**DARYLE MANN**  
**PRESIDENT**

**C**ongratulations and thank you to everyone who contributed towards ensuring our great Club continued its improvement during 2018. I especially thank all Members for their continued support of our Club, of myself and the Board in so many ways.

I believe 2018 saw us achieve a higher level of credibility and respect in the WAFL, both on and off the field. Evidenced by comments from our competitors and the WAFC. Nothing ever just happens. This is the result of the commitment of so many.

An exciting 2019 lies ahead as we enter our 120th year. What an achievement this is and during 2019 much will be covered regarding our 120 years and its significance. I believe understanding our history helps us make successful decision for the future.

Before proceeding on to specific acknowledgments I have listed some of our more notable achievements during 2018.

- The development and completion of The Club's 5 year strategic plan under the four pillars of: Football, Facilities, Community Engagement and Sustainability. Each Pillar has its own objectives and operational plan. The strategic plan is available on our website.
- Our new constitution was approved by members and registered with the Department of Commerce, making us the first WAFL Club to be compliant. I thank our consultant Barry Butterworth, Director Cathy VanderWeide, Executive Officer John Matthews and Life Member Richard Camm for their work in getting the constitution completed and approved.
- We have implemented many of the recommendations of the Cumberland review held in 2017 into our operations, football and culture.
- After much lobbying, Steve Irons our local Federal member for Swan, was successful in obtaining \$4 million of funding for a new PFC/Community facility at Lathlain. At the time of writing both the Town of Victoria Park and our Local State Member, Ben Wyatt are supportive of a new facility. Much work lies ahead of us but we thank Steve for his efforts in obtaining funds for this essential community project.
- Our League team improved considerably during 2018 and played some of the most exciting football seen at Lathlain for many years, just missing out on the finals as the result of an East Perth goal after the siren. The improvement in player enthusiasm and culture was noticed by many. They and the coaching group are to be congratulated.
- The Club continued its many Community Engagement Programs:
  - Coaching Academy headed by Trevor Williams
  - Aboriginal Engaging Program and Regional Accommodation House
  - Banksia Hill Football Program
  - Outside the Locker room – Mental Health and Self-development program
- The Club has achieved a small profit during 2018 in a difficult economic year and the club has seen our Centurion Reserve Fund increase to approximately \$440m. I thank my fellow Trustees of the fund: Fund Chair and Club Patron Peter Gilkison, Past President Damian Matthews, Vice Patron Phil Castle and CEO Marty Atkins for their efforts in managing the fund.

In starting the thank you's, I can go no further than our Board of Directors who invested so much of their time and energy in ensuring we are heading in the right direction. The Club are fortunate to have a skilled and committed Board

Senior Vice President Neil Darby, Vice President Mark Treasure, Finance Director John Dorazio, Sponsorship Director Wayne Smith, Football Director Troy Cook, Events Director Kristi Annear, Compliance and Governance Director Cathy VanderWeide.

We also welcomed a new Director to the Board this year, our Facilities Director Adrian Schneeberger whose building and construction skills have already been evidenced around the Club. Milton Milloy has also contributed as an Associate Director representing our country regional leagues.

A big thank you to our staff led by CEO Marty Atkins, I understand your working space and Club resources are a restrictor and are more reason for the Club to thank you for your achievements.

Thank you to our Football Operations Manager Dale Ballantyne, Functions Manager Ryan Keatley and Staff, Marketing Officer Mel Newcombe, Administration and Club Management - Dee Brooks and Cath Parker, Sponsorship Jared Bell, Executive Officer and Accounts John Matthews, Facility and Maintenance Lance Rigby and our hardworking Monday Morning Crew.

To our Club Patron Peter Gilkison and Vice Patrons; Damian Matthews, Steve Irons, Allan 'Chubby' Stiles, Graham Edwards, Jodie & Phil Castle, Ted O'Connor, Ben Wyatt and Steve Kargotich, many thanks, your support of the club has been outstanding.

Thank you to our Club Legend for 2018, Collin Lofts for the enthusiastic way he has engaged with the Club during the year.

Thank you to our Past Players and Official Association lead by Wayne Koch. Your group do a fantastic job and in my opinion are the best in WAFL. You are one of the Club's major assets.

I again thank our Gala Auction Committee lead by Kerrie-Ann Pandal and Club Director Mark Treasure. This year's Auction was our most successful ever, raising a net \$93,000. Our thanks and appreciation go to those who donated to the function, attended the function and of course successfully bid on items.

A big thank you to our Coaching staff lead by Head Coach Earl Spalding and everyone involved in our Football department. Your passion and commitment were outstanding.

A massive thank you to our playing group, in all Grades, League, Development and Colts. We should never forget we are a Football Club and whilst community involvement is very important nothing beats seeing players develop and entertained us with great football. A special thank you to Club Captain; Clint Jones for his professional leadership and Brant Colledge on winning the 2018 Butcher medal as the Clubs Best and Fairest.

Sponsors are critical to the success of our Club. We are very grateful for you partnering with us and we look forward to working together with you in 2019. I especially thank our major sponsors: Gavin Caudle – Provident Capital Partners, Wayne Smith and the Team at City Toyota, Bill Richardson – The Lucky Shag Waterfront Bar. We also welcome onboard this year Revo Fitness, our major Colts Sponsor.

Our Sponsors are listed on the Website and I encourage our members use their service when possible and encouraged their continuing support for our Club.

I also would like to thank the Mayor of the Town of Victoria Park, Trevor Vaughn and CEO Antony Vuleta for their continuing support of the Club and the great job The Town are doing in revitalising the Lathlain area.

Heading into our 120th year we will continue to build on the positive outcomes of this year and continue to embrace our Club values; Bold, Connected and Committed.

**MARTY ATKINS**  
**CHIEF EXECUTIVE OFFICER**

Looking back on my conclusion from last year's Annual Report, I'm happy that my expectation for Season 2018 occurred - more happier faces at Lathlain. We certainly got close to playing finals, our mid-season charge was enjoyed by all, but we know we still have some improvement to do to make this a reality.

How close? A kick after the siren that registered a goal, saw our arch rivals East Perth triumph by three points in our Round 17 fixture – a miss would have seen us steal a win, which would have been enough to secure a finals berth.

We still had three more games to play in the season, but the quality of opposition certainly provided no easy game and whilst still a mathematical chance of playing finals going into the last round, Subiaco showed us the standard of footy required to play finals, a standard that we will strive to reach going forward.

Team success also eluded our Colts squad, even after winning five of the first seven games. State commitments for five of our players, plus players lost to PSA fixtures meant a big turnover of players after sitting on top of the ladder. Only one win from the remaining eleven games ensure a similar fate to that of our senior squad, with no September action.

No team success, but plenty of individual success in both squads, as well as amongst our coaching and support teams. All individual achievements are recognised by others in this report, but to all our players, coaches and support team I would like to personally thank everyone for your commitment, dedication and support through 2018 and hope that you return in 2019 to assist in making the Demons great again.

A special thanks to our Past Players and Officials, who through President Wayne Koch and his hard-working committee, not only contributed funds to various club activities, but also contributed a considerable amount of voluntary time to these activities, as well as to the Perth Football Club History Centre.

When talking about voluntary time and in this case voluntary labour as well, thanks are extended to Lance Rigby and his Monday crew for their contribution to making the facilities safer and more presentable for all our users. No job too difficult, although a distinct lack of height in most of the crew does present challenges if jobs involve reaching high.

To the staff of the club, thank you for your hard work and camaraderie, for your belief in the club and where we are headed, but mostly for your commitment to do the best you can for the benefit of the club and its people.

Special thanks and the best of wishes go to our departing Talent Manager Peter Brear, who is leaving us to head back home to his family in Melbourne. Many of you will not know the extra hours Peter worked in order to provide the best pathway for both players and coaches, but he has ensured the Robert Wiley Foundation provides a great platform for individuals to reach their goals.

Outside of his great work ethic, Peter also provided great friendship and support to staff. Some unique mannerisms, a quirky sense of humour, but a valued team member who will be missed by our small team.

To the Board, thanks for the support and leadership that you provide and for your commitment to the members and delivering of programs that benefit our community.

Whilst the true benefits of our engagement program to our community may never be known, it is important that the club is seen as an active participant in our community and not just a 'football club'. The more programs that support & benefit some of our community issues the better. We as a club are very committed to our various Aboriginal Engagement programs, we continue to assist in the growth of 'Outside The Locker Room' and we are very proud of our partnership with Ronald McDonald House.

Positive relationships/engagement are also a must in both our metropolitan and country zones and recognition needs to go to our WAFC District staff, as well as to Trevor Williams for all their hours committed to the various programs and activities held in schools, junior clubs, senior clubs, as well as community events that provide positive interaction.

In 2019 we will continue to embed our values: Bold; Connected; Committed. We will look to grow the club off field, with a focus to increase the number of our followers, mainly our Demon membership.

Our want is to provide our Members a welcoming and quality environment and for our staff, volunteers, coaches and players an environment where they can be their best. To this end whilst there is some unknown about any new facilities, we need to focus on our existing facilities, with an approach to present them as best we can.

To our Major Partners, Provident Capital Partners, City Toyota, The Lucky Shag Waterfront Bar and Revo Fitness, as well as key stakeholders, the Town of Victoria Park and the West Coast Eagles, we thank you for your on-going commitment to our community as we do with all our partners. Your commitment goes beyond the financial contributions that you make as we often see that you are invested in other ways in support of the club's pursuit of success.

Increased corporate support will allow the Perth Football Club to deliver improved services to our metropolitan and regional zones and strengthen our district pathways.

We look at 2018 as a year of consolidation off field with a small profit achieved, but more importantly we earned some respect from competing clubs, along with gaining confidence in ourselves with our performances on field.

This platform and the added incentive of our 120th anniversary and 60th year at Lathlain Park, means 2019 will be a year to celebrate and remember – every reason to jump on board and continue your support of 'the mighty DEMONS'.

**DALE BALLANTYNE**  
**FOOTBALL OPERATIONS MANAGER**

Looking back over the season, we can be satisfied with our improvement on field, however, we have so much more to look forward to as a football club as players, coaches and support staff, if we are prepared to take another step forward and seek success through hard work and going the extra yard in 2019.

Throughout the early stages of pre-season and even during January we were faced with the task of off-field staff recruitment as senior coaches, our doctor, physio, head trainer and head of S & C all departed for opportunities which couldn't be passed up. Luckily we were able to fill these gaps with quality professionals, quality people and in most cases people who were already involved in the club, so to all those who have stepped into the breach I thank you, as do the senior playing group, and for those of you new to the Perth Football Club, I trust you have enjoyed your first year.

Thanking everyone involved in the Football Department is fraught with danger, because you always miss someone – I apologize in advance for those I miss!

The medical team lead by Charlotte and Hayley, along with Joe and Brett – fantastic job, always completed with minimal fuss and total professionalism.

Ben, Sarah, Michael and Matt, along with Pat in the S & C and rehab area, thank you.

To all the coaching staff, including the volunteers who put in hours of work during the season, I have enjoyed working with you, as I know the players have enjoyed having you involved. It is never easy to maintain your energy and enthusiasm over the course of a long season, however, you have all managed to do that and it has been a great pleasure to have been able to achieve what we have with you and I look forward to having you all involved again moving forward. I would also like to acknowledge the Monday morning crew, who are at the club every week, tidying up to ensure that the club looks good. Your work is much appreciated.

Arthur – you are a legend.

Team managers, chairman of selectors, board men, runners and all other game day helpers, you make my life so much easier and I trust you had an enjoyable season.

I believe that the Perth FC is very lucky to have Earl as our senior coach and for his sake, I am glad we got a few more wins on the board this year at League level. It certainly gave you some rewards for your hard work and dedication to improving our football club. You worked extremely hard during the pre-season as we sourced new coaches and contributed immensely to the planning and overall outcomes. Also thank you to his trusty side-kick in Andrew Panetta, who is an awesome Reserves coach and someone who continually finds the ability from within himself to support anyone who requires it.

CJ and the leadership group – you have done a wonderful job this year in leading the playing group. We will continue to work on leadership, values and standards in the coming years and it will be a lot easier now that we have some solid platforms in place thanks to your work. Clubs do not necessarily function in harmony at all times, however I feel that the issues we deal with at Perth are now relatively small ones and we deal with these in a controlled and mature way thanks to the work of the leadership group.

Thank you to the Board for your support. The club has some great people in place with knowledge, experience and the enthusiasm to help support the football department and players. We will continue to improve, while this support exists.

All the front office staff, Ryan, Lance, Archie and especially Peter Brear, I firmly believe we punch well above our weight in what we achieve and how we work as a team.

Marty – thanks for the opportunity to continue to be a part of the Perth Football Club. I appreciate your support and friendship and I am sure the club will continue to thrive under your leadership.

**EARL SPALDING**  
 LEAGUE COACH

I am confident the true value of our much improved 2018 season will become apparent in the next year or two, because despite the frustrating last three weeks, where we blew the chance to play finals for the first time in over twenty years, our progress as a developing young group is undeniable. We managed to beat five teams and lost to a sixth after the siren, which left just the undefeated Subiaco & fellow grand finalists, West Perth (a team that we tend to struggle against for some reason) as the only sides we couldn't master. Even then we had our moments in games against both these sides, but couldn't take our chances against West Perth or sustain our effort for long enough against Subiaco. This showed me we could compete with anyone when we brought our A game, which revolved around pressure in the contest and on the ball carrier when they won the ball. Also in our ability to lock the ball in our forward line and get repeat entries, thus giving us more opportunities to score. Our average inside 50's were up by 5 on last year and saw us ranked 3rd for the season. This saw the greatest drop off in all our stats over the last 3 weeks, due mostly to our lack of forward pressure.

There were quite a few reasons for our improved performances. Firstly some low key, but targeted recruiting that saw Corey Yeo, Mitch Laque & Ben Giobbi join the club as well as Michael Bennell, who "knocked on the door" asking for another opportunity at WAFL level after a promising colts career at Swans. Whilst Mitch & to a lesser extent Ben had injury interrupted seasons, they certainly showed they can be very good players at this level and Corey & Michael had outstanding first seasons at the club, with both having scope for improvement. Also Matt Taylor returned to the club after a year at North Melbourne on their rookie list and he has certainly benefitted from his time at AFL level. Even though it ultimately proved to be a disappointingly short stay, he is still young and talented enough to get back if he continues to work hard. Secondly, welcoming Cody Leggett, Lachie Dennis, Jared Bell & Kristian Cary back from long term injury. They all showed what we missed out on last year with the impact they had and in Jared's case, he will be much better for the 5 games he managed at the back end of the season after 2 full years out. Overall we had a much better run with injury this year, with key play makers Brant Colledge & Michael Sinclair showing the benefit of playing relatively pain free for the first time for a while. The main exception being Sam Garstone, who hurt his ankle in round 1. Unfortunately he didn't recover well enough to make it back into the senior line up. We look forward to seeing him contribute to our continued improvement in 2019.

Thirdly the continued development of our young second and third year players in Corey Byrne, Cody Ninnette, Anton Scotney, Blake Johnson, Kasey Nicholas, Mitch Henderson, John Levien & Marshall Jones. They all showed at different stages of the season that they can already have an impact on a game, so it should fill us all with hope and optimism how good they can be when they get another year or two's experience under their belt.

Along with our 2019 debutants (especially young Zac Hill, who managed to play 15 games in his debut season as a key defender) and very promising graduating colts, it's not hard to see why I'm so bullish about our short and more importantly long term future. Fourthly and most importantly in terms of taking the next big step forward, was the role our leadership group played this year. We took a different approach in forming this group, allowing the whole playing group to vote for their leaders after a short, but extremely gruelling and mentally challenging overnight camp at the back of Byford. The five leaders empowered by their peers were Clint Jones, Brent Edmonds, Christian Eyres, Lachie Dennis & Cody Leggett. They all contributed well in their role as a conduit between the coaches and players, but have also acknowledged that we have a long way to go to catch up to Subiaco in how we go about challenging our team mates and holding each other accountable. We will continue to tweak this group and encourage them to have a bigger say in how we go about the next exciting phase of our development.

Another big challenge we faced in the off season was filling the shoes of departing assistants Michael Pratt & Garry Moss, who both landed Colts coaching jobs at Perth & East Perth respectively. It was a big assignment, given how high a regard I hold these 2 men in and it took quite a while to fill the positions, but in the end we were very fortunate to secure the services of Pat Litherland & Darren Kowal. Pat took over the defence and Darren the forwards, which allowed Chance to move into the mids. It was quite a diverse group which worked fantastically well together and despite having differing opinions from time to time, we were all on the same page once a decision had been made. We were also lucky to gain the services of Rhys Thurston during the season. Rhys would sit in the box on match day and observe all the coach's behaviours and interactions with each other and the players. He does this professionally with teachers and we certainly reaped the benefits of his insights. Whilst this could be confronting at times, all the coaches found it extremely beneficial to our development as communicators and educators. Our Development coaches were also a part of this process and we continue to be so lucky to have such an experienced group enthusiastically led by Andrew Panetta.

His able assistants in Daine Burnett, Kim Vanderweide and Bruce Fraser were more than comfortable working with our entire list and I had every confidence that a consistent message was being relayed to both playing groups. Add in Neil Allen (Chairman of Selectors), Trevor Williams (Skills Coach & Mentor) & Craig Fewster (Bench Coach) and you'd be hard pressed to find a more experienced or harmonious coaching group in the WAFL.

Losing our Head S & C coach to WAIS and Physio to the Western Force, wasn't an ideal way to start the new year and left little time to find experienced replacements, so we were so fortunate to have Ben Teune step up from his assistant S&C role and Brett Fletcher step up from his role as Colts Physio and seamlessly fill these positions. Along with Ben's assistants, Sara, Matt, Pat & Michael, our club doctor Joe Henry & our wonderful head trainers, Charlotte & Hayley they formed a fantastic working relationship that enabled our fitness levels to reach new heights (we won 10 out of 18 last quarters and had a positive for and against in this stanza for the first time in ages) and our games missed through injury to improve markedly.

I'd also like to acknowledge and thank all of our other match day support staff. From our ever growing dynamic stats team of Boo, Spud and DB, to our Team Manager Dacky, board man Lidds and runners Jenks & Scotty (Jenks also doubles up as boxing coach at the club and at a mate's gym on Sundays). One thing we are not short of at our club is passionate people willing to give their time to enable us to continue to improve. I hope we are able to reward their faith & loyalty in the not too distant future.

It is also important to recognise the impact Dale Ballantyne has had in his role as Football Manager. He has been able to implement real change that has certainly contributed to our change in fortunes lately and he continues to demand we all stay focussed and ensure our path continues in an upward direction.

Finally, I'd like to thank Marty, Daryle and the rest of the board, for their continued support. We have certainly had some challenging times over the last 4 years and I'm sure there are still a few bumps in the road ahead, but we've been able to stay the course in terms of developing our young group of predominantly local talent and this is paramount in achieving the ultimate success we all crave.

**ANDREW PANETTA**  
DEVELOPMENT COACH

**6**3 players played Reserves football this year over the season. It is always very challenging at Reserves level to balance the desire to win and the need to educate. I believe we have a very good balance in achieving the goals we are aiming for. Winning is a lot of fun and we probably fell short of where we deserved to finish this year, but as a group I believe we learnt a great deal about ourselves and our role in a football club.

6 of these players were graduating Colts from the season before. We were also able to play 10 current colts in the later part of the season as part of the club's transition program and Sydney Stack also played League football this year.

It was a good season because of the following reasons.

1. We were able to get senior games into a large number of young players.
2. The players themselves did it tough at times and learnt some valuable lessons in resilience and teamship.
3. While we didn't finish as high as we should have, we did show at our best we can mix it with the best teams in the comp. A healthy place to be and a challenge to find consistency.

All these things can only fast track and prepare the boys better for careers at Perth. As a coaching group in the Reserves we are very satisfied that we have given the boys a good grounding for moving forward into the next seasons.

Thank you to our Football Manager (Dale Ballantyne) and our Team Manager (Peter Boyd.) Their help in keeping everything running smoothly took great pressure off us and we appreciate this.

The Reserves assistants; Kim Vanderweide, Bruce Fraser and Daine Burnett. These guys put in a lot more time than is expected of them and their passion for the club and the boys is inspiring in itself. The hours these guys put in compiling feedback for the boys is second to none.

Earl. Thanks mate, for the opportunities and willingness to share responsibility for the playing group and its preparation.

Chance, Pat and Darren. There's so much to learn and having you 3 here to tap into is a rare opportunity for us and your preparedness to share that knowledge is greatly appreciated.

To Ben, Charlotte, Haley and the training staff. Thank you for the assistance you give us every night at training and on game days. The fact that you are willing to adapt to the coaches needs makes life very easy.

And finally, thanks to the Board and staff at the Perth Football Club. Having the chance to coach at the club is a great experience and I am very grateful for this.

**MICHAEL PRATT**  
**COLTS COACH**

I would like to start by thanking the Perth Footy Club and the WAFC for the opportunity to coach the Colts team during the 2018 season. The season was my 3rd at the club – after spending 2 years as an assistant with the seniors. Since joining the club back at the start of the 2016 pre-season, I have been continually overwhelmed by the welcoming nature and professional approach of everyone at the PFC.

Our season – the first conducted under the new WAFC Talent Model – really was a season in two halves. After a close first up loss at home to Swan Districts, the team went on a bit of a roll – winning 6 of our next 7 games including a win over eventual premiers Subiaco and big victories over finalists East Fremantle and Peel Thunder. The last 12 weeks of the season though were extremely disappointing. We won only one game from the start of June until the conclusion of the season on Sunday August 26th – which is 13 weeks (and 39 training sessions!) without success...far too long for any group of players. The question I have repeatedly (and quite fairly) been asked since the end of the season is 'What went wrong?'

We could find a lot of excuses for what happened this year – but ultimately the players were unable to deliver success on game-day because I was unable to provide them with the method and motivation for them to do so. Our group of players this season was exceedingly talented (more on this later) and to be unable to 'get it together' in the final 3 months of the season was certainly my most disappointing period in 15 years of coaching. The results were certainly not a reflection of the outstanding efforts of my coaching staff – Glenn Davies, Dean Mann and Peter Donaldson together with S&C Coaches Luke Everett, Aaron Dean and Tapiwa Shekede – nor the off-field support team led by Physio Alex Murdock, and trainers Hayley Patterson and Charlotte Elliot (together with their awesome teams!). Everyone in the Colts structure worked long and hard to turn things around during the back half of the year but for whatever reason as a group we were unable to find the right button to press.

Back to our players – who I am quite certain everyone wants to hear about – and the incredible talent the club has coming through the ranks at the moment. Some numbers to consider:

- 58:** Players who donned the Red and Black during the 2018 Colts season.
- 11:** 2018 Colts players who progressed through to senior footy during the season.
- 6:** Members of the WA U18 side – including FIVE (5) who participated in the crucial final game vs Vic Country at Marvel Stadium. (5 out of 22 players from the Perth Footy club! - Not bad!)
- 5:** 2018 U16's who progressed through to play Colts Football in 2018.
- 5:** Members of the undefeated Aquinas team who played Colts Football at Perth in 2018.
- 3:** Invitees to the National Draft Camp (10 from WA, 3 from Perth! - How good?!).
- 2:** All-Australian U18's – Congratulations to Luke English and Sydney Stack.
- 2:** All-Australian U16's – Congratulations to Logan McDonald and Nathan O'Driscoll
- 2:** Colts Team of the Year members - Congratulations (again) to Luke English and Sydney Stack.
- 2:** Participants in the 'Future Stars' game conducted as a curtain raiser to this year's AFL Grand Final – congratulations to Elijah Taylor and Dev Robertson.

Keep in mind when reviewing all of these achievements – and the list is significant – that Colts Footy is not JUST about winning and losing...and the playing field is not necessarily level between teams. Of course, when the players cross the line it is 18-vs-18, but whilst some clubs miss a large number of players due to PSA football commitments – or representative commitments – others are barely impacted. And whilst teams such as ours actively encourage our developing colts to 'push up' and get a taste of senior footy, other teams hold players back. As an example of this, for our Round 21 fixture versus Subiaco, the opposition ran out 13 players born in 1999 (effectively 19 year olds) whereas our side featured just 3. Which approach is correct? This is hard to say – in the short term, Subiaco won the game of colts footy (and ultimately the colts premiership with that same playing group) but what we are trying to do is provide our players with the best possible grounding to push ahead into senior ranks.

I think it is inarguable that we are providing great benefits to our young players by enabling them to train (and potentially play) with the senior group during the year they turn 18. The process we have put in place to push our young players up through the senior group for a 'block' of 3-4 games during the second half of the season is one I am very pleased with – and most thankful for the support of the senior coaching group (in particular Earl Spalding and Andrew Panetta) for making the boys so welcome. How could an 18 year old player not benefit from training with Clint Jones? From being coached by Earl Spalding? Not only do they have the opportunity to actively LEARN from their senior team-mates and coaches – they also move into the next pre-season with a CLEAR and very personal understanding of what will be required to make a success of senior footy in the following season. Too often players exit Colts footy and fall by the way-side during their first senior pre-season simply because the training load coupled with the competitiveness of the senior players is too much for them. The success our club has had over the past two seasons in turning graduating colts into senior players has been absolutely outstanding and really does speak to the benefits of the approach we are taking.

What else? Well, there are of course more than you's. To Trevor Williams, Team Manager Steve Ransted, Boardman David Van Raalte, runners Chris Maskiell and Kurt Bufton – you have all been outstanding contributors and I look forward to working with each of you again in 2019. Also a special thanks and a sad farewell to our Talent Manager Peter Brear. I first worked with Peter when he was the Talent Manager and I was the colts coach down at Peel Thunder in 2008. In the subsequent 11 years Peter has had a tremendous influence on the lives of literally hundreds of young footballers – many of them from the Perth District. I know everyone at Perth will wish Peter all the best as he returns to Victoria and lives a life closely connected to his family who he has been separated from for far too long.

Finally, thanks to all of the players and their families – the 2018 season was a long and frustrating one for all of us associated with the colts program.

**PETER BREAR**  
**TALENT MANAGER**

**B**ig changes occurred behind the scenes in the 2018 Season as the WAFC took control of all State League Underage Competitions and Carnivals. Whilst WAFC took over day to day operations, the Perth Football Club kept a close, efficient and integral partnership with the Talent Program and has diligently worked to ensure the players, coaches and support staff are being warmly engaged across the five Squads representing the Perth Demons.

New Colts Coach, Michael Pratt, got the Colts off to a flyer and were sitting top of the table after Round 6, but the loss of State 18s and PSA-based players saw only one more win for the season. My gratitude to Michael, who in his first year established the Playing Style Document, Player Skills Assessment Tracking and the Modulated Training Plan Format to enable the PTP's future direction and planning to continue seamlessly regardless of coaching personnel. We are so fortunate to have secured a coach of his calibre and experience to forge our next intake of League Players. Thanks also to Glenn Davies, Dean Mann and Peter Donaldson who threw themselves into the Assistant Coach Roles, and S&C Coach Luke Everett and his Assistants, Tapiwa Shekede and Aaron Dean. Thanks also to Kurt Bufton, Chris Maskiell and David Van Raalt for their support. We were lucky to have Charlotte Elliott and Hayley Paterson leading a very professional Medical Trainers Team along with Brett Fletcher and Alex Murdock (East Vic Park Physio Clinic.) For too many seasons to count, Steve Ransted has been Team Manager for the Colts and he again fulfilled the role with dedication and meticulous accuracy.

The three Talent Carnivals (14s, 15s & 16s) saw a slow start by all teams before finally coming up to speed longer into the Carnivals the teams went.

### STATE ACADEMY 16s REPRESENTATIVES

Our stand-out 16yos, Logan McDonald and Nathan O'Driscoll, proved their class by representing the Perth Football Club in the WA State 16s Squad. They further impressed at the next level by stunning performances in the AFL National 16s Carnival. Logan McDonald and Nathan O'Driscoll were bestowed AFL 16s All Australian Honours. Daine Burnett guided the 16s for the third year in a row and he immerses himself in the role with forethought, vision, structure and fun. Former League Player, Scott Moore is Daine's Senior Assistant and it is fantastic to have one of our very own paying back and investing in the Perth Demons' youth. The other Assistant Coaching roles were filled by Clint Degebrod, Sam Cousens, and Damian McCague and they provided pivotal support. Evan Dorr exceeded expectations as S&C Coach. A very special nod to Team Manager Garry Hallett who is one of those special people who are the beating heart of a football club. The quality of the people involved indicates a very bright future for the Perth Football Club.

2018	Logan McDonald & Nathan O'Driscoll	Charlie Byron, Mack Hall, Logan McDonald & Nathan O'Driscoll

A very special thanks to our new Jumper Sponsor, Revo Fitness and to Christina Harding of Christina's who has been exceptional in her support over many years, they are both very special people.

The Club is extremely blessed to have the Robert Wiley Foundation along with the hard working and generous Past Players & Officials Association. To President Wayne Koch and his Board and their dedicated volunteers I give heartfelt thanks for the continuous support of our Youth Football Programs and the sponsorship of many coach education initiatives. They are good, solid, generous people who roll up their sleeves and get the work done with a minimum of fuss and for the sole betterment and benefit of the Perth Demons.

I am truly grateful to the efforts of the 2018 RWF 14s-15s Talent Squad Program and how it was supported by the coaches, assistant coaches and support staff, a huge undertaking. My thanks to Daine Burnett, Scott Moore, Dale Henri and Damian McCague who all acted as Head Coaches and they were magnificently supported by Assistant Coaches Kurt Bufton, Chris Maskiell, David Van Raalt, Nathan Dixon, Bradley Ralph, David Keys and Justin Baker. The S&C Coaches were led by Evan Dorr and his team consisted of Angela Chilwell, Kristen DeMarco and Daniel Buzzai. We are grateful for the involvement of Trevor Williams, Damian McCague, Bruce Fraser and Matthew Smith who acted as Talent Scouts at local Junior Matches and provided Talent Reports during the season.

The Northam Satellite Squad trained each Monday night to provide a local based session in the country and was overseen by Matthew Strokes, Willie "Wonka" Dick and Trevor Williams, giving the country boys, an opportunity train locally and not travel. This program has proven to be based on player welfare with the added benefit of football development. Big thanks to Stokesy, Wonka and Trev.

Callum Walley still plays a role with the Perth Demons, as we appointed Cal to our Welfare Officer position to assist our players with issues off the field. Cal's previous experience as PFC's AEO, provided Cal to be the ideal candidate for this vital role in youth football and we thank him for all his work behind the scenes.

Michele Burton came on as our Administration Assistant and has been nothing short of sensational in the support role provided to the Talent Program. A special thanks to Gary Lendich, Ground Manager Extraordinaire, who makes life so easy and so much fun on Match Day, Perth has a real gem in Gary.

As the 2018 season expires and we reflect on opportunities lost, we gather ourselves with an unflinching resolve to succeed, improve and once again carve our magic mark. With a new generation of Perth Demons Players preparing to take on the WAFL and give it a hell of an almighty shake, I now take my leave from the position of Talent Manager and would wish all the best to my replacement and thank the wonderful people of the Perth Football Club for their dedication, assistance, best wishes and the opportunities they have provided me over the last six seasons. I am forever indebted to the Club for involving me in such a famous institution, I have been enriched by its people and culture and sincerely wish everyone and every team involved at the Perth Demons the greatest success in the Club's 120th Season and to be again "feared by one and all".

## 2018 GALA AUCTION

Our Gala Auction continues to be the Number One fundraising event on the Demon's calendar. This year a phenomenal profit of just under \$100 000 was raised!

None of this would be possible without the dedication and tenacity of Kerrie-Ann Pental, her committee, our wonderful volunteers and the generosity of our auction donors.

## CENTURION FUND

The Centurion Fund was established in 2002, it's aim was to create a reserve to protect the club against unforeseen circumstances. It continues to grow through generous donations, purchase of Centurion Walk Plaques and the proceeds of the annual Centurions Lunch. The fund is diligently overseen by Club Patron Peter Gilkison, former Club President Damian Matthews current Club President Daryle Mann and CEO Marty Atkins. We thank them for their hard work and dedication.

This year's lunch was well attended, and the special guest was former Australian cricket star Dennis Lillee MA, MBE. It is well known that Dennis rarely agrees to such appearances – our sincerest thanks to our precious Allan 'Chubby' Stiles for working his special brand of magic there. Thanks also to all those who donated prizes, and a special thank you to Ted O'Connor for his very generous cash donation.

If you love the demons, and you are interested in contributing to the Fund that safeguards our future, please contact the club for details

**PROTECTING OUR HERITAGE**

**FOCUSING ON SUCCESS**

**CONSOLIDATING OUR FUTURE**

**WAYNE KOCH**  
**PRESIDENT, PPOA**

I am happy once again to present our Annual Report on behalf of our proud group. Acknowledgments and thank you's as always need to be prominent for the many who have assisted us to support the Club whenever we can and when called upon.

Our committee; Mike Hawthorne, Brian Sweetapple, Greg Dart, Allan Corry, Greg Clatworthy, Keith Chapman, Cos Fasolo, Steve Ransted, "Archie" Rose and Ian Hands. Our "Associate" Peter Brear, (PFC Talent Manager.) In the History Centre; John Sullivan. Our Support Staff; Brian Raftis, Bill Blackburn, John Leitch, Greg May, Fiona Hughes, Vanessa Taylor-Rennie, Lance Rigby, and of course Kerry Sweetapple, Helen Koch, Bev Ransted, Helen Dart and Teresa Clatworthy.....for their ongoing assistance and tolerance with the occasional "AWOL"!! A very special thanks to our Patrons and Sponsors who are listed below. Special thanks also to our retired Secretary Mark Thornber for his great services over recent years, now on family and work duties, someone has to do it, well played Mark. Greg Dart has stepped into the role manfully as the "Minute Man". Bill Murphy has also stepped aside, and Ian Hands has joined the committee bringing valued assistance..... And there are plenty of ways others can assist us and the Club by doing a bit more..... Applications Always Open!!

To the Board, Office, Footy Dept & Functions: Marty Atkins, Daryle Mann, Mark Treasure, Kevin Dack, John Matthews, Dale Ballantyne, Dee Brooks, Jared Bell, Mel Newcombe, Daniel Arangio, Cath Parker, Ryan Keatley, Kylie Marshall and the "merry" bar staff. And certainly, our Auditor Mel Bellgard who continues to keep us on our toes.

Our committee activities remain strong, undertaking many projects such as:

#### Assisting PFC

Gala Auction, Centurions Lunch, Demon Derby, Corporate Classic, Player Reunions, Member's Christmas Party and Club Elections. Frequent Players Teas and hosting Away Game presentations.

#### Fund-raising

Quiz Night, 100 Club, Can Collection, Match Day Raffles, 'Thursday Night Training' Bar, Entertainment Books and WAFL Combined Past Players and Officials fund-raising.

#### Funding

Match Day Playing and Medical Equipment and Junior Football Development

#### Charity work

Ronald McDonald House and Central Park Plunge Challenge.

#### Socializing

Half Time "Kindred Club" functions.

**And.....**  
 Whatever it Takes.....!!

Along with providing additional manpower to the club, our fund-raising activities allow us to be able to assist financially in order to help our club to regain its status as an on-field force. These endeavours will not diminish, and we expect your continued and enhanced support. We can all dig deeper.

It is appropriate to mention here that we are getting strong indications of support from our more recent Past Player and Officials group, amongst them Kade Lang, Brent Davis, Daniel O'Sullivan, Chris Billings, Rod Basell and others. All shall be most welcome at the club in any capacity.

We are also very proud to continue in perpetuity, the patronage of the annual colts fairest and best award, "The Jack Ensor Medal". This year's winner Sydney Stack received his award at the Butcher Medal Night. 2018 was a tough year and Coach Michael Pratt and his Assistants are commended in maintaining a group development policy. We continue to sponsor our weekly \$50 Colts Players Award and look forward to this year's young group moving forward with 16 or more of their "seasoned" campaigners eligible for the Colts program next year.

This year we presented 11 Roll Call Caps to our League debutantes, Cap 1630 awaiting the first new face of 2019. This compares to 21 last year and indicates we have had a solid year in player retention from our emerging group.

We acknowledge here the contribution of the "Combined" PPOA for the Encouragement Certificate \$100 Award, this year to our Ryan Mally. Mike Hawthorne and the writer attended during the year as the PFC PP&OA delegates and such formalities as State Schools, 16's and 18's Awards and presentations duties and support their WAFL Grand Final Raffle major fund raiser. The "Combined" however are aware that our priorities are always with our group.

We continue our Custodial responsibilities with the club memorabilia, archives and displays at our upstairs History Centre. This included recording, storage and restoration projects with the view to expansion into any new facilities. Former player John Sullivan has proved a worthy acquisition to our group as we continue the physical and electronic preservation of our great history. We field many requests from supporters and the wider football public for historical information on players and club identities which in most cases we can usually clarify and honour.

The Passing Parade of great servants of the club and their families during the past 2 seasons has seen the loss of many including: Margaret Ransted, John Wiley, Steve Busher, Rocky Richards, Alec Sparkman, and more recently, Ted O'Callaghan,

Grayson Hemmins, Wayne Orsi, Ann Carran, Paul Polsen and Brian Holdcroft. We greatly respect their services to the club in a variety of ways. Vale All.

We again strongly acknowledge the tireless work of Earl Spalding and the respective members of the 2018 Football Department, reiterating our continued wholehearted support for the expected success in 2019 across all grades. It must be said, and it is also acknowledged in the wider football community that they have fought above their weight against some over-resourced opposition that stride by stride we are addressing.

At the time of writing it is pleasing to welcome a 10th team in 2019 to the WAFL, putting to bed fears for now of the dilution of our independence and Red and Black tradition as we enter our 120th season.

And, on an administrative note. Whilst our existing Constitution was compliant with the new Associations Act taking full effect from 1 July 2019, we took the opportunity earlier this year to revise mainly some grammatical clauses. These have since been approved by the Department of Consumer Affairs. Download a copy from our website, [www.pfcpastplayers.com](http://www.pfcpastplayers.com) or contact us anytime at [pastplayers@perthdemons.com.au](mailto:pastplayers@perthdemons.com.au) or on **0407 478 963** to make other arrangements.

Our AGM will be held early February 2019 as we kick off the new season with an optimism that we feel is not misplaced.

As always, the PFC PP&OA Committee wish you all the best, **Go Demons!**

**AVON FOOTBALL ASSOCIATION 2018**

The Avon Football Association has had a great 2018 season. In June we travelled to Wongan Hills with a great group of young talented players and played in the Northern Regional Colts Carnival. Many thanks to coach Damien Murray, the players and all the support crew. In July we attended the Landmark Championships in Perth, still in Div 1 we had a great team, coached by Ali Smith & Matthew Stokes. The highlight was making the Grand Final but didn't come home with the win. Thanks to all the players & support crew for your hard work. Congratulations to three of the AFA players for making the All-Stars. James Turner Beverley FC, Ali Smith Federals FC & Alex Moreno Federals FC.

Our season ended with the Stacey Medal count in August. Congratulations to the winners; Stacey Medal - Steven Caccetta (Railways FC), Ian & Wendy McNeil Medal - Stuart Murray, (Beverley FC.)

Our Grand Final this year was at Tammin. Well done to Keller/Tammin FC for a great day. Well done to Railways FC league winners and Federals FC Reserve winners.

## CENTRAL MIDLANDS COASTAL FOOTBALL LEAGUE 2018

The 2018 season started off with some changes to our previous player points system, which were altered to come into line with the WACFL player points system. With the continuation of the salary cap and the implementation of the new PPS rules, the season was always going to be a steep learning curve, but in the CMCFL, a very welcome addressing of the large amounts of money that have been distributed out to players in the previous season by all the clubs. All the clubs were affected by the changes to the points system, and with the implementation of the Player loyalty rules, we possibly allowed a slightly high team allocation for the 2018 season.

A massive addition to the 2018 season, was the implementation of the crossover games with the Mortlock Association. This was introduced in an effort to remove the byes that both league face with Mortlock having 7 teams, and CMCFL having 5. Our league believed this to be a successful trial and are very disappointed with the Mortlock FL decision to not continue these matches into the future, along with the addition of the hockey to our sporting program, we were certainly making some massive changes for the club heading into the future.

The 2018 season culminated in a great Grand Final which was held in Moora, on Saturday 1st September. With the Moora Mavericks taking the Little League premiership from the Cervantes Tiger Sharks, Dandaragan taking the reserves Premiership from the Cervantes Tiger Sharks, The Jurien Bay Bullettes taking the Premiership from the Cervantes Sharkettes in the netball, and Cervantes Tiger Sharks taking the League flag from the Lancelin Pirates. And with the incorporation of the hockey into the CMCFL for the 2018 season, the Cervantes Sharks took the flag from the Moora Mavericks in a very tightly contested game.

Steve Gilbert sat at the helm of the CMCFL, ably assisted by the Operations Manager, Rayelene Wright and his fellow directors; Wendy Cousins, John Abbott, Lewis Harvey and David Brown.

The League was very pleased to see several players from the CMCFL, both past players and current players who were given the opportunity to play Colts, Reserves and League football with the Perth FC in the 2018 season. It is exciting for us to see these young lads getting fantastic opportunities to further their football to the next level.

With the fantastic support of the Midlands Regional Football Development Council, who spend lots of hours ensuring that we have the protocols set up and in place to allow our players to strive to the top.

All in all, it's been a great season for the CMCFL, and with some slight tinkering in the off- season, we hope to make some great improvements in the 2019 season.

## NORTH MIDLANDS FOOTBALL LEAGUE 2018

The 2018 season has been an interesting season to say the least with Three Springs left at the barrier. Three Springs made ground for the rest of the season and flew through to the finals and just fell short of the major prize.

Congratulations to Morawa on a double Premiership win. Coorow Latham came very close but are still waiting to get hold of the Premiership cup after two very coordinated seasons.

Mingenew is in unfamiliar territory but remaining very competitive along with Carnamah Perenjori. Unfortunately, Dongara struggled to finish the season and have a job ahead for next season.

Thank you to all six clubs for their participation this year and their continued effort to fill match day requirements with the limited numbers at hand.

Thank you to all players who represented the NMFL at Colts and Landmark, your efforts were outstanding along with the Coaches Brad Forrester, Steve Fowler and Drew Mutter.

Reece Hutton from Morawa Football Club was the Hal Hunt medal winner for the Leagues Fairest and Best and celebrated a terrific year along with coaching the Premiership team.

The League's Volunteer of the Year Grant Burnett contributed much support to the Three Springs Football Club and the League's efforts at Landmark Country Week carnival, a truly deserved award for 2018.

Dwayne Wooltorton received life membership to the NMFL, his contribution to the League is priceless.

The Board of Management continues to support the NMFL and consults with the six Clubs and communities of the North Midlands without question.

**SEAN COLLINGWOOD**  
**DEMONS DISTRICT CHAIRMAN**

**W**ith another exciting season of district junior football over, it's time to reflect on the many highlights throughout the season and to acknowledge the enormous contribution made by our collective football family to make junior football successful. This contribution occurs over our increasingly cosmopolitan junior district that stretches from South Perth in the north to Gosnells in the south and from Thornlie in the west to Redcliffe in the east.

Growing the great game at junior level can at times seem very complex, but it is extremely rewarding. Participation in junior football whether at a club or at a school gives children the opportunity to become better people through developing both physical and life skills.

It also gives participants an opportunity to develop across a range of pathways. One of these is of course player development, but it is not just about finding the next AFL or WAFL player, but developing a lifelong association with the great game so no matter what their ability is, they find their niche and go on to participate in some form in community football.

But our great game also allows for development pathways for umpires, administrators, coaches, teachers, WAFC staff and of course the backbone of any successful sporting organisation, VOLUNTEERS.

This season the DFDC has continued to promote a wide variety of pathways for all our participants and I was fortunate enough to attend many of these with the many highlights including:

- The Auskick Gala day at Curtin University that was well supported by players from the PFC.
- The Year 2 Auskick Gala Showcase where over 100 teams across the Perth, East Perth and Swans junior districts came together at the WACA for a day of sensational fun. This was again an overwhelming success.
- The Nicky Winmar Carnival continues to grow in significance in developing our indigenous players.
- Junior players, from a range of clubs, playing for our district development and academy teams and successfully competing against other district sides.
- PFC continuing to support the District Parade Day at Lathlain Park which resulted in record numbers of junior players attending.
- Junior female football continuing to expand at a rate of knots and this will continue in the coming seasons.
- Expansion of junior coaching development with the appointment of Allana Dickie as a Coach Coordinator, the continuation of the coaching road shows and the ongoing success of the Demons Coaching Academy that was developed with the PFC under the guidance of Trevor Williams.
- Umpiring continued to thrive and develop through the Perth District Junior Football Umpires Association and full credit to those participants who both juggle playing and umpiring junior football.
- For the first time, the District gala night occurred under the Central Conference banner where the Perth, East Perth and Swan Districts junior districts all came together at the Hyatt Regency and this was an outstanding success. This celebration recognised all the hard work our volunteers do and was well supported by the PFC.

- The recognition of the importance of volunteers continued with the Sunday Times Volunteer of the Year Ceremony at the Convention Centre with our District winner Kristy Drew from the Huntingdale Junior Football Club.
- The emergence of the Naitanui Academy to drive multicultural and indigenous participation. In attending several of the clinics, it showed how much fun training and development can be for junior players and this drove home the importance of coaching. Drew Petrie and his team do an outstanding job in running this extremely important program.
- School based competitions continued such as the Eagles (male) and Dockers (female) Cups. The importance of these programs cannot be underestimated as for many children this is their first experience in playing our great game. I was fortunate this season to coach a local primary school in the Eagles Cup and of the 18 players, 13 had not played football before.
- The District successfully hosting a number of Central Conference grand finals at Mills Park, Beckenham with the assistance of the Kenwick Junior Football Club. The District also recognises the significant achievements of a number of local clubs making junior grand finals this season such as Victoria Park (3 teams), South Perth, Belmont and Lynwood-Ferndale.

All this and more could not be possible without the contributions from a range of people and I would like to thank you all but I would like to specifically acknowledge:

- All the volunteers that have made contributions to make junior football function from Club administrators like Presidents, registrars and the grounds person to match day officials like the coaches, team managers and the water carrier. All volunteer roles are important if junior football is to continue to thrive.
- Chris Brown – we are fortunate to have the best District Development Officer in this State and Chris continues to raise the bar every year in his pursuit of promoting and developing junior football. Please read his in-depth report on how junior football is evolving in our District.\*
- Tayla Tenaglia – this is Tayla's second year as part of the District development team and her impact has been enormous in delivering important development programs such as Auskick, Footy Fundamentals and Demons Kids.
- Maree Power – our ever reliable District Match Administrator who is peerless in providing assistance to Clubs.
- Marshall Hannah – our Competition Director who, in his first year at the helm, has played a fundamental role in delivering and evolving junior football in the District this season with outstanding success.
- Joanne Warner – our dedicated Female Competition Director who spent countless hours ensuring our junior competition ran smoothly.
- Daniel Gibbons – the Demons District Football Association Umpire Manager who does an outstanding job in delivering and developing umpires for our junior matches. Daniel goes above and beyond to ensure that umpires receive the respect they deserve.

2019 is looking very exciting, particularly as the WAFC seeks to implement more recommendations of the Structural Review of Football. I again look forward to the off season planning with the ongoing support of the WAFC's Central Conference team so that the Perth District continues to grow next season and beyond.

**CHRIS BROWN**  
**DEMONS DISTRICT DEVELOPMENT OFFICER**

**A**nother successful year in the WAFC Metro Central Region. Under the guidance of Community Development Manager Isaac Stewart, we continued to roll out a record number of programs and initiatives to further engage our community as a whole. I would like to take a few minutes to thank all those people who had an impact on the Demons District in 2018. District Chairperson – Sean Collingwood and his District Football Development Council members who have helped drive important change in the district. To Junior Competition Council Director Marshall Hannah and Female Competition Director Jo Warner, whose tireless efforts to the JCC have seen an increase in positive game day environments throughout the district. The Competition Director role isn't always a popular job and Marshall and Jo's passion and commitment to Junior Football is very much appreciated. To Daniel Gibbons our Umpire Development Manager, who again continued to deliver high quality umpires to our competitions throughout the season. Without Dan and his umpires we wouldn't be able to run matches each week. To Caitlin Tilsed at the Perth Angels; the amount of hard work and dedication they have put in to help establish the club as a premier destination for female football in WA. To the parents, coaches, and thousands of volunteers in club land that make the game of AFL so fantastic. Without you – the Volunteer, the game could not be what it is today, and we thank you for that.

## SEASON SNAPSHOT

2018 showcased many great programs and highlights across the Demons District. Some of these include –

The addition of Coach Coordinator Allana Dickie. Allana has been a massive asset to the team. Her coaching guidance, development, education and mentorship to all junior community coaches across the Metro Central Region has been first class.

The strong support from the Perth Demons this season. With record numbers at the District Parade Day, outstanding support from the players for our junior club visits and the Auskick Gala Day at Curtin Uni. The continued hard work from Trevor Williams in driving the Demons Coach Academy, now in its 3rd season and Peter Brear for all his support with Nicky Winmar and Naitanui Cup programs.

The Year 2 Auskick Gala Showcase at the WACA ground was again the clear highlight this year. Over 100 teams across the WAFC Metro Central Region descended on the WACA for a huge day of fun, games and entertainment. Thanks to the strong support of the WACA and Perth Scorchers for helping grow this event even bigger in its second season.

The continued growth of Female Footy in both Clubland and Schools. The competition expanded to 4-year groups in 2018, with 6 of our 12 junior clubs now participating in girl's competitions. Congratulations to Huntingdale and Vic Park for launching teams in 2018. The WAFC also hosted the inaugural Development Squad program for female footy which was a major success. Well done to Allana Dickie and Tayla Tenaglia for coordinating the Metro Central squads at the October carnival. The carnival now gives the girls an opportunity to follow the same talent pathway as the boys.

Finally, to all our Junior and Senior clubs for another outstanding and successful season. It was great to see strong participation growth across the board. Congrats to Manning, Gosnells and South Perth for reaching Quality Club Status with the AFL, with South Perth reaching Gold standard. Finally, to our major club of the year award winners, Thornlie (Auskick), Victoria Park (Modified), Manning (Youth) and South Perth (WAFL Award). Congratulations on your fantastic achievements.

I would also like to thank Perth FC staff - CEO Marty Atkins, FOM Dale Ballantyne, Cath Parker, Dee Brooks, Ryan Keatley, Jared Bell, Mel Newcombe, John Matthews, Lance Rigby and Trevor Williams. To the Senior coaches Earl Spalding, Andrew Panetta, Michael Pratt and Perth FC Board members John Dorazio and Wayne Smith for their continued support of the District. A special thanks to WAFC Perth Talent Manager Peter Brear who will be leaving us in November. Peter's support not only to myself but the district, our programs and our clubs over the past 4 years has been extremely valuable and we all wish PB the best in the future.

Once again, to anyone I may have missed thank you for helping in the Perth District for 2018. Finally, to our WAFC Metro Central Team – Isaac Stewart, Maree Power, Corey Ranger, Christian Tufilli, Tayla Tenaglia, Hayden Cobby, Allana Dickie and Dan Marie thank you for all your support. We have a fantastic group of people and as a team we continue to work at an elite level and set best practice across the industry.

Have a safe and happy Christmas and New Year break and we will see you in 2019.
