

AFL National Club Risk Protection Program Insurance for your club

Match Day and Training Checklists

The Match Day & Training Checklist is a pre-match and pre-training inspection tool available to all Australian Football leagues and clubs. It enables leagues and club officials to identify and evaluate safety concerns and record actions taken to remove or mitigate these safety concerns. Completing the checklist can also assist in supporting a club against potential negligence claims.

We strongly recommend that the Match Day & Training Checklist is completed prior to the first training session and/or first match at the venue on the day to help satisfy the duty of care owed by your club or league and to help reduce foreseeable risks, such as player injuries.

The checklist was previously accessed through a mobile application, however, League & Club Officials can now access the checklist on both mobile and desktop, through a web based platform. Copies of completed checklists are available for distribution to the relevant club on request; please contact us at sport@marsh.com if you would like to receive a copy.

Complete the checklist now at <https://au.marsh.com/sport/afl/clubs.html>
