Video Editing & Radio

Andrew Owen

Photographers

Match Day – Gemma Boys, Aaron Raman
Events – Chris Bishop

President's Report

Vince Pental, President

What a year we had in 2013, starting off in blazing fashion and limping to the line provided such a contrast. However a lot of positives were achieved, not only at all levels of football but off the field as well.

Our new management team has overcome most of the difficulties they inherited and in fact were able to secure a number of new sponsors which helped us cope with the sudden closure of Training Sense one of our major sponsors and employer of several of our footballers.

On the plus side of course we gained the valuable services of Chance Batemen as a player, who together with our Captain Paul Bevan helped raise the club profile off the field as they represented the club at a number of charitable functions.

Congratulations to all our clubs award winners especially Brett Hodge on winning the Butcher Medal; Matthew Hunt winning our Brehaut Medal as fairest and best in the Development squad and Brent Edmonds winning the Past Players and Officials Association Medal in the Colts. Also congratulations to Paul Bevan and Brennan Stack for their goal kicking feats both in the top three in the WAFL competition this year.

Our coaching team performed well at all levels, with Damian McMahon, his assistants in Trevor Williams, Adam Pickering and Michael Broadbridge working together to nearly get the league team to finals football. Congratulations Michael Saunders in getting the Development team to the top of the ladder at season end only to trip up in the finals and Wayne Langbourne and his group getting the colts to third position by winning 11 games straight only to go out of the finals in the first semi to end their season prematurely.

Wayne after three years as Colts Coach has announced he is unable to continue due to work commitments but will not be lost to the club and we wish to thank him for a job well done in that period.

Michael Saunders likewise has been an Assistant Coach now for three years and due to a change in his employment has limited time and next year will revert to a role with the league team to be decided by the Senior Coach. Again, thank you Michael for a sterling job this year.

The club is fortunate to have a number of our major sponsors who are behind the club as we strive for that ultimate goal and Gavin Caudle at Provident Capital Partners and his family are at the forefront and his support is paramount to our next phase.

Likewise Southside Mitsubishi and Dealer Principal Daniel Davies and his team have been great supporters of our club and we cannot thank them enough for the mobile support and over the past few years we have managed to get the community recognition for them that they deserve.

To our stadium sponsor Brownes we extend our gratitude for their support over the past three years and particularly during 2013, Ben Purcell a big thanks. However unfortunately Brownes have indicated

they are unable to continue on next year.

To all our other sponsors named in this report we do sincerely thank you as we could not function without you and as we grow our game in the district so to does your profile as a supporter of grass roots community football become increasingly recognised. We also acknowledge the continued support of the West Australian Football Commission.

To our club legend for the year in Tom Davis and wife Ruth, a big thank you for the dignified way you upheld the honour of Perth Football Club Legend for 2013.

We also acknowledge our landlord the Town of Victoria Park, Mayor Trevor Vaughan, CEO Arthur Kyron and Director New Life Program Anthony Vuletta for the cooperation we received both in terms of the needs of the Perth Football Club going forward and the proposed headquarters for the West Coast Eagles. Jointly we are in for a hectic time over the next few years as we bring the community facilities for the PFC into the 21st century and the renewed life these projects will bring to the Lathlain Precinct. Although there is a lot of work yet to be done we are all confident that the end product will be of great benefit to the Town's residents, the PFC and the WCE.

To our staff headed by Marty Atkins, Brendan Kays (Football Operations Manager) , Peter Brear (Pathways Development Officer), Tim Dienhoff (Functions Manager) Kerrie-Ann Pental (Membership and Events Coordinator) Kelli Bott (Sponsorship Administrator) and John Matthews (Finance Officer) and all the many volunteers, thank you for a job well done.

Our Past Players and Officials Association under President Wayne Koch still provide many services for the welfare of players and the club and have a merry band of volunteers.

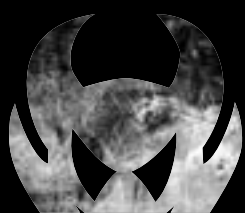

Many thanks to my fellow Board members in Daryle Mann, Neil Darby , Mark Treasure, Steve Kargotich, John Dorazio, Gil Grant, Kevin Dack, Rod Basell and Wayne Smith who joined us during the year to replace Scott Spalding, who due to business commitments was unable to devote the time necessary to continue as a member of the Board. Scott however through his company "Off the Vine" is a significant contributor to various functions for which we thank him.

Our major fundraiser is the Banquet Auction which again was an outstanding success and we thank Sue Grant and Mark Treasure and their team of helpers for a fun and fund filled night. The committee is acknowledged in this report.

To our many other contributors, like the Nominations committee, our Patron Dr Steve Kargotich and Vice Patrons, thank you for the efforts during 2013.

Finally without our many loyal members and supporters there would not be a Perth Football Club. I sincerely thank you all and hope that together we can take the next step in 2014 and play finals football at the league level as our reserves and colts have done the last few years.

Marty Atkins, CEO

I ended my 2012 report by saying "a lot of hard work ahead, but I am looking forward to it and hope Season 2013 is enjoyed by all". Twelve months on, I hope most enjoyed the season - I did, although it still delivered times of frustration. However, our league team delivered their best season since 2004, the development squad played finals for a third year in a row, and the colts again played finals, having had an 11 game winning streak through the season.

As CEO, it is my responsibility to oversee all areas of the club, both on and off field. Since commencing I have acknowledged the work of those before me in ensuring off field the club has stayed as strong as possible and this has continued. On field – our football, our core business, what our club gets judged on was what needed to improve, so became a main focus.

Personally I want to thank all the players, coaches and support staff for their effort and commitment this season, which has without doubt put us in a better position 12 months on. I know our members and supporters will still be disappointed at the league team again not playing finals, especially after a positive beginning. However, it is not about playing finals one year and falling away the next (a common trend for our club), it is about building a platform, a position of stability that can be built on to ensure we play finals for an extended period of time.

Looking ahead, we will be looking for stability on field and it is encouraging to know that most of our senior playing group will be continuing. Our squad will be bolstered by another group of quality colts, as well as some key recruits, with Mitch Morton the first for Season 2014. Mitch is a premierships player with the Sydney Swans, who will no doubt enjoy playing with his brother Jarryd, but has also expressed a desire to assist our leaders and coaches in reaching our goals.

Whilst football was our main focus, another big focus for the club was our community engagement and I am very proud of the clubs involvement in the promotion/awareness of many different agencies that do so much good work in our community.

This year at our home games we partnered up with the following agencies;

- Peter Hughes Burn Foundation – special thanks to Peter Hughes
- ANZAC Day/Legacy
- NAIDOC
- WA Prostate Cancer Foundation – special thanks to Jeff and Peter Newman
- ANGKOR (kids helping kids in Cambodia)

On behalf of the Perth Football Club I would like to thank each agency for giving us the opportunity to assist with promoting their message/core function, as well as thanking all those involved with the promotions, with each day being a success, enjoyed by all those who attended.

Other areas of the club which also have added to a positive year overall is our membership, which is slightly higher than previous years and sponsorship, which has certainly increased, but more importantly brought a select group of people who have been outstanding in their support of the club.

Sponsorship is fantastic, with our sponsors also attending most club functions and contributing further to other organised club functions and

most importantly keen to support the club whenever they can, to see it become successful. We look forward to this support continuing and relationships growing stronger in future years. I believe we have taken many steps in the right direction, but in saying this I know we have a lot more steps in front of us. Clearly our progress to date would not have happened without a Board willing to be involved and staff (most new in their positions) positive and keen about making a difference.

I'd like to take this opportunity to thank our President Vince Pandal and the Board of Directors for their guidance and support, as well as my Football and Administration staff for their dedication and team work. I look forward to continuing to work with you, similar efforts will (as mentioned earlier) build on those foundations, with any success (not far away) to be enjoyed by all.

We cannot forget the contributions and support from the Past Players and Officials, our metro district, as well as our football leagues in our country zones. The Past Players and Officials have once again stepped up to the plate in many different ways, whether in support of the Robert Wiley Foundation, financial assistance to our State Representatives or just purchasing much needed equipment around the club – support not always known, but certainly appreciated.

Further our metro and country zones also continue to promote the pathway to Lathlain, where again this year we witnessed the influence of country and community players joining the squad for the first time and have an impact, a benefit that I trust continues for many more years. 2014 will be a little different at Brownes Stadium, unfortunately Brownes are not continuing with their sponsorship and we have another football club coming to join us. Brownes informed us that they are not in the position to continue the Naming Right Sponsorship. Most would be aware of the issues associated with the dairy industry, we certainly understand their decision, so not only do we wish Ben Purcell (Managing Director) and his team the best for the future, but also thank them for their support over the last 3 years.

As for the new football club, well not sure you can get any bigger than the West Coast Eagles, which ensures that any changes will be big changes, which is exciting for everybody involved with the Lathlain Precinct.

The West Coast Eagles have been very respectful in relation to the Perth Football Club and its status not only in the community, but in WA Football. The Town of Victoria Park have ensured that we are engaged in all areas in relation to the changes being considered, with the end result a fantastic opportunity for the Perth Football Club to be involved in a major project with plenty of community benefits, let alone our own.

The Perth Football Club has not had a lot to be positive about for many a year, hopefully 2013 has brought a few positives, whether it be on field, off field or what is going to occur around the field. Whichever way you look at it, it is reason to again support this great traditional club.

With that I would like to finish off with thanks to our members and supporters, quite clearly still waiting for the opportunity to celebrate something. Your support has been outstanding and whilst 2013 has seen improvement, believe me, we will continue to work hard to give you the opportunity to celebrate.

Enjoy the off season, pre-season for the players commences November 13th.

Football Manager's Report

Brendan Kays, Football Operations Manager

Season 2013 certainly provided the Club with a promising start but unfortunately didn't provide the on field success that we had hoped. The loss of 31 players and a number of coaches at the end of the 2012 Season certainly set a challenge going forward. However on the positive side it gave other players the opportunity as we continued our emphasis on player development.

Damien McMahon, Michael Saunders and Wayne Langborne will cover off on reporting on our playing group and performances, however I would like to make a few brief points also.

In Season 2013 our Leadership Group assisted in developing a new culture and also setting core values and minimum standards that our Club can build on in 2014 and beyond.

Our Senior Playing Group was able to improve throughout the year on all team key performance indicators for example inside 50's, centre clearances whilst also drawing level with opposition clubs on similar KPI's. The majority of our players also improved on their individual performances. The Development Squad once again went deep into the finals and the Colts performed very well after a disappointing start playing Subiaco in the first semi-final.

The Perth Football Club played 42 players in it league side of which 14 were new to the club and there were 6 first year players. This has certainly set an excellent spring board heading into the 2014 Season.

Congratulations to all of our award winners in all grades for an outstanding season and in particularly our Butcher Medal winner Brett Hodge.

The players once again were terrific in their support to the metro and country districts. Large sections of our squad attended metro Auskick gala days, country development squad days and umpire development programs. Squad members ran holiday clinics/ development days in our metro and country Districts with more to come in season 2014. On the coaching front our players are getting involved in coaching our Robert Wiley Foundation, all developing our up and coming Demons. On the whole as part of our club culture our players have grasped the idea that we have to be a part of developing our metro and country District's to truly develop a one club mentality.

This also included our country game that was held in Moora and was a great success although the result didn't reflect the effect that it had within our country region.

I would like to touch on the importance of the clubs volunteers and support they give to the Perth Football Club. Without doubt we have the most dedicated group of volunteers within the competition. Wayne Koch and his band of Past Players and Officials assisted throughout the year in a number of areas.

Dr Kate Jamieson, James Squire, Tanika, Bec and all of our medical team again demonstrated how important it is for WAFL clubs to have passionate people involved. Their service throughout the year was outstanding.

Arthur, Doug and Steve Ransted continued their reputation of being tight

fisted when it comes to suppling property to the players and for that I'm grateful. Well done boys.

Our three Team Mangers ensured that all the clubs and competitions processes were adhered to.

Rod Basell and his stats team efforts in ensuring that the coaches were serviced to the required standards were outstanding. My thanks also to the time keepers and all the support staff that ensured the teams ran efficiently on game day and during the week. Gary Lendich does a great job on game day as our ground manager linking all the support staff together whilst Simon Collins again ran a very tight ship with his time keeping department with assistance from Brian and Bob.

As with our playing list we will review the entire coaching group and look to develop and improve it as a whole for next season.

Thanks Michael Saunders for his great work as a coach and mentor to our Development Squad (Reserves) during Season 2013. Now that the dust has settled everyone would agree that the season was encouraging for the Clubs future. Thanks must also go to Michael's dedicated and passionate coaching group.

Thank you to Wayne Langborne for his efforts in Season 2013. As mentioned the Colts played some very good football throughout the year and we look forward to seeing continued development in 2014. It is unfortunate that Wayne will not be continuing next season but thanks for all you have done over the previous 3 years and will certainly look forward in providing you with a new title in 2014.

To our Strength and Conditioning staff in Jackson Dennis, Daniel Stead, Kevin Mulchay and Sam Mainwaring thanks for everything that you have done through the 2013 Season and look forward to seeing the benefits of your work in 2014. On behalf of the Perth Football Club all the best to Kevin as he moves onto other challenges.

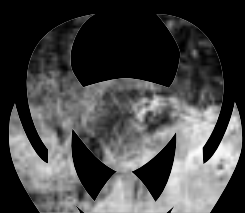

I would like to thank Damien McMahon for the work that he has put into the Perth Football Club as Senior Coach. His work rate is second to none and I'm confident in him the Perth Football Club will get to where it wants to be. Thanks also to Damien and the entire Football Department for their friendship and support for Season 2013.

The Football Department would like to thank the current Perth Football Club administration led by our CEO Marty Atkins, Kerrie- Anne, Kelli, John, Peter, Tim, Lance, Archie and the many volunteers that help maintain our ageing but proud facility.

To our Board led by President Vince Pental for their ongoing support of the Football Department and a special mention to Director of Football Daryle Mann for his leadership and support that he has given throughout many years to the Perth Football Club.

There are many committed people who have contributed this season and if I have not mentioned you by name be assured that your contribution was noticed and appreciated but it is impossible to name everyone. Thank you for all your support and look forward to having you all involved in 2014.

Damien McMahon, League Coach

The 2013 season got off to a flying start, winning the first four games by playing some exciting team football. This was due to a strong preseason with several good new recruits joining the Demons and the return of Chance Bateman after a decorated AFL career. Having another AFL Premiership player join our playing group added a new level of excitement around the club.

The club's playing list had been wildly talked about due to the departure of over half of the previous year's players. The turnover was something that many thought to be well over due and it was time to lift the expectation on what is required to be a Perth Demon. This meant the coaching group would have to work over time to bring the new group of young player up to speed and fast track their development. This new list would be made up mostly of our 2012 colts's squad with a sprinkling of players from our local Perth district and some products of trades done with other WAFL clubs.

The players were pushed to a new level over the preseason by our new Strength and Conditioning Coach Jackson Dennis who went on to be one of our best recruits. Jackson was able to take the squad to a level of fitness that many had never been to before. With the knowledge that the group was rock hard fit we knew we were in for a strong season.

With a young talented list mixed with the leadership of our new Captain Paul Bevan we were proving on the field that the changes that had been made were paying off and the club was heading in the right direction.

The club started to see real benefits of its hard work at junior development level with a high number of our elevated players playing regular League football and not just making up the numbers but having a big impact on helping us win games. Brett Hodge winning the club's Fairest and Best is example of the club progressing in this area.

For the third year in a row our Development team played finals football and under the guidance of Michael Saunders this squad gained the knowledge of what's required to push up and play league football. Michael consistently managed to get the best out of his team and had them playing great team football finishing the season at the top of the table. I thank Michael for his hard work, dedication and professionalism he has imparted on this group of young players.

Our colts program continued to show constant improvement by again playing finals football this season. Wayne Langborne and his coaching group have done an excellent job encouraging their players to play team football and have created a winning culture. It's exciting for our club to have another talented crop of young colts progressing through the ranks. I wish Wayne all the best in the future and I thank him for his contribution to the colts program over the past three seasons. We know our colts programme is left in a healthy position for the new coach Barry Stanton to take over. Congratulations Barry on your appointment and Wayne we look forward to seeing yourself and wife Dawn at the footy. You have both become part of the clubs family.

Disappointingly the season didn't finish the way we would have liked with a poor finish to the last block of five games, winning only one game in this vital period of the season is something that our football department has reviewed extensively. Everyone at the club knows that we improved so much in one season but not enough to take us to what we are all working towards and that's

all three grades playing finals football. I am confident that the right steps are being taken to ensure we can take the next step forward.

There will be many new challenges in 2014 with the new structure in the WAFL with new alignment clubs having a host of AFL players joining them. I would like to thank all the players that have represented the Demons over the past few seasons from both the West Coast Eagles and the Fremantle Dockers. We wish you all the best and we hope one day after successful AFL careers you return to the PFC.

There were some great positives to come from Season 2013:

- Paul Bevan and Brennan Stack both representing WA at state level, both players having a big impact in helping WA get over the Vic's in Northam, also both players kicking 50+ goals for the season.
- Clem Smith becoming an all Australian player at the national championships, we all look forward to seeing Clem play at the PFC on a regular basis in 2014.
- Paul Bevan stepping up and taking on the roll as Captain. Paul is a great leader and its pleasing to have him re-sign and continue in this role.
- Both Development and Colts playing finals football and producing future League stars.
- A host of new debutants at League level with Matthew Boyle, Callum Collard, Kieran Hug, Jarrad Irons, Joel Kalajzic, Michael Sinclair, Brant Collage, six of the seven from our colts program.
- The club finishing third in the Rodriguez shield, second year in a row in the top four as a club.

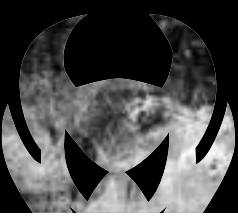

I would like to thank our coaching group for all the time and commitment you have all shown this season. As a team we have all worked together to drive the playing group forward with some solid progression along the way. I appreciate the support you have all shown me. To our support team of Volunteers we thank you all very much for the countless hours you devote to our players and club. We know that you are all vital members of our football department and without your support we would not function as a club. Thanks to our administration team I am always well supported by you all and Marty, Brendan, Peter, Kerrie-Ann, Kelli, John and Tim you are great people to work with and I enjoy coming to the club every day and riding the ups and downs of our great club with you all.

To Vince and our Board of Directors I appreciate you giving me the opportunity to continue on in my role as League coach of this proud Club. I feel privileged every day I step foot into the club knowing I have the support of you all. I can assure you all I am working as hard as I can to produce the success you, our players and supporters deserve.

Finally to our players you are what our club is all about and the people everyone wants to see succeed. I know you all committed more than you ever had this season but we need to all dig deeper again and find a bit extra to take the next step to play finals football. My belief is we have now got the squad to get there and we have the support around us to produce success. As a group you made some great improvement in so many areas but the one I am most proud of is the Cultural shift that you all made in one season. We have a lot of work to do but as a group of young men you are going places in the future and this football club will be supporting you every step of the way. I thank you all for your effort this season and will look forward to working with you all next season.

The Perth Football club is now full of quality people and these people working together can achieve amazing results so let's all stick together and get set for an exciting season in 2014.

Development Coach's Report

Michael Saunders, Development Coach

The senior coaching group had concerns with our player depth going into the 2013 season due to a high turnover of experienced players from the club in the off-season. These concerns were confirmed with some lack lustre performances by our development group in the pre-season and in our first round loss to Peel Thunder. The new AFL alignment structure presented itself for all to see with some very experienced league footballers playing in the Peel reserves, the tables would be turned later in the season for Peel however.

The second round bye could not have come at better time for our development group. As the coach I realised that in order for this team to be competitive and in-turn create the best environment for every player to develop to their full potential, we needed to focus on the following key areas:

- Game style – it must mirror the league side
- Game day tactics – mirror the league side to expose the opposition
- Two way running - focus on being a strong defensive team that runs both ways
- Redleg Indicators – reward individuals performing well in this critical area
- Team first mentality - play the game the right way

From this point on we turned our season around starting with a win in round three against South Fremantle. The same group from two weeks earlier played with a higher level of intensity and carried out the game plan allowing us to control the game. This win started a six game winning streak that gave us all confidence and setup our season.

The development group this year consisted of a mix of players:

- 7 players were 1st year out of colts
- 5 players were 2nd and 3rd year out of colts
- 8 players returning from the 2012 development squad
- 12 players were new recruits to the club

One key objective as the coach of our development group was to run a program that closely mirrored the league side, from the Monday night reviews and weekly feedback, to the pre-game meetings and Sunday recovery sessions. This provided continuity in training, education and development, ensuring when players were promoted into the league side their focus was on playing at their best in a program that was familiar to them. We feel this approach paid dividends again this year, some highlights from the season were:

- We played finals football
- We were the minor premiers with 13 wins and 7 losses
- Four players who started with the development group made their league debut
- There was continual improvement through open and honest feedback

We saw a transformation in many individuals throughout the season, none more than our youngest players stepping up from the colts, Kieran Hug, Joel Kalajzic, Aaron Dow, Daniel Arangio and Chad Sandilands, all of which played an integral role in our finals campaign.

There were some new players to the club who made their mark, Kristian Egan, David Johnston, Ryan Gray and Jason Currie embraced the club values on and off the field and became part of the core group that carried us throughout the 2013 season.

Taking part in our 3rd successive finals campaign was a great result for our group, our philosophy on selection was the same as the regular season, our mandate was on player development and backing-in the players who got us there.

Second Semi Final v South Fremantle

Going into our first finals game after finishing top of the ladder was a challenge for our young group, I could feel the nerves at training. Our round 24 performance against South Fremantle didn't help our cause, our injury depleted squad lost by our biggest margin for the season, 91 points.

We started slowly and looked tentative in the first quarter, South Fremantle were harder in the contest and spread quickly to counter attack from our turn overs. Our second quarter was much better, we seemed to settle into the game and got more aggressive around the contest allowing us to claw our way back into the game trailing by just 11 points at half time.

The third quarter was like our first, south were stronger in the contest and opened up a handy 26 point lead by three quarter time. In the last quarter we threw caution to the wind and played on at all costs, we showed great spirit to almost win the game, we eventually lost by five points.

Preliminary Final v West Perth

In the lead up we trained really well, we were sharp with our skills and the voice and enthusiasm on the track was at a season high. Senior players Jarrad Irons and Kane Ransted took it upon themselves to lead the way, the rest of the group lifted and followed suit, making it the best week on the track we had all year. We started the game well, kicking the first two goals for the game. We were strong in the contest and attacked the ball and the opposition with ferocity. However our skills let us down and we didn't capitalise on the score board, we came in at quarter time with just a two point lead.

At half time we found ourselves 21 points down and with only four fit players left on the interchange. Tyler Chrimes had suffered a broken nose in the first contest of the game and later strained his calf when bravely going back onto the field. Hats off to Tyler for his courage.

Our third quarter was outstanding, we kicked five goals straight to be eight points down at three quarter time. This effort appeared to empty the tank, as we unfortunately ran out of steam in the last quarter, eventually losing the game by 42 points.

In the aftermath of going out in straight sets, we discussed the game in front of family and friends. I felt it was important to dissect the game and talk about why we lost the game before we discussed the season in retrospect. I explained that fundamental skill and decision making errors cost us in the end.

In summary, we have a lot to be proud of, our development group exceeded expectations this year but as a club our next pre-season is our most important. Let's give it everything and look to improve in Season 2014.

In conclusion I thank my assistant coaches, the medical staff and other volunteers who supported the team throughout the year. Also the players and I appreciated the many members and supporters who attended games, particularly during the finals. Thank you also to the Perth Football Club for the opportunity to coach this group of outstanding young men.

Wayne Langborne, Colts Coach

Having come off a very strong 2012 Season which included playing finals the major benefit of the 2013 Season would be the numbers of young men we exposed to colts football.

With around 30 odd boys having been in the 2012 squad and already having at least 12 months in the system we had a huge advantage in comparison to previous years.

The preseason was extremely solid under new Strength & Conditioning Manager Sam Mainwaring with the emphasis on short and long distance running, cross fitness training, core strength and flexibility during the structured four sessions per week program.

This coupled with a focus on competitive drills where the coaches could fast track the quality player identification process enabled us to select a final squad of 47 players from an original training number in excess of 100.

Contrary to the previous couple of seasons we won our first game of the year but then proceeded to lose 4 out of our next 5 games.

Similar to 2012 we were confident that the boys that were playing just needed time to gel together and get used to the very high colts standard and thankfully this is what happened with them winning the next eleven games in a row to firmly entrench themselves in the top four.

We finished the season off with two very narrow losses against the eventual grand finalists even though we played exceptional football.

Unfortunately we were very disappointing in our first semi final loss but the boys can certainly walk away from the 2013 Season in the knowledge that they were very competitive and have continued developing in their football journey.

Along with achieving our goal of playing finals there were numerous positives to the 2013 Season which included:

- A total of 45 boys represented the PFC Colts in 2013
- 18 of these boys are eligible to play in 2014
- 1 state representative in Clem Smith who went on to be awarded the WA Player of the Series.
- Brent Edmonds winning the Colts Coaches Award and along with Clem Smith and Alex Moreno being named in the Colts Team of the Year.

Assistant Coaches Barry Stanton, Glenn Davies and Chris Bolton along with Rucks Coach Terry Gabriel were all outstanding in their commitment to the boys and the knowledge they were passing on.

Team Manager Steve Ransted was a tireless worker and his guidance was particularly appreciated as was property guru Uncle Arthur's timely Saturday morning cups of tea which I couldn't have done without.

Strength & Conditioning Coach Sam Mainwaring brought a new level of professionalism to the role and I know the boys certainly appreciated his expertise.

Physio Nick Kane along with all the other trainers were outstanding in their care for the boys and it was great to have experienced football heads in Scott Stanton and Kevin McArthur as our primary runners throughout the season.

Board men in Andy Roberts and Andy Myers rounded off a very professional off field outfit.

League Coach Damien McMahon was always available to bounce ideas off and was a constant source of support and Colts Football Manager Peter Brear was fantastic in his Pathway Development Management role.

I'd also like to thank Christina's Restaurant for the Thursday night player's teas along with all the other sponsors for their support. On top of this Gavin Caudle from Provident Capital Partners and the PP&OA made cash donations to enable the squad to enjoy team building opportunities throughout the season.

A huge thanks to the parents who have supported the boys not only this year but throughout their football journey. I'm truly astounded at the distances the country based boys and their parents have to travel each week and I'd like to thank all the parents who gave tremendous support to myself and the program we were running.

Finally I'd like to thank my wife Dawn who along with Connie Anile made the players after game meals at every home fixture.

In closing I'd like to very much thank the Perth Football Club for supporting me after a very tough 2011 season. At the end of last season I said we'd reap the benefits of bleeding so many talented players and I'm proud to say that given the results in 2013 this is exactly what happened.

Once again the future of our Colts program is very positive and with the success this current batch of boys have experienced this season I'm confident the winning culture will flow on as they progress through the ranks to senior football at the Perth Football Club.

Robert Wiley Foundation Report

Peter Brear, Robert Wiley Foundation

The Perth Football Club, through the Robert Wiley Foundation continues to provide opportunities for young talent to be involved in an elite sporting environment. The AFL Draft gave Brant Colledge and Dean Kent avenues to West Coast and Melbourne, these talented Demons following their dream.

My observations are that there is an unacceptably large percentage of players that don't possess a satisfactory level of basic skills. As these players will form the basis of senior football within the District and Country Zone over the next five years, it becomes the highest priority of all clubs, junior teams and coaches to focus on improving the kicking/handball skills of underage players. The challenge we take on is an unwavering commitment to improving the skills. Teams that can master disposals with the highest efficiency will be the clubs that achieve the greatest success.

Robert Wiley Foundation XVIs Development Program

The XVIs Program benefited from sessions of excellence with some training involving WA State Academy Staff. We were extremely fortunate to have Paul Clements as Development Coach and Assistant Coaches Andrew Panetta, Matt Bateman, and Gary Poole. Their enthusiasm, dedication and professionalism gave players every opportunity to be successful footballers.

Bruce Fraser was Head Coach for a second year and delivered a program with unquestionable commitment and meticulous preparation. Thanks to SCHO Homes, the PP&OA, the RWF, Angela Evans, Ryan Van Beek, Jose Lumas, Scott Faulkner, Rick Johnson, Brad Coups, Lachlan Fraser and Hayden Busher. Highlights included RWF XVIs Captain, Jesse Kitson selected in the Fremantle Dockers "Live the Dream" program. WA 16s Representative honours were shared between Yusef Kassem and Reid Polak, recognising their consistency during the WAFL 16s Carnival.

Robert Wiley Foundation Annual Dinner

After last year's successful Annual Dinner, this year featured "On the Couch" hosted by CEO Marty Atkins interviewing former AFL and current Perth Players Kyle Reimers, Paul Bevan and Chance Bateman. The XVIs Award Winners were announced to the gathering with the Coaches' Award being won by Corey Byrne (Thornlie JFC). The PP&OA President Wayne Koch, announced the Troy Cook Courage Award to Zachary Hill (Northam Saints JFC) and the Ross Young Leadership Award to Matthew Taylor (Chittering JFC) as these two young players reflected the virtues of the two Demons greats. Best In Carnival Award was won by Reid Polak (Belmont JFC) being unanimous in its selection. The climax to the night was the PP&OA's financial contribution to the RWF being a whopping \$11,849.67. Wayne and Brian Sweetapple signed the giant cheque and presented it a grateful CEO, Marty Atkins.

Robert Wiley Foundation 14s/15s Development Program

The 14s/15s Development Program attracted over 200 players hoping to be competing in the 2013 WAFL Carnival during October. The Final Squads represented an amazing cross section of the Perth Metropolitan District and Country Zone. 25 players were of a multicultural background with the following countries of origin; New Zealand, United Kingdom, India, Burma, Cambodia, Cyprus, Indonesia, Papua New Guinea, Singapore, Somalia, South Africa and Thailand.

13 Members are Aboriginal and 50 players were from the Perth Country Zone. 36 schools were represented with Aquinas and Darling Range having

the highest of 10 each. 15 Clubs from the metro area were represented (all 11 Youth Clubs of the Perth District) and 20 clubs from the Country Zone. Dongara JFC and Thornlie JFC were the best represented clubs.

Special thanks to our Jumper Sponsors, The Lifting Company, the RWF and the PP&OA for their support. Again we were spoilt with the valuable people at our disposal. Mat Bateman, Aaron Dimasi, Sam Mainwaring and Andrew Panetta were outstanding Head Coaches. Particular thanks to Troy Foote, Frank James, Ryan VanBeek, Amy Gartrell, Ben Whitehurst, Bevan Bennell, Greg Wilkinson, Oisin O'Connor, Mark Long, Sam Garstone, Toby Edwards, Angela Evans, John Scotney, Rick Johnson, Brock Fleay, Steve Kesich and David Skinner.

Colts Program

We announced a Final Squad in February of 47, 45 of these played at least one game. Connor Toop was Captain, Vice Captains were Sam Garstone and Karl Merson with Kurtis Chester, Dylan Cox and Brent Edmonds rounding out the leadership group. Thanks to the Senior Coaching Panel lead by Damien McMahon and Michael Saunders for supporting the Colts Coaches throughout the season.

We recognize the amazing support given by Solar Harness and Geovert. An extra special thanks to Christina's Restaurant for supplying pasta meals. The Colts got on a roll from Round 10-22, recording 11 in a row but the team lost momentum and bowed out in the Elimination Final.

Clem Smith was a success as a 17 year old. His honours include AIS AFL Academy Member, WA State 18s Team, WA's MVP at National 18s Carnival, All Australian U18 and Jim Stynes Scholarship. Sam Garstone attended the 2013 NAB AFL National Draft Combine, while Brent Edmonds attended the 2013 WA State Combine and we wish them luck in the Draft.

Thanks to those who enabled the Colts to achieve in 2013, Andrew Owen, Nathan Gallagher, Arthur Ransted, Bec Steddy, Brock Fleay, the Trainers, Nick Kane of East Victoria Park Physiotherapy, Andrew Myers, Andrew Roberts, Paul Biggs, Simon Collins and the Time Keepers. To Sam Mainwaring and Toby Edwards for overseeing the S&C Program. Steve Ransted, Team Manager and lynchpin. To Terry Gilbert, Chris Bolton, Glenn Davies, Barry Stanton a very special thanks for their Assistant Coaches roles.

And finally to Wayne Langborne, Head Coach and after three seasons due to work commitments is unable to continue. His contribution to the future success has been invaluable and as a club we are indebted to his service. We wish him and his family every success in the future. And in closing thanks to the RWF, the PP&OA and to Robert Wiley himself, who lends his name to the Foundation, enabling the fund raising to occur that supports the next generation of Perth Demons. This partnership continues to get stronger and proves invaluable to the ultimate success of the Perth Development Programs.

Past Players and Officials Association Report

Wayne Koch, President

It is with pleasure that I record our report for the 2013 season. Another active year with many achievements that got into full swing from our well attended AGM held in our Rovers Lounge back on 17 February.

Our Committee was confirmed comprising; Vice-Presidents Greg Dart and Mike Hawthorne, Secretary

Mark Thornber, Treasurer Brian Sweetapple with Keith Chapman, Brendan Carr, Steve Ransted, Bill Murphy. We welcomed on board some new, though familiar, faces of Greg Clatworthy and Terry Rose.

My thanks again to this rather eclectic crew for their hard and willing efforts in all of our endeavours. There is a broad and diverse range of experiences within the group with a synergy that is only maintained by our ongoing theme of teamwork.....and of course the occasional lively committee meeting and email exchanges!

This also extends to our committee assisting in Club endeavours such as the Banquet Auction, Centurions Luncheon, Match Reports, Corporate Classic and match day duties.

The History Centre continues to extend its content but in the now cramped conditions which we willingly donate as a temporary refuge for the "Silent Auction" bounty. Great commitment to be acknowledged to Lois Parsons, Greg Dart, Keith Chapman, Greg Clatworthy and Brian Raftis in this important project. A notable loan acquisition this year was the Ron Tucker Scrapbook from the Tucker family, tracing not only the career of our pre-eminent forward, but West Australia print media coverage of our game from 1946 to 1955.

Our dedicated Gate Raffle Crew need special recognition. In addition to the Committee, thank you to Brian Raftis with others who shared the load; Bill Blackburn, Denese Mackin, Fiona Hughes, Greg May, Karen & Brett Webster. True to his word, Brett has continued his fine contribution to the PPOA after his significant period on our committee.

We are committed to maintaining our obligation to fellowship within the Perth Football Club fraternity, kindred clubs and Combined Association. We consider a highlight of this the Annual PFC Past Players Annual Luncheon. Attendance is growing every year and I think the average age of the group at last decreased with the likes of Phil & Greg Hoskins, Robbie Rushton, Richard Kelly, Andrew Glover, Andrew Smith and Justin Sprigg attending.....I see a future committee looming!

We must acknowledge the additional "Patronage" of this event from Allan "Chubby" Stiles and Graham "Jenno" Jenzen. Special thanks to our PPOA Member John Leitch for his prompt and willing assistance in our post function clean up.

We continue to underwrite the Roll Call Caps presentations, with 1548 being ready for the first 2014 league debutante. Notable recipients this year being: 2013 Club Legend Tom Davis 809, and Ross "Squizzie" Taylor, 840.

We look forward to a 2014 function for presentation of replica Premiership Jumpers to the 23 players of 1976/77 which of course will be a full house open club function.

We proudly support Junior Development within our zone and by definition assist the Club achieve its overall objectives. This year in the vicinity of \$14,000

has been donated directly back to the club for a range of requests that we are always open to consider.

We have instituted Leadership, (Ross Young), and Courage Awards, (Troy Cook) to the Junior Pathways Development Squads as well as major supporter of the Robert Wiley Foundation and Annual Dinner. It was a pleasure to hand over the "Big Cheque" of \$11,849.67 as part of the above on the night.

We congratulate 2013 Colts PFC PP&OA F&B winner Brent Edmonds and the Combined PP&OA Encouragement Award recipient Ashley Fitzgerald. Also well done to the weekly Colts winners we have and will continue to sponsor.

Our AFL Grand Final Function is now a permanent function on the calendar on the big screen in the main hall with a record attendance welcoming many new faces from our nearby members. The Post game cameo appearance of our Synthetic Race Track of Excellence proved popular and will likely become a regular stand alone event. Separate thanks to Andrew Meyers and course carpenter Steve Ransted.

The Annual Race day saw us venture to the recent 2013 Moora Cup and was a great occasion for those attending. Stay alert for notice of the 2014 outing.

In November, we again welcome our many volunteers and Club personnel as our guests for an informal get together, end of season windup as a token of our appreciation for their 2013 contribution. As in the past we look forward to "all aboard" for future seasons.

We take the opportunity to pass on our sympathies to the family and friends of 1967/68 Premiership Player Richie Rigg who passed away during the year. Other fellow PFC notable identities who will be sadly missed are Roy Harper, Herb Rushforth, Frank Hardingham, Syd Simeon, Andy Hocking, and wife of Max Jancey, Jill.

Thanks to our ever generous Patrons and Sponsors whose on going support assists us to operate effectively in carrying on our objectives.

We wish Damien McMahon well upon his re-appointment and the renewed challenge facing the 7 traditional clubs.

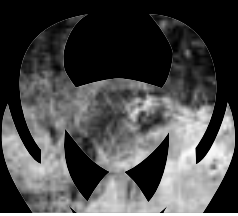

Well done to the 2013 Season performances of the Colts under departing Coach Wayne Langborne and the Development Squad/Ressies under also standing down Coach Michael Saunders. We wish Wayne & Michael all the best for their futures and we are aware that their abilities are not being lost to the Club.

Separate thanks to those we rub shoulders with just about daily at the Club, Vince and the Board, Daryle Mann, John Matthews, Brendan Kays, Peter Brear, Lance Rigby, Marty Atkins and the "Office" Kerrie-Ann and Kelli.

The "Red Legs" Bar" will reopen in 2014 and special thanks to Tim Dienhoff for his ongoing and generous assistance with this and all our activities at the Club. We look forward to 2014 and as always commend to all our PPOA and Club members continuance of your contribution to the PFC. Whenever possible we all go that extra yard that we are requesting from the playing group.

Keep in touch at all times through our newsletters and humble page on the club web site. Our AGM is to be held on a Sunday mid February 2014. On behalf of the PFC PP&OA Committee, Go Demons!

Demons District Chairman's Report

Neil Darby, Demons District Chairman

The 2013 season saw the Demons District and our country region, the Midlands provide over 88 per cent of the playing group to the Perth Football Club. This is only the tip of the iceberg with large numbers of players, umpires and coaches developing their skills in Auskick through to Women's and Masters Football in our

District.

The Demons District Football Development Council (DDFDC) dynamically develops football across the Demons region.

The West Coast Eagles relocation to Lathlain with the Perth Football Club will further enhance the opportunities for the players in our District as the joint work of these clubs evolves.

In 2013 the Demons DFDC in conjunction with the Demons Junior Competition Council, Perth Football Club, the WAAFL, Demons Umpires Association, District schools and the Western Australian Football Commission continue to support game development at all levels.

The number of playing participants in 2013 was 12,125, an increase of 9.8 per cent on 2012.

Auskick, modified rules and youth player participation remained stable however, growing the game in modified and youth is a challenge. Significant involvement in school based programs saw 4,675 students participate in football through the support of the Demons District. This area too can grow and is a key target for the District staff.

Our thanks go to the District Manager Scott Faulkner for the strategic leadership of these programs and to District Trainee Ash Fitzgerald and the team of clinic coordinators who deliver quality programs and competitions to our District schools. Scott is managing the District by developing innovative programs like the acclaimed Evolve Friday night football program. The District team has a new District Officer, Bruce Fraser of whom we are expecting a great deal of input through his professional and football experience.

Volunteers are the heart and soul of a successful District. The Presidents at junior and community and WAFL level, their committees, coaches and support teams from each club deserve thanks and admiration for the efforts they put into leading their clubs and supporting players to enjoy our great game. Thank you to all Presidents and congratulations to the volunteers in the Demons DFDC.

The District has focussed on coach development and the expansion of the School Ambassadors program in the District. The number of coaches with level 1 and 2 coaching qualifications has grown. Junior clubs have been supported by the District coaching coordinator Bruce Fraser and his team to provide well planned training programs, skill development and coaching tactics. The AFL School Ambassadors program has had mixed success in 2013 and I look forward to renewed outcomes from this program. Successful

Ambassadors in our District's 73 schools have led the growth in player numbers and is evidence of their support.

Another key development area has been the AFL 9s social competition which has seen extraordinary growth to have 831 participants this year. Female football is ably led by Scott Faulkner and the committee at the SNESA Angels. This remains an area of growth and we aim to rename the women's team the Perth Angels.

The Demons DFDC Executive deserves sincere thanks for their dedication to our players and volunteers. To Ross Leopold Competition Director, Josef Wieclaw Treasurer, Mel Thomas Secretary, Simon Gilbert Asst Comp Director and Fundraising, Joanne Warner Registrar, John Dorazio Community, Daniel Gibbons Umpires, Mark Romeo Auskick, Peter Glendenning Schools, Bruce Fraser, Scott Faulkner and Ash Fitzgerald congratulations and well done.

The Demons Junior Competition Council (JCC) was ably led by Ross Leopold and his team with strong support provided by the twelve junior club Presidents. The Demons JCC worked hard to improve the game day environment in 2013 and succeeded. The effectiveness of volunteer development programs has enhanced how games are managed. The JCC also addressed player welfare through improved coaching, team management, first aid, use of runners and canteen management. Junior club Presidents and the JCC Executive have built a partnership approach with regular reviews, forums and feedback on issues relating to improved football and game management. Ross Leopold has also built relationships with the WAFC to ensure by-laws and the governance of the junior game is well represented.

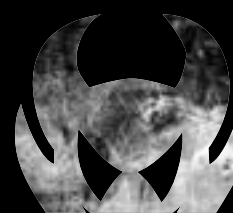

In 2013 the Perth Football Club has strengthened the partnership with the District. The support of Vince Pandal Club President, CEO Marty Atkins, the Board, Senior Coach Damien McMahon, players, Brendan Kays Football Managers and Peter Brear as the Pathways Officer all contributed to supporting District events, seminars and appearances as well as player welfare throughout the year. The girls in the front office, Kerrie-Ann and Kelli provided great assistance to the District. Thank you to all.

The Demons District Umpires Association continues to develop the umpire group and build a strong relationship with junior and community clubs. Their professional approach is improving the game across our District and thanks go to Scott Thompson and DDFDC representative Daniel Gibbons for their outstanding efforts.

The WAFC support for the Demons DFDC has provided funding, advice and a partnership approach to football. I would like to acknowledge the support of the WAFC Commissioners, Warren Nel, Michael Hnatjko, Stephanie Walding and Steve Hargrave for their contribution to the Demons District Football Development Council.

Demons District Manager's Report

Scott Faulkner, Perth Demons District Manager

I extend my sincere thanks to those people who had an impact on the Demons District in 2013, from Neil Darby – District Chair and his DFDC members to Ross Leipold – JCC Competition Director and the hard working JCC Executive and finally to the parents, coaches, and thousands of volunteers out in club land that make

the game of Australian Football League so fantastic. Without you – the Volunteer, the game could not be what it is today and we thank you for that.

Auskick

The Auskick Program aimed at children aged between 5-8yrs continues to go from strength to strength. In 2013, the District saw an increase in overall Auskick participation due to a large number of school based programs being established. Thank you to Mark Romeo who took on the arduous role of Auskick Co-ordinator for the District in 2013. Mark was able to lead the Auskick Committee with aplomb and the District acknowledges the hard work that he has put in. In 2014 the District will continue to look at ways to innovate the Auskick Program and through the guidance of the WAFC hopes to continue to retain and recruit players into community clubs and school programs.

School Football Programs

In 2013 the District partnered with Central TAFE and worked closely with their students completing a Certificate IV in Sport. Consequently, students were then provided with a practical experience and delivered many school based programs within the Demons District schools. As a result of this our school numbers went through the roof in 2013 and we hope to continue to push into this market in 2014 and beyond.

Junior Competition Council

The JCC drives our junior competition and is one of the most important parts of our District. The team led by Ross Leipold as Competition Director has had a tough but successful year and one that came with many challenges. The support given to Ross has been superb and included Simon Gilbert, Jo Warner, Joe Wiclaw and Mel Thomas.

Coach Education

Coach education continues to be a huge priority for the District as it strives to improve the overall standard of coaching. Bruce Fraser, District Coach Co-ordinator once again did a fantastic job in helping coaches throughout the district. Coaching is the most difficult part of the game of football and we acknowledge all the coaches that have put their hand up to do the job in 2013. The District was able to accredit over 100 coaches in the Level 1 Course this year with a further 8 completing the Level 2 Course.

Senior Community

Thank you once again to John Dorazio for his help and assistance with the senior community role this season. In 2013, the District organised 3 senior community meetings that were well attended and produced some really positive outcomes. It is hoped that with the continued support of the WAAFL the senior forums can continue to grow legs and drive the outcomes required for the community clubs to build and become sustainable.

2014 and beyond.....

On behalf of the Demons District, I would like to acknowledge the Perth FC. The Perth FC plays an important role in helping the district and equally, the Perth District is important to the ongoing success of the Perth FC. I trust that the Perth FC will continue to support the district and because of that, prosper on the field.

Once again, thank you to everyone that helped out in the Perth District in 2013. Football is a passionate game and that is the reason why I enjoy coming to work every morning. I feel privileged to work in the industry and hope that 2014 is once again a successful year for the mighty Demons District.

- Reserves Leading Goal Kicking: Jarrad Sewell (Gingin FC - 51 goals)
- Rising Star Trophy: Ben Jenkins (Toodyay FC)
- Champion Club Award 2013: Dowerin /Wylie FC
- Ian MacGregor Umpire Award 2013: Shane Ziarkievicz

Ashley Morgan, Avon Football Association President

The Avon Football Association has again had a successful season for the 2013 year. The Kellerberrin / Tammin Football Club, against the odds, took out the League Premiership by defeating reigning Premiers Beverley, who defeated Kellerberrin / Tammin Football Club in last year's Grand Final.

It was a fascinating game which displayed to a huge crowd the best of what Avon football can offer. Congratulations to Beverley for being great hosts on the day.

In the Reserves Grand Final top team and last year's Premiers Cunderdin, were beaten by a young, energetic and skillful York team. This augers well for the future of the York Football Club with so many young players coming through the playing ranks.

In the Avon Netball League Grand Final, the Feddies Fillies defeated the Beverley Redbacks in what was a repeat of last year's Grand Final and again with the winners reversed.

At a representative level the Avon senior team, which included a number of Colts aged footballers for this Country Week campaign, won B Section by defeating the Ongerup Football League in a tough Grand Final. As a result

Avon will be promoted to A Section for the 2014 Landmark Championships. Congratulations to Scott Siekierka and Troy Skilton on being selected as Country Allstars for their performances at the Carnival.

The Avon Football Association 2013 Award winners:

- League Byfield/Stacey Fairest and Best Dual winners - Tom Atkinson (York Football Club) and Troy Skilton (Cunderdin Football Club).
- League Runner-up - James Venterini (Kellerberrin / Tammin Football Club).
- Reserves Ron Aitkenhead Fairest & Best - Greg Scarlett (Cunderdin Football Club)
- Reserves Runner-up - Brad Hall (Quairading Football Club).

The Directors and clubs of the AFA thank the Perth Football Club for their support this season, especially Kevin Dack Perth Football Club Country Coordinator and wish Perth the best for 2014 season.

Country Football Reports

Ian Thomas, North Midlands Football League President

As in 2012, this year saw all six Clubs competing at League level and Nippers but with only four Clubs (Mingenew; Morawa; Dongara and Carnamah/Perenjori) fielding Reserves teams. Coorow/Latham with the help of four or five young players residing in Perth was able to keep a competitive League side playing. Three Springs fielded a League side of very young players who were realistically out of their depth. Carnamah/Perenjori has for several years struggled to field a Reserves side. Morawa is always capable of fielding two senior sides due to having an Agricultural College within the town. Mingenev has been able to field two senior sides due to smart canvassing of disgruntled players from Geraldton, which make their numbers strong. Dongara, which has a population equalling the remainder of the League combined, generally fields two senior teams easily.

The Mingenev Football Club became the first Club in the NMFL to win Premierships in all grades. The Captain of the Mingenev Football Club, James Dempster became the 3rd Player within the Leagues History to take out the "clean sweep" in 2013 by becoming the Hal Hunt Medallist (NMFL Best & Fairest), the Len Angel Medallist (Best & Fairest Grand Final) and Michael Kerr Medallist (Club Best & Fairest) plus Premiership Captain. I would like to also make mention of a young family of boys at Mingenev. James Vanderschutt who is 14 was Runner-up Reserves Best & Fairest in the NMFL, Matthew Vanderschutt who is 12 won the clean sweep of awards in the Nippers Competition. Without getting too far ahead of myself, these two boys may be worth a serious look at in time.

At the end of the home and away season, the three Clubs with strong numbers of players made up the top three teams

Norm McPherson, Central Midlands Coastal Football League President

The Season has come to a close with Cervantes again showing how a professionally run Club is successful by easily winning The Grand Final by over 10 goals against Lancelin Ledge Point who had chances but couldn't capitalise on them. The Reserves saw Jurien Bay win over a young Moora Mavericks who, if they can be kept together will be a side to be reckoned with in the years to come. Our Little League was a close game with Mavericks beating Jurien.

Some of this year's highlights are the winning of C Grade at the Landmark Country Carnival with B. LeCras & C. Chambers named in the Country Allstars.

The opportunity to host the WAFL game between Perth & West Perth was a great success with our first Semi-final as the leadup game. Between Football, Hockey & Netball over 250 players participated on the day & this is great for Country Sport.

in all grades. This suggests the inevitable in our League is slowly coming to the fore; that unless struggling Clubs can attract outside players to bolster numbers; the League will need to look at changes.

The League probably has a total of 220 senior players which probably equates to 210 players available on any given date. My personal train of thought is that amalgamations between Clubs are inevitable at some point.

2014 will probably show the League if Clubs can recover at all and the one advantage most Clubs have is that they are very financial. This League does have the advantage of Clubs being able to generate income from grain growing.

The Season overall was one of the greatest due to the 50 Year Celebrations highlighted by our "Inaugural Hall of Fame" evening. As Perth Football Club CEO Marty Atkins would know, this event was quite spectacular and securing the services of Glenn Mitchell and Barry Cable created something special for our League.

I would like to thank the Perth Football Club for inviting myself and my wife Lois to the President's Luncheon prior to the WAFL Grand Final, which we enjoyed immensely.

The 2013 Grand Final was held at the Goomalling Football Oval with approx 1200 adults plus children. The 4 finals shared between Wongan Hills and Goomalling attracted over 3400 adults.

The merging of Moora Rovers & Warriors Football Clubs after over 65 years in their own rights as Clubs was a sad occasion but with the formation of the new Moora Football Club the future looks good. The off shoot of this is the playing a Brumbies [13-16 year olds] competition against sides from Merredin, Kellerberrin, Bindoon Ag College & Moora. Hopefully, this will expand next year to bring more teenagers into Football.

Fairest & Best:

- League (J.J Lussick Medal) - B. LeCras (Cervantes)
- League Runner-up - L. Dykes (Jurien Bay)
- Reserves (Ian "Bobbie" Wyatt) - L. Thompson (Cervantes)
- Reserves Runner-up - R. Gibson (Jurien Bay)
- Little League (D.J.Seymour) - J. Sciddone (Moora)
- Little League Runner-up - J-C. Hudson (Jurien Bay)
