ND HIGHEST WIN MARGIN IN WAFL GRAND FINAL HISTORY

MINOR PREMIERSHIP

PRESIDENT'S REPORT

Mark Lawrence

On behalf of the Board of Directors, I have great pleasure in presenting my 8th report as President to the members of this great Club.

How do you follow up the greatest season in WAFL history? You win premierships back to back and continue the great work developing the next cohort of players, thats how!

And how does the peak body of WA Football congratulate us – “Something has to be done” Gavin Taylor said. “Recruiting restrictions at the top end and

looking at ways to help teams like Peel have to be considered”. Unbelievable, disrespectful and unforgivable on the night of our great premiership success. This leadership drove the social media commentary that has been so damaging to this Club and our people and, of course, deeply damaging to the reputation of the WAFL competition.

And then the WAFC decided to make the WAFL a laughing stock by penalising or victimising the best team. It was affecting my health and I emailed Gavin Taylor: “So when I have a nervous breakdown will the WAFC come up with some compensation!!”.

Not all commentary was hysterical about equalization and our money. The West Australian football writer John Townsend wrote the following insights into the real reasons for our success, “No great team can exist without a great Club behind it and Subiaco have no peers when it comes to operating in the constrained environment of a State league. This is a Club that rarely if ever makes an organisational mistake, that pays meticulous attention to the smallest detail while being conscious of the big picture and, above all, is driven to win games of football.”

“Subiaco are a great football Club and their six consecutive grand final appearances would not have happened without exceptional culture of their players, their extraordinary work rate and commitment beyond any other semi-pro football Club in the country and a level of ruthlessness unmatched in the land. Subiaco get more things right at every level and make fewer mistakes on and off the field than any other Club”

Its notable that John understands WAFL Clubs because he takes the trouble to attend training and thus has a deeper knowledge that many others.

Chasing back-to-back league premierships, three in a row for the reserves and back-to-back for the Colts was a great challenge.

We had a new league coach, new football manager, new S&C, new Club Captain, new Colts coach and new Talent Manager just to name a few.

That made the results even more satisfying - Minor premier, the 5th year in a row for the league team and 6th grand final in a row.

And then to convert that to a crushing win over the 2nd best team in the grand final was magnificent. The Reserves finished 3rd and played finals but could not quite get it together, whereas the Colts had a slow start but a great back half of the season.

Every year we have planned to improve our Club, bringing in coaches, developing players and making sure all our people love being here and that makes Subi better. And that is a great reflection on everyone here.

We have only won 15 premierships in our 123 years of existence, think about that! And to win four in the last six years, six grand finals in a row must surely now be our most successful era.

Beau WARDMAN has been appointed as our league coach for the next two years and his development as a coach is very impressive. I have no doubt that Beau is the right man to continue to drive results at the Lions. Well done Beau!

ONGOING SUSTAINABILITY OF THE CLUB

This year will be our third financial loss in succession as we transition from our old business model at Subiaco Oval. We have held a number of Subi Summits over the last few years to hopefully have all members understand the huge \$400,000 gap we need to fill, what we are doing to close that gap and our other plans for the future which are detailed elsewhere in this report.

What is really important to understand is that we need you all to help us, please. Be ambassadors for the Club, get to understand our situation and what your Club is doing, when you have the chance to involve others please get the message to your business contacts, get people to join as members and grow the Subiaco family. And suggest or help generate ideas that will provide leads that we can then follow up to generate new income opportunities.

CONGRATULATIONS

Kellie PROPERJOHN has been with the Club for three years and has done a mountain of work with our emerging leaders program along with Kyle Horsley. Kellie also works with our coaching groups to become more consistent in the approach to coaching and a worthy recipient of this year's PRESIDENT'S TROPHY sponsored by the STRACK FAMILY.

Well done to Captain Leigh KITCHIN and his leadership group for driving our standards all year and leading us into another grand final. Congratulations to the 2019 Sandover Medallist Lachlan DELAHUNTY on his excellent form this year and to Kyal HORSLEY for his third runner-up at the Sandover Medal. I suppose he must console himself with five league premierships, one reserves premiership and four Outridge Medals!

Never in the history of the WAFL has a Club won the premiership, the Sandover Medal, the Bernie Naylor Medal, the JJ Leonard Trophy and also the Simpson Medal in both the state game and the grand final for a clean sweep of major awards.

Congratulations to everyone involved this year. Be very proud to be part of the Subiaco Football Club - we all are.

The outstanding achievements were;

- Lachlan Delahunty - Sandover Medal
- Kyal Horsley - Runner Up and Outridge Medal for the 4th time
- Winning the Rodriguez Shield - Champion Club in five of the last six years
- Ben Golding - Jack Clarke Medal & Taylor Medal
- Beau Wardman - JJ Leonard Coach of the Year
- Ben Sokol - Bernie Naylor Medal
- Hayley Miller & Danika Pisconeri - WALF W Best and Fairest
- John Sobolewsk Sorrento-Dun Craig JFC - Optus Volunteer of the Year

Our Ball Legend for 2019 was Brad SMITH and thanks to Brad for being involved with the Club this year. Brad is the second of the Glory Years era of successful players after Ali Pickett and they have left us with so many great memories it was wonderful to have Brad here to relive some of them.

To Wally Edwards and Holman Industries we welcome you as our principal partner and look forward to a great future together.

To our coterie groups, The Golds, thanks Ross Lockhart and of course, Dee and The Ladies Forum for all their good work during the season, Gary and the PP&S committee.

MANAGEMENT

We have some really good people running this Club and there is no doubt our staff set the standard in the WAFL. They are involved in all industry committees, they help drive our Club and the competition to improve and well done Peter Capes and his staff.

BOARD OF DIRECTORS

To my fellow Directors, thank you for your loyalty, commitment and support for me this year. It is a team effort but to Basil Fuller, Dwayne Lamb, Nathan O'Connor and Russell Smith well done. Welcome Scott Wright and Kristi Annear to the board of Directors in 2019, and thanks.

Baxter's illness has been draining on and he has needed to step away from the board, we hope temporarily; now that Baxter is getting better news all the time, which is great to hear.

Thanks everyone for your involvement in the Lions and we will aim to continue to provide a Club where we all feel at home, are engaged and most importantly are very proud to support!

Thanks to my wife Debbie and I wish all our members and supporters a Merry Christmas and a happy and prosperous New Year.

CEO REPORT

Peter Capes

In my report to members last year, I posed the question about what makes Subiaco the best Club in the WAFL and then, given the history making result of all three premierships last year why are we then on the podium for the very best in WAFL history?

Given the rubbish written and social media commentary that has been rife since this year's wonderful effort of back to back premierships I think it needs to be emphasised again.

Beau Wardman was appointed senior coach this year in part because of his skill set around player development, his success at the Colts level and his focus on individual players. The Club's recruitment strategy has been minimal in the last two years with only five players recruited and yet 15 experienced league players have exited.

The Club's directive was to develop the talent within the Club and our players, leaders and coaches have been outstanding again.

The Club sets very high standards and expectations, employs the very best people we can find who then all commit to these high standards and cultural norms. Coaches demand high standards in preparation and training and drive each other to set a professional environment with only one aim – to get the very best from every player. Players in the Club must be of great character and part of the team, no excuses for individuals, all together and no cliques, they buy into the programs, support the leadership and more than anything else simply work harder for longer than anyone else.

Many external people continually disrespect the achievements of this Club, the WAFC have implemented penalties on the premiership winning team for being "dominant" in a competition where we have salary cap and list points totals, emphasis on playing local and WA players and we spend a very similar amount in our football budget as do the majority of our opposition.

We must all wear that constant negativity and criticism from people without a clue as a badge of honour, and be proud of our Club and its achievements.

SFC OPERATIONS

People are what really defines a Club's culture and we are very fortunate to have a great team that includes Debbie King. Deb continues to set a standard for our administrative group that includes Teigan Freeman and they provide a wonderful public face to our members, visitors and supporters.

Mack Sheppard has stepped up to replace Kevan Sparks and Mack's hospitality team includes long time staff in Paul and Suzie and they continue to welcome our members to the Club.

Zac Acott joined the Club as our Corporate Partnerships and Business Development Manager mid-season and he has already made a difference. Zac has announced new partnerships and taken our communications and social media strategy to the next level.

Well done to the Subiaco District team, particularly Matt Debarro along with Andrew Ridley who continue to have positive and engaging relationships with all the staff and continue to be the face of football participation in Subiaco football district.

SEASON HIGHLIGHTS

Some of the game day and event highlights during the year included;

- Season launch and the unfurling of all three premierships flags on April 6
- Holman Industries announced as the principal partner of the Club for three years.
- The launch of the WAFL W and the Subiaco Football Club Women team finishing minor premier.
- Good Friday v West Coast at Leederville Oval WCE played Port Adelaide later that day at Optus.
- Members Appreciation Day, Ladies Day, visit by the Mordialloc-Braeside KFC from Melbourne, reunion of the 1989 Colts Group
- Life Members Function to induct Tanya Ferguson and Blake Broadhurst
- Leederville Oval hosted 2nd Semi Finals for both league and reserves games.
- The 2nd Grand Finals at Optus Stadium featuring Subiaco again!.

KEY CLUB STRATEGY

Our days at Subiaco Oval are now history and replacing that income will take a lot of hard work by us all and support from our current and new members, sponsors and supporters. The Club has identified a number of strategies and continues to move to a new business model but until that can be achieved we will continue to have sustainable losses such as the one this year and last.

Closing the gap between our revenue and expenses means meeting revenue targets especially in the hospitality bars and social Clubs, there was some with growth in our BD sales and sponsorship and great news that Holman Industries and Wally Edwards are now our principal partner.

In addition, we have been excited to welcome the North Perth Community Bank and Chair Nick Catania as our major community naming rights partner for 2020 and beyond.

The WAFL is facing a very tough time now and into the next few years, this Club is no different.

We must all now be aware of the significant challenge we face financially, the financial result this year again emphasises the need to address all the following key issues during next year and beyond;

- Leederville Oval Master Plan with EP and the City of Vincent
- SFC Strategic Plan incorporating a strong community engagement activation.
- A "One Club" model for the Subiaco mens and women's teams.
- Sustainable model for SFC and the WAFL – what the vision for WAFL football?
- Subi Forever projects that will help us to a sustainable future.
- Greater level of support for donations via the Australian Sports Grants platform
- Ongoing support for the AFL hospitality opportunities we have developed at AFL games.

FOOTBALL OPERATIONS

Football is addressed more completely elsewhere in this report but I would like to acknowledge Beau Wardman and Michael Farmer as the team that drives our football programs. Both have been part of the succession plan to replace outgoing staff and they have both been outstanding this season.

The core of our Club is the football operations staff, coaches and players that continue to set high goals, to work together and never take things for granted. Our list management was critical given our Club direction to develop our players promoted from Colts and Reserves emerging talent. The key platform to our list for a number of years has been identifying players undervalued and not getting regular league games and that continued again this season.

TALENT & DEVELOPMENT PATHWAY

With the promotion of Beau Wardman and Michael Farmer we looked firstly within the Club and Chayce Creedy was duly appointed Colts coach. Kristian Diction was successful through the interview process and was then appointed the Talent Manager. It was a slow start and after some soul searching and tinkering with the program these leaders showed they have a bright future after a strong back half of the season and player improvement to provide another crop of graduates at the completion of their first season.

They have been well supported by many aspiring coaches and support staff that provide the teams in the pathway with a great learning experience during their time at the Club in addition to development of their football.

SPONSORS

It was exciting to announce Holman Industries as our major partner and to also see Managing Director Wally Edwards as a regular at home games.

In addition, we welcome in 2020 and beyond the North Perth Community Bank and Chair Nick Catania as our major community naming rights partner.

Stadium naming rights continue to be unfilled for the 3rd straight season. The City of Vincent continue to seek a naming right sponsor that is shared with the Clubs based here at Leederville.

Our major support sponsors are vital to the Club, thanks to Phoenix Holden, SKG Radiology, ISC, AE Hoskins and Sons and CUB for your support.

MARKETING COMMUNICATION WITH MEMBERS, SPONSORS AND SUPPORTERS

Zac Acott is responsible for driving new business opportunities and increasing sponsorship and marketing revenue as well as developing and maintaining positive relationships with our stakeholders. Strategies in the business development area target growth in the number of people we have contact with, to thereby increase the number of people we can convert to members and new and potential leads for sponsors, to get to attend games, events and functions and of course promote the benefits of our sponsors.

Delivery of our communication with members and supporters, the website, Lions eNews, Facebook, Instagram & Twitter that provide up to date information and stories about the people within the Club remains a high priority.

LIONS IN THE COMMUNITY

ENGAGEMENT & SOCIAL INCLUSION PROGRAMS

The Club is a community focused organisation and we will continue to support events and programs in our district which include;

- Orange Sky using our facilities to support homeless people.
- Prostate Cancer Club PROST – the seventh year this fitness program has been run for those men battling prostate cancer and recovering from operations
- Leederville Connect, a business and residents association that works to create Leederville as an amazing and vibrant urban village.
- Basil's Community Raffle – provides over \$25,000 to participating junior football women's football and netball Clubs.
- District schools & Clubs – SFC provides quiz night prizes to many district schools & junior Clubs.
- Country coaching and development – the Colts played a game in Kalgoorlie and both Kristian and Chayce have taken regular coach and players visits into our country areas to develop young players.
- The Golds and the PP&S also visit both Kalgoorlie and Esperance in their grand final days.

We must improve to be more relevant to our community and so this is a major focus area for the Club and under new Director Kristi Annear. Our community engagement will be integrated into our strategic plan and bring together the various arms of football to deliver a number of well co-ordinated community programs and outcomes.

ACKNOWLEDGEMENTS

Mark Lawrence and his board have all been really supportive of both myself and all the other staff at the Club. Mark runs a large business with many demands on his time and we all appreciate that Mark makes the necessary time available to contribute and assist everyone.

To the rest of the board, thanks for your time commitment to the Club and ability to positively influence our future. Thanks to you all for the assistance you provide not only to me but for the work you do with all of the staff.

To our various Coterie Groups, your work and dedication to the Club is noticed and appreciated and we hope it continues for many years to come.

- The Golds led by Ross Lockhart
- The Ladies Forum, Dee and team
- The TRG volunteers, great job gents.
- Past Players and Supporters led by Gary Underhill.

PATRON, BALL LEGEND, NO 1 TICKET HOLDER AND AMBASSADOR

Thanks to Kevin Merifield, Brad Smith, Justin Langer and Kim Hughes for their passionate support of the Club. We remain very fortunate that all these champions continue to give us their time and it is a huge bonus for the Club.

Finally, I extend my appreciation to all members and supporters of the Subiaco Football Club and I wish you all a very merry Christmas as we look forward to 2020.

FINANCE REPORT & PLAYER SPONSORS

Nathan O'Connor

As expected, the 2019 year was a challenging one from an economic perspective as the Club seeks to transition to a sustainable financial model following cessation of our commercial operations at Subiaco Oval. However, I am pleased to report that while the Club is yet to return to profitable operations, the revenue generating and cost cutting measures introduced by the board and senior management have resulted in a significant improvement in the financial outcome for the year relative to 2018.

Notwithstanding the progress made in the current year, the board remains acutely aware of the work still to be done and is actively pursuing opportunities to further 'close the gap', including:

- Ground naming rights and further growth in sponsorship (very pleasing to recently appoint North Perth Community Bank as a community partner)
- Potential funding associated with community programs
- Subi Forever Investment fund
- Assessment of revenue generating opportunities associated with the Leederville Oval Master Plan; and
- Expansion of the club's AFL corporate entertainment offerings

On a personal note I would like to thank my fellow finance committee members, Peter Capes, Debbie King and Basil Fuller for their efforts and support throughout the year.

I wish all members a Merry Christmas and Happy New Year.

BUSINESS DEVELOPMENT REPORT

Zac Acott

What a season for Subiaco in 2019 going back-to-back! Although short, It has been an honour to be part of this Club, and am looking forward to the years to come.

2019 saw the Club continue to grow off the field in our second year of transition and change in Business Development as the Club strives to succeed in a vastly changed economic environment for the Club. This transition will continue in 2020 as we look to welcome new partners and further implement innovative ideas to help propel the Club forward off field.

CORPORATE PARTNERS

It has been an exciting 12 months for our new and existing partners, with each partner a crucial part of our 96-point win in the 2019 WAFL Grand Final.

To all these businesses who have joined Subiaco in 2019 and those who renewed their partnership this year, we thank you for your support and hope that it is the start of a long-term partnership.

In 2019, we welcomed Holman Industries as Subiaco's new principal partner, we would like to thank Wally Edwards for his support, and look forward to many more years with Holman's name emblazoned across our jumpers.

To our Major Naming Rights Partners, we thank Michael and Carol Hoskins from AE Hoskins Building Services who have been proud supporters of the Subiaco Talent Pathway.

To our Premier Partners; Phoenix Holden, SKG Radiology, CHEP, Confido Security, and St George, thanks for your ongoing support.

To all other partners from 2019, we thank you for assisting this great Club.

Without our Partners, the Club would not be where it is today.

COMMUNICATIONS

Our communications and social media reach has continued to grow as we look to return maximum value from the Club. With social media being a key form with which to reach our membership and fan base, we will ensure that our fans have every opportunity to show their support for our Club.

New website and social media content was trialed towards the back-end of the 2019 season. After receiving positive feedback and an increase in interactions/engagements, we will continue to push and grow our digital presence throughout 2020.

APPRECIATION

Thanks goes to Peter Capes, Scott Wright and the remainder of the Board of Directors of the Subiaco Football Club for their continued support, guidance and knowledge towards Business Development. To the newly re-formed Business Development Committee of Carl Meyers and Dee Kitson, I thank you in advance for your time, ideas, effort and energy in helping to grow the Club and look forward to seeing what we can do over the next year.

To fellow staff members thank you for your support towards Business Development and helping to create a work environment. Special acknowledgment to Teigan Freeman for your willingness to support so many different areas of the Club and your hard work.

To Sam Canes, Dana Alhuendi and Dakota Whitcombe thank you for your assistance in 2019. These individuals have been crucial to the Club's success in communications and ensuring match days were run smoothly this year. Thanks for volunteering your time and services over some time this year.

LOOKING AHEAD

As we look towards the future of the Club, there is growing pressure to generate income in an increasingly competitive market. This is a challenge which we will meet with enthusiasm as we continue to keep Subiaco's name at the forefront of the Western Australian sporting landscape.

Our focus is to generate activity around the facilities we have at our disposal to help improve our financial position. This activity centers around our function facility and attracting local businesses and sporting Clubs to use the room for business and community meetings, conferences and functions. We are also looking to create activities over the summer months when the facilities are free from the commitments, we have over the football season.

In closing, we would like to acknowledge the role Bret Hutchinson performed while on the Board at Subiaco. While still maintaining a presence around Board activities, the Club wholeheartedly respects Bret's decision to leave in what must be a very confronting time for him and his family.

FOOTBALL OPERATIONS REPORT

Michael Farmer

Back to Back! Subiaco clinched WAFL Premiership number 15 in 2019 in another successful year. With so much change this year with key personnel, one constant remained the same for the Lion's and that was their unwavering approach to success.

Jarrad Schofield departed the Senior Coaching role after six years and three premierships while Football Manager Daniel Vidovich also said goodbye to the Club after bringing them three premierships in 2018 in what was the Club's most successful campaign. Beau Wardman, who took the Subiaco Colts to their first premiership in 29 years, was given the task of coaching the Senior side and Kyal Horsley stepped down from the captaincy with Leigh Kitchin taking over the role. While last years undefeated season can never be topped, the League lost one game in the regular season to South Fremantle in Round 6 before winning 12 straight games and bringing home the premiership cup to Leederville.

Seven players made their debut for the league side, which included two players from the 2018 Colts premierships side, eight players represented the WAFL in the State game with Kyal Horsley named captain and Josh Deluca winning the Simpson Medal for Best on Ground in their loss to South Australia. Subiaco also had three players in the 18's State squad, three in the State 16's which included Blake Morris winning the MVP for the Carnival. Lachlan Delahunty was awarded the 2019 Sandover Medal, Ben Sokol won the Bernie Naylor Medal, Beau Wardman won WAFL Coach of the Year and Subiaco were winners of the Rodriguez Shield for the third year in a row.

Kyal Horsley won back-to-back Outridge Medals and the fourth of his career and finished runner up again in the Sandover Medal. Lachlan Delahunty was runner up in the Outridge and Jordan Lockyer finished third. Liam Hickmott won the Blakemore Medal for the Fairest and Best in the reserves and added that to his collection of Taylor and Jack Clarke medals.

The Club farewelled Subiaco Legend, Chris Phelan who departed for Victoria after 168 games and two Outridge Medals. Zac Clarke was rewarded for his outstanding year in 2018 by being drafted to Essendon and Luke Foley was drafted out of the Colts to West Coast. Recruiting in 2019 wasn't as active as in previous years but the addition of former Sydney Swans player Harry Marsh provided a boost across an already strong defensive unit. Simon Moore returned back to the Club also after a two year break.

The transition program continues to yield success with 12 players representing the Club this year that were a part of the Colts program in 2018. The ability for these players to seamlessly transition into our senior program is due to the number of Colts aged players that train and are exposed to the standards of our senior squad throughout the season.

COACHING

With a major change in the Senior Coaching role, the key was to retain the quality of our coaches in 2019. Steve Wasley departed the Club as the midfield coach and was replaced by 2014 Simpson Medallist and Subiaco favourite Jason Bristow. Paul Vines returned to assist the midfield and the developing coaches, while Ryan Redfern and Nigel Hamilton rounded out the League Coaching unit.

Matt Cavedon continued on as Reserves coach in his second year and was again ably supported by Robbie Forrest, Martine Pearman and Matt Scully. A big thank you to all of our coaches for your hard work, dedication and commitment to our program. Your involvement, knowledge and experience ensures our players get the best development in the WAFL system.

A special thank you to Kellie Properjohn who was the recipient of our 2019 Presidents award for her ongoing involvement with our emerging leaders program with Kyal Horsley. You give so much time to the Club, our players and coaches and we are extremely appreciative of that.

To Beau, your first year delivered a premiership to the Club and it is a just reward for the hard work, long hours and care you put into the role. You have seamlessly slotted into the senior role after working with our Colts for the past two years and delivered a quality program that will no doubt be successful for years to come. Thank you for your commitment, dedication and passion for ensuring the culture and the professionalism at Subiaco continues.

STRENGTH AND CONDITIONING

Matthew Olds replaced Dan Hiscock as our head Strength and Conditioning coach in 2018. Matthew, like Beau, progressed into the role through his work with the Talent program and provided the players with a program that continues to lead the WAFL competition.

The Club is appreciative of the time and commitment Matt puts into the Club along with his assistants in Joel Maylor, James Hughes and Perry Lau.

MATCH DAY STAFF

The Subiaco Football Club is blessed to have such wonderful volunteers involved and they will continue to be the heart and soul of any sporting organisation. The Club will always be indebted to them and the amazing work they continue to do around the Club.

Firstly, our property men in Mick Bailey and Alby Hawkins, thank you for everything you do for the players, coaches and the Football Manager. You are the first people the players see when they walk in to the rooms and the last they see as they exit. You both are the heart and soul of this football Club and we thank you very much.

Ron Tester and Steve Lind returned to manage our League and Reserves side respectively and you both continue to do an amazing job on match days throughout the season. Our Bench coaches in Scott Flood and Chad Redfern, thank you for your efforts this year in controlling our rotations and player movements on game day.

Scott Hancock returned to the Club as our League Runner throughout the season while Brent Irving provided support to Matt Cavedon as the Reserves messenger. A big thank you to Austin Hamilton and Dakota Whitcombe for their efforts on the scoreboard and ground announcing and being there for every home game. Thank you also to Fritz Vanirsen and Jason Whelan for their work as timekeepers.

To James Hughes, thank you for your efforts this year as our vision analyst. Your hard work in coding our games and providing our coaches and players such valuable teaching tools through vision was greatly appreciated. Lastly, thank you to Jeff Hoskins for heading up the stats team this year with your team of Fraser Pearce, Jevan Collins and Dan Bell. You all did an amazing job all season.

MEDICAL TEAM

The Subiaco Medical Staff continue to benchmark the WAFL in 2019. They are committed, professional and outstanding in their diagnosis and treatment provided to our players. Thank you to Craig King for his work as our physio this year. Craig will go above and beyond to care and treat our players in such a professional manner. A special thank you to Kyan Jones who assisted Craig this year and did a wonderful job in his first season.

Thank you to Dr Kent Morrison for his work on game days as our Club Doctor but also for his involvement in seeing players outside of the Club. The Club would also like to acknowledge Dr Jeremy Strahan for filling in when Kent was unavailable.

Tanya Ferguson has been the Subiaco head trainer since 2008 and continues to do amazing work with her group of trainers. Thank you Tanya for your organisation and continued commitment to the Club. Our players are forever indebted to our medical staff for being able to treat, rehab and manage the players so they can continue to play football.

A special thank you to Lee Parker and the SKG team for their continued sponsorship of our Club and our players. The continued support to help our players with scans when required, sometimes at the drop of a hat, is very much appreciated.

PLAYERS

Subiaco Football Club continue to lead the competition in the WAFL for a reason. We have brilliant coaches and amazing volunteers and medical staff, but the commitment and buy in of our players to be the best and continue to succeed that sets us apart from the other Clubs. To witness first hand how you approach training in pre-season through to WAFL season matches is something you should all be proud of. It is your ruthless aggression and hunger to be the best that continues to dominate the competition.

The reserves squad should be proud of what you achieved this year and although it was disappointing to miss the opportunity to win three premierships in a row, the way you approached the season should be congratulated. To play 38 players through our league side and 68 altogether indicates the level of depth in our squad and the ability to transition into League when ready.

Our League side, led by Leigh Kitchin and his leadership group, continue to set the standards of professionalism and strong culture at this football Club.

The Team's success on Grand Final day was major highlight of the year but throughout the year were some outstanding individual feats. Lachlan Delahunty became the first Subiaco player to win the Sandover since Matthew Priddis in 2006, Kyle

Stainsby became the first player to win a Colts premiership and a League premiership in successive years, Kyal Horsley celebrated his 200th WAFL game in round 20 vs East Perth and Ben Sokol won the Bernie Naylor and Simpson Medal for best on ground in the 2019 WAFL Grand Final.

Subiaco also celebrated some milestones this year. Congratulations to Greg Clark, Angus Litherland, Rowen Powell and Max Walters on reaching 50 games. Lachlan Delahunty, Aaron Heal, Leigh Kitchin and Rhys Waters celebrated 100 games while Clancy Wheeler earned life membership with his 150th game and of course Kyal's 200th.

STAFF

To the Board of Directors, Beau and your Coaches, Match Day Staff, Football Operations Committee and the dedicated SFC staff, thank you for your support this year, it is greatly appreciated.

To Kristian Diction, Chayce Creedy and Stuart Page, thank you for your hard work in the Talent program this year. Your countless hours of hard work, travel and dedication to the Club and the program is greatly appreciated and in your first years in the roles you have been outstanding.

To Teigan Freeman, Zac Acott, Debbie King and Mack Sheppard, thank you for all your hard work and support of the football program. It is a pleasure to work with you.

Thank you to Peter Capes for your ongoing support of the Football program. Your assistance and guidance has meant the program can continue to be the best in the WAFL and ensure Subiaco continues to be great.

The Club would also like to thank its amazing supporters and members for their passion for the Club and ongoing support.

Back to back premierships, 6 grand final appearances in a row and success means that we will continue to be hunted and brought back down to the pack. The Subiaco Football Club and its players will ensure that Subiaco remains the dominant force of the WAFL for years to come.

TALENT DEVELOPMENT & COUNTRY ZONE REPORT

Russell Smith

It is with great pleasure that I present the 2019 Talent Development and Country Zone report to the Members of the Subiaco Football Club.

To start, I would like to congratulate Senior Coach Beau and the league team on their success this year. As the colt's coach for the prior two seasons, Beau instilled a culture of high performance into the playing and coaching group that has carried forward into this past season.

With that transition, we saw a new group of talent staff take the reins. 2019 saw Chayce Creedy lead the Colts Coaching Program following his role as assistant coach in 2018. Supporting Chayce was a new look coaching panel that included Jason Hoskins, Nick Visser, John Mansbridge and Brett Davis.

The beginning of the season saw us off to a slow start with on-field performances that were well below our expected standard. But, as all quality groups do, we dug deep and bounced back to have a very impressive performance at the back end of the year. This was extremely pleasing and we look forward to taking this into the 2020 season.

Special thanks to Craig Francis, Gemma Laycock, Andrew Dawe, Gary Addison, James Parnell, Matt Stenhouse, Cam Fry, James Mckee, Kristelle Graus and Maddie Oudman for the roles you played this year and your commitment to the Club. Without you, the season would not have been possible.

Congratulations to Tristan Hobley, Mitch Georgiades and Nicholas Martin who were all part of the WA state 18s team that won the national carnival.

TALENT SQUADS

This year was the first year rolling out the new look 'Futures' Program that saw our 16's players take part in an extended training regime and season. Thank you to Stuart Page who did an amazing job in his first year as senior coach. The structure and professionalism Stuart brought to the program was second to none.

Supporting Stuart was David Emes, Tom Lowndes, Josh Leunig, Scott Howie and Bill Quartermaine. Thanks to the great work of this coaching group, we are confident the next generation of players will be well equipped to transition into Colts football and beyond.

Our Talent Squads continue to focus on skill development and with the change in format back to the 14's and 15's age groups, the Club is excited with the level of Talent coming through. Stuart page and David Emes took on the 14's and 15's head coaching roles respectively and made a major difference to the development and growth in our young players. With assistance from our development coaches from community Clubs within our district who committed to the direction of the program have been wonderful in ensuring our players developed over the course of the 10-week program.

The Subiaco Football Club would like to thank the following for their ongoing support of our 2019 season:

- AE Hoskins Building Services as Major Naming Right Partner Talent
- Topolinis Café as game day sponsor
- Vision Finance as game day sponsor
- Rod Jenkins for 20 years of service to the Club
- Sarah Harris incredible service as trainer
- The SFC Ladies Forum game day sponsor and Scholarship Fund

COUNTRY ZONE

Our Regional Academies through Esperance and Kalgoorlie are a major focus in order to identify local talent in the regions but centralise the development and learning opportunities for young talented players in the region. Special mention must be made to Carl Newman, Brayden Barker Stuart Tholstrup, Terri Tholstrup and the EDFA. From the Goldfields Brendan Simpson, Kylie Hahn, Michael Worthington, Rhett Foster and the GFL for their commitment and dedication to their local talent. Through our Colts, 16's, Lion's Pride and Talent programs, many country players were exposed to opportunities of playing football in our programs in 2019.

Subiaco will continue to work and develop local talent through these Academies and continue to build relationships with the local stakeholders, leagues and Clubs. Thank you to Murray Sheer and Glen Wilson for their support again in 2019 and the wonderful administration support from Annie Boast and Kylie Hahn from the EDFA and GFL respectively.

Finally, I would also like to thank CEO Peter Capes, President Mark Lawrence and the wider board for their ongoing support they have shown of the talent programs. The commitment and guidance they have shown is truly appreciated. We are all looking forward to next year!

MEMBER SERVICES & FACILITIES REPORT

Basil Fuller

To all associated with our club it continues to be my pleasure to provide this report covering the activities of this portfolio across 2019.

FACILITIES

Our attention within this heading is mainly directed to the ongoing maintenance of our Leederville facilities. In this direction, I record club appreciation to our T.R.G (Tuesday Response Group) who undertake weekly repairs, painting, cleaning and

other general assistance required to keep our premises in the condition members expect. Their involvement certainly benefits the club financially.

One of the projects undertaken during the year was to install new seating acquired from Subiaco Oval throughout the venue, we thank Michael Hoskins (AE Hoskins & Sons) for their assistance in the installation of the seats.

FUNCTIONS & CATERING

Our main finals activities commenced with our 2nd Semi Final luncheon at Leederville followed by the Grand Final function at Optus Stadium. Both were well organised with excellent patronage. MC Lachy Reid professionally guided Grand Final proceedings introducing President Mark Lawrence to welcome guests and coach Beau Wardman with last minute thoughts on the game. An excellent luncheon complimented by top auditorium served seating for the game.

The Outridge Medal presentation dinner catered for over 150 players, officials, coaches, support staff and members in attendance who enjoyed excellent organisation and catering a most enjoyable evening. Congratulations to Outridge Medal winner Kyal Horsley, Reserves Blakemore Medal winner to Liam Hickmott and Colts Taylor Medal recipient Ben Golding.

Our social facility 'Leederville Sports Bar & Functions Centre' operated successfully to maintain member's expectations, with the upgrading of the Alfresco area in a planning phase for next year. It was however disappointing this facility was underutilised as an outside venue for functions causing financial budget downfall. This situation rates highly on our agenda for additional future marketing. Therefore, members are encouraged to assist in recommending our facility for any function style – personal celebrations/work related activities/associated club events/conferences, meetings or windups. Any information or enquiries can be directed to our new function coordinator McKenzie Sheppard at functions@subiacofc.com.au.

We again thank club caterers Topolinis (Phil & Jodie Jardine) for providing a carried match day selection for members and the professional presentation of our special event.

We must also acknowledge our other member's services – Leigh Kitchin's Handsome Stranger coffee van – a popular match day facility dispensing all styles of fine coffee – thanks Leigh and his staff.

CLUB MAJOR RAFFLE

This annual event again reflected a positive return due to the efforts of our project partners, club members and our junior and womens football clubs. The result in excess of \$60,000 allowed a funds distribution to our club's partners to financially support their operations and underpinning our Junior Development programmes including our aligned football academies.

Members are especially requested to continue their support with next year's project as this Major Raffle represents the only direct fundraising event to members.

Acknowledgement and thanks are recorded to our raffle donors – Engel Australia, West Coast Eagles, Fremantle Dockers, Electrolux, Driftwood Wines, Holman Industries, Rotorvation Helicopters, Topolinis Caffè and Wembley IGA/Leederville Good Grocers.

MEMBERSHIP, MERCHANDISE & COMMUNICATIONS

With last year's member survey indicating overall satisfaction with most areas of club operations and taken into account a record-breaking footballs season we anticipated improved numbers mainly in our general categories to be achieved. Unfortunately, only marginal increases resulted and relates to a matter of concern to be addressed by this committee. In late 2019, we will launch our membership campaign for the 2020 season, encouraging our fans, followers and former members to join or renew as 2020 members. To bolster this campaign current members are invited to partner us in this recruiting drive by referring details of any known interested persons to Teigan Freeman (Club Membership Officer) for a follow up detailed application package. "MEMBERS MAKE THIS A CHALLENGE to offset unfair restrictions placed on our operations for next season".

Our large range of Club Merchandise is stocked at our Leederville Oval team store with personal or online purchasing available. New lines incorporating this year's premiership items are in stock with 'Members Specials' regularly featured on game days.

Our communication service to members include our in season weekly 'Lions News'. Updates and features are also posted on the club's public forum via our website, Facebook, Instagram and Twitter. Our popular video segments will remain featuring an insight to club personalities.

The Members Services Committee has been active throughout the year with excellent input to the direction the club takes with event planning, club upkeep, member benefits and communication. To our committee members – Peter Capes, Debbie King, Teigan Freeman, Zac Acott and McKenzie Sheppard, my thanks are recorded for the positive contributions to support this portfolio.

We now look forward to successful planning for our 2020 challenges.

GOLDS REPORT

Ross Lockhart

Subiaco Golds had a year of many gains with new members coming on board. My thanks go to my committee for their assistance during 2019.

We had a varied array of speakers during the year including Club President Mark Lawrence, Coach Beau Wardman, Football Manager Michael Farmer. Subiaco's Corporate Manager Cameron Palmer also came to our mid year meeting to inform us about interesting areas of the Club before he departed the Club for greener pastures.

Once again we enjoyed the company of the Ladies Forum at our meetings. We enjoyed a variety of meals at our monthly meeting. A good arrangement for both groups and looks forward to continuing this arrangement next year.

Ron Tester did a great job in organizing the invitation to players to come along to our monthly meetings. He concentrated in endeavouring to getting along new players so they could get an understanding of what Golds do around the club. We were also enjoyed the company of players who won our monthly awards, Joshua Deluca, Kyal Horsley, Lachlan Delahunty (2). The Golds Player of the Year was Lachlan Delahunty and Kyal Horsley was runner-up. This year Golds again donated \$2000 for the purchase GPS Trackers to assist the Coaching Group with statistics.

In September, I travelled to Kalgoolie for the GFL's grand finals, League between Kalgoolie City and Boulder City with the result going to Kalgoolie City 17-6 to Boulder City 10-7. We presented the Subiaco Golds Medal for the Best Player in the League Grand Final, selected by us to Dylan Clarke of Kalgoolie City. Our thanks go to Goldfields Football League for the way they looked after us again.

My thanks go to President Mark Lawrence, CEO Peter Capes, Football Manager Michael Farmer who was of great help on our meeting evenings. A special mention to our Office Staff especially Teigan Freeman for her assistance with our monthly notices. Special thanks to Debbie King for her help at each of our monthly meetings and also our BBQ Specialist Mike Bailey. Special thanks go to the TRG for their assistance in setting up on the day of our meetings.

Lotto Super numbers is our major fund raiser and to all who supported this, our grateful thanks. Thanks also to all those members who donated raffle prizes for our Dinner Meetings.

Subiaco Golds congratulate Beau Wardman, this years League Coach, his associated coaches and the players for a tremendous result as premiers for 2019 and wish them further success in 2020.

To all at Subiaco Football Club, the committee and members of Golds I extend my thanks for their support and wish everyone a Merry Christmas and a successful New Year.

PPO&S REPORT

Garry Underhill

Glory, Glory Subiaco. We can proudly sing it long and strong despite everyone trying to bring us down.

Another fantastic season culminating in a huge 96-point Grand Final victory and our 15th League Premiership. Huge congratulations and thanks to first year coach Beau Wardman and his coaching staff. We can't forget the invaluable help from the Support Staff. Well done to all. We are very lucky to be part of such a well-run and professional club.

Special thanks to Clancy Wheeler as he hangs up his boots. Another Subiaco legend I'm sure. Thanks Clancy and we hope you join the Past Players now. Well done mate from us all.

As we look to 2020 and all the challenges, we will face I must say a huge thank you to all my committee, especially Celeste Lane and Terry Cochrane. Without you guys our Half Time functions would not be the standout success they are.

Our AGM will be in early February -you will be notified and if you know a Club member, especially parents of the Reserves or Colts players bring them to the AGM, and we can sign them up.

Good to see our members joining Golds and I will push for more Golds members to join us next year. Thanks to everyone for supporting our half time function and raffle and despite having to adjust to a new format and venue we will continue to provide Fellowship and Afternoon tea to our members and the members of the other clubs Past Players.

For those that aren't aware our Association is part of the Combined Past Players Association of all WAFL clubs. We support State Schoolboys and Schoolgirls in two age groups as well as supporting the WAFL Colts and WA Country Week Championships.

Celeste and Terry represented us at the Esperance Grand Finals and presented the Best Player Awards on our behalf.

My aims for 2020 are to build on our successes and try and gain more members and to try and take some of the load off the hard-working Celeste Lane.

Thank you all for your support and a special thanks to the great Subiaco Club, both on and off the field. Looking forward to another great season next year.

Have a safe and Blessed Christmas

LADIES' FORUM REPORT

Dee Kitson

Congratulations to the League team on winning back to back premierships. Further congratulations to Kyal Horsley (Outridge Medallist), Liam Hickmott (Blakemore Medallist) and Ben Golding (Taylor Medallist). Congratulations also to Lachlan Delahunty on winning the Sandover Medal and Ben Sokol on winning the Bernie Naylor Medal and Simpson Medal. A special shout out to the Subiaco Women's Team who finished on top of the table and missed

playing for the premiership this year.

The Ladies Forum provides support to the Colts football players to achieve their football aspirations by fundraising for the player's Scholarship and Welfare Fund, promoting friendship and involvement among the ladies at the Subiaco Football Club, provision of Colts player award and financial recognition of league milestone players.

This year the Ladies Forum trialed an amalgamation with The Gold's. All members enjoyed the experience and hope the amalgamation will continue into 2020 and beyond with further joint ventures and further amalgamation with ways in which we support the club together.

The Ladies Forum raised most of their funds this year by hosting a sausage sizzle in April and incorporated our ever-popular cake stall into the event. Special thanks go to Chayce Creedy and the many Colts players for their assistance and support on the day – we could not have done it without you! Several members enjoyed supporting the club's Ladies Day held in July. Our 2019 Scholarship and Welfare Fund was awarded to Jacob Peletier. Lastly, it gave us great pleasure to present Sandon Page with the Most Consistent Player trophy at the Taylor Award evening.

Whilst we are a small group, we are proud of what we have achieved in 2019. If you are interested in joining us for a meeting and finding out more, they are held on the first Tuesday of the month at 7pm from February to October. Please contact the club for more details. We welcome all new members.

I'd like to extend a special thank you to Jeanne Thomas (Treasurer) who shared the Secretary duties with me this year and for all the support from the Gold's on our shared meeting nights. Thank you to Chayce Creedy, Kristian Diction and Zac Acott for their continued support and kindness throughout the year. Thank you to Mark Lawrence, the board of directors and Peter Capes for your support during the year. Finally, a big congratulations to Beau Wardman in his first year as league coach – you did a great job and to be rewarded with a premiership is a great achievement!

May 2020 be another successful and enjoyable year for all staff, players and supporters.

LIFE MEMBERS' REPORT

Two-time premiership player Blake Broadhurst and long-time head trainer Tanya Ferguson were announced at the 2019 AGM on Wednesday 12 December, as the newest

additions to the exclusive life membership group.

A hard working and accurate goal kicking forward, Broadhurst played 142 games with Subiaco between 2004 and 2012, finishing his career with 319 goals, the seventh most in history of any Subiaco player.

Broadhurst notably played in four straight premierships for Subiaco, as he was part of the league premierships of 2006 and 2008 as well as the reserves premierships of 2005 and 2007

On top of his goal kicking and premiership achievements Broadhurst is one of only two Subiaco players, 2018 Game Ball Legend Brian Taylor being the other one, to win fairest and best awards with the colts, reserves and league.

Broadhurst was the Taylor Medal winner in 2003, Blakemore Medal winner in 2004 before taking out the Outridge Medal in 2010.

That 2010 season began a three season run where Broadhurst was the main focal point of the Subiaco side kicking 161 goals between 2010 and 2012.

He claimed three straight Austin Robertson Jnr club goal kicking crowns, plus in 2011 was the Bernie Naylor Medallist as the leading goal kicker for the entire WAFL competition, with Broadhurst also representing WA in 2008.

This long list of achievements is unsurpassed by any of the recent greats of the Subiaco Football Club, with Broadhurst one of the unheralded greats of Subiaco's golden era.

Ferguson meanwhile joins a select group as female members to earn Subiaco Life Membership.

She has been a mainstay of the Subiaco Football Club training team, with 13 years of head training experience at the club.

Ferguson was head trainer of the colts between 2006 and 2007 before becoming the head trainer of the senior squad in 2008, a role that she has held through to 2018.

Her strong work ethic, ability to build strong relationships with both the playing group and training staff, has meant that Ferguson has been an important and instrumental figure over a decade of success for the club.

Consistently going beyond her role, Ferguson has been a regular feature at Subiaco training sessions and games for the past 15 years, playing a key role in keeping Subiaco players fit and able to play to their best abilities.

The Subiaco Football Club congratulates both Blake and Tanya on this very deserving honour.

EQUALISATION AND THE WAFC ATTACK ON SUBIACO FOOTBALL CLUB

In an historic ruling that was in direct response to our back to back premierships, the WA Football Commission announced “equalization measures will now be implemented with the clear intent of closing the gap” and “this includes some rules specific to Subiaco Football Club in response to their dominance over the last decade.”

This decision is without precedent and Mark Lawrence said it was an “unbelievable, disrespectful and unforgivable” response to our great premiership success. The WAFC leadership “drove the social media commentary that has been so damaging to this club and our people and of course deeply damaging to the reputation of the WAFL competition”

Given the nature of the WAFC decision to impose restrictions on the best team in the WAFL for no other reason than we are dominating the WAFL, its important this is documented in our history as part of this annual report. This following was posted on our website on 16th October 2019.

SFC RESPONSE TO THE WAFC WAFL COMPETITIVE BALANCE RECOMMENDATIONS FOR 2020.

Firstly, to penalise the premiership winning team for being “dominant” in a competition where only six years ago we finished 8th! And we have met all the rules that includes points limits and salary caps and we spend a similar amount in our football department as most of our opposition is simply a very poor reflection on the WAFL and its other teams.

We are told the industry stakeholders demanded something be done and that included nearly all the other WAFL Clubs. Extremely disappointing!

In initial discussions with the WAFC about equalizing and penalizing SFC, we suggested they look at the rest of the competition and had they requested reasons why South Fremantle, Claremont and West Perth (these finals teams in particular) did not use their available points to be more competitive? They could each have recruited at least 3 x 10 point players each and that would have made a difference and that each need to be accountable for those decisions.

Was it to do with TPP salary cap pressure concerns about overspending stopping them recruiting or alternatively pressure from their Clubs to spend less and save money in this area or simply an inability to attract recruits? Or some other reason? We think this is still an important unanswered issue.

THE SFC Football Operations group have the following club feedback but emphasize that any penalty on the premier club is strongly opposed.

PROPOSAL TO REDUCE CLUBS TO A BASE OF 100 POINTS

- Takes higher value players out of the WAFL competition and will weaken the WAFL.
- Will make AFL /aligned clubs stronger in comparison.
- Competing clubs that agree to a SFC penalty must be held to account about their points use and salary cap spend – maybe that’s the problem!

MORE EMPHASIS ON “LOCAL DISTRICT PLAYERS

- Zones are clearly very unequal and a focus on that cannot be introduced before that is sorted out and bedded in.
- Non-district players are still WA footballers and that needs to be recognized. Players move for all sorts of reasons – opportunity, recognition, not valued, looking for a new start etc.
- Having a list of nearly all WA produced players should be positively recognized as should the voluntary ongoing points reductions and interstate recruitment by clubs.
- WAFL Clubs do not control the talent pathway and have little say in its effectiveness or focus on future WAFL players and will strongly impact the quality of “local district players”.
- WAFL Clubs can only negotiate their district priorities with the WAFC – a strong focus on youth football has not always been shared!

PENALTY ON SFC FOR WINNING 2019 GRAND FINAL

- Pathetic for a competition to be even discussing – reflection on all involved
- 100 points will just cover the current list of players at the end of 2019
- We expect 10 to 15 players to leave the senior program before 2020 and must be replaced. The ability to recruit 1 point players to at least fill these gaps is essential to fill the list and field a reserves team. This is not about the quality of the list.
- Like for Like – this is very important if a Ben Sokol or other quality regular league player does not play next year.
- We clearly think that if the competition minimum points total is 100, we should be able to fill that number of points as necessary.
- Our current list strategy is to develop our players and only fill when players exit the club and a need is obvious - see comments about List Maintenance below.
- What clubs support a penalty on Subiaco – we would request an understanding of which of our peers supported that – open and accountable.

NO RECRUITING AND FUTURE IMPACT

- If this is even considered it will severely impact our club for years to come. Think what happens to clubs who do not or cannot at least maintain somewhere near the quality of their list WHEN everyone else is improving theirs.
- Finalists South Fremantle, Claremont, West Perth have all got points to recruit quality players even if the base 100 points is introduced. Their lists will improve, and so they should be aiming to do that.
- If SFC cannot at least recruit one-point players and like for like then a list disaster is in the making.
- Our local zone very clearly has the lowest number of players of all clubs and this was very clearly emphasized in the 2019 Boundary Review.

LIST MAINTENANCE

- SFC’s recruitment of league quality non- district players in the last two years particularly has been minimal (five players) compared to key losses of regular league players (15) – in fact we know recruitment has been in decline as we chose to develop our own players – a club directive and key reason for the appointment of Beau Wardman.
- Season 2019 – IN (1) Harry Marsh OUT (9) Zac Clarke, Chris Phelan, Josh Deluca, Jack Mayo, Adam Cockie, Brad Stevenson, Ethan Burnett, Daniel Perkins, Chris Bryan (all league players)
- Season 2018- IN (4) Ben Newton, Zac Clarke, Drew Rhode, Kaiden Fullgrabe OUT (6) Wayde Twomey, Liam Ryan, Corey Adamson, Scott Hancock, Declan Jackson, Liam Baker,
- Based on this – other clubs can hardly complain about SFC recruitment!!

COMPETITION INTEGRITY

- The very unfortunate quote from your CEO followed by a poor effort by the WAFC hierarchy to defend the integrity of the competition that encouraged and fostered ill-informed comment to continue and further damage the WAFL.
- The immediate focus on dragging SFC down has been damaging!
- Defending the integrity of the WAFL and ensuring the industry/stakeholders understands the measures that the ruling body has in place to ensure all that is vital to a highly valued competition. Too many WAFC and stakeholders have ill-informed views and that has been allowed to continue in the media / social media.
- The negative damaging comments played out in the media/ social media do little to promote the WAFL – in fact the opposite.

VALE

Subiaco FC is greatly saddened by the passing of Ron Jackman. Ron has had a big influence around the club and until poor health limited him badly; he has been at nearly every game and in the office weekly.

RON 'CHIC' JACKMAN

Ron –'Chic' as he was affectionately referred to, was the sort of person any sporting club love to have. If you wanted something done Chic's name was always the first that came to mind.

His service record spans over 50 years with particular emphasis towards our Golds Coterie Group. The relationships the Club enjoys with the Goldfields is easily attributable to Chic and the Golds for representing the Club at the GFL Grand Finals for the past 40 years.

Kevin COWL (photo below) became a trainer at Subiaco in 1956 and stepped up to the position of head trainer after the death of Tom Cross in 1968. He was elected a Life Member in 1974 and continued to serve as head trainer until 1978. Kevin was awarded Diehard status in the first intake of 100 Subiaco Diehards in 2000.

Our deepest sympathies to Kevin's family and friends.

Head trainer Kevin Cowl is one of the important men-behind-the-scenes who have a vital role in the operation of the Subiaco Football Club. ABOVE: Kevin straps Chris O'Farrell's ankle before a training run this week.

CLANCY WHEELER & KYAL HORSLEY

CLANCY WHEELER

Clancy Wheeler played his 150th game against the Perth Demons at Leederville Oval on Saturday 8 June at 2:10pm. The game will mark a special achievement for the versatile Esperance product known affectionally as Clanger as he will receive Life Membership from the Subiaco Football Club.

Wheeler, a product of the Newtown Condingup Football Club, initially moved to Perth from Esperance to play cricket with Gosnells at the end of 2010 while training once a week in pre-season due to his cricket commitments. After playing the first seven games in the Reserves he would make his League debut for the Lions in round 11 and is fitting that it is against the opponents for this week in Perth. His four goals on debut were not enough to get his side over the line that day but proved to be a great indication of the career that would follow.

Wheeler describes the Life Membership as “an absolute honour to receive from the Subiaco Football Club. It will hold a special place in my heart and something that I will cherish forever”. The three-time Premiership Lion is proud of all three Premiership victories but holds the 2014 Grand Final victory over a strong East Perth as his most cherished. “2014 would be my career highlight. We came into the game as strong underdogs in really wet conditions and prevailed against a quality opponent”.

On an individual level, a game in 2011 sticks out in Wheeler’s mind. It was Round 11 vs South Fremantle in a regional game in Esperance. With the game close in the last quarter, Wheeler calmly kicked a goal to seal victory in front of his home crowd of family and friends. It was there in that moment that the self-proclaimed Mayor of Esperance was born.

Subiaco would like to thank Clancy Wheeler for his services at Subiaco since debuting Round 11 against Perth in 2011. Wheeler has decided to hang up the boots after winning his fourth WAFL Premiership this year.

Throughout Wheeler’s career he has played a total of 154 WAFL league games, averaging 14 disposals, four marks and two tackles while kicking a total of 109 goals in his career.

200 OF THE BEST – KYAL HORSLEY

Subiaco’s Kyal Horsley celebrated his 200th game against East Perth in the last home-and-away game of the 2019 Optus WAFL Premiership Season. Kyal is the 15th Subiaco league player to hit the 200thWAFL game milestone in the Club’s history. Horsley was an outstanding sportsman in his youth in cricket, hockey and football. Horsley made his senior debut for the Kalgoorlie City Football Club when he was 16.

Horsley first debuted for Subiaco in round 16 of the 2007 season against East Fremantle. In his first game for the Club he was able to hit the scoreboard with two goals and finished with 21 disposals.

In 2008, Kyal played 21 league games including the WAFL Grand Final, represented Western Australia against Queensland, and was awarded the Football Budget: Best First Year Player.

The 31-year old who came across from Kalgoorlie City Football Club has had an outstanding career with Subiaco FC, winning three Outridge Medal’s for Subiaco’s fairest & best in 2011,2014,2018. Horsley also finished second in the Sandover Medal for WAFL Fairest and Best in 2011, 2018 and 2019 and third in 2017.

Kyal Horsley was drafted to the Gold Coast Suns #2 (Rookie Draft) in 2012 and was elevated from the Gold Coast Rookie List the same year. Kyal was awarded “Most Professional” and “Iron Man” Award at the Suns best and fairest in his first year at the club where he played 13 games.

In Kyal’s second season he only managed to play one AFL game due to rupturing his ACL which saw him return to Perth at the end of the 2013 season. Kyal then returned to Subiaco in 2014 and named captain, playing 19 league games including the WAFL Grand Final.

Horsley has had an influential impact on the Club across the past 12 years, bringing a new standard of professionalism and team culture; setting the benchmark for future years. In these years, he was able to show both his strong leadership styles and passion for football which lead him being a part of winning five WAFL grand finals.

Congratulations Kyal!

LEAGUE COACH REPORT

Beau Wardman

To take on what some have described as the toughest job in football this year, I am grateful to this great club for the opportunity, for the support of our board, coaches, staff and mostly our players.

2019 has seen great change and transition, building on the lasting legacy was imperative but with change comes growth. Our journey from camps to finals with stops at ladies day, Subi's Got Talent and everything in between. We welcomed in new

players, our transitioning colts and some old familiar faces returned. What stayed the same was our players and coaches drive for continued improvement and an unmatched work ethic in preparation and on field ruthlessness. We grew in our enhancing our bond together, overcoming adversity and looking to bring the spirit of why we play this great game.

"Nothing comes easy, it comes to those who go out and earn it". That was the final message to the players before the Grand Final. What we achieved against South Fremantle was truly special, and presented the club with its 15th Premiership. It was not the result or the margin, but the way our players conducted themselves on the field, I couldn't be more proud of their attack on the contest, the trust and spirit, and the resilience they have shown throughout the season.

What lasts with me and is untouchable outside of our walls is the spirit within this club. Often you don't realize what you have until its gone. Cherish what we have and hold onto it for as long as you can. Damian Martin spoke to us mid-season and said everyone does it differently but a common goal - Rings and Relationships. And, that's what we are built on. I hear the stories shared between the players and the boys in the property room, the smiles on the face and the spirit carried onto the training track defines the emotional connection which drives the success each Saturday afternoon.

We have had some great success stories this year and those individuals should be duly acknowledged.

- Our eight state representatives, Including Hayden Kennedy and Ben Sokol for the first time
- Josh Deluca and Jack Mayo drafted mid-season
- Kyal Horsley (200); Clancy Wheeler (150); Leigh Kitchin, Lachlan Delahunty, Aaron Heal, Rhys Waters (100) on respective significant game milestones, reflecting great commitment to this club over such a long period of time, you provide the aspiration for many in the room.
- Our debutants, Harry Marsh, Jack Beverley, Travis Cleggett, Jack Mayo, Ben Reid, Jakob Atkinson, and Kyle Stainsby
- Bernie Naylor medalist - Ben Sokol, and
- Sandover Medalist - Lachlan Delahunty.

Your achievements are to be commended. Well Done.

The ongoing success of the club is attributed to the valuable contributions of our entire playing squad coaches and support staff behind the scenes each week. Our entire squad play a part in club success, in pushing each other at training, being a challenger in the gym, or playing a role on game day.

What defines us is our unwavering support and commitment to each other. I want to acknowledge our leaders, the heartbeat of our team on and off the field. Our captain in 2019 Leigh Kitchin, who's commitment and growth this season has been unmatched, your support has been terrific for me and the playing group as a whole and we are indebted to you for that. The group of senior leaders have enhanced the drive among the players to achieve better each training session, to engage in team before self and to remain humble in victory.

The steadfast support of the football department from Mark Lawrence and the board, CEO Peter Capes and club staff behind the scenes, our members and sponsors is empowering and gives us the best chance of being successful on-field.

I would also like to acknowledge the support of partners, parents, families and friends of all our staff and players, we wouldn't be here without you. At times football is an incredibly hard and at times selfish hobby and you give up so much to be part of our football journeys. As a club it is my mission to enhance our Subiaco community and continue to foster these relationships in the years to come.

To our senior development side, led so well by Matt Cavedon, you continue to show the Subiaco way throughout the season. We had some 53 players come through the side during the year, the most of any club. It's exciting to see how much talent we have coming through our ranks and the development you have made throughout 2019, I look forward to seeing you running out in the league side in the 2020 season. To our development squad assistants, Matt, Martine, and Robbie, you have done a great job in assisting our players development this year on and off the field and to Brent, coming on board as the team's runner and welfare assistant your contribution has been invaluable and it's this support which makes our club so strong.

Special thanks to Michael Farmer, in the first year in the role, to my senior assistants, Nigel Hamilton, Ryan Redfern, Jason Bristow and Paul Vines your efforts are unparalleled in the competition and why the club has had so much success. You have been great supporters to me and more so to our players, the way you galvanize the boys, challenge them and support them has been reflected in the on-field performance this year.

To Kellie Properjohn, Your support to me, to our coaches, our leaders and players cannot be replaced. You have been a rock, a level head, a strong sounding board and a critical thinker, ensuring we maintain our competitive edge, searching for ways to improve and enhance our culture and unwavering search for improvement. We are so lucky to have you at Subiaco.

To our on-field support team, Scott Flood, James Hughes, Scotty Hancock, Hosko and the stats boys, Ron Tester, and special mention to the boys in the property room Alby, Mick and Rocket. Matt Olds, Craig King and Tanya Ferguson and the respective staff in your teams you have given so much time to the club this year and over many and make such a difference to the players preparation enabling them to do what they do best.

Our players are a remarkable group of young men. The humility you have displayed in victory, and the way your go about your football, combining total dedication and this year a keen sense of fun. The choices you make to improve yourselves as young men and footballers at this club come with great rewards on and off the field. The way you challenge and also embrace one another through the good times and the challenging defines the terrific culture that is the envy of the WAFL competition.

As always there will be players leaving the Subiaco family this year, early on we lost some club greats in Chris Phelan, Brad Stevenson and Adam Cockie, their contributions have been significant in more ways than one. We also farewell a club great, Clancy Wheeler. Clancy is a favorite son among these walls, an infectious smile and laugh, a truly team first player who over 150 games at the club has given his all through adversity and adulation. You will always be Subiaco people and I wish you all the best in your endeavors moving forward.

This is far from the end of the journey for our playing group, what the people outside these walls don't understand is the great loyalty, unity and spirit amongst us. As we reflect on 2019, the individual and team achievements it will be the memories, bonds and fellowship we share on a daily basis which will drive us to be stronger club in 2020 - and if that makes us an outlier, I'm pretty happy with that.

To finish, a little story from one of the all time great winners, Tom Brady of the New England Patriots, when asked which of his six Superbowl rings meant the most to him, his response - "The Next One".

I look forward with 2020 vision to continuing our journey ahead together.

DEVELOPMENT LEAGUE REPORT

Matt Cavedon

Despite not making it to that final day in September. What a successful year 2019 turned out to be. You might ask, how do we define success? Well, from my perspective as the Head of Development it is the growth in our players as footballers and as people.

The most obvious success stories were;

- Michael Braut, Tommy Edwards-Baldwin and Ryan Borchett where able to become League Premiership players after winning the Reserves premiership in 2018;
- Kyle Stainsby getting an opportunity late in the season to also become League Premiership player after transitioning from the Colts premiership side in 2018;
- Ben Reid, Travis Cleggett, Jack Beverley and Jacob Atkinson made their League debut's and all having big impacts at senior level;
- Kaidyn Fullgrabe, Daniel Leach, Tim Sutherland, McKenzie Lawrence, Ryan Vermeersch and Bailey Matera all proved that they are quality League players after consolidating on their limited opportunities in previous year; and
- The transitioning Colts of 2018 all improved consistently as they adapted to the Senior football program.

Our priority as the Development group was to support the League side in their quest to win the 2019 premiership and what an achievement that was!

Outsiders do not understand that a key driving factor behind our clubs 'pursuit of excellence' is the accountability created from the development players consistently pushing to be better and earn their spot at League level. It is a credit to all involved!

Significantly, I need to thank the outstanding Development coaches Matt Scully- Forwards Coach, Martine Pearman – Midfield Coach, Rob Forrest – Backs Coach. Our club is fortunate to be able to have quality high calibre people and the coaching team are among the very best – Thank You! The coaches were privileged to be supported by Kellie Properjohn in Leadership, James Hughes in performance analysis, Matthew Olds and Joel Maylor in Strength and Conditioning, Craig King and Tanya Ferguson and their medical team, Paul Vines and Chad Redfern in game day coaching, and Brent Irving did a great job as game day runner and player welfare support throughout the year.

THE YOUNG GUNS

It is well publicised that the WA Football Commission has put measures against our club as we have been deemed to strong. The unfortunate news for them is that we have an outstanding group of young talent that are consistently improving and refining their craft. I genuinely feel like every player on the list has improved in 2019.

Liam Hickmott continued to get better and better as the season went on and was rewarded for his consistency with the 2019 Blakemore Medal. Hot on his heels was younger brother Will Hickmott who finished runner-up. Koby Fullgrabe finished 3rd in the best and fairest and his improvement was exponential on his 2018 season.

All Subiaco supporters should be excited as there are many players who will be pushing for opportunities at League football, on top of the players mentioned above; Tristan Hobley, Max Dennis, Mach Deng, Nick Martin, Shannon Nelson, Andrew Doyle, Nathan French and Jack Becelli will be among the players driving the standard in the pre-season as they push for opportunities to showcase their talent in the WAFL.

THE THANK YOU'S

First and foremost, I need to thank my beautiful wife Kate for supporting me and the amazing job she does with my 2 x boys Miller and Carter. I would like to extend that thank you to all the partners, girlfriends, relatives and friends who supported the players and staff throughout the year.

To Peter Capes, Mark Lawrence and the club Directors thank you for your ongoing support.

Beau Wardman had the unenviable task of taking over an undefeated team and was able to maintain the high standards and put his own stamp on our organisation. His organisation and professionalism is second to none and it has been my pleasure to work with him.

The League Assistant Coaches Nigel Hamilton, Ryan Redfern, Jason Bristow and Paul Vines thank you for your support, mentoring and collaboration. You certainly received the premiership reward you deserved for the countless hours of work and preparation. We must not forget our Football Manager Michael Farmer, who did a fantastic job with a lot of work required behind the scenes to support the football department.

Our Support Staff are the lifeblood of the club and the best in the business, in fear of missing anyone I won't single out any individuals but you know who you are and the club simply wouldn't be what it is, or successful without you.

Lastly thank you to a great bunch of young men who played Development football in 2019. I saw improvement in each and every one of you. Looking forward to season 2020 already.

COLTS COACH REPORT

Chayce Creedy

Season 2019 was always going to be an interesting one after having won the Colts premiership in 2018. As happens at Colts level most of the premiership team moved on to senior football both at Subiaco and amateur level. Along with those players a big part of the squad that had provided much needed depth and pressure also transitioned away, then add into the mix a new head coach, a new talent manager and a couple of new line coaches as well and we had a job in front of us.

The focus for 2019 that this was now the story for the current players to write and that past deeds although nice didn't mean much for us moving forward. We didn't quite get that right early in the season and the pillars of Subiaco and their successful culture and competitiveness all of the time took a little while to shine through, this wasn't to say they were never there but we struggled as a group to find the consistency needed to be successful.

We started training in November with nearly 100 players trying out for a place in the main squad which was a challenge but eventually we were able to whittle down the numbers to what we thought was going to be the best squad to move us forward. We had a good pre-season based on skill fundamentals and getting the basic right. Our first practice match against East Perth showed that we had a way to go and by round 5 when we were last on the ladder and having suffered some reasonable losses, we still had a way to go. It was after a big loss against Swan Districts and a bye that we were able to take stock and see where we were at. Through the guidance of my coaching mentor Tony Micale we were able to strip back our program and look at the core things we believed in and focus on them and what we wanted to stand for. I would like to thank Tony for his guidance and counsel over the season it certainly is a privilege to be able to have the ear of a seasoned professional such as him.

With a renewed focus and the boys seemingly buying in we faced South Fremantle in Round 6. The first part of the season our best football was good enough, but we just couldn't sustain it long enough and teams took advantage. The game against South Fremantle was our first four-quarter effort and the result followed, and we were able to celebrate our first win which was great achievement for the whole group. From here on we were much more competitive and while it didn't always lead to wins, we certainly felt more in control of our football and what we were trying to achieve. The improvement was there, and the players were working hard. We would end the season with an 8-8 record and miss out on finals by percentage. So, from staring down the barrel at 0-5 to finish where we did gives us hope for the future and that we are on the right path.

We set ourselves a goal to beat a team above us on the ladder with three rounds to go and our first opportunity to do that was in Kalgoorlie where we travelled to showcase our talent pathway in one of our regional zones. We invited five local players to play for the first time for Subiaco and in front of a great crowd and with these new faces in the team we were able to have a great win against Swan Districts. This was our moment of the season and to see each of the local Kalgoorlie players not only play but have a solid impact throughout and

then be backed up and embraced by the rest of the playing squad was a real thrill and very satisfying. We were able to replicate that winning feeling with last gasp wins against West and East Perth in the final two games of the season. So, having beaten three teams who would go on to play finals was a satisfying end to the season but did probe the "what if" question had we made it? But our early season lapses cost us, and it wasn't to be.

Across 2019, 52 players represented Subiaco in the colt's competition of which 35 were new players and 14 debuted having originated from our regional zones, a great achievement. As always, we had players involved in state programs so well done to 16's - Richard Farmer, Jayden Crane, Campbell Henderson, Matthew Johnson and Blake Morris who went on to win the MVP for the carnival. In the State 18's we had - Tristan Hobley, Mitch Georgiades and Nicholas Martin who were all a part of the squad that went on to win the Championship. We were represented in the WAFL Colts team of the year through Ben Golding and Abraham Clinch. It was a particularly good year for Ben Golding who as well as team of the year honours was also runner up in the Jack Clarke Medal, Winning the WAFL Past Players Coaches Award and capped off by winning the Taylor Medal for 2019. A great year and a great achievement by a terrific young man. Well done and congratulations must also go to all our other award winners across season 2019 both weekly and those awarded at the end of the year.

As with any football program there are many hands who work hard to make it happen and I thank them all from the bottom of my heart for the effort and dedication they have to our talent program. So to all listed below I thank you and look forward to working with you in the future.

Assistant coaches - Jason Hoskins, Nick Visser, John Mansbridge and Brett Davis

Support Staff - Craig Francis, Gemma Laycock, Andrew Dawe and Gary Addison

Runners - James Parnell and Matt Stenhouse

Strength and Conditioning - Cam Fry, James Mckee, Kristelle Graus, Maddie Oudman and the many wonderful prac students.

Also, a big thanks to all of our sponsor who allow us to operate in Simply Energy, AE Hoskins, Toppolini's and Vision Financial as well as the Ladies Forum who continue to support this program through their leadership scholarship.

Thanks to the support of the club from Peter Capes and the board as well as Talent Director Russel Smith who keeps us tracking in the right direction and also to the WAFC from Mick Ablett and Adam Jones as well as Tony Micale who are a great support in developing our talent.

Lastly a big thanks to our Talent Manager Kristian Diction. We both took on our roles at similar times and jumped in the deep end to see if we could swim. We didn't get everything right, but we certainly have grown into our roles and we are more dedicated and prepared than ever to take this program forward and provide our up and coming talent with the best opportunity to succeed at this level. We look forward to Season 2020.

SANDOVER MEDAL

Lachlan Delahunty from Subiaco Football Club was named 2019 Sandover Medallist at the vote count at Optus Stadium on Monday September 16, with a total of 28 votes.

Delahunty finished the count one vote ahead of Subiaco teammate Kyal Horsley on 27 votes, and previous Sandover Medal winners Kane Mitchell (24 votes) and Jye Bolton (22 votes), from Claremont.

Delahunty polled votes in 13 games after averaging 27 possessions and 15 hit-outs during the season. A best-on-ground performance in the final round saw him secure the Sandover Medal by a solitary vote.

Sandover Medal voting reverted this year to a 3-2-1 system, with multiple medals to be awarded in the case of a tie. Delahunty's win saw him receive the 109th Sandover Medal.

DISTRICT FOOTBALL REPORT

Season 2019 will be one remembered for many years to come with the Subiaco District achieving many accolades both on and off field. Despite the challenges of working towards a governance reform in community football, the Subiaco District and its many volunteers were able to successfully administer an outstanding season of football, both on and off the field. With over 7000 community club participants and many more engaged through school and community programs, the hard work put in by our clubs, volunteers, WAFL club and District in a collaborative effort, overcame the challenges faced to ensure the Subiaco District remained leaders in football administration and development across the state.

2019 HIGHLIGHTS INCLUDE:

- Sorrento Duncraig JFC President John Sobolewski named WA Optus Volunteer of the Year.
- Carine JFC winning the Most Improved Club award at the WA Industry awards; also receiving a special mention in the Marketing award category.
- 100% of district coaches accredited in 2019
- Delivery of the new Auskick model across 100% of junior clubs
- Record number of participants at the NAB AFL Auskick Gala Day hosted by Sorrento Duncraig JFC.
- A Completed Female Football pathway, starting with strong growth in Auskick, along with exponential growth in the Junior and Youth age competitions with strong representation across Subiaco District clubs. The Subiaco FC Women's Rogers Cup side played finals football for the first time and the league side were crowned minor premiers finishing top in the Inaugural season of WAFLW.
- Successful delivery of the Female Development Squad Program with strong representation from Subiaco District players, who were also selected for the State Academy Program.
- Quality Aboriginal football programs with record participation in the Kirby Bentley Cup and Nicky Winmar Cup led by Lisa Cockie and Des Headland. District Dreaming round was showcased at Balga JFC successfully whilst the District rolled out the Northern Nightfields Program for the first-time supporting engagement in football for the local Balga & Nollamara communities.
- Partnerships with Edmund Rice Centre and the West Coast Eagles continued in 2019 with the District supporting the Harmony Cup event. 2 teams also participated in the WCE Naitanui Cup supporting multicultural football within the District.
- Subiaco District clubs once again took part in the Sock it to Sarcoma round together with Claremont and West Perth Clubs collectively raising more than \$11,000.00 dollars for Sarcoma research.
- Participation in School football programs and competitions once again saw strong growth. The District now also housing 3 schools with WAFC endorsed Football Programs. 80% of schools with a registered AFL School Ambassador which saw Balcatta SHS Health and Physical Education Teacher Kirsty Johnson named a finalist in the AFLSA of the year competition.

Continued recognition of clubs and key volunteers is imperative given the outstanding work they all do within the Subiaco District. Across Junior, Senior and Veterans, the quality and commitment of these volunteers is the sustaining life blood of these competitions. A very big thankyou to them all!

"Volunteers do not necessarily have the time; they just have the heart."

"You make a living by what you get. You make a life by what you give."

We have been blessed in the Subiaco District to have the outstanding level of professionalism shown by all of our Clubs Presidents and their respective committees. Their tireless work and desire to embrace the Lions District culture and all it stands for is one of the reasons we can provide the outstanding competition we have for our players today and working to develop quality clubs within the community. Thank you to all of our Presidents and particularly to those that have reached the end of their presidential journey, we wish you all the best.

Without Umpires we would not have a game and they do a fantastic job in what can be a very challenging environment. In the Subiaco District we have been very fortunate to have the quality of Umpires we do and this is a credit to the Umpire Management group that is in place. Kudos to Alex Pannell, Isaac Bavecovic and Chris Spencer for leading this group and ensuring the very highest standards are demanded of our Umpires. This is directly reflected in the quality of the groups output. Because of this, I believe we have the best group of Umpires in WA. Thank you to all of you.

The Subiaco Junior Football League's Competition Committee is lucky to have some amazing volunteers, both new and long term. Who contributed above and beyond to help grow our great game. They are directly responsible for creating a wonderfully safe environment for your children. Thank you to Rosemary Goodin, Ray Buscall, Ian Brotherton, Danni Dix, Belinda Greenhalgh, Peter Quinlan, Alex Pannell and our Development Officer Matt Debarro. These people put in countless hours during the week and again on the weekend and we are very grateful for their work.

Thank you also to all members of the outgoing District Football Development Council (DFDC). Your commitment and passion over the journey has been amazing. As we reach the end of the DFDC and embark on the new RDC journey, we appreciate your contribution and wish you all the best in your future exploits.

Volunteers play an enormous part in the running of our game, however, without the contribution of our WAFC team members, the game would without doubt, be poorer for it. In particular we acknowledge Matt Neves, Matt Debarro, Wes Moran, Kathy Monck, Michael O'Brien, Kris Shannon, Chad Barns, Jesse Tippett and Andrew Ridley. The amount of extra work they do behind the scenes it is enormous. Their support has been wonderful and greatly appreciated. The unsung heroes of football administration, we thank you for your contribution. Football is more than employment, it takes a real passion to do what you do both during and after business hours for local footballers, volunteers and

stakeholders and we are incredibly fortunate to have such a selfless and hardworking crew.

Congratulations also to all the award winners and premierships here this season and in particular our club of the year winners. Quinns District Amateur Football Club (in the West Perth District) were crowned Senior Club of the Year and congratulations also to the Sorrento Duncraig JFC who took away the Junior Club of the Year for the second year running, a fantastic achievement. Acknowledgement is extended to the outstanding work Kingsley Junior Football Club did this year and were a close second in the junior award. Congratulations also to John Sobolewski from Sorrento Duncraig who took out the 2019 Sunday Times Volunteer of the Year for the Lions District and the overall winner of the WA Optus Volunteer of the Year.

2020 is shaping up to be a ground-breaking season given the behind the scenes governance changes and this is an exciting time for community football in WA. In saying that, I hope you all take the opportunity to enjoy a well-earned break from football! Before you know it, the season will creep up on us again and we will hear again, that sound of boot striking leather. Stay safe and enjoy your break.

See you around the grounds.

LITTLE LEAGUE REPORT

In season 2019 all our local junior clubs participated once again in the Movie Masters WAFL Little League experience. With over 400 kids participating from across all areas of community football such as year 6 boys, Auskick and Junior Girls; and we once again had representation from our aboriginal and multicultural football teams.

I would like to extend a massive thank you to the following people who took the time out to address the Little League players and made us feel a part of the Subiaco FC family every matchday. Our Thanks must start with Beau Wardman who allowed us to be in the changerooms, making us feel very welcome and giving the kids an amazing experience every time right through to the Grand Final at Optus Stadium. Thanks to Peter Capes, Debbie King, SFC number one ticket holder Justin Langer, Tania, Alby, Micky, Fritz, Ron, Kevin, Rocket and of course all the players who addressed and inspired the kids every home game. I am grateful to all of you.

At the Grand Final we were represented by 22 kids selected from across our seven junior clubs. It was great to watch them all working together and representing the Subiaco colours with such a talented energetic and team display. Just like our league team, we went back to back winning the Movie Masters shield for the 5th time.

My sincere thanks to the District, club presidents and volunteers for your ongoing support and organisation. To the Subiaco Football Club and it's many staff, volunteers and players thank you for your ongoing passion, support and interest in our Little League.

SUBIACO FC WOMEN'S SEASON REVIEW 2019

Subiaco's season officially kicked off in November with a Come and Try day aimed to attract new players to the club with the lure of a new elite competition in the WAFLW. Preseason commenced shortly afterwards in December, with a batch of new talent to add to the senior and youth playing groups who were hungry for success after the results of the 2018 season. Changes to the competition structure meant a later start to the 2019 season and adequate time for returning Strength and Conditioning Coach Tami Jakobson to increase the strength, fitness and agility of the playing squad. While the coaching staff across all three grades worked hard to create training sessions that integrated all players and challenged them to be the best footballers they could be.

ROGERS CUP

Coach: Pia Faletti

Assistant Coaches: Claire Ortlepp, Rachel Ortlepp

Captain: Kia Buckley

The Rogers Cup squad had narrowly missed out on a finals appearance in 2018 and many of the players committed to completing a full preseason to improve their skills and fitness for the benefit of the team. While Round One saw the side go in undermanned, the players set the tone for their season showing grit and determination to come away with hard fought win. A few stumbles against the top two teams were the only blemishes in what was a record-breaking season as the team went on to win 11 of 16 games and finish in third place. Finals was now a reality and the team had belief that they could be a contender. A convincing first semi-final win against East Fremantle, meant facing Peel in a qualifying final. While the team showed the resilience and heart to challenge the Peel side all the way, the eventual Premiers were too strong, running out 15 point winners. While the loss hurt there was still plenty to celebrate including captain Kia Buckley winning the overall Rogers Cup Best and Fairest and fondly farewelling a number of players who will move into the senior squad for 2020.

RESERVES

Coach: Paul McKenner

Assistant Coach: Lauren Stammers

Captain: Andrea Phillips

The Reserves side had a season of ups and downs, not only in personnel due to the demand of players for WAFLW but also in results. Despite determination and effort a number of games were lost by the narrowest of margins and an additional two drawn matches meant finals fell out of reach in 2019 for the Reserves squad. However the season had many positives, allowing an array of new talent to find their feet in football, giving Rogers Cup players an opportunity to experience senior football, some senior players earning an opportunity to experience the WAFLW competition, and some convincing wins against quality opposition proving that if the core playing group are retained and remain fit the Reserves side should experience a higher level of success in 2020.

WAFLW

Coach: Sarah Michell

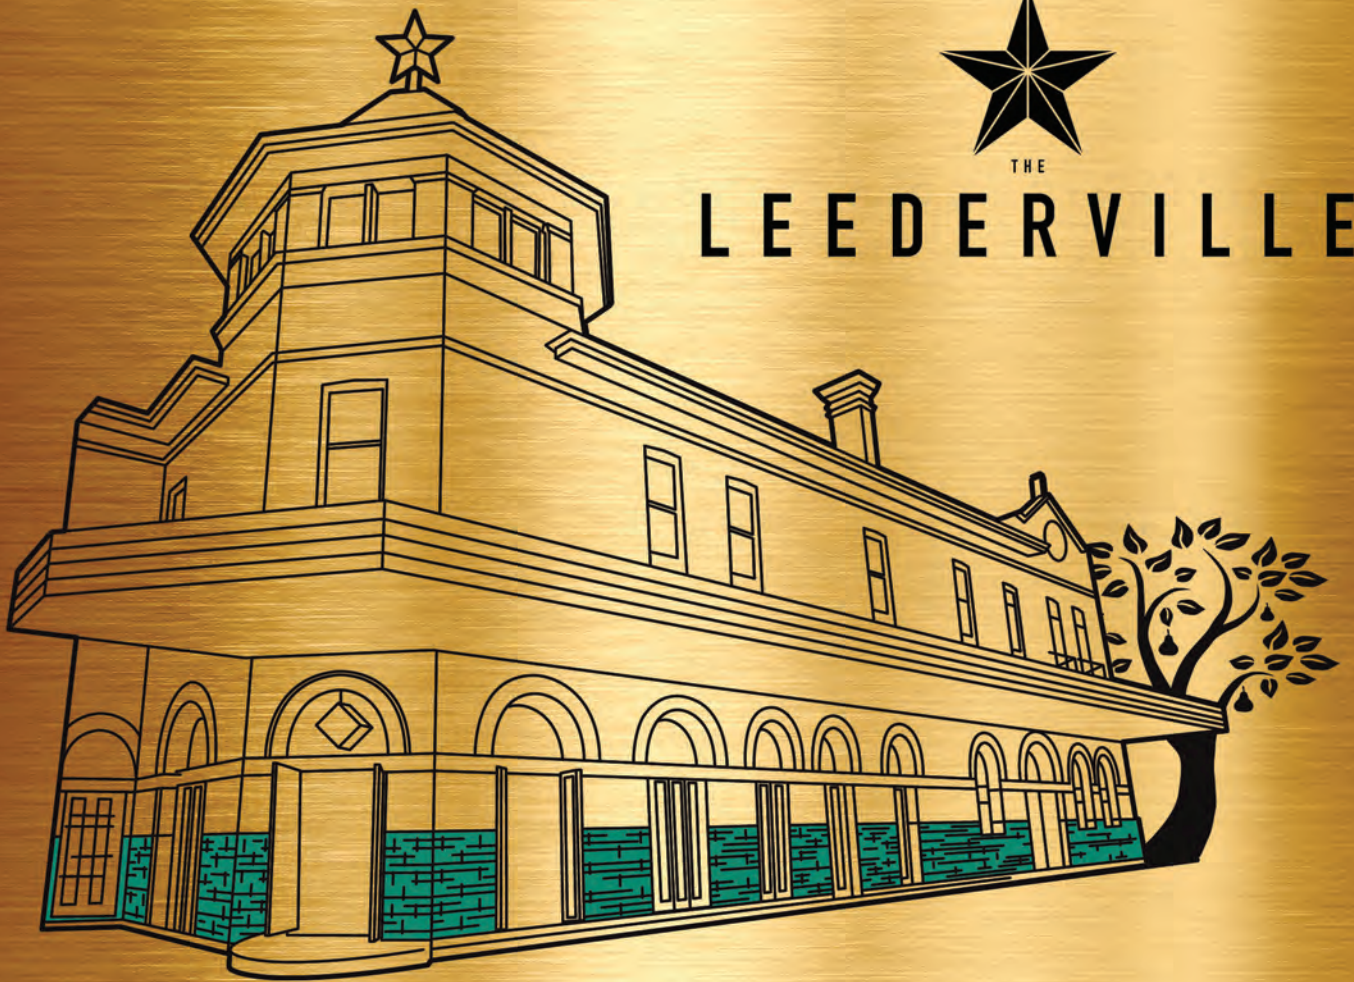

Assistant Coaches: Martine Pearman, Amy Lavell, Lauren Stammers

Captain: Hayley Miller

Vice-Captain: Danika Piscoeneri

The new and improved WAFLW competition provided an exciting opportunity for the 2019 League team. They continued to assert themselves as one of the strongest teams in the WAFLW finishing the season on top of the ladder as minor premiers. Unfortunately, that was all there was for the season 2019 with a disappointing finals campaign seeing them fall short in both finals appearances. Despite this there were a number of individual achievements to celebrate with Lindal Rohde (Fremantle), Bea Devlyn, Tarnee Tester and Danika Piscoeneri (West Coast) all signing to AFLW clubs. Hayley Miller and Danika Piscoeneri were also announced joint winners of the Dhara Kerr WAFLW Fairest and Best, Lindal Rohde awarded Rookie of the year and Tarnee Tester finishing as the competitions leading goal kicker. 2020 will be a season of redemption for the League team as they stake their claim to return to the top of the WAFLW competition.
