# Disability inclusion programs kicking off in Broome!

*Starkick and Footy for All in action*

**Starkick** – is an all abilities football program that caters for children and young adults between the ages of 5-17. Children who by circumstance or choice, may be unable or unwilling to participate in mainstream sporting teams are supported by a team of Starkick volunteers. With 9 participants registered in Broome, we've seen the widest smiles and pure joy coming from those who can now be involved in football. Well done to Broome Auskick and the West Kimberley Junior Football League in supporting this program.

**Registrations still open. Get in touch. 8am Saturday Mornings at Nipper Roe Oval. New participants and volunteers are encouraged.**

## **Footy For All**
