Stagg and Chris Bates (Shirley Strickland Reserve / Gairloch Reserve), Justin McMillan, Gail Della Marta and Ashley James (Karoonda Reserve) along with the associated shared user groups, thank you for your assistance in opening up your training venues to make a challenging period without a home base much smoother.

MID-WEST FEMALE FOOTBALL ACADEMY

In it's second season, our regional academy based in Geraldton continued to go from strength to strength. The academy aims to provide specialised training and services to committed and talented female players in the club's regional zone to further develop their football. Jasmine Johansen and Tayah Palmer played League football for East Fremantle throughout the year in what was a significant achievement while Charli Bidwell, Abby Green, Geneva Johansen and Maddison Kelly all represented the Rogers Cup side in 2023. Congratulations to Jasmine Johansen for winning the EF/ GNWFL Player of the Year Award. Well done also to the Great Northern for their carnival in the Country Football Championships. Congrats to Gemma Dix for winning the Player of the Carnival Medal as well as her All-Star recognition along with Abby Green and Jasmine Johansen. Thank you to Darren Winterbine for his counsel and the support of the Mid-West Academy of Sport of our athletes and our program goals. Thank you also to Head Coach Nathan Johansen for his continued drive of the playing group and for his preparation of the players on what they can expect when travelling down to represent the Sharks. Thanks also to Tenae Leitch and Wade Bambling for their work in the individual development of the players and to Todd Teakle for his assistance in the education of the high-performance components of the academy.

FEMALE DEVELOPMENT SQUAD

The Female Development Squad undertook a training block beginning in August and concluding with games against Subiaco and South Fremantle in late September. The program was a fantastic opportunity for 14- and 15-year-old players from our junior clubs to train with and play against other talented players acting as the initial step in the club's female talent pathway. Thank you to Mika Berman for leading the coaching team along with Tara Williams, Alli Nokes and S&C Alice Congdon.

Finally, thanks to President Mark Stewart, director Flora Furness and the Board for your ongoing support along with outgoing CEO Todd Shimmon for your direction and trust throughout my time at the club. Thank you to the staff over the last 12 months in Judi Miles, Paula Barnden, Peta Culverwell, Dee Boni and Julia Baddock for your day-to-day guidance and to Brad Dodd and Dave Depane for their mateship and counsel to tackle any challenges that came along.

It is the people that make footy clubs and I have been truly fortunate to cross paths with a number of people over the years that I have learnt off. As my time at the club comes to an end and a new chapter on the horizon, I wish East Fremantle and the Sharks family every success in 2024 and beyond.

Rogers Cup - Troy Fish

The 2023 East Fremantle Youth Girls season was a thrilling and highly competitive campaign that showcased the essence of Australian Rules Football. The season, which ran from February to July, featured a season like no other, without a home base as 'SharkPark' was under redevelopment, it gave the aspiring athletes a chance to build character and resilience for life outside of the sporting arena. I am extremely proud of this group of young athletes and the many life lessons we have taught each other.

With no reserves competition in season 2023 it provided an opportunity for the program to enter new territory and find micro advantages that would set the foundations (strategy) of a successful production ground for generations to come.

Preseason kicked off in mid-November for the youth girl's program with 67 players trialling, reducing down 40 Perth based players and 11 Mid-West based players, having 6 play fixtured games this season. The Mid-West academy is an important part of our program. 16 Youth aged girls playing league WAFLW football this season, including 4 debutants (3 now WAFLW Premiership Players) along with additional 12 having the opportunity in training with the league squad in preparation for season 2024.

Seasons come and go quickly, as does life, with many highlights that included a day trip to Wadjemup Island (Rottne) and a leap that tested intestinal gratitude, a quiz afternoon and a beach session with seniors to name a few.

Whilst it's easy to look at wins and losses in all types of sport the Rogers competition is a feeder ground and talent developer for

the WAFLW league system with a strong focus on producing AFLW, League and State players. This season East Fremantle produced 8 state 18's players, 2 state 16's players and 3 state 15's players, with 2 All Australian across the 3 youth state competitions together with 3 invited to the AFLW Draft Combine with the second all time fastest agility test recorded Nationally.

Our season complied of 14 games, narrowly missing the finals race on percentage, having finished 5th. Individual excellence was on full display with several players being recognised, Ruby Redman topped of a sensational season winning the best and fairest followed by Kaylee Fisher in second. Sophie Williams was awarded the coaches award while Ayla Keady took out the most improved.

None of this is possible without the support networks and community that comes with raising Athletes and on behalf of the East Fremantle Youth Girls Program staff

and supports we thank you and for those returning in 2024, we'll see you soon and those that are onto new chapter, all the very best.

GNFL Mid-West Academy Region Directors Report

- Con Tripi

As Director of the East Fremantle Football Club Geraldton Mid-West Academy Region, I am pleased to advise our talent program is in a very healthy strong position which will help produce many players on going to represent East Fremantle Football Club / AFL in years to come.

Our Mid-West Zone has produced many champions over the years and will continue to do so given the representation we now have in the region with quality personnel at the helm for our talent Academy.

Since we have engaged with Harry Taylor after retiring from his great AFL career with Geelong Football and returning to live back in Geraldton he has been very influential in assisting the development of our Mid-West talent Academy program together with Beau Walker player from Northampton Rams Football Club.

We are also very fortunate to have the services of quality individuals now working at East Fremantle Football Club such as David Depane and Tess Daly at the helm of Talent Development.

I would like to thank the following for their ongoing work in our GNFL region, Andrew Lockyer & Josh Kennedy who have done an outstanding job in helping raise the profile for the region and fund raising together for the Great Northern Junior Football League giving youngsters an opportunity to play in region. President of the GNFL Carrisa Belotti, GNFC President Rod Owens, Clinton Bolton Indigenous officer for their services in the region.

Also many thanks to, past Director Steve Waller, past player Rod Lester-Smith, Robert Lester-Smith, past player Roger Kerr, Sandover Medallist Bryan Cousins, Sandover Medallist Michael Mitchell, former Premiership player & coach Tony Micale, past players & officials group and current directors who all made the journey to Geraldton at times to represent EFFC.

It is so important we have a presence in Geraldton ongoing from past players & officials as it helps promote our great brand EFFC.

Most important we couldn't run the program without our Mid-West sponsors, many thanks to Global Civil Mining the Blackburn family, I Drilling Shannon Harding and Burrows Fuel Supply for their support.

2023 EFFC MEDAL NOTES

LYNN MEDALLIST MATTHEW JUPP

Matthew Jupp capped off a stellar 2023 by winning his 2nd Lynn Medal with 178 votes, to outlast Kyle Baskerville (170) and Fraser Turner (165). Jupp, the WA State Captain and Full Back, once again held up the Sharks defensive end - playing on the competitions best key forwards where he was rarely beaten. Jupp, the first Shark Premiership captain since Stephen Bilcich in 1998, played a huge role in the final's games against Peel, nullifying Fremantle listed forward, Josh Corbett. A veteran of 181 games, Jupp has etched his name into Sharks folklore, and doesn't look like slowing down. The defender averaged just under 15 disposals and 6 marks for the season.

HENRY JEFFERY MEDALLIST LACHLAN BLAKISTON

Cut from South Fremantle in January, Lachlan Blakiston capped off a remarkable turnaround by taking out the Henry Jeffery Medal for the Best and Fairest player in the Reserves side this year. The 203cm Ruck/Forward had a slow start to the season before finding his groove around the halfway mark and produced some dominant displays in the Reserves. Rewarded with his first League game during the season, Blakiston showed that he could push forward for future opportunities in 2024 and beyond. The ruckman showed he could provided opportunities for the midfield group with his ruck craft, where his athleticism around the ground saw him find plenty of the ball. He averaged 13 disposals, 3 tackles and 4 clearances for the season.

LEN ANDERSON MEDALLIST MITCH ZADOW

Congratulations to Mitch Zadow on winning the Len Anderson Medal for the 2023 season. After an interrupted pre-season Mitch missed the first couple of games of the season. Mitch played his first game for the season in Round 4 and got better from week to week. Mitch displayed his trademark hardness continually winning the hard ball, averaging 18 disposals and 5 tackles per game. Mitch led from the front on all occasions and was a deserving winner of the Len Anderson Medal.

2023 WAFLW LEAGUE

League Fairest and Best BETH BECKETT

In her second season at the Sharks, Beth was rewarded for her consistent season as she solidified her place as one of the leading midfielders in the competition showcasing her versatility in 2023. The Busselton product averaged 18 disposals, 2 clearances and 5 tackles per game to be a mainstay and leader in the team's engine room. Beckett played in all 17 games edging out Zipporah Fish and Ashlee Atkins for the award.

Rogers Cup Fairest and Best RUBY REDMAN

Hailing from the Palmyra JFC, Ruby took home the Rogers Cup Best & Fairest ahead of Kaylee Fisher and Alicia Blizard. Playing all bar two games, the co-captain put together an outstanding season as a line breaking midfielder demonstrating the ability to influence games on both sides of the ball.

YEAR IN REVIEW - Beth Beckett

I believe to speak about the 2023 season and what it held I need to go back and speak about the end of the previous season. As much as it hurt at the time, losing the 2022 grand final after going through the season undefeated, taught us so much. It taught us that it did not matter who went through undefeated, who lost games or where you end up in the top four. The best team on the day will win. There was so much belief amongst the group and we weren't prepared to feel that heartbreak again.

I personally came into 2023 with a great amount of drive and excitement to push myself after having my first season in WAFLW in 2022. After our 2022 season I was able to go back to my original club in the South West Football League, Busselton Football Club. I was able to continue to build fitness, work on my midfield craft and put in to practice things I had learnt during my first season at East Fremantle. Something I had learnt from my first season was finding the right balance between football, family and work to make sure I kept playing consistent football for the whole season and finals series. Living in Busselton, being a mum of two boys and working full time is a lot in itself – add in travelling for training twice a week and games on the weekend,

life can get hectic. I think I found that balance this season due to the on-going support from my family, the coaches, my fellow leaders, and the team. The long drives would not be possible without my fellow shark and great friend Doma Fedele – I think we worked out we spent over 30,000km's in the car.

We started the 2023 season at an unfamiliar oval, new faces and under a new head coach, Steph Walding. This excited me, in 2022 Steph was my midfield coach, I knew how much she had personally helped me grow across that season and I knew what she could bring to a team she already knew so well.

We had players that still felt the hurt from our grand final loss, we had new faces that felt that pain with us, we had players that felt pain on the sidelines. We were hungry to push ourselves and each other to get there again – and this time not feel the pain.

Our 2023 was full of hurdles, some that went down and some we made it over. We had our young superstars in and out with different state engagements, major injuries to multiple players, we made the WACA our home ground on four occasions and trained at an oval that we shared with tee-ball on Thursday nights.

No matter how much adversity we faced, I always had so much faith we could do the ultimate.

We did it the hard way through finals, we won what was meant to be a home final at South Fremantle oval against Swan Districts. Then the following week we beat South Fremantle at their home ground and fought our way to the Grand final.

There was something about the energy in the rooms that day that made it so special. Weirdly, I have never felt so relaxed before a game before. I just that my team mates and coaching staff would play their role and we could get the job done.

I am so incredible proud of what we accomplished this year. We did it as a team, we fought for each other, for the coaches, for every single person that has had even the smallest input to this women's program. We did it for each other and I hope we can continue to build that yet again into 2024!

I wouldn't want to play for any other club, see you in 2024 sharkies!

Rogers Premiership team.

2023 East Fremantle District

- Jordan Handcock

It has been a great year for the East Fremantle Football Club and that success has flowed through the district.

Throughout 2023, East Fremantle has been involved in many different ventures including Auskick, Rookie Series, Starkick All Abilities, School football, Junior football, Coaching, Umpiring and we have seen a continued growth of female football within the district.

The 2023 junior competitions consisted of the East Fremantle District modified divisions (years 3-7) and the Fremantle Conference Divisions (year 8-12). There were 19 grand finals played, 27 of the 38 teams competing came from the East Fremantle District. Out of the 19 grand finals, 16 premiership teams came from the East Fremantle District. Big shout out to the clubs and volunteers who made the finals series possible.

Premiership Winners:

MSTH Year 11/12 Female – Palmyra Demons

Whilst there was a vacancy throughout the year in the Development Officer Role, many football programs and competitions both primary and secondary have been facilitated. As well as lots of unique opportunities for Little League half time representation, at the WACA, Fremantle Oval and Optus Stadium.

The annual NAB AFL Auskick East Fremantle Gala Day hosted at Rossmoyne Junior Football Club was a hit as usual.

There were 115 teams in attendance, with all 14 Auskick centres within the

East Fremantle District represented. Totalling to over 800 kids throughout the day.

The Festival of Footy also saw year 2's from East Fremantle, South Fremantle and Peel Thunder participate in a round robin carnival fixtures. This is to prepare them and transition them from Auskick into Junior football. East Fremantle had 20 teams represented on the day.

The last big event of the year will be the Kirby Bentley Cup and the Nicky Winmar Carnival held during October. The day is to increase the amount of Aboriginal and Torres Strait Islander youth and community members participating in clubs and development squads as either players, coaches, umpires, administrators, or volunteers. It will be a fantastic day.

A massive thank you to everyone who had any involvement in assisting with the 2023 season. In particular, the junior clubs and their committee members for their ongoing commitment and hard work every year. A huge thank you to all the players themselves, it has been fantastic to witness so many young girls and boys playing and enjoying this great sport they love at their local community clubs and schools.

Very excited and looking forward to what the 2024 season has in store for us. FinsUp!

Mid-West Report - Beau Walker

The Mid West Academy of Sport (MWAS) Football Program was focused coming into the 2023 season on aligning successfully with the schedule and expectations of the East Fremantle Football Club and exploring avenues to continue to improve performance. Included in our program are players eligible for the Colts and Futures (16's) squads, whilst the Under 15's (Shark Pack) acts as our main feeder group. Throughout the running of the MWAS program in 2023, we had over 20 members play for East Fremantle in the Colts and Futures divisions. This number is furthered by another competitive campaign from our Global Civil and Mining Shark Pack group.

In the Colts division, we worked closely with Sam Mainwaring and his team of coaches to prepare the Mid West based players as best we could to play at East Fremantle. Todd Teakle was fantastic in his role as head of Sports and Conditioning for the MWAS Program. We started training in late November 2022 and completed numerous sessions prior to Christmas. His presence continued all the way up until the conclusion of training this year when the East Fremantle Colts were knocked out of the preliminary final. It takes a large time commitment from Todd to ensure our boys are in their best physical shape, including taking the warm up and conditioning components of training sessions, as well opening his gym up for our players. In January 2023, the East Fremantle Colts came up to Geraldton for the second consecutive year and completed a camp with our Colts aged kids based in the Mid West. This was a great success and helped create familiarity and unison. The camp included a combined training session, practice match, delivery of expectations and examination of the game plan. We were able to showcase several of our Mid-West based players as potential East Fremantle Colts

players. This resulted in further opportunities for our boys to head down to Perth and play in Pre Season matches against West Perth and Claremont. Throughout the 2023 season proper we had four young men go down and play for the East Fremantle Colts including Llewyn Valli, Finn Dethlefsen, Blake Tazewell and Jaxon Graham. Each of them was given a chance to showcase their talents and put their best foot forward. They received verbal and directional feedback from the coaches and also reviewed their footage on HUDL.

In the Futures age group we had solid representation from the Mid-West again and were well supported by Andrew Browne and his coaching staff at East Fremantle. Lucas Ronan, Riaz Mohammad, James Simmons Lucas Clarkson and Jake Criddle were all selected to go down and represent East Fremantle in the Futures fixtures. They competed strongly and didn't look out of place. This group improved drastically throughout the course of the year as footballers, athletes and people as they trained regularly in the MWAS Football program. Improved endurance times in the 2km time trial, power and speed in the lifting and sprinting tests, and greater football performance were noted. This group will be retained in the MWAS Program next season and we look forward to them continuing to progress. The Global Civil and Mining Shark Pack, whilst not directly involved in the MWAS program is the primary feeder group from which it is picked for the following season. The 15 year old and under players that represent the Mid West region in the Shark Pack play a multi day carnival against other zoned regions of WAFL clubs. From this as well as observation throughout the Great Northern Junior Football League (GNJFL), players are then selected to enter the MWAS Football Program for the following season. The Shark Pack is for many young footballers

their first real opportunity at representative football. The Shark Pack was coached this year by Stuart Gerryn, who is also an assistant coach for the older age groups in the MWAS Program. The group had a successful carnival, winning two out of three games and showcasing a wide array of talent. I would like to thank all those that have assisted in the undertaking of the MWAS program this season. Our assistant coaches Harry Taylor, Stuart Gerreyn, Dale Baynes, Clinton Bolton and Gerard Marquis have all been fantastic educators throughout, and well done to Clinton on his progress made in the role of Indigenous Development Officer. Darren Winterbine, the CEO of the Mid West Academy of Sport has been of great support throughout the season, as has Todd Teakle from MWAS and Central West Health and Rehabilitation. Brad Dodd and David Depane have contributed strongly to the direction of the program once again and their input is greatly appreciated. I would personally also like to thank Brenton Boddington for all his work over the past seasons and wish him all the best for the future. Thank you to all the East Fremantle coaches and support staff for making our players feel at home and furthering their development with your knowledge. Thank you to the Great Northern Football League and Great Northern Junior Football League players, coaches, volunteers, administration and support staff for their support throughout the season and all of the participating clubs. Thank you again to the fantastic parents that commit themselves to supporting the MWAS program. Last but not least, thanks to the players for an enjoyable season and we'll see again shortly with Pre-Season just around the corner.

Congratulations to the East Fremantle League team on winning the 2023 premiership. Fins up!

Mid-West Report - Nathan Johansen

The East Fremantle Mid-West Academy of Sport Female Program completed its second year of operation in 2023.

The coaching staff at Geraldton is Tenae Harrington, Wade Bambling and myself.

The squad is extremely fortunate to have the opportunity to utilise the Central West Health & Rehab gym as part of the Mid-West Academy of Sport (MWAS) Scholarship.

We commenced with a Female Talent Day back in late 2022 and from that our 2023 squad was developed with an initial base of 12 Mid West girls. This grew our inaugural group from 2022, the process was difficult as there were a number of talented female footballers involved in the Talent Day.

The squad members were; Aaliyah Jones, Abby Green, Ava Gould, Breeanna Hamlett, Charli and Olivia Bidwell, Geneva and Jasmine Johansen, Tayah Palmer, Maddison Kelly, Jaime-Lee Gregory-Smith and Sharntay Westberg.

The squad is a mix of young developing players who had progressed from the Youth Girls competition to others who were proven performers in the GNFL already, over the pre-season the training load was heavy with a combination of running and strength and conditioning work which resulted in a high fitness level.

Several of our squad participated in pre-season games at the Rogers Cup and League level and on the back of those performances were able to secure games in the regular season. Charli Bidwell, Abby Green, Ava Gould, Breeanna Hamlett, Maddison Kelly, Geneva Johansen and Jaime-Lee Gregory-Smith all impressed at Rogers Cup level when the opportunity arose, they displayed skill and endeavour, easily slotting into the team and thoroughly enjoyed representing East Fremantle. Thank you to Troy Fish for your work and effort with these girls, they all enjoyed the experience.

At League level, what would have been a tough decision by head coach Steph Walding and the match committee, both Tayah Palmer and Jasmine Johansen were selected to make their debuts and neither disappointed with both girls looking like they belong at that level.

During the season, the squad continued to train super hard and a culmination of that hard work resulted in the games with East Fremantle and a sustained high performance in the GNFL competition.

As well as the squad members representing East Fremantle as mentioned, there were a number of award winners and higher representation attained by members of the group. Olivia Bidwell was equal winner of the Competition Best and Fairest award, Jasmine Johansen represented WA Country, Tayah

Palmer represented WA U/18's, 3 GNFL club B&F winners and 9 of the girls represented the GNFL at the Country Carnival in October, with Abby Green and Jasmine Johansen selected in the Rio Tinto All Stars team on the back of strong performances at the carnival.

It is a massive achievement for the Mid-West girls to be able to represent East Fremantle Football Club, which would not be available without the support of the Mid West Academy of Sport, EFFC, Brenton Boddington, Troy Fish and Steph Walding, other associated sponsors, coaches and administration staff that assist throughout the year.

Our aim is to create a smooth pathway and provide an easier transition for these girls to leave home in the Mid-West and continue their careers with East Fremantle. After only 2 years we have seen our first squad member already leave Geraldton to commence her career with East Fremantle, it will only be a matter of time before more follow.

Looking forward we will be conducting another Talent Day in the near future to identify and capture the next group of talented Mid-West female footballers and prepare for the 2024 season.

Regards,

Nathan Johansen
